Mi'kmaq New Testament About Mi'kmaq

Mi'kmaq is an Eastern Algonquian language, spoken by the Mi'kmaq First Nations people indigenous to Canada's Maritime Provinces and the Gaspé Peninsula of Quebec, with some dialects extending into Maine in the U.S. The nation has a population of about 40,000, of whom nearly 11,000 speak the Mi'kmaq language. Once written in Mi'kmaq hieroglyphic writing, it is now written using mostly letters of the standard Latin alphabet.

About This Translation

This is a translation of the New Testament in the Mi'kmaq dialect spoken in Quebec. The translation was coordinated under the auspices of the North American Branch of the Summer Institute of Linguistics. If you are interested in obtaining a printed copy of this Bible, please contact the Canadian Bible Society at <http://www.biblescanada.com>.
