

## ORTHODOX MEDIA NETWORK-ΟΡΘΟΔΟΞΟ ΔΙΚΤΥΟ ΕΝΗΜΕΡΩΣΗΣ

### A Voice from the Heart of Mount Athos to the World

The **Orthodox Media Network** ([www.vivlos.net](http://www.vivlos.net)) was founded on **Mount Athos** – the only monastic republic in the world – with main mission to **promote the Holy Scriptures and preserve the spiritual and cultural heritage of Orthodox monasticism**, using mainly the internet.

Since 2010, its founder and General Secretary, **Apostolos Vavylis**, has become the **first person internationally** to record the **entire Bible in both the original ancient Greek text and its modern Greek translation**. This work – unprecedented in Orthodox tradition – has reached and inspired millions:

- ❖ **Over 15 million people** (estimated) have listened to at least one chapter of the recorded Bible.
- ❖ Hundreds of independent accounts across nearly every digital platform, share these recordings in countless forms.

We have **never claimed copyright or demanded takedowns** of these reproductions — because our goal is **not profit, but the free and faithful dissemination of the Word of God** and the **blessing it brings to the world**.

We welcome anyone that would like to publicly share our work with the only condition to publish the present text as a minimum respect to our mission.

⌚ Our vision:  
To **place a Bible in every Greek-speaking home**, wherever it may be on earth.  
There are an estimated **17 million Greeks** living in nearly **100 countries**.
