Preface

This is God's Good News in the Ogea language. Before when we wanted to hear the Good News, it was written in other languages, including Tok Pisin. But now we have translated this Good News into our own language, Ogea, which is spoken by about four thousand people living on the coast south of Madang in the Madang Province of Papua New Guinea. We carefully used both Pidgin and English translations as we translated into Ogea. Within the book a large portion consists of Matthew, Mark, Luke and John. These tell the

story of the work of Jesus Christ. Other books follow, ending in the book of Revelation, which speaks in symbolic language of things that are happening now and will happen later. As we read this Word of God and follow it, may His blessing rest upon us in great measure.
