### **The New Testament in the Yessan-Mayo Language, East Sepik, Papua New Guinea Preface**

This book contains a translation of the New Testament into the Yamano (Yessan-Mayo) language. This language is spoken by approximately 1000 people who live along the Sepik River in the Ambunti District of the East Sepik Province of Papua New Guinea.

We give thanks to God for the many prayers and gifts from His people which have helped produce this book. In particular we want to thank the people of the United States of America and Canada who have graciously underwritten the cost of its production. This book is dedicated to our God and to His glory.
