## 9

<sup>1</sup> De angel wa mek fibe blow e trumpet. A see one staa wa done faddown outta de sky ta de groun. An dey been gim da key fa open op de way fa go eenta de deep hole wa ain got no bottom. <sup>2</sup> De staa open op de way ta de deep hole. An plenty smoke come out fom eenside dey, jes like wen dey a great big fire an smoke da come out. De sun ain shine, an de sky been daak, cause de smoke mek de place daak. <sup>3</sup> Outta de smoke locust come down pon de wol. Dey been tell um dey fa haam jes de people dem wa ain been git God seal pon e forehead. <sup>5</sup> Dey ain been gii de locust dem no powa fa kill dem people. De locust dem git powa fa jes mek um suffa bad fibe mont. De pain wa dem poson suffa wen de locust dem sting um e been jes like de pain wen a scorpion sting a poson. <sup>6</sup> Jurin dem fibe mont dey, dem people yah gwine cry out fa det fa come tek um. Bot det ain gwine come ta um.

<sup>7</sup> De locust dem look jes like hoss wa done ready fa go fight waa. Ting dem wa look like gole crown been dey pon dey head, an dey face look like poson face. <sup>8</sup> Dey hair been like ooman hair, an dey teet been like lion teet. <sup>9</sup> Dey da weah ting wa look like iron cloes pon dey chest. An wen dey da fly, de loud racket wa dey wing beena mek, been like plenty hoss da pull chariot wen dey da rush fa fight waa. <sup>10</sup> Dey tail beena sting jes like scorpion, an wid dem tail yah dey beena git powa fa mek people suffa bad fa fibe mont. <sup>11</sup> Dey got dey king. God done been sit um dey ready fa dat same yeah dey, dat same mont dey, dat same dey dey, an dat same hour dey, fa leh dem kill de tird ob all de people. <sup>16</sup> Plenty sodja dem wa beena ride hoss been dey. Dey been two hundud million. <sup>17</sup> Een me wision A see de hoss dem an dem wa beena ride um. Dem people chest been kiba wid ting like iron cloes wa people weah wen dey gwine ta waa. An de iron been red jes like fire, an daak blue, an yella jes like sulfa. De hoss dem head look like lion head, an fire wid smoke an hot sulfa beena come outta dey mout. <sup>18</sup> Dem shree bad ting yah, de fire, de smoke, an de hot sulfa, wa beena come outta dem hoss mout, been kill de tird ob all de people. <sup>19</sup> Cause de powa wa dem hoss yah beena git, been dey een dey mout an een dey tail. De tail been jes like snake wa got head, an wid dey head dey beena hut people.

<sup>20</sup> Stillyet, de oda people dem wa dem bad ting yah ain kill, dey ain change dey way. Dey ain ton way fom woshup de ting dem wa dey been mek fa deysef. Dey ain stop fa woshup de ebil sperit dem an dem ting wa dey been mek outta gole, silba, brass, stone an wood. Dem ting wa dey woshup ain able fa see nottin. Dey ain able fa yeh nottin an dey ain able fa waak none tall. <sup>21</sup> Bot dem people yah

ain change dey way tall. Dey ain been saary fa kill people, or fa de black magic dey beena do, needa fa de loose life wa dey beena lib, needa fa de way dey beena tief.

### *De Angel an de Leetle Scroll*

<sup>1</sup> Atta dat, A see one oda angel wa got powa da come outta heaben. A cloud been kiba um jes like cloes, an a rainbow been roun e head. E face beena shine like de sun, an e foot dem been like fire da stanop scraight like two post. <sup>2</sup> E got one leetle scroll ob paper dey een e han, an de paper been open op fa read. <sup>5</sup> Den de angel wa A been see da stanop, wid one foot pon de sea an one foot pon de dry groun, dey hice e right han op ta heaben. <sup>6</sup> E mek a wow fo God wa lib now an wa gwine lib faeba an eba. E de God wa mek heaben an all wa dey enside um. E mek de wol an all wa dey een um an de sea, all dey een um too. De angel say, “Time ain gwine waste no mo! <sup>7</sup> Bot wen de angel wa mek seben ready fa blow e trumpet, all wa God been cide fa do, God gwine do um, jes like e been tell de prophet dem wa wok fa um.”

<sup>9</sup> So den A gone ta de angel an aks um fa gii me de leetle scroll. E tell me say, “Tek um an nyam um. E gwine ton

sour een ya belly, bot e gwine taste sweet jes like honey een ya mout.”

<sup>10</sup> A tek de leetle scroll fom de angel han, an A nyam um. E taste sweet jes like honey een me mout. Bot wen A done swalla um, e ton sour een me belly. <sup>11</sup> Den A yeh poson da tell me say, “Ya mus tell God message gin. Ya mus tell gin bout plenty nation, bout plenty diffunt people dem wa da taak plenty diffunt language, an bout plenty king dem.”

## 11

### *De Two People wa da Tell God Message*

<sup>1</sup> Atta dat, dey gii me one stick like wa dey nyuse fa tek fa medja. Den dey tell me say, “Mus go medja God House an de alta dey. An mus count de people dem wa da woshup God dey eenside e House. <sup>2</sup> Bot mus dohn medja de open place wa dey roun God House, cause dat place dey fa dem wa ain God own people. An dem people gwine mash God city onda dey foot fa foty-two mont. <sup>3</sup> A gwine sen two people wa gwine tell de people bout me. A gwine gim powa. Dey gwine weah buryin cloes. An dey gwine tell people God message fa one tousan, two hundud sixty day.”

<sup>4</sup> De two people dem wa gwine tell God message, dey de two olib tree an de two lamp stan dem wa da stanop fo de Lawd wa da rule oba all de wol. <sup>5</sup> Ef poson try fa do dem two people yah bad, fire gwine come outta dey mout an bun de poson an stroy um. So den, dat how de poson wa try fa do dem two bad gwine dead. <sup>6</sup> Dem two people got powa fa hole back de rain een de sky, so dat de rain ain faddown jurin de time wen dey da tell God message. An dey got powa fa mek de wata wa come outta de groun ton eenta blood. An dey got powa fa sen wasoneba kind ob bad ting eenta de wol, wasoneba time dey wahn fa do um.

<sup>7</sup> Now den, wen dey done tell de people dey message, de wile beast wa come op outta de deep hole wa ain got no bottom, e gwine come an fight dem. E gwine win out oba um an kill um. <sup>8</sup> Dey dead body gwine leddown een de screet een de big city weh de people been nail dey Lawd ta de cross. Dey call dat city Sodom or Egypt, wa mean fa say dat city jes like dem. <sup>9</sup> All kind ob people wa come out fom all de tribe an all de nation een de wol, people wa taak all de diffunt language, dey gwine tek shree an a haf day, da pass by an look pon de dead body ob de two people wa done tell God message. An jurin dat time dey ain gwine leh nobody tek dem dead body an bury um. <sup>10</sup> De people een de wol gwine rejaice wen dem two prophet yah dead. Dey gwine mek merry an gii one noda gif, cause dem two prophet yah done beena mek um suffa tommuch. <sup>11</sup> Bot atta shree an a haf day done pass, God blow life eenta de two prophet dem, an dey stanop. “Lawd God wa got powa mo den all,  
 wa been dey faeba, an wa still dey now!  
 We tell ya tankya,

cause ya done nyuse ya powa wa mo den all,  
 an staat fa rule oba de wol!

<sup>18</sup> De people wa ain ya own,  
 dey been mad op fa true,

 an dem wa gii ya hona, dem wa got powa,  
 an dem wa ain got no powa.

An de time done come fa stroy dem wa stroy people een de wol!”

<sup>19</sup> Den God House een heaben open op, an dey een e House, A see de box weh dey pit de ting weh dey write de cobnant. Dat de greement wa God mek wid all people. Den lightnin staat fa flash, an a big nise staat op, an tunda staat fa soun. De groun staat fa tremble an a heapa hail staat fa faddown.

## 12

### *One Ooman an One Big Dragon*

<sup>1</sup> Den op een de sky A see one great sign wa stonish all de people. One ooman been dey, an de sun kiba um jes like a dress. An de moon been dey onda e foot. E been

weah crown wa got tweb staa een um, pon e head. <sup>2</sup>E been speckin chile, an e been lef jes leeleetle bit fo de chile fa bon. So de ooman pain been mek e da holla.

<sup>3</sup>Den A see noda sign op een de sky. One big red dragon been op dey. An e been hab seben head, an ten hone. An ebry one ob e seben head got one crown pon um. <sup>4</sup>Dat dragon tek e tail an draw one outta ebry shree staa outta de sky. An e chunk um down pon de wol. Dat dragon go stanop fo de ooman. De ooman chile been fa bon, an de dragon stanop so dat e kin nyam op de chile, jes wen e bon. <sup>5</sup>De ooman hab one boy chile, wa gwine rule oba all de people ob all de nation ob de wol. E gwine rule wid tority oba all dem wid iron staff. An de dragon ain neba nyam de chile op. God mek angel go grab hole ta de chile, tek um ta God wa da seddown pon e shrone fa rule. <sup>6</sup>De ooman ron way eenta de desat, ta place wa God done been mek fa um. Dey gwine tek cyah ob um dey fa one tousan, two hundud an sixty day.

<sup>7</sup>Now den, dey been waa een heaben. Michael an e angel dem beena fight de dragon, an de dragon fight back wid e own angel dem. <sup>8</sup>Bot Michael an e angel dem win out oba de dragon. So de dragon an e angel dem ain got no place een heaben no mo. Dey haffa lef dey. <sup>9</sup>Michael an e angel dem shrow dat big dragon outta heaben. E dat ole saapent wa dey call de Debil or Satan. E beena mek all de people een de wol sin. Michael an e angel dem chunk um down eenta de wol, wid all e angel dem.

<sup>10</sup>Den A yeh loud boice da taak een heaben say, “De time wen God gwine sabe e people done come! God gwine show e powa an rule now an be King oba all de wol! An Christ de Messiah wa God sen gwine rule wid tority! Cause de one wa beena stanop fo God day taak day an night, da say we Christian broda dem do bad, dey done chunk dat one

down outta heaben. <sup>11</sup> We Christian broda dem win out oba um. Dey win wid de blood ob de Lamb an de true wod wa dey beena tell people bout God. An pontop dat, dey been ready fa dead fa God ef dey haffa. <sup>12</sup> So den, oona mus rejaice dey een heaben! Oona mus be too heppy, all oona wa lib dey! Bot e gwine be haad time fa dem wa lib een de wol an pon de sea! Cause de Debil come down ta oona! E bex too bad, cause e know e got jes leeleetle bit ob time lef.”

<sup>13</sup> Wen de dragon see dat dey done chunk um down eenta de wol, e staat fa ron atta de ooman wa been bon de boy chile. <sup>14</sup> Bot somebody gii de ooman two wing fom a big eagle so dat de ooman been able fa fly ta e place een de desat. An dey gwine tek cyah ob de ooman dey fa shree an a haf yeah. An de dragon ain gwine be able fa do um bad. <sup>15</sup> So de dragon shrow plenty wata outta e mout. Jes like a riba, de wata staat fa ron atta dat ooman fa cyaa um way. <sup>16</sup> Bot de groun hep de ooman. E open op e mout an swalla de riba ob wata wa beena come outta de dragon mout. <sup>17-18</sup> Cause ob dat, de dragon been bex bad wid de ooman. So e gone fa fight e oda chullun an chullun chullun dem. Dey all dem wa da do wa God tell um fa do an wa bleebe de true ting wa Jedus show um an folla um. Den de dragon gone stanop close ta de sea.

## 13

<sup>1</sup> Den A see one beast da come op outta de wata. E hab ten hone. E hab seben head. Ebry one ob dem hone hab crown pon um. An pon ebry one ob dem hone, dey been sompin write down fa hole God cheap. <sup>2</sup> De beast wa A see look like leopard, bot e foot dem look like beah foot an e mout like lion mout. De dragon gii dis beast yah de powa an de tority wa e been hab oba all dem ting wa e beena

rule. <sup>3</sup> One ob de head dem look like e been wound so dat e been fa dead. Bot de cut pon e head wa been fa mek um dead, e heal now. All de people een de wol been stonish an folla de beast. <sup>4</sup> Dey all woshup de dragon cause e been gii de beast e powa. An dey woshup de beast too an say “Ain nobody like de beast, ainty? Ain nobody able fa fight ginst um!”

<sup>5</sup> De beast taak all kinda bad ting ginst God an taak dem ting wa show e proud fa true. An God leh um hab tority fa rule fa foty two mont. <sup>6</sup> Dat beast cuss God an hole e name cheap, an de place weh God lib, an all dem wa dey een heaben. E hole um all cheap. <sup>7</sup> De beast been able fa fight God own people dem an win out oba um, cause God leh um do dat. An God gii dat beast tority oba people fom all de tribe dem an fom all de diffunt nation dem een de wol, people wa taak all de diffunt language dem. <sup>8</sup> All de people een de wol gwine woshup dat beast, cep fa dem wa got dey name write down een de book wa blongst ta de Lamb, wa people been kill. Fo God mek de wol, e done write down dem name ob dem people wa gwine lib fa eba an eba. E write um down een de book ob de Lamb.

<sup>9</sup> “Now den, listen op, ef ya got yea fa yeh! <sup>10</sup> De people wa spouse fa git ketch, dey gwine git ketch. Dem wa spouse fa git jook wid de sode, dey gwine git jook wid de sode. Dis mean dat God people dem mus beah op onda suffrin an mus dohn neba stop fa bleebe pon God.”

<sup>11</sup> Den A see noda beast da come op outta de groun. E been hab two hone jes like lamb hone, an e beena taak like de dragon. <sup>12</sup> Dis secon beast tek all de powa ob de fus beast an nyuse dat powa front ob um. E mek de people een da wol woshup de fus beast, wa been all cut op bot been heal. <sup>13</sup> Dis secon beast yah, e do miracle wa mek people watch. E eben mek fire come down outta heaben

ta de wol ta de people. <sup>14</sup> Cause ob dem miracle wa de secon beast got powa fa do front ob de fus beast, e ceebe de people ob de wol. Dat secon beast orda um say mus mek statue fa show hona ta de fus beast wa been wound wid sode, stillyet e da lib. <sup>15</sup> An God leh de secon beast blow life eenta de statue ob de fus beast, so dat de statue able fa taak an gii orda ta people fa kill all dem wa ain woshup um. <sup>16</sup> De secon beast orda fa dem fa pit maak pon all people, pon dey right han or pon dey forehead. Dey mus pit maak pon ebrybody, big an small, dem wa got plenty ting an dem wa ain got nottin, dem wa free bon an dem wa slabe. <sup>17</sup> Ain nobody been able fa buy or sell nottin, lessin e got dat maak dey. An dat maak e de name ob de fus beast or de numba wa stan fa de name. <sup>18</sup> So den, oona mus git sense fa true fa ondastan dis. Leh de poson wa got sense, figga out wa de beast numba mean, cause de numba stan fa man numba. Dat numba six hundud an sixty-six.

## 14

### *De Lamb an E People*
