

Exodus Introdushon

Exodus, Levitikus and Nombas (wey follow Jenesis) na books wey tok about how God start Israel nashon as part of en special plans for di whole world. Wen Israel pipol bi slave for Egypt, God kon show en strong pawa to Fero for Egypt, thru Moses, as God won diliver dem komot from Egypt. For Mount Sinai, God give di Ten Kommandments to Moses. Israel pipol build di Tabanako, so dat God go stay with dem. Den di pipol kon travel for di wildaness go rish Kanaan pipol land. Di main part for di book diskribe all di place wey Israel pipol stay wen dem dey travel inside di wildaness. Di main place dem rish na Mount Sinai and for der, God give Moses en laws for di pipol.

God Bless Israel Pipol For Egypt

¹ Dis na Jakob shidren wey follow am go Egypt and each one karry en family follow body: ² Reuben, Simeon, Levi, Judah, ³ Issakar, Zebulun, Benjamin, ⁴ Dan, Naftali Gad and Asher. ⁵ Jakob family for Egypt, na seventy (Josef don already dey Egypt before dem kom).

⁶ Afta sometaim, Josef, en brodas and doz wey bi dia age mate kon die. ⁷ So Israel pipol kon plenty and dey strong for di land. ⁸ Den one new king wey nor know Josef kon dey rule Egypt. ⁹ So di king kon tell en pipol, "Make una si, Israel

pipol dey plenty and dem strong pass us! ¹⁰ Make wi handle dem with sense, if not, dem go dey plenty more-more and if war happen naw, dem go join awa enemies fight us, den dem go run komot from dis land.”

¹¹ So dem kon dey sofa and ponish Israel pipol. Na Israel pipol build Pitom and Rameses as di place wey Fero go dey keep tins put. ¹² But even as Egypt pipol dey opress Israel pipol, dem still dey plenty more-more for di land and Egypt pipol kon dey fear dem well-well, ¹³ so dem kon dey ponish Israel pipol anyhow. ¹⁴ Egypt pipol make life taya Israel pipol with di kind hard work wey dem dey do with mortar, stones and all di work for di field.

¹⁵ Di king wey dey rule Egypt kon tell Shifrah and Puah wey bi di Hibru nurse sey; ¹⁶ “Anytime wen una dey help di Hibru wimen wey won born, if una si sey di pikin na boy, make una kill-am, but if na girl, make una nor kill-am.” ¹⁷ But di nurse dem dey fear God and dem nor gri do wetin di king tell dem, so dem nor kill di boys.

¹⁸ Den di king koll di nurse kon ask, “Why una do dis kind tin? Why una nor kill di boys?”

¹⁹ Di nurse ansa Fero, “Hibru wimen nor bi like Egypt wimen; dem strong well-well and before wi go even rish der, dem don born!”

²⁰ So God favor di nurse dem and Israel pipol kon dey plenty and strong. ²¹ Bikos di nurse dem dey fear God, Oga God kon give dem dia own family.

²² So Fero kommand en pipol, "Make una go kill any boy wey dem just born kon trow dem inside River Nile, but make una leave all di girls."

2

Dem Born Moses

¹ For dis time, one man from Levi tribe marry one woman wey kom from di same tribe. ² Di woman get belle kon born boy. Wen e si sey di pikin fine well-well, e kon hide am for three mont, ³ but as e nor fit hide am again, e take basket wey dem make with soft wood kon wrap am, so dat wota nor go enter inside. E put di pikin inside kon put am near di grass dem wey dey River Nile korna. ⁴ Di boy sista stand for far dey look, so dat e go si wetin go happen to am.

⁵ Den Fero dota kom di river kon baf and as en savants dey waka for di river korna, at wons di king dota kon si di basket for where di grass dem dey. So e send one among en savants go bring am kom. ⁶ Wen e open di basket, e kon si di boy inside dey kry. Fero dota sorry for di pikin kon sey, "Dis go bi one Hibru woman pikin."

⁷ Den di pikin sista kon ask Fero dota, "Yu wont make I go find one woman among di Hibru wimen wey go fit kare for dis pikin for yu?"

⁸ Fero dota ansa, "Make yu go." So di yong girl kon go bring di pikin mama kom.

⁹ Fero dota tell di woman, "Go take kare of dis pikin for mi and I go pay yu for di work." So di pikin mama karry am kon go kare for am.

¹⁰ Wen di pikin don big rish, di woman kon karry am go give di king dota as en pikin and e name am, "Moses" bikos e sey, "Na wota I for si am."

Moses Run Go Midian

¹¹ Wen Moses don mature, e komot go visit en Hibru pipol. For der, e kon si how en pipol dey sofa, bikos of di work wey dem dey do. Den Moses si as one Egypt man dey beat one Hibru man wey bi en own pesin. ¹² As Moses si sey nobody dey look dem, e attack, kill and beri di Egypt man.

¹³ Wen e kom outside di next day, e si two Hibru men dey fight. So e kon tell di one wey do bad sey, "Wetin make yu dey beat yor broda like dat."

¹⁴ Di man ansa, "Who sey make yu kom judge us? Yu dey plan to kill mi as yu take kill dat Egypt man?"

Den Moses kon dey fear, so e tink kon sey, "True-true, pipol don know wetin I do." ¹⁵ Wen Fero hear about di matter, e kon dey fine Moses make e kill-am.

So Moses run from Fero go Midian land kon go stay near one well. ¹⁶ Naw, Midian priest get seven girls wey dey kom draw wota from di well to take feed dia papa animals. ¹⁷ So some shepad kom drive di girls komot from di well, but Moses fight for dem kon give dia animals wota.

¹⁸ Wen di girls rish house, Jetro, dia papa kon ask, "Wetin make una kwik kom house today?"

¹⁹ Dem ansa, “Na one Egypt man save us from doz shepad, den e draw wota for us kon still give di animals drink.”

²⁰ Di man ask en dotas, “Na where dis man dey and wetin make una leave am for der? Make una go koll am kom, so dat e go follow us chop today.”

²¹ Moses agri to stay with dem and di man kon give en dota, Zipporah to Moses as en wife.

²² Moses wife born boy and Moses koll am, “Gershom” bikos e sey, “Na strenja I bi for dis land.”

God Koll Moses

²³ Afta sometaim, Egypt king kon die, but Israel pipol still dey kry, bikos dem dey sofa well-well. So dem kry well-well to God for heaven. ²⁴ God hear dia kry and E remember en kovenant wey E make with Abraham, Isaak and Jakob. ²⁵ God si as dem dey sofa, so E kon dey sorry for dem.

3

God And Moses

¹ One day wen Moses dey kare for di sheep and goat wey bi en wife papa, Jetro wey bi priest for Midian own, e kon karry di animals go far for anoda side for di wildaness till e rish di holy mountin for Horeb. ² Den God angel appear to am like fire for inside di bush. Wen Moses look, e si sey di fire dey katch, but di bush nor dey burn! ³ So Moses tok for en mind sey, “I neva si dis kind tin before. I go waka near kon si why di bush nor dey burn?”

⁴ Wen God si sey Moses don near di bush, E kon koll am, “Moses, Moses!”

Den Moses ansa, "I dey here."

⁵ God tell am, "Make yu nor waka near dis place. Remove di shoe wey dey yor leg, bikos di groun wey yu stand put so, dey holy." ⁶ E still tell am, "Na mi bi yor papa Abraham, Isaak and Jakob God." Den Moses hide, bikos e dey fear to look God face.

⁷ God kon tell am, "True-true, I don si how my pipol dey sofa for Egypt. I don hear dia kry for help and I know how dia sofa big rish. ⁸ I don kom diliver dem from Egypt pipol, den karry dem go anoda land wey dey good and big. Di land wey milk and honey dey flow for di aria where Kanaan, Hit, Amor, Periz, Hiv and Jebus pipol dey stay. ⁹ True-true, Israel pipol kry don rish my ear and I don si how Egypt pipol dey sofa and opress dem. ¹⁰ So naw, make yu go, bikos na mi dey send yu go meet Fero and make yu take my pipol Israel, komot from Egypt."

¹¹ But Moses tell God, "Na who I bi to go meet Fero or to karry Israel pipol komot from Egypt?"

¹² God ansa am, "True-true, I go dey with yu and dis go bi di sign to show sey na mi send yu: wen yu take di pipol komot from Egypt, yu and dem go kom serve mi for dis mountin."

¹³ But Moses ansa God, "If I go meet Israel pipol kon tell dem, 'Na una grand-grand papa God send mi kom meet una.' Den dem ask mi, 'Wetin bi en name?' Na wetin I go ansa dem?"

¹⁴ God ansa, "I BI WHO I BI. Dis na wetin yu go tell dem, 'Na di God wey bi who E bi send mi kom meet una.' " ¹⁵ God still tell Moses, "Yu

must tell Israel pipol sey, 'God wey bi una grand-grand papa God; di Pesin wey bi Abraham, Isaak and Jakob God, na-im send mi kom meet una.' Dis na my name forever and dis na wetin pipol go take remember mi from one generashon go rish anoda.

¹⁶ "So make yu go gada di eldas for Israel kon tell dem sey, 'God wey bi una grand-grand papa dem, Abraham, Isaak and Jakob God appear to mi kon sey, "I don kom meet una and I si as una dey sofa. ¹⁷ I don promise sey na from Egypt where una dey sofa naw, I go for take karry una go take-ova Kanaan, Hit, Amor, Periz, Hiv and Jebus pipol land, di place where milk and honey full." '

¹⁸ "Di eldas go agri with yu, so yu and di eldas for Israel must go si Egypt king kon tell am, 'God, wey bi Hibru pipol God don kom meet us. Naw, make yu allow us travel for three days go inside di wildaness, so dat wi go fit go offa sakrifice give di Oga awa God.'

¹⁹ "But I know sey Egypt king nor go let una go, unless I force am. ²⁰ So I go use my hand skata Egypt with all di wonders wey I go do among dem and afta all doz tins, e go let una go. ²¹ I go make Egypt pipol favor una, so dat una go karry tins follow body wen una dey komot from di land. ²² All di wimen for Israel go ask dia neighbour and Egypt neighbour for gold, silva and fine-fine klot. Una and una shidren go wear dem and like dis, una go finish all di tins wey Egypt pipol get!"

4

God Show Moses En Pawa

¹ Moses ansa again, “Na wetin I go do if dem nor bilive or listin to mi, but kon dey sey, ‘God nor appear to yu?’”

² So God ask Moses, “Wetin dey yor hand?”
E ansa, “Na stik.”

³ God tell am, “Make yu trow am for groun.” So Moses trow di stik for groun and e turn to snake, den Moses run komot der.

⁴ But God tell am, “Make yu hold am for en tail.” So e hold am for en tail and di snake kon turn stik for en hand.

⁵ God sey, “Dis na wetin yu go do, so dat Israel pipol go bilive sey na di Oga God wey bi dia grand-grand papa, Abraham, Isaak and Jakob God, appear to yu.”

⁶ God still tell am, “Make yu put yor hand inside yor dress.” So e put en hand inside en dress and wen e bring am kom out, e kon get diziz and di hand dey white like snow! ⁷ God tell am, “Put yor hand back inside yor dress.” So e put am back, den e bring am kom out and di hand kon dey okay again.

⁸ So God sey, “If dem nor bilive yu or bilive di first sign, dem go bilive dis sekond one. ⁹ And if dem nor bilive dis two signs or listin to yu, make yu take small wota from River Nile kon pour am for dry groun. Den di wota wey yu fetch from di river go turn to blood as yu dey pour am.”

¹⁰ Den Moses tell God, “My Oga God, Yu know sey I nor sabi tok well since dem born mi kon rish naw wey Yu dey tok to mi, yor savant.”

¹¹ God ask am, “Na who give man mout or na who dey make pesin fit tok, hear or si? Nor bi mi wey bi God? ¹² Naw, make yu go and I go help yu tok kon tell yu wetin yu go tok.”

¹³ But Moses sey, “My Oga God, abeg make Yu send anoda pesin wey Yu go like to send.”

¹⁴ Den Oga God kon dey vex with Moses, so E ask am, “Wot about yor broda Aaron wey kom from Levi tribe? I know sey e sabi tok well-well. E dey kom meet yu and wen e si yu, e go happy well-well. ¹⁵ Den yu go tell am wetin e go tok. As for mi, I go tok thru una and I go tish two of una wetin to do. ¹⁶ E go help yu tok to di pipol and e go bi like sey naim bi yor mout and yu go bi like God to am. ¹⁷ Yu go still karry di stik follow body, bikos naim yu go take do many signs and wonders.”

Moses Go Egypt Back

¹⁸ Den Moses go back go meet en wife papa, Jetro kon tell am, “Make yu allow mi go back to my family for Egypt kon shek if dem still dey alive.” Jetro ansa Moses, “Make peace follow yu go.”

¹⁹ God tell Moses for Midian, “Make yu go Egypt back, bikos all di pipol wey get mind to kill yu, don die.”

²⁰ Den Moses take en wife and pikin, karry dem put on-top donkey kon go Egypt. Moses hold di stik wey God gi-am for en hand.

²¹ God tell Moses, “Wen yu go back to Egypt, yu must do all dis mirakle and sign for Fero front, bikos I don put pawa for yor hand. But I go make

Fero heart strong well-well and e nor go gri free my pipol. ²² Yu must tell Fero, ‘God sey, Israel na my first pikin ²³ and I tell yu sey, “Make yu allow my pikin dem go, so dat dem go-go serve mi, but since yu nor gri make dem go, I go kill yor own son!” ’ ”

²⁴ Naw, nite meet dem for road, so dem stop for one house kon sleep der. For nite wen dem dey sleep, God won kon kill Moses for di place. ²⁵ But en wife Zipporah kut en son skin with knife kon take am tosh Moses leg, den e sey, “True-true, I don take yu from deat hand and yu bi my husband wey I marry with blood.” ²⁶ So God leave Moses. (From dat time, en wife kon dey koll am, “Blood husband” and e take am mean sekonsishon.)

²⁷ God tell Aaron, “Make yu go di wildaness go meet Moses.” So Aaron go der go meet am for God mountin kon kiss am. ²⁸ Moses tell Aaron evritin wey God tell am and all di mirakle and sign wey God kommand am sey make e do.

²⁹ Den Moses and Aaron kon go gada all di eldas for Israel togeda. ³⁰ Aaron tell dem wetin God tell Moses and Moses do di mirakles and signs for di pipol front, ³¹ so di pipol bilive Moses. Wen dem hear sey God don kom save Israel pipol and E don si as dem dey sofa rish, dem kon bow woship am.

5

Moses and Aaron Go Meet Fero

¹ Den Moses and Aaron go meet Fero kon tell am, “Israel God sey, ‘Make yu allow my pipol

travel go di wildaness go woship and honor mi.’ ”

² But Fero ask dem, “Who bi dis God wey go make mi fear am kon let Israel pipol go? I nor know am, so I nor go let Israel pipol go.”

³ Moses and Aaron kon sey, “Hibru pipol God don show ensef to us. So make yu allow us go di wildaness for three days go do sakrifice to awa God, so dat E nor go kill us with sickness or war.”

⁴ Den di king tell dem, “Moses and Aaron, na una dey make di pipol nor gri do dia work, abi? Make una go back go kontinue una work. ⁵ Una pipol don too many for dis land pass Egypt pipol. And naw, una wont stop work.”

⁶ For dat di same day, Fero kon kommand di slave oga dem sey, ⁷ “Make una stop to give di pipol wetin dem take dey make block. But make only dem go find kon make block. ⁸ And una go force dem make plenty block, just as dem dey do before. Na bikos dem nor get enough work naim make dem dey kom ask mi sey, ‘Make yu let us go sakrifice give awa God.’ ⁹ Make una give dem strong work, so dat dem nor go get shance to listin to lie-lie word!”

¹⁰ So all di slave oga kon go tell Israel pipol, “Fero sey: ‘I nor go give una wetin dem take dey make block again. ¹¹ But na only una go-go find dem and di block wey una go make must bi di same as before.’ ” ¹² So di pipol kon bigin waka for inside Egypt dey find wetin dem take dey make block.

¹³ Di slave oga still dey force and tell dem, “Una must finish evriday work, just as e bi wen wi dey

give una dry stik take work!" ¹⁴ Fero pipol kon bigin beat Israel pipol wey dem take do oga ova dia own pipol, den dem ask dem, "Why una nor komplette una work yestiday and today, just as una dey do before?"

¹⁵ Israel pipol wey dem take do oga ova dia own pipol kry go meet Fero kon sey, "Why yu dey sofa yor savants like dis? ¹⁶ Dem nor gri give us, yor savants dry stik, instead dem dey beat and tell us sey make wi make plenty block, even doh na dem dey wrong."

¹⁷ Den Fero ansa, "Una lazy and nor won work, if not una nor go sey, 'Make yu allow us go sakrifice give awa God.' ¹⁸ So make una go back go work. Dem nor go give una dry stik again and una must still make di block rish as una dey do am before!"

¹⁹ Israel pipol wey dem take make oga ova dia own pipol kon know sey dem don enter trobol as di king sey, "Una must make di block rish as una bin dey do am." ²⁰ Afta dem leave Fero, dem kon go meet Moses and Aaron wey bin dey wait for dem kon ²¹ sey, "Make God judge una, bikos una don make di king and en workers hate us and una don give dem shance to kill us!"

Moses Cry Give God

²² Moses go back go meet God kon sey, "God! Why Yu kon kause trobol for dis pipol? Wetin make Yu send mi kom? ²³ Since I go tok to Fero with yor name, di kind sofa wey e dey sofa yor pipol kon worse pass as e bi before and Yu neva still kom save dem!"

6

God Koll Moses

¹ Den Oga God tell Moses, “Naw, yu go si wetin I go do Fero. I go force am make e allow my pipol go. I go use my pawa take make am drive my pipol komot from dis land.” ² So God tell Moses, “Na mi bi Oga God. ³ ‘Na mi appear to Abraham, Isaak and Jakob as di Almighty God, but di pipol nor know sey my name na Oga God,’ too. ⁴ I still make kovenant with dem kon promise sey, ‘I go give dem Kanaan pipol land, where dem stay as strenja.’ ⁵ Naw, I don hear Israel pipol kry, bikos of how Egypt pipol dey sofa dem and I don remember my kovenant.

⁶ “So tell Israel pipol sey, ‘Na mi bi Oga God and I go remove di load wey Egypt pipol put for dia head and dem nor go bi slave again. Na my pawa I go take save una and I go ponish Egypt pipol. ⁷ I go take una as my pipol and I go bi una God. Den una go know sey na mi bi di Oga wey bi una God. Di One wey save una from Egypt pipol hand wen dem dey sofa una. ⁸ I go take and give una di land wey I promise sey I go give Abraham, Isaak and Jakob. Na mi bi Oga God!’ ”

⁹ Moses tell Israel pipol dis tins, but dem nor listin to am, bikos of dia sofa.

¹⁰ Den God tell Moses, ¹¹ “Make yu go tell Fero wey bi Egypt king sey e must free Israel pipol from en land.”

¹² But Moses ansa, “If Israel pipol nor gri listin to mi, den how Fero go kon take listin to mi, since I nor dey fit tok well?”

13 God kon kommand Moses and Aaron about Israel pipol and E sey make dem tell Fero wey bi king for Egypt sey make e free Israel pipol from en land.

Moses And Aaron Family

- 14 Dis na di head for di difren family for Israel: Reuben wey bi Israel first pikin, born Hanok, Pallu, Hezron and Karmi. Na dis pipol bi Reuben family.
- 15 Simeon shidren na Jemuel, Jamin, Ohad, Jakin, Zohar and Shaul wey en mama kom from Kanaan. Na dis pipol bi Simeon family.

- 23 Aaron marry Elisheba wey bi Amminadab dota and Nahshon sista. Di woman born Nadab, Abihu, Eleazar and Itama for Aaron.

24 Korah pikin na Assir, Elkanah and Abiasaf.
Na dis pipol bi Korah family.

25 Naw, Eleazar wey bi Aaron pikin marry one
among Putiel dota and e born Finehas for
Eleazar.

Na all dis pipol kon bi Levi tribe.

26 Na dis Aaron and Moses, God still tell sey,
“Make una take Israel pipol komot from Egypt.”

27 Na dem bi di men wey tok to Fero, so dat dem
go fit take Israel pipol komot from Egypt.

God Kommand Moses And Aaron

28 Wen God tok to Moses for Egypt, 29 E tell am,
“Na mi bi di Oga, yor God. All di tins wey I dey
tell yu since, make yu go tell Fero wey dey rule
Egypt.” 30 But Moses ansa, “Since I nor fit tok
well, how Fero go take listin to mi?”

7

1 So God tell Moses, “Si, I don turn yu to god for
Fero front and yor broda, Aaron go bi yor profet.

2 Yu go tell am all di tins wey I tell yu and yor
broda Aaron go tell Fero sey e must free Israel
pipol. 3 But I go make Fero heart strong, even
with all di signs and wonders wey I go do take
warn am. 4 Fero nor go gri listin to una. So I go
ponish Egypt pipol. I go use force take karry my
pipol Israel komot from Egypt land, den judge
Egypt pipol well-well. 5 Den wen I show Egypt
pipol as I strong rish kon take Israel pipol komot
from der, di pipol go know sey na mi bi Oga
God.” 6 So Moses and Aaron do as God kommand
dem. 7 Naw, Moses na eighty years while Aaron
na eighty-three years wen dem go tok to Fero.

Aaron Walkin Stik

⁸ God tell Moses and Aaron, ⁹ “Wen Fero sey, ‘Make una do sometin to make mi bilive!’ Den yu go tell Aaron, Trow di stik for groun for Fero front and e go shange to snake.” ¹⁰ Wen Moses and Aaron go meet Fero, dem do as God kommand dem. Aaron trow di stik for groun for where Fero and en savants dey and e shange to snake. ¹¹ Fero sef tell en native doctors and juju-men for Egypt sey make dem do di same tin. ¹² All of dem trow dia stik for groun and dia stik turn to plenty snake. But Aaron stik swallow all di oda stiks. ¹³ With all dis ones, Fero heart still strong well-well and e nor gri listin to dem, just as God tok.

First Wahala: Wota Turn To Blood

¹⁴ God tell Moses, “Fero heart dey strong and sturbon and e nor go gri allow di pipol go. ¹⁵ So make yu prepare yorsef go meet am for morning wen e dey go River Nile korna and make yu hold di stik wey shange to snake for yor hand. ¹⁶ Den yu go tell am, ‘Na Oga God, wey bi Hibru pipol God send mi kom tell yu sey, “Make yu let my pipol go serve mi for di wildaness! But yu nor won gri.” ’ ¹⁷ God sey, ‘Naw, wetin I go do, go make yu know sey na mi bi Oga God.’ Si, I go nak di wota for River Nile with di stik wey dey my hand and e go shange to blood. ¹⁸ Di fish dem for inside di river go die; di river go dey smell and di pipol wey dey Egypt nor go fit drink from di wota again.”

¹⁹ Den God tell Moses, “Tell Aaron sey, ‘Make yu stresh yor stik wey dey yor hand on-top di

river, creek and pond dem for Egypt and dem go turn to blood; even di wota wey dey inside wood and stone kontaina.’ ”

²⁰ Moses and Aaron do as Oga God kommand dem. Aaron use di rod wey dey en hand take nak River Nile for where Fero and en savants dey and di river turn to blood. ²¹ Wen all di fish dem inside di river don die, di river kon dey smell and Egypt pipol nor fit drink from di wota again. ²² But di juju-men for Egypt still do di same tin with dia juju pawa and dis tin kon make Fero heart strong more-more and e nor gri listin to Moses and Aaron, just as Oga God tell dem. ²³ So Fero go inside en house back. E nor even allow wetin happen worry en mind. ²⁴ All Egypt pipol bigin dig groun near River Nile, so dat dem go si wota drink, bikos dem nor fit drink di wota wey dey di river.

Sekond Wahala: Frog

²⁵ Naw, seven days don pass wen God turn River Nile to blood.

8

¹ Den God tell Moses, “Go tell Fero sey, ‘Dis na wetin God tok, “Make yu let my pipol go serve mi! ² But if yu nor gri release dem, den I go make frog kover una land and una go sofa. ³ Frog go full River Nile and dem go still dey inside una house, bedroom, on-top una bed, inside una savants and una pipol house; una pots and di kontaina wey una take dey fetch wota. ⁴ Di frog go trobol yu, yor pipol and all yor savants for dis land.” ’ ”

⁵ God tell Moses, "Go tell Aaron, 'Take di stik wey dey yor hand take face di river, creek and di ponds and frog go full evriwhere for Egypt.' "

⁶ So as Aaron stresh di stik on-top di wota wey dey Egypt, frog kom full evriwhere for di land.

⁷ Di juju-men sef kon use dia juju pawa take bring frog join di ones wey dey di land.

⁸ Den Fero koll Moses and Aaron kon tell dem, "Make una pray to God make E remove all di frog from mi and my pipol and I go allow una go sakrifice to am for di wildaness."

⁹ So Moses tell Fero, "I go dey happy to pray for yu, yor savants and yor pipol, so dat di frog go komot from yor land go back to di river. So na wish time yu wont make I pray."

¹⁰ Fero ansa, "Na tumoro."

Den Moses sey, "E go bi as yu tok, so dat yu go know sey nobody bi like di Oga wey bi awa God. ¹¹ Di frog go komot from yu, all yor savants and yor pipol house and na only di frog dem for inside River Nile, go remain."

¹² Moses and Aaron kon waka leave Fero. Den Moses pray to God make E remove di frog wey E send kon meet Fero. ¹³ God do as Moses wont and all di frog inside dia house, village and farms, kon die. ¹⁴ Egypt pipol gada di frog and dem nor fit kount am, den evriwhere kon dey smell for di land. ¹⁵ But wen Fero si sey di wahala don end, en heart kon strong more and e nor gri listin to dem, just as Oga God tok.

Third Wahala: Plenty San-san Fly

¹⁶ God kon tell Moses, "Make yu tell Aaron sey, 'Nak di san with di stik wey dey yor hand and

plenty san-san fly go kom out for evriwhere for Egypt.' " ¹⁷ So Aaron nak di san with en stik and san-san fly kon full evriwhere for Egypt. ¹⁸ Wen di juju-men try to bring out san-san fly with dia juju pawa, dem nor fit do am. So san-san fly kon dey gada both Egypt pipol and dia animals.

¹⁹ Di juju-men kon tell Fero, "Dis na God handwork!" But Fero heart still strong and sturbon and e nor gri listin to dem, just as God tok.

Fourt Wahala: Plenty Fly

²⁰ God tell Moses, "Make yu wake-up for early morning go meet Fero as e dey go di river kon tell am, 'God sey, "Make yu let my pipol go serve mi! ²¹ If yu nor gri let dem go, I go send plenty fly kom meet yu, yor savants, yor pipol and for inside una house. All Egypt pipol house and di groun go full with fly. ²² And for dat day, I nor go let di fly dem rish Goshen land where my pipol dey, so dat yu go know sey na mi, di Oga God dey do dis tins. ²³ I go divide my pipol from yor pipol. Dis sign go happen tumoro." ' ' "

²⁴ God do as E tok and fly wey dem nor fit kount kon full Fero, en savants and Egypt pipol house and many tins spoil, bikos of di fly dem.

²⁵ Den Fero koll Moses and Aaron kon sey, "Make una go sakrifice to una God inside di land."

²⁶ But Moses sey, "Dat nor bi wetin wi suppose do, di kind sakrifice wey wi won do for di Oga awa God na wetin Egypt pipol dey forbid. If wi make sakrifice wey Egypt pipol dey forbid for dia

face, dem nor go stone us die? ²⁷ So wi must travel for three days go inside di wildaness go sakrifice to di Oga awa God, just as E don dey tell us since.”

²⁸ Fero kon sey, “I go let una go sakrifice give di Oga una God inside di wildaness, but una nor go-go too far. Make una pray for mi too.”

²⁹ Moses ansa, “I go leave yu go pray to God and tumoro, all di fly go komot from Fero, en savants and en pipol, so-far yu nor go deceive us again or nor let us go sakrifice to awa God.”

³⁰ So Moses komot from where Fero dey kon go pray ³¹ and Oga God do as Moses ask. E remove all di fly from Fero, en savants and en pipol. ³² But Fero heart still dey strong and sturbon as before and e nor gri free di pipol.

9

Fift Wahala: Sickness

¹ Den Oga God tell Moses, “Go meet and tell Fero sey, ‘God wey bi Hibru pipol God sey, “Make yu let my pipol go serve mi! ² Bikos if yu nor gri let dem go and yu kontinue to hold dem, ³ I go use my pawa bring sickness kom meet una animals for fields, una horse, donkey, kamel, kattle, sheep and goat dem. ⁴ But I go separate Israel animals from Egypt pipol own. No Israel animal go die.”

⁵ “Mi wey bi Oga God don sey na tumoro I go do dis tin wey I tok.” ⁶ True-true God do dis tin for di next day. All di animals for Egypt pipol farm die, but no one for Israel pipol own, die.

⁷ Fero kon send pipol go find out and true-true, Israel pipol animal nor die. With all dis tins wey dey happen so, Fero heart still strong and e nor gri free di pipol.

Sixt Wahala: Boil For Body

⁸ Den Oga God tell Moses and Aaron sey, “Make una gada ashes from where dem for dey burn firewood, den make Moses blow dem for air for di king front. ⁹ Di ashes go skata like dust for Egypt and e go kause boil wey go turn to sore for Egypt pipol and dia animals body.”

¹⁰ So dem gada di ashes from di firewood kon stand for Fero front. Den Moses blow di ashes for air and e kon turn to boil for both Egypt pipol and dia animals body. ¹¹ Di juju-men nor fit stand for where Moses dey, bikos of di boil wey full dia body and Egypt pipol own. ¹² But God still make Fero heart strong and e nor gri listin to dem, just as Oga God sey e go bi.

Sevent Wahala: Ice-blok Rain

¹³ God kon tell Moses, “Make yu get up for early morning go meet Fero kon tell am, ‘God wey bi Hibru pipol God sey, “Make yu let my pipol go woship mi! ¹⁴ Bikos dis time, I nor go only ponish yor savant and pipol, but I go ponish yu too, so dat yu go know sey nobody bi like mi for di whole world. ¹⁵ If to sey I take sickness attack yu and yor pipol, all of una for don die finish. ¹⁶ Dis na di rizin why I neva kill yu. I just won show yu my pawa, so dat pipol go praiz my name for evriwhere for di eart. ¹⁷ Yu still dey karry body up and yu nor gri free my pipol. ¹⁸ So, by dis

time tumoro, I go make strong ice-blok rain wey dem dey koll 'hail', fall as e neva fall for Egypt before. ¹⁹ So naw, make yu go tell yor pipol make dem gada all dia animal and evritin wey dem get komot from di field kon kover dem for house. Dis na bikos anybody wey di ice-blok rain fall meet for outside, go die!" ' ' "

²⁰ Doz wey bi Fero savants wey dey fear God word kon rush go gada dia savant and animals enter house. ²¹ But di rest ones wey nor bilive Oga God word kon leave dia savant and kattles for outside.

²² Den God tell Moses, "Stresh yor hand go heaven make di ice-blok rain fall for Egypt; on-top di pipol, animals and evritin wey dey grow for Egypt."

²³ Wen Moses stresh di stik wey dey en hand go heaven, God kon send tonda and plenty ice-blok and fire kon dey fall for groun: so Oga God make ice-blok fall like rain for Egypt. ²⁴ Fire wey mix with ice-blok kon dey fall too. Di rain strong well-well and Egypt pipol neva ever si dis kind rain before. ²⁵ Di ice-blok distroy evritin wey dey di field, both pipol and animals. Di rain distroy evritin wey dey grow for di field kon break di trees to pieces. ²⁶ But di ice-blok rain nor fall for Goshen land where Israel pipol dey stay.

²⁷ So Fero send for Moses and Aaron kon tell dem, "Dis time I gri sey I don sin! God dey holy and na mi and my pipol dey guilty. ²⁸ So make una help mi beg God, bikos di strong tonda and ice-blok too mush and I go free una and una nor go stay here again."

²⁹ Moses ansa am, “Wen I komot go inside town I go stresh my two hand go heaven to di Oga wey bi God, den di tonda go stop and di ice-blok nor go fall again, so dat yu go know sey na Oga God get di whole world. ³⁰ But I know sey yu and yor savants neva still dey fear God.”

³¹ (For dis time, di plant wey dem dey koll flax and barley don skata and die, bikos di barley don ripe and di flax dem just dey won get flower. ³² But e nor get any wheat wey distroy, bikos dem neva grow kom out.)

³³ So Moses waka leave Fero kon go inside di town stresh en two hand go heaven as e dey pray and di tonda, di ice-blok and di rain kon stop to fall. ³⁴ Wen Fero si sey di rain, ice-blok and di tonda don stop, e kon still sin again: both en and en savants kon get strong heart. ³⁵ So Fero heart still dey strong and e nor gri release Israel pipol, just as God tok.

10

Eight Wahala: Plenty Lokust

¹ Den God kon tell Moses, “Make yu go meet Fero, bikos I don make en and en savants heart strong, so dat I go fit show dem all dis my mirakles. ² All dis tins dey happen, so dat yu go fit tell yor shidren and grand-shidren how I take fool Egypt pipol with my mirakles, make dem for know sey na mi bi God.”

³ So Moses and Aaron go meet Fero kon tell am, “God wey bi Hibru pipol God sey: ‘Na how long e go take yu before yu go honbol yorsef for where

I dey? Make yu let my pipol go woship mi! ⁴ But if yu nor gri let dem go, I go make lokust full yor kountry tumoro. ⁵ Di lokust dem go plenty well-well kon kover evriwhere and nobody go si ordinary groun. Dem go chop all di tins wey remain from wetin di ice-blok rain distroy and dem go chop all di trees for field. ⁶ Di lokust dem go full yor house, yor savants house and all Egypt pipol house and e go plenty pass wetin una papa and grand-grand papa don ever si since wen dem dey di land kon rish today!' " Den Moses turn kon waka leave Fero.

⁷ Fero savants ask am, "Na how long dis man go dey trobol us? Make yu free di pipol make dem go serve di Oga wey bi dia God. Yu nor know sey Egypt don distroy finish?"

⁸ So dem bring Moses and Aaron kom back kon si Fero and e tell dem, "Make una go serve di Oga una God. But na wish pipol dey follow una go?"

⁹ Moses ansa am, "Wi go-go with awa yong and old pipol; all awa shidren and all awa animals, bikos wi dey travel go do sakrifice to take honor di Oga awa God."

¹⁰ Den Fero tell dem, "I swear with God sey, I nor go let una take una wimen and shidren follow body! E klear sey yu really get wiked plan!

¹¹ So make only di men go serve Oga God, bikos dat na wetin yu wont." Den Fero drive Moses and Aaron komot for en front.

¹² God tell Moses, "Make yu stresh yor hand face Egypt, so dat di lokust go kom kover evriwhere and dem go chop all di plants wey dey grow wey di ice-blok distroy remain."

¹³ So Moses stresh di stik wey dey en hand face Egypt. At wons, Oga God make one strong breeze from east blow kom Egypt, both for day and nite. For morning, di breeze from east don karry lokust enter di land. ¹⁴ Di lokust kover evriwhere for Egypt, plus di arias wey dey near der. Di wahala strong well-well and dem neva si any lokust like dat before and dem nor go ever si any lokust like dat again. ¹⁵ Di lokust kover di groun kon make am black, den chop all di plants and fruits wey dey for di tree wey di ice-blok distroy remain. No leaf remain for di tree and all di plants and grass, die finish for Egypt.

¹⁶ Den Fero kwik-kwik sey make dem koll Moses and Aaron and e tell dem, "I don sin against di Oga una God and against una! ¹⁷ Make una forgive mi for dis last time and pray to di Oga una God, so dat E go remove dis sofa from mi."

¹⁸ So Moses komot from Fero front kon go pray to Oga God. ¹⁹ Den God send anoda strong breeze from di sea and e karry all di lokust enter di Red Sea. No lokust remain for Egypt again. ²⁰ But God still make Fero heart strong and e nor gri free Israel pipol.

Nine Wahala: Darkness

²¹ Den God tell Moses, "Make yu stresh yor hand go heaven, so dat darkness go kover Egypt and dem go feel am, bikos e go tick well-well."

²² So Moses stresh en hand go heaven and for three days, tick darkness kon dey evriwhere for Egypt. ²³ Nobody fit si each oda and nobody fit

stand up komot for where e dey for three days. But Israel pipol get lite for where dem dey.

²⁴ Den Fero send for Moses kon tell am, “Make una go serve di Oga una God, both una and una family, but una animals go dey here for Egypt.”

²⁵ But Moses ask am, “Yu go give us di animals wey wi go take do sakrifice and burnt ofrin to di Oga wey bi awa God? ²⁶ All awa animal must go with us and no one go remain. Wi must take di animals go serve awa God. Until wi rish der, wi nor go fit know wetin to take serve awa God.”

²⁷ But God still make Fero heart strong and e nor gri free dem. ²⁸ So Fero tell Moses, “Make yu komot from where I dey and nor ever kom si mi again, bikos any day wey yu si my face again, yu go die!”

²⁹ Moses ansa, “Make e bi as yu tok! I nor go si yor face again.”

11

Last Wahala: Deat

¹ God kon tell Moses, “I go bring di last wahala to take ponish Fero and Egypt pipol and afta dis one, e go free una. E go drive una komot with evritin wey una get. ² So make yu go tell Israel pipol make dem ask dia neighbour for silva and gold.”

³ (Naw, God don make Egypt pipol love Israel pipol. Even sef Moses kon bi one very big pesin for Egypt and Fero savants and Egypt pipol dey respet am.)

⁴ Moses sey, “Oga God sey for mid-nite, I go waka pass evriwhere inside Egypt ⁵ and all di first-born son for Egypt, go die. I go start from Fero first-born wey go take-ova en papa throne, go rish di first-born wey en slave girls wey dey grind korn born and all di first-born among en animals. ⁶ Strong kry go dey evriwhere for Egypt; pipol neva kry like dat before and dem nor go ever kry like dat again. ⁷ But for Israel pipol side, peace go dey well-well, even dog nor go bark for anybody or animal, den yu go know sey Oga God don separate Israel pipol from Egypt pipol. ⁸ All dis yor savants go kom meet and bow for mi sey, ‘Make yu and all di pipol wey dey follow yu komot for here’ and afta dis, I go komot for here too.” With vexnashon, Moses kon waka leave Fero.

⁹ God kon tell Moses, “Fero nor go gri listin to yu, so dat I go fit do my plenty wonders for Egypt.” ¹⁰ So Moses and Aaron do all dis wonders wey Fero si, but God make Fero heart strong, so dat e nor go let Israel pipol komot from Egypt.

12

God Free Israel Pipol

¹ God tell Moses and Aaron for Egypt, ² “Dis mont na di first mont for di year for una. ³ Make una tell Israel pipol sey, ‘For di tent day for dis mont, all di men go choose one yong sheep or goat for en family. ⁴ If en family too small to chop one full animal, en and en neighbour wey dey stay near am go share one animal akordin

to di pipol and how dem go fit chop rish. ⁵ Make di animal wey una choose dey okay; animal wey neva pass one year and e must bi man sheep or goat wey nor dey cripple or get sickness.

⁶ “ ‘Una must kare for am until di fourteent day for dis mont, den for evening, di whole kommunity for Israel go kill all di animals. ⁷ Dem go take some of di blood put for di two door post and on-top di door for all di house wey dem go for chop di animal. ⁸ For dat same nite, dem go roast and chop di meat with bitter leaf and bread wey nor get yist. ⁹ Make una nor chop raw or meat wey dem boil, but make una roast am for fire well-well with en head, leg and all di parts for en body. ¹⁰ Una must chop evritin finish before day break kon burn anytin wey remain for morning.

¹¹ “ ‘Na like dis una go take chop am: make una dress like who dey travel; wear una shoe kon hold una stik for hand. Make una rush chop am, bikos dis na Oga God Passova. ¹² Dat same nite, I go pass thru Egypt kon kill all di first-born son inside Egypt, both human being and animals, den I go judge all di gods for Egypt. Na mi bi di Oga una God. ¹³ Di blood go bi sign sey na una dey dat house, so dat wen I si di blood, I go waka pass and I nor go tosh una wen I dey ponish Egypt pipol. ¹⁴ Una go dey remember dis day and celebrate am to di Oga una God forever.

Bread Wey Nor Get Yist Feast

¹⁵ “ ‘For seven days, una must chop bread wey nor get yist. So for di first day, una must remove

di yist wey dey una house, bikos if anybody chop bread wey get yist from di first day go rish di sevent day, I go kill-am. ¹⁶ For di first and sevent day, make una gada kom woship mi. Nobody go work for doz days, except una won do wetin una go chop.

¹⁷ “ ‘So make una kontinue to celebrate dis feast, bikos na di day wey I take una komot from Egypt and una go dey celebrate am forever. ¹⁸ For evening for di fourteent day for di first mont, make una chop bread wey nor get yist, until di twenty-first day evening for di same mont. ¹⁹ Yist must nor dey una house for seven days and anybody wey chop anytin wey get yist, nor go dey among Israel kommunity again. Weda na strenja or Israel pesin wey dem born for di land. ²⁰ Make una nor chop anytin wey get yist and anywhere wey una go stay, una must nor chop bread wey get yist.’ ”

First Passova

²¹ Den Moses gada di eldas for Israel kon tell dem, “Make all di family kill one yong sheep or goat take celebrate di Passova. ²² Make una deep di plant wey dem dey koll hyssop inside di blood, den take di blood rub di two pole for di door and di one wey cross dem for up. And make anybody nor komot from inside en house until morning. ²³ Bikos Oga God go waka pass Egypt kon kill pipol, but wen E si di blood for di up and two side for una door, E go waka pass and E nor go enter una house kon kill una.

²⁴ “Una and una shidren must kontinue to obey dis law forever. ²⁵ And wen una don enter di land wey di Oga una God go give una, just as E tok, una must do dis ofrin. ²⁶ Wen una shidren ask una sey, ‘Wetin dis ofrin mean?’ ²⁷ Den una go ansa, ‘Na di Passova sakrifice for di Oga awa God, wen E kill Egypt pipol kon save wi and awa family.’ ” Den Israel pipol bow woship ²⁸ kon do as God kommand dem thru Moses and Aaron.

God Save Israel Pipol

²⁹ Dat nite, Oga God kill all di first-born son for Egypt and na from Fero first-born go rish doz wey dey prison and di animals first-born. ³⁰ Fero with all en savants and evribody for Egypt wake-up for nite bigin kry well-well, bikos e nor get any house where pesin nor for die.

³¹ Dat same nite, di king kon sey make dem go koll Moses and Aaron, den e tell dem, “Make yu and yor pipol komot from my kountry go woship di Oga una God, just as yu tok. ³² Make yu still take una sheep, goat and kattles follow body. But bless mi too.” ³³ Egypt pipol bigin enkourage Israel pipol, so dat dem go kwik komot, bikos dem dey sey, “All of us go die finish, if una nor komot for here.”

³⁴ So di pipol fill dia bakin pan with bread wey nor get yist, tie am join dia klot kon karry dem put for dia shoulder. ³⁵ Israel pipol kon do as Moses tell dem. Dem ask Egypt pipol for silva, gold and klot. ³⁶ God make Egypt pipol favor en pipol and dem kon give Israel pipol evritin

wey dem wont. Like dis, Israel pipol karry all di propaty for Egyt follow body.

Israel Pipol Komot From Egypt

³⁷ Israel pipol bigin travel with leg from Rameses go Sukkot. Israel men wey travel rish 600,000 (Dem nor kount wimen and shidren join am).

³⁸ Many strenjas still follow Israel pipol komot from Egypt with all dia sheep, goat and kattle.

³⁹ Dem bake bread wey nor get yist with di bakin pan wey dem dey karry komot Egypt. Di bread nor get yist, bikos dem hurry dem komot from Egypt, so dem nor get time to prepare food for demsef.

⁴⁰ Israel pipol stay for Egypt for four hundred and thirty years. ⁴¹ Israel pipol komot for Egypt for di day wey di four hundred and thirty years komplete. ⁴² Na dat nite God take save dem komot from Egypt and dem go dey dedikate dat nite to God from one generashon go rish anoda.

Di Passova

⁴³ So God tell Moses and Aaron, “Dis na di law wey follow di Passova. No strenja go chop from di Passova food. ⁴⁴ But any slave wey yu buy wey dem sekonsaiz, fit chop am. ⁴⁵ Any strenja or worker wey dem hire must nor chop from am. ⁴⁶ Evribody must chop am inside di house where dem for prepare am and make dem nor karry am from one house go anoda. Make una nor break any of di animals bone. ⁴⁷ Israel pipol must always dey celebrate dis feast.

⁴⁸ “Any strenja wey dey stay with una wey like to celebrate Oga God Passova, dem must

sekonsaiz dia men, den una must si dem as Israel pipol. ⁴⁹ Anybody, weda dem born as Israel pesin or strenja wey dey stay with una, must obey dis law.”

⁵⁰ So Israel pipol kon do as Moses and Aaron kommand dem. ⁵¹ For dat day, Oga God take Israel pipol komot from Egypt akordin to der tribe.

13

First-born Law

¹ God kon tell Moses: ² “Make yu dedikate all di first-born wey bi man for Israel give mi, weda na human being or animals.”

Bread Wey Nor Get Yist Feast

³ So Moses tell di pipol, “Make una remember today wey una komot from Egypt where una for bi slave. Dis na di day wey di Oga una God take una komot with en great pawa. So make nobody chop bread wey get yist. ⁴Una komot from Egypt for Abib mont. ⁵ Afta God don take una enter Kanaan, Hit, Amor, Hiv and Jebus pipol land; di place wey E promise una grand-grand papa sey E go give dem, land wey good well-well, den una go dey celebrate dis feast for di first mont for evry year. ⁶ For seven days, make una chop bread wey nor get yist and for di sevent day, una go do feast for di Oga una God. ⁷ Una go chop bread wey nor get yist for seven days and make una nor keep any bread wey get yist for una house.

⁸ “Make una tell una shidren for dat day sey, ‘All dis tins wey wi dey do so, na bikos of wetin

awa God do for us wen wi komot from Egypt.’
9 Dis go bi like sign wey una put for una hand
and fore head, so dat Oga God law go dey una
mout, bikos na with en strong hand E take karry
una komot Egypt. 10 Una must celebrate dis feast
for di rite time for di year.

First-born

11 “Wen di Oga una God don take una enter
Kanaan pipol land as E promise una and una
grand-grand papa, 12 una must give all di first-
born wey bi man, both human being and animals
to Oga God. 13 Una fit take donkey first-born from
God if una gi-am one lamb or yong goat. But
if una nor kollekt am back, una must break en
neck. But una must buy una first son back.

14 “Wen una son ask una for future sey, ‘Wetin
dis tin mean?’ Una go ansa, ‘Na with mighty
pawa God take komot us from Egypt where wi
for bi slaves. 15 Wen Fero nor gri free us, di Oga
awa God kon kill all di first sons for Egypt, both
human being and animal. Dis na di rizin why wi
dey sakrifice all di first-born son give God, but
wi dey buy dem back.’ 16 Dis matter go bi like
sign for una hand and fore head, so dat una go
remember as di Oga God take karry us komot
from Egypt with en mighty pawa.”

God Dey Rule

17 Wen Fero free di pipol, God nor take dem
pass Filistia pipol land even doh, na dat side near
pass, bikos God sey, “Make di pipol nor go shange
dia mind wen dem si war kon sey, ‘Wi won go
back to Egypt.’ ” 18 So God lead di pipol pass di

wildaness wey face di Red Sea. And Israel pipol prepare demself for war as dem dey komot from Egypt.

¹⁹ Moses pak Josef bones, bikos Josef don make Israel pipol swear wen e sey, “God go kom save una and una must karry my bones komot from dis place.”

²⁰ So dem travel from Sukkot go Etam for di wildaness korna. ²¹ Naw, God dey lead dem with kloud for day time, den for nite, E dey lead dem with fire, so dat dem go fit travel both for day and nite. ²² Oga God nor remove di kloud for day time or di fire for nite.

14

Israel Pipol Cross Di Red Sea

¹ Den God tell Moses, ² “Make yu tell Israel pipol sey make dem go stay for Pi Hahirof wey dey between Migdol and di Red Sea opposite Baal Baal-Zefon. ³ Fero go tink sey Israel pipol konfuse kon dey waka up-and-down for di wildaness. ⁴ I go make Fero heart strong again and e go porshu una and una go honor mi, bikos of wetin I go do Fero and en sojas, den Egypt pipol go know sey na mi bi Oga God.” So Israel pipol do as Moses tell dem.

⁵ Wen dem tell Fero sey Israel pipol don go, en heart and en savants heart kon turn against Israel pipol. So dem sey, “Wetin even make us do dis tin? Naw wey wi don free Israel pipol, na who go kon dey serve us?” ⁶ Di king kon ready en and en sojas shariot. ⁷ Den e take six hundred

of en best shariot and all di horse for Egypt and di sojas wey go ride dem. ⁸ God make Fero heart strong well-well, so e kon porshu Israel pipol. Naw Israel pipol just komot Egypt with betta mind. ⁹ Egypt sojas porshu dem with all dia shariot and Fero shariot and dem katch Israel pipol for dia kamp for Pi Hahirof and Baal Baal-Zefon wey dey near di Red Sea near.

¹⁰ Israel pipol look up kon si Fero and Egypt sojas dey mash kom meet dem. Fear katch dem, so dem shaut kon kry to God.

¹¹ Den di pipol tell Moses, “Na bikos grave nor dey Egypt, naim make yu bring us kom inside dis wildaness, so dat wi go die for here? Na wetin make yu karry us komot from Egypt? ¹² Wi tell yu for Egypt sey, ‘Make yu leave us as wi dey serve Egypt pipol! E for betta sey wi dey serve Egypt pipol, dan to kom die inside dis wildaness o-o!’ ”

¹³ Moses kon tell di pipol, “Make una nor fear! Make una get faith and una go si how God go take save una; bikos dis Egypt sojas wey una dey si today so, una nor go ever si dem again. ¹⁴ God go fight for una, so make una nor worry.”

¹⁵ Den Oga God tell Moses, “Wetin make yu dey kry to mi? Tell di pipol make dem move go front.

¹⁶ But make yu yorsef raiz yor stik kon take am divide di Red Sea, so dat Israel pipol go waka pass for dry groun. ¹⁷ But I go make Egypt sojas heart strong, so dat dem go porshu una and pipol go honor mi, bikos of wetin I go do to Fero, en shariot and doz wey dey ride dem. ¹⁸ Den Egypt pipol go know sey na mi bi God wen I don kollekt

my glory for wetin I go do Fero, en shariot and doz wey dey ride dem.”

¹⁹ God angel wey dey lead Israel pipol kon go dia back and di kloud move komot from dia front go dia back. ²⁰ Di kloud dey between Egypt pipol kamp and Israel pipol own. Di kloud make evriwhere dark for Egypt pipol, but give lite to Israel pipol, so dem nor fit near each oda till day break.

²¹ So Moses stresh en hand face di sea and God kon divide di sea with strong breeze for nite, den di wota turn to dry land. ²² So Israel pipol waka pass di sea for dry groun; di wota kon form wall for dia rite and left side. ²³ All Fero shariot and doz wey dey ride dem kon porshu Israel pipol enter di Red Sea for dry land. ²⁴ As day won break, God look Egypt sojas thru di fire and di kloud kon make dem konfuse. ²⁵ E make dia shariot taya sink and dem nor fit ride fast, den Egypt sojas kon sey, “Make wi run go back from dis pipol, na God dey fight us bikos of dem.”

²⁶ God kon tell Moses, “Make yu stresh yor hand face di sea, so dat di wota go fall kon kover all Egypt sojas, dia shariot and doz wey dey ride dem.” ²⁷ So Moses stresh en hand face di sea and wen morning rish, di sea don go back to di way e bi before. For dis time, Egypt sojas try to run from di wota, but God kill all of dem inside di sea. ²⁸ Di wota fall kover di shariot with doz wey dey ride dem and all Fero sojas wey porshu Israel pipol enter di sea, kon die.

²⁹ But Israel pipol waka pass di sea for dry groun and di wota form wall for dem, both for

dia rite and left side. ³⁰ So for dat day, Oga God save Israel pipol from Egypt pipol hand. Leta, Israel pipol kon si Egypt pipol dead body for di wotaside. ³¹ Wen Israel pipol si how di Oga dia God take fight Egypt pipol with en mighty pawa, dem kon dey fear am. So, dem kon bilive God and en savant, Moses.

15

Moses Song

¹ Den Moses and Israel pipol bigin sing dey praiz God sey,

“Wi go sing to God,

bikos E don give us viktory.

E trow di shariot and doz wey dey ride dem inside di sea.

² Na God bi my pawa and Savior.

Dis na my God and I go praiz am.

My grand-grand papa dem God and

I go sing about how E great rish.

³ Awa Oga sabi fight war,

na God bi en name.

⁴ E trow Fero shariot,

all en sojas and strong ofisas

inside di Red Sea kon kill dem.

⁵ Di deep sea kover dem;

dem sink go bottom like stone.

⁶ My Oga God, yor rite hand

get betta pawa

and e skata di enemies to pieces.

⁷ With yor pawa as King,

Yu don fall doz wey stand to fight Yu.

Yu burn dem like dirty,
bikos Yu dey vex.

8 Yu breath from yor nose
and di wota kon full.

Di river wey dey flow
kon stand like wall
and di part wey deep pass for di sea,
kon strong.

9 Di enemies sey, 'I go porshu,
katch, divide dia propaty
kon take evritin wey I wont.
I go distroy dem with my swod.'

10 But Yu breath from yor nose
and di sea swallow dem.
Dem sink like stone
inside di big sea.

11 My Oga God!
Who bi like Yu among oda gods?
Who bi like Yu?
Di One wey dey holy,
wey dey do mirakles and great tins?

12 Yu stresh yor rite hand
and di groun swallow dem.

13 With yor true love, Yu go lead di pipol
wey Yu save
and with yor pawa,
Yu go show dem di way
to yor holy land.

14 Oda kountries go hear wetin happen
kon fear Yu;
betta fear go hold Filistia pipol.

15 Den Edom leaders go fear well-well;
 di strong men for Moab
 go dey shake
 and di pawa wey Kanaan pipol get,
 go vanish.

16 Betta fear go katch dem
 and with yor great pawa,
 dem go bi like stone
 kon dey fear
 until di pipol wey Yu save,
 go waka pass.

17 Yu go take dem enter inside di land
 kon plant dem for yor mountin;
 di place where Yu choose as yor house,
 bikos na Yu wey bi my Oga God,
 build am as yor own Temple.

18 God go reign forever and ever!

Miriam Song

19 “Wen Fero men with dia shariot enter di sea,
 Oga God kon make wota swallow dem, but Israel
 pipol waka pass for dry groun.”

20 Den Miriam, Aaron sista wey bi profet kon
 take en sheke-sheke and all di rest wimen follow
 am too dey play dia sheke-sheke as dem dey
 dance. 21 Miriam sey,
 “Make wi sing to di Oga awa God,
 bikos E don win big war;
 E trow di horse and doz wey dey ride
 am inside di sea.”

Di Bitter Wota

22 Den Moses lead Israel pipol from di Red
 Sea enter Shur wildaness. Dem travel inside di

wildaness for three days and dem nor si wota drink. ²³ Den dem rish Marah, but dem nor fit drink di wota wey dey dat place, bikos e bitter (na dis make dem dey koll am, Marah.)

²⁴ So di pipol bigin komplain give Moses sey, “Wetin wi go drink?”

²⁵ Moses kry to God and God kon show am one stik. Wen e trow am inside di wota, di wota kon dey good to drink.

So for der, God give dem laws kon try dia faith.

²⁶ God sey, “If una really obey di Oga una God kon do wetin good for my eyes and listin to my kommand, I nor go sofa una with all di diziz wey I send go Egypt, bikos na mi bi di Oga una God wey dey heal una.”

²⁷ Den dem go Elim where dem si twelf well and seventy palm tree. So dem kon stay near di wota.

16

Manna From Heaven

¹ Wen Israel pipol komot from Elim, dem kon go Sin Wildaness wey dey between Elim and Sinai for di Fifteent day for di sekond mont afta dem don komot from Egypt. ² So evribody for Israel kon dey komplain give Moses and Aaron inside di wildaness.

³ Dem sey, “E for betta sey God kill us for Egypt, bikos wi even dey si food chop for der, but naw, E take us kom dis wildaness won kon kill us with hong!”

⁴ Den Oga God tell Moses, “I go give una bread from heaven and di pipol go dey gada di ones

wey go rish dem chop evriday, so dat I go fit test and know if dem go follow my kommandment. ⁵ But for di sixt day, make dem gada doubol of wetin dem bin dey gada.”

⁶ So Moses and Aaron tell Israel pipol, “Dis evening, una go know sey na God take una komot from Egypt. ⁷ For morning, una go si God glory, bikos E don hear as una dey komplain against am. Na-im una dey komplain to, nor bi wi wey just bi ordinary human being.” ⁸ So Moses sey, “Wen God give una meat chop for evening and bread for morning, den una go know sey, E don hear all una komplain. Wetin wi bi sef? Una komplain nor bi against us, but na against God.”

⁹ Den Moses tell Aaron sey make e tell Israel pipol make dem kom meet God, bikos E don hear all dia komplain. ¹⁰ As Aaron dey tok to Israel pipol, dem turn look di wildaness kon si God glory wey appear inside di kloud.

¹¹ Den God tell Moses: ¹² “I don hear Israel pipol komplain, so go tell dem, ‘Una go chop meat for evening kon chop bread for morning until una beleful, den una go know sey na mi bi di Oga wey bi una God.’ ”

¹³ For evening, kwail bird kon fall full groun for di kamp and for morning dew gada evri-where for di kamp. ¹⁴ Wen di dew don komot, small-small round tins wey white like ice-blok still dey groun for di wildaness. ¹⁵ Wen Israel pipol si am, dem bigin ask each oda, “Wetin bi dis?” Bikos dem nor know wetin e bi.

⁵ Aaron si as di pipol dey happy, so e build altar for di melu front kon sey, “Tumoro go bi Oga God Feast.”

⁶ Di pipol wake-up di next day to offa burnt and peace ofrin. Afta dis, dem celebrate kon dey chop and drink, den dem start to do wetin God sey make dem nor do. ⁷ God kon tell Moses,

“Make yu kwik-kwik go down! Yor pipol wey yu take komot from Egypt don dey sin and rijet mi. ⁸ Dem kwik-kwik turn komot from di way wey I kommand dem o-o! Dem melt gold take make melu for demsef and dem don dey bow and offa sakrifice to am sey, ‘Israel pipol, dis na awa god wey take us komot from Egypt.’ ”

⁹ Den God sey, “I don si how dis pipol sturbon and nor dey hear word. ¹⁰ Naw, make yu leave mi, so dat as I dey vex, I go distroy all of dem and I go make anoda great nashon from yu.”

¹¹ But Moses beg God kon sey, “My Oga! Why Yu dey vex with yor pipol wey Yu take komot from Egypt with great pawa and mighty hand?

¹² Why Yu won let Egypt pipol sey, ‘Dia God save dem with di mind to kill all of dem for di mountin kon distroy dem komot from di eart?’ Make Yu shange yor mind about wetin Yu won do yor pipol, so dat Yu nor go dey vex for dem.

¹³ Make Yu remember Abraham, Isaak and Israel yor savants wey Yu promise sey, ‘I go make una shidren-shidren plenty like di stars for sky and all dis land wey I don tok about, I go give dem to una shidren-shidren and dem go stay der forever.’ ”

¹⁴ God shange en mind, so E nor kon ponish en pipol again.

¹⁵ Moses kom down from di mountin with di two kommandment stones for en hand. God rite for di two side for di stones. ¹⁶ Naw di stones dem na God word and na God rite wetin dey inside di two stones.

¹⁷ Wen Joshua hear di nois as di pipol dey shaut, e kon tell Moses sey, “Na war sound wi dey hear so for di kamp o-o.” ¹⁸ But Moses ansa, “Dat sound nor bi pipol wey dey shaut, bikos of viktory or kry bikos of defeat, but na music sound I dey hear.”

¹⁹ Wen Moses waka near di kamp kon si di melu and di way di pipol dey dance, e vex well-well. E trowey di stones wey dey en hand and dem kon break to pieces. ²⁰ E take di melu wey dem make, burn am inside fire; grind am to powder kon pour am inside wota and e force Israel pipol make dem drink am.

²¹ Moses kon tell Aaron, “Wetin dis pipol do yu wey make yu kause dis great sin for dem?”

²² Aaron ansa, “My oga, make yu nor vex too mush for mi; yu know sey dis pipol wiked.

²³ Dem tell mi sey, ‘Make yu make god wey go lead us, bikos wi nor know wetin don happen to Moses wey take us komot from Egypt.’ ²⁴ So I tell dem, ‘Anybody wey get gold make e bring am kom.’ Wen dem give mi, I melt am and di gold kon turn to dis melu.” ²⁵ Moses si sey bikos of Aaron, di pipol nor fit kontrol diasef again and dia enemies dey laf dem. ²⁶ So Moses stand for di kamp gate kon shaut sey, “If yu dey God side, make yu kom meet mi.” Den Levi tribe gada go meet am.

²⁷ Moses tell dem, “Di Oga wey bi Israel pipol God sey, ‘Make evribody karry dia swod, bigin kill each oda thru-out di kamp. Make una bigin kill unasef, brodas, friends and neighbours.’ ”

²⁸ So Levi pipol kon do wetin Moses kommand and dat day, na about 3,000 pipol die.

²⁹ Den Moses tell Levi pipol, "Today, una don prepare unasef as priest to serve God, bikos una obey am even doh una nid to kill una sons and brodas. So God don bless una."

³⁰ Di next day, Moses tell di pipol, "Una don kommit sirious sin; but naw, I go-go meet God, may bi E go fit forgive una." ³¹ So Moses go meet God kon sey, "True-true, dis pipol don kommit sirious sin as dem make gold juju for demsef.

³² God, make Yu forgive dem, but if Yu nor go forgive dem, den make Yu remove my name from di book wey Yu rite." ³³ God ansa Moses, "No, doz wey sin against mi, na only dia names I go remove from my book wey get life. ³⁴ Naw make yu dey go; karry di pipol go di place wey I bin tell yu! Si, my angel go lead yu. Wen di day rish wen I go judge each pesin akordin to wetin e do, den I go ponish evribody for dia sin."

³⁵ So, God send diziz go meet di pipol, bikos dem woship di melu wey Aaron make.

Israel Pipol Komot From Mount Sinai

¹ God tell Moses, "Make yu and di pipol wey yu take komot from Egypt go di land wey I promise Abraham, Isaak and Jakob sey, 'I go give una shidren-shidren.' ² And I go send one angel go before una rish der kon drive Kanaan, Amor, Hit, Periz, Hiv and Jebus pipol komot der. ³ Una dey go di land where milk and honey full. But I nor

go dey with una, bikos una bi sturbon pipol and if I travel with una, I fit go distroy una for road.”

⁴ Wen di pipol hear dis word, dem kon start to mourn and dem nor gri wear ear-ring or gold again. ⁵ God tell Moses, “Make yu tell Israel pipol sey, ‘Una too sturbon. So, if I go with una, I fit vex distroy una. Naw make una remove all una gold and fine klot, even doh I still dey tink wetin I go do with una.’ ” ⁶ So from di time wey Israel pipol komot from Mount Horeb, dem nor ever wear gold or ear-ring again.

God Present

⁷ Moses take di tent kon stand am for outside for di place wey far pass for di kamp and e koll am, “Di tent where dem go for dey meet.” Anybody wey won si God, go-go di tent for outside di kamp.

⁸ Wen Moses go di tent, all di pipol go get up kon stand for di gate for dia tent door and dem go dey look Moses until e enter di tent. ⁹ Anytime Moses enter di tent, di pila with kloud go kom down kon stand for di gate and God go tok to Moses. ¹⁰ Wen all di pipol si di pila with kloud for di gate, each pesin for en gate go stand up kon woship God. ¹¹ God go tok to Moses face-to-face, just as man dey tok to en friend. Den Moses go-go back to di kamp; but en yong savant Joshua wey bi Nun son, nor go komot from di tent.

God Promise

¹² Moses kon tell God, “Si, Yu don dey always tell mi sey, ‘Take dis pipol go dat land,’ but Yu neva let mi know who Yu go send follow mi. But

Yu sey, 'I know Yu by yor name and Yu always dey good for my eye.' ¹³ Naw, if really sey I dey good for yor eye, make Yu show mi yor way; so dat I go know Yu more-more kon kontinue to dey good for yor eye. Den I go si sey dis pipol, na yor pipol."

¹⁴ God ansa, "My present go-go with yu and I go give yu rest."

¹⁵ Moses sey, "If Yu know sey yor present nor go-go with us, den make Yu nor take us komot from here. ¹⁶ How I go take know sey I dey good for yor eye, both mi and yor pipol, Israel? Nor bi if Yu go with us (dat is, mi and yor pipol), wi go dey difren from all di oda pipol for di world?"

¹⁷ God tell Moses, "I go still do wetin yu tok, bikos yu dey good for my eye and I know yu by yor name."

¹⁸ Den Moses sey, "Make Yu show mi yor glory."

¹⁹ God ansa, "I go make all my goodness pass yor front and I go announce my name as Oga God to yu. I go show kindness to who I choose and I go show mesi to who I like show am to."

²⁰ God still sey, "Yu nor go fit si my face, bikos nobody wey si my face go survive." ²¹ God kon sey, "E get one place near mi where yu fit stand put on-top one rock. ²² And wen my glory dey pass, I go put yu for where open for di rock kon kover yu with my hand until I don pass. ²³ Den I go take my hand komot and yu go si my back, but yu nor go si my face."

34

¹ God kon tell Moses, “Make yu kut two stones kom out like di first ones wey yu skata, den I go rite di same word put for dis ones. ² Ready for morning den make yu klimb go Mount Sinai go wait for mi. ³ Make nobody follow yu klimb or near di mountin. Make any animal nor kom chop grass under di mountin.” ⁴ So for early morning, Moses kut two stones like di first ones kon klimb go Mount Sinai, just as Oga God kommand am and e karry di two stones follow body.

⁵ God kom down inside di kloud kon stand der with Moses, den E koll en own holy name wey bi Oga God. ⁶ God pass en front kon sey, “Na mi bi Oga God. I bi God wey get mesi and pity; I nor dey kwik vex; just as I big na so too my love big rish and I nor dey fail. ⁷ I dey keep my promise to tazon generashons. I dey forgive evil and sins. But I nor go fail to ponish wiked pipol with dia shidren-shidren. I go ponish di third and fourt generashon, bikos of wetin dia papa do naw.”

⁸ So Moses kwik-kwik bow woship am ⁹ kon sey, “My Oga God, if I really dey good for yor eye, make Yu go with us, bikos wi bi sturbon pipol; make Yu forgive us awa evil and sin kon take us as yor pipol.”

go si God work, bikos na wetin dey fear pesin, I dey do with una. ¹¹ Make yu obey wetin I dey kommand yu today. I go drive Amor, Kanaan, Hit, Periz, Hiv and Jebus pipol komot for una.

¹² “Make una dey kareful, so dat una nor go make kovenant with di pipol wey dey di land wey una dey go, if not, e go bi trap for una. ¹³ But una must distroy dia altars; skata dia images and kut dia Asherah juju poles trowey. ¹⁴ Una must nor woship any oda god, bikos di Oga God wey en name na Jealousy, na God wey dey really jealous.

¹⁵ “Make una dey kareful, so dat una nor go make kovenant with di pipol for di land, bikos wen dem bigin woship and sakrifice to dia juju, dem go koll una make una join dem, den una go chop from dia sakrifice; ¹⁶ marry dia dotas for una sons and dia dotas go make una nor serve mi well, instead una go kon dey woship dia juju. ¹⁷ Make una nor mold or woship any gods.

¹⁸ “Una must always dey do di bread wey nor get yist feast. Una must chop bread wey nor get yist for seven days, just as I kommand and e go bi for Abib mont, bikos na for dat mont, una take komot from Egypt.

¹⁹ “Evry first-born wey bi man na my own; even di first pikin wey kattle, melu or sheep born. ²⁰ Una fit use one lamb take buy donkey first pikin back, but if una nor go fit shange am, den make una break en neck. Una must buy all una first-born back. Nobody go kom meet mi with empty hand.

²¹ “Una go work for six days, but for di sevent day, una must rest; even if na wen una dey prepare una land to plant or harvest. ²² Una must keep di Week Feast wen una don bigin harvest di first fruit from una farm and di Tanksgivin Feast wen di year don end. ²³ Three times evry year, all una men must kom stand before di Oga wey bi Israel pipol God. ²⁴ Bikos una dey kom meet mi di Oga una God three times evry year, I go drive di pipol for doz kountry wey won stop una and I go make una land big; so dat nobody go fit take una land.

²⁷ God tell Moses, “Make yu rite dis words, bikos I don use dis word make kovenant with yu and Israel pipol.”

²⁸ So Moses dey der with Oga God for forty days and forty nites; Moses nor chop bread or drink wota. E rite di kovenant word for di two stones and na dem bi di ten kommandment.

Moses Face Shine

²⁹ Wen Moses kom down from Mount Sinai with di two stones wey dem rite di kommand put, Moses nor know sey en face dey shine as e dey tok with God. ³⁰ Wen Aaron and Israel pipol look Moses face, dem si sey e dey shine and dem kon dey fear to near am.

³¹ But Moses koll dem kom meet am, so Aaron and all di leaders waka go meet am. Den Moses tok to dem. ³² Afta dis, Israel pipol kon near am and e give dem all di kommandment wey God tell am for Mount Sinai. ³³ Wen Moses don tok to dem finish, e kon go kover en face with klot. ³⁴ But wen Moses dey go meet God, e dey remove di klot until e won kom meet di pipol.
