Preface

This book contains a revision of the translation of the New Testament into the Kanite Language which was completed in 1980. The Kanite language is spoken by approximately 6,000 people who live in the Okapa Sub-district of the Eastern Highlands of Papua New Guinea.

The preceding Kanite preface explains the origin of the New Testament as well as the glossary and maps.

We are grateful for the prayers and gifts of many friends that have made the revision of this New Testament in the Kanite Language a reality. We are also thankful to The Bible League who have underwritten the cost of this publication.
