Moses, da guy dat work fo Da One In Charge, an all da Israel peopo togedda, dey make up dea mind dat erybody gotta pay dea share. Dey do um fo da Tent Wea Da Box Fo No Foget Da Deal Stay."

⁷ He tell um dat, cuz Ataliah, dat real bad wahine, her boys wen broke inside da Temple Fo God. Dey even use da stuff dat stay spesho fo Da One In Charge, from inside his Temple, fo da Baal kine gods.

Da worka guys use dat fo make odda tings fo use inside da Temple Fo Da One In Charge: tings fo use wen dey make one religious kine ceremony, an fo make burn up kine sacrifices, an pans, an gold an silva kine dishes. All da time Jehoiada stay alive, dey erytime make da burn up kine sacrifices inside da Temple Fo Da One In Charge.

¹⁵ Jehoiada, he come plenny ol. He mahke wen he one hundred thirty year ol.

¹⁶ Dey bury him wit da king guys inside Jerusalem, David big town, cuz he wen do good kine stuff inside Israel fo God an his Temple.

Joash Start Fo Do Bad Kine Stuff

¹⁹ Da One In Charge sen guys by da peopo fo talk fo him, fo dem bring back da peopo by him. But no matta da guys dat talk fo God tell da peopo fo make shua dey serious bout wat dey do, da peopo no lissen.

²⁰ ✨Den Da Spirit from Da One In Charge take ova Zekariah, Jehoiada da pries guy boy. He stan in front da peopo, an tell, "Dis da message from God: 'How come you guys neva lissen wat me, Da One In Charge, wen tell you guys fo do? No mo notting goin come out good fo you guys. You guys wen bag from me, Da One In Charge! Az how come I bag from you guys!'"

²¹ But da peopo wen make one secret plan agains Zekariah. King Joash tell dem fo throw stones fo kill um. So dey kill um inside da open lanai fo da Temple Fo Da One In Charge.

²² King Joash foget awready dat Zekariah faddah Jehoiada wen stay tight wit Joash befo time, but King Joash kill Jehoiada boy Zekariah. Wen Zekariah stay die, he tell, "I like Da One In Charge see dis an make you pay fo um."

²³ Wen da new year come, da Aram army guys come agains Joash. Dey attack Judah an Jerusalem, an kill all da leadas fo da Judah peopo. An dey sen all da stuffs dey rip off from da Judah peopo by dea king Damascus side.

²⁴ No matta da Aram army wen come wit ony litto bit guys, Da One In Charge make dem win ova all da Judah army guys. Az was plenny guys. Cuz da Judah peopo wen bag from Da One In Charge, da God fo dea ancesta guys, dass how God punish King Joash.

¹⁶ Wen he still yet stay talk, da king tell him, "Eh! Us give you da job fo tell yoa king wass good fo him do, o wat?! Stop! No good my guys kill you!"

¹⁷ Anodda time, da Judah king Amaziah talk wit his guys dat tell um wass good fo him do. Den he sen one messenja guy by da Israel king Jehoash, Jehoahaz boy an Jehu grankid, fo tell um: "Like beef, o wat?!"

¹⁸ But Jehoash da Israel king tell Amaziah da Judah king: "Jalike one thorn bush inside Lebanon sen one messenja fo tell one cedar tree inside Lebanon 'Let yoa girl marry my boy.' But den one wild animal come an walk all ova da thorn bush.

¹⁹ You tell dat you wen win ova da Edom peopo, an now you big head! You like get mo plenny respeck still yet! Mo betta you stay home now! How come you get da hots fo make war, aah?! You ony goin make someting bad happen. You goin come all wipe out, an yoa Judah peopo, same ting!"

²⁰ But Amaziah no lissen, cuz God stay set um up so Jehoash goin win ova dem, cuz da Judah guys like let da idol kine gods from Edom tell um wat fo do.

²¹ So Jehoash da Israel king attack. Him an Amaziah da Judah king fight each odda Bet-Shemesh side, inside da Judah land.

use dat money fo help build one new temple fo God, right dea on top da same place wea da odda temple stay befo time, befo da Babylon army guys bus um up.

⁶⁹ Ery ohana leada guy give wateva he can give. Da whole ting was 61,000 gold coin, 6,250 poun silva, an 100 fancy robe fo da pries guys.

⁷⁰ ✧ So den, da pries guys, an da helpa guys from da Levi ohana, da singa peopo, da guys dat watch da Temple gate, da worka guys fo da temple, an some a da regula peopo wen go da small towns nea Jerusalem. Da odda peopo go da towns inside da Judah land wea dey come from.

3

Da New Altar Fo Make Sacrifices

¹ Dat year Octoba, afta all da Israel peopo pau make house inside dea towns, dey all come togedda Jerusalem town fo stick togedda.

² ✧ Dat time, Jeshua Jehozadak boy an some a da odda pries guys, an Zerubbabel Shealtiel boy an his ohana, dey start fo build da altar fo da God fo da Israel peopo. Befo time da Babylon army guys wen bus up da altar. But now da Israel peopo like make sacrifices fo God on top da altar. Dey like do dat jalike Moses, God guy from long time befo time, wen give um da Rules fo do um.

³ ✧ Da peopo dat come back, dey sked a da peopo from anodda place dat come dea afta da Babylon army guys take away da Israel peopo befo time. But dat no matta. Da ones dat come back make one new altar, da same place wea da ol altar was dat wen get bus up. Right den an dea dey start fo make sacrifice fo Da One In Charge on top da new altar, da kine sacrifice you burn up da whole animal. Dey make um ery day, morning time an evening time.

⁴ ✧ Den, jalike da Rules from Moses tell, dey start da religious ceremonies too. Firs ting, dey do da spesho religious Time Fo Live Inside Shacks, an make da kine burn up sacrifice fo ery day fo dat spesho time.

⁵ ✧ Afta dat, erytime get new moon, dey make da burn up kine sacrifices dey suppose to make dat time, too. An same ting fo da odda spesho religious ceremonies dat Da One In Charge befo time tell um dey suppose to make. Jus cuz dey like do someting spesho fo Da One In Charge, dey bring dea animals fo make odda kine sacrifices.

⁶ Fo fifteen days befo da Time Fo Live Inside Shacks start, da pries guys make da kine burn up sacrifice ery day fo Da One In Charge, even befo dey start fo put da foundation fo da new Temple Fo Da One In Charge.

Da New Temple

⁷ Den da peopo hire stone worka guys an carpinta guys. Dey buy plenny cedar tree from da Tyre an Sidon peopo, an pay um wit food, wine, an olive oil. Da guys dat cut da tree bring um down from da Lebanon mountain an float um nea da shore inside da Mediterranean Sea, all da way to Joppa town, cuz King Cyrus awready tell um az okay fo do dat.

⁸ In da numba two year afta dey come back Jerusalem town, aroun March, dey start fo build da Temple Fo God. Da worka guys was erybody dat wen come back from Babylon. Zerubbabel Shealtiel boy, Jeshua Jehozadak boy an all da odda pries guys, an all da pries helpa guys from da Levi ohana, dey all work jalike da odda guys. Dey make da Levi ohana

✧ 2:70 2:70: 1Rec 9:2; Neh 11:3 ✧ 3:2 3:2: Outa 27:1 ✧ 3:3 3:3: Census 28:1-8 ✧ 3:4 3:4: Census 29:12-38 ✧ 3:5 3:5: Census 28:11-29:39

guys dat stay twenny year an older, be da luna guys fo build da Temple Fo Da One In Charge dat stay all bus up.

⁹ Da pries guys dat come from Hodavaiah (dass Jeshua an his boys an ohana guys, an Kadmiel an his boys), dey da ones in charge a da worka guys inside da Temple.

¹⁰ ✧Afta da builda guys pau make da foundation fo da Temple Fo Da One In Charge, da pries guys wen put on dea pries kine robe. Dey stan da place dey suppose to stan an blow dea trumpets. Da Levi ohana guys dat come from Asaf, dey bang cymbals fo tell good tings bout Da One In Charge, jalike King David befo time tell dey suppose to do.

¹¹ ✧Dey tell good tings bout Da One In Charge, an tell um “Mahalo plenny!” an dey sing fo Da One In Charge lidis:

“Da One In Charge, he real good!

He stay tight wit us Israel peopo foeva!”

Den all da peopo yell loud an tell good tings bout Da One In Charge, cuz now da Temple Fo Da One In Charge get foundation.

¹² But plenny pries guys an Levi ohana guys an leada guys dat was older, dey no foget how da firs Temple was befo time wen come bus up. Az why dey cry plenny wen dey see da foundation fo da new Temple. But da younga peopo, dey yell plenny cuz dey stay real good inside.

¹³ Peopo dat stay far from dea hear da big noise. Some a dem stay yell cuz dey stay good inside, an some a dem stay cry plenny!

Da Odda Peopos No Like Dem Build Da Temple

¹ Da odda peopo dass not Jew guys, dat awready stay dea, dey stay agains da Judah an Benjamin peopo. Dose guys find out da peopo dat come back from Babylon wen start fo build one new Temple Fo Da One In Charge, da God fo da Israel peopo.

² ✧Cuz a dat, da peopo dass not Jew guys go by Zerubbabel an da odda leada guys. Dey tell, “Us like work wit you guys fo build da Temple. Cuz us guys pray to yoa God, jalike you guys. From da time King Esarhaddon bring us ova hea from Assyria side, us guys stay make sacrifice to yoa God.”

³ But Zerubbabel, Jeshua, an da odda leada guys fo da Israel peopo tell um, “Dis job fo build da Temple, az fo us guys, not fo you guys. Ony us guys, da ones dat goin build da Temple Fo Da One In Charge, da God fo us Israel peopo. Cuz dass how King Cyrus Persia side wen tell us we gotta do.”

⁴ From dat time, da odda peopos dass not Jew guys dat live aroun dea make da Judah peopo lose fight, an try fo make um real sked fo dem no go work.

⁵ Da odda peopos pay some guys fo teach dem da bestes way fo jam up da work da Judah peopo get plan fo do, an dey make um stop da work. Fo long time dey do all dis kine stuff, from da time Cyrus was da big king Persia side, till afta Darius Numba Two take ova.

Sixty Year Laytas, Da Odda Peopos Try Fo Stop Dem Build One Mo Time

⁶ Long time afta dat, same ting happen one mo time. Anodda king name Xerxes come da big king Persia side. Da peopo dat stay agains da Judah

✧ **3:10** 3:10: 1Rec 25:1 ✧ **3:11** 3:11: 1Rec 16:34; 2Rec 5:13; 7:3; Songs 100:5; 106:1; 107:1; 118:1; 136:1; Jer 33:11 ✧ **4:2** 4:2: 2Kings 17:24-41

peopo write anodda letta fo sen to King Xerxes fo poin finga da Judah an Jerusalem peopo.

⁷ An layta, wen Artaxerxes come da big king fo da Persia land afta King Xerxes, da peopo dat stay agains da Judah peopo do da same ting one mo time. Dea leadas was Bishlam, Mitredat, an Tabeel. Dey use da Aram language fo write da letta. Wen da letta get to Persia, da peopo dea write um in da Persia language fo da big king ova dea read um.

⁸ Dea main govmen guy fo Judah, Rehum, an da secretary fo da court, Shimshai, wen write one letta fo King Artaxerxes, an tell him bout da tings dat stay happen Jerusalem side.

⁹ Inside da letta, da peopo dat live aroun Jerusalem sen dea aloha to da king an all his frenz—from da main govmen guy Rehum an Shimshai da court secretary, an all da judge guys, da local leada guys, da peopo from Tappel, da Persia peopo, an da peopo from Babylon town, Erech town, an Susa town (dass da main town Elam side).

¹⁰ All da odda peopos dat da big an importan King Ashurbanipal kick outa dea land befo time an make um go live Samaria side, an all ova da West Euphrates Side, all dem sen dea aloha to you too. Dis, da letta dey wen write fo Artaxerxes:

¹¹ “Aloha. Dis letta fo King Artaxerxes, from da peopo dat stay tight wit you, an dat live inside da West Euphrates Side.

¹² “We like you know dis: Da Jew guys dat wen come hea Jerusalem town from Babylon, dey stay build one big town. Dey no like do wat da king tell um fo do cuz dey real bad peopo. Dey awready build da foundation fo da strong wall aroun da town, an dey almos pau put up da wall.

¹³ “But we like you know anodda ting too: If dey build dis town dat was all bus up, an if dey pau build da walls, no goin be good fo you. Da Jew guys no goin pay you da tax money, no matta you da King.

¹⁴ “Us guys like stay tight wit you cuz you oua King! We no like see peopo jalike da Jew guys no show respeck fo you. Az why we stay sen dis letta, so you goin know wat dey stay do.

¹⁵ “Good if you look inside da court records dat yoa ancesta guys wen write. You goin find out how da peopo from dis big town wen like ovathrow da govmen from Babylon side befo time. Az why da Babylon kings wen sen dea army guys fo wipe out da town. From long time befo time, da Jerusalem peopo make trouble agains all da diffren countries dat take um ova, an agains dea king guys.

¹⁶ We stay tell you now, dat if dey pau build dis town one mo time an put up da strong wall all aroun, you no goin stay in charge a da West Euphrates Side.”

¹⁷ King Artaxerxes write dis letta back to dem:

“Aloha. Dis letta fo Govna Rehum, Court Secretary Shimshai, an dea peopo dat stay live Samaria town an all ova da West Euphrates Side.

¹⁸ “Da letta you guys wen sen me wit da Aram language, peopo hea wen write um my language fo somebody read um to me.

¹⁹ I wen tell my peopo fo look inside da court records. Jalike you tell, befo time Jerusalem town was one place dat fo long time make war wit plenny kings. Dey go agains da kings an talk bad bout da govmen an dey do dat all da time!

²⁰ Da kings from dat side dat wen live inside Jerusalem an da whole West Euphrates Side, dey was strong, an dey get plenny tax money from ova

dea dat side.

²¹ “Az why tell da Jerusalem peopo dat me, da Big King, tell dis: Dey no can work. Ony if I tell um fo build um, den az okay fo dem build um! But dass da ony way dey goin build up dat town dat stay all bus up.

²² Tell um dey gotta stop. No good us guys let um take ova an jam up eryting fo me, da King!”

²³ Wen dat letta from King Artaxerxes come back to Rehum, Shimshai, an da odda guys, dey go real fas to Jerusalem town, an dey make da Jew guys stop da work. Dass wat wen happen all ova one mo time, plenny year afta da Zerubbabel guys do dea work.

Zerubbabel Start Fo Build One Mo Time

²⁴ ✧ Da peopo wit Zerubbabel, dey get plenny presha from da odda peopos dat live aroun dea. Az how dey stop da work fo build da Temple Fo God Jerusalem side. So notting happen ova dea from King Cyrus time, till da year numba two afta King Darius come da big king Persia side.

5

¹ ✧ Dat time, had two guys, Haggai an Iddo boy Zekariah, dat stay talk fo da God fo da Israel peopo. Dey talk to da Jew guys Judah side an Jerusalem town.

² ✧ Cuz a wat dey tell, Shealtiel boy Zerubbabel an Jehozadak boy Jeshua start fo build da Temple Fo God inside Jerusalem one mo time. Da two guys dat stay talk fo God, dey stay by Zerubbabel an Jeshua an help dem.

³ Az why Tatnai, govna fo da West Euphrates Side, an Shetar-Boznai an dea helpa guys come Jerusalem. Dey tell Zerubbabel guys, “Eh! Who tell you guys can build dis Temple dat was all bus up, an fo build da place one mo time, aah?!”

⁴ Da govna guys tell Zerubbabel guys dey gotta give um da names fo all da peopo dat stay work fo build da Temple.

⁵ But God, dis how he take kea da Jew leada guys: Da govna guys like tell da Jews dey no can build, but dey neva tell um yet, cuz firs, dey gotta make one report fo King Darius Persia side, den, dey gotta wait fo da King write dem back one letta.

Govna Tatnai Write Letta To King Darius

⁶ Dis da letta dat Tatnai da govna fo da West Euphrates Side wen write, togedda wit Shetar-Boznai an da odda govmen guys from da West Euphrates Side. Dey sen um to King Darius Numba Two:

⁷ “Dis letta fo King Darius. We like eryting stay good fo you.

⁸ “Us guys like you know, we wen go da place wea dey stay build da Temple Fo Da Big God, Judah side. Dey stay use cut stone block an big kine beam fo da wall. Erybody bus ass, an eryting stay go good fo dem.

⁹ So we talk to dem, an aks um, ‘Who wen tell you guys you can build dis Temple one mo time dat was all bus up, an make um come nice one mo time?’

¹⁰ An we tell da Jew leadas fo give us guys da names fo all dea leada guys, fo us write down fo you dat stay in charge.

¹¹ “Dis wat da Jew leadas wen tell us: ‘Us, we da worka guys fo da God dat stay in charge a da sky an da world. We stay build dis Temple dat wen get all bus up. Long time befo time, one big king fo da Israel peopo wen build um.

¹² ✧ But oua ancesta guys wen do plenny kine stuff dat make da God in da sky come huhu wit us. So God wen let King Nebukadnezza from Babylon take ova dem. Dat king wen tell his guys fo bus up dis Temple an make da peopo move Babylon side.

¹³ ✧ “Da year King Cyrus come King fo Babylon, he make one govmen paypa dat tell, good fo build dis Temple one mo time.

¹⁴ Had plenny gold an silva tings dat King Nebukadnezza wen take outa da Temple Jerusalem side. He wen put um inside da Babylon temple. King Cyrus wen take all dat stuff outa da temple Babylon side, an turn um ova to one guy name Sheshbazza. Den he make dat guy da territorial govna fo da Judah land.

¹⁵ King Cyrus tell Sheshbazza, “Go take all dis stuffs, an put um inside da Temple Jerusalem side. Den you guys go build da House Fo God one mo time, same place jalike befo time.”

¹⁶ So dis guy Sheshbazza, he come ova hea an make da foundation fo da House Fo God inside Jerusalem. From dat time till now, da peopo stay work, but still not pau yet.’

¹⁷ “So den, King Darius, if you tink az good, tell yoa peopo fo look inside da records fo da kings ova dea Babylon side. Tell um fo look if az right, dat King Cyrus wen make one govmen paypa dat tell can build da House Fo God Jerusalem side. So wateva good fo you, tell us guys, cuz you da King.”

6

King Darius Numba Two Sen Letta

¹ So King Darius Numba Two tell his peopo fo go look inside da Babylon records. (Dis da odda King Darius grankid.)

² But dey neva find notting dea. Dey find um Medea side, inside da town wit da strong wall dat dey call Ekbatana. Dey find one paypa dat stay roll up. An dis wat da paypa tell:

Govmen Paypa:

³ Da firs year Cyrus was King, he make dis govmen paypa bout da House Fo God Jerusalem side: “Gotta build da Temple one mo time, da same place wea befo time da Jew guys make dea sacrifices. Keep da foundation same size jalike befo time. Make um 45 feet wide, 90 feet long, an 30 feet high.

⁴ Use cut stone block, three course high, den one course wood, den stone, den wood, lidat. Use da King money fo pay fo eryting.

⁵ Get plenny gold an silva tings from da House Fo God. Befo time, King Nebukadnezza wen take dem outa da Temple dat wen stay Jerusalem side, an bring um Babylon side. So, take all dat stuff back to Jerusalem an put um inside da Temple Jerusalem side, jalike dey wen stay befo time inside da House Fo God.” Dass wat King Cyrus write befo time.

⁶ King Darius Numba Two sen dis message:

“Dis letta fo Govna Tatnai, West Eufrates Side, an fo Shetar-Boznai, an all you odda frenz an offisho govmen guys, West Eufrates Side:

“You betta not go dea Jerusalem side!

⁷ No bodda da work dey stay do fo build da House Fo God. Let da Judah territorial govna guy an da Jew leada guys build dis House Fo God one mo time, da same place jalike befo time.

⁸ “But dis wat I stay tell you guys fo do: Go help da Jew leada guys fo build da Temple Fo God one mo time. Take da tax money dat you guys stay take fo me ova dea West Eufrates Side, an pay fo all da work. No wase time, no good dey gotta stop da work.

⁹ Wateva da pries guys need Jerusalem side, give um—young bulls, boy an girl kine sheeps fo make one sacrifice fo Da God Dat Stay Inside Da Sky. Make shua dey get da wheat, salt, wine, an olive oil dat dey need ery day,

¹⁰ fo dem make da kine sacrifices dat Da God Dat Stay Inside Da Sky like, an dey goin pray fo me da King fo stay alive, an fo my boys.

¹¹ “Anybody go change dis an no do how I tell um, you guys gotta pull one beam outa dat guy house, make um sharp one side, den poke um thru da guy body fo kill um. Bus up da guy house an make um one rubbish pile.

¹² God wen pick Jerusalem town fo be da place wea peopo can come cuz dey know wat kine god him. So den, if any king, o any peopo, change dis ting I tell hea, o if dey bus up dis Temple Jerusalem side, I like da God fo da Jew guys, bus dem up. Dis me, King Darius, dat stay tell you all dis. So do um, an no wase time!”

Dey Give Da Temple To God

¹³ Den, cuz a wat King Darius wen tell dem, Govna Tatnai, Shetar-Boznai, an dea helpa guys go do eryting King Darius tell um fo do, right den an dea.

¹⁴ ✧ So da Jew leada guys no stop da work. Dey feel real good inside cuz da guys Haggai an Zekariah Iddo boy, dat talk fo God, give um good words wen dey teach um. Afta long time, dey pau build da Temple, jalike da God fo da Israel peopo wen tell um fo do, an jalike da Kings fo da Persia peopo, Cyrus, Darius, an Artaxerxes wen tell um fo do.

¹⁵ Dey pau build da Temple March 12, da numba 6 year dat Darius was King.

¹⁶ Den dey make one spesho day fo give da Temple to God. Da Israel peopo—dass da prieses, da Levi ohana guys, an all da odda peopo dat come back from Babylon—dey feel real good inside.

¹⁷ Fo give da Temple to God, dey make plenny sacrifice. Dey kill hundred young bulls, two hundred boy kine sheeps, an four hundred bebe sheeps. Dey bring twelve boy kine goats fo make one sacrifice fo take away da shame fo all da bad tings dey wen do, one goat fo ery Israel ohana.

¹⁸ Den dey make da teams fo da pries guys work togedda inside da Temple Fo God Jerusalem side, an same ting fo da Levi ohana peopo dat help da prieses. Dey do um jalike da Rules tell um fo do, eryting dat Moses wen write down fo dem inside his book.

Da Spesho Passova Day

¹⁹ ✧ April 21, da peopo dat come back from Babylon all eat da Passova food.

²⁰ Az okay fo do dat cuz all da pries guys an dea helpas from da Levi ohana wen awready make da right sacrifices fo dem go in front God. Az why okay fo dem work inside da Temple. Da pries guys kill da bebe sheeps fo da Passova food, fo all da peopo dat come back from Babylon, an fo da odda pries guys, an fo dem.

²¹ All da Israel peopo dat come back from Babylon eat da Passova food. Odda peopo from da Judah land, dat no do all da pilau kine stuff dat dea peopos stay do, dey come jalike da Israel peopo an pray to dea God, Da One In Charge. Dey eat da Passova food too.

²² Fo seven day dey all make da spesho kine ceremony fo Da Bread Dat No Mo Yeast Inside, an dey feel real good inside cuz a dat. Da One In Charge make um feel good inside, cuz he wen make da Assyria king like help da Israel peopo. Az why da king help um fo build da House Fo Da God Fo Da Israel Peopo one mo time.

7

Ezra Come Jerusalem Side

¹⁻⁵ Long time afta dey pau build da Temple, an Artaxerxes was da King Persia side, had one guy Ezra. He come from da pries ohana. Ezra ancesta guy Aaron was da firs Main Pries Guy. Den afta him come Aaron boy Eleazar, den Finehas, den Abishua, den Bukki, den Uzzi, den Zerariah, den Meraiot, den Azariah, den Amariah, den Ahitub, den Zadok, den Shallum, den Hilkiah, den anodda Azariah, den Seraiah. Ezra, he from da Seraiah blood line.

⁶ An Ezra, he know plenny bout da Rules dat Da One In Charge, da God fo da Israel peopo, wen give to da Israel peopo befo time. An Ezra know how fo teach um. Da One In Charge, da God dat Ezra pray to, like do good tings fo Ezra, an help um plenny. Az why King Artaxerxes wen give Ezra eryting he aks da king fo give him. So dat time, Ezra leave Babylon an go Jerusalem.

⁷ Da numba seven year dat Artaxerxes stay King, some a da Israel peopo from Babylon go wit Ezra, an some a da pries guys an da pries helpa guys from da Levi ohana, an da guys dat play da music, da guys dat get da job fo watch da Temple gates, an da guys dat stay work fo da Temple. An dey all go Jerusalem togedda.

⁸⁻⁹ Ezra an da odda peopo leave Babylon April 8 dat year. Dey reach Jerusalem dat same year August 4, cuz da God dat Ezra pray to like do good tings fo Ezra an help um plenny.

¹⁰ God like Ezra plenny, cuz Ezra make up his mind fo erytime study da Rules dat Da One In Charge wen give da peopo, an do eryting God tell um fo do, an teach da Israel peopo da Rules an all da tings God tell cuz he da judge.

Da Letta Dat King Artaxerxes Give Ezra

¹¹ Befo Ezra da pries leave Babylon, King Artaxerxes give one letta to him, cuz Ezra da one wen study da tings Da One In Charge tell da Israel peopo dey gotta do, an da Rules Da One In Charge wen give dem. Dis wat da letta tell:

¹² "Aloha! Dis letta from me, King Artaxerxes, da king ova all da odda king guys. I write um fo Ezra da pries guy, da one dat teach da Rules from da God Inside Da Sky.

¹³ "Dis wat I tell: Any Israel peopo dat live inside da places wea I stay da King, if get some a dem like go back Jerusalem side wit you, no matta dey prieses, o Levi ohana peopo, o regula peopo, az okay fo dem go.

¹⁴ Me an my seven guys dat help me know wat fo do, we talk bout wat you goin do. An now, we like you fo go find out how eryting stay Judah

side an Jerusalem side. You know da Rules from yoa God plenny. Tell me if da peopo ova dea stay do wat da Rules tell.

¹⁵ We like you take silva an gold wit you, an we stay give you plenny fo you make sacrifice to da God fo da Israel peopo, da God dat stay Jerusalem side.

¹⁶ “Wateva silva an gold da peopo all ova da Babylon side give you, an wateva yoa peopo an dea pries guys give you fo build da Temple fo dea God inside Jerusalem, take dat too.

¹⁷ Wit da money dat you get, you gotta buy bulls, boy kine sheeps, bebe sheeps, an wheat an wine, fo make sacrifices on top da altar inside da Temple fo yoa God ova dea inside Jerusalem.

¹⁸ If still yet get some mo money afta wat you buy fo make da sacrifices, den pray fo find out wat yoa God like fo you an yoa guys do wit da extra money, an go do um.

¹⁹ Us guys give you plenny tings fo put inside da Temple fo yoa God fo use um dea. Make shua you put eryting inside da Temple fo da God Dat Stay Live Inside Jerusalem.

²⁰ An if you need odda tings fo da Temple fo yoa God, go use some a da tax money dat da govmen guys take fo me, da King.

²¹ “Fo all you govmen guys dat take kea da money fo me inside da West Euphrates Side, me, King Artaxerxes, tell you guys fo do dis: Give Ezra wateva he aks you guys fo give him. Cuz he one pries, an he teach da Rules from da God Inside Da Sky.

²² Give him up to 7,500 poun silva, enuff wheat dat need 100 donkeys fo carry um, enuff wine dat need 100 donkeys fo carry um, same ting fo da olive oil, an all da salt he need.

²³ Eryting dat Da God Inside Da Sky tell fo do fo his Temple, make shua you guys do um. Cuz no good fo make dat God come huhu wit me o wit my boys!

²⁴ An one mo ting: Fo da pries guys, dea helpa guys from da Levi ohana, da music guys, da security guards, da worka guys inside da Temple, o odda guys dat stay work fo God Temple, you govmen guys no mo da right fo tell dem dat dey gotta pay da regula tax o da tax you pay fo bring tings from odda places, o da land tax.

²⁵ “An you, Ezra, yoa God help you know wat fo do erytime. So, pick guys dat know how fo bring peopo back togedda wen dey huhu, an pick judge guys too. Dey goin judge all da peopo dat know da Rules from yoa God inside da West Euphrates Side. Da peopo ova dea dat donno da Rules, you gotta teach dem da Rules.

²⁶ Anybody dat no like do wat da Rules from yoa God tell, o da rules dat I make cuz I da King, go punish dem right den an dea—kill um, o throw um outa yoa land, o take da tings dey own, o put um in prison.”

Ezra Tell Good Tings Bout Da One In Charge

²⁷ Den Ezra tell: “I like tell erybody good tings bout Da One In Charge, da God fo oua ancesta guys. He da One dat wen make King Artaxerxes help fix da Temple Fo Da One In Charge, Jerusalem side, an make um real nice!

²⁸ An I like tell erybody mo plenny good tings bout Da One In Charge still yet, cuz he show erybody dat he stay tight wit his peopo. Da One In Charge wen make me come tight wit da King, an da guys dat help him know wat fo do, an all da odda govmen peopo!

“Da One In Charge, my God, he like do good tings fo me, an help me plenny. Az why I wen get togedda da leada guys fo da Israel peopo fo come go Jerusalem wit me.”

8

Da Peopo Dat Come Back From Babylon Wit Ezra

¹ Dis da ohana names dey wen write down, fo da ohana leada guys dat come back wit me from Babylon. Dat time, Artaxerxes was da king.

² From da Finehas ohana dat come from Aaron grankid: Gershom.

From da Itamar ohana: Daniel.

³ From da David ohana: Hattush Shekanaiah boy.

From da Parosh ohana: Zekariah, an dey write down 150 odda guys too from dat ohana.

All dese, dey da guys wen come back wit me.

Ezra Guys Make Ready Fo Go

¹⁵ Befo we go, I wen tell erybody fo come togedda by da Ahava Watta Ditch. All us guys make camp dea three days. I check da names fo da pries guys an fo da regula peopo. I find out dat no mo nobody goin go from da pries helpa guys from da Levi ohana!

¹⁶ So I sen peopo fo tell da leada guys Eliezer, Ariel, Shemaiah, Elnatan, Jarib, da odda Elnatan guy, Nathan, Zekariah, an Meshullam fo meet wit me. I sen odda guys fo tell Joiarib an anodda Elnatan guy fo come too cuz dey know wat fo do erytime.

¹⁷ Den I tell all dose guys fo go by Iddo, da leada fo da Levi ohana peopo Kasifia town, an talk to Iddo an his ohana peopo an da guys from Kasifia side dat suppose to work inside da Temple. Dey suppose to aks Iddo guys fo sen us some Levi guys fo work inside da Temple Fo Oua God, Jerusalem side.

¹⁸ Oua God, he like do good tings fo us, an help us plenny. Dass why dey sen us one guy Sherebaiah, wit his braddahs an dea boys, all togedda 18 guys. Sherebaiah guys, dey da kine guys dat undastan plenny stuff. Sherebiah come from Mahli, an Mahli come from Levi, Israel boy.

¹⁹ Dey sen anodda guy Hashabiah, an Jeshaiiah dat come from Merari, wit his braddahs an dea boys, all a dem 20 guys.

²⁰ Dey sen 220 guys fo work inside da Temple too. (Befo time, King David an his govmen guys wen give da Temple worka guys da kuleana fo help da Levi guys.) Dey write down all dea names.

Dey Pray Befo Dey Go

²¹ By da Ahava Watta Ditch, I tell erybody fo skip food wen dey pray, an fo come togedda in front God an show dat us need him plenny. We aks God fo take us to Jerusalem, fo watch us fo nobody get hurt—us guys, oua kids, an all da stuffs we stay take wit us.

²² I shame aks da King fo sen army guys an horse rida guys fo go wit us an make shua nobody come agains us guys wen we stay go. Cuz us guys wen tell da King befo time, “Oua God, he stay take kea all da peopo dat stay pray to him, but he stay real huhu agains all da peopo dat stay ack jalike he notting.”

²³ Dass why us guys skip food fo us pray. We aks God plenny fo take kea us guys. An he lissen an he take kea us.

*Ezra Pick Pries Guys
Fo Take Kea Da Temple Stuffs*

²⁴ Den I pick twelve a da main pries guys: Sherebaiah, Hashabiah, an ten odda leada guys from da prieses.

²⁵ I make dem in charge a da Temple kine stuffs, da silva, da gold, da gold bowls. Had plenny odda stuffs dat da king an his leada guys, an da Israel peopo dat was dea, wen give us guys fo put inside da Temple Fo God.

²⁶ Wen I give dem all da stuffs dat cost plenny dat we goin take, I weigh eryting. Dis how much eryting weigh:

Silva, 24 ton.

Tings made wit silva, 7,500 poun.

Gold, 7,500 poun.

²⁷ Gold bowl, 20, dat cost 1,000 piece gold money from Persia.

Tings dey make wit da bestes kine bronze metal, shiny kine jalike one mirror, cost plenny jalike dey was gold.

²⁸ I tell da pries leada guys: “You guys stay real spesho fo Da One In Charge now. Same ting wit all dese tings fo da Temple, dey spesho fo Da One In Charge too. All dis silva an gold kine stuff, da peopo wen bring um to Da One In Charge cuz dey like fo do dat. He da God dat oua ancesta guys wen pray to.

²⁹ Take good kea a all dis tings. Wen you come Jerusalem, go check how much dey weigh fo make shua you neva lose notting. Weigh eryting in front da main pries guys, da Levi ohana guys, an da leadas fo da Israel ohanas, right dea by da storage places fo da Temple Fo Da One In Charge, ova dea inside Jerusalem.”

³⁰ Afta dey weigh eryting, da pries guys an da Levi ohana guys take all da silva an gold kine stuff fo put um inside da Temple Fo God inside Jerusalem.

Ezra Guys Go Jerusalem Togedda

³¹ April 19, us leave oua camp nex to da Ahava Watta Ditch fo go Jerusalem. Da God us guys stay pray to like do good tings fo us an help us plenny. Az why God wen take kea us guys all da way dea. Da peopo dat like go agains us guys an da guys dat like jump us, he no let dem hurt us.

³² Den we reach Jerusalem an res dea three day.

Dey Give Da Stuffs Fo Da Jerusalem Temple To Da Prieses

³³ Da day numba four afta we come Jerusalem, we go da Temple Fo Oua God. Ova dea we weigh da silva metal an da gold metal an all da bowls an odda tings. We give eryting to Meremot Uriah boy, da pries guy, an to Eleazar Finehas boy. Two a da Levi ohana guys, Jozabad Jeshua boy an Noadaiah Binnui boy. Dey wen check um too.

³⁴ Dey wen count eryting an weigh eryting fo make shua us guys no lose notting. Right den an dea, dey write da Temple record, dat tell how much da whole ting weigh.

³⁵ Den, all da peopo dat come back from Babylon bring animals fo make one sacrifice. Dey make da kine sacrifice dat you burn up eryting fo da God Fo Da Israel Peopo—12 bulls fo all da Israel peopo, 96 boy kine sheeps, 77 bebe sheeps. Dey kill 12 boy kine goats fo hemo da shame fo da bad kine tings dey wen do. All da sacrifices, dey burn um all up.

³⁶ Den dey take da lettas from da King dat tell da govmen guys wat dey gotta do. Dey give da lettas to da King helpa guys, an da territorial govna guys fo da West Euphrates Side. Da govmen peopo wen do plenny kine stuff fo help da peopo, an fo build da Temple Fo God.

Ezra Hear Bout Guys Dat Marry Wahines Dass Not Jews

¹ Wen all dat pau, da leada guys come by me. Dey tell, “Da Israel peopo, prieses an Levi ohana guys an regula kine peopo, dey no ack jalike dey spesho fo God. Dey stay come jalike da odda peopos dat donno God, dat live inside dis land an odda lands. Oua peopo stay do da same pilau kine stuff jalike da Canaan peopo, da Het peopo, da Periz peopo, da Jebus peopo, da Ammon peopo, da Moab peopo, da Egypt peopo, an da Amor peopo.

² Oua guys take all da peopos daughtahs fo come dea wives, an wives fo dea boys. So now, da ohana dat stay spesho fo God come all hapa Jews wit da peopos from da odda places dat donno God. An da leada guys fo da Israel ohanas, dey da main ones dat stay go agains wat God trus um fo do!”

³ Wen I hear dat, I come real sad inside. Den I rip my clotheses an my robe fo show I feel bad. I pull hair outa my head an my beard. I jus sit dea an no can figga an no can do notting.

⁴ Den get odda peopo dat stay sked an shaking too cuz dey know wat da God Fo Da Israel Peopo tell. Dey all come sit down by me cuz dey know dat some a da peopo dat wen come back from Babylon, no stay lissen an no do wat God trus um fo do. Me, I stay sit dea, no can figga an no can do notting, till time fo make da late aftanoon sacrifice.

Ezra Pray Fo Know Wat Fo Do

⁵ Wen time fo make da sacrifice, I stan up. All dat day I no eat notting so can pray. My clotheses an my robe, stay rip, fo erybody know I stay sad inside. I go down on my knees on top da groun, an I put up my hands to my God, Da One In Charge.

⁶ I tell: “You, my God! But I stay get plenny shame! Real plenny shame, so I no can even look up to you, my God. Da bad tings us guys stay do, jalike one big pile a rubbish dat mo high den oua head! Da shame fo do all dat bad kine stuff, jalike go all da way up to da sky!

⁷ From da time oua ancesta guys wen live to now, us guys get uku pile a shame. An cuz a da bad kine stuff us guys stay do, you wen let da kings from odda lands take ova us guys—oua kings an prieses an erybody. Dey kill us wit swords, an drag us away fo work fo dem. Dey take eryting we get, an dey make us come plenny shame. An dat stay happen one mo time right now!

⁸ “An jus now, you oua God, dass Da One In Charge a us, you wen help us plenny fo short time an do good tings fo us. You wen leave some a us guys fo stay alive, an let us come back to dis place dat stay good an spesho fo you. You even make us happy litto bit. No matta we ony slaves, you help us fo stay alive.

⁹ Even us guys wen stay slaves fo shua, you oua God, an you wen stay tight wit yoa peopo no matta us slaves. Az why you neva go way from us guys. You even make da king guys Persia side do good tings fo us. You make us jalike we come alive one mo time, fo us build yoa Temple one mo time, an fix da tings dat stay all bus up. You let us build one strong wall fo da Judah peopo Jerusalem side.

¹⁰ “But now, cuz a all da bad kine stuff oua peopo stay do, us no can say notting to you oua God. Cuz one mo time, we awready foget da tings you tell us we gotta do, an we go do wat we not suppose to do!

¹¹ Da guys dat befo time work fo you an talk fo you, dey wen tell us, ‘You guys betta watch out! You goin go inside one land dat goin come yoa land. Stay plenny pilau! Da diffren peopos dat stay live dea, from one side a da land to da odda side, dey ony do pilau kine stuff!’

¹² ☆ You wen tell us, ‘No let yoa daughtahs marry dea boys! No let yoa boys marry dea daughtahs! No do notting fo help dose peopo, an no make eryting come good fo dem!’ You wen make one promise to us guys, dat if we no do da kine stuff you tell us fo no do, den we goin come strong, an eat da good stuff dat grow inside dis land, an wen we mahke, we goin leave da whole ting to oua kids, foeva.

¹³ “You wen punish us plenny awready, fo da bad tings we wen do an fo da shame we get cuz a dat. Still yet, you ony punish us litto bit fo da bad tings us wen do. An you let some a oua peopo come back hea.

¹⁴ But now, we stay broke yoa rules one mo time. We stay marry da same peopos dat stay do all da pilau kine stuff. Fo shua, now you goin come real plenny huhu wit us an wipe us out, so nobody stay alive fo come back hea fo live!

¹⁵ You Da One In Charge. You da God fo da Israel peopo. You do wass right erytime. Some a us guys come back hea now, afta we get outa trouble Babylon side. Us guys wen jam up real plenny ova hea. We no can even stan in front you cuz a da shame we get fo wat we wen do!”

10

Da Peopo Tell Was Wrong Wat Dey Wen Do

¹ All dat time Ezra stay pray fo tell God dat no was right wat dey wen do. He stay cry an throw his body down on top da groun in front da Temple Fo God. Uku pile a Israel peopo come by him, guys an wahines an kids. Dey stay cry plenny too.

² Den Shekanaiah Jehiel boy, dat come from da Elam ohana, tell Ezra: “Us guys like tell erybody, ‘Cuz a wat we wen do, oua God no can trus us.’ We wen marry wahines from da peopos dat donno God dat live inside dis land! But now, no matta us do dis, us Israel peopo can stay shua dat God goin make eryting come okay fo us.

³ Dis wat we betta do: We make one strong promise fo make one deal wit oua God fo sen back all oua wifes an dea kids dat come from da odda peopos. Eh Ezra, you da boss ova hea, an dass wat you stay tell us. An all

da oddas dat stay sked an shaking wen dey hear wat oua God tell um fo do, dey stay tell us da same ting. Az why we goin do wat you tell us fo do. We goin do how da Rules From God tell.

⁴ Eh Ezra! Stay strong! You da one fo tell us guys wat we gotta do fo make eryting come pono. We goin stay tight wit you!”

⁵ So Ezra stan up. He make da main pries guys, an da Levi ohana guys, an all da odda Israel peopo make one strong promise to God dat dey goin do jalike Shekanaiah tell. So dey all make da same strong promise to God.

Da Peopo Sen Back Dea Wifes An Kids From Da Peopos Dat Donno God

⁶ Den Ezra go way from da Temple Fo God. He go by Jehohanan, Eliashib boy. He sleep dea dat nite. He no eat bread o drink watta wen he stay dea cuz he still stay sad inside cuz he no can trus da peopo dat wen come back from Babylon.

⁷ Da nex day, da leada guys sen one message all ova da Judah land an Jerusalem town. Dey tell all da peopo dat come back from Babylon fo come togedda Jerusalem town.

⁸ Dey tell erybody, “Day afta tomorra, anybody dat no show up hea, da govmen guys an da older leadas goin take away dea land an eryting dey own, an cut dem off from da peopo dat come back from Babylon.”

⁹ Two days afta dat, Decemba 19, all da peopo from da Judah an Benjamin land come togedda. Dey all stay sit down inside da open place in front da Temple Fo God. Dey stay shake cuz da ting dey goin talk bout stay real importan, an cuz stay rain plenny same time.

¹⁰ Den Ezra da pries guy stan up an tell dem, “You guys wen do one bad ting, so God no can trus you. You guys go marry wahines from da odda peopos dat donno God. Az why now God stay ready fo punish us Israel guys one mo time!

¹¹ So now, tell da God fo yoa ancesta guys dat you know da tings you wen do was bad cuz he Da One In Charge. Den do wateva he like you fo do. Make diffren den da odda peopos dat donno God dat stay live inside dis land, an sen back yoa wifes dat come from da odda peopos.”

Da Plan Fo Make Eryting Come Right

¹² All da peopo dat wen come togedda dea, dey talk strong, an dey tell, “Az right, wat you tell us. Us guys gotta do jalike you tell us fo do!

¹³ But Bummahs! Get plenny peopo hea, an stay rain plenny. Us guys no can stay stan outside hea long time. An dis not da kine ting dat need ony one o two days fo do. Cuz get plenny a us guys dat wen go agains God, an az real bad.

¹⁴ Let oua leada guys take kea dis fo all da peopo. Erybody dat get one wife from da peopos dat donno God, dey gotta make time fo come show up in front da older leada guys an da judge guys inside ery town. Dass how we goin do um, till oua God no stay huhu wit all us guys no moa.”

¹⁵ Da ony guys dat tell dey no like do dat was Jonathan Asahel boy an Jahzeiah Tikvah boy. Two guys from da Levi ohana, Meshullam an Shabbetai, dey no like do dat too.

¹⁶ So, dass how da peopo dat come back from Babylon side sen back dea wifes. Ezra da pries guy, he pick leada guys dat can talk fo ery ohana, an he tell erybody da names a da guys he wen pick. Decemba 29, da leada guys sit down fo figga out wat fo do.

Nehemiah Tink Plenny Bout Jerusalem

Artaxerxes was king inside Persia. Was Novemba, da numba 20 year dat he stay king. Dat time, I stay live inside Susa town. Az da main town wea da king live.

² One a my braddahs, Hanani, come fo visit me ova dea wit some odda guys dat jus come back from da Judah land. I aks dem bout Jerusalem town, an bout da Jew guys dat da Babylon army wen go take Babylon side befo time, an now dey go back Judah side fo live.

³ Dey tell me, “Da Babylon king wen take away oua peopo from dea land an bring um ova hea Babylon side. Laytas, plenny peopo wen go back Jerusalem side fo live inside Judah. But tings no stay good ova dea you know. Cuz stay real hard fo dem, an da odda peopos ova dea stay make dem plenny shame. Da Babylon army guys wen broke down da strong wall aroun Jerusalem town, an burn down da gates.

⁴ “Wen I hear dis, I sit down an cry plenny. Fo days I stay cry, an no eat notting so can pray. I stay pray in front da God dat live inside da sky.”

⁵ Dis wat I tell: “You Da One In Charge, you da God dat live inside da sky! You da big an awesome God. You wen make one deal fo da peopo dat get love an aloha fo you, da ones dat stay do wat you tell um fo do. An you stay tight wit yoa peopo cuz you wen make dat deal wit dem.

⁶ Try look down hea. I stay pray day time an nite time fo you help yoa peopo, da Israel peopo. I stay tell you fo real kine, us Israel peopo wen do plenny bad kine tings agains you. Me an all my ohana peopo, us do bad kine tings!

⁷ We stay do real bad kine tings agains you. We no do da tings you stay tell us fo do. You wen give yoa worka guy Moses yoa Rules an all da tings we gotta do, but we no do um.

⁸ ✧ “No foget wat you wen tell yoa worka guy Moses. You tell um: ‘If da way you guys ack show I no can trus you, den I goin make you guys scatta all ova da place fo live unda all da diffren peopos.

⁹ ✧ But if you guys come back an change how you ack, be my guys, an stay do all da tings I tell you gotta do, den I goin bring you guys back. I goin bring you guys togedda ova dea, da place I wen pick fo show wat kine god me fo you guys show respeck fo me. No matta you guys stay far place all ova da world, I goin bring you guys back!’

¹⁰ “All us guys, we get you fo oua boss. Us da peopo you wen get outa trouble, cuz you strong, an you get plenny powa!

¹ April, da numba 20 year dat Artaxerxes stay king, I bring da wine fo da King. Befo dat time, wen I bring da wine, I neva was sad in front da King.

² So da King tell me, “Eh! How come now you get sad face?! Fo shua, you no goin get sick, aah? Gotta be, you stay sad inside.”

Me, I come real sked.

³ ✧ But I tell da King, “You da King, an I like you stay live foeva! But how I can stan hea an no stay sad?! Cuz da big town wea my ancesta guys stay bury, stay all bus up. Da main gates fo da town, all burn down.”

⁴ Da King tell, “Wat you like me fo do?”

I wen pray inside to da God Dat Stay Inside Da Sky.

⁵ Den I tell da King, “You da King, an you my boss. I like you sen me ova dea Judah side, da town wea my ancesta guys stay bury fo build up da town one mo time. But ony if you tink az good, an if you tink me da one fo do um.

⁶ “Da King tell me (wit da Queen stay sitting nex to him too): ‘If dass wat you like do, how long you goin stay ova dea, an wat time you goin come back hea?’

“Wen he aks me dat, I know he tink az good fo sen me ova dea. I tell um wat time I goin come back.

⁷ Den I tell da King, ‘If you tink az good, tell yoa guys fo write lettas fo me to da territorial govna guys fo da districks West Eufates Side. Dis, fo dem let me go thru dea districk fo go Judah side.

⁸ An I need one letta fo Asaf, da guy dat take kea da park wit plenny trees ova dea fo da King, fo him give me da wood fo make da beams ova da gates fo da towa, an fo da wall aroun da town, an fo da house wea I goin stay.’ ”

 An make um prisonas
 Dat gotta go live anodda land!

⁵ No hide da bad tings dey do.
 No take away dea shame,

No foget da bad kine tings dey do
Cuz dey make da builda guys come real sore inside!”

⁶ Us guys wen build da wall till da whole wall stay join togedda awready an no mo puka, an get ony half way mo fo build. Dat happen cuz da peopo go all out fo work.

⁷ But den, Sanballat an Tobiah an da Arab guys an da Ammon guys an da Ashdod guys, dey hear dat da work fo fix da Jerusalem town wall stay go good, an dat da peopo start fo fill up da places wea da wall stay bus up. Sanballat dem come real huhu bout dat.

⁸ Dey all make plan fo come fight da Jerusalem town an make da peopo dea come all hamajang so dey donno wat dey stay do.

⁹ But us guys pray to oua God, an put security guards day time an nite time all ova da place fo watch out fo dem guys.

¹⁰ But da Judah ohana guys tell, “Da guys dat bring da stuff fo fix da wall, dey tired awready. Get plenny junks from da bus up wall, az why us guys no can build da new wall.”

¹¹ An da guys dat stay agains us tell, “Wen us guys go afta da Jew guys, dey no goin know we dea, an dey no goin see us till we stay right dea wit dem. Den we kill um an make da work stop.”

¹² Da Jew guys dat live nea da guys dat stay agains us, dey come Jerusalem plenny times an tell us, “From ery place da Sanballat guys live, dey goin come back hea an fight us guys!”

¹³ Az why I put peopo, one ohana fo ery place, behind da low places wea da wall no stay fix yet, wit swords an spears an bows an arrows.

¹⁴ Afta I check how dey all stay, den I stan up in front da alii guys, da main leada guys, an all da odda guys. I tell um, “No sked dose Sanballat peopo! Tink plenny bout da Boss. He awesome, an good you sked a him. So den, fight fo help yoa braddah guys, an yoa boys an girls, yoa wives, an yoa houses!”

¹⁵ Da guys dat stay agains us find out dat us guys know wat dey plan fo do, an dat God jam up dea plan awready. So us guys go back fo work on da wall, an all dem stay work on da wall jalike befoa.

¹⁶ From dat time, half my young guys do da construction work, an da odda half make ready da spears, an da shields, da bows an arrows, an da metal plate kine body armor. Da leada guys stay right dea behind da Judah peopo.

¹⁷ Da guys building da wall, an da guys bringing dem stuff, dey do dea work so all dem get one hand fo do da work, an in da odda hand he get someting fo fight wit.

¹⁸ Ery builda guy get one sword he tie aroun him. Da guy dat blow da sheep horn trumpet, he stay by me.

¹⁹ I tell da alii guys, da main leada guys, an all da odda guys, “Get peopo stay work all ova da place, you know. An all us guys stay far from da nex guy on top da wall.

²⁰ Any place you hear da trumpet noise, dass da place you gotta go fo meet us. Oua God, he goin fight fo help us!”

²¹ Az how us guys do da work. Half da guys stay ready wit da spears, from befo da sun come up till you can see da stars.

²² I tell da peopo dat time too, “All da guys an da ones dat work fo dem, dey gotta stay nite time inside Jerusalem, fo dem help guard nite time, an day time dey work.”

²³ All dat time, me an my worka guys an da security guard guys dat stay by me, all us guys neva take off oua clotheses. All us guys get someting fo fight wit, even wen we go fo drink watta.

Nehemiah Help Da Peopo Dat No Mo Notting

¹ Dat time, plenny peopo an dea wifes stay squawk bout how da odda Jew ohana guys make to dem.

² Some a dem tell, "Us guys, oua kids, an plenny odda peopo, we all gotta get wheat an stuff fo eat fo us no mahke."

³ Odda peopo tell, "Da plants no stay grow dis year. Az why, fo get wheat an stuff fo eat, us guys sign paypas wit da rich Jew guys. We give um oua land fo plant, oua grape farm, an oua house, an dey give us money fo buy food. An if we no can pay um back, den we lose eryting."

⁴ Odda peopo tell, "Us guys wen sign paypas fo oua land fo plant an fo oua grape farm, fo borrow money from oua peopo fo us pay da tax fo da Babylon King, an we lose eryting if we no can pay um back."

⁵ But us get da same blood an bones jalike da peopo from oua ohana dat we stay borrow da money from. Oua kids an dea kids, same ting. But us guys, we gotta sell oua boys an girls to dem fo make um come slaves, an some a da girls, dey slaves awready. Us no mo powa! Get odda Jew peopo dat take ova oua land fo plant, an oua grape farms too!"

⁶ Wen I hear how oua peopo stay yell fo help, an all da stuff dey tell, I come plenny huhu.

⁷ ✧Afta I tink plenny bout all dat, I take da alii guys an da govmen guys in front da judge. I tell all dem guys, "How come you guys stay take tings from yoa peopo?! You charge mo fo loan um money, an den wen dey no can pay, you charge um some moa!"

Az why I tell all da peopo fo come togedda fo do someting bout dem guys.

⁸ Wen erybody come togedda, I tell um, "Us guys, we stay buy back oua Jew braddah guys dat befo time peopo wen sell to da odda peopos fo make um slaves. Nuff awready, fo us guys do dat. But now, some a you guys, you stay sell yoa braddahs! An den, we gotta buy dem back too! No ways!"

Da rich guys, dey no tell notting cuz dey no mo notting fo tell.

⁹ Den I tell, "Da tings you guys stay do, dass not right! Mo betta you guys live da way dat show you guys sked a God! Az how da odda peopos dat stay agains us, no can say notting bad bout us!"

¹⁰ Me an my braddahs, an da guys dat work fo me, we all stay lend money an wheat to da odda guys too. An we gotta no charge um too much too.

¹¹ So, right now, give um back dea lands fo plant, dea grape farms, dea olive trees, an dea houses. Cuz you guys wen lend um money an wheat an wine an olive oil awready. But you wen charge um too much! Give um back da part dass to much!"

¹² Dey tell, "We goin give um back eryting. We no goin aks fo notting no moa. We goin do um how you tell." Den I tell da pries guys fo come, an I make da leada guys make one strong promise in front da pries guys fo do wat I tell um fo do.

¹³ Den I shake out da part a my robe wea I keep stuff, an I tell, "Erybody dat no do how dey wen promise, I like fo God shake dem outa dea house an all da stuffs dey wen work hard fo get fo dem no mo notting."

All da peopo dat come togedda tell, “Az right! We gotta do um!” Dey tell good tings bout Da One In Charge. An dey go do jalike dey wen promise fo do.

Nehemiah Help Da Peopo

¹⁴ From da time dat King Artaxerxes make me govna fo da Judah land, in da numba 20 year dat he was King, till da numba 32 year, dass 12 year, me an my braddahs had da right fo use da govmen money fo buy food. But we neva do dat. We buy oua food wit da money we get.

¹⁵ But da guys dat was govna befo me, dey wen make um hard fo da peopo. Dey wen make dem bring food an wine, an all dem gotta pay 40 silva coin. Even da guys dat work fo da odda govnas, dey wen ack jalike az okay fo dem tell da peopo wat fo do too. But I neva make lidat, cuz I sked wat God goin tell if I do dat.

¹⁶ I hang in dea fo do da work fo fix dis wall. I neva buy land, an all my worka guys stick togedda fo do da work.

¹⁷ Ery day I feed 150 peopo, da Jews an da govmen guys. Had odda guys dat wen come hea from odda countries aroun us guys dat I feed um too.

¹⁸ Ery day my peopo cook fo erybody one cow, six sheeps dat dey pick spesho fo us guys, an some chickens, an dey cook um fo me. Ery ten days gotta go get plenny diffren kine wine. Still yet, wit all dat food, I no aks fo da money I get da right fo use cuz I da govna, cuz dat make da peopo work mo hard fo do all dat.

¹⁹ Dis how I stay pray:

“My God, no foget do good tings fo me

Cuz a all da good tings I stay do fo dis peopo!”

6

Da Local Peopo Try Fo Make Us Stop

¹ Dat time, Sanballat an Tobiah an Geshem da Arab guy an da odda guys dat stay agains us hear dat me an my peopo stay build da town wall awready. Dey hear dat da wall no stay bus up no moa. (But dat time, I still neva put up da big doors fo da town gates.)

² Sanballat an Geshem sen somebody fo tell me, “Go come fo meet us, in one small town Ono Valley side.” But I know dey stay make one plan fo do someting bad to me.

³ I sen some guys by dem fo tell um, “I get one big job fo do ova hea. Az why I no can go ova dea. No good I leave da job fo go by you guys an da work stop.”

⁴ Four time, dey sen peopo fo tell me come, an I tell um da same ting.

⁵ Da nex time afta dat, Sanballat sen one a his worka guys by me. He stay carry one letta in his hand fo show um to erybody fo dem see, befo he come by me.

⁶ Da letta tell:

“Da peopo from diffren country stay tell dis—an Geshem tell az fo real—dat you an da Jew guys, you stay make one plan fo fight da King. Dass how come you stay build da town wall. An from da stuff dey tell, you da guy goin come dea King.

⁷ An you stay tell da guys dat talk fo God Jerusalem side fo tell erybody dis bout you: ‘Now get one new king, Judah side!’ An dass wat us guys goin tell King Artaxerxes. So you betta come fo talk to us now.”

⁸ Den I sen somebody fo tell Sanballat, “Dis stuff you stay talk bout, neva wen happen. You ony bulai all dat.”

⁹ All dem Sanballat guys ony like make us come sked. Dey tink dis bout us, “Da Jew guys goin come too weak, an dey goin lose fight an no can build da wall.”

But now I pray to God fo make my hand strong!

¹⁰ One time, I wen go Shemaiah house. Delaiah his faddah, Mehetabel his granfaddah. Shemaiah, he no can go outside. Den he tell, “Good fo me an you go inside God house, inside da Temple. We go shut da doors cuz some guys coming fo kill you. Tonite, dey goin come kill you!”

¹¹ But I tell um, “You tink I dat kine guy dat goin run away?! No way! You tink I dat kine guy, dat go inside da Temple jus fo stay alive?! Not even! I no goin go ova dea wit you!”

¹² Den I figga: no was God dat sen dis guy. He make jalike he one guy dat talk fo God cuz Tobiah an Sanballat wen pay him off.

¹³ Dey pay him fo talk lidat, fo dem make um fo me come sked an fo me do someting bad cuz a dat, an den dey talk bad bout dat fo make me lose face an fo make me come shame.

¹⁴ I stay pray lidis:

“My God, no foget pay back Tobiah an Sanballat
Fo da bad tings dey wen do!

No foget da wahine Noadiah dat tell she talk fo God,
An all da odda guys dat tell dey talk fo God
Dat stay try make me come sked!”

Da Builda Guys Pau Build Da Town Wall

¹⁵ Octoba 2, we pau build da town wall, an ony take 52 days!

¹⁶ Wen all da guys dat stay agains us find out we pau, all da peopo inside all da countries aroun us guys come sked, an start fo figga maybe us mo strong den dem. Dey figga, us guys wen do all dat work cuz oua God stay help us.

¹⁷ Had odda stuff dat happen dat time too. Some a da alii guys from da Judah ohana wen sen lettas to Tobiah, an Tobiah sen lettas back to dem.

¹⁸ Cuz had plenny Judah peopo dat make one strong promise befo time fo make Tobiah dea boss, cuz he wen marry Shekemiah girl, an Shekemiah faddah was Arah. Tobiah boy Jehohanan wen marry Meshullam girl, an Meshullam faddah was Berekiah.

¹⁹ Dey talk to me bout all da good tings Tobiah wen do, an den dey go tell Tobiah eryting I tell. An Tobiah stay sen plenny letta fo try make me sked.

7

¹ Laytas, afta da town wall pau an I put up da big doors fo da town gates, an I pick da security guards fo watch da gates, an da music guys, an da Levi ohana guys dat help da prieses,

² I put my braddah Hanani in charge a Jerusalem town, him an Hananiah dat was da officer ova da army guys inside da strong wall. I know I can trus Hananiah, an he get awesome respeck fo God, mo den plenny odda guys.

³ I tell da peopo, “No open da Jerusalem town gates early. Ony open um wen da sun come hot. Shut da gates evening time, an put bars across da big doors. Make shua dat da guys dat suppose to watch da gates stay stan right dea wen you lock da gates. Pick Jerusalem peopo fo be da security

guards fo da town. Put some a dem on top da spesho place fo da security guards, an put some a dem in front dea houses.”

⁴ I tell um fo do dat cuz da town big an get plenny room, but ony get litto bit peopo live inside dea, an dey no build houses yet.

⁵ Den my God make me tink fo do anodda ting. I tell all da alii guys an da govmen guys an all da odda peopo fo come togedda fo dem write down all da ohana name. ¹ An all da peopo come togedda inside da open place inside da Watta Gate. Ezra, he da pries guy dat stay teach da Rules From God. Dey tell him fo bring da book dat get da Rules from Moses. Dass da Rules dat Da One In Charge wen give da Israel peopo long time befo time.

²⁻⁵ Was Octoba 8. Da peopo wen build one wood stage fo Ezra. All da guys an wahines, an all da kids dat can undastan, dey stay dea fo lissen good. Da pries guy Ezra bring da book wit da Rules in front dem. He stan on top da stage by da open place inside da Watta Gate. On da right side had Mattitiah, Shema, Anaiah, Uriah, Hilkiah, an Maaseiah. Da left side had Pedaiah, Mishael, Malkijah, Hashum, Hash-Baddanah, Zekariah, an Meshullam.

⁹ Den Govna Nehemiah, an da pries guy Ezra dat stay teach da Rules, an da Levi ohana guys dat stay help da peopo fo undastan, dey all tell da peopo, “No cry!” Cuz all da peopo, dey stay cry wen dey hear wat da Rules tell. “Dis one day dat stay spesho fo Da One In Charge, yoa God!”

¹⁰ Nehemiah tell da peopo, “You go now. Go eat fancy kine food an drink sweet kine wine. Sen some food to da peopo dat neva get notting ready fo eat. Cuz dis day, you know, real spesho fo oua Boss! No stay sad inside cuz Da One In Charge make you guys feel good inside, an az why you strong.”

Da Spesho Religious Ceremony Fo Live Inside Shacks

¹³ Octoba 9, da main guys fo all da ohanas, da pries guys, an da Levi ohana guys go togedda by Ezra cuz dey like know mo betta wat da Rules tell.

¹⁴ ✱Dey find inside da Rules wea Da One In Charge tell Moses, dat Octoba da time fo da Israel peopo go make shacks an live inside dem fo dis spesho religious kine ceremony.

¹⁵ Dey suppose to tell da peopo aroun all da towns an all ova Jerusalem, fo make shua erybody know dey suppose to go up country, an bring back plenny branch from da olive tree, an da wild olive, da myrtle, da date palm trees, an odda trees dat get plenny leaf fo make shacks, jalike stay write down inside da Rules.

Den I make dem make one strong promise an aks God fo wipe dem out if dey no do wat dey tell dey goin do. Dis da promise: "You guys no goin let yoa daughtahs marry da guys from da odda peopos. You no goin marry da wahines from da odda peopos, an you no goin let yoa boys marry dem.

26 ✨Even King Solomon wen do bad kine tings cuz a da wahines from da odda peopos he wen marry! Him, he was mo awesome den all da odda king guys. ¹⁵ King Xerxes aks dem, "Wat da rules tell I gotta do bout Queen Vashti? I da king, an my palace guys tell her wat I tell awready, but she no do wat I tell her fo do."

¹⁶ Den Memucan stan in front da king an da alii. He tell, "No was agains ony you, da king, dat Queen Vashti do dis ting. She do um agains da alii

¹⁷ You know, all da wahines goin hear wat da queen wen do, an dey goin tink az okay fo dem make to dea husbands jalike dey no need lissen dem. Dey goin tell, 'King Xerxes wen tell his guys fo bring Queen Vashti in front him, but she neva go.'

¹⁸ Az why today, da alii wahines from Persia an Media dat stay hear awready wat da queen wen do, dey goin talk to all da alii guys lidat too. Dey no goin show respect, an dey goin make argue.

¹⁹ "Az why, if you like, sen out dis rule, an tell yoa peopo fo write um inside da rules fo Persia an Media. Den no mo nobody can change da rule: Vashti no goin eva come one mo time wea King Xerxes stay. Den you goin make anodda wahine da queen. Goin be somebody mo betta den Vashti dat goin lissen wat her husband tell.

²⁰ Den, wen erybody all ova dis big wide land hear dis importan rule da king tell, all da wahines goin show respect fo dea husbands, from da mos importan one to da ones dat not importan."

²¹ Da king an his alii guys like wat Memucan tell, so da king do wat Memucan tell him fo do.

²² He sen messenja guys all ova da land wit lettas fo da main guys inside ery districk, fo ery peopo in dea languages an alphabets. Dey tell da peopo dat ery man gotta be da main leada guy inside his house.

2

Dey Make Esther Da Queen

¹ Laytas, afta King Xerxes no stay huhu no moa, he no foget Vashti an wat she wen do, an wat he tell erybody dey gotta do bout her.

² Den da guys dat work fo da king fo take kea him, dey tell um, "Az good if some guys go look fo some young an good looking wahines fo da king, dat neva sleep wit one guy still yet.

³ You can pick guys from ery districk inside da land fo help find all dose good looking young wahines an bring um inside da place wea da king wifes stay, inside da strong wall Susa side. Hegai, da guy dat no can get kids an da king stay put him fo take kea da odda wahines, he can take charge a dem too. Den da spesho peopo dat know how fo make dem mo pretty still yet, can do dat.

⁴ Den da one dat da king like da mostes can come queen, cuz Vashti not da queen no moa." Da king like wat his guys tell him, az why he do dat.

⁵ Inside da strong wall Susa side, had one Jew guy from da Benjamin ohana, dat get da name Mordecai. He Jair boy, Shimei grankid, an Kish great-grankid.

⁶ ✧ Befo time, Nebukadnezzar, da king fo Babylon, wen take Kish prisona from Jerusalem, wit King Koniah da king fo Judah, an odda peopo.

⁷ Mordecai come da hanai faddah fo his uncle girl Hadassah, cuz her faddah an muddah mahke. Her Persia name Esther, dat mean "Star." She real good looking, wit one awesome figure. From da time her faddah an muddah mahke, Mordecai hanai her jalike her his daughtah.

⁸ Afta erybody hear wat da king tell, an da rule he wen make bout Vashti, plenny young wahines come togedda inside da strong wall in Susa town,

an dey stay wit Hegai in charge a dem. Da palace peopo take Esther to da King palace an make Hegai stay in charge a her too.

⁹ Hegai like Esther plenny, an he do plenny nice tings fo her. He tell da helpa wahines fo make her come mo pretty still yet, an make spesho food dass ony fo her. He pick seven young wahines from King Xerxes palace fo take kea her. He move Esther an her wahines to da bestes place inside wea all da wahines stay.

¹⁰ Esther no tell nobody bout her ohana, o dat she Jew, cuz Mordecai tell her fo no tell dem.

¹¹ Ery day Mordecai walk outside da open lanai nea wea da wahines stay, fo find out how Esther an wat stay happen to her.

¹² Befo one wahine turn come fo go inside sleep wit King Xerxes, dey gotta stay twelve month wit da palace wahines dat make da young wahines come mo good looking. Dass six month wit myrrh oil, an six month wit odda perfume an fo put makeup on dea face.

¹³ Dis az how dey go inside by da king. Dey can take wateva dey like from da wahine place to da king palace.

¹⁴ Wen dark time almos come, dey go ova dea, an in da morning come back to one diffren place wea da king odda wifes stay. Shaashagaz, anodda guy dat take kea da wahines fo da king, stay in charge a da ones ova dea. Dey no go back fo sleep wit da king, ony if he like her, an call her back by her name.

¹⁵⁻¹⁶ Was January, da numba seven year wen Xerxes stay king. Az wen dey take Esther to King Xerxes palace. (She Mordecai uncle Abihail girl, dat Mordecai wen hanai.) Wen she go, she no aks fo notting, ony wat Hegai, da guy dat stay in charge a da wahines, tell her. Wen erybody see Esther, dey like her plenny.

¹⁷ Da king like Esther mo den all da odda wahines. He tink her da bestes an he like do nice tings fo her. So he put da queen crown on top her head an make her da queen, cuz Vashti not da queen no moa.

¹⁸ Den da king make one big party fo Esther, an tell all da alii an da leadas fo come. He make one spesho day fo all da districks, an give erybody plenny presents.

Mordecai Find Out Two Guys Like Kill Da King

¹⁹ Wen dey bring all da young girls togedda da nex time, Mordecai stay sit by da king gate.

²⁰ Esther still yet neva tell nobody bout her ohana, o dat she Jew, jalike Mordecai wen tell her fo do. Cuz she still yet do eryting he tell her fo do, jalike he wen teach her fo do from small kid time.

²¹ Wen Mordecai stay sit by da king gate, Bigtana an Teresh, two a da king palace guys dat stay watch da gate, wen come huhu, an make one plan fo kill King Xerxes.

²² But Mordecai find out bout dat, an tell Queen Esther. Den Esther tell da king bout um, an tell um dat Mordecai da guy wen find um out.

²³ Wen da police guys check out wat she tell, an find out az wass true, dey hang da two palace guys. An dey write all dat inside da record book fo da king.

3

Haman Make One Plan Fo Wipe Out Da Jew Peopo

¹ Afta all dese tings happen, King Xerxes give plenny powa to Haman, Hammedata boy. He from Agag. King Xerxes make him mo importan den all da odda alii guys.

² All da govmen guys dat stay by da king gate go down on dea knees in front Haman, an show him respeck, cuz da king tell dem fo do dat. But Mordecai, he no go down in front Haman, an no show him respeck.

³ Den da govmen guys by da king gate aks Mordecai, "How come you no do wat da king tell erybody fo do?"

⁴ Ery day dey aks Mordecai dat, but he still yet no lissen dem. Az why dey tell Haman bout um, fo see if he still yet goin let Mordecai make lidat. Cuz Mordecai wen tell dem dat he one Jew.

⁵ Wen Haman see dat Mordecai no go down in front him o show him respeck, he come real huhu.

⁶ But wen Haman find out who Mordecai peopo, Haman tink az no good if he kill ony Mordecai. He tink mo betta he find someting fo him wipe out all da Jews, Mordecai peopo, all ova da land wea Xerxes stay king.

⁷ In April, da numba twelve year wen Xerxes stay king, dey pull straw in front Haman fo pick da month an da day wen dey goin kill da Jews. An dey pick March 7, almos one year layta.

⁸ Den Haman tell King Xerxes, "Get some diffren kine peopo dat live all ova da place inside yoa country. But dey no make frenz wit da odda peopos inside all da districks wea you stay king. Dea rules diffren den da rules fo all da odda peopos, an dey no do wat yoa rules tell um fo do. Mo betta you no let dem live.

⁹ If you like do dat, make one rule fo wipe dem all out. An I goin give 375 ton silva to da guys dat take kea da king money fo give to da ones dat kill da Jews."

¹⁰ So da king take off his ring dat he use fo stamp paypas, an give um to Haman, Hammedata boy, from Agag side, da guy dat hate da Jews.

¹¹ Da king tell Haman, "No worry bout da money, an do wat you like to dose peopo."

¹² Den April 17, Haman call da king secretaries. Da secretaries write da way da peopo inside ery districk stay write, an use dea alphabets. Dey write um fo ery peopo in dea language. Dey write wat Haman like tell da govnas fo da states, da govnas fo all da districks dat get dea local govmen, an da alii fo ery peopo. Den, fo show dat King Xerxes da one tell um fo write wat Haman tell, den dey stamp ery paypa wit da ring da king use fo offisho work.

¹³ Da tings dey write, dey give um to da messenja guys, an dey run um to all da king districks. Dey tell da leadas fo kill all da Jews. All da young an da ol guys, da kids an da wahines, dey tell um fo kill um all on March 7. An dey tell da leada guys fo go take eryting da Jews get.

¹⁴ Inside ery districk, an fo ery peopo, dey suppose to make one copy a wat da rule tell, an make um da rule fo ery districk. Dey gotta make shua all da diffren peopos hear um fo dem come ready fo kill all da Jews dat day.

¹⁵ Da king tell da messenja guys fo go real quick, so dey go out right den an dea, an tell wat da king rule tell. Dey put up da rule on top da strong

wall inside Susa town too. Den da king an Haman sit down fo drink wine. But da peopo inside Susa town, dey donno wat fo do.

4

Mordecai Aks Esther Fo Help Da Jew Peopo

¹ Wen Mordecai find out bout eryting Haman guys goin do to da Jew guys, he rip his clotheses, an put on burmbag clotheses an throw ashes up in da air an let um come down on top his head fo show he stay sad inside. Den he go outside his house wea he live fo go inside da big town, an he cry real loud fo get help from somebody.

² But he ony stay by da king gate, cuz dey no let nobody wit burmbag clotheses go inside dea.

³ Inside ery districk wea da Jew guys hear wat da king tell da odda peopos fo do, da Jews ack jalike get funeral. Dey no like eat, an dey cry an yell real loud. Plenny Jew guys all ova da place wear burmbag clotheses, an throw ashes up in da air an let um come down on top dea head cuz dey stay plenny sore inside.

⁴ Wen da wahines dat work fo Queen Esther, an her guys dat stay in charge a da wahines, tell Esther bout Mordecai, bodda her plenny. She sen clotheses fo him put on, so he no need wear burmbag clotheses, but he no like use um.

⁵ Den Esther tell Hatak fo come by her. He one a da guys dat no can get kids an da king stay put fo work fo her. She tell Hatak fo find out wat stay bodda Mordecai, an why he stay ack lidat.

⁶ So Hatak go out by Mordecai wea he stay in da open place inside da town in front da king gate, an aks him.

⁷ Den Mordecai tell Hatak eryting dat happen to him, an how plenny money Haman promise fo pay da peopo dat take kea da king money, fo wipe out da Jew guys.

⁸ Mordecai give Hatak one copy wea dey write down wat King Xerxes tell inside Susa town bout da Persia peopo goin wipe out da Jews. Mordecai tell Hatak, "Show dis to Esther. Tell her eryting. Tell her she gotta go by da king fo her peopo, fo beg him fo give dem chance!"

⁹ Hatak go back tell Esther eryting Mordecai wen tell.

¹⁰ Den Esther tell Hatak fo tell Mordecai dis:

¹¹ "Get someting all da king leada guys an palace peopo an all da peopo inside his districks know: Any guy o wahine dat go nea da king inside da palace open lanai, wen da king neva call dem, da king get ony one rule: Dey gotta mahke. Da ony time dey no need mahke, az wen da king poin his gold rod at dem. Dat mean dey goin stay alive. But now thirty days pau awready an da king no call me fo go by him yet."

¹² Hatak tell Mordecai wat Esther tell.

¹³ Mordecai tell Hatak fo tell her, "No tink dat jus cuz you stay inside da king palace, you da ony Jew dat no goin mahke.

¹⁴ But if you no tell notting dis time, some odda ting goin happen fo get da Jew guys outa dis anodda way. But you an yoa faddah ohana goin all mahke. Nobody know dis fo shua, but maybe az why you wen come inside da king ohana, jus fo dis one ting."

¹⁵ Den Esther tell Hatak fo tell Mordecai dis:

¹⁶ "Go bring togedda all da Jew guys you can find inside Susa town. No eat food so you can pray fo me. No eat an no drink fo three day, day time

o nite time. Me an da wahines dat work fo me, we goin do da same ting, no eat an no drink notting fo three days too, fo us pray. Afta we do dat, I goin go in front da king, no matta I stay broke da rules. An if I mahke, I mahke.”

¹⁷ So Mordecai go way an do eryting Esther tell him fo do.

5

Esther Tell Da King Fo Do Someting

¹ On da day numba three, Esther put on her queen kine clotheses an go stan inside da door fo da open lanai in da middo a da palace, right across da place wea da king stay work. Da king stay sit on top his throne inside da palace, wea he can see outside da door.

² Wen he see Queen Esther standing on da open lanai, he like talk wit her, so he poin his gold rod at her. An Esther go by him an touch da end a da rod.

³ Den da king aks her, “Wat you like, Queen Esther? Wat you stay aks fo? Even if you aks fo half a eryting I own, I goin give um to you.”

⁴ She tell, “If you like, I like you—an bring Haman too—fo come today fo one spesho dinna I stay make fo you.”

⁵ Da king tell his guys, “Bring Haman now, fo us do wat Esther tell.”

So da king an Haman eat da dinna Esther make.

⁶ Wen dey stay drink da wine, da king aks Esther one mo time, “Now wat you like? I goin give um to you, even half da stuff I own. I goin do dat fo you!”

⁷ Esther tell him, “Dis da ting I like fo you do:

⁸ If you da king like me, an like do wat I tell, den I like you da king—an Haman too—come one mo time tomorra fo anodda dinna I goin make. Den I goin tell you wat I like you fo do.”

Haman Stay Real Huhu Agains Mordecai

⁹ Haman go out dat day an he feel real good inside. He real happy. But wen he see Mordecai by da king gate, an see dat Mordecai neva stan up fo him, an show he no sked a him, Haman come even mo huhu agains Mordecai den befoa.

¹⁰ But still yet Haman no say notting, an go home.

¹¹ Haman call togedda his frenz an Zeresh his wife. He talk big to dem bout all his rich stuffs, bout all his boys, an how da king show him plenny respeck, an make him mo importan den all da odda alii an palace guys dat stay work fo da king.

¹² He tell dem, “An az not all! I da ony one Queen Esther wen tell fo come wit da king fo eat one dinna she make. An she tell me one mo time fo come eat anodda dinna wit him tomorra.

¹³ But dat no mean notting to me! Cuz I see Mordecai da Jew erytime sitting ova dea by da king gate, an he no stan up wen I come!”

¹⁴ Zeresh, Haman wife, an all his frenz tell him, “Go tell somebody put up one long sharp pole 75 feet high, fo poke thru Mordecai body, an in da morning tell da king fo tell his guys poke Mordecai wit da pole. Den go wit da king to da dinna, an feel good inside.” Haman like dat plenny. He tell his guys fo put up da pole fo poke Mordecai an kill um.

6

Da King Show Respeck Fo Mordecai

¹ Dat nite da king no can sleep. Az why he tell his guys bring da record book, da one wea dey write down eryting dat happen from da time he come king. He like fo somebody read um fo him.

² Inside da book da guy read how Mordecai wen find out bout two a King Xerxes guys dat befo time guard da doors, Bigtana an Teresh. Dey wen make one plan fo murda da king. But cuz a Mordecai no mo notting wen happen. Dass wat stay write inside da book.

³ Afta da king hear dis, he aks, "How we wen show respeck to Mordecai fo do dis?"

Da king helpa guys tell him, "We neva do notting fo him."

⁴ Da king tell, "Who stay outside, inside da palace open lanai right now?" Haman wen jus come inside da palace open lanai fo go tell da king fo tell his guys fo poke one long sharp pole thru Mordecai body. Az da pole Haman wen set up fo kill Mordecai.

⁵ Da king helpa guys tell him, "Haman stay stan outside dea."

Da king tell dem, "Bring him inside hea."

⁶ Wen Haman come inside, da king aks him, "Wat I goin do fo one guy, wen I fo real kine like show respeck fo him?"

Haman tink, "Fo shua, az me he talking bout, cuz no mo nobody da king get mo respeck fo den me!"

⁷ So he tell da king, "Da guy dat da king fo real kine like show respeck fo,

⁸ tell yoa guys fo bring one king kine robe fo him, an one horse da king wen awready ride, dat get one king mark on top da horse head.

⁹ Den give da robe an da horse to one a da king bestes alii fo put da robe on top da guy you fo real kine like show respeck fo, an fo lead da guy on top da horse thru da streets inside da big town, an yell in front him, 'Dis da kine ting dat da king like do fo da guy he fo real kine like show respeck fo!' "

¹⁰ Den da king tell Haman, "Go right now. Get da robe an da horse, an do jalike you tell fo Mordecai da Jew, dat stay sit by da king gate. Make shua you do eryting jalike you wen tell!"

¹¹ So Haman go get da robe an da horse. He put da robe on top Mordecai, an lead him thru da streets on top da horse, an yell in front him, "Dis da kine ting da king like do fo da guy he fo real kine like show respeck fo!"

¹² Afta dat Mordecai go back by da king gate. But Haman run home quick. He put one cloth ova his head fo cova um, cuz he real shame.

¹³ He tell his wife Zeresh an his frenz eryting dat wen happen to him.

Da guys dat tell him wat fo do, an his wife Zeresh tell him, "You know, cuz Mordecai one Jew, az why you lose out awready! You no can stan agains him. Fo shua, no way you can win!"

¹⁴ An wen dey still yet talk wit him, da guys dat work fo da king come fo take Haman away real fas to da big dinna Esther wen make.

7

Dey Kill Haman

¹ So da king an Haman go eat wit Queen Esther.

² Wen dey stay drink da wine on da day numba two, da king aks one mo time, "Queen Esther, wat you like? I goin give um to you. Wat you stay tell me fo do? I give um to you, even half a eryting I own."

³ Den Queen Esther tell, "O King, if you fo real like me, an you tink az good, try let me live! Az all I aks you fo do. I beg you fo let my peopo live too!"

⁴ Cuz somebody wen sell out me an my peopo fo kill us. If dey ony wen sell us fo come slaves, da guys an da wahines, den I no say notting, an I no like bodda you wit dis. Cuz da kine trouble us guys goin get from come one slave, ony litto bit."

⁵ King Xerxes aks Queen Esther, "Who da guy wen do dis? Wea da guy dat get big head an like do dis?"

Da king tell, "Go poke um thru Haman body!"

¹⁰ So dey poke thru Haman body da long sharp pole dat he wen make fo poke um thru Mordecai body. Den da king no stay huhu no moa.

Wat Da King Do Fo Help Da Jews

¹ Cuz Haman hate da Jews, dat same day King Xerxes give Queen Esther Haman house an land. Same time, Esther tell da king dat Mordecai her ohana, so Mordecai come in front da king.

² Da king take off da ring he use fo stamp his paypas, dat he wen take back from Haman, an give um to Mordecai. Esther put Mordecai in charge a Haman house an land.

³ One mo time Esther talk to da king. She go down by da king feets an cry, an beg da king fo stop da real bad plan dat Haman da Agag guy wen make agains da Jews.

⁴ Den da king put out da gold rod in his hand to Esther, an den she stan up in front him.

⁵ She tell, "If da king tell az good, an he like fo me do dis, an if he tink az right an good fo do um, I like fo you da king write anodda rule fo wipe out da rule dat Haman, Hammedata boy from Agag, wen write awready fo wipe out all da Jews inside all da king districks.

⁶ Cuz I no like see dis real bad kine ting happen to my peopo, an see all my ohana come wipe out."

⁷ King Xerxes tell Queen Esther an Mordecai da Jew, "Haman wen go agains da Jews, an my guys kill Haman awready, an I give his house an land to you, Esther.

⁸ Now, I like you guys use my name fo write anodda rule fo da Jews, wateva you figga stay good fo dem. Use my name an stamp um wit my ring, cuz no mo nobody can change wat I da king write an stamp wit my ring.”

⁹ Right den an dea, June 25, da king call his secretaries fo come. Dey write eryting Mordecai tell um fo tell da Jews, an da leadas, govna guys, an alii fo all da 127 districks from India to Sudan. Dey write dis wit da alphabets an languages dat all da diffren peopos use. Fo da Jews dey use dea alphabets an dea language too.

¹⁰ Mordecai use King Xerxes name fo write um, an stamp um wit da king ring. He sen da tings dey write by messenja guys on top horses dat go fas (cuz dey raise da horses spesho kine jus fo da king work).

¹¹ Da king new rule now tell, dat da Jews inside ery town get rights. Dey get da right fo come togedda fo fight fo make shua dey safe. An dey get da right fo wipe out an kill any army from any peopo o districk dat go agains dem an dea wahines an kids. An dey get da right fo take da stuffs from da guys dey kill.

¹² Da day wen da Jews can do dis inside all da districks wea Xerxes stay king, was goin be March 7, da nex year.

¹³ Dey sen one copy a dis rule to ery districk, an tell um to ery peopo, fo da Jews stay get ready dat day fo fight da guys dat hate dem.

¹⁴ Da messenja guys on top da king horses go real fas, cuz da king tell um fo go fas. Dey tell dis rule too inside da strong wall inside Susa town.

¹⁵ Mordecai go out from wea da king stay. He wear king kine blue an white clotheses, one big gold crown, an one purple kine robe wit da bestes kine linen from Egypt. Inside Susa town erybody make one big party an stay feel real good inside.

¹⁶ Fo da Jews, now dey stay feel real good inside, cuz erybody get respeck fo dem.

¹⁷ Inside ery districk an big town, wea eva da rule dat da king tell wen come, all da Jews stay real good inside. Dey make big party an hoolaulea. An plenny odde peopo come Jews, cuz now dey real sked a da Jews.

9

Da Jews Win

¹ March 7, az da day da guys dat hate da Jews get da right fo do wat da king firs rule tell. An dey tink dey goin win ova da Jews. But now eryting change, an da Jews get da powa ova da guys dat hate dem.

² Da Jews come togedda inside dea big towns inside all da districks wea Xerxes stay king, fo go agains da guys dat like do bad tings to dem. No mo nobody can stan agains da Jews, cuz all da odde peopos sked a dem.

³ All da alii inside all da districks, da leadas, da govnas, an da guys dat take kea da work fo da king, dey wen help da Jews, cuz dey sked Mordecai.

⁴ Mordecai come one importan guy inside da palace now. Erybody inside all da districks hear bout him. So he get mo an mo powa.

⁵ Da Jews use swords fo kill all da guys dat hate dem, an dey do wat dey like to dose guys.

⁶ Inside da strong wall Susa side, da Jews kill 500 guys.

⁷ Dey kill Parshandata, Dalfon, Aspata,

⁸ Porata, Adalia, Aridata,

⁹ Parmashta, Arisai, Aridai, an Vaizata.

¹⁰ Dey wen kill da ten boys dat time dat get Haman fo dea faddah (az da same Haman, Hammadata boy, dat hate da Jews). But dey neva take da Haman boys stuffs.

¹¹ Dey tell da king da same day, how plenny guys da Jews wen kill inside da strong wall Susa town.

¹² Da king tell Queen Esther, "Da Jews wen kill 500 guys awready inside da strong wall Susa town. Dey wen kill Haman ten boys too. Wat dey do inside my odda districks? Now, wat odda ting you like? Wateva you tell me you like, I give um to you!"

¹³ Esther tell, "If you figga az good, let da Jews inside Susa do da same ting tomorra too, an let dem hang Haman ten boys mahke bodies on top sharp poles."

¹⁴ So da king make one mo rule fo inside Susa town, fo hang Haman ten boys mahke bodies.

¹⁵ Da Jews inside Susa wen come togedda one mo time on March 8, an dey kill 300 mo guys inside Susa town, but dey no take dea stuffs.

¹⁶ Da same time, da odda Jews inside da king districks wen come togedda fo make shua dey safe, fo no let da guys dat hate dem bodda dem no moa. Dey kill 75,000 guys, but dey no take dea stuffs.

¹⁷ Dey do dis on March 7. Den March 8, dey res, an make one big party an stay feel real good inside.

Dey Make Da Purim Hoolaulea

¹⁸ But da Jews inside Susa town still stay fight da peopo dat stay agains dem on March 7 an 8. Az why March 9 da day wen da Jew peopo in Susa res an come togedda fo make party, an stay feel real good inside.

¹⁹ An az why da Jews dat live da country side stay make March 8 da spesho day fo feel good inside, wen dey make party an give food to each odda fo gifs.

²⁰ Mordecai write down all dis stuff. He sen lettas to da Jews inside all da districks wea Xerxes stay king, nea an far,

²¹ fo make shua erybody know az good fo dem make party March 8 an 9 ery year.

²² Cuz az was wen da Jews wen res, cuz dey no gotta suffa no mo from da guys dat hate dem. From dat time, eryting change fo dem. Dey no feel sore inside no moa, dey stay feel good inside. Dey no ack jalike somebody wen mahke, dey make hoolaulea an big party. Mordecai write dem fo no foget dose days an fo give food kine presents to each odda an to da peopo dat no mo notting.

²³ So da Jews make one plan togedda fo make hoolaulea ery year afta dat, jalike Mordecai wen write to dem.

²⁴ Cuz Haman, Hammadata boy from Agag dat wen hate all da Jews, wen make one plan agains da Jews fo wipe dem out dat day March 7. He throw wat dey call da "Pur," az jalike he pull straw fo pick da day fo kill um an wipe um all out.

²⁵ But wen da king find out wat Haman was goin do to da Jews, da king write down fo his guys dat wat Haman wen plan, goin come back to him, an fo da king guys go hang Haman an his boys.

²⁶ Az why da Jews call dis days "Purim," cuz Pur mean kinda like "pull straw." An cuz a da letta Mordecai wen write, an cuz a eryting da Jews wen see, dat wen happen to dem.

²⁷ Da Jews start da custom fo dem an dea kids an da ones dat come from dem, an all da odda peopos dat come Jews bumbye. From dat time, ery year dey goin make shua dey make one big party dose two days, jalike Mordecai wen write to dem.

²⁸ Az importan fo ery ohana fo no foget an do all dis ery year on da right days. Dass fo ery ohana, an dea kids an grankids foeva, an fo ery districk an ery town. Good da Jews no let da Purim hoolaulea pau. Dey gotta make shua dey no do bad kine stuff eva, dem an dea kids an grankids.

²⁹ So Queen Esther, Abihail girl, hanai girl to Mordecai da Jew, write anodda letta, dat show dat cuz she da queen, she get da powa fo sen da letta numba two from Mordecai fo set up da Purim hoolaulea.

³⁰ An had odda lettas dat peopo sen to all da Jews inside da 127 districks wea Xerxes stay king. Da lettas give dem aloha an tell dem fo trus wat da queen wen tell.

³¹ Az why da Jews can set up da Purim hoolaulea da same time ery year, jalike Mordecai da Jew an Queen Esther tell dem an dea kids dey gotta do, jalike dey wen set up odda times wen dey an dea kids gotta skip food wen dey pray, an aks fo help.

³² Wat Esther tell, make solid eryting bout Purim. An wat she tell, stay write inside da govmen record book.

10

Mordecai One Importan Guy

² All da stuff da king do dat show his powa, an erything bout da stuff dat Mordecai do, an how King Xerxes wen make Mordecai come real importan, da palace guys write all dat inside da Record Book Fo Da Kings Fo Media An Persia.

³ Mordecai da Jew stay da numba two guy to King Xerxes. Mordecai one real importan man wit da Jews. All da Jews get plenny respeck fo him, cuz he work plenny fo his peopo stay okay. He talk to da govmen fo make eryting come good fo all da odda Jews, cuz dey come from his peopo too.

⁵ Ery year, wen dey pau make all da big luau, Job sen one message fo dem come make one religious kine ceremony fo dem stan in front God. Den early morning time, he make one burn up kine sacrifice fo ery kid. Cuz he tink, "Maybe my kids wen do someting bad an tink bad kine stuff bout God." Az how Job do erytime.

Da Firs Tes Fo Job

⁶ ✧ One time, da ones dat live wit God come fo stan in dea place in front Da One In Charge fo lissen wat he like um do. An da One Dat Stay Agains God come wit dem too.

⁷ Da One In Charge tell Da One Dat Stay Agains God, "Wea you wen come from?"

Da One Dat Stay Agains God tell Da One In Charge, "I stay go all ova da world, checking out hea an dea."

¹⁴ But one messenja guy come by Job. He tell, "Da worka guys wen stay plow wit cows, an da donkeys stay grind grass nea dem.

¹⁵ Da steala guys from Shava go attack dem! Dey take away da animals, an kill yoa worka guys wit dea swords! Me, I da ony one dat get away fo come tell you dis!"

¹⁸ Befo da odda guy pau talk, anodda messenja guy come. He tell, “Yoa boys an girls stay make one big luau, an drink wine inside dea mos ol braddah house.

¹⁹ An right den an dea, one tornado kine wind come from da odda side a da boonies, an hit ery side a da house! Da house fall down on top da young guys, an dey all mahke! Me, I da ony one dat get away fo come tell you dis!”

²⁰ Wen Job hear dat, right den an dea he stan up an rip his clotheses an shave his head fo show he stay sad inside. Den he go down an put his face on top da groun.

²¹ He tell,
 “Wen I come outa my muddah belly,
 I stay naked, no mo notting!
 Wen I leave dis world,
 I no goin get notting!
 Da One In Charge give,
 An Da One In Charge take away.
 I goin talk good bout Da One In Charge
 Cuz I know wat kine god him!”

²² No matta all dis stuff happen, Job no do notting bad. He no talk jalike God do someting wrong.

2

Da Numba Two Tes Fo Job

¹ Anodda time, da ones dat live wit God come fo stan in front Da One In Charge fo lissen wat he like um do. An da Guy Dat Stay Agains God come wit dem too fo stan in front Da One In Charge.

² Da One In Charge tell Da One Dat Stay Agains God, “Wea you wen come from?”

Da One Dat Stay Agains God tell Da One In Charge, “I stay go all ova da world fo see wat happen hea an dea.”

³ Den Da One In Charge tell Da One Dat Stay Agains God, “Wat you tink bout my worka guy Job? No mo nobody on top da earth stay jalike him. He one guy no mo nobody poin finga him. He erytime do da right ting. He get awesome respeck fo me, God, an he stay away from da bad kine stuff. An he still yet come mo strong fo do stuff dat no mo nobody poin finga him, no matta you wen try make me mess him up fo notting.”

⁴ Da One Dat Stay Agains God tell Da One In Charge, “Peopo let dea skin get hurt litto bit fo dem keep dea whole skin! But peopo goin give eryting dey get fo dem stay alive!

⁵ So! Go use yoa powa an hurt Job skin an bones. You do dat, fo shua he goin talk bad bout you in yoa face!”

⁶ Da One In Charge tell Da One Dat Stay Agains God, “Kay den. I give you powa ova Job. Ony one ting—make shua he stay alive!”

⁷ So Da One Dat Stay Agains God go out from in front Da One In Charge. He give Job boils dat hurt real bad from da bottom a his feets to da top a his head.

⁸ Job sit down wit ashes all aroun him. He take one piece from one clay pot dat wen broke, an scrape his skin wit um.

⁹ Job wife tell him, "Wot?! You still yet like hang in dea fo do stuff fo no mo nobody poin finga you?! Mo betta you go talk bad bout God, an den mahke!"

¹⁰ He tell her, "You talk jalike one stupid wahine! You tink us goin get one good kine stuff from God, an no mo bad tings too, o wat?!"

Wen all dis stay happen, Job no tell notting bad.

Job An His Three Frenz

¹² Dey look wen dey still stay far, an dey almos donno az him. Dey start fo cry loud, an dey rip dea clotheses an throw dirt in da air fo make um come down on top dea heads fo show dey stay sad inside.

¹³ Den dey sit wit him on da groun seven day an seven nite. Nobody tell notting to him cuz dey see how plenny he stay suffa.

3

Job Talk

¹ ☆Afta dat, Job start fo talk to his frenz. He tell dat mo betta he neva born.

² He tell:

³ "I like fo da day I born neva happen!

An I like fo dat nite no happen, wen dey tell,
'His muddah wen get one boy!'

⁴ I like erybody foget bout dat dark day.

I like even God in da sky foget dat day eva happen.

I no like da light start fo shine dat day.

⁵ I like da shadows an da dark take ova dat day.

I like da clouds come down on top um.

An da black clouds take ova da light.

⁶ I like da mo dark kine stuff take ova dat nite.

No count um wit da odda days inside da year.

An no count um wit any month.

⁷ I like fo no odda bebes born dat nite,

An fo nobody hear somebody yell cuz dey stay good inside.

⁸ I like da peopo dat know how fo put kahuna on top one day,

Put kahuna on top da day I wen born.

Dose guys know how fo wake up da Leviatan sea monsta.

⁹ I like da early morning stars fo dat day come dark.

Da peopo dat wait fo da day time dat no goin come,

Dey no goin spock da early morning light.

¹⁰ I stay bum out, cuz dat nite da door fo da opu wea I stay, neva shut,

Fo me no see trouble.

¹¹ "How come I neva mahke wen I born?"

- 12 How come get somebody fo take kea me?
An fo give me breas milk?
- 13 Cuz if I wen mahke den,
I can lay down an res now.
I can go sleep an res.
- 14 I can sleep wit da kings an peopo dat know wass good fo do on top da
earth,
Dat wen build places fo dem dat now stay all bus up.
- 15 Maybe I can sleep wit da leada guys dat wen get gold,
An fill dea houses wit silva.
- 16 How come dey neva hide me inside da groun
Jalike I one bebe dat mahke befo he born?
Jalike da bebes dat neva see da light from da day?
- 17 Ova dea inside da Mahke Peopo Place,
Da bad kine guys no can make humbug no moa.
Ova dea da guys dat stay wore out can res.
- 18 Ova dea da prisonas can res togedda an no need work.
Dey no hear da luna guy yell at um no moa.
- 19 Da guys dat not importan, an da guys dat stay importan,
Dey all stay ova dea.
Da boss let go da slave guy awready.
- 20 "How come God let somebody still see da light wen dey stay suffa?
How come God let peopo stay alive wen dey stay sad inside?
- 21 ✧Fo real, dey stay wait fo mahke, but dey no mahke.
Dey like mahke mo den dey like get plenny rich kine stuff.
- 22 Dat kine peopo stay plenny good inside
Wen dey go inside da grave.
- 23 How come God let one guy jalike me stay alive
Wen dey donno wea dey going?!
Wen God put one fence so dey no can go no place?!
- 24 I ony yell an moan, an no can eat.
I stay moan loud cuz I stay crying plenny.
- 25 Erytime, I wen stay plenny sked bout dis kine stuff,
An now stay happen to me!

2 "If I try fo talk to you,
Dat goin make you feel jalike I talk too much, o wat?
But still yet, no ways I can hold back an no tell notting!
- 3 Tink how you wen teach plenny peopo.
You make plenny weak peopo come strong.
- 4 Wat you wen tell, make da peopo dat fall down, stan up.
You make dea knees dat no stay strait, come strong.
- 5 But now da trouble come on you, an you lose fight.
Da trouble reach you, an you come bum out.

- 6 Fo shua, you get awesome respeck fo God,
 An dat goin make you stay shua.
 If you know you no mo blame fo notting,
 Az goin help you wait fo God do someting.
- 7 Now tink! Erybody dat no do notting wrong,
 Dey no mahke.
 Da guys dat stay do wass right,
 Dey no come wipe out, aah?

 An da guys dat make trouble.
 Dey erytime get back da same trouble dey wen make.
- 9 From his mout God blow, an dey come wipe out.
 He come huhu, an dass it fo dem.
- 10 Da lions make loud noise an growl.
 But even da young lions broke dea teet.
- 11 Wen no mo animals fo kill, da lion mahke,
 An da lion babes stay scatta from dea muddah.
- 12 "Somebody tell me one secret kine message.
 I hear ony one wispa from um.
- 13 ✨I wen get skery kine dreams,
 Nite time, wen odda guys pass out sleep.
- 14 I come real sked an shaking.
 Make me come sked in my whole body!
- 15 One spirit fly by my face.
 Da hair on top my body stan up!
- 16 Da ting stop,
 But I no can tink wat he look jalike.
 Somebody o someting stan in front my face,
 An I hear um wispa, real quiet kine:
- 17 'You tink get anybody can do wass right, da way God see um, o wat?
 You tink one guy can be clean inside, in front da God dat wen make
 him, o wat?
- 18 Fo shua, if God no trus even da ones dat work fo him,
 An if he tell his angel messenja guys dey ack pupule kine,
- 19 Den even mo he goin poin finga
 Da peopo dat live inside dese bodies!
 Dea bodies jalike one house dey make from clay
 Dat get foundation on top da dirt.
 Can smash dem mo easy den smash one moth!
- 20 Dey live ony from da time da sun come up till go down.
 An dey come all broke up befo dey pau.
 Dey come all wipe out foeva, an nobody know dat.
- 21 Odda peopo take all dea stuffs,
 Jalike somebody pull up all da ropes from dea tent.
 Dey mahke, but dey neva learn wat fo do erytime.' "

Elifaz Talk Moa

- 1 "Yell fo help if you like, but no mo nobody goin ansa back you.

Wat angel messenja guy dat stay spesho ony fo God
 you goin aks fo help you?
 2 If one guy do bad kine stuff an no bodda him,
 An he come huhu, dat guy goin mahke.
 If one guy dat donno wat fo do come jealous, he goin get kill.
 3 I wen see one guy dat do bad kine stuff an no bodda him.
 Da guy look jalike he get plenny stuff jalike one tree wit one good root.
 But right den an dea I put kahuna on top da house wea he live:
 4 I tell: 'I like fo his kids stay far from peopo dat can get dem outa trouble!
 I like fo da judge go smash dem, an fo no mo nobody help dem!
 5 I like fo da peopo dat stay hungry
 Eat up da food dat guy wen plant,
 Befo he harves um.
 I like dey take da guy food, even wea get thorn fence.
 I like fo da greedy peopo go afta da rich kine stuffs he get.'
 6 But you know, wen somebody do wass bad,
 Dat no come outa da dirt.
 Wen get trouble, dat no grow outa da groun.
 7 Fo shua, peopo goin get trouble from da time dey born.
 Jalike fo shua, da sparks from one fire goin fly up.
 8 "But you know, if was me,
 I wen aks God fo show me wat fo do.
 I wen tell him my problem, fo him take kea me.
 9 God do awesome kine stuff dat nobody can tink.
 He do unreal kine stuff, mo den can count.
 10 He da One sen da rain on top da earth,
 An sen watta on top da countryside.
 11 He make da peopo dat not importan come importan.
 He rescue da peopo dat stay sad inside.
 12 ✧Da sly guys make one plan, but God jam um up,
 Wateva dey make wit dea hands, no come out da way dey figga.
 13 He use da plan dat da akamai guys make,
 Fo trap dem.
 Wen da smart guys tink dey goin do someting,
 God make um happen too fas fo come out good.
 14 Day time, eryting come dark aroun da akamai guys, ova an ova.
 Noon time dey no can see, an gotta feel wea fo go, jalike was nite time.
 15 Da peopo dat get plenny powa,
 Wen dey talk, can hurt you jalike one sword.
 But God, he get da peopo dat no mo notting
 Outa trouble from da strong guys.
 16 Den da guys dat no mo notting can trus God an wait.
 Da guys dat do wass wrong no can open dea mout.
 17 ✧"Wen peopo jam up,
 An God tell um wat was da right ting fo dem do,
 Dey can stay good inside.
 Az why, no come huhu wen Da God Dat Get All Da Powa
 Punish you fo teach you someting!

- 18 ✧ Cuz he can hurt you, but he put bandage on you too.
He can wack you, but he touch you an make you come good too.
- 19 He goin get you outa trouble foeva.
Even da worse time, notting bad goin happen to you.
- 20 Wen no mo food, he goin do wat he gotta do so you no mahke.
Wen get war, he goin proteck you from da swords.
- 21 He goin take kea you wen peopo talk bad bout you.
You no need come sked wen peopo like bus you up.
- 22 Wen peopo like wipe you out, o wen no mo notting fo eat,
You no need worry, cuz you know az ony manini kine stuff.
You no need stay sked a da wild animals.
- 23 Cuz you goin get one deal wit da stones inside da field.
Da wild animals goin stay good wit you.
- 24 You goin know dat eryting stay good wea you live.
You goin check out all yoa sheep fences,
An dey all goin stay dea.
- 25 You goin know dat you get plenny kids.
Da ones dat goin come from you goin be plenny,
Jalike da grass on top da groun.
- 26 Wen you mahke, you still goin be strong,
Jalike peopo harves food da bestes time,
An bring um in fo keep um.
- 27 You know, us guys wen find out eryting bout all dis stuff, an dass how
stay fo shua.
So lissen up, fo you know fo real kine.”

 No matta da guy no sked fo bag from Da God Dat Get All Da Powa.
 15 But I no can trus my braddahs.
 Dey jalike da streams dat flow today an tomorra no moa.

 Dey melt, an den da streams come big.
 17 Den dey come dry wen no mo rain.
 Dey no mo watta wen come hot.
 18 Da guys wit horses an camels dat bring stuff fo sell,
 Dey turn away from da road.
 Dey go up wea eryting all look same same, an fo dem come wipe out.
 19 Da guys from Tema wit horses an camels dat bring stuff fo sell,
 Dey look fo da streams too.
 Da guys from Sheba dat sell stuff look fo watta.
 20 Dey come bum out cuz dey stay shua fo find watta.
 Wen dey reach da place, dey stay real bum out, cuz no mo da watta.
- 21 “Same ting now, you guys jalike dose dry streams fo me!
 You guys see someting skery, an you come sked.
 22 I neva tell you guys, ‘Give me someting!
 You guys rich, so pay somebody unda da table
 Fo get me outa dis, okay?!
 23 Get me outa da powa a da guys dat stay agains me!
 Do wateva you gotta do fo da mean guys no grab me!’

Da stuffs dey get, no goin las long time.
Dea property no goin reach mo far den you can see.
- 30 Dey no goin get away from da dark place cuz dey goin mahke.
Dey goin be jalike one tree dat da shoots goin dry up from one fire.
God goin breave an dey all goin blow away.

 So all da place I plow stay wet wit crying,

³⁹ If I wen eat up eryting dat grow dea an neva pay,
 If I wen make da peopo dat live an work dea come all bum out,

⁴⁰ Den I like da thorns come up an not da wheat,

Elihu Talk

¹ So dese three guys no like talk no mo wit Job. Cuz da way Job see um, he ony do wass right!

² But get anodda guy Elihu, dat come real huhu wit Job, cuz Job stay tell dat he do wass right, an he no tell dat God do wass right. (Elihu, he Barakel boy from da Buz blood line dat come from da Ram ohana.)

³ Elihu come huhu wit da three frenz too. Cuz dose guys neva find notting fo tell Job. Dey no can show proof dat Job no get um right. Still yet dey poin finga him.

⁴ Elihu wen wait till Job pau talk cuz da odda guys all mo ol den him.

⁵ But wen he know dat da three guys no mo notting fo tell, he come mo huhu.

⁶ So den Elihu, Barakel boy from da Buz ohana, tell dis:
 "I mo young den you guys, an you guys ol.
 Az why I wen hold back,
 An I was sked fo tell you guys wat I know.

⁷ I wen tink, 'Da ol guys,
 Dey da ones suppose to talk.
 Da ol guys suppose to teach peopo
 Fo know wat fo do erytime.'

⁸ But fo shua,
 Da spirit inside peopo dat make um undastan stuff,
 Dass wat importan.
 Dass wat Da God Dat Get All Da Powa breave inside um,
 An dass wat help peopo fo undastan stuff.

⁹ Da ol guys, dey not da ony ones know wat fo do erytime.
 Az not jus da guys dat real ol
 Dat undastan wass right an wass wrong.

¹⁰ "Az why I tell dis: Lissen to me too.
 I goin tell you guys wat I know.

¹¹ Eh look! I wen wait hea wen you guys talk.
 I lissen how you guys undastan stuff,
 Wen you try find how fo tell wat you mean.

- 12 I wen lissen real good to you guys.
But you know wat?!
- You guys neva show proof dat Job wrong!
No mo nobody ansa da stuff Job wen tell!
- 13 No good you guys tink, 'Us guys, da ones find out how fo know wat fo do erytime.
God da ony one can blow away wat Job tink—peopo no can!'
- 14 But Job no argue wit me.
An wen I argue wit him,
No goin be da same way you guys argue wit him.
- 15 "Job, yoa three frenz futless awready,
An dey no can ansa notting.
Dey no can tink bout wat fo tell.
- 16 So I gotta wait still yet, o wat?!
- Cuz dey no mo notting fo tell.
Dey ony stan dea an no tell notting.
- 17 Me, I goin talk too.
I goin tell wat I know.
- 18 Cuz I get plenny stuff fo tell.
Da spirit inside me, push me fo talk.
- 19 Inside, I stay jalike da wine inside one goat skin dat no mo puka.
Jalike new goat skins dat stay full a wine an ready fo bus open.
- 20 I gotta talk! Den I can res.
I gotta open my mout an ansa Job.
- 21 I no stay ack jalike one guy mo betta den anodda guy.
I no goin sweet talk nobody.
- 22 Cuz if I fo real kine wen know how fo sweet talk somebody,
Da One dat wen make me, he goin wipe me out!"

33

Elihu Talk Fo Real Kine To Job

- 1 "Kay den, Job, lissen wat I goin tell you!
Try lissen good, ery word!
- 2 I ready fo talk.
I know wat I gotta tell.
- 3 Wat I tell, show dat inside, I tink da right way.
I tell wat I know, an notting wrong bout dat.
- 4 Da Spirit from God wen make me.
Da God Wit All Da Powa, wen he breave, he make me stay alive.
- 5 Eh Job, if you can argue wit me, den tell me.
You gotta show proof an talk wit me in my face.
- 6 Eh! I jalike you, da way God see me.
He wen make me outa dirt too.
- 7 No need you come sked a me!
I not goin come down hard on you.
- 8 "But you wen tell dis,
An I hear eryting you tell:
- 9 'Me, I stay clean an no do notting bad.
I no mo da blame fo notting.

- 10 But you know wat?
 God wen find stuff he tell I get blame fo.
 He tink I agains him.
- 11 ✨He put one leg chain on my feets.
 He watch me ery place I go!’
- 12 “But I goin tell you dat you no stay right bout dat,
 Cuz God mo big den peopo.
- 13 How come you squawk to him?
 Cuz he no ansa nobody dat argue wit him!
- 14 Cuz fo real, God talk—
 He can tell someting one way, an den anodda way,
 No matta peopo donno az God stay talking to dem.
- 15 ✨Wen da peopo pass out sleep on top dea beds,
 God use dreams, o someting jalike one dream nite time.
- 16 Dass wen God tell peopo stuff dey donno.
 Dass how he make shua dey no foget how he tell dem fo watch out.
- 17 He do dat fo turn peopo away from da kine stuff dey do.
 He no let dem get big head.
- 18 Dass how he make shua dey no fall down inside da Deep Dark Hole.
 He help dem no mahke from swords.
- 19 Get one time wen God make peopo come sick.
 He make um stay in bed an suffa.
 Dea body stay hurt all da time,
 But dass how he teach um someting.
- 20 Da sick guy no like eat notting,
 Not even da bestes kine food, notting.
- 21 His body come real skinny.
 No matta no can see his bones befo,
 Now dey stick out.
- 22 His spirit come nea da Deep Dark Hole.
 He alive, but da killa spirits stay wait fo him.
- 23 “Maybe da sick guy get one angel messenja guy by him,
 One helpa guy dat talk fo him.
 God get tousans a messenja guys
 Fo tell peopo wass right fo dem do, you know.
- 24 Da messenja stay dea fo give chance to da sick guy, an tell God,
 ‘Okay fo let um go! No need fo him go down inside da Deep Dark Hole!
 I wen find da way fo get him outa trouble.’
- 25 Den da guy dat was sick,
 His body goin come new jalike one small kid.
 Jalike wen he was young.
- 26 He tell God wat he need, an God like um cuz he do dat.
 He come in front God, an yell cuz he stay good inside.
 God bring him back
 Fo him get um right wit God, jalike befo time.
- 27 Den da guy go in front erybody an tell,
 ‘I wen do bad kine stuff.
 I wen jam up wat stay right.

- But God neva punish me fo pay me back!
 28 God wen pay da price,
 So I no need go inside da Deep Dark Hole!
 An I goin stay alive fo see da light!’
- 29 “Fo real, God do all dis fo one guy.
 He even do um two-three time.
 30 He do um fo bring back da guy from da Deep Dark Hole.
 Fo him live fo real kine
 Jalike da light shine on top him.
- 31 “Kay den, Job! lissen good!
 No talk! I da one goin talk.
 32 If you get someting fo tell, den tell me.
 Tell me, cuz I like show peopo you get um right.
 33 But if you no mo notting fo tell,
 Stay quiet, an I goin teach you
 How fo know wat fo do erytime.”

34

Elihu Still Tink Job Do Wass Wrong

- 1 Den Elihu tell:
 2 “Eh, you guys dat know wat fo do erytime! Lissen wat I tell.
 Eh, you guys dat wen learn plenny! Lissen up!
 3 Cuz us guys tes wat we hear,
 Jalike oua tongue taste wat we eat.
 4 Good, us guys make up oua mind
 Bout wat stay right bout wat Job tell.
 Good, us guys learn togedda da part dat stay good.
 5 Cuz Job tell, ‘No matta I neva do notting wrong,
 Still yet, God take away my rights!
 6 No matta I neva do notting wrong,
 He ack jalike I bulai.
 No matta I neva go agains him,
 Az jalike he shoot one arrow fo hurt me,
 An no mo notting goin make me come mo betta.’
 7 No mo nobody jalike Job!
 Easy fo him talk bad bout God,
 Jalike easy fo him drink watta.
 8 He get bad guys fo his frenz.
 He hang out wit da kine guys dat do wass wrong.
 9 Cuz Job tink, ‘Wase time,
 Fo try make God stay good inside bout one guy.’
- 10 “Az why you gotta lissen me, you guys dat undastan plenny!
 No ways God goin do someting bad!
 No ways Da God Dat Get All Da Powa goin do wass wrong!
 11 ☆Cuz God pay peopo fo wat dey wen do.
 He make tings happen to erybody
 Dat go wit wat dey wen do, good o bad.

- 12 Fo shua, God no goin do wass wrong!
 Da God Dat Get All Da Powa,
 No ways he jam up wass right!
- 13 Who wen pick God fo stay in charge a da earth, aah?!
 Who make him da main One ova da whole world?!
 Nobody!
- 14 If he make plan fo take back his Spirit an his breat,
 15 Den all da peopo goin mahke togedda.
 Fo come dirt one mo time.
- 16 “Eh Job! If you undastan stuff, den hear dis.
 Lissen wat I tell.
- 17 Somebody dat hate fo do wass right,
 You tink dey can be leadas?
 You goin poin finga da Strong One dat erytime do wass right?
- 18 He da One dat tell king guys, ‘You guys worth notting!’
 An he tell da alii guys, ‘You guys do bad kine stuff!’
- 19 He no make mo betta to one prince den he make to anodda prince.
 He no make mo betta to da rich peopo den he make to da pooa peopo.
 Cuz he wen make all dem.
- 20 Maybe some a dem mahke right den an dea, in da middo a da nite.
 God shake up da regula kine peopo an dey pass away,
 An da ones dat get powa, dey gone awready.
 He take away da strong guys,
 An az God, not da peopo, dat take um away.
- 21 “God see eryting da peopo do.
 He see ery step wea dey walk.
- 22 Da peopo dat make trouble no can hide
 In dark places, o unda dark shadows.
- 23 God no need put one spesho time
 Fo peopo come in front him fo judge dem.
- 24 He no need aks question bout da high makamaka guys.
 He know awready wat dey wen do, so he jus smash um,
 An put odda guys in dea place.
- 25 Az cuz God know eryting dey wen do.
 So he throw um out nite time
 An dey all come smash up.
- 26 He wack dose high makamaka guys cuz a da bad kine stuff dey do.
 He wack um wea erybody can see um.
- 27 He punish um cuz dey tell ‘Laytas’ to him.
 Dey no even tink bout da way he do tings.
- 28 Da bad guys make da peopo dat no mo notting yell loud fo God help um.
 Wen da pooa peopo yell fo help, God lissen!
- 29 But if God stay quiet, nobody goin poin finga him.
 If he hide his face, nobody can find him.
 Still yet, he stay in charge a da peopo an da nations same same.
- 30 He do dat fo no let nobody make jalike he one king,
 Dat ack jalike God no matta,
 Cuz God no goin let nobody trap da peopo.
- 31 “Cuz maybe some guy tell God,

- 'I get da blame awready,
 But I no goin do no mo wat you no like.
 32 Show me wat I wen do wrong but I no can see um.
 If I wen do someting wrong, I no goin do um one mo time.'
 33 Eh Job! You figga God suppose to pay you good, da way you see um,
 No matta you tink az no good wat God tell?!
 You da one gotta make up yoa mind, not me!
 So tell wat you tink!
- 34 "Get peopo dat undastan plenny stuff.
 Get guys dat know wat fo do erytime.
 Wen dey hear me, dis wat dey goin tell me:
 35 'Job, he talk, but he donno notting.
 An he no undastan notting!'
 36 Me, I like fo Job get one tes to da max in front one judge,
 Cuz he ansa God jalike he one a da kine guys dat do wass wrong!
 37 Cuz he do mo plenny bad kine stuff an go agains God too.
 He ony make fun a God in front us guys!
 He grumble bout God mo an moa!"

35

Elihu Talk Moa

- 1 Den Elihu tell,
 2 "Eh Job! You tink az right,
 Fo you tink you mo right den God?
 3 But you erytime aks God, 'How dat goin help you, God?
 An wat good ting goin happen to me if I no do notting bad?'
- 4 "I like ansa wat you tell,
 An I like tell yoa frenz too:
 5 Look at da sky!
 Look good at da clouds high ova you.
 6 *If you do someting bad, wat goin happen to God cuz a you? Notting.
 An if you go agains him plenny times, wat you do to him? Notting.
 7 If you do wass right, how dat help him?
 O wat he get from you? Notting!
 8 If you do bad kine stuff, dat ony hurt odda guys jalike you,
 An wen you do wass right, dat ony help odda peopo, not God!
- 9 "Peopo yell fo help wen dey stay unda plenny presha.
 Dey beg fo help cuz get plenny peopo wit powa.
 10 But wen dey yell lidat, nobody aks, 'Wea God stay, da One dat make me?
 Cuz him da One dat gimme songs nite time.
 11 Him, da One dat teach us guys mo den he teach da animals on top da
 earth,
 An make us know mo betta wat fo do, den da birds inside da sky.'
 12 Wen dose bad peopo yell fo help,
 Az wen God no do notting.
 Cuz dey do bad kine stuff an dey get big head.
 13 Fo shua, God no goin lissen dose guys,

✧ 35:6 35:6: Job 22:2-3

Cuz wat dey tell, no mean notting.
Da God Dat Get All Da Powa, he no goin wase time wit dat.

- 14 “Az why, Job, even mo God no goin lissen,
Wen you tell dat you no can see him!
An he da judge dat goin tell if you right o wrong,
An you gotta wait fo him.
15 An one mo ting: you tink dat wen God come huhu, he no punish nobody?
An if somebody do bad kine stuff, no bodda him!
16 Job, he open his mout an talk,
But wat he tell no mean notting!
He talk talk talk,
But he donno wat he stay talking about.”

36

Elihu Talk Moa

An I goin help you fo undastan
Dat still yet get plenny mo stuff I gotta tell fo God.
3 I bring wat I know from far away.
I goin show dat da One dat wen make me,
Do da right ting erytime.
4 Fo shua dat I no bulai wen I tell you dis.
I one guy dat fo shua know wat I know, an I stay wit you.
5 “Eh! God get powa, but he no tink dat peopo no good.
He get powa, an he stay shua wat he plan fo do.
6 God no let da bad kine peopo stay alive long time.
But he give da peopo dat get hard time da rights dey suppose to get.
7 God no hold back from watch
Fo da peopo dat do da right kine stuff
Fo proteck dem.
He put dem on top thrones jalike dey kings foeva,
An make dem come real importan.
8 But maybe dose peopo come prisonas, all tie up wit leg chains.
An maybe peopo make dem suffa.
9 Den God goin let um know wat dey wen do—
Dat dey do bad kine stuff
Cuz dey big head.
10 God make dem lissen wen he teach dem
How dey gotta change.
He tell dem fo tell ‘Laytas’ to da bad stuff.
11 If dey lissen an go work fo God,
Den dea life goin come good fo dem.
Dea las year, nice tings goin happen to dem.
12 But if dey no lissen,
Dey goin get kill wit swords.
Dey goin mahke cuz dey neva learn notting.
13 “Da peopo dat ack jalike God no matta,
Dey stay piss off inside but dey no say notting.

- Even wen God tie um up, dey no call out to him fo help.
- 14 Dey mahke wen dey still young.
 Dey live shame kine wit da guys dat fool aroun fo pay
 Inside da temples fo da idol kine gods.
- 15 Wen peopo suffa, God use dat fo pull dem outa dea trouble.
 Wen dey stay suffa, az wen he let dem hear him.
- 16 “Fo shua, Job, God make you fo you like get away from trouble.
 Az cuz he like bring you inside one place fo you move aroun.
 He like you res by yoa table dat get plenny good food.
- 17 But now, Job, dis da ony ting you tink bout:

 Da Judge goin make shua he punish you.
- 18 But make shua dat nobody give you stuff dat cost plenny,
 Fo make you do wass wrong.
 No let plenny unda da table money
 Make you go off track.
- 19 You wen get all kine stuff dat cost plenny.
 You tink all dat goin make da trouble go way, o wat?

21 Da One In Charge, he hear

 How da snake can go on top one big rock?
 How da big boat can go inside da middo a da deep ocean?

An da numba four ting dat I no can undastan, cuz I donno:

²⁰ An I no undastan dis too:

How one wahine can fool aroun behind her husban back,
 Den jus go bafe fo come clean,
 An she tink, "Eh, I neva do notting wrong!"

21 Get three tings dat hard fo peopo handle, all ova da world:

23 Wen one ol wahine dat erybody no like find one husban,

An numba four, dat nobody in da world can handle,

Wen one slave wahine take ova da house from da lady she work fo!

32 If you do stupid kine stuff

An ack jalike you importan,

O if you tink real hard bout how fo do someting bad,

You betta stop it right now!

33 You put milk in one bag an put presha,

You get sof cheese.

You squeeze yoa nose an put presha,

You get one bleed nose.

You put presha on one guy an make um mad,

You get one fight!

Wat King Lemuel Learn From His Muddah

¹ Had one king, his name Lemuel. Dis some tings he tell, da same heavy kine stuff his muddah teach him fo make um come good. She wen tell um:

² “My bebe, you lissening o wat?

I wen born you, cuz I wen make one strong promise to God.

³ You strong, but no go wase yoa time fooling aroun wit da wahines,
Da kine wahines dat can jam up king guys.

⁴ “No good, Lemuel, no good fo king guys wen dey go drink wine.

No good, wen da govmen leada guys go drink up da beer.

⁵ Bumbye wen dey drink, dey foget bout da rules from long time befo,
An dey change um so da rules no good fo da peopo dat suffa plenny.

⁶ Good, you can go give beer to da almos mahke kine peopo.
Good, you can go give wine to da kine peopo dat suffa plenny all da
time an no can handle.

⁷ Dey can suck um up,
Fo bumbye foget dat dey no mo notting,
An dey no need tink too much bout all da kine trouble dey get.

⁸ “Go talk to da judge fo da peopo dat need help fo tell good kine wat dey
gotta tell.

Fo make shua da hard luck peopo still get dea rights.

⁹ ‘Open yoa mout an judge da right way.
Make shua da peopo dat no mo notting
An da ones dat stay suffa get dea rights.’ ”

Da Bestes Kine Wife

¹⁰ Da good kine wahine dat stay strong inside,
Wea you can find dat kine wife?
Her, worth way mo den plenny ruby stones.

¹¹ Da husban, he know he can trus her.
Wit her, he no need notting.

¹² Cuz a her, good kine tings goin happen to him all da time,
An not bad kine tings.

¹³ She go all ova da place
Fo buy da bestes kine stuff fo make clotheses.

She buy da wool fo make yarn, an thread fo make linen.
She feel good wen she make stuff wit her hands.

¹⁴ She go out, bring back food from far place,
Jalike da big kine boats dat bring stuff from all ova.

¹⁵ Still yet dark, wen she get up,
She get out da food an give um to erybody inside da house.
She tell da helpa girls wat dey gotta do fo dat day.

¹⁶ She make one plan bout wat fo do with some land she see,
An den she go buy um.
She use her money fo plant one grape farm.

¹⁷ She make ready fo go work,
She stay strong, az why she can do eryting.

¹⁸ She make shua she goin make good money
Cuz she check um out all da time.

Az why she work nite time
An no pio da light till late.

- 19 In one hand she get da stuff fo make da thread,
She use da odda hand fo turn da stick fo twis da thread.
- 20 She put out her hands fo show her aloha
Fo help da peopo dat no mo notting.
An fo help out da peopo dat stay suffa.
- 21 Wen get snow, she no need worry bout nobody inside her house,
Cuz all dem get da bestes kine warm clotheses.
- 22 She make fancy kine cova fo make da bed look nice.
She ony wear good kine linen clotheses, an purple kine jalike one
queen.
- 23 In da place wea all da importan guys hang out,
Da older leada guys fo dat whole place,
Dey know da husban
Cuz he one a dem.
- 24 She make da fancy kine linen cloth fo sell
An belts fo da store guys fo sell.
- 25 Wen you look at her, you can tell awready
She stay strong inside
An peopo get plenny respeck fo her.
Wen peopo tell her bad stuff goin happen bumbye,
She ony laugh, cuz she no sked.
- 26 Wen she talk, she show dat she know wat fo do erytime.
Wen she teach, she show aloha erytime.
- 27 She watch eryting dat stay go on inside her house,
Fo make shua eryting stay good.
She no suffa jalike da lazy kine peopo.
- 28 Da kids go tell erybody, "Oua muddah,
She erytime do good tings!
Az why she stay good inside."
Her husban, he tell erybody she da bestes too.
- 29 He tell: "Get plenny wahines dat come strong inside,
But you, you mo betta den all a dem!"
- 30 Get wahines dat talk nice to you,
But az all bulai.
Get wahines, dey good looking,
But fo ony short time.
Da kine wahine dat stay sked fo no do wat Da One In Charge tell,
Az good, erybody tell good tings bout her.
- 31 Good you guys give her plenny good stuff
From all da hard work she do!
Good all da importan peopo from ery place, tell how awesome she stay,
Cuz dey know bout all da stuff she do!

Da Teacha Ecclesiastes

No Make Sense

- ¹ Dis wat da Teacha tell. His faddah, David, da king inside Jerusalem.
- ² Da Teacha tell,
 “No make sense!
 No make sense!
 Fo shua eryting no make sense!
 No mo notting make sense!
- ³ “From all da stuff anybody do,
 No matta dey stay bus ass in da sun.
 Wen pau, wat goin get from all dat?
- ⁴ One generation come, an anodda generation go,
 But da earth stay foeva.
- ⁵ Da sun come up an da sun go down one side,
 An fas come up da odda side!
- ⁶ Da wind blow from one side,
 Den turn aroun an blow from da odda side,
 Ova an ova.
- ⁷ All da streams go to da ocean.
 But da ocean level no go up.
 Da watta go back da place
 Wea come from befo time.
- ⁸ All dis kine stuff dat happen ova an ova,
 An stay boring,
 Cuz get way mo stuff fo talk bout,
 Way mo fo see an hear.
- ⁹ Wateva happen, goin happen one mo time.
 Wateva somebody do, somebody goin do um one mo time.
 No mo notting new unda da sun!
- ¹⁰ Peopo tell,
 ‘Look! I get someting new fo tell!’
 No ways! Da ting was hea awready,
 From long time befo time.
 Was hea even befo us guys born.
- ¹¹ Nobody rememba da peopo dat live long time befo time.
 An same ting fo da peopo dat goin come bumbye:
 Da peopo dat goin come afta dem, goin foget dem too.”

No Can Undastan How Fo Know

Wat Fo Do Erytime

- ¹² Da king ova da Israel peopo inside Jerusalem, dass me, da Teacha.
- ¹³ I make up my mind fo study, an fo try see if da stuff work dat da peopo dat know wat fo do erytime tell. I do dis cuz I like figga out eryting peopo do unda da sky. God give erybody one real hard job fo do, az why!
- ¹⁴ I wen see eryting da peopo do unda da sun. An you know wat?! Eryting hard fo undastan! Jalike erybody stay try catch da wind!

- ¹⁵ Get tings dat stay kapakahi,

An no mo nobody can make um come strait.
An tings dat no moa,

No can count dem too!

¹⁶ ✨ I wen figga lidis, “Eh! From small kid time, I wen learn wat fo do erytime, mo den any odda king dat wen stay in charge inside Jerusalem befo me. I know plenny stuff, an I know plenny bout wat fo do erytime.”

¹⁷ Den, I make up my mind fo undastan wat “fo know wat fo do erytime” mean, wat “fo ack pupule” mean, an wat “fo ack stupid kine” mean. But wen I find out wat all dat stuff mean, jalike I stay try fo catch da wind too.

¹⁸ Cuz wen somebody know wat fo do erytime,
Dat mean dey goin hurt mo plenny inside.
Mo stuff somebody know,
Mo dey come sore inside.

2

*Fo Ony Try Feel Good Erytime,
Dat No Mean Notting Too*

¹ I wen tink lidis: “Now, I goin try tes dis! I goin see wat make me feel good inside. I goin ony try fo feel good inside.” But I ony find out, dat no make sense too.

² I tell, “Wen I laugh, az stupid! An wen I feel good inside, wat fo?”

³ I wen try fo feel good from suck um up da wine. I try find out wass goin happen if I do stupid kine stuff. (But same time, I make shua my head show me erytime wass da bestes ting fo do.) I like fo find out wass good fo da peopo do, cuz ony short time dey live hea unda da sky.

⁴ ✨ Den I wen do big projects fo see wat happen. I build big houses fo me. I plant grape farms fo me.

⁵ I make gardens an parks fo me, an plant all kine fruit trees inside um.

⁶ I make big ponds fo me fo give watta fo da trees an make um grow.

⁷ ✨ I wen buy boy an girl slaves, an get odda slaves dat born fo me inside my house. An I own mo cows, sheeps, an goats den anybody befo me inside Jerusalem.

⁸ ✨ I pile up plenny silva an gold stuffs fo me, an I get da rich kine stuffs from odda kings an odda districks. I get guys an wahines fo sing, an plenny wahines fo come my odda wives—enuff fo make one guy feel real good inside.

⁹ ✨ Fo shua I come mo importan den anybody befo me inside Jerusalem. All dat time I wen know wat fo do erytime.

¹⁰ I neva hold back fo get someting I like get.

I neva hold back fo get good fun.

I stay good inside from all da work I do!

Dass da pay I get fo all my work!

¹¹ But wen I look eryting I get, from wat my hands stay do,

An wat I work fo get,

You know wat?!

No make sense all dat—jalike I stay chase da wind!

I no mo notting unda da sun dat goin las!

✨ **1:16** 1:16: 1Kings 4:29-31 ✨ **2:4** 2:4: 1Kings 10:23-27; 2Rec 9:22-27 ✨ **2:7** 2:7: 1Kings 4:23

✨ **2:8** 2:8: 1Kings 10:10, 14-22 ✨ **2:9** 2:9: 1Rec 29:25

*No Make Sense If You Know**Wat Fo Do Erytime O If You Stupid*

¹² Den I change my mind. I start fo tink bout wat “fo know wat fo do erytime,” mean, wat “fo ack pupule” mean, an wat “fo ack stupid kine” mean.

You tink da nex king can do someting
Dat dis king neva do awready?!
No ways!

¹³ Dis wat I wen see:
Az mo betta know wat fo do erytime,
Den stay stupid.
Jalike mo betta light den dark.

¹⁴ Da guy dat know wat fo do erytime
Get eyes dat see stuff.
But da stupid guy, jalike he walk in da dark.

But I tink dis too:
Dat da two a dem goin come out same same!

¹⁵ Den I tink lidis:

“Me an da stupid guy goin come out same same!
Den wat good I goin get outa dat, dat goin las long time,
Jus cuz I know wat fo do erytime?”

Den I tell,
“Dis no make sense too.”

¹⁶ No mo nobody goin rememba da guy dat know wat fo do erytime,
An same ting fo da stupid guy.

Bumbye, erybody goin foget da two a dem.
Jalike da stupid guy an da guy dat know wat fo do erytime goin mahke too!

Work No Mean Notting

¹⁷ Az why I tink, “Poho, dis life!” Cuz da stuff peopo do unda da sun, bodda me plenny! No mo notting make sense. Jalike us chase da wind!

¹⁸ I tink, “Poho, eryting I wen work fo unda da sun. Cuz I gotta leave um fo da guy dat goin come afta me.

¹⁹ An who goin know if dat guy know wat fo do erytime, o if he one stupid kine guy? All dis no matta fo shua cuz da guy goin stay in charge a all da tings dat I work real hard fo, an all da tings I learn how fo do unda da sun.” Dis no make sense too.

²⁰ So I come all bum out cuz I tink bout da hard work I wen do unda da sun.

²¹ Cuz if somebody do dea work an know wat fo do erytime, an know plenny, an know how fo do stuff real good, den dey gotta leave all da stuff dey own fo somebody dat neva work fo get um. Dis no make sense too. An come out bad too.

²² Wat get fo all da work an worry dat somebody do unda da sun?

²³ ✧ Ery day gotta work an suffa an stay sad inside, an even nite time my head get plenny stuff fo tink bout an no can res. Dis no make sense too.

²⁴ ✧ So den, da bestes ting fo do, go eat, go drink, an stay good inside bout hard work! No mo notting mo betta. I see dass jalike one present from God too.

²⁵ Cuz no mo nobody eat o stay good inside if God no help um.

²⁶ ✨If somebody do stuff dat make God stay good inside, God goin make dem know wat fo do erytime, know plenny, an stay good inside. But fo da guy dat do bad kine stuff, God give um da job fo ony stack up plenny stuffs, fo dem give um to some odda guy dat make God stay good inside. Dis no make sense too. Dey ony stay chase da wind.

3

Get One Time Fo Eryting

¹ Get one time fo eryting

Da peopo do unda da sun.

² One time fo born

An one time fo mahke.

One time fo plant

An one time fo pull up wat you plant.

³ One time fo kill peopo

An one time fo make peopo come good.

One time fo bus up

An one time fo build.

⁴ One time fo cry

An one time fo laugh,

One time fo stay sad inside

An one time fo dance.

⁵ One time fo scatta stones

An one time fo bring um in.

One time fo hug

An one time fo no hug.

⁶ One time fo look fo someting

An one time fo give up look fo someting.

One time fo keep

An one time fo throw way.

⁷ One time fo broke someting

An one time fo sew um togedda.

One time fo no talk

An one time fo talk.

⁸ One time fo love

An one time fo hate.

One time fo make war

An one time fo make eryting pono.

⁹ So den, wat da worka guys goin get fo da work dey do? You tink dat goin stay long time, o wat?!

¹⁰ I see wat God give peopo fo do.

¹¹ He make eryting happen jalike suppose to happen, fo da time wen suppose to happen. He make peopo tink bout wat maybe goin happen bumbye, but dey no can undastan eryting dat God stay do from da start till da end.

¹² I know fo shua no mo notting mo betta fo peopo den fo stay good inside an do good kine stuff all da time dey stay alive.

¹³ Wen erybody eat an drink an stay good inside bout dea work, az one present from God.

¹⁴ I know fo shua eryting God do goin stay foeva. No mo nobody can add notting to um, an no mo nobody can take notting away from um. God do dis fo peopo show respeck fo him.

¹⁵ Wateva stay, awready wen stay.
Wateva goin stay, awready wen stay befo time.
An God make happen tings dat wen happen befo time, ova an ova.

¹⁶ An I see anodda ting unda da sun.
Get judge guys dat tell wat stay right an wat stay wrong,
Even dea, get bad kine stuff dat happen!
Get peopo dat stay do wass right,
Even dea, get bad kine stuff dat happen!

¹⁷ I wen tink lidis:
"God goin judge da peopo dat do wass right, an da peopo dat do wass wrong.
Cuz get one bestes time fo do eryting,
One time fo eryting dat happen."

¹⁸ Az why I tink lidis too: "God tes peopo, fo show um dat dey stay jalike da animals.

¹⁹ Wat goin happen to da peopo an da animals, same ting! Jalike peopo mahke, da animals mahke. Dey all breave da same. Peopo not mo betta den da animals! All dat no mean notting. An no make sense!

²⁰ Dey all go da same place. All a dem come from da dirt, an all a dem go back to da dirt.

²¹ You tink da peopo spirit go up, an da animal spirit go down inside da earth, o wat?!

²² "Az why no mo notting mo betta, den fo peopo do dea work an stay good inside, cuz az why dey stay hea. No mo nobody can make dem see wat goin happen to dem bumbye!"

4

Presha

¹ I look one mo time, an I see all da presha dat some peopo put on top odda peopo unda da sun.

I see peopo cry, da ones get presha on top dem.
No mo nobody fo help dem come so notting bodda dem.
Da guys dat put presha on top dem get plenny powa.
No mo nobody fo help dem come so notting bodda dem.

² An I tink dat da peopo dat stay mahke awready
Stay mo good inside den da peopo dat stay alive still yet.

³ But da guy dat not born yet,
Mo betta den da two a dem.
Cuz he no see da bad kine stuff
Da peopo stay do unda da sun.

Work

⁴ An I stay tink bout all da hard work an eryting dat peopo stay do. An how come dey do um? Fo shua, cuz one guy tink he do someting mo betta den some odda guy do um. Dat no make sense too. Dey chase afta da wind.

⁵ Peopo tell:

Da stupid guys no work notting.

Wen dey do dat, dey ony come hamajang.

⁶ Mo betta get one one hand full a stuff, an can res,

Den get two hand full a stuff,

But da kine work you gotta do fo get um,

You ony stay chase da wind.

Wen No Mo Frenz

⁷ One mo time I see someting unda da sun dat no make sense.

⁸ Get one guy dat no mo nobody by him.

He no mo boy an no mo braddah.

He work all da time.

But he no stay good inside wit wat he get.

He start fo tink lidis: "How come I stay work dis hard?!"

How come I no do notting dass good fun?!"

Dat no make sense!

Ony poho, aah?!"

⁹ Two mo betta den one.

Cuz dey work mo betta wen dey togedda.

¹⁰ If one fall down,

His fren can help um up.

But Bummahs fo da guy dat fall down,

An no mo nobody fo help um up!

¹¹ An if two peopo lay down togedda, dey goin stay warm.

But how one guy goin stay warm if jus him?

¹² Somebody can attack anodda guy an win,

But dey no can win ova two guys.

You no can broke one rope

Dat get three strand.

Maybe One Young Guy

Da Winna

¹³ If get one young guy dat no mo notting, but he know wat fo do erytime, dat guy mo betta den one ol king dat no lissen wen somebody tell um wass da bestes ting fo him do.

¹⁴ Maybe da young guy come outa prison an layta come da king. O maybe da one dat born fo come king no mo notting, but still yet he come king.

¹⁵ But I see dis too: I see dat erybody dat live an do stuff unda da sun stay tight wit anodda young guy unda da sun.

¹⁶ An no can count da odda peopo dat come befo o afta da young guy, dat no tink he do one good job. All dat no make sense too. Dey chase da wind.

5

Know How Awesome God Stay

¹ Wise up how you ack wen you go da Temple Fo God. Go come close fo lissen good, an no make stupid wen you make one sacrifice! Cuz da stupid guys donno az bad wat dey do.

² No talk befo you tink!

No rush fo tell someting wen you stay in front God.

God stay in da sky,
 An you stay on top da earth.
 So talk ony litto bit!

³ Jalike wen you get too much stuff dat bodda you, you goin get bad dreams,
 Same ting, wen you talk too much, you goin talk stupid kine.

⁴ ✧ Wen you make one strong promise to God, no wait long time fo do wat
 you wen promise fo do. Da tings stupid peopo do, no make God stay good
 inside. Az why, go do eryting you wen promise fo do.

⁵ Mo betta fo no make one strong promise, den fo make um an no do
 um.

⁶ No let yoa mout make you do bad kine stuff. An no tell da Temple
 messenja guy, "Was one mistake, I wen make dat strong promise!" No
 good, God come huhu cuz a wat you tell! An no good, he wipe out da tings
 you wen make wit yoa hands!

⁷ Wen you dream plenny an talk plenny, all dat no make sense. Mo betta
 get plenny respeck fo God!

Da Rich Kine Stuff No Make Sense

⁸ If you see dat da peopo dat no mo notting get presha from da govmen,
 an somebody take away dea rights, an da judge no do da right kine ting fo
 dem, no drop yoa jaw! Cuz one leada guy get anodda leada dat back him
 up, an da two a dem get odda leadas fo back um up too.

⁹ Get plenny stuff come from da land, an erybody get one cut from um,
 even da king!

¹⁰ Whoever get plenny love fo money, no goin get enuff money!
 Whoever like rich kine stuff, no matta how much dey get, no goin make
 dem stay good inside!
 An all dat stuff no make sense too.

¹¹ Wen get mo an mo stuffs,
 Get mo an mo peopo fo use um up.
 Dey no help da guy dat own da stuffs,
 Cuz he ony can look wat he get.

¹² Wen one worka guy sleep, he stay good,
 No matta he grind ony litto bit o plenny.
 But wen one rich guy get plenny stuff,
 Dat no let him sleep good.

¹³ I wen see someting real bad unda da sun,
 Somebody pile up plenny stuffs dey get ony fo dem,
 But dat ony hurt um bumbye.

¹⁴ Cuz dey lose all dea nice kine stuff cuz someting bad happen to dem.
 So if dey get one boy, bumbye no mo notting lef fo him.

¹⁵ ✧ Erybody come outa dea muddah naked.
 An afta dey mahke, dey naked one mo time.
 Dey no take notting from wat dey wen make.

¹⁶ An dis one real bad ting
 Dat make you sick fo tink bout um:

Cuz erybody come jalike dey go—

Naked, wit notting!

Wat dey goin get fo dat?

Dey bus ass, but all dey goin get, jalike da wind.

¹⁷ All dea life, dey stay in da dark.

Dey stay futless, dey get hard time, an dey stay huhu.

¹⁸ But you know wat?! I see one ting dass good. Az good fo peopo eat an drink, an stay good inside bout dea hard work unda da sun. All da time dey stay alive, da short time God give um, dass wat dey get.

¹⁹ An God give some peopo rich kine stuff, an let dem stay good inside bout um. If dey take wat dey get an stay good inside bout da work dey do, az one present dat God give dem.

²⁰ Dat kine peopo almos no need fo tink bout how long dey goin stay alive cuz God make um feel plenny good inside, all da time.

6

Wass Good Fo Peopo

¹ I see anodda bad kine ting unda da sun dat put plenny presha on peopo.

² God give peopo rich kine stuff, odda stuff, an one good name. Dass how dey get eryting dey like. But maybe God no let um feel good bout da stuff dey get. Den goin get one guy from anodda place goin get um. An dass da guy goin stay good inside bout da odda guy stuffs. But all dat no make sense! Make you sick fo tink bout um.

³ Maybe one guy get hundred kids an live long time. But if he no stay good inside bout da good tings he get, an peopo no show respect wen dey bury him, den no matta how long da guy stay alive. Dis wat I tink: One bebe dat mahke awready wen he born, stay mo betta den da guy.

⁴ Wen dat mahke bebe born, no make sense. He go way in da dark, an his name stay cova ova in da dark.

⁵ Da mahke bebe no see da sun eva, an donno notting. But he get mo res den da guy dat get eryting—

⁶ An even if da guy dat get eryting stay alive fo two tousan year, dat no mean he stay good inside bout his stuffs. Cuz wen dis guy an da bebe mahke, dey goin go da same place erybody go!

⁷ All da hard work peopo do, az fo give dem food fo eat.

But dey no mo enuff.

⁸ One guy dat know wat fo do erytime

Not mo betta den one stupid guy!

If one guy dat no mo notting know how fo ack in front odda peopo,

How dat goin help him?

⁹ Stay good inside bout da stuff you see.

Az mo betta den tink bout da nice tings you no moa.

Wen you tink bout nice tings you no mo, no make sense.

Az jalike you chase da wind.

¹⁰ Wateva get, awready get one name,

An erybody know how peopo stay.

An nobody can make argue

Wit somebody dat argue mo betta den dem.

¹¹ Cuz if you argue plenny,

No goin make sense.
Wat good dat goin do?!

¹² So who know wass good fo peopo do all da time dey stay alive? Dey ony get short time fo live, jalike one shadow dat no stay long time, an dat no make sense. An who can tell dem wat goin happen unda da sun afta dey mahke?

7

Da Guy Dat Know Wat Fo Do Erytime

- ¹ ✧ If you get one good rep, az mo betta den you get good perfume.
Da day you mahke stay mo betta den da day you born.
- ² Mo betta go visit one house wea da peopo make one funeral,
Den visit one house wea dey make one party,
Cuz erybody goin mahke bumbye.
Good, da peopo dat stay alive tink serious kine bout dis.
- ³ Mo betta stay sad inside den laugh,
Cuz one sad face make you tink strait!
- ⁴ Da peopo dat know wat fo do erytime like go da place wea peopo stay sad inside.
But da stupid guys like go da place wea peopo ony like get good fun.
- ⁵ Mo betta lissen wen somebody dat know wat fo do erytime scold you.
Den lissen wen da stupid guys sing.
- ⁶ Wen da stupid guys laugh,
Az jalike wen thorn branches pop inside one fire.
Dat no make sense too.
- ⁷ If one guy dat know wat fo do erytime scam somebody, goin make him come stupid.
If he put presha on anodda guy fo give him money unda da table, dat goin jam up how he stay inside.
- ⁸ Wen someting pau, az mo betta den wen start.
Wen you hang in dea, az mo betta den get big head.
- ⁹ ✧ No come huhu fas, aah?!
Cuz dass how da stupid guys stay inside.
- ¹⁰ No go tell, "How come eryting wen stay mo betta befo time den now?"
If you tell dat, ony show you donno wat fo do erytime.
- ¹¹ Good fo know wat fo do erytime,
Jalike az good get property from yoa faddah.
Dat two tings make eryting come out mo betta fo da peopo dat live unda da sun.
- ¹² Wen you know wat fo do erytime,
Az jalike one roof ova yoa head.
An money, az jalike one roof ova yoa head too.
But fo know plenny stuff stay mo betta,
Cuz da guy dat know wat fo do erytime,
Dat goin make him stay alive long time.

¹³ Tink bout wat God wen do:

✧ **7:1** 7:1: Smart 22:1 ✧ **7:9** 7:9: James 1:19

- No can make strait
 Wat God wen make kapakahi!
- 14 So wen eryting go good, stay good inside.
 But wen eryting go bad, figga lidis:
 God make good tings an bad tings happen.
 Az why no mo nobody can figga wat goin happen bumbye.
- 15 All dis time I live, no make sense.
 But I see two tings:
 Get guys dat stay do da right kine ting erytime an dey mahke.
 An get guys dat stay do bad kine stuff an dey live long time.
- 16 No go ack jalike you do da right ting mo den anybody.
 An no go ack jalike you know wat fo do erytime mo den anybody.
 You like wase yoa life, o wat?!
- 17 No go ack mo bad den anybody.
 No go make stupid kine.
 You like mahke befo yoa time fo mahke, o wat?!
- 18 Mo betta you hang in dea an do da right ting,
 An no do wass wrong.
 Da guy dat stay sked a God,
 He no goin try go too far.
- 19 One guy dat know wat fo do erytime
 Get mo powa den ten a da leada guys inside his town.
- 20 Get peopo all ova da world
 Dat do wat da Rules From God tell um fo do,
 But no mo even one a dem dat do wass right erytime,
 An no do notting bad eva.
- 21 No come bum out bout eryting peopo tell
 Cuz maybe you goin hear dat yoa worka guy talk bad bout you.
- 22 Cuz you know dat plenny time
 You wen talk bad bout odda peopo too.
- 23 All dis stuff I wen learn, I wen use eryting da smart guys know fo tes
 um.
 An I tink, "I goin know wat fo do erytime!"
 But still yet dass someting I no can handle!
- 24 Wateva dat mean fo know wat fo do erytime,
 Stay far away, an hard fo undastan.
 No mo nobody can find out wat dat mean!
- 25 So den I change my mind an try fo study stuff.
 I like learn mo, an find out wat fo do erytime, an figga out how come
 eryting happen.
 An I like know how come az stupid fo do bad kine stuff,
 An how come da stupid guys come pupule.
- 26 I find out dat wen get one wahine dat like make one trap,
 Dass mo worse den fo mahke.
 She tink how fo trap you,
 If she put her arms aroun you,

Goin be jalike you stay tie up wit chains.
 Da kine guy dat make God stay good inside
 Goin bag from her.
 But she goin catch da guy dat do bad kine stuff.

27 Da Teacha tell, "Look wat I wen find out:
 I put togedda one ting wit anodda ting
 Fo find out how come eryting happen,

28 Da time I wen stay look fo stuff fo learn,
 I neva find notting.

I ony find one guy outa tousan guys dat stay do da right ting.
 But I no find even one wahine outa all dem dat do da right ting.

29 Da ony ting I wen figga out, az dis:
 God make peopo fo do wass right,
 But dey look fo all kine scam."

8

1 So, wat you tink?! Get guys dat know fo real kine wat fo do erytime?!
 You figga get guys dat know wat tings mean, o wat?!
 One guy dat know wat fo do erytime, his face goin show dat,
 Cuz no goin look jalike he huhu.

Lissen Da King!

2 Dis wat I tell: Lissen wateva da king tell you fo do cuz you wen make
 one strong promise in front God fo do wat da king tell you fo do.

3 No rush fo leave wen you stay wit da king. No stay pono wit guys dat
 like do someting bad. Cuz da king goin do wateva he like do.

4 Wat da king tell, az wat goin happen. No mo nobody can tell um, "How
 come you do dat?!"

5 Whoeva do wat da king tell um fo do, no mo notting bad goin happen to
 dem.

Da guy dat know wat fo do erytime, he goin know wat he gotta do an
 wat time fo do um.

6 Get da right time an da right way fo eryting you like do,
 No matta you get plenny trouble too.

7 Nobody know wat goin happen bumbye.

Az why no mo nobody can tell anodda guy wass goin happen.

8 No mo nobody get da powa fo stop da wind.

No mo nobody get da powa fo figga wen dey goin mahke.

Jalike da leadas no goin let nobody go home wen get war.

Same ting, da bad kine stuff peopo do,

No goin get um outa trouble.

9 I see all dis stuff, an I tink bout eryting peopo stay do unda da sun. Wen
 peopo boss aroun odda guys, dat hurt da boss guys too.

10 I see peopo bury bad kine guys but dey show respeck fo dem wen da
 guys mahke. Az was bad guys dat wen come an go from da place dat stay
 spesho fo God. An da peopo talk good bout da bad guys inside da big town
 wea dey wen do bad stuff. All dat no make sense too.

11 Wen one guy do someting bad, an peopo no punish um right den an
 dea, da peopo goin figga dey can do all kine bad kine stuff too.

¹² Get bad guys dat do uku pile a bad kine tings, an still yet live long time, you know. But I know dis too: Da peopo dat stay sked a God, dey goin live mo betta den da bad kine guys cuz dey get choke respeck fo God.

¹³ But cuz da bad kine guys no stay sked a God, no mo notting goin go good fo dem. Dey no goin live long time, jalike dey one shadow.

¹⁴ Get anodda ting dat happen on top da earth dat no make sense: Get guys dat do wass right, but dey get punish jalike dey bad kine guys. An get guys dat do bad kine stuff, an dey get wat da guys dat do wass right suppose to get. Fo shua dat no make sense!

¹⁵ But me, I figga, az good fo erybody feel good inside. Cuz no mo notting mo betta den one guy unda da sun eat, drink, an stay good inside. No matta he work all da days God give um fo stay alive unda da sun, he goin stay good inside.

¹⁶ Wen I wen try fo undastan wat dat mean, fo know wat fo do erytime, an wen I try fo see da kine work peopo do in dis world—I no can sleep day time o nite time.

¹⁷ Den I see eryting dat God do. No mo nobody can undastan eryting dat happen unda da sun. No matta peopo try hard fo undastan wat happen, no can. No matta one guy dat know wat fo do erytime tell dat he undastan um, he no can undastan um fo real kine.

9

Same Ting Happen To Erybody

¹ So I tink bout all dis. From dat, fo shua God da One stay in charge a da peopo dat do da right kine stuff an know wat fo do erytime. But nobody know if peopo goin love um o hate um.

² Same ting goin happen to erybody—da peopo dat do wass right, an da peopo dat do wass wrong, da good guys an da bad guys, da ones dat can go in front Da One In Charge an da ones dat no can, da peopo dat make sacrifice, an da peopo dat no make sacrifice.

Wateva happen fo da guy dat do good kine stuff,

Same ting happen fo da guy dat do bad kine stuff.

Wateva happen fo da guy dat make one strong promise,

Same ting fo da guy dat stay sked fo make um.

³ Dis wat stay bad fo erybody unda da sun: Same ting happen fo erybody! Inside, peopo get fill up wit bad kine stuff, an dey ack stupid all da time dey alive. An afta dat, dey all mahke.

⁴ But anybody dat still yet stay alive still can trus God an wait. Even one dog dass alive stay mo betta den one mahke lion.

⁵ Da peopo dat stay alive know dat dey goin mahke,
But da mahke peopo donno notting.

Dey no goin get notting back,

An erybody goin foget dem.

⁶ No matta dey love, o hate,

O come jealous, all dat stuff pau wen dey mahke.

Dey no goin conneck wit notting dat stay happen unda da sun.

⁷ So eat yoa food an stay good inside. Drink yoa wine wit one good heart. Cuz God awready stay good inside bout wat you do.

⁸ Erytime, wear nice clotheses, an no hold back fo put olive oil on top yoa head.

⁹ Live good wit yoa wife dat you get love an aloha fo, all da time God give you unda da sun, no matta hard fo make sense. An bus ass unda da sun cuz az yoa kuleana unda da sun.

¹⁰ Wateva work you get, geev um wit all yoa powa! Cuz inside da Mahke Peopo Place wea you going, no can work, no can make plan, no can know stuff o know wat fo do erytime.

¹¹ I wen see anodda ting unda da sun too:
 Da mos fas guys no goin win da race erytime,
 An da mos strong guys no goin win da fight erytime.
 Da guys dat know wat fo do erytime, dey no mo food erytime,
 Da smart guys not rich erytime.
 Nobody show respeck erytime fo da guys dat know plenny.
 But dey all gotta chance um wen da right time come.

¹² Nobody know wen dey goin mahke.
 Az jalike wen peopo trap fish in one net,
 O snag birds inside one trap.
 Hard times catch peopo,
 Wen dey figga notting bad goin happen!

Mo Betta Know Wat Fo Do Erytime
Den Stay Stupid

¹³ An I see dis too unda da sun. I wen spock how one guy ack dat know wat fo do erytime. Da stuff I wen see was good:

¹⁴ Had one small town an ony litto bit peopo live inside um. An one strong king attack um, an put army guys all aroun um, an build big ramps fo go ova da top a da wall.

¹⁵ Inside dat town, had one guy dat no mo notting, but he know wat fo do erytime. Az how he get da town outa trouble cuz he know wat fo do. But no mo nobody rememba dat guy dat no mo notting.

¹⁶ Az why I tell, "Mo betta know wat fo do, den get one big army." But da peopo dea no show respeck fo da guy dat no mo notting, no matta he know wat fo do erytime. No mo nobody lissen now wat da guy tell.

¹⁷ Mo betta lissen wat da guys tell dat know wat fo do erytime,
 No matta dey no talk loud,
 Den lissen one leada fo da stupid guys, dat yell.

¹⁸ Mo betta know wat fo do erytime,
 Den get plenny stuff fo use fo make war,
 But one guy dat mess up one time
 Can wipe out plenny good kine stuff.

10

¹ Mahke flies make da perfume smell haunas.
 Same ting you do one litto bit stupid kine ting,
 Den nobody goin stay shua you know wat fo do erytime,
 An no mo nobody goin respeck you!

² Da guy dat know wat fo do erytime, he goin pick da right ting fo do,
 But da stupid guy goin pick da wrong ting fo do.

³ Even wen da stupid guy walk on top da road, he no mo one brain.
 He show erybody how stupid him.

- 4 If one leada guy come huhu wit you,
 No good you bag from yoa kuleana. No quit!
 One cool head can cool down da odda guy,
 Even wen dey jam up big time.
- 5 Get one bad kine ting dat I see unda da sun.
 Da guys dat stay in charge sometimes do wrong kine tings,
 But dey donno was wrong.
- 6 Dey give da stupid kine guys plenny importan jobs.
 Same time dey put da importan guys in da junk kine jobs.
- 7 I wen see da slave guys ride horse,
 An da prince guys walk aroun jalike dey slaves.
- 8 ☆ You dig one deep hole, maybe you fall inside um.
 You dig thru one wall, maybe one snake bite you.
- 9 You cut out stones, maybe da stones hurt you.
 You split wood, maybe da wood hurt you too.
- 10 If one ax not sharp,
 An nobody make um sharp,
 Den you gotta wack mo hard wit um.
 But if you know how fo use um, can use um.
- 11 If one snake bite you
 Befo da guy dat train snakes teach um fo no bite,
 Den da snake guy no goin earn notting.
- 12 Da guy dat know wat fo do erytime talk good kine,
 But da stupid guy mout make him come wipe out.
- 13 Wen da stupid guy start fo talk, he talk stupid kine.
 Bumbye he goin tell bad kine stuff an pupule kine stuff.
 14 An da stupid guy talk plenny.
- No mo nobody know wat goin happen.
 Nobody can tell wat goin happen afta dat.
- 15 All da stuff da stupid guy do,
 Make him come tired.
 He donno even how fo go town.
- 16 Bummahs fo you guys inside one country
 Dat get one guy dass too young fo be yoa king!
 An yoa prince guys pig out all day from morning time.
- 17 But you guys can stay good inside
 If you live inside one country dat get one king dat wen born fo come
 king,
 You guys stay good inside cuz yoa prince guys eat at da right time.
 Dey eat cuz dey like come strong, not pilot.
- 18 If one guy lazy, da raftas come weak.
 Cuz he no do notting, da rain drip inside da house.
- 19 Peopo cook food fo dem laugh,

An wine make peopo stay good inside, da way dey live.
An money take kea eryting!

- ²⁰ No even tink fo put kahuna on top da king, even inside yoa head.
No put kahuna on top da rich guys, even inside yoa bedroom.
Cuz maybe one bird goin carry yoa word
An tell dem wat you wen tell.

11

Can Know Some Things, But Not Eryting

- ¹ Peopo tell, "Ship yoa wheat ova da ocean,
Cuz afta long time, fo shua you goin get someting back fo dat."
² An peopo tell, "Share some stuff wit seven o eight peopo,
Cuz you donno wat kine bad ting goin happen in dis world."
³ Wen da clouds get plenny watta,
Fo shua dey pour rain on top da earth.
An no matta one tree fall down south side o north side,
Fo shua goin stay da place wea wen fall down.
⁴ Whoever watch da wind no goin plant notting.
An whoever look da clouds no goin harves notting.
⁵ You donno wea da wind goin blow.
An you donno how one bebe grow inside da muddah.
Same ting, you donno wat God stay do.
He da One wen make eryting.
⁶ Plant yoa seeds morning time.
Evening time, no stop work.
Cuz you donno if da morning stuff goin come good,
O da evening stuff,
O if da two goin come good.
Wen You Still Young, No Foget Da One Wen Make You
⁷ Good, da light, you know.
Peopo like see da light from da sun.
⁸ No matta how long one guy stay alive,
Good fo him stay good ery year.
But good fo him no foget da dark days too
Cuz goin get plenny dark days.
Eryting dat goin happen, no make sense!
⁹ You young guys, stay good inside wen you young.
Inside, yoa heart make you dance an sing.
Do wat you like do,
An see wat you like see.
But no foget, dat fo all dis stuff,
Bumbye God goin judge you.
¹⁰ So den, throw out da worries inside you.
No let pain in yoa body jam you up.
Cuz wen you stay young an get black hair, all dat still no make sense!

12

Da One Dat Make You

- 1 So all da time you stay young,
 No foget da One dat wen make you—
 Tink bout him befo da time come
 Wen you come ol an get trouble,
 An befo da time you figga,
 “No mo notting make me feel good inside no moa!”
- 2 Befo da sun an da light from da moon an da stars look dark cuz you ol,
 An da dark rain clouds stay come back fas afta da rain pau.
- 3 No foget da One dat wen make you,
 Befo da time come
 Wen da legs an arms dat take kea yoa house come ol an shaking,
 An da strong guys stay bend ova,
 Wen da teets dat grind da wheat quit,
 Cuz ony some a dem stay,
 An da eyes come dark fo da ones dat look thru da window,
- 4 Da ears no hear good,
 Jalike somebody shut da doors dat let da street noise come inside.
 Dey hear ony litto bit noise cuz dey grind ony litto bit wheat,
 Peopo wake up wen da birds start fo sing,
 But dey no hear da tunes good.
- 5 No foget da One dat wen make you,
 Wen peopo come sked a high places,
 An stay sked wat can happen on top da streets.
 An wen da almond tree get flowa,
 An da grasshoppa move slow,
 An no mo powa fo sex,
 Cuz dass da time peopo go da place wea dey goin stay foeva.
 An da peopo dat stay sad inside fo dem go aroun to dea funeral.
- 6 No foget da One dat wen make you
 Befo da silva rope broke.
 O da gold bowl broke,
 An befo da pitcha by da puka fo watta come smash,
 O somebody broke da wheel fo pull watta from da well.
- 7 O oua body go back inside da dirt wea we come from,
 An oua spirit go back by God dat give um to us.
- 8 Da Teacha tell, “No make sense!
 No mo notting make sense!”

How Da Tinking End

- 9 Da Teacha, he know wat fo do erytime. An even moa, he teach da peopo bout wat he know an fo dem know um too. He tink bout um, an try find out even mo, an put togedda plenny stuff dat da smart guys tell.
- 10 Da Teacha tink bout how fo find da bestes way fo tell um. Wat he write tell da right kine stuff, an da tings dat stay true.
- 11 Wat da guys tell dat know wat fo do erytime, az jalike da sharp poles fo poke da cows fo make um go da right way. Eryting dey tell, az jalike da kine nails dat stay solid wea dea owna poun um. Eryting dey tell come from God, da one good sheep guy.

¹² Eh my boy! Get anodda ting too: Make shua you no trus da odda kine stuff dat some peopo teach.

Peopo write mo an mo books. Too much study make yoa body come weak.

¹³ Now dat you wen hear eryting,
Dis da mos importan ting:

GET CHOKE RESPECK FO GOD,
AN DO WAT HE TELL YOU FO DO,

Cuz az da kuleana fo erybody.

¹⁴ Erybody gotta go in front God da Judge bout eryting dey wen do,
Even all da stuff dey try hide, no matta good o bad.

Da Love Song Song of Songs

1 ✨Dis, da bestes Solomon kine song.

Da wahine talk:

2 I like fo you kiss me ova an ova!

Cuz wen you make love to me,
Az mo betta den wen I drink wine.

3 Nice, how you smell.

Wen peopo use yoa name, az jalike dey stay pour out perfume kine oil.
Az why all da young wahines love you!

4 Take me away wit you! Hurry up! Us go!

Eh! You my king guy! Bring me inside da bedroom!

Da frenz talk:

Us guys like dance an sing cuz a you!

We stay real good inside!

Us goin talk good bout how you guys make love togedda now,

Mo den we talk good bout da wine.

Wahine:

So az right, fo dem get plenny love an aloha fo you!

5 Eh you young Jerusalem wahines!

Dark, but pretty,
How I stay look!

I dark jalike da dark tents da Kedar peopo use,
Jalike da kine cloth Solomon use fo cova his tent!

6 No eye me up cuz I stay kinda dark.

Az da sun wen make me come real tan.

My muddah boys wen come huhu wit me.

An dey make me take kea dea grape fields,
So, az why I no can take kea my grape field, az my body!

7 You, da one I love! Tell me,

Wea you goin take kea yoa sheeps?

Wea you goin bring dem fo res noon time?

No good I gotta put one veil on top my face fo go find you,
O I gotta go look nea yoa frenz sheeps, aah?

Da guy talk:

8 You da mos beautiful wahine!

If you donno wea I goin stay,

Go follow wea da sheep footprints go.

Let yoa young goats eat grass ova dea,
Not far from wea da odda sheep guys stay make camp.

9 Honey Girl, you da one I love!

An I like da way you walk,

Jalike one mare walk

Aroun da fancy kine horses
Dat pull da parade wagon fo da Egypt king.

10 Yoa cheeks look good wit gold earrings,

An yoa neck wit one bead necklace.

11 Us goin make roun gold earrings fo you,
Wit silva kine bead inside um.

Wahine:

12 All da time my king guy lay on his couch
Real nice, my nard kine perfume smell!

13 Fo me, da one dat love me,
Az jalike da small bag myrrh kine perfume
Dat stay res all nite in da middo a my breases.

14 Fo me, da one dat love me,
He jalike one bunch henna flowas
From da grape farms En-Gedi side.

Guy:

15 Eh! You look real beautiful, Honey Girl!
Real beautiful!
Yoa eyes pretty, jalike dove eyes.

Wahine:

16 You da one I love. You real good looking!
You look real handsome.
An look! Da sof green grass hea, az oua bed!

Guy:

17 Yeah, an da cedar trees, dey da beams fo oua bedroom.
An da cypress trees, dey da roof.

2

Wahine:

1 Me, I jalike da kine flowa
Dat grow in da Sharon plain.
An da kine lily plant flowa
Dat grow in da valleys.

Guy:

2 Honey Girl,
Wen she stay wit da odda wahines,
She jalike da lily flowa dat grow
Wit thorn bushes dat grow all aroun her.

Wahine:

3 Yeah, an da guy dat love me,
Wen he stay wit da odda young guys,
He jalike one apple tree
Dat grow wit da wild fores trees all aroun him.
I feel real good wen I sit undaneat da shade from dat tree.
Az real sweet jalike fruit, wen he make love to me!

4 He take me one place fo peopo make party.
Az jalike he put up one flag ova me
Dat tell "Dis, Da Place Fo Make Love!"

5 Make me come strong wit raisins,
Make me come new one mo time wit apples,
Cuz I love him plenny, dat make me come weak!

6 His lef arm stay unda my head.
An his right hand stay aroun me.

7 Eh! You Jerusalem wahines!
I like you guys make one strong promise to me,
Fo tell da wild deers an da wahine deers,
Fo dem lissen wat you promise!

I like you make one promise to me:
 No come real excited fo make love
 Till da time stay right!

⁸ Lissen up! Look! I hear!

Da one dat love me stay come!

He stay jump across da mountains,

An stay run ova da hills, jalike one wild deer!

⁹ Da one dat love me stay jalike one deer, one young deer.

Look! He stay stan ova dea outside oua wall.

Looking thru da windows!

Thru da kine window dey criss-cross wit sticks!

¹⁰ Da one dat love me tell me dis:

 "Look! Da Boss, Da One In Charge,
 Da God Ova All Da Armies,
 He goin take away all da stuff
 From da peopo inside Jerusalem an Judah,
 All da stuff dey need fo take kea dem,
 All da food fo eat an da watta fo drink.

² He goin wipe out all da real spesho army guys an da regula army guys,
 All da judges an da guys dat talk fo God,
 All da guys dat can tell wass goin happen bumbye,

- All da older leadas,
³ All da army captains,
 All da odda kine importan peopo,
 All da akamai guys dat tell da peopo wat fo do,
 All da guys dat get da smarts fo make real nice tings wit dea hands,
 An all da guys dat undastan how fo make magic.
- ⁴ He goin take young guys an make dem dea leadas.
 Guys dat stay make any kine, dey goin take charge a da peopo.
- ⁵ Da peopo goin give each odda hard time,
 Fren agains fren.
 Da young guys goin make any kine to da ol guys
 Jalike dey own dem an dey hate dem.
 Da guys dat erybody get respeck fo,
 Da no good guys goin bus um up.
- ⁶ "One guy goin grab one a his braddahs
 From inside dea faddah house
 An tell, 'Come on, you get one robe,
 So you be oua leada,
 You take kea all dis trouble!'
⁷ But dat time, da braddah goin yell,
 'I no can help!
 I no mo food an clotheses inside my house.
 No make me da leada fo all dis peopo.' "
- ⁸ You know, da peopo inside Jerusalem,
 Jalike dey no can walk strait.
 Da peopo inside Judah,
 Jalike dey stay fall down too.
 Cuz wit wat dey tell,
 An wit wat dey do,
 Dey talk bad bout Da One In Charge
 An go agains him.
 Dey tink he no good, no matta he awesome.
- ⁹ Da way dea face look,
 Show dey no stay do da right kine ting.
 Dey talk big bout da bad kine stuff dey do,
 Jalike da peopo inside Sodom.
 Dey no try hide wat dey do.
 Bummahs! Dey da ones dat bring da horraz on top dem.
- ¹⁰ Tell da guys dat do da right kine stuff,
 Dat eryting goin come out good fo dem.
 Cuz dey goin get wat dey work fo,
 Wit da good kine stuff dey make.
- ¹¹ Bummahs! fo da guys dat do bad kine stuff,
 Cuz eryting goin come out bad fo dem!
 Jalike wat dey do,
 Dass wat dey goin get.
- ¹² Da ones dat give my peopo presha,
 Dey stay ack jalike dey young kids.
 My peopo get wahines in charge a dem.

Lissen, my peopo,

 So you donno wea da right way fo go.

13 But Da One In Charge, he go in front da court fo make argue.
 He stan up fo judge da peopo.

14 Da One In Charge da One goin judge da older leadas
 An da odda ones dat stay lead his peopo.

He tell dem, "You, jalike da guys
 Dat wen bus up my grape fields.
 All da stuff you guys wen rip off
 From da peopo dat no mo notting,
 All dat stuff you guys take um
 Inside yoa houses.

15 Wat you guys tink
 Wen you go smash my peopo, aah?!
 Da peopo dat no mo notting,
 How come you go rub dea face inside da dirt, aah?!"
 Da One In Charge, Da God Ova All Da Armies,
 Dass wat he tell.

*Da One In Charge Talk
 To Da Wahines Inside Jerusalem*

16 Anodda time, Da One In Charge tell dis:
 "Cuz da wahines inside Jerusalem,
 Dey ack high makamaka,
 Dey walk an hold up dea neck sexy kine.
 Dey check out guys wit dea eye.
 Dey walk jalike dey fashion models.
 Dey wear jangly kine jewel on top dea feets an ankles.

17 I goin put sore all ova dea head.
 I goin make all da Jerusalem wahines come bolohead."

18 Den Isaiah tell,
 "Dat time, my Boss goin grab
 All da fancy kine stuff dey get
 An throw um away,
 All da jangly kine jewel on top dea feets an ankles
 An da bands fo put aroun dea heads,
 An dea moon kine necklaces,

19 An dea earrings an bracelets,
 An da nice kine cloth fo cova dea face,

20 Da crowns on top dea head,
 An da nice kine chain fo dea ankle,
 An da fancy kine cloth fo tie aroun dea wais,
 Da perfume bottles,

Da jewel fo make da bad kine spirits go way,

21 An da rings fo dea fingas an dea nose,

22 Da fancy kine clotheses, coats, da purses,

23 Da mirrors, da linen undawears,
 Da fancy kine cloth on top dea head, an da shawls.

24 “Now dey get perfume,
 But den dey goin smell haunas.
 Now dey get one fancy kine cloth aroun da wais,
 But layta dey goin get ony one rope.
 Now dey get nice style hair,
 But den dey goin come bolohead.
 Now dey get fancy kine clotheses,
 But den dey get ony burmbag clotheses.
 Now dey nice looking,
 But den dey get burn scar all ova dem.

25 “Yoa army guys, dey goin mahke from da sword wen dey fight.
 Even yoa real strong guys goin mahke in da war.
 26 Inside da gates a Jerusalem town,
 Da wahines goin sit down on top da groun,
 An cry an stay sad inside cuz no mo dea guys.”

4

1 Dat time, afta plenny guys mahke in da war time,
 Seven wahines goin grab one a da guys dat still stay dea.
 Dey goin tell um,
 “Ony marry us
 Fo us get yoa name,
 Fo peopo no talk bad bout us
 An make us come shame cuz we no mo husban.
 We goin eat da food us get awready,
 An wea da clotheses us get awready.”

God Promise Fo Bring Dem Back

2 Dat time, goin get one guy,
 Da One In Charge goin give him da right fo be king,
 Cuz he jalike one new branch
 Dat Da One In Charge make come out from da king ohana.
 Dat guy goin be real good looking an stay awesome.
 Erybody goin know bout da stuff dat grow on top da land,
 Dat goin come real awesome too,
 An da Israel peopo dat still yet stay alive dat time
 Goin feel real good inside bout all dat,
 An all da odda peopo goin get respeck fo dem.
 3 All da peopo dat still yet stay alive inside Jerusalem town,
 Peopo goin call dem “Spesho fo God”
 Cuz dea name goin stay write down.
 4 My boss goin clean up
 All da pilau kine stuff da Jerusalem wahines wen do.
 Jalike he goin wash clean da Jerusalem peopo
 Cuz dey wen make plenny oddas bleed an mahke.
 His Spirit goin be dea judge
 An jalike wit one fire, he goin clean out all da bad kine stuff.
 5 ✧ Da One In Charge goin make one cloud

 Day time, goin get one cloud wit smoke ova dem,
 Nite time, goin get one real bright fire ova dem.
 Ova all dis awesome stuff goin get one cova,
 J alike one tent ova erybody.
 6 Dass goin be j alike one place fo shade
 Wen da sun stay hot, day time,
 Goin be one place dey can go
 Fo hide an no get hurt
 From da storms an da rain.

One Song Bout Da One In Charge
An His Peopo
 (Matthew 21:33; Mark 12:1; Luke 20:9; James 5:4)

1 ✧ I like sing one song fo da one I get love an aloha fo.
 I goin sing one song bout his grape field
 On top one hill dat get good groun.

2 He dig up da groun,
 Take away all da stones dea,
 An plant good kine grape plants.
 He build one towa in da middo
 Wea his worka guys can watch um.
 He even cut da stone one place nea dea
 Fo step all ova da grapes
 Fo press out da juice fo make wine.
 He wen wait fo da good grapes get fruit.
 But wat wen come out was real sour kine grapes.

3 Da one I get love an aloha fo, he talk:
 "So den, you peopo dat live inside Jerusalem,
 An you guys from Judah,
 You guys tell me wass right an wass wrong
 Bout me an my grape field!
 (Dass da Israel peopo, you know.)

4 Tell me wat odda ting I gotta do
 Fo my grape field, dat I neva do befo time?
 I wen wait long time fo da good grapes come out.
 How come ony get real sour kine grapes come out?

5 "Now, I goin tell you guys
 Wat I goin do wit my grape field!
 I goin take away da hedge from aroun um,
 Fo da cows come inside an eat wat stay dea.
 I goin broke down da wall aroun um
 Fo odda guys go inside an bus um up.

6 I goin make um j alike da boonies wea no mo notting.
 Nobody goin trim um, o hoe hana da weeds.
 Plenny stickas an thorn bushes goin grow dea.
 I goin tell da clouds
 Fo no let um rain on top um.

✧ 5:1 5:1: Matt 21:33; Mark 12:1; Luke 20:9

Wat Isaiah Tell

7 "So, az da story bout dis peopo!
 Da One In Charge, Da God Ova All Da Armies,
 His grape field, dass da Israel peopo!
 An da plantation dat make Da One In Charge feel good inside
 Wit plenny love an aloha,
 Dass da peopo from da Judah districk.
 Da One In Charge wait fo peopo
 Fo judge da right way,
 But dey ony stay kill each odda!
 He wait fo peopo fo do da right ting erytime,
 But dey ony make each odda yell fo somebody help dem."

God Da Judge Fo Da Judah Peopo

8 An God tell,
 "Bummahs! fo you guys dat stay buy
 All da house an field dat get no mo space awready,
 You no leave even one place fo odda peopo live.
 So you guys goin be da ony one
 Fo live dea on top all dat land!
 9 Da One In Charge, Da God Ova All Da Armies,
 He talk fo me hear um:
 'Fo shua, goin get plenny big house ova dea,
 But goin be kinda skery,
 Cuz no mo nobody inside um.
 Get nice big kine house
 But no mo peopo live inside dem.
 10 Ten acre grape field
 Goin give ony six gallon wine.
 An ten bag seed
 Goin give ony one bag food.'

11 "Bummahs! to da guys
 Dat get up early in da morning
 Fo go all out fo da booze,
 Dey stay up late nite time,
 Till jalike dey stay on fire from da wine.
 12 Dey make big party,
 Dey get plenny small harp an bass harp,
 Tammorine, flute, an wine dea.
 But dey no tink notting bout Da One In Charge,
 An da tings he do.
 Wen he show da tings he make wit his hands,
 Dey no see notting.
 13 Dass why my peopo goin come prisonas
 An go anodda land,
 Cuz dey donno notting.
 Dea importan peopo goin mahke
 Cuz dey no mo food fo eat,
 Da odda peopo goin mahke
 Cuz dey no mo notting fo drink.
 14 Dass why, jalike wea da mahke peopo go,

- Da mout stay open big,
An waiting fo erybody.
Cuz down inside dea,
All da rich kine peopo goin go.
Same ting fo da odda kine peopo
Dat stay make big kine noise an go party out.
- 15 All dem goin lose face an come notting,
No matta dey big head an high nose.
- 16 But Da One In Charge, Da God Ova All Da Armies,
Cuz he stay judge da right way,
Peopo goin know how big him!
Him, da God dat stay good an spesho!
Peopo goin know how spesho he stay
Cuz he do da right ting erytime!
- 17 Dat time, da sheeps goin eat grass
Inside dea grass land.
Dey goin stay on top da land an eat plenny,
An da bebe sheeps goin eat
Wea da rich peopo wen live befo time,
But now, ony get bus up house all ova.
- 18 “Bummahs! fo da peopo dat drag
All da bad kine stuff dey stay do wit dem,
Jalike dey stay pulling heavy stuff wit one rope,
But da stuff dey stay pulling no worth notting!
Dey stay do bad tings,
Jalike dey stay drag one wagon wit one rope.”
- 19 Dat kine peopo tell, “We like God fo hurry up!
We like him make fas fo do his work,
Fo us guys see da ting
Dat da Good An Spesho God fo da Israel peopo
Make plan fo do.
We like see dat happen quick,
Den us guys goin know bout um.
- 20 “Bummahs! fo da guys dat tell
Dat da bad kine stuff stay good,
An da good kine stuff stay bad!
Dey tell, da dark stay light,
An da light stay dark!
Dey tell, da kine stuff dat taste bad, stay sweet,
An da sweet kine stuff taste bad!
- 21 “Bummahs! fo da guys dat tink dey know eryting erytime,
An tink dey smart fo undastan eryting.
- 22 “Bummahs! fo da guys dat erytime like drink wine,
An da real smart guys fo mix da booze.
- 23 Dat kine guys, wen somebody do wrong kine stuff,
Dey give da judge money
Fo make um look jalike dey stay do eryting right.

But fo da peopo dat stay do da right ting fo real kine,
Dey take away dea rights.

24 “Az why, wen dose peopo make lidat,
Dey goin come poho,
Jalike one plant wit da root all rotten,
An da wind blow away all da flowas jalike dus,
Jalike da fire burn up da junks from da wheat,
An da dry grass no mo wen stay burn.
Az cuz dey no take da Rules
Dat Da One In Charge, Da God Ova All Da Armies, teach um,
An dey ack jalike wateva Da One In Charge tell dem,
Stay no good!
No matta he da Good An Spesho God fo da Israel peopo,
25 Dass why Da One In Charge stay come huhu
Agains his peopo.
He put up his hand
An stay ready fo wack dem down.
Dass why da mountains stay shake,
An da peopo body dat mahke
Lay all ova outside jalike opala.

“But no matta God wack his peopo lidat,
He still yet stay huhu
An he stay ready fo wack um one mo time.
26 God goin put up one flag
Fo all da peopo inside da lands dat stay far see um.
He goin whistle fo dem fo come,
Fo dem come togedda fas from one real far place.
27 In dat army, nobody come tired
O trip an fall down.
Dey no need sleep late eva,
O pass out sleep cuz dey tired.
Dea belt stay tight aroun dea wais.
Da strap on dea slippa no broke.
28 Dea arrow, stay sharp,
An dea bows, ready fo shoot.
Da horses feet run real fas.
Da wheels on dea war wagons make big noise
Jalike da strong wind.
29 Da army guys make big noise jalike da wahine lion.
Dey grab eryting,
Jalike da lion make noise wen he grab one animal
An carry um away
An no mo nobody can bring dem back.
30 “Dat time, wen da army guys come dis land,
Dey goin make big noise
Jalike wen da ocean stay poun.
If anybody go look da land,
Dey goin see dat eryting stay dark
An erybody get big trouble.

Even da day time goin come dark cuz a da clouds.”

*God Make Isaiah Come Clean Inside
An Call Isaiah Fo Work Fo Him*

(Matthew 13:14-15; Mark 4:12; Luke 8:10; John 12:40; Jesus Guys 28:26-27; Jesus Show 4:8)

¹ ✧Da same year King Uzziah wen mahke, I wen see Da One In Charge a me stay sitting on top one throne, way up dea inside da sky, an looking real importan. An da bottom a his robe fill up da Temple.

² Angel guys dat look jalike fire fly up all aroun him. All dem get six wings. Dey cova dea face wit two a dea wings, dea feets wit two odda wings, an dey fly wit dea odda two wings.

³ ✧All da angel guys call out to da oddas,
“Good an Spesho! Spesho! Spesho!

Dass Da One In Charge,
Da God Ova All Da Armies,
How good an spesho he stay!
Eryting inside da whole world,
Show how awesome he stay!”

⁴ ✧Wen dey yell strong lidat, even da foundation unda da Temple door stay shake an da Temple fill wit smoke.

⁵ Den I wen yell,
“Bummahs!
I stay wipe out awready!
Da way I stay talk,
An da way da peopo I stay wit stay talk,
No way us can come in front God!
But still yet, I wen see
Da One In Charge, da King,
Da God Ova All Da Armies.”

⁶ Den one a da angel guys dat look jalike fire fly ova by me wit one red hot charcoal. He take um from da altar wit tongs.

⁷ He touch da hot charcoal on top my mout an tell,
“Now dis charcoal touch yoa mout,
All da bad tings you wen do stay gone awready.
God wen pay da price
Fo hemo from you all dat bad kine stuff.”

⁸ Den I hear my Boss tell,
“Who I can sen?
Who goin go fo us?”

An I tell,
“Me, I can go,
Sen me.”

⁹ ✧An he tell me,
“Go den. Tell da peopo dis:
‘Lissen plenny, but you no goin undastan notting!
Look plenny, but you no goin learn notting!’

¹⁰ Make dem so dey no can tink good,
Make dem so dey no can hear good,

An shut dea eyes so no can see good.
 I no like fo dem see wass happening,
 I no like fo dem start fo lissen,
 An fo tink good.
 Cuz if dey wen change,
 Den dey goin come good.
 But dey no goin change.”
¹¹ Den I aks him, “Boss, how long I gotta do dat?”
 An he tell,
 “Till all da towns stay all bus up
 An no mo peopo live dea,
 An all da house no mo peopo inside,
 An all da land stay dry an all wipe out.
¹² No stop talk till me, Da One In Charge,
 Sen all da peopo one far away place,
 An get plenny place all ova da land
 Wea da peopo leave eryting an go way.
¹³ But even if still yet get ten percent a da peopo dat stay on top da land,
 Da army guys goin come back one mo time
 An burn eryting.
 But, jalike da terebint tree an da oak tree still ony get stump
 Wen somebody cut um down,
 Da peopo dat still stay dea,
 Goin come jalike one spesho seed fo God,
 Jalike da stump dat goin grow one mo time.”

7

Da Aram An Israel Armies Go Agains Jerusalem (2 Kings 16:5; Matthew 1:23)

¹ *King Ahaz was Jotham boy, an Jotham was Uzziah boy. King Pekah fo da Israel peopo was Remaliah boy. One time, King Rezin fo da Aram peopo, wit King Pekah fo help him, wen go fight da Jerusalem town peopo Judah side, wea Ahaz was da king. But dey no even can go nea dea fo start da fight.

² Somebody tell da David ohana guys Judah side, “Da Aram army guys wen go by da Ephraim ohana land inside Israel an stay make camp all ova da place wit da Israel guys.” So Ahaz an his peopo, dey come real sked inside. Dey stay shake jalike how da trees shake inside one fores wen da wind blow um.

³ Den Da One In Charge tell Isaiah, “You an yoa boy Shear-Jashub (dat mean, ‘Some peopo goin come back’), go out dea meet King Ahaz. Go by da end a da ditch wea da watta from da Mauka Watta Place go. Go on top da road dat go da field wea dey put da cloth inside da watta an step um fo make um come ready fo dye um.

⁴ Tell Ahaz, ‘Watch out, but stay cool. No sked. Inside yoa heart, no lose fight! Fo shua, dose two kings, Rezin fo da Aram peopo, an Remaliah boy, dey stay all hot an huhu. But dey jalike two small stick inside da fire dat litto mo all burn out, but still yet dey get plenny smoke.

⁵ But cuz dey stay huhu, da Aram peopo stay make one plan wit da Israel peopo an dea king, Remaliah boy, fo do bad tings to you.

⁶ Dey tell, "We go up country Judah side an bus up da Judah peopo. We goin fight an take um ova an make um come oua side. Den we goin make Tabeel boy da king inside Judah." ' ' "

⁷ But dis da ting Da One In Charge a me tell:
"Wat dem guys stay tell, no goin happen.
No goin be lidat.

⁸ Da main town inside Aram, dass Damascus.
Da main guy inside Damascus, dass King Rezin.

Befo 65 year pau,
Da Israel peopo goin come real bus up,
Dey no even goin be one peopo no moa.

⁹ Da main town inside Israel, dass Samaria,
Da main guy inside Samaria, dass Remaliah boy.
If you guys no stay shua bout dis,
Az cuz you no stay solid bout um."

Da Sign Dat God Stay Wit Us

¹⁰ Da One In Charge tell King Ahaz one mo time.

¹¹ He tell, "Aks me, yoa God, Da One In Charge, fo show one sign fo you know all dis stay true. Go aks, no matta if someting from da mos deep place o from da mos high place."

¹² But Ahaz tell, "I no goin aks fo notting. No way I no goin tell Da One In Charge fo show proof!"

¹³ Den Isaiah tell, "Lissen, you peopo dat come from David ohana. Not enuff you guys try fo make odda peopo come piss off wit you. Now you stay trying fo make my God come piss off wit you too!

¹⁴ ✧Cuz a dat, my Boss goin give you guys one sign. Dis da sign: goin get one young wahine dat neva sleep wit one guy, but layta she goin come hapai, an bumbye dat wahine goin born one boy. She goin call him 'Immanuel,' dat mean, 'God stay wit us guys.'

¹⁵ Wen he come big, an he know wass right an wass wrong, an know fo pick ony wass right, dat time goin get plenny sof cheese an honey kine stuff fo him eat.

¹⁶ But befo he come dat big, da land dat you worry bout wea da two kings stay goin come all bus up, an no mo notting goin stay dea.

¹⁷ Da One In Charge, Da Boss, goin make you, an yoa peopo, an yoa faddah guy ohana, suffa plenny, mo plenny den you guys eva suffa befo, from da time wen da Israel peopo dig out from da Judah peopo. He goin bring da king from Assyria fo make you suffa!"

How God Goin Punish Da Judah Peopo

¹⁸ Dis how goin be dat time. Da Boss, Da One In Charge goin bring big armies agains da Judah land. He goin whistle fo call all da flies from da Nile Riva an from all da watta ditch far away inside Egypt. An he goin whistle fo all da bees fo come from Assyria.

¹⁹ Da armies all goin come. Goin be jalike wen da flies an da bees go down inside da gulches, inside da cracks inside big stone, inside places wea get thorn bushes, an all ova da pukas wea get watta.

²⁰ Dat time, you guys goin pay da king fo Assyria, fo his army come from da odda side a da Eufrates Riva fo help you guys. But wen dey show up,

dey goin rip off eryting you guys get. Goin be jalike Da One In Charge stay use one razor fo cut off all da hair from on top yoa head an legs, an even yoa beard, an you goin come shame.

²¹ Wen all dat happen, one guy can keep alive ony one young cow an two goats.

²² So from da cow an da goat, dey goin get milk, an da guy goin get enuff sof cheese fo eat. Da peopo dat da army guys no take away from inside da land, goin get sof cheese an wild honey fo eat.

²³ But afta da army guys go way, all da place wea had tousan grape plants worth tousan piece silva, now eryting dat goin grow afta, ony goin be thorn kine plants.

²⁴ Anybody go dea, dey goin take bow an arrow fo hunt, cuz ony get thorn bush all ova da place, ova dea.

²⁵ On top da hills, da place wea befo time dey hoe hana da grass, you no goin go dea no moa, cuz you sked da thorn plant goin poke you. Da land ony goin be fo let da cows an sheeps an goats go dea.

8

Da Assyria Peopo Goin Fight Da Judah Peopo

¹ One time, Da One In Charge tell me, "Go get someting big fo write on top um. Den write wit regula kine alphabets, 'Dis Fo Maher-Shalal-Hash-Baz.' (Dat mean, 'Rip um off an run away fas!')

² I goin tell da Main Pries Guy Uriah, an Zekariah Jeberekiah boy, fo come watch you write dat, cuz erybody know dey can trus dem guys an wat dey tell bout wat you wen write, an wat time you write um."

³ Afta I do dat, I go sleep wit my wife, da wahine dat talk fo God. She get hapai, an born one boy. Da One In Charge tell me, "Call him Maher-Shalal-Hash-Baz.

⁴ Az cuz befo dis small boy learn how fo tell 'Daddy' o 'Mama,' da Assyria army guys goin steal all da rich kine stuffs inside Damascus town an Samaria town. Dey goin bring um to da king fo Assyria."

⁵ One mo time Da One In Charge talk to me fo tell dis:

⁶ "Dis Judah peopo tink

Dat wat I stay do fo dem, az no good.

No matta I do good tings fo dem,

Jalike I give um da watta

Dat run slow inside da Siloam watta place.

But dey ony feel good cuz dey hear

Bout wat goin happen

To Rezin da king fo Aram,

An to Remaliah boy da king fo Israel.

⁷ Cuz dey no like wat I do fo dem,

You know wat goin happen?

Me, Da One In Charge, goin bring da king fo Assyria ova hea,

Wit all his awesome armies,

Fo go agains da Judah peopo!

Dey goin wack um

Jalike wen da big watta come down strong

Inside da Eufrates Riva

An go up ova da sides."

8 “Wen da armies come,
 Goin be jalike one big riva stay run fas thru da Judah land,
 Dat go all ova da land
 Till da watta come up to da neck!
 Wen da armies come,
 Goin be jalike one big bird come flying,
 An da wings cova yoa whole land.
 Immanuel! ☆

9 “All you diffren peopos,
 Go do all da bad kine stuff you do!
 Den you goin lose fight cuz you sked.
 Lissen, you peopo in all da far places in da world,
 Get ready fo fight!
 But you goin lose fight cuz you sked.
 You, get ready fo fight one mo time!
 But you goin lose fight one mo time, cuz you sked.
 10 You goin talk an make plan,
 But dat no goin happen, cuz you no can do um.
 You talk bout wat fo do,
 But no goin happen lidat,
 Cuz God stay wit us.
 Dass wat ‘Immanuel’ mean!”

*Ony Trus Da One In Charge, Da Boss
 (Rome 9:33; 10:11; Hebrews 2:13; 1 Peter 2:8; 3:14-15)*

11 Wen he take my hand fo make me strong, dis da ting Da One In Charge
 tell me. He tell me fo watch out an no go da same way dose peopo go.

12 ☆He tell,
 “No go tink you an yoa frenz stay make one plan fo do someting bad,
 Jus cuz dis peopo stay tell you guys dey stay making plan fo do
 someting bad!

Wen dis peopo stay sked bout someting,
 You guys no need come sked bout dat,
 O let dat ting make you come real sked an shaking!

13 Me, I da one you guys gotta tink bout,
 Cuz me Da One In Charge, da God Ova All Da Armies,
 An I stay good an spesho.

You gotta come sked a me.
 I da one, wen you tink bout me,
 You goin come sked an shake!

14 ☆I stay good an spesho,
 Fo me come jalike one spesho place fo peopo hide an res.
 But fo da Judah ohana an da Israel ohana,
 I goin come jalike one stone an make dem trip an fall down.
 An one trap fo catch da peopo live inside Jerusalem.

15 Jalike plenny peopo goin fall down ova dat big stone,
 An come all bus up.
 An jalike dey goin get stuck inside dat trap
 An come prisonas.

16 “Go write all dis down fo show proof az true.
 An den turn um ova to da guys I stay teach,
 Fo keep inside dem all da time,
 Jalike you tie um up an put wax seal on top.”

17 ✨Az why I goin wait, cuz I stay shua Da One In Charge goin come.
 Right now, he stay cova his face so da Jacob ohana peopo no can see
 him.
 But me, I goin stay wait fo him.

18 ✨Look—I stay right hea wit da kids Da One In Charge wen give me.
 We jalike awesome kine signs inside Israel.

Even oua names show

Wat Da One In Charge, Da God Ova All Da Armies, goin do bumbye.
 He da One stay on top Mount Zion inside Jerusalem.

19 Peopo goin tell you, “Go by da wahines dat talk to da mahke peopo, an
 da guys dat know da kine spirit dat wispa an make small kine noise you
 no can undastan. Aks dem fo tell you wat goin happen bumbye.” But, eh!
 Mo betta da peopo go aks dea God wat goin happen, aah?! No make sense
 talk to da mahke peopo, an tink dat goin help da guys dat stay alive!

20 Check out wat dem guys dat lissen da spirits tell. See if dey tell da
 same ting da Rules From God tell, an if dey talk da same kine jalike wat

Da Peopo Stay Wait

Fo Da Spesho Guy God Goin Sen

(Matthew 4:15-16; Luke 1:79)

1 ✨But all dat no goin matta! Bumbye, no goin be no mo hard time fo da
 peopo dat get dat kine presha now. Befo time, God wen make da peopo
 Zebulun an Naftali side lose face. But laytas, he goin make odda peopo get
 respect fo da peopo inside Galilee, nea da road dat go from da Jordan Riva
 to da Mediterranean Sea. Dass da place wea plenny peopo dass not Jew
 guys stay.

2 ✨Da peopo dat donno wat fo do,
 Jalike dey stay walk aroun inside one dark place,
 Dey goin know wat fo do,
 Cuz jalike dey see one big light.

Da peopo dat live inside da place
 Wea erybody stay sked dey goin mahke,
 Da light stay come dea awready.

3 God, you goin make da Israel peopo come mo plenny peopo.
 You goin make da peopo come real good inside.

Dey goin dance an sing in front you,
 Jalike wen da peopo harves da food inside dea fields
 An dey stay good inside,
 An jalike wen da army guys steal rich stuffs from da guys dey wen fight,
 An give dea frenz some a da stuff,
 Dey all stay good inside.

⁴ Jalike you wen do befo time,
 Wen da Midian peopo make da Israel peopo bus ass fo dem.
 You wen hemo da Israel peopo
 From da hard work da Midian peopo make dem do.
 Jalike you wen stop da Midian peopo
 Fo dem no wack dem wit one stick
 An poke dem fo dem work mo fas.
⁵ Fo shua, all da boots da army guys wear wen dey fight,
 An all da clotheses dat get blood all ova um,
 Dey goin throw all dat kine stuff on top da fire
 Fo burn um up.

⁶ Cuz one bebe goin born fo us guys,
 One boy dat God give us.
 Da govmen goin be his kuleana.
 Dis da name peopo goin give him:
 "Da Awesome One
 Dat show us da bestes tings fo do.
 Da God dat get all da powa.

But neva mind, we goin build um up one mo time wit cut stone block.
 Da army guys cut down da sycamore trees,
 But neva mind, we goin plant cedar trees dea
 Wea da sycamore wen grow.”

11 Az why Da One In Charge stay make da peopo dat stay agains King Rezin
 from Aram
 Come real strong, so den da Israel peopo no can win ova dem.
 He stay tell da peopo dat like bus up da Israel peopo
 Fo go geev um.

12 Da Aram peopo from da east side,

16 Az how come, da ones dat stay lead dis peopo,

 An az how come, da peopo dat lissen dea leadas,
 Come all mix up an donno wat fo do.

17 Dass why my Boss

 He no goin show pity notting
 Fo dea widows o dea kids dat no mo faddah o muddah.
 Cuz all dem peopo ack jalike God no matta to dem,
 An still stay do bad kine stuff.

 But still yet dey hungry.
 Ova hea one side, dey eat stuff,
 But dey no come full.
 Dey even goin eat dea kids.
²¹ (An dis wat I mean:

 17 He make da earth come all empty
 An bus up all da towns.
 He no even open da door
 Fo let da prisona guys go home!"

18 In all da countries, weneva one king mahke,
 Da peopo erytime let da body stay inside da palace
 An dey go dea fo show um respeck.
 19 But you guys, wen you mahke,
 Da peopo throw you out on top da groun

 An step all ova um
 On top my mountain.
 Dey goin try fo put da yoke on top dem,
 But no goin stay.
 Dey goin try fo make my peopo carry one heavy load on top dea back,
 But I goin take da load off from dea."
 26 Dis wat I wen plan fo da peopo
 All ova da world.

 29 ✧Eh! All you Filisha peopo!
 You betta not stay good inside cuz you tink lidis,
 "Da king fo da Assyria peopo dat wen bus us guys up,
 He mahke, an now dey no mo powa!"
 But da king guys dat goin come
 Afta da Assyria king mahke
 Goin be mo worse den him!
 Cuz jalike you kill one snake,
 Anodda snake goin come from da firs one
 Dat can kill you wit poison.

✧ **14:24** 14:24: Isa 10:5-34; Nahum 1:1-3:19; Zef 2:13-15 ✧ **14:28** 14:28: 2Kings 16:20; 2Rec 28:27

 Ony one nite, Ar town goin come wipe out!
 Dass how da Moab land goin come all bus up.
 Ony one nite, Kir town goin come wipe out too!
 Dass how da Moab land goin come all bus up.
 2 Da Moab peopo go up to dea temple,
 An da Dibon peopo go up da sacrifice place on top da hill
 Fo cry.
 Cuz Nebo an Medeba stay bus up,
 Da Moab peopo yell plenny.
 Dey cut off dea hair an all dea beard
 Fo show dey stay sad inside.
 3 Inside da street, da peopo tie burmbag cloth aroun dea wais
 Fo show dey stay sad inside.
 On top da flat roof, an inside da street,
 Erybody stay cry an yell plenny.

✨ 15:1 15:1; Isa 25:10-12; Jer 48:1-47; Ezek 25:8-11; Amos 2:1-3; Zef 2:8-11

⁴ Da Heshbon an Elealeh peopo stay cry.
 Can hear dea voice from one far place,
 Even from Jahaz town.
 Dass why da army guys from Moab stay yell,
 But inside, dey stay sked an shaking!

⁵ Inside I stay cry fo da Moab peopo.
 Da peopo from dea run all da way to Zoar town
 An to Eglat-Shelishiyah.
 I stay cry cuz dey go up da way fo go to Luhit,
 An dey still stay cry wen dey stay going.
 I stay cry cuz on top da road to Horonaim,
 Da peopo stay yell
 An tell bout dea place
 Wea eryting stay broke.

⁶ I stay cry cuz da watta from Nimrim
 Stay all dry up,
 An cuz da grass fo da animals stay come dry,
 No mo green tings dea.

⁷ Dass why, all da stuffs dey still get
 An da stuffs dey stay stash fo ony dem,
 Dey take wateva dey can carry
 Fo run away da odda side Poplar Tree Gulch.

⁸ I stay cry cuz from one side
 A da Moab land to da odda side,
 Can hear peopo stay crying
 All da way to Eglayim an Beer-Elim side.

⁹ I stay cry cuz da stream dat go by Dimon
 Stay full wit blood, not watta.

But God still goin make
 Mo plenny bad kine stuff happen fo da Dimon peopo:
 Da Moab peopo dat run away,
 An da peopo dat stay dea on top da land too,
 Da lion goin chase um an get um.

16

Da Moab Peopo Give Bebe Sheeps

¹ You guys dat stay in charge a da Moab land,
 Inside Sela town, nex to da boonies,
 Give bebe sheeps to Jerusalem,
 Fo one gif fo show you an dem stay pono.
 Take um to Zion Hill, Jerusalem side.

² Da Moab wahines dat run away
 Fo go cross ova da Arnon Stream,
 Dey goin hang aroun dea an donno wea fo go,
 Jalike wen somebody throw da bebe birds outa dea nes.

³ Dey like tell da Judah leada guys:
 "Make jalike one judge

An tell us guys wat fo do!
 Noon time, wen da sun stay high,
 Make yoa shadow dark jalike nite time,
 Fo hide us guys dat stay run away,
 An no let nobody know wea we stay!
⁴ Let us Moab peopo dat no mo place fo stay
 Make house wit you guys.
 Be da place fo us guys hide dea
 So da guys dat like wipe us out no can find us!"

Cuz bumbye, no goin get da guys dat bus up you guys inside yoa land.
 All dat no goin be no moa.
⁵ Dat time, goin get one new king
 Dat goin stay tight wit his peopo.
 Dat king, goin come from King David ohana,
 An da peopo goin trus him.
 He goin be da judge,
 An he goin work hard fo judge erybody da right way.
 He no goin wase time notting
 Fo make shua eryting dat happen stay pono.

⁶ We wen hear dat da Moab peopo get real big head.
 Dey plenny high nose.
 Dey go any place dey like.
 But all dea big kine talk,
 Az not true, an no mean notting!

⁷ Bummahs! Az why da Moab peopo
 Cry an yell togedda fo dea country.
 Dey make noise an cry,
 Cuz no mo da raisin candy from Kir-Hereset.
 Ony get bus up peopo ova dea.
⁸ Da grape fields Heshbon side
 An da grape plants Sibmah side
 Stay all dry up.
 Da leadas a da diffren countries
 Wen tell dea army guys
 Fo go smash down da red grape plant.
 Befo time, had grape farm all da way to Jazer,
 An da shoots from da vine go all ova da place,
 To da boonies an all da way down
 To da odda side a da sea.

⁹ Dass why I stay cry plenny
 Da same way da Jazer peopo cry
 Fo da grape plants Sibmah side.
 I cry mo plenny
 Fo da Heshbon an Elealeh peopo.
 Befo time, wen da Moab peopo bring dea summa fruit
 An harves da wheat,
 Erybody yell plenny,
 Cuz dey feel good inside.

But now, da peopo no yell dat way no moa
 Cuz no mo notting fo harves.

¹⁰ Nobody stay feel good inside
 Nobody dance an sing
 Inside da farms an fields,
 Cuz no mo grapes fo make wine.
 I make um so no mo party ova dea.

¹¹ Dass why I stay cry inside fo da Moab peopo.
 I stay cry real plenny,
 Jalike one sad song you play wit da harp.
 How I tink an how I feel,
 I feel real sore inside fo da Kir-Hareset peopo.

¹² Bumbye, no matta da Moab peopo go up
 Da sacrifice places fo dea gods on top da hills,
 An no matta dey work real hard an stay tired
 Fo go pray inside da temple dat stay spesho fo dea gods,
 All dat, no goin do notting fo dem!

¹³ Dass wat Da One In Charge wen tell bout da Moab peopo long time befo time.

¹⁴ An now Da One In Charge tell dis too: "Da Moab peopo, get choke plenny a dem, an dey awesome. But ony three year from today, jalike da day one work contrack pau, nobody goin tink da Moab peopo stay awesome. Cuz dat time, ony goin get litto bit Moab peopo inside dea. All da odda Moab peopo gone awready! Da ones dat stay back, dey no can do notting cuz dey no mo powa."

17

Wat God Tell Isaiah Bout Damascus

¹ ☆ Me, Isaiah, I get heavy kine stuff fo tell bout wat I see goin happen to da Damascus peopo:

Look! Damascus no goin be one big town no moa.
 Da whole place goin come one pile a bus up junks.

² Da peopo goin leave all da towns Aroer side.
 Dey all goin go way from ova dea.
 Goin come one place fo da cows an sheeps an goats.
 Dey goin lay down dea,
 An no goin get nobody fo make dem sked.

³ Inside da Efraim land,
 No goin get towns dat get strong wall no moa.

Inside da Damascus land,
 No goin get kings no moa.

Da Aram kings from Damascus,
 An da Israel kings from Efraim,
 Dey was awesome befo time.

But bumbye, da ones dat still stay alive
 From da Aram peopo an da Israel peopo,
 Dey no goin be awesome no moa.

Az how goin be, Da One In Charge, Da God Ova All Da Armies tell.

☆ **17:1** 17:1; Jer 49:23-27; Amos 1:3-5; Zek 9:1

- ⁴ Dat time, eryting dat stay awesome now

 Dat goin change, an dey no goin stay awesome no moa.
 Jalike wen one guy had plenny fo eat
 An now he come skinny.
- ⁵ Goin be jalike Refaim Valley
 Right afta da guys harves da wheat ova dea.
 Dey harves da wheat,
 An take away plenny inside dea arm.
 Den da Israel ohana goin be
 Jalike wen some odda guy come layta,
 Cut wateva da firs guys neva take wit dem,
 An dey pick up ony litto bit.
- ⁶ Goin be hard fo da Israel ohana peopo,
 Jalike afta you wack one olive tree wit one stick
 Fo bring down da ripe olives, an ony litto bit stay on top,
 Two-three olive on da high branch,
 Four o five on top da branches wea da fruit come out.
 Az how goin be, Da One In Charge, Da God Ova All Da Armies tell.
- ⁷ Dass da time erybody goin start fo tink
 Bout da God dat wen make dem.
 Dey goin start fo look
 At da One Dat Stay Spesho fo da Israel peopo.
- ⁸ Dey no goin even tink
 Bout da altars dey wen build wit dea hands fo da odda gods
 An da small kine tings dey make wit dea fingas.
 Dey no even goin look at
 Dea spesho tiki pos fo da wahine god Asherah
 An da places fo burn incense fo da odda gods.
- ⁹ Dat time, nobody goin live inside da towns dat get one strong wall now.
 Any kine stuff goin stay grow all ova da towns. Goin be jalike da time da
 Israel peopo come inside da land, an da peopo dat live dea, go way from
 dea towns an leave eryting. Ony goin get da boonies wea nobody stay no
 moa.
- ¹⁰ Fo shua you guys foget bout God
 No matta he da One dat get you guys outa trouble.
 You no even rememba
 Dat he jalike one big rock fo you hide dea.
 Dass why you stay plant nice plants fo da god Adonis
 An da gods from anodda place.
- ¹¹ No matta you put one fence
 Da same day you plant um,
 An da nex morning you make da seed start fo grow,
 You goin get ony junk kine plants
 From da seed you plant,
 Cuz you goin get one sick dat nobody can make come good,
 An you goin hurt plenny.
- ¹² Bummahs! Plenny army guys stay make big noise
 Jalike da noise wen da rough ocean stay poun.

Da armies from da diffren countries stay make noise,
 Jalike wen da watta stay come down from da mountain
 An no can stop um.

¹³ All da army guys from diffren countries make big noise,
 Jalike da big watta stay running.

But God tell um, "No do dat!"
 An dey run away one far place,
 Jalike da junk kine stuff from da wheat
 An jalike da dry weeds in front one storm
 Dat blow in da wind in da hills.

¹⁴ Bummahs! Sun down time we all sked.
 But befo da morning time,
 Dis wat happen:

Da guys dat like steal oua stuffs
 An take eryting,
 Dey no stay no moa.

18

¹ ✧ Bummahs! fo da peopo inside da land
 Wea da bugs stay dat make noise wit dea wings all da time,
 Dat land mo far from hea den Sudan,
 Wea da big rivas come togedda.

² Dea govmen sen dea messenja guys on top da watta.
 Dey go inside da kine boat dey make wit papyrus kine reed.
 Eh, you messenja guys!
 Go fas to dat odda country far away.
 To da peopo ova dea,
 Da tall guys wit smooth skin,
 Erybody sked dem.
 Den go from dea, go even mo far still yet.
 Get one real strong peopo ova dea
 Dat stay bus up erybody,
 Ova dea wea da big rivas cut thru dea land.

³ God tell dis:
 "All you peopo dat stay live inside da world,
 Wen I put up my war flag on top da mountains,
 You goin see um.
 An wen da trumpet make noise,
 You goin hear um."

⁴ Dis da ting Da One In Charge tell me:
 "I goin look down from wea I stay,
 But I goin stay quiet,
 Jalike da hot air look jalike stay move wit da light,
 But no mo noise notting,
 An jalike da watta dat stay on top da grass make one cloud
 Wen come real hot wen dey cut da plants,
 But stay quiet.

- 5 J alike befo dey harves da food,
 Wen no mo flowa awready
 An da grape start fo come ripe litto bit,
 God goin cut off da small branch dat no mo grape
 J alike he use da pruning shear,
 Den he throw um away,

 All thru da summa time, da scavenja birds from da mountains goin eat dea

 Da idol kine gods da Egypt peopo pray to
 Stay shake in front him.
 Da Egypt peopo stay plenny sked
 An no can tink good.
- 2 God tell: “I goin make da Egypt peopo go agains each odda.

 Dey make one plan, but I goin jam up da plan.
 Dey goin go aks dea idol kine gods,
 An da mahke peopo spirits.
 Dey goin aks da kahuna guys an wahines wat fo do.
- 4 I goin turn ova da Egypt peopo
 To one mean boss.

One strong king goin take charge a dem.”
Dat word come strait from Da One In Charge, Da Boss, Da God Ova All Da Armies!

- ⁵ Da Nile Riva watta no goin be enuff
Fo cova da Egypt land jalike one sea.
Da place wea da riva watta go goin stay all dry,
No mo wet place.
- ⁶ All da watta canal goin come haunas.
Da streams wea da Nile Riva split up goin come mo an mo dry.
An all da watta kine plants ova dea goin come rotten.
- ⁷ No goin get plants on da side a da Nile Riva
An wea da riva go inside da sea.
Da fields dey wen plant by da Nile Riva
Goin all come dry an blow away,
So no mo notting dea.
- ⁸ Da guys dat fish goin moan an get sad face.
All da guys dat try fo catch fish in da Nile Riva
Wit hook an net,
Dey goin stay sad.
- ⁹ Da guys dat make ready da flax plants
Fo make linen thread
An da guys dat weave da white cotton,
Dey goin stay bum out.
- ¹⁰ All da stuff dat stay da mos importan fo da Egypt land
Goin all come no good.
All da peopo dat work fo pay,
Dey feel real sore inside.
- ¹¹ Fo shua, da leada guys fo Zoan town, Egypt side,
Dey stupid kine peopo wit attitude!
An da mos smart guys,
Dey suppose to tell da Pharaoh guy, dea king,
Wat fo do,
But dey ony tell um stupid kine stuff fo do.
So den! How you guys goin tell da Pharaoh guy,
“Oua ancesta guys,
Dey was smart guys dat know wat fo do erytime,
An dey was kings from befo time”?!
No way you guys can tell da Pharaoh guy dat!
- ¹² So! Wea yoa smart guys stay now,
Da ones dat erytime know wat fo do?!
Let dem tell you wat Da One In Charge plan,
Wat Da One In Charge, Da God Ova All Da Armies,
Goin do agains Egypt.
- ¹³ Da leada guys fo Zoan town,
Dey go do stupid kine tings cuz dey no undastan.
Da leadas fo Memphis, az da main Egypt town, somebody wen bulai dem.
Da leadas fo da Egypt ohanas wen make dea peopo go da wrong way.
- ¹⁴ Da One In Charge, him da one wen make da Egypt peopo
So dey no can tink strait.

Cuz a Da One In Charge, da leada guys make dea peopo
Go da wrong way bout eryting dey stay do.

Da Egypt peopo, dey jalike one piloot guy
Dat stay fall all ova, even in his puke.

¹⁵ No ways da Egypt peopo goin know how fo work notting,
No matta dey rich o no mo notting,
O no matta dey importan o nobody know who dem.

¹⁶ Dat time, da Egypt peopo goin come jalike da wahines. Dey goin stay

¹⁸ Dat time, goin get five big Egypt town wea da peopo talk da Canaan

¹⁹ An dat time, goin get one altar fo make sacrifice fo Da One In Charge
inside da middo a da Egypt land, an one big stan up stone by da Egypt
borda, fo no foget Da One In Charge.

²⁰ Da altar an da stone goin be one sign fo show wat Da One In Charge
A All Da Armies stay do inside da Egypt land. Wen God peopo yell to Da
One In Charge fo help dem cuz odda peopo put plenny presha on top dem,
he goin sen one guy fo get dem outa trouble, az somebody dat goin fight
fo dem an get dem outa dea fas.

²¹ Da One In Charge goin let da Egypt peopo know who him. Wen dat
happen, dey goin come tight wit him. Dey goin pray to him an bring animal
sacrifices an wheat an barley sacrifices to him. Dey goin make strong
promises to him, an dey goin do wat dey wen promise fo do.

²² He goin punish da Egypt peopo wit one bad kine sick, but den he goin

One In Charge, an he goin lissen wen dey pray to him, an make um come
good.

²³ Dat time, goin get one big road go from Egypt to Assyria. Da Assyria
peopo goin go Egypt side, an da Egypt peopo goin go Assyria side. An dey
goin work togedda fo Da One In Charge.

²⁴ Dat time da Israel peopo goin make one deal wit da Assyria peopo an
da Egypt peopo, da three a dem togedda. Cuz dey come togedda, real good
stuff goin happen fo all da peopo in da world.

²⁵ Cuz Da One In Charge, Da God Ova All Da Armies, he goin do good stuff
fo all a dem. He goin tell, "I goin make good stuff happen to my peopo, da
Egypt peopo, an to da Assyria peopo dat I wen make, an to da Israel peopo
dat goin be mines foeva!"

¹ Was da year King Sargon from Assyria wen sen one a da main general guys wit his army guys fo go agains Ashdod town inside Judah an take ova da town.

² Dat time, Da One In Charge wen tell me, Isaiah, Amoz boy, fo talk fo him. He tell me, "Hemo da burmbag cloth from yoa body, an take off da slippa from yoa feets." So I do dat. I take um off an go naked an barefeet.

³ Laytas, Da One In Charge tell, "Wat my worka guy Isaiah wen do, go naked an barefeet fo three year, az jalike one sign fo blow da peopo mind bout wat goin happen to da Egypt peopo an da Sudan peopo.

⁴ So da king fo Assyria goin take da prisonas from Egypt an Sudan outa dea country naked an barefeet. No matta dey young o ol, dea okole an dea olos goin show, an dat goin make da Egypt peopo come shame.

⁵ Da Judah peopo dat wen trus da Sudan peopo an talk big bout da Egypt peopo, dey goin lose fight an come shame too.

⁶ Dat time, da peopo dat stay live hea nea da Judah coast, dey goin tell, 'Eh, us guys wen trus dose Egypt an Sudan peopo! Us wen run away an go by dem fo dem help us fo get outa da trouble da Assyria king like make fo us. If dat wen come to dem, den how us guys goin get outa dis bad kine stuff?! No way!' "

21

¹ Get heavy kine stuff fo tell too, bout wat goin happen to da Babylon land, Da Boonies By Da Sea:

"One army go come agains Babylon,
From one land wea da peopo real tough
An erybody stay sked a dem!
Dey goin go quick thru da Babylon land,
Jalike da kine big storm wind dat blow hard
Outa da boonies an go thru da south part a Judah."

² God wen show me stuff

"Jalike da guy dat like set up his braddahs,
He goin do um.
Da guy dat like bus up eryting,
He goin bus um up.
Da Babylon guys goin make plenny peopo suffa an moan,
But I goin make da Babylon guys stop all dat!
You Elam army guys, go afta Babylon town!
You Media army guys, make camp all aroun Babylon too,
Fo nobody go inside dea o come outside!"

³ Wen I hear dis, I come plenny sore inside
An I move my body.

⁵ Eh, you Babylon leada guys!
 Make da table ready fo one luau!
 Put down da mats!
 Eat an drink up!
 But make shua yoa shields stay ready!
 Cuz you goin fight, right now!

⁶ Dis, az wat God my boss tell me:
 "Go put one watcha guy outside
 Fo tell us wat he see.

⁷ If he see war wagons
 An plenny horse wit um,
 Guys stay riding on top donkeys,
 An on top camels,
 Den he gotta look real good,
 An lissen!"

⁸ Den da watcha guy talk loud,

⁹ ✧ An now, look!
 One guy inside one war wagon stay come,

Den somebody tell, "Babylon town stay all bus up!
 All da idol kine gods fo Babylon,
 Stay all smash an all on top da groun!"

¹⁰ God tell, "Bummahs! My Israel peopo,
 You pooa guys stay all bus up,
 Jalike wen dey smash da wheat on top da groun
 Fo take out da junk kine stuffs."

¹⁶ Dis da ting God my boss tell me: “Befo pau one year, jalike one guy dat get work contrack mark how many days mo till da contrack pau, all da rich stuff inside Kedar no goin be no moa.

¹⁷ Ony goin get litto bit mo guys from da Kedar army dat know how fo fight good wit bow an arrow, dat still stay alive.”
 Dass wat Da One In Charge tell, da God fo da Israel peopo.

Wat God Tell Bout Da Jerusalem Peopo

(1 Corint 15:32; Jesus Show 3:7)

¹ Me Isaiah, I get heavy kine stuff fo tell bout wat I see goin happen to da Jerusalem peopo:

Dis wat God tell bout da place
 Wit mountains all aroun,
 Wea can see wat goin come bumbye.

“Wassup wit all you guys?!
 How come erybody go up on top yoa flat roof?!

² All ova Jerusalem town
 Some a you guys stay yell an moan,
 An odde guys make party!
 Same time get mahke guys bodies all ova da place.

Nobody wen kill dem wit swords.
 Dey neva fight in da war,
 But still yet, dey mahke.

³ Da leada guys fo yoa army
 Dey all wen run away togedda.
 Da odde guys no even shoot arrow at dem.
 Dey jus grab um an tie um up.

Da guys from da town come prisonas too,
 Even da guys dat run away
 Wen da army guys still yet stay far away from da town.”

⁴ Dass why I tell dis,
 “Go way! No look at me!

Let me cry hard!
 No try make me feel good inside
 Cuz dey wipe out my peopo!
 My peopo, dey jalike one wahine,
 Gone awready, eryting dey get.

⁵ “Da One In Charge a me, Da God Ova All Da Armies,
 One day he goin come.

Den, God goin jam up da Jerusalem peopo head
 Fo dem no tink an donno wat dey stay do.

He goin make dem run all ova each odda,
 Right dea, inside da place wit mountain all aroun
 Wea can see wat goin come bumbye.

Dat time, da army goin broke down da Jerusalem wall.

All da way to da mountain goin hear da peopo stay yelling.

⁶ Da Elam guys goin shoot dea bow an arrow at da Jerusalem guys
 From inside da war wagon,

Wit odda guys fo drive da horses fo da war wagon.
 Da guys from Kir goin put up da shield.

⁷ Yoa bestes kine valleys
 Get plenny war wagon.

Da army guys dat ride horse
 Stay watch by da gate fo da town.

⁸ Da Judah peopo no can hide wat dey stay do.

Dat time, dey ony goin trus da ol stuff fo fight wit
 Dat dey keep inside da palace dat dey call

Da Fores House.

⁹ But you guys goin see dat get plenny place
 Wea da wall stay bus up awready
 All aroun Jerusalem, King David big town.

You guys goin keep watta
 Inside da makai watta place.

¹⁰ You count da houses inside Jerusalem,
 Den you broke um down fo get wood an stone
 Fo make da wall mo strong.

¹¹ You guys goin build one new watta place
 Inside da town walls

Fo nobody take da watta
 From da ol watta place.

“But you guys neva even tink bout Da One In Charge,
 Da One dat wen make all dis happen,
 Cuz he wen plan um from long time befo time.

¹² My boss, Da One In Charge, Da God Ova All Da Armies,
 He goin call you dat time

Fo cry an stay sad inside,
 Fo pull out yoa hair,

An put on burmbag kine clotheses,
 Fo show you stay sad inside.

¹³ ☆ But you know wat?!
 You guys no stay sad inside.

You guys dance an sing,
 An make party,
 You kill cows an sheeps,
 Eat da meat an drink da wine.
 You tell, 'Eat an drink now,
 Cuz tomorra, we mahke!'
 14 I hear Da One In Charge, Da God Ova All Da Armies,
 Tell dis bad kine ting you guys stay do,
 I no goin hemo yoa shame fo dat
 Fo all da days you stay live."
 Dass wat my Boss tell,
 Da One In Charge, Da God Ova All Da Armies.

Wat God Tell Bout Da Guy Shebna

15 Dis da ting Da One In Charge a me, dass Da God Ova All Da Armies, tell:
 "Go see dis guy Shebna, dat take kea all da palace kine biznis. Tell um
 strait:
 16 'Wassamatta you?!
 Dis not yoa kuleana, you know!
 How come you get yoa peopo hea?!
 Who give you da right
 Fo build one fancy kine tomb inside dis big stone
 Fo yoa ohana bury you ova hea wen you mahke,
 One tomb dass mo high inside
 Den da tomb fo da oddas inside da big rock?!
 Dass da place you goin stay afta you mahke!

17 " 'You betta watch out!
 Da One In Charge stay ready fo grab you
 An throw you away, you big moke!

18 He goin roll you up tight jalike one ball,
 An throw you inside one big land.
 Dass wea you goin mahke,
 An dass wea da war wagons goin stay,
 Dat wen make you look so awesome!
 But now, you da one
 Make shame fo yoa boss guys!

19 I goin take yoa kuleana away from you.
 I goin throw you outa yoa palace job!

20 " 'Dat time, I goin call my worka guy,
 Eliakim, Hilkih boy, fo come work fo me.

21 I goin put yoa robe an yoa alii sash on top him,
 An give him da powa
 Fo do da job you get right now.
 He goin come jalike da faddah guy
 Fo da peopo inside Jerusalem,
 An da Judah ohana peopo.

22 ☆ I goin give Eliakim da right
 Fo run da govmen fo da king,
 Jalike him da one carry da key fo King David palace
 An work fo da King David ohana.

Wen Eliakim open someting,
 No mo nobody can shut um.
 Wen he shut someting,
 No mo nobody can open um.
 23 I goin make Eliakim come one strong guy,
 No mo notting can make him change,
 Jalike one strong stick
 Dat stick out from da wall fo hold stuff.
 Erybody goin get choke respeck fo his faddah ohana,
 Cuz Eliakim goin be jalike da throne dat hold da king.
 24 Him da one gotta carry da load
 Fo all his faddah guy ohana peopo
 Fo make shua dey all get respeck.
 Dey goin make Eliakim take kea eryting fo dem,
 Even da mos small kine stuff.' ”

25 Da One In Charge, Da God Ova All Da Armies, Dis wat he tell:
 “Bumbye, even Eliakim goin come jam up,
 Jalike wen somebody put one peg fo hang someting
 On top one solid place an da peg come loose.
 Somebody goin chop um off,
 Den da whole load goin fall down
 An eryting dat hang on top um goin come wipe out.”
 Da One In Charge, he da One tell all dat.

Wat God Tell Bout Tyre

1 ✨ Me, Isaiah, I get heavy kine stuff fo tell bout wat I see goin happen to da Tyre peopo:
 All you guys inside da boats dat go Spain side,
 Cry an yell cuz you stay sad inside.
 You guys no mo house now,
 No mo place fo da boats fo go in.
 Wen da boats come back from Spain
 An stop Cyprus Islan,
 Den somebody tell dem
 Dat Tyre town stay all bus up awready.
 2 You peopo dat live nea da beach,
 No say notting cuz you feel so bad!
 You Sidon guys dat buy stuff an sell um,
 Was da Tyre peopo
 Dat go an come on top da boats
 Dat befo time wen bring you wateva you like.
 3 Befo time, dey go on top da big ocean
 An bring back plenny stuffs,
 Cuz dey buy an sell seeds Shihor side,
 An buy da food da Nile Riva peopo harves.
 Az how Tyre town wen stay
 Jalike da open market fo all da nations.

✨ 23:1 23:1; Ezek 26:1-28:19; Joel 3:4-8; Amos 1:9-10; Zek 9:1-4; Matt 11:21-22; Luke 10:13-14

- 4 But now, you peopo inside Sidon town,
 You ony get shame!
 Tyre was da town wit da strong wall by da sea
 Dat wen take kea all you odda peopo!
 But now, jalike da Tyre peopo stay tell,
 "Us guys no mo nobody
 Fo do how us wen do befoa.
 Jalike us neva hurt plenny
 An born kids fo stay tight wit us,
 Us neva raise young guys o wahines
 Fo take ova oua biznis bumbye."
 5 Wen da Egypt peopo hear
 Bout wat happen inside Tyre,
 Goin hurt dem plenny,
 Jalike one wahine start fo hurt
 Wen she start fo born one bebe.
- 6 Run away da odda side a da sea, to Spain!
 Cry an yell cuz you stay sad inside,
 You peopo from da islan dat still stay dea!
 7 Fo shua, dis not da same big town
 Dat erytime stay make party befo time!
 Dis not da same ol town dat stay from long time befo time.
 Cuz now, all da Tyre peopo go far away awready.
 Dey no stay dea no moa.
 Dey go live wea dey no mo land.
- 8 Who you tink wen make da plan
 Fo wipe out Tyre, da big town?!
 Befo time, was dea king
 Dat give plenny odda kings dea crown!
 Da guys from Tyre dat buy an sell stuff was princes,
 An erybody in da world get respeck
 Fo da guys dat go one far place fo sell stuff.
- 9 Was Da One In Charge, Da God Ova All Da Armies!
 He da One plan um
 Fo shame all da awesome peopo dat get big head,
 An make erybody in da world lose face
 Dat wen get respeck befo time.
- 10 You Tyre peopo dat live Spain side now,
 Okay fo you go from one end a yoa land to da odda end,
 Jalike da Nile Riva go all ova Egypt,
 From one end to da odda end,
 Cuz no mo notting make you stay one place no moa.
- 11 Wen Da One In Charge put up his hand fo use his powa ova da ocean,
 He make da kings an dea peopos come sked an shaking.
 He da One dat tell, az time fo wipe out
 Da towns inside Fonisha dat get strong wall.
- 12 He tell da peopo inside Sidon town
 "You no goin feel good bout notting no moa!
 You guys goin be jalike one young wahine

Dat get rape.
Even if you guys go ova dea Cyprus Islan,
You guys no goin res dea."

¹³ Look! da Babylon land!
Da peopo dat live dea,
Befo time, nobody know who dem.
Da Assyria guys wen use da Babylon land
Fo da wild animals dat stay inside da boonies.
But layta, az da Babylon peopo from da boonies
Build towas fo fight Tyre town.
Dey rip off eryting inside da palaces inside da town,
An leave all da rubbish wea had house.

¹⁴ All you Tyre guys inside da boats dat go Spain side,
Cry an yell cuz you stay sad inside.
Cuz yoa Tyre town dat get strong wall stay all bus up!

¹⁵ Dat time, erybody goin foget bout Tyre fo seventy year. Dass jalike
da time wen one king stay alive. Afta da seventy year, goin come fo Tyre
jalike da song tell bout one hoa:

¹⁶ "You, da hoa dat erybody foget,
So take one harp
Play nice music an sing plenny song
Fo guys tink bout you long time."

¹⁷ Cuz afta seventy year, Da One In Charge goin tink bout da Tyre peopo,
an goin do someting fo help dem. Den da peopo inside Tyre goin go back
an make jalike befo time. Dey goin buy an sell stuff one mo time wit all da
kings all ova da world an dea peopos, jalike one hoa.

¹⁸ But dat time, wateva da Tyre peopo make from wat dey buy an sell,
an from work, goin come spesho fo Da One In Charge, not fo ony dem.
Wateva dey make, goin be fo plenny food an good clotheses fo da peopo
dat stay tight wit Da One In Charge.

24

*Da One In Charge

(Luke 21:34-35)*

¹ Da One In Charge, he stay ready fo wipe out da whole world
An make um come empty!

He goin change da mountains an valleys
An all da peopo goin go all ova da place.

² Goin be same same fo all a dem,
Da pries guys an da regula peopo,
Da slave guys an da boss guys,
Da worka girl an da lady she work fo,
Da guy dat buy stuff an da guy dat sell stuff,
Da guy dat lend stuff an da guy dat borrow,
Da loan shark guys an da guys dey wen lend um.

³ All ova da world, no goin get notting dea,
Jalike somebody wen go rip off eryting!
Dis wat Da One In Charge tell.

- 4 Da world, jalike stay sad inside, an all dry up.
 Ery place peopo live, jalike dey stay tired, an all dry up.
 Da big name peopo, jalike dey all tired too.
- 5 Da whole world,
 Jalike stay pilau awready
 Cuz a da peopo dat live dea.
 Az cuz dey no do da stuff God wen teach um,
 An broke da Rules—
 Da deal God wen make wit dem foeva.
- 6 Dass why God put kahuna on top da world
 Fo burn up eryting dea.
 All da peopo dat live dea,
 Dey gotta suffa cuz dey wen do wrong.
 Dass why, from da ones dat live on top da earth,
 Ony litto bit peopo stay now.
- 7 Da grape plant no grow nice,
 Da juice from da grape fo make wine, look funny kine.
 Da kine peopo dat like party an feel good,
 Dey stay moan.
- 8 Good fun, da tammorine, but now no mo noise.
 Da noise from da party guys, all gone.
 Good fun, da harp, but dat stay pau too.
- 9 Nobody drink wine an sing no moa.
 Wen dey drink beer, taste bad.
- 10 Da big town stay all bus up,
 No mo notting inside dea.
 All da door fo ery house stay shut
 Fo nobody come inside.
- 11 Da peopo stay yell on da street,
 Cuz no mo notting fo drink.
 Befo time dey dance an sing plenny,
 But all dat pau,
 Jalike wen da sun go down an eryting come dark.
 Eryting dat wen make da peopo dance an sing,
 Da army guys wen take um to dea country.
- 12 Inside da big town, eryting stay bus up
 An ony get rubbish dea.
 Even da town gate stay all smash.
- 13 An dass how goin be,
 Right dea inside da middo a da land,
 Wit odda peopos all aroun dea.
 Ony litto bit peopo goin stay,
 Jalike wen dey wack da olive tree wit sticks
 Till ony litto bit olive stay on top,
 An jalike wen dey harves da grapes
 An leave litto bit grape
 Fo da pooa peopo dat no mo notting.
- 14 Bumbye, da peopo dat still stay inside da land,
 Dey goin yell plenny an sing
 Cuz dey stay feel good inside.

From da west side nea da big sea,

Da peopo goin yell

Bout how awesome Da One In Charge stay.

¹⁵ Dass why you peopo dat live east side

Wea da sun come up,

Make shua da peopo dea show respeck fo Da One In Charge!

An you guys dat live dea on top da islans,

Make shua da peopo dea know wat kine god Da One In Charge,

Da God fo us Israel peopo!

¹⁶ From da mos far places on top da earth

We hear peopo sing,

“Da peopo dat do da right ting erytime,

Dey look real good!”

But me, I tell dis:

“Bummahs! Jalike I stay come wipe out!

Cuz get peopo, I no trus dem.

Dey tell, dey stay my side.

But wen I wen trus dem,

Dey trick me.

¹⁷ “You peopo dat live on top da earth,

You goin come real sked an shaking,

Jalike you fall inside one deep hole,

An somebody catch you in dea trap!

¹⁸ Anybody run away from some skery kine noise,

Dey goin fall down inside da deep hole.

Anybody climb outa da deep hole,

Somebody goin catch dem in da trap.

“Az goin be jalike da time

Da sky wen open fo let da watta come down,

An undaneat da earth, da foundation stay shake!

¹⁹ “Da earth stay all bus up.

Da earth stay all crack.

Da earth stay shake plenny.

²⁰ Da earth move dis way an dat way

Jalike one guy dat drink plenny

An jalike one shack ready fo fall down.

Da peopo all ova da world stay go agains God,

Dass someting real bad fo dem

Dat make um fall down,

An dey no can get up no moa.

²¹ “Dat time, Da One In Charge goin punish

All da bad angel army guys inside da sky dat get powa dea.

An da kings on top da earth dat get powa dea.

²² He goin bring dem togedda

An put um inside one prison,

Jalike dey prisonas all tie up inside one hole.

He goin lock um up dea, jalike inside one prison.

Afta long time, den he goin punish dem.

23 “Den da bright moon no need shine
 Cuz no need da light.
 An da hot sun no need shine
 Cuz no need um fo stay warm.
 Az cuz dat time,
 Da One In Charge,
 Da God Ova All Da Armies,
 He goin be da king
 On top Zion hill wea da Temple stay
 Inside Jerusalem town.
 In front da older guys dat lead his peopo
 He goin show how awesome he stay.”

25

 Wea da peopo build palace,
 No even get one mo town dea now.
 No way dey goin build um up one mo time.

3 Dass why goin get strong peopos
 Dat show respect fo you, Da One In Charge.
 Peopo from da big towns dat stay real mean,
 Dey goin stay sked a you.

4 I goin tell dat you da greates, Da One In Charge,
 Cuz you give place
 Fo da peopo dat no mo notting, fo hide.
 You, one place fo da peopo
 Dat need res an help wen dey get trouble.
 One place fo go inside
 From da big rain an da hot sun,
 Cuz wen da mean guys go afta peopo,
 Feel jalike wen da hard, cold rain
 Hit agains one wall,

5 Wen da army guys from anodda place make big noise,
 Oua peopo feel real dry,
 Jalike dey stay on top one land wea no mo watta,
 An stay all dry, an da sun hot.

But you make so no mo noise no moa.
 You no let dose mean guys sing no moa,

 Cuz still yet, jalike dey all get cova ova dea head,
 An Da One In Charge goin take away dat cova.

⁸ ✧ Da One In Charge a me stay make peopo
 So dey no goin mahke no moa, eva.
 Dey all stay cry now,

 But he goin take away all dat shame.
 Dass wat Da One In Charge tell.

⁹ Dat time, peopo goin tell,
 "Eh! Dis, oua God, fo shua!
 We wen trus him,
 An he wen get us outa trouble!
 Dis Da One In Charge, da One we trus.
 Now, us guys can dance an sing,
 An stay feel real good inside
 Cuz he wen do dat.

¹⁰ ✧ An on top dis same mountain, Jerusalem side,
 Da One In Charge goin use his powa dea.

"But da Moab peopo,
 Odda peopo goin walk all ova dem,
 Jalike wen dey make someting fo burn fire,
 Firs dey throw da doodoo from da animals
 An straw from da wheat, an watta inside one hole,
 Den dey step um down good fo mix da mud.
¹¹ Da Moab peopo goin push wit dea hands inside dea
 Fo stay on top da doodoo,
 Jalike one guy push da watta fo swim.
 Dey get big head,
 But God goin make dem come notting,
 No matta wat dey do wit dea hands.

 On top da dirt."

26

 Da ting us fo real kine like fo erybody know,
 Is wat kine god you, an no foget you.

9 All nite, I fo real kine tink bout you.

- An morning time, I go all out
Fo know you fo real kine.
Cuz wen you judge peopo an punish dem,
Den peopo all ova da world

- 10 But even if God hold back from punish da bad guys,
Dey no goin learn fo do da right ting.
Even inside one land
Wea all da odda peopo stay do da right ting,
Da bad kine peopo still goin do bad kine stuff.
Dey no goin see

Az cuz da Israel peopo, dey not da kine peopo

Dat undastan stuff,

Dass why God dat wen make dem

No feel pity fo dem.

He no like do notting fo dem.

¹² Dat time, Da One In Charge goin pick his peopo

Jalike wen peopo wack da wheat o barley dey wen harves

Fo get da good wheat one side an da junks da odda side.

He goin take you Israel peopo, one by one,

An bring you togedda, Jerusalem side,

Even from da big Eufrates Riva

An from da stream dass da borda fo da Egypt land.

¹³ Dat time, one big sheep horn trumpet goin blow.

Da Israel peopo dat stay go all ova da place inside Assyria

An da ones dey wen make go Egypt side,

Dey all goin go God spesho hill inside Jerusalem town,

An go down in front Da One In Charge

Fo show love an respeck fo him ova dea.

Bummahs Fo Da Efraim Peopo!

(Rome 9:33; 1 Corint 14:21; 1 Peter 2:6)

¹ Bummahs! Samaria town, Efraim side,

Look jalike get one nice haku lei

On top a da Samaria hill,

Ova one valley wea eryting grow good!

But dat lei, jalike da good looking flowas

Stay come all dry up now.

Az cuz da Efraim peopo get big head

An dey stay piloot all da time!

Plenny rich stuff come from dat valley,

But da peopo from dea ony drink up da wine,

Till dey no can even stan up!

² But you know wat?!

My boss get da Assyria army,

Dat stay real strong wit plenny powa.

Dey stay jalike one rain storm dat fall down wit ice,

One real strong wind dat wipe out all da plants,

One storm dat make da watta come up all ova da place,

Wit plenny powa fo throw down da big town.

³ Dat town look jalike get one nice haku lei on top um.

Proud, da pilot guys from Efraim tink bout um.
 Da ones dat stay agains Samaria goin bus up da town
 Jalike dey step an smash da nice haku lei.

⁴ Dat town, da army guys goin take um ova
 An rip off eryting,
 No matta da place stay look
 Jalike one nice looking flowa,
 On top a da Samaria hill,
 An stay jalike one real nice haku lei
 Dat stay come all dry up,
 Ova one valley wea eryting grow good!
 Dat town, goin be jalike one fruit dat come ripe early
 An somebody see um,
 An right den an dea,
 Dey grab um an eat um.

⁵ But dat time, Da One In Charge,
 Da God Ova All Da Armies,
 He goin come jalike da nice looking haku lei
 An jalike one awesome crown
 Fo da Israel peopo dat still stay alive dea.

⁶ Da guys dat get da job fo judge,
 He goin make dem come
 So dey fo real kine like judge da right way.
 Da army guys dat get da job
 Fo make whoeva like fight dem
 Go back da town dey come from,
 He goin make dem fight good.

⁷ But nowadays, even dose guys
 Fall down cuz dey drink too much wine
 An no can walk good cuz a da beer!
 Even da pries guys an da guys dat talk fo God,
 Dey fall down cuz a da beer
 An no can figga right cuz a da wine.
 Wen God like show um someting jalike one dream,
 Dey no undastan um an dey tell um az wrong
 Wen dey gotta judge wass right an wass wrong,
 Dey no can do um, cuz dey stay jam up.

⁸ Dey bahf all ova on top all da tables,
 Get doodoo all ova on top,
 No mo one clean table.

⁹ Dey stay talk lidis:
 "Eh! Dis Isaiah guy, who he tink him?!"
 He try fo teach us stuff,
 An make us guys undastan!

How come he stay make to us
 Jalike us bebes dat jus pau drink milk
 From dea muddah breas?!

¹⁰ Da buggah ony tell da same ting, ova an ova,
 'Do dis, do dat,
 One rule, anodda rule,

Litto bit hea, litto bit dea!' "

- 11 ✧Cuz dey no like lissen,
 God goin sen odda peopo fo talk to dem,
 Army guys from anodda place
 Wit da kine language dey no undastan!
 Still yet, God goin talk to his peopo,
 12 Jalike he wen tell um befo time,
 "Dis da place fo res.
 Da guys dat tired can res ova hea.
 Dis wea you guys can sleep."
 But dey no like lissen.
- 13 Az why, fo dem guys, wat Da One In Charge tell um
 Goin be jalike wat he tell befo time:
 "Do dis, do dat,
 One rule, anodda rule,
 Litto bit hea, litto bit dea."
 An dey goin go way,
 But den dey goin fall on dea okole.
 Dey goin come all bus up.
 Da army guys goin grab dem
 An dey goin come prisonas.
- 14 Cuz a dat, lissen wat Da One In Charge tell,
 You guys like laugh at God,
 You guys dat stay in charge a dis peopo inside Jerusalem!
- 15 You Jerusalem guys talk big!
 You guys tell,
 "Us guys wen make one deal fo us no mahke.
 We get promise fo no go da Mahke Peopo Place!
 Wen da army guys come hea,
 No matta dey go all ova jalike da big watta,
 Dey no goin come wea us guys stay.
 Cuz us guys know how fo bulai dem
 So dey no goin hurt us.
 We no goin tell um da trut,
 An dass how we goin stay outa trouble."
- 16 ✧Cuz dass how you guys tink,
 Da One In Charge a me tell dis:
 "Dis, wat I do!
 I da One goin put one stone on top da Zion hill
 Wea my Temple stay.
 One fo shua solid kine stone.
 Dat stone, jalike da corna block.
 Dass real importan
 Fo make da foundation stay solid.
 An da stone mean dis:
 'Anybody dat trus him, no need worry.'
- 17 Fo tes you Jerusalem peopo,
 I goin look fo see if you stay judge da right way

An if you do wass pono erytime,
 Jalike da builda guys use one strong string
 Fo measure tings,
 An dey pull anodda string
 Fo check out if da building stay strait.
 You guys tink you can bulai da Assyria army guys
 Fo dem no hurt you.
 You tink you get one place fo hide
 Wen da army guys come
 Jalike da big watta.
 But no way you can bulai dem!
 No mo no place you can hide!
 18 Da deal you guys wen make fo no mahke,
 No goin be awready!
 Da promise somebody wen make to you guys
 Fo no go da Mahke Peopo Place,
 No goin work!
 Wen da army guys come thru dis place,
 No ways you guys even can stan up,
 Jalike wen da big watta come!
 19 Goin get plenny army guys
 Dat stay come thru hea
 Ery morning, ery day, an ery nite,
 Jalike erytime da big watta come,
 An catch you guys an take you away.”

Wen da peopo undastan wat dis mean,
 Dey goin be fo real kine sked an shaking.
 20 Da peopo, dey no goin get one place fo hide,
 Jalike dey stay sleeping in one bed dass too short,
 Jalike dey stay using one blanket dass too small.
 21 ✧Da One In Charge goin start fo do tings fo you guys,
 Jalike da time da Israel peopo wen fight da Filisha guys, Mount Perazim
 side.
 Da One In Charge
 Goin come real huhu an bus up peopo,
 Jalike da time dey wen fight da Amor peopo, Gibeon Valley.
 He goin do watevas he like do,
 No matta wat he stay do
 Goin make da peopo drop dea jaws,
 No matta nobody wen see him make lidat befo time.
 22 So now, dass why you guys betta not make fun a wat I tell,
 O God goin punish you guys even moa.
 Cuz dis wat Da One In Charge a me tell,
 He Da God Ova All Da Armies:
 He make up his mind awready
 Fo wipe out all da Israel peopo
 Inside da land!

23 Lissen good wat I stay tell you.

✧ **28:21** 28:21 a: 2Sam 5:20; 1Rec 14:11; **b:** Josh 10:10-12

- Hear wat I stay tell.
- 24 Wen da farma guys plow da dirt fo plant,
 You tink dey ony plow um ova an ova,
 But dey no plant notting?!
 No way.
- You tink dey ony broke up da dirt
 An make row fo plant?!
 Not even.
- 25 Afta dey make da top come level,
 Dey throw da seeds fo da black cummin
 An fo da regula kine cummin on top dea.
 Dey plant da wheat in rows,
 An barley in da right place,
 An anodda kine wheat aroun da outside.
- 26 Cuz da God da farma guys pray to
 Make shua dey know how fo do um,
 He show um da right way.
- 27 Dass why, wen dey take out da junks,
 Dey no drag one heavy wood ova da black cummin,
 An dey no roll da wagon wheel ova da regula cummin.
 Dey hit da black cummin wit one stick ony,
 An same ting fo da regula kine cummin.
- 28 Fo make bread, firs gotta smash da wheat litto bit
 Fo take out da junks,
 But no need stay take out da junks all da time.
 Dey use da horses
 Fo move da wagon wheel ova um,
 But not fo smash da wheat real small kine.
- 29 So all dis stuff dat da farma guys know,
 Dass one mo ting dat come from Da One In Charge,
 Da God Ova All Da Armies.
 Wen he teach peopo how fo do someting new,
 Dea jaw drop!
 Fo shua he know how fo do
 Importan kine stuff erytime!

29

Bummahs Fo Da Jerusalem Peopo!

(Matthew 15:8-9; Mark 7:6-7; Rome 9:20; 11:8; 1 Corint 1:19; Colosse 2:22)

- 1 Bummahs! fo da peopo inside Jerusalem town,
 Da town dat get da spesho name Ariel!
 Da town wea King David an his army guys
 Wen make camp befo he take ova da town.
 Year afta year, you Jerusalem peopo,
 Still make da spesho religious kine time!
- 2 Still yet, I goin make hard
 Fo da peopo inside Ariel town.
 Dey goin stay sad an sore inside.
 Bumbye Ariel town goin be fo me,
 J alike da kine town I like um fo be.
- 3 J alike King David time,

I goin make army guys come make camp
 An go circle aroun da town.
 I goin put army guys wea dey stay ready
 Fo fight you guys.
 I goin tell um fo pile up dirt
 Fo walk on top da wall.
⁴ Yoa peopo goin come notting.
 Wen you guys go try fo talk, goin soun
 Jalike you stay bury unda da groun.
 Wateva you like tell,
 Goin stay down inside da dirt.
 You guys goin soun jalike one mahke guy
 Talking from da groun an no can hear,
 O jalike one small bird on top da dirt.
⁵ Goin get real plenny guys from anodda place
 Dat stay agains you guys,
 But dey goin come jalike da dirt on top da groun.
 All da peopo dat like hurt you guys,
 Dey goin come jalike da junk kine stuffs from da wheat
 Dat stay blow way.
 Goin come real fas,
⁶ From me, Da One In Charge,
 Da God Ova All Da Armies,
 Goin come time fo make eryting come good.
 Goin get thunda,
 An da groun goin shake, an get big noise.
 Goin get strong wind, an storm,
 An fire dat goin wipe out eryting.
⁷ Dat time, da Jerusalem peopo
 Goin tink bout all da diffren armies
 Dat wen fight dem,
 An how dey wen try fo bus up
 Da strong wall aroun da town,
 An how dey wen make hard fo da peopo.
 Wen da Jerusalem peopo tink bout all dat,
 Goin be, jalike ony was one dream
 Dat dey wen see nite time.
⁸ Az jalike wen one guy dream dat he hungry an stay eat,
 But he wake up an he still yet hungry.
 Jalike wen one guy dream dat he thirsty an stay drink,
 But he wake up an he not strong,
 An still yet he thirsty.
 Same ting fo all da diffren peopos
 Dat stay fight Jerusalem town.
 Jalike dey dream dey take ova Mount Zion inside Jerusalem,
 But dey wake up, an dey no can.
⁹ Hang aroun an no do notting,
 An yoa jaws goin drop!
 Cova yoa eyes,
 Fo you no see notting!
 Come jalike you stay pilot,

But not cuz you drink wine.
 Walk aroun an stagga,
 But not cuz you drink beer.
 10 ☆Cuz jalike Da One In Charge wen make you pass out an sleep!
 You guys dat talk fo him,
 He shut yoa eyes real good.
 You guys dat can see wat goin come bumbye,
 Jalike he wen cova yoa head wit one cloth.

11 Fo you guys, da tings dat God show
 Wen come jalike one paypa dat get words on top
 An somebody roll um up
 An close um wit one wax kine seal.
 If you give um to somebody dat know how fo read,
 An tell um "Read um fo me,"
 He goin tell, "I no can.
 Get seal on top um."

12 An if you guys give um to somebody dat donno how fo read,
 An tell him fo read um,
 He goin tell, "I no can.
 I donno how fo read."

13 ☆My Boss tell:
 "Dis peopo tell dey mines,
 But dey ony mout!
 Dey talk jalike dey get respeck fo me.
 But ony mout dem!
 Inside dey stay far from me.
 Wen dey like show love an respeck fo me,
 Dey ony copy da words dey wen learn
 From da rules odde peopo tell um fo do.

14 ☆Az why I goin do dis awesome ting
 One mo time fo dis peopo,
 All plenny kine stuff, ova an ova.
 All da stuff dat da guys tell
 Dat know wat fo do erytime,
 Goin all come wipe out.
 An all da stuff dat da guys tell
 Dat undastan stuff,
 Nobody goin know wat dey know, bumbye."

15 Bummahs! fo da guys dat tink dey can hide dea plans
 Inside one deep hole, so Da One In Charge donno bout um.
 Bummahs! fo da guys dat do dea work in da dark an tink,
 "Nobody goin see us! Nobody goin know!"

16 ☆You guys make eryting all kapakahi!
 You tink da guy dat make clay pots
 He jalike da clay?
 You tink da ting somebody make
 Goin tell bout da guy dat make um,
 "Eh! He neva make me!?"

☆ 29:10 29:10: Rome 11:8 ☆ 29:13 29:13: Matt 15:8-9; Mark 7:6-7 ☆ 29:14 29:14: 1Cor 1:19
 ☆ 29:16 29:16: Isa 45:9; Rome 9:20

You tink da pot goin tell bout da guy dat make um,
 “Eh! He donno notting!”?

- 17 Pretty soon, Lebanon goin come
 One place wea plenny tree grow.
 Peopo goin tink dat place look jalike one fores.
- 18 Dat time, da peopo dat no can hear,
 Dey goin hear wat one roll up paypa tell.
 Da guys dat no can see, an see ony dark kine stuff now,
 Dat time dey goin see
 No matta dark all aroun dem.
- 19 Da peopo dat no need be numba one all da time
 Dey stay feel good inside one mo time
 Cuz dey stay tight wit Da One In Charge.
 Da peopo dat no mo notting goin dance an sing
 Cuz dey stay tight
 Wit da God fo da Israel peopo,
 Da One dat stay good an spesho.
- 20 Da mean kine guys goin disappea.
 Da stupid head kine peopo wit attitude goin go too.
 Erybody dat make plan
 Fo do bad kine stuff,
 God goin wipe dem out.
- 21 Da guys dat use words
 Fo make some odda guy do someting bad,
 Da guys dat trap one guy
 Dat stay talk to da judge,
 Da guys dat bulai bout one guy dat neva do notting bad,
 No matta wat dey tell no mean notting,
 Dey no goin stay.
- 22 Da One In Charge, da One dat wen get Abraham outa trouble, tell dis
 bout da Jacob peopo,
 “Now, da Jacob peopo
 No goin come shame no moa.
 Dey no need get sked.
- 23 Wen da Jacob ohana peopo see dea kids aroun dem,
 Da kids I wen make,
 Dey goin know who me,
 An ack pono cuz dey know
 I stay good an spesho.
 Dey goin show me respeck
 Cuz I da Good an Spesho One
 Dat Jacob wen pray to befo time.
 Dey goin feel real sked in front me,
 Da God fo da Israel peopo.
- 24 Da peopo dat stay all mix up inside,
 Dey goin undastan.
 Da peopo dat grumble,
 Dey goin learn how fo figga out stuff.”

30

Bummahs! Da Hard Head Peopo

¹ Dis, one message from Da One In Charge:
 “Bummahs! to da hard head peopo
 Dat stay go agains me!
 Dey make one plan an do um,
 But da plan, not from me.
 Dey make one deal wit peopo from anodda country,
 But my Spirit neva tell dem fo do dat.
 Dey do one bad ting,
 Den anodda mo worse ting.
² Befo dey go Egypt side,
 Dey neva aks me firs bout dat.
 Dey aks da Pharaoh guy fo help dem
 An let dem stay wit him
 So notting goin hurt dem.

³ “You tink Pharaoh da one goin help you guys?
 He no can!
 You tink da Egypt peopo
 Goin let you guys stay wit dem
 Fo notting hurt you?
 Dey still no can,
 An you goin come shame too!
⁴ No matta da Pharaoh guy
 Get army officer guys north side inside Zoan,
 An no matta he sen messenja guys south side by Hanes,
⁵ Erybody dat tell da Pharaoh guy fo help dem
 Goin come shame.
 Cuz da Egypt peopo no can do notting good fo dem.
 Dey no goin help dem,
 Dey no goin do notting good fo dem.
 Dey ony goin make da Judah peopo come shame,
 An make fun a dem!”
⁶ I get real bad stuff fo tell bout wat I see goin happen wit da animals da
 peopo use fo cross da boonies in da Negev, from Judah to Egypt:
 “Da Judah peopo going thru da Negev land
 Wea erybody get hard time
 An suffa plenny.
 Get plenny lions ova dea.
 Get all kine snake dat can kill you,
 An da kine snake dat you no see um an come out bite you
 An make you feel jalike you stay burning up.
 Da Judah peopo take dea rich stuffs dea
 On top donkeys an camels,
 Fo pay da Egypt peopo fo help dem.
 But da Egypt peopo no goin do notting good fo dem!
⁷ Da Egypt peopo, even if dey try fo kokua da Judah peopo
 No goin help da Judah peopo notting.
 Az why I call da Egypt peopo,
 ‘Da proud fake crocodile
 Dat ony make plenny noise!’ ”

*Bummahs! Da Judah Guys
 Dat Go Agains Me*

- 8 "Now go. Write um fo dem, wat I jus wen tell you
 On top one flat board,
 So goin stay.
 Den da peopo goin know bumbye an foeva
 Wat I stay tell you now.
- 9 Go do dat cuz dis peopo
 Dey hard head.
 Dey ony like go agains Da One In Charge.
 Dey jalike kids dat stay bulai erybody.
 Da One In Charge stay teach dem plenny,
 But dey no like lissen.
- 10 Dey tell da guys dat can see
 Wass goin come bumbye, jalike one dream,
 'No see stuff wen you dream!'
 Dey tell da guys dat talk fo God,
 'No tell us wat God tell
 Bout wat stay right!
 Tell us ony da kine stuff dat make us feel good inside.
 Tell us dat God tell all nice kine stuff,
 No matta az not true!
- 11 Go find anodda way fo how you talk!
 Go pick one diffren road!
 No tell us we gotta come in front God,
 Da One dat stay good an spesho fo da Israel peopo!' "
- 12 Dass why da One dat stay good an spesho fo da Israel peopo tell dis:
 "You guys, you ack
 Jalike dis stuff I stay tell, no good!
 An you guys stay shua
 Dat you goin come out okay
 If you make hard fo peopo
 An bulai dem!
 Az how you guys tink.
- 13 An cuz you make lidat,
 Dis how goin be wen I punish you guys.
 Jalike wen get one high wall wit one small crack,
 An da crack come mo big,
 An da wall by da crack push out,
 An bang! da whole ting fall down.
- 14 Da wall goin broke jalike one clay pot.
 Goin all broke in small pieces,
 Cuz I no goin hold back notting.
 Da small pieces dat stay,
 No goin be big enuff fo take hot coal from da fire,
 O even fo get watta from da watta place."
- 15 But dis message come from Da One In Charge a me,
 Da One dat stay good an spesho fo da Israel peopo:
 "Fo you guys get outa trouble,
 You gotta come back my side,
 Fo come so notting bodda you.
 Fo you guys come strong inside,
 You gotta stay quiet an trus me."

But you guys still no like lissen!
 16 Dass how come you guys wen tell,
 "No way! We goin ride horse an run away!"
 So den, you guys goin run away!
 You guys wen tell,
 "We goin ride horse dat run real fas!"
 But da guys dat come chase you guys,
 Dey get fas horse too.
 17 One tousan a you guys goin run away
 Wen one a dea guys tell dat he goin hurt um.
 An if five a dea guys tell dat dey goin hurt you guys,
 All da res a you guys goin run away,
 Till you da ony one stay dea.
 Goin be jalike one pos
 Dass da ony ting stan on top one mountain,
 Jalike one flag on top da hill.

*Da One In Charge Goin Do
 Good Tings Fo His Peopo*

18 Dass how come Da One In Charge stay wait,
 Cuz he stay ready fo do good tings fo you guys.
 He goin stan up
 Fo show you guys pity an love.
 Cuz Da One In Charge, he da kine god
 Dat judge da right way erytime.
 An all da peopo dat stay wait fo him,
 Dey can stay good inside.

19 Cuz you peopo dat live inside Jerusalem town,
 You no goin cry no moa.
 Wen you guys yell to Da One In Charge fo help you,
 He goin do um.
 Fo shua he goin do good tings fo you.
 He goin hear you guys,
 An right den an dea he goin help you.

20 My Boss goin give you guys hard time,
 Jalike he give you guys
 Ony bread fo eat an watta fo drink.
 But den, da guys dat stay teach you,
 Dey no goin hide from you guys no moa.
 You goin see dem.

21 Den, even if you go da wrong way,
 Jalike you leave da road
 An go da right side o da lef side,
 You goin hear somebody behind you tell,
 "Eh! Da right way stay ova hea!
 Go dat way!"

22 Den you guys goin make pilau yoa idol kine gods,
 Even da kine dat get silva an gold all ova.
 You goin throw um away
 Jalike one pilau kine rag.
 You goin tell da idol kine gods,

“Get away from hea!”

23 Da One In Charge goin sen rain
 Fo da seeds you guys goin plant inside da groun.
 Da food dat da groun bring up
 From da seeds you guys plant
 Goin be good kine, an goin get plenny.
 Dat time yoa cows goin get plenny fo eat
 Inside da big field.

24 Da cows an donkeys dat plow da groun
 Goin eat spesho kine cow food
 Dat you guys make,
 An get salt inside,
 An no mo junks in um
 Cuz da peopo use shovel an pitchfork
 Fo throw um up in da air
 An let da wind clean um.

25 But befo dat happen,
 Plenny peopo goin mahke,
 An da high towas goin fall down!
 Laytas goin get plenny watta fall down
 From da high mountains an hills.
 An fill da stream an da watta ditch.

26 Da moon goin shine strong,
 Jalike da sun.
 An da light from da sun goin come
 Seven time mo bright den befo,
 Jalike you get all da light from seven days,
 In one day!
 Az how goin happen
 Afta Da One In Charge wack his peopo.
 Den, Da One In Charge goin fix um
 Ery place da bone stay broke,
 An he goin bandage
 Da cut he wen give dem.

God Goin Judge Da Assyria Peopo

27 Look! You know wat kine god Da One In Charge!
 Now he come from one far place.
 He stay real huhu,
 Jalike he stay burning,
 An plenny smoke stay coming outa him!
 He ony talk bout
 Wat da guys dat stay agains him stay do.
 He no goin take dat.
 Wen he talk, jalike wat he tell,
 Goin burn eryting up.

28 Wen he breave, jalike one riva
 Dat run fas,
 Dat no can stay inside da stream,
 But reach up to da peopo neck.
 He shake da peopo inside diffren countries

Jalike dey stay inside one straina,
 An dey no can do notting.
 Jalike he put one horse bridle inside dea mout
 Dat make da diffren peopos go da wrong way.

29 But you Judah guys goin sing,
 Jalike you sing
 Da nite you make spesho fo God
 Befo one spesho religious kine ceremony.
 You goin feel real good inside
 Jalike wen peopo play da flute
 An go up da hill wea Da One In Charge stay.
 He jalike one solid Rock fo da Israel peopo.

30 Da One In Charge
 Goin make peopo hear his awesome voice,
 An show his strong arm come down
 Wit plenny powa.
 Cuz he stay huhu,
 Jalike da fire dat stay burn up eryting,
 An da strong wind, rain,
 An hail dat fall down
 From da sky jalike rocks.

31 Wen Da One In Charge start fo yell,
 He goin make da Assyria army guys lose fight.
 Jalike he use his big stick fo wack um.

32 Erytime Da One In Charge wack da Assyria guys
 Wit da stick he use fo punish dem,
 Da Judah peopo goin play music
 Wit tammorine an harp,
 Wen Da One In Charge
 Win ova da Assyria guys
 Wit his strong powa.

33 Da place outside Jerusalem
 Wea da peopo dat donno God
 Burn up dea kids
 Fo make one sacrifice fo dea idol kine gods,
 From long time, jalike dat place stay ready
 Fo burn up da Assyria king.
 Somebody wen dig da burning place
 Real deep an real wide.
 Get plenny fire
 An plenny wood all pile up dea.
 Wen Da One In Charge blow on top um,
 Make um start fo burn,
 Jalike one burning sulfur riva
 Make da wood pile burn.

31

Bummahs! Fo Da Peopo Dat Trus Egypt

1 Bummahs! fo da peopo dat tink
 Da Egypt peopo goin help um erytime!

Dey stay shua dey goin come okay
 If dey buy plenny horse dea.
 Dey trus da Egypt war wagons cuz dey get plenny,
 An plenny guys fo ride horse.
 But dey no go by Da One In Charge,
 Da Good an Spesho One fo da Israel peopo.
 Dey no aks him wat fo do!
² But no matta wat dose guys tink,
 Da One In Charge know wat fo do erytime,
 An he can make bad tings happen too.
 Wen Da One In Charge tell someting,
 He no need change his mind bumbye.
 He goin go agains da ohanas dat do bad kine stuff.
 An agains da peopo dat help dem.
³ Still yet, da Egypt guys, dey ony peopo.
 Dey not God.
 Dea horses, dey ony animals,
 Dey not spirits.
 Wen Da One In Charge put up his hand fo bus um up,
 Da guys dat help dem,
 Jalike dey goin trip.
 An da guys dey help,
 Jalike dey goin fall down.
 All a dem goin come wipe out togedda.
⁴ Dis da ting Da One In Charge tell me:
 "Jalike how da lion make noise
 Wen he catch one sheep,
 An jalike peopo call plenny sheep guys
 Fo come help dem catch da lion,
 But da lion, he no sked dem.
 He no kea dat dey stay yell,
 No bodda him dey make big noise.
 Same ting, wen Da One In Charge,
 Da God Ova All Da Armies, come,
 He goin come down an fight,
 An no sked, jalike da lion,
 On top da hill wea da Temple stay.
⁵ Jalike wen da muddah birds stay fly ova da nes
 So notting hurt da bebe birds,
 Same ting wit Da One In Charge
 Da God Ova All Da Armies,
 He no goin let notting hurt da Jerusalem peopo.
 He goin take kea dem
 An get dem outa trouble.
 He goin pass ova dem jalike Moses time,
 An save dem."
⁶ You Israel peopo, go back by Da One In Charge! You wen go agains him,
 an dass real bad.
⁷ Cuz wen you go back, all you guys goin go agains da idol kine gods dat
 you guys wen make outa silva an gold. Az was bad, you wen do dat!
⁸ "God goin use one sword dat peopo neva make
 Fo kill plenny Assyria guys.

He goin use one sword dat neva come from dis world
 An dat goin wipe um out.
 Da Assyria army guys goin run away from dat sword.
 Odda peopo goin take da young guys from Assyria away
 An make um work fo dem.
 9 Da big rock wea da Assyria guys like hide,
 Dey goin run pass um
 Cuz dey plenny sked.
 Wen dea officer guys see Da One In Charge flag fo war,
 Dey goin come sked an lose fight.”

Dis word come strait from Da One In Charge:
 Wea can see da light from his fire
 Inside da Temple on top Mount Zion.
 Can see wea he burn up his rubbish
 Inside Jerusalem town.

32

Da King Do Da Right Kine Stuff

1 Look!
 Fo make shua eryting stay right,
 Goin get one king stay in charge.
 He goin get odda leada guys
 Dat goin judge da right way too.
 2 Da king goin be da kine guy
 Dat goin be jalike one place

² Den da Assyria king Sennakerib sen da territorial govna guy fo dat side, an plenny army guys from Lakish fo go by King Hezekiah inside Jerusalem. Da territorial govna guy stop by da ditch wea da watta from da Mauka Watta Place go, on top da main road dat go da field wea da peopo put da cloth inside da watta an step um fo make um come clean.

⁷ An if you guys tell me, 'Us guys trus oua God, dass Da One In Charge a us,' tink bout dis: Hezekiah, he da one wen take down da sacrifice places an da altars wea you guys pray to Da One In Charge! Hezekiah wen tell da peopo inside Judah an Jerusalem, 'You guys gotta go down in front Da One In Charge, ony in front dis Jerusalem altar,' aah?

⁸ "So now, make one bet wit my boss, da Assyria king. I give you guys 2,000 horse if you get enuff guys fo ride on top um!

⁹ How you guys tink you goin make even one small kine officer from my boss army guys turn aroun an go home, no matta you guys trus da Egypt guys fo give you war wagons an guys fo ride on top da horses?!

Da tings dat yoa God, Da One In Charge, wen hear dat guy tell, maybe God goin punish him fo dat.  But still yet, you guys stay do
 All da bad kine stuff you like do."

Da Israel Peopo No Stay Tight Wit God

6 *Da time Josiah stay king, Da One In Charge tell me, "You see wat da Israel peopo wen do? Dey ack jalike one wahine dat no stay tight wit her husban. Dey go up on top all da high hills an unda ery tree dat get big shade, an go fool aroun dea in front da odda gods, jalike da hoaz.

8 An da Judah peopo wen see dat I wen cut off da Israel peopo, jalike I give um one divorce paypa an sen um away, cuz dey ack jalike one wahine dat no stay tight wit her husban an fool aroun wit da odda gods. But I see dat dea sistah guys, da Judah peopo, dey no stay tight wit me too. Dey no sked fo make jalike one wahine you no can trus, an go fool aroun wit da odda gods too, jalike da wahines dat fool aroun fo money.

* 3:6 3:6: 2Kings 22:1-23:30; 2Rec 34:1-35:27

⁹ Da Israel peopo, no bodda dem wen dey go fool aroun in front da idol kine gods dat peopo make from stone an wood. Az why dey make da land pilau.

¹⁰ An cuz a wat da Israel peopo stay do, dea sistah guys da Judah peopo, dat stay ack jalike one wahine you no can trus. Dey no go all out fo come back by me. Dey ony ack!" Az da message from Da One In Charge.

¹¹ Da One In Charge tell me dis too: "Da Israel peopo, dey no stay tight wit me. But dey stay do mo right den da Judah peopo, dat ack jalike one wahine you no can trus.

¹² Go, tell dis fo da Israel peopo hear um:

"Da One In Charge tell, 'Go come back by me, you Israel peopo
Dat wen tell "Laytas" to me.

I no goin give you guys stink eye no moa.

Cuz I like give you guys chance,

I no goin stay huhu all da time.

¹³ But one ting I tell you guys gotta do—

You gotta tell wat you wen do az wrong,

An dat you guys wen go agains me, yoa God, Da One In Charge,

An dat you guys fool aroun all ova da place

Wit odda peopo gods,

Unda all da trees dat get big shade.

An wen I talk, you guys no lissen, you make deaf ear!

Az wat Da One In Charge tell.' "

¹⁴ Da One In Charge tell dis too: "Go come back by me, you peopo dat like dig out an go way from me. Cuz I yoa husban, dat get da right fo tell you wat fo do. I goin pick some a you guys, one from one town, o two from one ohana, wea eva you stay scatta. I goin bring you guys back to da place dat stay spesho fo me, az Zion.

¹⁵ Den I goin give you guys leada guys fo take kea you, jalike dey guys dat take kea da sheeps. Dey da kine guys make me stay good inside. Dey goin show you guys wea fo go cuz dey know me, an dey goin undastan how come tings happen.

¹⁶ "Bumbye, wen mo an mo peopo live inside da land, da peopo no goin talk bout how was wen get da Box Fo No Foget Da Deal I Wen Make Wit You Guys. Dey no goin tink bout um o rememba um. Dey no goin make um dat importan. An dey no need make anodda box.

¹⁷ Dat time, peopo goin call Jerusalem 'Da Place Wea Da One In Charge Put His Throne.' All da diffren peopos goin come togedda inside Jerusalem fo show me respeck cuz dey know wat kine god me. Dey no goin stay piss off an stay hard head an do bad kine tings jalike dey stay do now.

¹⁸ Dat time, you Judah peopo goin come togedda wit da Israel peopo, fo come back from da land on da north side. You an dem goin come back togedda to da land I wen give yoa ancesta guys fo pass um on to dea kids foeva.

¹⁹ "Da One In Charge tell, 'Me, I da One wen tell

I like give you guys da good kine land dat erybody like live dea

Fo stay yoas foeva.

Dis place, mo nice looking den da lands da odda peopos get.

I wen like fo you guys call me yoa faddah.

An I no tink you guys goin dig out from me an no stay tight wit me.

²⁰ But you Israel peopo,

Da way you guys ack, I no can trus you!
 You guys ack jalike one wahine dat her husban no can trus,
 An she dig out from him!' "

Dass da message from Da One In Charge.

²¹ Da Israel peopo cry from on top da high mountains

Wea da plants no grow cuz erybody go walk ova dea.

Dey cry an beg da gods dea fo help dem,

Cuz dey wen go da wrong way

An foget bout dea God, Da One In Charge.

²² Da One In Charge tell:

"Go come back, you peopo

Dat nobody can trus.

I goin make you guys come good one mo time,

So bumbye you no bag from me.

"Mo betta you tell:

'Az right, us guys da one!

Us guys like come by you now,

Cuz you oua God, dass Da One In Charge a us.

²³ Fo shua, wat us wen do up dea on top da hills,

Az ony one show!

Eryting us wen do on top da mountains,

²⁴ From da time us small kids,

Agains oua God, dass Da One In Charge a us.

We do all dat from small kid time till now.

We neva lissen wat oua God, dass Da One In Charge a us, tell us!' "

Change How You Tink

¹ Dis, da message from Da One In Charge:

"You Israel peopo,

If you guys come back,

Den come back by me!

"You guys gotta throw way yoa pilau idol kine gods,

Fo me no see um no moa.

An you guys gotta no go all ova da place no moa,

From one bulaia kine god to anodda.

² Wen you guys make one strong promise,

You gotta tell, 'I shua Da One In Charge stay alive,
 Same ting I stay shua I goin do dis.'
 You gotta tell da trut fo real kine,
 An judge da right way,
 Keep all da rules,
 An do wass right.
 If you guys do all dat,
 Den, wen diffren peopos tink bout me, Da One In Charge,
 Dey goin tell, 'Da One In Charge do good kine stuff fo us guys!'
 An dey goin talk big bout me cuz dey know me, Da One In Charge."
³ ✨ Dis wat Da One In Charge tell da Judah guys an da Jerusalem guys,
 "Go come clean inside fo you be my guys!
 Jalike you make ready yoa new fields dat nobody eva plow.
 No throw da seed wea get plant wit thorns awready.
⁴ Cut skin yoa boys fo show dat dey da peopo a Da One In Charge.
 Make same kine inside you,
 Fo show dat inside, you da peopo a Da One In Charge, fo real kine!
 Cuz if you guys not pono inside,
 Den I talking to you guys from Judah,
 An you peopo dat live inside Jerusalem town:
 I tell, I no like show how mad I stay agains you guys,
 An burn you up jalike wit fire!
 But if you guys stay do real bad kine stuff still yet,
 Den no goin get nobody dea fo pio dat fire!"

Real Bad Kine Stuff Goin Come

From Da North Side

⁵ Da One In Charge tell: "Tell da Judah peopo!
 An make da Jerusalem peopo hear dis!
 'Make noise wit da sheep horn trumpet all ova da land!'
 Yell real loud an tell,
 'Erybody come togedda!
 Us guys gotta reach da big towns dat get strong wall!'
⁶ Put up da flag fo tell oua guys run Zion side!
 Run dea fo stay outa trouble now!
 No jus stan dea!
 Cuz I da one goin bring big trouble from da north side.
 Dey goin wipe out you guys.
⁷ "Get one guy,
 Jalike he one lion dat come outa da place he hide.
 His army guys goin wipe out plenny peopos.
 Dey wen go way from dea place
 Fo come wase yoa land
 An make erybody come bum out.
 Yoa towns goin come all bus up
 Cuz no mo nobody goin stay ova dea.
⁸ So, you guys betta put on burmbag kine clotheses,
 Fo show you guys stay sad inside an crying,
 Cuz Da One In Charge stay real huhu wit us guys.
 An he still yet stay huhu!"

⁹ Dis wat Da One In Charge tell too: “Dat time, da king an da leada guys goin lose fight. Da pries guys goin come all bum out. Da guys dat talk fo God goin come futless.”

¹⁰ Wen I hear dat, I tell, “Eh! You dat stay in charge a me! Bummahs! Fo shua, you wen bulai dese peopo an da Jerusalem peopo good, wen you tell, ‘Eryting goin go good fo you guys!’ same time da odda army guys pull knife fo cut oua throat!”

¹¹ Dat time dese peopo an da Jerusalem peopo goin hear, “Da army stay come! Dey jalike one hot dry wind come down from da high rocky places inside da boonies, an blow on top my peopo dat I love. But dis wind, not da kine wind dat ony blow da junks outa da wheat an barley, o dat clean stuff.

¹² Dis wind mo strong den dat. Da wind come cuz I make um! An now, I da Judge, an I tell how I goin punish dem!

¹³ “Look! Da army guys, come jalike da clouds.

Dea war wagons come jalike one strong wind!

Dea horses run mo fas den da eagles fly.

Bummahs! Us guys goin come wipe out awready!

¹⁴ Eh you Jerusalem peopo, throw out da bad kine stuff from inside you,

Fo Da One In Charge get you guys outa trouble!

How long you guys goin make plan

Fo do wrong kine tings?!

¹⁵ Get messenja guys dat tell

Bout da bad kine stuff dat goin happen.

Da firs ones goin come from Dan town north side

Den oddas goin come from da hills wea da Efraim ohana guys live.

Dey tell:

¹⁶ “Tell da diffren peopos fo watch out!

Make shua da Jerusalem peopo hear dis too:

“Army guys stay come from one far place.

Dey goin camp all aroun da towns an watch!

Den wen time fo attack da Judah peopo,

Dey goin make big noise agains da Judah towns.

¹⁷ Da army guys goin make circle aroun da Judah towns,

Jalike wen da farma guys guard dea field.

Cuz da Judah peopo wen go agains me.” ’ ”

Az da message from Da One In Charge.

¹⁸ “Da way you guys live

An da kine tings you guys do

Make all dese tings happen to you.

Dis how I goin punish you guys:

Goin be real sore,

Jalike one sword dat stab yoa heart!”

Jeremiah Suffa Cuz God Punish His Peopo

¹⁹ Den Jeremiah tell, “Bummahs! I suffa plenny!

I plenny sore cuz I hurt inside.

My heart stay poun hard inside,

I gotta tell someting!

Cuz I hear da soun from da trumpets fo start fo fight!

- I hear da army guys yell!
20 Get one big boom, den anodda!
All da land come bus up.
Fas dey wipe out my tents,
Mo fas den I can handle!
- 21 How long I gotta look da war flag
An hear da soun from da trumpets fo start fo fight?!"
- 22 Da One In Charge tell, "My peopo, dey do bad kine stuff an no bodda dem.
Dey donno who me.
Dey jalike kids dat no tink.
Dey no undastan notting.
But dey real smart fo do bad kine stuff,
Dey donno how fo do good kine stuff!"
- 23 Jeremiah tell, "I look da earth, jalike az one dream.
No mo shape. No mo notting dea!
I look da sky.
No mo light up dea!
- 24 I look da mountains.
Dey stay shake jalike get earthquake!
I look da hills.
Dey stay move dis side an dat side!
- 25 I look, an you know wat?!
I no see no mo peopo dea!
All da birds inside da sky wen fly away.
- 26 I look, an da land dat wen get plenny fruits,
Now ony get boonies dea.
All da towns stay bus up,
Cuz Da One In Charge stay real huhu."
- 27 Dis wat Da One In Charge tell:
"All da land goin come bus up fo nobody live dea.
But I no goin wipe all dem out.
- 28 Az why da peopo all ova da world goin stay sad inside,
An da sky up dea goin come dark.
Cuz I awready wen tell wat I make one plan fo do,
An I no goin change my mind an do someting diffren."
- 29 All da peopo inside da towns goin run
Wen dey hear da army guys stay coming on top da horses,
An da guys dat shoot wit bow an arrow.
Some guys hide inside da bushes.
Some guys climb up fo hide inside da rocks.
Da peopo dig out from ery town,
No mo nobody live dea no moa.
- 30 "All a you Jerusalem peopo,
How come you make jalike one jam up wahine,
No matta you goin get wipe out quick?!
How come you put on fancy kine red dress?
How come you put on gold jewelry?"

How come you paint yoa eyes fo make um look big?
 You dress up fo notting!
 Da guys befo time dat get da hots fo you,
 Dey tink you no good now. Dey like kill you.

31 "I hear somebody yell jalike one wahine dat stay hurt plenny!
 She moan jalike she stay born her firs bebe.
 Az da Jerusalem peopo yelling!
 Jalike dey stay try fo breave but no can.
 Jalike dey put out dea hands an tell,
 'Bummahs! Help me! I goin pass out!
 Da guys dat like kill me stay hea!' "

No Mo Nobody Do Da Right Kine Stuff (Mark 8:18)

1 "Run up an down da streets inside Jerusalem town.
 Look aroun an tink hard.
 Look inside all da open places.

If you guys can find one guy dea
 Dat can tell wass right an wass wrong,
 One guy dat fo real kine like know wass true,
 Den I goin let go all da peopo inside Jerusalem
 Fo da bad tings dey wen do,
 An hemo dea shame.

2 No matta dey make one strong promise an tell,
 'Fo shua Da One In Charge stay alive,
 Same ting I stay shua I goin do wat I make one promise fo do!'
 Still yet dass ony bulai
 Wen dey make one strong promise."

3 Jeremiah tell, "Eh! Da One In Charge, fo shua you look
 Fo peopo you can trus, aah?!
 But dese Jerusalem guys, even wen you wack um,
 Still yet, dey neva feel bad cuz a dat.
 You wen smash um,
 But no way dey goin learn fo do wass right.
 Dey hard head, jalike one rock.
 Az why dey no like change dea mind
 An come sorry fo da bad kine stuff dey wen do.

4 Me, Jeremiah, I figga lidis:
 'Dese guys, dey pooa, dey no mo notting.
 But dey stay stupid,
 Cuz dey donno how Da One In Charge like fo dem live.
 Dey donno wat dea God tell
 Bout wass right an wass wrong.

5 Az why I goin go by da leada guys an talk to dem.
 Fo shua dose guys know how Da One In Charge like fo dem live
 An wat dea God tell
 Bout wass right an wass wrong.
 But all dem guys ack jalike cows
 An broke off God yoke

- An broke da rope dat tie dem wit him.
⁶ Az why da lions from da fores
 Goin attack dem.
 Da wild dogs from da up country boonies goin wipe um out.
 Da leopards goin wait fo dem nea da towns
 Fo jump whoeva go outside.
 Dis goin happen cuz dey go agains me ova an ova,
 An dey go da wrong way plenny times.' "
- ⁷ Da One In Charge tell: "How come you Jerusalem guys tink I gotta let you
 guys go?
 Yoa kids wen dig out from me.
 Wen yoa kids make one promise,
 Dey call out to da gods dat not gods fo real kine,
 Fo make shua dey goin do wat dey wen promise fo do.
 I da One give dem eryting dey need.
 But dey fool aroun wit da wahines dat not dea wife, in front da odda
 gods.
 Dey all go togedda to da houses wea da wahines stay
 Dat fool aroun fo get money fo da odda gods.
- ⁸ Jalike da horse hot up fo da wahine horses,
 All da Jerusalem guys hot up fo some odda guy wife.
- ⁹ You tink I no need punish dem cuz dey make lidat?! No way!
 You tink I not suppose to pay back dat kine nation?! Not even!"
 Az wat Da One In Charge tell.
- ¹⁰ "Attack da grape farms an bus up ery row.
 But no wipe all a dem out.
 Broke off all da young branches,
 Cuz dese peopo not da peopo a Da One In Charge.
- ¹¹ Da Israel ohana an da Judah ohana,
 Da way dey ack, no way I can trus dem!"
 Az wat Da One In Charge tell.
- ¹² "Da peopo talk bout Da One In Charge jalike he not importan.
 Dey tell, 'He no goin do notting!
 No mo notting bad goin happen to us guys!
 We no goin get kill wit swords o come hungry!
- ¹³ Dea guys dat tell dey talk fo God, dey ony mout.
 Da One In Charge no tell dem notting.
 Dey tell dat bad tings goin happen to us guys,
 But we like wat dey tell, happen to dem!' "
- ¹⁴ Az why Da One In Charge, da God Ova All Da Armies, tell dis to me,
 Jeremiah:
 "Cuz da peopo wen talk lidat,
 Dis wat I goin do:
 I goin put my words inside yoa mout.
 Wat you tell dem goin come out jalike one fire,
 An dese peopo, dey goin come
 Jalike da wood dat da fire goin burn up!"
- ¹⁵ Da One In Charge tell, "Eh, you Israel ohana peopo!
 I goin make one peopo from far away

Come attack you guys.
 Dey was dea from long time.
 You guys donno dea language.
 An you guys no undastan wat dey talking.
 16 Da arrows dey carry goin put you guys inside da grave.
 All dose guys stay strong fo fight.
 17 Dey goin eat up all da food you guys harves,
 An all da odda food you get.
 Dey goin kill all yoa kids.
 Dey goin eat all yoa cows, sheeps, an goats.
 Dey goin eat all yoa grapes an figs.
 No matta you guys trus da big towns dat get strong wall fo proteck you,
 Dey still goin wipe out all da peopo inside da towns wit dea swords."
 18 Da One In Charge tell dis too: "But wen dat happen, I still yet no goin
 wipe out all you guys.
 19 Wen da peopo tell, 'How come oua God, dass Da One In Charge a us,
 do all dis kine stuff to us?' you, Jeremiah, goin tell um, 'Da One In Charge
 tell, you guys wen dig out from me, fo work inside yoa land fo da idol kine
 gods from da diffren peopos. An den, dese diffren peopos goin make you
 guys work fo dem inside one land dass not yoa land!'
 20 "Tell all da peopo dat come from Jacob
 An make real shua da Judah ohana peopo hear dis:
 21 ✧ 'Lissen up, you stupid peopo dat no tink!
 You guys get eyes, but you no can see.
 You guys get ears, but you no can hear.' "
 22 ✧ Da One In Charge tell, "I da One you guys betta watch out!
 You betta come sked a me!
 Wen you stay in front me,
 You guys goin shake cuz you sked!
 I wen put da sand by da sea edge.
 Da sand make da ocean stay dea foeva.
 Da waves come in an go out,
 An dey no can do notting.
 Da wave make big noise,
 But dey no goin go ova da sand.
 23 But you guys, you still hard head.
 Inside, you still like go agains me.
 You make deaf ear an go da odda way.
 24 Dey no talk jalike my peopo. Dey no tell:
 'Eh, we goin come sked an shake
 An get choke respect fo oua God, dass Da One In Charge a us!
 He give da rain da right time hea,
 Novemba kine rain, an March kine rain.
 He make shua ery year get food ready fo harves.'
 25 But cuz you guys stay do wass wrong,
 Da time fo rain an da time fo harves food no goin come.
 An cuz you guys stay do bad kine stuff,
 Da good kine stuff no goin happen fo you guys.

- 26 "Some a my peopo, dey real bad kine guys.
 Dey hide an wait fo grab peopo,
 Jalike da guys dat trap birds,
 Jalike dey put one trap fo wipe out odda guys.
- 27 Dey fill up dea houses wit all kine stuff
 Cuz dey bulai peopo fo get um.
 Dis jalike one bird catcha dat fill up cages wit birds.
 Dey come importan an rich.
- 28 Dey come momona an dea skin come nice.
 Dey do plenny bad kine stuff an no stop.
 In front da judge dey no try help da kids dat no mo faddah
 Fo make shua da kids get wat dey suppose to get.
 Dey no do notting
 Fo help da pooa peopo dat need help get dea rights."
- 29 Da One In Charge tell, "You tink I no need punish dem fo all dis stuff?!
 I goin punish dem!
 You tink I no goin pay back dat kine peopo fo dis?!
 I goin pay um back!
- 30 "Bummahs! One real skery, bad kine ting,
 Wen happen inside da land.
- 31 Da guys dat tell dey talk fo God,
 Wateva dey tell, dey bulai.
 Da pries guys make da kine rules dey like.
 An my peopo like fo eryting stay lidat.
 But how you guys goin handle
 Wat goin happen cuz a dat, aah?"

Da Ones Dat Hate Da Jerusalem Peopo Attack Dem (Mark 11:29)

- 1 "Quick! You Benjamin ohana peopo, run, go hide!
 Run away from inside Jerusalem!
 Blow da sheep horn trumpet inside Tekoa town!
 Light da signal fire ova Bet-Hakkerem town!
 Cuz get bad kine guys stay come from da north side
 Fo come bus us up an wipe us out!
- 2 Jerusalem town stay jalike one nice looking wahine
 Dat know how fo dress fancy kine.
 Still yet, I goin wipe out Jerusalem!
- 3 King guys goin bring dea armies
 Fo attack Jerusalem town,
 Jalike dey sheep guys
 Dat bring dea sheeps an goats ova dea.
 Dey goin put up tents all aroun Jerusalem.
 An ery army get one place fo put dea camp.
- 4 "Dey goin tell: 'Make da sacrifices
 Fo get ready fo fight Jerusalem!

Stan up! Us go attack dem noon time!
 But den dey goin tell:
 ‘Bummahs! Stay too late awready!
 Da sun stay low, stay evening time awready!
⁵ So den, get ready! We goin go attack nite time.
 We goin bus up dea strong wall!’ ”

⁶ Dis wat Da One In Charge tell, da God Ova All Da Armies:
 “Cut down da trees aroun Jerusalem town,
 Pile up dirt dea fo go ova da wall!
 Time fo da peopo inside Jerusalem fo get punish.
 Cuz erybody inside dea back stab each odda.
⁷ Jalike plenny watta come outa one spring,
 Az how plenny bad kine stuff come outa da Jerusalem peopo.
 I ony hear
 Who get hurt o who get wipe out.
 Dass all I hear!
 I see dat all da time
 Da peopo dea stay sick an hurt.
⁸ You Jerusalem peopo betta lissen up right now!
 O I goin had it wit you guys.
 An I goin wipe you guys out
 Fo no mo nobody live inside yoa land.”

⁹ Dis wat Da One In Charge, da God Ova All Da Armies, tell:
 “Da army guys goin take away da Israel peopo,
 Jalike wen somebody harves grapes from da grape plants,
 An den odda peopo come fo pick up wat still stay on top dea.
 But dey goin leave some peopo hea.
 So you, Jeremiah, make jalike one good grape farma,
 Check out da branches one mo time,
 Fo find an help da ones dat still stay dea.”

¹⁰ But I tell Da One In Charge:
 “No mo nobody hea dat I can tell
 Fo watch out bout dat kine trouble!
 Nobody goin lissen me!
 Dea ear no stay open. Az why dey no can hear.
 Dey ony make deaf ear.
 Dey tink Da One In Charge stay talk harsh kine to dem,
 An cuz a dat dey no like hear wat he tell um.
¹¹ But you Da One In Charge,
 An you tell ‘Laytas’ to wat dey do,
 An I feel da same ting!
 Az why I gotta tell someting!”

Da One In Charge tell me:
 “Tell erybody I stay huhu wit dem!
 Jalike you stay dumping watta all ova da place!
 Tell da kids in da street,
 An da young guys dat hang out togedda!
 Tell da husbands an wives,

- Even da real ol peopo too!
 12 Odda peopo goin take ova dea houses,
 Dea fields, an dea wifes, eryting dey get!
 Dat goin happen wen I use my powa
 Agains da peopo dat live inside dis land.
 Az da message from Da One In Charge.
- 13 “From da guys dass not importan to da importan guys,
 Erybody stay greedy fo get plenny stuffs.
 Da guys dat make jalike dey talk fo me, an da pries guys,
 Dey all bulai peopo fo get stuff.
- 14 ✧Jalike my peopo all bus up an bleeding,
 But dem guys ony put small kine bandage,
 Cuz dey tink dey ony small kine hurt.
 Dey tell, ‘No worry, eryting stay okay!’
 But no stay okay.
- 15 ✧You tink dey come shame fo da pilau kine stuff dey do?!
 No way! Dey no mo shame!
 Dey no even know how fo ack jalike dey shame.
 Az why dey goin get kill same time da odda peopo get kill.
 Dey goin fall down wen I punish dem.”
 Az wat Da One In Charge tell.

Da Israel Peopo No Like Go God Way

- 16 Dis wat Da One In Charge tell his peopo:
 “Stop wen you get to da place wea two roads come togedda an look.
 Aks bout da ol trails,
 How peopo wen live befo time.
 Aks bout how fo find da good way.
 Den go live dat way!
 Dass how you guys goin learn how fo live fo no mo notting bodda you.
 But you guys tell, ‘Us no like live dat way!’
- 17 I wen pick watcha guys fo take kea you guys.
 I wen tell um, ‘Make shua you guys lissen
 Wen dey blow da sheep horn trumpet
 Fo tell da peopo watch out!’
 But you guys tell, ‘Us no goin lissen!’
- 18 Az why I tell, ‘Lissen up, all you diffren peopos,
 Scope um out, all you peopo dat see wat stay happening,
 Fo you know wat goin happen to dem.
- 19 Lissen, all you peopo on top da earth!
 Dis wat I stay do:
 I stay make bad kine stuff happen to dis peopo.
 Da same ting dey make plan fo do, goin happen to dem,
 Cuz dey no bodda fo lissen wat I tell dem.
 Dey hate my rules.
- 20 You guys tink I like da incense from Sheba
 Dat you burn fo me?! No way!
 You tink I like da sweet calamus reed from one far place
 Dat you bring fo me?! Not even!
 I tell “Laytas” to yoa burn up kine sacrifices!

Yoa odda kine sacrifices no make me feel good inside!' "

21 Az why Da One In Charge tell dis:

"I da One goin make da peopo all jam up.
Da faddahs an dea boys goin get wipe out same time.
Frenz an peopo nea dem goin mahke."

22 Dis wat Da One In Charge tell:

"Look! Get army guys stay come from da north side.
Peopo from da mos far part a da world
Stay make ready fo war.

23 Dey get bow an arrow an short sword fo fight.

Dey like hurt peopo, an dey no give nobody chance.
Wen dey ride on dea horses,
Dey soun jalike da loud noise from da ocean.
Dey all line up ready fo fight,
An az you guys, da Jerusalem peopo, da ones dey stay coming afta!"

24 I tell: "Us wen hear stuff bout dem awready,
An we lose fight.

Us worry plenny, an dat make us come weak.
We hurt jalike one wahine dat stay born one bebe.

25 No go out inside da fields.
No walk on top da roads.

Cuz da guys dat come fo fight you get swords.
Dey stay come from ery side, so stay real sked!

26 My peopo, you betta put on burmbag kine clotheses
An lay down on top da ashes fo show you stay sad inside!

Stay sore inside an cry plenny,
Jalike yoa ony boy wen mahke!
Cuz wen you tink dey no stay come,
Da army guys dat goin wipe us out goin come!"

God Check Out Da Peopo

27 Da One In Charge tell: "Eh Jeremiah, I make you jalike one guy dat melt
real hot metal.

Fo tes if da metal get junks inside o no mo junks inside.
My peopo, dey jalike da metal you goin melt.
So you goin watch wat dey do
Fo tes how dey ack."

28 Den I tell Da One In Charge:

"All dem guys bag from you!
Dey stay hard head,
Jalike dea head bronze an iron metal.
Ery place dey go, dey tell bad kine stuff bout you.
All a dem guys make eryting come pilau!

29 Az jalike one ledda bag you use fo blow da fire real strong
Fo burn up da junks fo clean da metal,

But still yet, wase time, fo get da good kine metal,
Cuz da fire no stay hot enuff fo burn out da junks.
Da bad guys still stay dea!

³⁰ Dey jalike da silva dat nobody can use.
Cuz Da One In Charge tell 'Laytas' to dem!"

Jeremiah Tell Da Peopo, Gotta Change

¹ Dis anodda message from Da One In Charge fo Jeremiah:

² "Stan by da gate fo da open lanai aroun da Temple Fo Da One In Charge. Talk real loud dea fo tell da peopo dis:

" 'Eh! All you Judah peopo dat come inside dese gates fo go down an show respeck fo Da One In Charge! Lissen wat Da One In Charge tell!

³ Dis da message from Da One In Charge, da God Ova All Da Armies, da God Fo Da Israel Peopo: Change da way you live an how you ack! Den I goin let you guys stay live dis place.

⁴ Wen you guys hear ova an ova, "Dis hea, az da Temple Fo Da One In Charge, da Temple Fo Da One In Charge, da Temple Fo Da One In Charge!" Az not true, you know! No trus da tings peopo tell you guys. All dat no goin help you guys!

⁵ If you guys change da way you live an how you ack fo real kine, dis how goin be: You guys goin do da right ting fo each odde.

⁶ You guys no goin give hard time to da peopo from odde places dat stay live wit you guys, o da kids dat no mo faddah, o da widow wahines. You guys no goin go kill da peopo dat neva do notting wrong inside dis land. You guys no goin stay tight wit odde gods cuz dat goin hurt you guys.

⁷ If dass how you guys goin live, den I goin let you guys live dis place. Cuz I wen give dis land to yoa ancesta guys long time befo time, an foeva.

⁸ But you know wat?! You guys still stay trus da tings peopo tell you dat no stay true! No goin help you guys notting!

⁹ " 'You guys stealas, an killas! You fool aroun wit wahines dat not yoa wife! You guys make one strong promise, but you bulai! You guys burn incense fo da Baal god! You guys stay tight wit odde gods you guys neva know from befo time!

¹⁰ An den! You guys come stan in front me, inside dis Temple dat get my name fo show erybody wat kine god me. You guys tell, "No mo nobody goin bus up us guys! No worry! Dass okay we do all dis pilau kine stuff!"

¹¹ ✧Da way you guys ack, you guys tink dis Temple dat get my name, fo show erybody wat kine god me, az one hangout fo crooks fo you guys hang out dea! But watch out! Me, I spock wat you stay doing!' " Az da message from Da One In Charge.

¹² ✧Da One In Charge tell, "Now go my place inside Shiloh town. Dass da firs place I wen put my big Tent fo show erybody wat kine god me. Go look wat I wen do to dat place, cuz my Israel peopo wen do real bad kine stuff.

¹³ Still yet, you guys stay do all da bad kine stuff I stay talk bout. Me, I Da One In Charge, fo talk to you guys ova an ova, but you guys no lissen. I wen call you guys, but you guys no ansa.

¹⁴ Az why I goin bus up dis Temple, jalike I wen do Shiloh side! No matta da Temple stay fo show erybody wat kine god me. No matta you guys trus dis Temple, an no matta I wen give um to you guys an yoa ancesta guys.

¹⁵ I goin kick you guys out so you no can come in front me, jalike I wen do to yoa braddah guys da Efraim ohana.

Da Peopo No Do Wat God Tell Um Fo Do

¹⁶ “So you, Jeremiah, no pray fo dese peopo o beg me fo help dem. Cuz I no goin lissen you.

¹⁷ You no see wat da peopo do inside da Judah towns an on top da Jerusalem streets, o wat?!

¹⁸ ✧Da kids get firewood, an dea faddahs make fire, an da wahines lomi da bread dough fo make spesho kine roun breads fo make one sacrifice fo da wahine god dey call da Queen A Da Sky. Dey pour wine on top da altars fo make sacrifice fo da odda gods too, jus fo piss me off.

¹⁹ But you tink I da One dey hurt?! No way! Dey ony make lidat fo dem come shame. Dey hurt ony dem wen dey do dat. Az da message from Da One In Charge.

²⁰ “Az why Da One In Charge a me tell: ‘You know wat I goin do to dis place?! I goin come real huhu, an I had it wit wat dis peopo do. Az why da peopo inside dis place hea, an da animals, da trees, an da stuffs dat grow on top da groun—eryting goin burn, an no mo nobody can pio da fire!’ ”

²¹ Dis wat Da One In Charge, da God Ova All Da Armies an da God fo da Israel peopo, tell: “Take da kine sacrifices you suppose to burn up on top yoa altars, an go eat da meat from dem, jalike you do wit da odda kine sacrifices!

²² Cuz da time I wen bring yoa ancesta guys outa Egypt, an talk to dem, no was jus fo tell dem dey gotta make burn up kine sacrifices an odda kine sacrifices.

²³ Dis da main ting I wen tell um: ‘Lissen wat I tell you fo do, an do um! Den I goin come da God fo you guys, an you goin come my peopo. Live da way I tell you guys you gotta live! Den eryting goin go good fo you guys.’

²⁴ “But my peopo, dey no lissen, o tink bout wat I tell. Dey hard head, an dey do wat dea bad heart like do. Dey suppose to go one way, an dey go da odda way,

²⁵ from da time yoa ancesta guys come outa Egypt till now! Ery day, ova an ova, I sen you all my worka guys dat talk fo me.

²⁶ But yoa ancesta guys no lissen me o tink bout wat I tell. Dey hard head, an dey do mo plenny bad kine stuff den dea ancesta guys wen do.

²⁷ “Wen you tell dem all dis stuff, dey no goin lissen you. Wen you yell to dem, dey no goin ansa.

²⁸ Az why you gotta tell um, ‘You Judah guys, da peopo dat no lissen yoa God, Da One In Charge. You guys no like learn notting wen he punish you fo make you go da right way. Fo you guys, no mo nobody tell da trut. You no even talk bout wass true!

²⁹ “ ‘Eh you Jerusalem peopo!

Cut yoa hair an make bolohead fo show you stay sad inside.

Cut um off an throw um away.

Go da trails on top da mountains wea no mo notting grow,

An sing one sad song dea.

Cuz Da One In Charge had it wit his peopo.

He dig out awready from da peopo dat stay hea now.

He throw um out cuz he stay real huhu wit dem.’ ”

Da Valley Wea Dey Kill Peopo

³⁰ Dis anodda message from Da One In Charge: “Da Judah ohana peopo wen do bad kine stuff da way I see um. Dey put up dea pilau idol kine gods inside my Temple, dat stay fo show erybody wat kine god me. But dey make da Temple so nobody can pray dea.

³¹ ✧Dey build sacrifice places jalike da one dey call Tofet, inside da Bet-Hinnom Valley, fo burn up dea boys an girls inside da fire, fo make one sacrifice. I neva tell um fo make lidat, an I neva make plan fo dem do dat!”

³² Az how come Da One In Charge tell dis message too: “You betta watch out! Cuz bumbye, da peopo no goin call dat place Tofet, o da Bet-Hinnom Valley. Dey goin call um da Valley Wea Dey Kill Peopo. An dey goin bury da mahke peopo ova dea till no mo room.

³³ Den, da mahke peopo bodies dat no mo room fo bury goin come food fo da birds an da wild animals, an no mo nobody goin make dem sked fo dem run away.

³⁴ ✧Inside da Judah towns an da Jerusalem streets, no mo noise goin come from dea, from peopo dat stay good inside, da ones dat get good fun. No goin get wedding party kine noise cuz da whole land goin come all wipe out.”

8

Da Bones From Da Judah Peopo

¹ Dis one message from Da One In Charge: “Dat time, da peopo dat stay agains you guys goin dig up da bones from da graves fo all da Judah king guys an da leada guys, an da pries guys, da guys dat talk fo me, an da peopo dat wen live Jerusalem town.

² Dey goin put da bones on top da groun so da sun, da moon, an all da stars inside da sky goin shine on top um cuz da sky kine gods, az da ones da Jerusalem peopo get love an aloha fo an work fo. Dey follow da sky kine gods, an dey aks um wat fo do, an dey go down in front um fo show um respeck. No mo nobody goin pick up da bones fo bury um. Dey goin stay on top da groun jalike dey rubbish.

³ Da peopo dat stay alive still yet, from dis real bad kine nation, wea eva I make dem go, dey all goin like mahke mo den dey like live!” Az da message from me, Da One In Charge, da God Ova All Da Armies.

Peopo Do Bad Kine Stuff, I Punish Dem

⁴ Tell da peopo, dis wat me, Da One In Charge, tell:

“Weneva somebody fall down,

Dey goin stan up one mo time, aah?

Weneva somebody go da wrong road,

Dey goin come back an go da right road, aah?

⁵ So! How come dese peopo stay go da wrong road?

How come da Jerusalem peopo erytime no come back by me?

Dey stay tight wit bulaiia kine gods.

Da Jerusalem peopo tell, ‘Us guys no goin go back!’

⁶ I lissen real good,

But wat dey tell, not right.

No mo nobody stay sorry fo da bad kine stuff dey wen do.

Dey tell, ‘Wat I wen do, I neva do notting wrong!’

Dey all go da way dey like,

Dey jalike one army horse running fas fo fight.
 7 Even da stork bird
 Know wen az time fo fly away.
 An da dove, an da small swallow, an da heron bird,
 Dey all know wen az time fo go away.
 But my peopo donno wat stay right fo do
 No matta Me, Da One In Charge tell um wat dey gotta do.”

8 Da One In Charge tell:
 “How come you guys tell, ‘Us smart!
 Us guys know wat fo do erytime,
 Cuz we get da Rules from Da One In Charge!’ ”?
 But you know wat?!

Da guys dat teach my Rules,
 Dey use wat dey write fo bulai you guys!

9 Dese peopo dat tink dey know wat fo do erytime,
 Dey goin come shame.
 Dey goin come sked
 Jalike dey fall down inside one trap.
 Az cuz dey tell “Laytas” to wat Da One In Charge tell.
 So den, how come you guys tink
 Dey mo smart fo real? Dey know wat fo do erytime, o wat?!

10 “Az why I goin give dea wifes to odda guys.
 An I goin give dea fields to odda guys dat like take ova um.
 From da mos importan guy to da mos small guy,
 All dem greedy fo get eryting fo ony dem.
 Even da guys dat suppose to talk fo me
 An da pries guys, dey all same same.
 All dem bulai.

11 ✨Da peopo I get love an aloha fo
 Jalike dey stay all bus up!
 But da guys dat suppose to talk fo me an da pries guys,
 Dey ony put on top dem small kine bandage
 Cuz dey tink da peopo not importan.
 Dey tell, ‘Erything stay okay!’
 But no mo notting stay okay!

12 ✨You tink dey come shame cuz dey do pilau kine stuff?
 Nah! Dey no mo shame!
 Dey no even know how fo ack jalike dey shame!
 Az why dey goin fall down
 Wit da odda peopo dat get kill.
 I goin bring dem down
 Wen I come fo punish dem!”
 Az wat Da One In Charge tell.

13 Dis anodda message too, from Da One In Charge:
 “I goin take away da food dey stay harves.
 No goin get grapes on top da grape plants.
 No goin get figs on top da fig trees.
 All da leafs goin dry up an fall down.
 All da tings I wen give dem,

I goin take away from dem,
An goin go some odda place!"

14 Da peopo goin tell, "How come us guys stay sit in dese small towns?!
Go come, us go run away togedda
To da towns dat get one strong wall.

Fo shua us goin mahke ova dea,
Cuz oua God, dass Da One In Charge a us, tell we goin mahke.
Jalike he give us poison watta fo drink
Cuz we wen do bad kine stuff agains him.

15 Us guys like eryting stay okay,
But no mo notting good happen.
Us guys like fo notting bad happen to us,
But us guys ony stay real sked.

16 From da Dan ohana land north side
We hear da noise
From da horses dat da army guys use dat stay agains us!
Wen dea strong horses make noise,
All da Judah peopo stay shake an come sked.
Da army guys stay come
Jalike dey goin eat up da land an eryting inside um,
An Jerusalem town an all da peopo dat stay live dea."

17 Dis da message from Da One In Charge: "Dis wat I goin do.
I goin sen da army guys all ova wea you guys stay live,
Dey jalike poison snakes!
No mo nobody can make dem come tame.
Dey jalike snakes, an dey goin bite you guys!"

Jeremiah Cry Fo Da Jerusalem Peopo

18 Jeremiah tell, "I real sad!
No way I can come good from dat!
Inside, I come weak.

19 Lissen how da peopo dat I get love an aloha fo
Cry fo me help um
From da lands dat stay far away.
Dey tell: 'Da One In Charge, he no stay Mount Zion, o wat?
No mo da King ova dea, o wat?' "

Da One In Charge tell,
"Dey try make me come huhu
Cuz a dea idol kine gods,
Dea gods from anodda place dat good fo notting?"

20 Jeremiah tell,
"Da time fo harves da food come awready.
Da summa fruits, pau awready.
But no mo nobody get us guys outa trouble yet.

21 Da peopo I love, dey all bus up.
Az why me too, I stay all bus up inside.
I stay real bum out an real sked.

22 Fo shua, Gilead side get medicine
An docta ova dea!
Cuz da peopo I love stay hurt.

So, how come no mo nobody fo make um feel good?!"

9

- ¹ I like my head come jalike one spring fo watta,
 An my eyes jalike one fountain fo my tears come out!
 Cuz I like cry plenny, day time an nite time,
 Cuz plenny peopo get kill, an dey my peopo.
- ² Too bad no mo one place inside da boonies
 Fo me stay dea nite time.
 Den fo shua I can go way from my peopo
 An stay ova dea.
 Cuz all my peopo fool aroun wit odda gods
 Jalike dey fool aroun wit peopo dat not dea wife o husban.
 You no can trus dem cuz dey bulai.
- ³ Dis da message from Da One In Charge: "Dey get dea mout ready fo bulai,
 Jalike how you make one bow ready fo shoot arrows.
 An cuz dey bulai an you no can trus um,
 Az how dey win inside da land.
 Dey do one bad kine ting, an den anodda bad kine ting.
 But me, Da One In Charge, dey donno who me!"
- ⁴ Da One In Charge tell, "You guys betta watch out fo yoa frenz!
 No trus yoa braddah guys.
 Cuz ery braddah like take away da rights from da odda braddahs.
 An ery fren, dey like talk bad bout you.
- ⁵ Ery fren bulai dea fren.
 No mo nobody tell da trut.
 Dey teach dea tongue fo bulai.
 Den dey come tired
 Cuz dey make eryting come hamajang.
- ⁶ Wea you live, erybody bulai erybody.
 An cuz dey bulai,
 No way dey goin tell dat I dea God."
 Az da message from Da One In Charge.
- ⁷ Az why dis wat Da One In Charge, da God Ova All Da Armies, tell:
 "Look! I goin tes dem
 Jalike wen peopo melt metal fo tes if stay good o no good.
 Dass da ony ting I can do!
 Cuz I get love an aloha fo my peopo.
 But dey wen go do plenny bad kine stuff!
- ⁸ Wateva dey tell, az jalike one poison arrow
 Cuz dey bulai.
 Dey tell dea frenz, 'I like eryting come good fo you,'
 But inside, dey make plan fo jump um an kill um.
- ⁹ You tink I no need punish dem fo all dis stuff?!
 I goin punish um!
 You tink I no need pay back dat kine nation fo dis?!
 I goin pay um back!"
 Az wat Da One In Charge tell.

Sad Song Fo Judah An Jerusalem

- 10 Jeremiah tell: “Wen I tink bout da mountains, I like cry an make big noise.
 I goin sing sad songs bout da mahke peopo,
 Cuz a da grass inside da boonies
 Wea da sheep guys wen stay wit dea sheeps.
 Da grass stay all burn up,
 No mo nobody go thru dea.
 You no hear da noise from da cows no moa.
 Da birds an all da animals,
 Dey run away awready.”
- 11 Da One In Charge tell, “I goin make Jerusalem town come one rubbish pile.
 Ony goin get wild jackal dogs ova dea.
 I goin wipe out da Judah towns
 Fo no mo nobody live ova dea.”
- 12 Nobody stay smart enuff fo undastan all dis! No mo nobody dat Da One In Charge wen teach fo da guy tell wat all dis mean! How come da land stay all wasted an burn up jalike da boonies fo no mo nobody go thru dea?!
- 13 Da One In Charge tell: “Az cuz dey no like follow my Rules dat I wen give um. Dey no like lissen wen I talk, an dey no do wat da Rules tell.
- 14 But da way dey live, dey ony hard head fo wateva dey like do. Dey pray to da Baal kine idol gods, jalike dea ancesta guys wen teach um.
- 15 Az why dis da message from Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo: ‘Dis wat I goin do. I goin make dis peopo suffa, jalike I give um da kine food dat taste real bad fo eat, an poison watta fo drink.
- 16 I goin let plenny diffren peopos make da Israel peopo prisonas—da kine peopos dey donno. Da Israel peopo ancestas, dey neva know bout um befo time too. I goin sen peopo fo chase um wit swords till I wipe dem out.’ ”
- 17 Dis anodda message from Da One In Charge, da God Ova All Da Armies: “Tink plenny bout dis!
 Tell da wahines dat know sad kine funeral songs fo come.
 Call da wahines dat know how fo cry da bestes.
- 18 Tell um come quick fo cry loud
 Cuz us guys goin mahke.
 Dey gotta cry till us guys cry too,
 Jalike one riva come out from oua eye.
- 19 Can hear da crying come from inside Jerusalem,
 Da peopo tell, ‘Us guys all bus up!
 Us guys stay shame!
 Us gotta give up oua land,
 Cuz da peopo dat stay agains us
 Wen bus up oua houses!’ ”
- 20 Now, you wahines, lissen up wat Da One In Charge tell!
 Open yoa ears fo hear!
 Teach yoa girls how fo cry.
 Teach each odna da funeral songs.
- 21 Teach um lidat, cuz da way us stay now,

Jalike oua enemy guys stay come inside thru oua windows fo kill,
 An inside oua strong wall.
 Jalike fo wipe out da kids on top da streets
 An da young guys inside da parks.

²² So tell um, “Dis, da message from Da One In Charge:
 Da mahke bodies all ova da place,
 Jalike rubbish all ova da country side.
 Da mahke bodies jalike wheat dat some guy wen harves,
 But no mo nobody dea fo pick um up fo bury um.”

²³ Dis wat Da One In Charge tell:
 “Da guy dat know wat fo do erytime
 No good fo him talk big dat he know wat fo do.
 Da guy dat know how fo fight
 No good fo him talk big dat he know how fo fight.
 Da rich guy, no good if him talk big bout how rich him.
²⁴ ✧ But anybody like talk big,
 Good he talk big bout dis,
 Dat he undastan me an know me,
 Cuz he know dat me Da One In Charge,
 An I help peopo stay tight wit me,
 An judge da right way erytime,
 An do da right kine ting inside da world.
 Cuz da kine peopo dat make lidat,
 Make me stay good inside!”
 Az wat Da One In Charge tell.

²⁵ Anodda message from Da One In Charge: “Da time goin come
 Wen I goin punish all da guys
 Dat get da cut skin mark ony on top dea body
 But dey no mo notting inside fo show dey my peopo:
²⁶ Da Egypt guys, da Judah guys, da Edom guys,
 Da Ammon guys, da Moab guys,
 An all da ones dat live inside da boonies
 Dat cut dea hair spesho fo dea gods.
 All dose peopos, an all da Israel guys, dey cut skin,
 But dey no mo da mark inside dem
 Dat show dey my peopo.”

10

God An Da Idol Kine Gods *(2 Tessalonika 1:8)*

¹ Lissen wat Da One In Charge tell you Israel peopo.
² Dis da message from Da One In Charge. Dis wat he tell:
 “No go learn how fo do stuff
 Da way da odda peopos do um.
 Dose peopos come all sked
 Wen dey see da star pichas inside da sky,
 But you guys, no let dat kine stuff make you guys sked.
³ Cuz da way dose odda peopos show respeck fo dea gods,

✧ 9:24 9:24: 1Cor 1:31; 2Cor 10:17

Ony wase time!
 Dey go inside da fores an cut down one tree,
 So one guy dat know how fo cut da wood fo make someting,
 An he make one idol kine god wit his tools.
 4 Dey put silva an gold fo make um look nice.
 Dey use hamma an nails on top um,
 So no goin fall down.
 5 Dey jalike one skecrow inside one cucumba garden,
 Dea idol kine gods no can talk.
 Fo shua, somebody gotta carry dem
 Cuz dey no can walk.
 No sked a dem!
 Dey no can hurt nobody
 An dey no can help nobody.”

6 Da One In Charge, no mo nobody stay jalike you.
 You da bestes!
 Wen peopo know wat kine god you,
 Dey know you strong an can do awesome kine stuff!
 7 ☆Erybody gotta get choke respeck fo you!
 Cuz you da king fo all da peopos. Az who you!
 Da diffren peopos get dea guys dat know wat fo do erytime,
 An dey get dea kings,
 But still yet no mo nobody stay jalike you!
 8 Dea smart guys, dey no can tink mo betta den da animals,
 An dey do stupid kine stuff.
 Fo shua, no can learn wat fo do
 From da idol kine gods dey make from wood!
 9 Dey bring thin kine silva from Tarshish in Spain,
 An gold from Ufaz.
 Da guys dat know how fo make idol kine gods
 An put gold on top um,
 An put blue an purple clotheses on top um too.
 10 But Da One In Charge, he da ony god dass fo real.
 He da God dat stay alive an stay da king foeva.
 Wen he come huhu, da earth shake.
 Da diffren peopos no can handle
 Wen he no like wat dey do.
 11 Da One In Charge tell, “Tell dose peopos dis: ‘Dese idol kine gods, dat
 neva make da sky o da earth, dey goin come all wipe out from da earth an
 unda da sky.’ ”

12 Da One wen make da earth, was Da One In Charge,
 Cuz he get powa.
 He da One make da world stay how stay
 Cuz he know wat fo do erytime.
 Jalike he spread out da sky
 Cuz he know da bestes way fo make um lidat.
 13 Wen he talk, da thunda, jalike az his voice,
 An make da watta inside da sky make big noise too.
 He make da clouds come up

From da mos far places on top da earth.
 He make da lightning come wit da rain.
 He bring da wind outa his storage places.

- 14 Peopo, dey stupid.
 Dey donno notting.
 Da guys dat make stuff from gold come shame cuz a da idols dey make.
 Da idol kine gods dey make, dey not da real kine God.
 Dey no can breave!
- 15 Dey no worth notting.
 Can ony make fun a dem.
 Wen dey go stan in front da Judge,
 He goin wipe dem out.
- 16 Da One da Jacob peopo get fo be dea God,
 He not jalike dose idol kine gods!
 Cuz he da One wen make eryting.
 He make da Israel ohana peopo fo come his peopo.
 Da One In Charge, he Da God Ova All Da Armies,
 Az wat kine god him!

God Goin Wipe Out Jerusalem

- 17 Grab wateva you can carry wen you go way from da land,
 You Jerusalem peopo dat get armies all aroun you!
- 18 Cuz dis da message from Da One In Charge:
 "Dis wat I goin do right now.
 I goin throw out you peopo dat live inside dis land.
 I goin make you guys suffa plenny
 Fo da odda army guys capcha you."
- 19 Da Jerusalem peopo yell:
 "Bummahs! I stay sore big time!
 Wea dey wen wack me stay mo worse.
 But I tink,
 'Fo shua, dass how sick I stay,
 An I gotta try handle.'
- 20 My tent stay all bus up.
 All da tent ropes stay broke.
 My kids stay gone from me awready.
 No mo dem.
 No mo nobody stay hea fo help me put up my tent one mo time
 An stretch out da tent cova.
- 21 Da leada guys dat suppose to help da peopo,
 Dey jalike sheep guys
 Dat donno notting.
 Dey no go find out from Da One In Charge wat fo do.
 Az why dey no ack jalike peopo dat know wat dey stay do.
 Da peopo dey suppose to lead
 Go all ova da place, jalike sheeps.
- 22 You know wat?!
 Get news:
 One big army stay coming
 From da land north side!

Da army stay come
 Fo bus up all da Judah towns,
 Fo ony da jackal kine wild dogs live hea.”

Jeremiah Pray

23 “You, Da One In Charge,
 I know fo shua peopo no own dea life.
 No mo nobody can make dea own plan
 Fo da nex ting dey goin do.
 24 Show me wat da right ting fo me do
 Wen I stay do da wrong kine ting,
 But judge me da right way!
 No come huhu wit me wen you judge me,
 Cuz no good you make me come wipe out!
 25 Mo betta you throw yoa huhu
 On top da nations dat donno you,
 An wit da ohanas dat donno wat kine god you,
 An dey no call you fo help dem.
 Cuz dem, dey kill us peopo dat get Jacob fo oua ancesta,
 An dey bus up da land wea we live.”

Da Judah Peopo Broke Da Deal Wit God

1 Dis da message dat come fo Jeremiah from Da One In Charge:
 2 “Lissen up you guys! Da deal I get wit you tell dis. You, Jeremiah, tell all dis to da Judah peopo an da peopo dat live inside Jerusalem.
 3 Tell dem dat dis wat me, Da One In Charge, da God fo da Israel peopo, tell: Anybody dat no do wat my deal wit da Israel peopo tell, dey goin get kahuna put on top dem.
 4 Da time I wen bring yoa ancesta guys outa Egypt, dis da rules I wen tell dem dey gotta follow. Eryting ova dea was real hard fo dem, jalike dey inside one real hot fire fo take da junk outa da iron. I tell um: ‘Lissen up, an do eryting I tell you guys fo do! Den you guys goin come my peopo, an I goin come yoa God.
 5 Dass cuz I like do wat I wen make one strong promise fo do to yoa ancesta guys, fo give dem one land dat get plenny milk an honey erytime.’ Az da land you guys get today!”
 An me, Jeremiah, I tell Da One In Charge, “Az right!”
 6 Da One In Charge tell me, “Tell all dis stuff I stay tell you inside da Judah towns an on top da Jerusalem streets: ‘No foget wass my deal wit yoa ancesta guys, an do um.
 7 From da time I wen bring yoa ancesta guys outa Egypt till today, I tell dem serious kine ova an ova, “You guys betta lissen wat I stay tell, an do um!”
 8 But yoa ancesta guys neva lissen wat I tell, an dey no do um. Dey neva even tink bout wat I tell dem. Dey real hard head, so dey do wateva bad kine ting dey like do. Az why I wen make happen all da real bad kine stuff dis deal tell goin happen to dem, cuz I awready tell um wat fo do but dey neva do um.’”
 9 Den Da One In Charge tell me, “Da Judah peopo an da Jerusalem peopo, dey stay make one secret deal wit each odda.

¹⁰ Dey stay make jalike befo time an do wass wrong. Dey do same kine ting dea ancesta guys wen do. Dea ancesta guys neva like lissen wat I tell. An now, dese guys stay tight wit odda gods an work fo dem. Da Israel an Judah ohanas wen broke da deal I wen make wit dea ancesta guys.

¹¹ Az why dis wat me, Da One In Charge, tell: 'I goin make one real bad kine ting happen to dem, an dey no goin get outa dat. Dey goin yell fo me help um, but I no goin lissen.

¹² Da peopo inside da Judah towns an da Jerusalem peopo goin yell to dea idol kine gods dey burn incense fo, fo dem help. But dose gods no goin help dem notting, wen da bad time come to dem.

¹³ You Judah guys get plenny towns an plenny gods, jalike get one god fo ery town. An you Jerusalem guys put up plenny sacrifice places fo make one shame kine sacrifice, an dose sacrifice places fo da shame kine god Baal, jalike you guys get one sacrifice place fo ery street inside Jerusalem.'

¹⁴ "Eh Jeremiah! Az why, no pray fo dis peopo no moa! No go yell o beg me fo do stuff fo dem! Cuz I no goin lissen wen bad tings happen an dey yell fo me fo help dem.

¹⁵ "I get love an aloha fo dese peopo.

But dey no mo da right fo come inside my Temple.

Cuz dey stay make plan

Fo plenny peopo do bad kine stuff!

Dey even take home da meat an fat from da sacrifices

Dat stay spesho fo me!

But bumbye, wen bad kine stuff happen to you guys,

You guys no goin dance an sing dat time!

¹⁶ "Me, Da One In Charge, befo time

I make peopo know you,

Cuz you jalike one strong olive tree

Dat get good kine olives!

But wit plenny noise jalike az one strong storm

I goin burn dat tree,

An da branches goin broke.

¹⁷ "Me Da One In Charge, me da God Ova All Da Armies! I wen plant you guys on top dis land jalike dat olive tree. But I tell dis bout you guys now: you goin get wipe out! Az cuz you Israel ohana an Judah ohana guys wen do bad kine stuff, an dat make me come real huhu, cuz you guys burn incense fo da god Baal."

Da Peopo Make Plan Agains Jeremiah

¹⁸ Da One In Charge tell me bout da plan some guys make fo kill me. Dass how I know wass happening cuz he show me wat dey stay do.

¹⁹ Befo Da One In Charge tell me dat, I stay jalike one bebe sheep dat trus da peopo dat lead um out fo kill um, cuz I neva know dey make one plan agains me! Dey tell, "Eh, we goin kill dis Jeremiah buggah an wat he tell, jalike we goin wipe out one tree an eryting dat grow on top um! We goin wipe him out from da land wea peopo live. Den erybody goin foget him an his name!"

²⁰ But you, Da One In Charge, da God Ova All Da Armies, you judge peopo da right way. You know how erybody feel an how erybody tink. I wen tell you eryting fo you take kea me cuz you da Judge. Az why I like you pay back da peopo dat stay make one plan fo kill me.

²¹ So dis da message from Da One In Charge bout da Anatot guys dat stay try fo kill me. Dey tell, “No talk fo Da One In Charge, o we goin kill you!”

²² So dis wat Da One In Charge, Da God Ova All Da Armies, tell: “Me, I goin punish dem guys! Army guys wit swords goin kill dea young guys. Dea boys an girls goin mahke cuz dey no mo food.

²³ No goin get nobody from da Anatot guys goin stay alive, cuz I goin make real bad kine stuff happen to dem, wen da time come fo punish dem.”

12

Jeremiah Grumble To Da One In Charge

¹ “You, Da One In Charge.

You erytime judge da right way
Weneva I tell you I get one problem.

Still yet, I like talk to you

Bout how you tink wass right an wass wrong.

How come da bad kine guys come out okay erytime, aah?!

How come all da peopo dat you no can trus live one easy kine life?!

² You wen plant dem jalike one tree,

An dey stay solid, an dey get strong roots.

Dey get good kine stuffs, jalike one tree grow an get fruit.

Dey erytime tell, ‘Da One In Charge stay tight wit us guys,’

But inside, dey no stay tight wit you.

³ But you Da One In Charge, an you know me.

You see wat I stay do,

An you tes how I tink bout you.

Drag dose guys away jalike dey sheeps ready fo da meat market!

Pick dem fo kill, wen da time come fo kill dem!

⁴ “Da land stay coming all dry,

An da grass inside ery field stay come wipe out,

An da animals an birds go way awready.

Cuz da peopo dat live inside dat land do bad kine stuff.

How long moa, till you goin make dem stop?!

An dose bad peopo stay tell,

‘God no give a rip wat happen to us guys!’ ”

Da One In Charge Tell How Stay

⁵ Da One In Charge tell,

“If you wen run one race agains odda guys,

An dey make you come tired,

How you goin run agains horses?! No way!

If you stay shua you can handle ony wea da land stay safe,

How you goin walk thru da thick bushes by da Jordan Riva?! No can!

⁶ Even yoa braddahs an yoa ohana peopo,

Dey stab you in da back.

Dey go all out fo talk bad bout you.

But no trus dem, no matta dey talk nice to you.”

⁷ Da One In Charge tell:

“I goin leave my ohana an let um hang.

I goin bag from da peopo dat stay mines.

I goin let da peopo I love

- Suffa from da guys dat stay agains dem.
- ⁸ Da peopo dat stay mines
 Come afta me
 Jalike one lion inside da fores.
 Jalike da lion stay make big noise at me.
 Az why I make to dem jalike I hate dem.
- ⁹ Da peopo dat stay mines,
 Dey come jalike one scavenja dat like eat me.
 Jalike get wild hyenas,
 Wit scavenja birds all aroun um.
 Go bring all da wild kine animals fo eat up my peopo!
- ¹⁰ "Get plenny leada guys from anodda place
 Goin wase wat I wen plant.
 Dey goin walk all ova my field.
 Dey goin bus up my nice place!
 (I stay talking bout wat dey goin do to my peopo!)"
- ¹¹ Goin come one wasted place.
 Make me come sore inside wen I see dat empty land.
 Da whole land stay bus up
 Cuz no mo nobody kea bout um.
- ¹² On top all da hill tops inside da boonies wea no mo notting can grow
 Goin get plenny guys dat like come rip off stuff.
 Cuz goin get war!
 Jalike Da One In Charge use his sword fo kill da peopo
 From one side a da land to da odda side!
 No goin get nobody stay safe ova dea.
- ¹³ Da peopo goin plant wheat
 But ony thorns dey goin harves.
 Dey bus ass an come tired,
 But dea work no goin help dem notting.
 I like fo dem come shame cuz no mo wheat fo harves,
 Cuz Da One In Charge stay real huhu wit dem!"

Message Fo Da Odda Nations

¹⁴ Dis wat Da One In Charge tell: "All da real bad kine peopos dat live nea me, dey like grab da land I wen give to my Israel peopo fo come dea property. I goin throw out dose bad peopos from dea land. But I goin throw out da Judah ohana from dea land too!"

¹⁵ An afta I throw out all dose diffren peopos from dea place, I goin show love an pity fo dem, an bumbye I goin bring all dem back to dea property an dea land.

¹⁶ Dey goin learn fo real kine how my peopo suppose to ack. So den wen dey make one strong promise, dey goin tell lidis, 'Jalike fo shua Da One In Charge stay alive.' (Az not like befo time, wen da odda peopos wen teach my peopo fo use Baal name wen dey make one promise.) But if dey learn eryting bout me, Da One In Charge, den I goin let dem get da same rights my peopo get.

¹⁷ But if get peopo dat no lissen, I goin throw dem out from dea place an wipe um out." Az da message from Da One In Charge.

13

Da Linen Malo

¹ Dis wat Da One In Charge tell me: “Go buy one linen kine malo fo put aroun yoa wais. Put um on, but no wash um.”

² So I buy um, jalike Da One In Charge tell me, an put um aroun my wais.

³ Den Da One In Charge tell me one mo time:

⁴ “Take da linen kine malo you wen buy dat you stay wear aroun yoa wais, an go da Perat Stream. Hide um ova dea inside one big crack inside da rocks.”

⁵ So I wen go an hide um Perat side inside da crack, jalike Da One In Charge wen tell me fo do.

⁶ Long time afta dat, Da One In Charge tell me, “Now go Perat, an get da malo I wen tell you fo hide ova dea.”

⁷ So I go Perat an dig up da malo, an bring um from da place wea I wen hide um. But now poho da cloth, an stay good fo notting.

⁸ Den Da One In Charge give me dis message:

⁹ “Dis how I goin make eryting come poho fo da Judah an Jerusalem peopo, cuz dey ack high makamaka.

¹⁰ Dese peopo, dey real bad. Dey no like lissen wat I tell um. Dey ony like do wat dey like do, cuz dey hard head. An dey go afta gods dat not dea god, fo dem work fo dose gods, an go down an show respeck fo dem. Cuz a dis, dey goin come jalike dis malo, good fo notting.

¹¹ Jalike one malo stay tight aroun one guy wais, az how I wen tie da whole Israel an Judah ohanas aroun me. Den dey come my peopo. Az how odda peopo goin find out wat kine god me, an talk good bout me, an show respeck fo me. But my Israel an Judah ohanas still neva lissen.” Az da message from Da One In Charge.

Da Jars Fo Put Wine Inside

¹² “Da One In Charge tell me fo tell da peopo dis:

¹³ Tell um: ‘Dis wat Da One In Charge tell: I da One goin fill up all da peopo inside dis land fo dem come piloot—da king guys from da David ohana dat sit on top his throne, da pries guys, da guys dat suppose to talk fo me, an erybody inside Jerusalem.

¹⁴ Den I goin smash um agains each odda jalike dey clay wine jars. I goin even smash da faddah-muddah guys agains dea kids too, all togedda. I no goin show pity fo dem, o make easy kine to dem, o give dem chance. I goin wipe um out.’ ” Az da message from Da One In Charge.

Da Prisona Guys

¹⁵ Lissen up, you Judah peopo! No ack high makamaka!

Do wat Da One In Charge tell you fo do!

¹⁶ Tell erybody right now

Dat yoa God, Da One In Charge, stay awesome.

Cuz if you wait, Da One In Charge goin make you guys come bum out,

Jalike he goin make eryting come dark fo you,

An jalike he make you guys trip an fall down on top da mountains

Wen come litto mo dark.

You guys stay wait fo light come,

But Da One In Charge goin make eryting come real dark

Jalike you stay inside one skery big black cloud.

¹⁷ But if you no lissen wat I tell,

I goin go hide an cry,
 Cuz you guys ack high makamaka.
 I goin cry real hard wit plenny tears,
 Cuz da peopo a Da One In Charge all goin come prisonas.

One Message Fo King Koniah

- ¹⁸ Go tell da king an da queen muddah dis:
 “Go come down from yoa thrones. Sit in da dirt an come notting.
 Cuz yoa beautiful crowns
 Goin come down from yoa head.”
- ¹⁹ Fo da big towns South Judah side,
 Da gates goin stay shut.
 No goin get nobody dea fo open um.
 All da Judah peopo goin go way cuz dey prisonas,
 Erybody goin go!
- ²⁰ Look, you Jerusalem guys! You no can see
 Da army guys dat stay come from da north side, o wat?!
 So! Wea da peopo Da One In Charge tell you fo take kea dem?!
 Dey jalike uku pile a sheeps
 An you guys wen talk big bout dem!
- ²¹ You guys wen work hard
 Fo make da Babylon peopo tink
 You guys dea frenz.
 So den! How you guys goin handle bumbye
 Wen Da One In Charge put dem in charge a you guys?!
 You guys goin come real sore,
 Jalike one wahine ready fo born one bebe!
- ²² Wen you guys start fo tink, “How come all dis stay happen to us?”
 All dis happen cuz you guys stay do plenny bad kine stuff.
 Az why dea army guys goin rip off yoa clotheses
 An rape you!
- ²³ You tink da Sudan guys can change dea skin color?!
 No can!
 You tink da leopards can change dea spots?
 Not even!
 Same ting fo you guys.
 No way you can change an do good kine stuff!
 You ony know how fo do bad kine stuff!
- ²⁴ Dis one message from Da One In Charge:
 “I goin make you guys go all ova da place.
 Jalike da wind from da boonies dat blow da junks from da wheat all
 ova da place.
- ²⁵ Dis wat goin happen to you guys.
 I wen measure awready wat goin happen,
 Cuz you guys wen foget me, Da One In Charge.
 You wen trus da fake idol kine gods.
- ²⁶ Jalike I pull up yoa robe ova yoa face.
 An erybody goin see yoa shame.
- ²⁷ I wen look an see da pilau kine tings you guys do
 On top da hills in da countryside.
 You guys fool aroun wit da guys an wahines

Dat not yoa husban o wife.
 You guys come hot up an fool aroun fo money.
 Bummahs, you Jerusalem peopo!
 How long you goin stay pilau?"

Messages Wen No Mo Rain

¹ Dis wat Da One In Charge tell me Jeremiah bout how come one time no no rain:

² "Da Judah peopo stay sad inside.

Da big towns no mo biznis.

Da peopo sit on top da groun

An cry bout da land, jalike get one funeral.

All da Jerusalem peopo stay yell fo help.

³ Dea alii guys sen dea worka guys fo go carry watta.

Dey go da watta storage places,

But no mo watta ova dea.

Dey come back wit empty watta jars.

Dey shame an dey lose face,

Az why dey cova dea head.

⁴ Da groun all dry an stay crack,

Cuz no mo rain inside da land.

Da farma guys stay shame.

Az why dey cova dea heads too.

⁵ Even da muddah wild deer

Go way from da bebe she jus wen born

Cuz no mo grass dea.

⁶ Da wild kine donkeys

Stan on top da high hills wea no mo grass.

Dey breave hard jalike da wild jackal kine dogs cuz no mo watta.

Dea eyes no can see good cuz no mo notting grow dea fo eat."

⁷ Den dis how us guys pray: "I know us guys wen do wass wrong,

An az why all dis stuff happen.

You Da One In Charge.

Try do someting fo show wat kine god you,

Cuz us guys wen run away from you

An do plenny bad kine stuff agains you.

⁸ You da One us Israel peopo wait fo.

You da One stay get us outa trouble

Wen we get hard time.

So! How come you ack

Jalike one guy from anodda place dat donno us?!

How come you ack

Jalike you ony stay hea one nite?!

⁹ How come you ack

Jalike you donno wass happening?!

How come you ack

Jalike one army guy dat no can get us outa trouble?!

You stay right hea wit us, Da One In Charge.

Erybody know dat us guys yoa peopo. So no leave us!"

¹⁰ Dis wat Da One In Charge tell bout how his peopo stay:
 “Dey like go check out any kine place.

Dey no pick da right way fo go.”

Az why Da One In Charge no like how dey ack.

Da way tings stay now,

He no goin foget da wrong tings dey stay do.

He goin punish dem cuz a da bad tings dey do.

¹¹ Den Da One In Charge tell me, “No pray fo dis peopo one mo time! No aks me fo do good tings fo dem!

¹² No matta dey skip food wen dey pray, I no goin lissen wat dey yell to me fo do. No matta dey make burn up kine sacrifices an wheat an barley kine sacrifices, I had it wit wat dey stay do. I goin be da One dat goin wipe dem out cuz a da war, an cuz dey no mo food, an cuz a da real bad kine sick.”

¹³ But me, I tell, “Ho, my boss, Da One In Charge a me! I know you stay in charge a eryting! But da guys dat suppose to talk fo you stay tell da peopo: ‘You guys no goin see war, an you guys no goin come hungry. Fo shua, Da One In Charge goin make eryting stay okay an no goin get war inside dis place.’ ”

¹⁴ Den Da One In Charge tell, “Dose guys dat tell dey talk fo me, dey use my name fo bulai you guys! No matta dey tell dey talk fo me, I neva sen dem. I neva tell dem fo talk lidat. I neva even talk to dem! Dey tell dey see dreams dat come from me, but dey bulai! Dey aks da gods fo da odda peopos fo tell um wat goin happen, but all dat, ony wase time! Dey make jalike all da stuff dey tell you guys stay fo real, but dey ony bulai you guys! Dem guys, dey tell all dat stuff to you guys jalike dey stay talking fo me! But dey not.

¹⁵ Az why dis wat I tell bout da talka guys dat use my name an tell dey talk fo me, Da One In Charge: Me, I neva sen dem guys, no matta dey tell ‘Inside dis land, no goin get war. Da peopo no goin come hungry.’ Dose same talka guys goin get wipe out wit war, an dey goin come hungry an mahke.

¹⁶ An da peopo dat lissen dem, dey goin mahke too inside Jerusalem, cuz dey no mo food, an da army guys goin kill dem wit swords too. Da army guys goin throw out da mahke bodies on top da streets. No goin get nobody fo bury dem, o dea wifes bodies, o dea boys bodies, o dea girls bodies. I goin make all da bad kine stuff dey do happen to dem.

¹⁷ “Tell um dis: ‘Let me cry plenny fo you guys

Day time an nite time.

I cry fo my peopo

Cuz I love dem

Jalike I love my young girl,

Cuz dey all bus up an hurt bad!

¹⁸ If I go out da country side,

I see da guys dat da army guys wen kill wit swords.

If I go aroun inside Jerusalem town,

I see all da peopo dat stay sick

Cuz no mo food.

Da guys dat talk fo God an da pries guys

Stay go all ova da land fo do dea work,

But dey donno wat dey stay do!’ ”

- 19 You Da One In Charge fo real kine!
 So how come you make deaf ear to da Judah peopo?!
 You hate da Jerusalem peopo, o wat?!
 How come you wack us guys
 Fo us no come good, aah?!
 We wait fo eryting come okay an no mo war,
 But notting good stay happen.
 We wait fo tings come good,
 But we ony stay real sked.
- 20 You Da One In Charge,
 An us guys know we wen do bad kine stuff.
 Fo shua, wat oua ancesta guys wen do was wrong.
 All us guys do bad kine stuff agains you.
- 21 Cuz you get one good rep, no make to us guys like we no good.
 If you make to us jalike we stupid kine,
 Den da odda peopos goin tink you not one awesome king.
 No foget da deal you wen make wit us guys,
 An no broke da deal.
- 22 Da idol kine gods fo da diffren peopos,
 Dey good fo notting—
 Dey no can bring rain, aah?!
 Da sky not da one sen down rain showas!
 You da One, Da One In Charge, do all dat.
 You oua God, an us guys stay wait fo you help us,
 Cuz you da One stay do all dis stuff.

No Mo Pity Fo Da Judah Peopo

- 1 ✨ Den Da One In Charge tell me: “No matta if Moses an Samuel stay stan in front me praying, no way I goin feel pity fo dis peopo! Take dis peopo away from me!
- 2 ✨ If dey tell you, ‘Wea we goin go?’ tell um, ‘Dis da message from me, Da One In Charge:
 “ ‘Da ones dat suppose to mahke cuz dey sick goin mahke from dea sick.
 Da ones dat suppose to mahke cuz a war goin mahke cuz a war.
 Da ones dat suppose to mahke cuz no mo food goin mahke cuz no mo food.
 Da ones dat suppose to come prisonas goin come prisonas.’ ”
- 3 Da One In Charge tell: “I goin sen four kine tings fo wipe dem out: guys wit swords fo kill dem, da dogs fo drag da bodies out, da birds inside da sky, an da wild animals inside da fields fo eat um up an wipe um out.
- 4 ✨ I goin make all da diffren peopos an dea kings come bum out all ova da earth cuz a wat Manasseh, King Hezekiah boy, wen do inside Jerusalem.”
- 5 Da One In Charge tell:
 “Who goin show pity fo you Jerusalem peopo? Nobody!
 Who goin cry fo you guys cuz dey stay sad inside? Nobody!
 Who goin go by you an aks how you stay? Nobody!”
- 6 Dis, da message from Da One In Charge:

“You guys da ones dat bag from me awready.
 You guys no give a rip an you go way from me.
 So I goin grab you guys an wipe you out.
 I had it awready!
 I no goin show you love an pity no moa!”

⁷ Den Da One In Charge tell:
 “I goin judge da Judah peopo
 Wea da judges come togedda inside dea towns all ova da land,
 Jalike peopo throw da wheat in da air
 Fo da wind blow away da junks.
 I goin wipe dem out
 An make shua dea kids mahke,
 Cuz dey no change wat dey do.
⁸ I goin make dem get mo plenny widows
 Den da ocean get sand.
 Noon time, I goin bring somebody
 Fo wipe out da young guys.
 Right den an dea I goin make dea muddahs
 Come sore inside an stay real sked.
⁹ Even da muddahs dat wen born seven boys
 Goin come weak an pass out.
 All dea boys gone awready.
 Jalike da sun no shine fo dem no moa, even if stay day time.
 Dey goin come shame, an donno wat fo do!
 Da res a da guys dat stay alive still yet
 I goin make da guys dat stay agains dem make war an kill um.”
 Az da message from Da One In Charge.

¹⁰ Den I tell: “Bummahs! Cuz my muddah wen born me
 Fo be da kine guy dat dis whole land like fight me
 An fight bout me.
 But I neva len nobody notting,
 An nobody borrow notting from me.
 Still yet, dey all like put kahuna on top me!”

¹¹ Da One In Charge tell:
 “Garans I goin get you outa dis
 Fo eryting come good fo you, Jeremiah.
 Garans I goin make da peopo dat stay agains you
 Come aks you fo help dem wen dey in trouble an get hard time.

¹² “You tink one guy can broke da army dat goin come from da north,
 Jalike somebody broke iron an bronze metal? No can!

¹³ All da rich kine stuff you guys get,
 I goin let da army guys dat come rip um off.
 Dey no goin buy um,
 Cuz a all da real bad kine stuff you guys do
 All ova yoa country.

¹⁴ I goin let da peopo dat stay agains you guys
 Take you guys away
 Inside one land you guys donno from befo time.
 I goin do all dis cuz I stay real huhu wit you guys,

Jalike one hot burning fire.”

- 15 Den I tell: “You Da One In Charge, you know how I stay.
 No foget me! You gotta take kea me.
 Pay back da peopo dat stay come afta me.
 No wait long time fo get mad wit dem.
 You gotta get me outa dis!
 You know how dey make me come shame
 Cuz I yoa guy.
- 16 Wen I hear wat you tell, I lissen real good,
 Jalike I stay eat um up!
 All dat make me stay good inside,
 Make me like dance an sing.
 Cuz peopo know I stay tight wit you!
 Da One In Charge, you da God Ova All Da Armies!
- 17 I neva hang out wit peopo dat like good fun
 An make big party wit dem.
 I ony stay wit nobody, cuz you stay in charge a me,
 An cuz you make me come plenny huhu wit dose peopo.
- 18 How come I still stay suffa?
 An how come my plenny sores no heal, an no like come good?
 You goin come
 Jalike one small stream
 Dat stay all dry up, o wat?!
 You goin come jalike one puka
 Dat no can trus fo get watta inside, o wat?!”
- 19 Az why Da One In Charge tell me dis:
 “Jeremiah, if you come sorry an change,
 I goin let you come back by me
 An work fo me one mo time.
 If you tell me stuff dat good fo me hear,
 An no tell wase time kine stuff,
 You can talk fo me one mo time.
 Let dese peopo come do stuff yoa way,
 But you betta not do stuff dea way!
- 20 I goin make you come jalike one bronze wall
 Dat dese peopo no can broke down.
 Dey goin make war agains you,
 But dey no goin win ova you.
 Cuz I stay wit you
 Fo get you outa trouble.
 Dass me, Da One In Charge, tell you dis!
- 21 “I goin get you outa da trouble
 Dat da bad kine guys like make fo you.
 I goin buy you back so da guys no goin grab you
 An make you come sked.”

16

How Jeremiah Gotta Live

- 1 Den Da One In Charge tell me:

2 “You no can marry nobody, an you no can get boys an girls inside dis land.”

3 Cuz dis da message from Da One In Charge bout da boys an girls dat goin born inside dis land, an bout da wahines dat stay dea muddahs, an da guys dat stay dea faddahs:

4 “Dey goin mahke cuz a all bad kine sick. No mo nobody goin stay sad inside an cry fo dem. No mo nobody goin bury dem. Dea mahke bodies goin lay on top da groun jalike rubbish. Dey goin mahke from da war, an cuz no mo food. Dea mahke bodies goin come food fo da birds an da wild animals.”

5 Dis anodda message from Da One In Charge: “Jeremiah, no go inside one house wea da peopo stay eat food fo one funeral. No cry fo show dat you stay sad inside, an no show pity fo dem. Cuz I pau awready fo make eryting come good fo dem. I no goin stay tight wit dis peopo no moa, an I no goin show love an pity fo dem. Az wat Da One In Charge tell.

6 “Da importan peopo an da not so importan kine peopo, dey all goin mahke inside dis land. No mo nobody goin bury dem, an no mo nobody goin stay sad inside an cry fo dem. No mo nobody goin cut dea body o make dea head bolohead fo show dey stay sad inside.

7 No mo nobody goin bring food o someting fo drink, fo try make da peopo dat stay sad inside feel mo betta. Not even wen dea muddah o dea faddah da one dat mahke.

8 “An no go inside one house wea peopo stay making party fo sit down wit da peopo dat stay eat an drink plenny.

9 ☆Me, Da One In Charge, Da God Ova All Da Armies, an da God fo da Israel peopo, an dis wat I tell: Dis wat I goin do in front you guys wen you guys still stay alive. I da One goin make um so nobody stay good inside an like make party. No mo nobody inside dis land goin feel good an get good fun. You guys no goin hear da bride an groom an da wedding party no moa.

10 “Wen you tell da peopo all dis stuff, dey goin tell, ‘How come Da One In Charge make all dis real bad kine stuff happen to us?! Wat we wen do dass wrong?! Wat bad kine stuff we wen do agains oua God, dass Da One In Charge a us?!’

11 Den you tell dem, ‘Dis wat Da One In Charge tell: Yoa ancesta guys wen bag from me. Dey stay tight wit odda gods, dey work fo dem, an dey go down an pray in front dem. Dey bag from me, an no do wat my Rules tell.

12 But you guys, you do even mo worse kine stuff den yoa ancesta guys. Look how all you guys stay hard head an do da bad kine tings you make one plan fo do, an you guys no lissen me.’

13 Az why I goin throw you guys outa dis land, an bring you inside one land dat you guys an yoa ancesta guys neva know befo time. Ova dea you guys goin work fo odda gods day time an nite time. Cuz I no goin give you guys chance.

14 “Me, Da One In Charge tell: But you know wat? Da time goin come wen peopo make one strong promise. Dey no goin make um lidis no moa. Dey no goin tell ‘Jalike fo shua Da One In Charge stay alive, da One dat wen bring da Israel peopo outa Egypt.’

15 But bumbye, dis how dey goin tell um: ‘Jalike fo shua Da One In Charge stay alive, da One dat wen bring us Israel peopo outa da north land, an

outa all da countries wea he wen make dem go.' Den I goin bring dem back to da land I wen give dea ancesta guys befo time."

¹⁶ Dis anodda message from Da One In Charge: "Right now, I goin tell plenny guys dat fish fo come, an dey goin catch da Israel peopo jalike dey catch fish. Afta dat, I goin tell plenny guys dat hunt animal fo come, an dey goin hunt fo da Israel peopo an bring um in from on top ery mountain an hill, an from inside da cracks inside da cliffs.

¹⁷ Cuz I can spock um, ery place dey go. Dey no can hide from me. Dey no can hide da bad kine stuff dey do fo me no see um.

¹⁸ Befo I bring back my peopo, I goin pay dem back double fo all da wrong kine tings an da bad kine stuff dey do. Cuz dey wen make my land come pilau wit dea bad kine idol kine gods dat I hate—gods dat no stay alive. Dey make da land dat I own come full wit uku pile a idol kine gods."

Jeremiah Pray

¹⁹ ✧ Me, Jeremiah, I pray lidis: "Eh, you Da One In Charge. You da One make me strong!

You give me one strong place fo hide!

I can run away dea wen get trouble!

All da nations all ova da world goin come by you

From da mos far places inside da world.

Dey goin tell, 'Fo shua, oua ancesta guys ony get bulaia kine gods,

Idol kine gods dat good fo notting.

Da idol kine gods neva help dem.'

²⁰ Az true, o wat? dat peopo make da kine gods dey like?

Fo shua dey make um!

But dose kine gods, dey not gods fo real kine!"

²¹ An Da One In Charge tell me, Jeremiah:

"Az why, dis time, I da One goin make all da countries know

How strong I stay,

An I not sked a notting!

Den dey goin know

Wat kine God me, Da One In Charge!"

17

¹ "Da bad kine stuff da Judah peopo do,

Jalike somebody stay write inside dem

Wit one real sharp iron chisel o wit diamond poin,

Jalike stay write on top one metal plate,

An jalike fo write um on top da tings jalike horns

Dat stick out from da cornas a dea altars.

² Even dea kids no foget fo pray in front da altars fo odda gods,

An in front da tiki poses fo da idol kine wahine god Asherah,

An undaneat ery big tree dat get plenny leaf

An on top da high hills.

³ I goin let da army dat goin come take ova da hill dat stay spesho fo me.

An all da rich kine stuffs you guys stash,

An all yoa sacrifice places on top da hills—

I goin let da army guys rip um all off.

Dass how you guys goin pay

Fo all da real bad kine stuff you guys do
All ova yoa country.

⁴ You guys get da blame!

Az why you guys goin lose da land I wen give you guys fo come yoa property.

I goin make you guys come slaves fo da peopo dat stay agains you
Inside one land you guys donno from befo time.

Az cuz you guys wen make me come real huhu,
Jalike one real hot fire dat goin burn foeva.”

⁵ Dis da message from Da One In Charge:

“Da guys dat stay strong ony trus peopo, not me.
I goin put kahuna on top dem.

Dey tink, cuz dea body strong, dey strong enuff.

But da way dey tink, dey stay bag from me, Da One In Charge.

⁶ Dose guys goin be jalike one bush dat no mo leaf inside da up country boonies.

Good tings goin happen, but dose guys no goin see um.

Ony da odda guys goin see um.

Da bad guys goin live inside da boonies wea ony get lava rock all ova,
Inside one land wea get plenny salt in da groun an no can grow notting,
An no mo peopo live ova dea.

⁷ “But fo da guys dat trus me, Da One In Charge,
An stay shua I goin do wat I tell um I goin do,
I goin do good kine stuff fo dem.

⁸ ☆ Dey goin be jalike da trees dat somebody plant nea da watta.
Dea roots go to wea da watta go.

Dat kine tree, no stay sked wen da hot time come.
Da leaf stay green erytime.

Even da years wen no mo rain, da tree no need worry.
Dat kine tree erytime goin get fruits.”

⁹ “Us peopo, inside we stay sly, fo real kine!
Jalike us get one sick dat no can come good.
No mo nobody undastan how bad us!”

¹⁰ ☆ “Me, Da One In Charge, I da One dat know wat erybody tink.
I tes how dey feel inside an wat dey like,
So dis wat dey goin get from me fo wat dey do:
Good if dey do good kine,
O bad if dey do bad kine.

¹¹ “Da guy dat come rich but he no do um da right way,
He jalike da partridge bird,
Dat sit on top her eggs but some a dem not born.
Wen dat guy make thirty-five, da rich stuffs he wen steal, all gone awready,
An wen he mahke, peopo goin tell he stupid.”

¹² “You Da One In Charge, an yoa Temple, az yoa throne, da Awesome One!
From da start, az da mos importan place!

Fo real kine, dass da place us guys make spesho fo you!
 13 You Da One In Charge, da One us Israel peopo wait fo!
 Erybody dat bag from you goin come shame.
 Da peopo dat no go yoa way,
 Ony get one place wea somebody goin write dea name:
 Az on top da dirt.
 Cuz dey wen bag from you, Da One In Charge.
 No matta you jalike one watta spring fo dem
 Wea da watta come out all da time an make peopo come alive.

14 “Da One In Charge make me come good all ova,
 Fo me come good fo real kine!
 Get me outa trouble,
 Fo me stay outa trouble.
 Cuz you da One I talk good bout.
 15 But you know wat? Peopo stay tell me,
 ‘Dis “message from Da One In Charge” you stay talk bout—
 Eh, us like see dat happen right now!’

16 “But me, I neva bag from yoa sheeps
 Fo take kea dem.
 I neva like see da time come
 Wen nobody can handle wat you do to dem.
 An you, you know dat eryting I tell,
 I tell um in front you.
 17 No make me come sked a you!
 You jalike my city a refuge wen bad kine tings happen.

18 “Da guys dat stay come afta me,
 I like you make dem come shame,
 But no make me come shame.
 Bum dem out, but no bum me out.
 Make bad kine stuff happen to dem,
 An bus um up, ova an ova!”

Make Da Res Day Spesho Fo Da One In Charge

19 Dis anodda message from Da One In Charge fo me: “Go stan by da main town gate dat da peopo use. Dass da one wea da Judah king guys come inside an go outside Jerusalem. Den go stan by all da odda gates fo Jerusalem too.

20 Tell um: ‘Lissen wat Da One In Charge stay tell, you Judah kings, an all da Judah peopo, an all da Jerusalem peopo dat come inside dese gates!

21 ✨Dis da message from Da One In Charge: You betta watch out if you like stay alive! No carry stuff on da Res Day, an no bring stuff inside da Jerusalem gates dat day!

22 ✨No bring stuff outa yoa house an no work on da Res Day! Make dat day spesho fo me, jalike I wen tell yoa ancesta guys dey gotta do!

23 But yoa ancesta guys neva lissen fo real kine. Dey ony come hard head. Wen I tell um fo do stuff da right way, dey ony make deaf ear.’

²⁴ “Den Da One In Charge tell: ‘But if you guys lissen me fo real kine, you no goin bring stuffs inside da gates fo dis big town on da Res Day. Make dat day spesho fo me, an no work on da Res Day!

²⁵ Den garans goin get king guys dat sit on top David throne, an dey goin come inside da gates fo dis big town wit dea leada guys. Dey goin come inside on top war wagons an horses, dem an dea leada guys, an da guys from Judah, an da peopo from Jerusalem. Den dis big town goin get peopo living inside, all da time.

²⁶ Da peopo goin come from da Judah towns, an da small towns aroun Jerusalem, from da Benjamin ohana land, an da small hills makai side, from up country Judah, an from da Negev boonies. Dey goin bring animals fo make burn up kine sacrifice an odda kine sacrifice, da wheat o barley sacrifice, da incense fo burn fo me, an da sacrifice fo tell me mahalo plenny. Dey goin bring all dat to da Temple Fo Da One In Charge.

²⁷ But if you no lissen wat I tell you fo do, an no make da Res Day spesho fo me, wen you come inside da Jerusalem gates an carry stuff wit you on da Res Day, den I goin burn up da Jerusalem gates wit one fire dat no no nobody can pio. Da fire goin wipe out da strong wall all aroun Jerusalem.’ ”

Da Guy Dat Make Clay Pots

(Rome 9:21)

¹ Dis anodda message fo Jeremiah from Da One In Charge:

² “Go down by da house a da guy dat make clay pots. Wen you get dea, I goin tell you someting.”

³ So I go down by da house a da guy dat make clay pots. I see he stay work wit da wheel fo make pots.

⁴ But kapulu da way he make dis pot wit his hands, so he make one diffren pot wit da same wet clay, da way he tink mo betta.

⁵ Den Da One In Charge give me dis message:

⁶ “You Israel peopo, how come you guys tink I no can make wit you guys jalike dis guy make wit da clay pot?! Fo me, you guys jalike da clay dis guy use fo make clay pots wit his hands.

⁷ If bumbye I tell dat I goin pull out one peopo o one king an his peopo from da land, an wipe um out,

⁸ an if dose peopo dat I tell, change an come sorry fo da bad kine stuff dey wen do, an no do um no moa, den I goin tink diffren, an I no goin do to dem all da bad kine stuff dat I wen plan fo do to dem befoa.

⁹ “An if anodda time I tell dat I goin make one peopo o one king an his peopo come strong,

¹⁰ but if dey start fo do bad kine stuff da way I see um, an no lissen wat I tell, den I goin tink one mo time bout if I goin do da good tings dat I wen tell I was goin do befo time.

¹¹ “Az why you gotta tell all dis to all da Judah peopo an da Jerusalem peopo: ‘Dis da message from Da One In Charge: Watch out! I da One stay make ready all da bad kine stuff goin happen to you guys. I da One stay make one plan agains you guys. All you guys betta not do da bad kine stuff no moa, an betta change how all you guys ack.’

¹² But da peopo goin tell: ‘Laytas wit dat! All us guys goin do wat us like do! All us guys hard head an no mo one good heart, an we goin stay lidat!’ ”

13 Az why Da One In Charge tell dis:
 "Aks all da peopos,
 You guys hear somebody talk lidis, o wat?!
 Da Israel peopo, I get love an aloha fo dem, jalike dey my wahine,
 But now, dey do one real real bad kine ting.
 14 You tink da snow eva go way from da mountain cliffs inside Lebanon?!
 No way!
 You tink da cold watta ova dea come from far away, eva come notting?!
 Not even!
 15 But my peopo, dey not like da watta from da mountains!
 Dey no give a rip bout me.
 Dey burn incense fo da idol kine gods dat no can do notting.
 No matta da idol kine gods make my peopo
 Fall down from da good roads dat stay from long time.
 Da idol kine gods make dem go walk on top
 Da small kine trails dat nobody build um good.
 16 Odda peopo goin bus up dea land.
 Odda peopo goin come shock erytime dey see um.
 Erybody dat go by dea goin come bum out.
 Dey goin shake dea heads cuz all bus up da land.
 17 I goin make dem go all ova da place
 In front da peopo dat stay agains dem,
 Jalike one wind from da dry boonies throw dirt all ova da place.
 I goin make deaf ear to dem
 Wen time fo wipe dem out."

*Da Peopo Make Plan
 Fo Kill Jeremiah*

18 Some peopo tell: "Eh come! We go make one plan fo kill Jeremiah.
 Dat way, we not goin throw out da rules da pries guys teach, o throw out
 wat da guys dat know wat fo do erytime tell us fo do, o throw out da tings
 da guys dat talk fo God tell. So we goin poin finga Jeremiah an tell wat he
 do wrong. We no goin lissen him notting!"
 19 I tell: "You Da One In Charge, lissen me!
 Lissen wat da guys dat poin finga me stay tell!
 20 You goin do good kine tings fo dem
 Wen dey stay do bad kine tings fo me, Jeremiah, o wat?!
 Jalike dey dig one big hole fo kill me.
 No foget dat I wen stan in front you
 An aks you fo do good kine tings fo dem,
 So you no stay huhu wit dem.
 21 So make dea kids mahke cuz no mo food!
 Let dem get kill in da war!
 Make dea wifes come widows
 An lose dea kids too!
 Make dea guys mahke from da real bad kine sick!
 Kill dea young guys wit swords wen dey go war!
 22 Wen you bring army guys dea
 An dey donno dey stay coming,
 Let peopo hear dem scream fo help from inside dea house!
 Dey dig one big hole fo catch me
 An dey hide traps fo catch my feets.

23 But you, Da One In Charge, you know all dea plans fo kill me.
 No let dem go cuz a da wrong tings dey do!
 Make dem so dey no can stay tight wit you
 Wen dey get da blame fo do wat stay wrong.
 No foget da bad kine stuff dey do in front you!
 Make um fall down in front you!
 Make to dem how you like wen you stay real huhu!”

19

1 Dis anodda message from Da One In Charge: “Go buy one clay watta bottle wit skinny neck an handles from da guy dat make clay pots. Take some a da older leada guys fo da peopo an da pries guys wit you.

2 ✨Go da Ben Hinnom landfill nea da town gate wea peopo throw da broke kine clay pots. Wen you get dea, tell um da tings I tell you now.

3 Tell dem: ‘Lissen wat Da One In Charge tell, you Judah king guys an Jerusalem peopo. Dis wat Da One In Charge, da God Ova All Da Armies an da God fo da Israel peopo, tell: Lissen up! I goin make one real bad kine ting happen dis place. Wen peopo hear bout dis, dey goin come all shock, cuz dis place goin come all bus up.

4 Az cuz da peopo wen bag from me. Dey make dis landfill come one place fo da gods from odda places. Dey burn sacrifice ova hea fo da idol kine gods dat dey neva know befo time. Dea ancesta guys an da Judah kings neva know dose gods befo time too. An dis da place dey wen kill plenny peopo dat neva do notting wrong.

5 ✨Dey build sacrifice places aroun hea fo da idol kine god Baal. Dey go burn up dea kids inside da fire dea, fo make burn up kine sacrifice fo Baal. I neva tell dem fo make dat kine sacrifice. I neva even talk bout um. Dass not wat I like dem fo do!

6 So you guys betta wise up! Me, Da One In Charge, an dis wat I tell: Da time goin come wen peopo no goin call dis place Tofet no moa, o da Ben Hinnom Valley, but da Valley Wea Dey Kill Peopo.

7 “ ‘Right hea, I goin jam up da plans dat da Judah peopo an da Jerusalem peopo make. Da guys dat stay agains da Judah peopo, an like kill um, dey goin kill da Judah peopo wit swords. An I goin make dea mahke bodies come food fo da birds inside da sky an da wild animals on top da earth.

8 I goin bus up dis big town so no goin get notting dea, an peopo goin come shock wen dey see um. Erybody dat pass by dea goin come bum out. Dey goin come shock cuz da town stay all bus up.

9 Da Jerusalem peopo goin snap. Az cuz da guys dat stay agains dem an like kill dem goin put dea army guys all aroun outside da town an no let um go get food. Dat time, I goin make dem kill dea boys an girls an eat um. Dey goin eat each odda too.’

10 “Afta you tell um all dis, broke da clay watta bottle in front da guys dat go aroun wit you.

11 Tell dem, ‘Dis wat Da One In Charge, da God Ova All Da Armies, tell: I goin broke down dis peopo an dis big town, jalike Jeremiah wen broke dis bottle from da guy dat make pots, so no can fix um. Da Judah an Jerusalem peopo goin bury dea mahke guys inside dis Tofet Valley till no mo room.

12 Me, Da One In Charge, dis wat I goin do to dis place an to da peopo dat live hea. I goin fill up dis town wit mahke bodies jalike Tofet Valley.

¹³ Da houses inside Jerusalem an da houses fo da Judah kings goin come pilau cuz a all da mahke bodies, jalike dis Tofet place. Dis cuz dey burn incense on top dea flat roofs fo all da gods in da sky, an pour out drink sacrifice fo da odda kine gods.' "

¹⁴ Den Jeremiah come back from Tofet Valley to Jerusalem side, wea Da One In Charge wen sen Jeremiah fo talk fo him. He stan inside da open lanai aroun da Temple Fo Da One In Charge. An he tell all da peopo dis:

¹⁵ "Da One In Charge tell dis. He da God Ova All Da Armies, an da God fo da Israel peopo. He tell: Lissen up! Inside dis big town an da small towns aroun um, I goin make happen all da real bad kine stuff I wen tell dem dat I goin do befo I do um. Cuz dey hard head, an dey no like lissen wat I tell."

20

Jeremiah An Pash-hur

¹ Da pries guy Pash-hur, Immer boy, he da main leada guy in charge a security fo da Temple Fo Da One In Charge. Wen he hear Jeremiah talk fo God an tell dese tings.

² Pash-hur tell his worka guys fo go bus up Jeremiah, da guy dat talk fo God, an lock his legs inside da holes in da wood frame shackles dat stay dea by da gate fo da mauka side a da open lanai fo da Temple, wea da road to da Benjamin land go, fo Jeremiah no move.

³ Da nex day, Pash-hur hemo Jeremiah from da shackles. Jeremiah tell um, "Da One In Charge get dis new name fo you. Not Pash-hur, but Magor-Missabib. Dat mean, 'Stay Real Sked.'

⁴ Cuz dis wat Da One In Charge tell: 'I goin make you an all yoa frenz come real sked. You goin see da guys dat stay agains oua peopo use dea swords fo kill yoa frenz. I goin give da Babylon king powa ova all you Judah peopo. He goin take some a you guys Babylon side, an tell his guys kill some a you wit swords.

⁵ I goin give all da rich kine stuff from dis town to da guys dat stay agains dem—all da stuff oua peopo wen work fo make, an all da awesome kine stuffs da peopo get, an all da rich kine stuff da Judah kings get. Da Babylon guys goin rip off all dat, an take um Babylon side.

⁶ An you, Pash-hur, an erybody dat stay live inside yoa house, all you guys goin come prisonas. You goin go Babylon side, an dass da place you goin mahke, an dey goin bury you dea. Same ting fo you an all yoa frenz—you wen ack jalike one guy dat talk fo God, but you ony tell yoa frenz bulai stuff.' "

Jeremiah Grumble

⁷ Da One In Charge, you wen make me tink az good I talk fo you,
An I wen lissen you.

You mo strong den me, az why you win.

Peopo make fun a me all day.

Dey all stay laugh at me.

⁸ Cuz weneva I talk,

I gotta yell, an tell,

"Eryting goin get bus up an wipe out!"

Az why, weneva I tell wat Da One In Charge tell me,

Da peopo ony stick tongue an laugh at me all day.

⁹ But if I tell, "I no goin even tink bout Da One In Charge!

I no goin talk fo him no moa!"

- Den, da tings he like me tell stay inside me,
 Jalike one fire stay burn inside me!
 Jalike my bones burning up inside.
 I stay tired from hold um inside.
 I no can hold um inside no moa.
- 10 I hear plenny guys talk sof kine,
 Dey tell, "Dis Jeremiah, da 'stay real sked' guy—
 We go tell on him."
 Even all my frenz stay wait fo me fo tell someting wrong.
 Dey tell, "Maybe us guys can trick Jeremiah!
 Den we can win, an get back at him!"
- 11 But Da One In Charge, he stay wit me
 Jalike one skery kine army guy.
 Az why da guys dat like give me hard time,
 Dey goin trip an fall down.
 Dey no goin win.
 Dey goin come real shame.
 Tings no goin come good fo dem.
 Nobody goin foget dat dey get shame all da time.
- 12 Da One In Charge, you da God Ova All Da Armies.
 You tes da peopo dat do da right ting.
 You know how dey feel an how dey tink.
 I like see you pay back dose odde guys,
 Cuz I wen tell you eryting bout da problem I get.
- 13 Eh erybody! sing to Da One In Charge!
 Tell good stuff bout Da One In Charge!
 Da peopo dat no mo nobody fo help dem, he get dem outa trouble,
 So da bad kine guys no mo da powa fo hurt dem.
- 14 ✨ Still yet, I like put kahuna on top da day I wen born!
 I like fo notting good happen dat day wen my muddah wen born me!
- 15 I like put kahuna on top da guy dat tell my faddah dat I wen born.
 He make my faddah come real good inside,
 Cuz he tell, "You get one boy!"
- 16 I like fo da guy dat tell my faddah I born, come jalike Sodom an Gomorrah
 towns,
 Dat Da One In Charge wen wipe um out an no show pity!
 I like dat guy hear peopo stay crying morning time,
 An army guys stay yelling fo fight noon time!
- 17 I mad cuz dat guy neva kill me wen I inside my muddah.
 Fo me stay inside my muddah, an make my grave dea.
- 18 How come I wen born?!
 Fo shua, az ony fo get trouble an stay sad inside!
 Ony fo come shame till I mahke!

*Da Babylon Guys
 Goin Take Ova Jerusalem*

¹ Da One In Charge give one mo message fo Jeremiah. He give um, da time King Zedekiah sen da odda Pash-hur, Malkijah boy, an da pries guy Zefaniah, Maaseiah boy, by Jeremiah.

² ✨ Dey tell um, “Try find out fo us guys from Da One In Charge, wass goin happen now. Cuz Nebukadnezzar, da king fo Babylon, stay make war wit us guys. Maybe Da One In Charge goin do someting fo help us guys, jalike da awesome kine stuff he wen do befo time. We like see Nebukadnezzar go home an no make trouble fo us guys!”

³ But Jeremiah tell dem, “Dis wat you guys gotta tell King Zedekiah:

⁴ ‘Dis wat Da One In Charge, da God fo da Israel peopo, tell: You know da swords an odda tings fo fight dat you guys carry, dat you guys use fo fight da king fo Babylon an da Babylon army guys? I goin take dose tings, an use um fo hurt you guys! Da Babylon army guys stay outside yoa wall all aroun yoa town, Jerusalem, but I goin bring um all inside da middo a dis town!

⁵ Goin be me dat use my strong powa fo fight you guys! Cuz I stay real huhu, an I no like wat you guys do.

⁶ I goin bus up da peopo dat live inside dis town, da peopo an da animals too. Dey goin mahke from one real bad kine sick.

⁷ An Da One In Charge tell wat goin happen afta dat—bout Zedekiah da king fo Judah, his palace guys, an da peopo dat live inside dis big town. He tell wat goin happen to da ones dat still stay alive afta da bad kine sick, an da fighting, an no mo food. Da One In Charge goin give dem to Nebukadnezzar, da king fo Babylon, an to da guys dat stay agains dem an like kill um. An Nebukadnezzar guys goin kill da Jerusalem peopo wit swords. Dey no goin feel pity fo dem o give dem chance.’

⁸ “Tell da peopo dis too: ‘Dis wat Da One In Charge tell: Lissen up! I give you guys two tings—you guys can pick fo stay alive o fo mahke!

⁹ Whoeva stay inside dis town goin get kill wit swords, o cuz no mo food, o cuz a da bad sick. But whoeva go out an tell da Babylon guys dat cut off yoa town, dat dey give up, dey goin get outa da war an stay alive.

¹⁰ I make up my mind awready dat fo shua da bad kine stuff, an not da good kine stuff, goin happen to dis big town. Da Babylon king goin take ova da town, an he goin wipe um out wit fire.’ Az wat Da One In Charge tell.

¹¹ “An tell da Judah king an his ohana dis: ‘Lissen wat Da One In Charge tell.

¹² You David ohana guys, dis wat me, da Boss, tell:

“ ‘Wen you guys judge da peopo,

Do wass right ery morning.

No let da guys dat rip off peopo

Put presha one mo time fo da ones dey wen steal from.

If you no do dat,

I goin come real huhu jalike fire,

Cuz you guys do bad kine stuff.

An no mo nobody goin pio dat fire!

¹³ Me, I stay agains you peopo

Dat live Jerusalem, on top da level place up da valley,

Jalike one big rock dat no can move.

You guys talk big, “Eh, no mo nobody can come attack us!

No mo nobody can come inside da place wea we stay hide!”

✨ **21:2** 21:2; 2Kings 25:1-11; 2Rec 36:17-21

Dass wat me, Da One In Charge, tell.
 14 I goin punish you guys
 Cuz a da bad kine stuff you guys do.
 I goin burn up da wood palace inside yoa town,
 An all da odda stuff inside da town too!' ”

22

One Message Fo Da Kings Fo Judah (Matthew 23:38; Luke 13:35)

1 Dis wat Da One In Charge tell: “Go down by da palace fo da Judah king. Wen you come ova dea, tell um:

2 ‘You, da king fo da Judah peopo! Lissen up wat Da One In Charge tell. You da one from King David blood line dat get da right fo be king. You, yoa palace guys, an yoa peopo dat come inside dese gates—all you guys, lissen up!

3 “ ‘Dis wat Da One In Charge tell: Inside dis place, judge da right way an do wat stay right. Make shua da guys dat rip off peopo no hassle da ones dey wen steal from da firs time. Fo da guys not from dis place, an da guys dat no mo faddah o muddah, o da wahines dat no mo husban, no go do stuff fo hurt dem o bus um up. No go kill somebody dat neva do notting wrong.

4 Cuz if you guys make shua you do all dis stuff I tell, den da kings from King David blood line goin come inside da gates fo dis palace. Dey goin ride inside war wagons an on top horses, wit dea palace guys an dea peopo.

15 "If you like fo real kine fo build house

Wit mo plenny cedar wood den some odda guy,

You tink dat make you one king, o wat?!

Yoa faddah Josiah, he get plenny fo eat an drink.

But him, he wen do wat stay right an judge da right way.

17 "But you, Jehoiakim, you ony like get

Wat you can rip off from da real owna!

You like kill da peopo dat neva do notting wrong.

You like make sly kine fo make peopo pay you extra fo wat you do fo dem.

You bus up peopo an you no give a rip!"

18 ✨ Az why dis wat Da One In Charge tell bout Jehoiakim, Josiah boy, dat come king fo da Judah peopo afta King Josiah mahke:

"Da ohana peopo no goin stay sad inside

Wen Jehoiakim mahke.

Dey no goin tell, 'Bummahs he wen mahke, braddah! Bummahs, sistah!'

 But you tell, 'I no goin lissen you!'
 Az how you ack from small kid time.
 You neva lissen me!
²² I goin make all yoa leada guys come prisonas
 Jalike one strong wind blow um away.
 All da ones dat can help you fight
 Goin come prisonas an go one far place.
 Den, you goin get plenny shame an lose face,
 Cuz a all da bad kine stuff you wen do.
²³ You da king dat live inside Lebanon kine palaces,
 Dat get cedar wood fo make high makamaka.
 You goin moan plenny wen you start fo hurt,
 Jalike one wahine wen she born one bebe."

²⁴ ✧Da One In Charge tell: "Fo shua, I da God dat stay alive. An I stay shua too bout you, Koniah (yoa faddah Jehoiakim was da king fo Judah). I stay shua dat no matta you stay tight wit me jalike one ring on top my finga, I still goin hemo you off my finga. Cuz you no stay tight wit me, I goin dump you!

²⁵ I goin give you to da guys dat like kill you. Dey da ones make you come sked. Dass Nebukadnezzar, da king fo Babylon, an da Babylon army guys.

²⁶ I goin throw you out, an yoa muddah too dat wen born you, an make you go anodda land. You an her neva born ova dea, but you two guys goin mahke ova dea.

²⁷ You guys no goin come back dis land, no matta you like come back fo real kine."

²⁸ Peopo tell: "Dis guy Koniah—
 He jalike one pot dat erybody tink no good awready,
 Dat stay all bus up.

He jalike one dish,
 Dat no mo nobody like keep um.
 How come gotta throw out him an his kids
 An make um go anodda country
 Dey neva know befo, aah?!

²⁹ Lissen up! Even da Judah land
 Gotta lissen up good, wat Da One In Charge tell!"

³⁰ Dis wat he tell: "Write down dis Koniah guy name inside da records
 Jalike he neva have kids.
 Cuz from now till he mahke, he no goin do notting,

No goin get nobody from his blood line
 Dat goin get da right one fo come king.
 Dey no can come da kings from King David blood
 Dat goin get da right fo stay in charge inside Judah!"

Need New Leada Guys

¹ Anodda message from Da One In Charge: "Ho, da leada guys, dey all jam up! Dey suppose to take kea my peopo jalike da sheep guys take kea da sheeps. But dem, dey wipe out da sheeps inside my field! O dey make um run away all ova da place!"

² Az why Da One In Charge, da God fo da Israel peopo, tell dis to da leada guys dat suppose to take kea my peopo: "You da guys wen make my sheeps an goats run away all ova da place. Cuz you no watch my sheeps an no take kea dem, I goin watch you guys fo punish you fo da bad kine stuff you guys do." Az wat Da One In Charge tell.

³ "Me, I goin bring togedda da ones from my peopo dat still stay alive. I goin bring um all back dea place, from all da lands wea I wen make dem go. Dey jalike my sheeps, an dey goin get plenny bebes.

⁴ I goin put leada guys ova dem jalike real kine sheep guys fo take kea dem. Dey no goin stay sked no moa, an erybody dat suppose to be dea, goin be dea." Az wat Da One In Charge tell.

⁵ ✧ Da One In Charge tell: "An you know wat?!"

Da time goin come bumbye
 Wen I goin do dis fo King David:
 I goin make one guy from King David blood line
 Come da king.
 Jalike King David da Root
 An dis guy da New Branch dat come out from him,
 One guy dat goin do wass right erytime.
 He goin be da kine king dat know how come stuff happen.
 He goin keep all da rules
 An do wass right inside da land.

⁶ Wen he da king, da Judah peopo goin get outa trouble,
 An da Israel peopo goin know fo shua eryting stay okay.

Dey all goin give dea king one name dat mean,
 'Da One In Charge, da one dat do right fo us guys erytime.' "

⁷ Da One In Charge tell: "Az why, da time goin come wen peopo dat make one promise no goin tell, 'Fo shua, Da One In Charge wen bring da Israel peopo outa Egypt, an he stay alive!'

⁸ but dey goin tell, 'Fo shua, Da One In Charge wen bring da Israel peopo outa da north land an all da lands wea he wen sen dem, an he stay alive!' An dey goin live inside dea land."

Guys Dat Bulai

Wen Dey Tell Dey Talk Fo God

⁹ Dis bout da guys dat talk fo God.

I tink bout Da One In Charge
 An all da tings he tell cuz he good an spesho.
 An den I tink bout da guys dat tell dey talk fo God.

Make my head come all hamajang inside.
 Me, jalike my body come real weak.
 I stay jalike I piloot,
 Jalike one guy dat no can handle notting, from drink wine.
 10 All ova da land, get plenny peopo
 Dat ack jalike one wahine dat fool aroun behind her husban back,
 Cuz dey go fool aroun wit da odda gods.
 Da land get kahuna on top um,
 Cuz da peopo no do wat dey tell God dey goin do.
 Az how come da whole land look dry jalike stay mahke.
 Da places inside da boonies wea get grass, stay dry.
 Az cuz da guys dat suppose to talk fo God,
 Dey ony do wat dey like do, an az bad.
 Dey no use dea powa da right way.

 11 Da One In Charge tell: "Da guys dat tell dey talk fo me,
 An da pries guys too,
 Dey ack jalike me, God, no matta.
 Even inside my Temple I spock um stay doing real bad kine stuff."
 Dass wat Da One In Charge tell.
 12 "Az why no matta wea dey go,
 Dey goin slip an fall down.
 I goin make dem go one dark kine place
 An dey goin fall down ova dea.
 I goin make real bad kine stuff happen to dem,
 Wen time fo me punish dem."
 Az wat Da One In Charge tell.

 13 Da One In Charge tell: "Befo time, wit da guys
 Dat suppose to talk fo me inside Samaria,
 I wen see dis stupid kine ting—
 Dey talk fo da idol kine god Baal!
 Dey make my Israel peopo do wrong kine ting.
 14 ☆ An wit da guys dat suppose to talk fo me inside Jerusalem,
 I wen spock one even mo bad kine ting:
 Dey ack jalike one wahine dat fool aroun behind her husban back,
 An go fool aroun wit da odda gods,
 An follow da bulaia god Baal.
 Dey tell da peopo dat do bad kine stuff,
 'Go fo broke!'
 So den no mo nobody turn aroun
 An no do bad kine stuff.
 Fo me, all dem jalike da Sodom peopo.
 An da Jerusalem peopo, dey jalike da Gomorrah peopo."
 15 Az why Da One In Charge, da God Ova All Da Armies, tell dis bout da
 guys dat suppose to talk fo him:
 "Me, I goin make dem grind da kine food dat taste horraz,
 An drink watta wit poison inside.
 Get guys Jerusalem side dat suppose to talk fo me,
 Dey da ones wen start fo make peopo all ova da land
 Tink dat me, God, no matta."

☆ 23:14 23:14: Start 18:20; Ezek 16:49

- 16 Dis wat Da One In Charge, da God Ova All Da Armies, tell:
 “No lissen wat da guys dat suppose to talk fo me tell you guys!
Dey like you tink you goin get all kine stuff
 Dat ony wase time.
Dey talk bout dreams dat dey make up.
 Dey no tell wat Me, Da One In Charge tell.
- 17 Ova an ova, dey tell da guys dat make deaf ear to me,
 ‘No worries! Da One In Charge tell, dat eryting goin stay okay fo you
 guys!’
Dey tell da guys dat stay hard head
 An make up dea mind fo do any kine,
 ‘No mo notting bad goin happen to you!’ ”
- 18 “But no mo nobody from dem wen stan wit da guys dat stay close to Da
 One In Charge,
 Fo know da secret plan bout wat Da One In Charge goin do,
An learn an lissen wat he tell?!
 Not even one a dem guys!
- 19 Watch out! Wen Da One In Charge come huhu,
 Az jalike one big storm come.
Stay jalike one tornado dat come down
 On top da head a da guys dat do real bad kine stuff.
- 20 Wen Da One In Charge come huhu,
 He goin stay huhu
 Till he pau do eryting he plan fo do from befo time.
You guys goin undastan all dis,
 Bumbye wen da right time come.”
- 21 Da One In Charge tell: “I neva tell dese guys fo talk fo me,
 But ery place dey run, dey all mout.
I neva tell notting to dem,
 But dey tell dey talk fo me.
- 22 Too bad, dey neva stan an hear
 Da secret plan bout wat I goin do,
Cuz if dey wen hear dat fo real kine,
 Den dey go tell wat I tell to da peopo.
Dey tell um, ‘Change da way you live,
 No do wass wrong!’
 But dey no do dat.”
- 23 Da One In Charge tell: “You guys tink I ony one God fo one place, o wat?!
 Eh, I da God fo all da far kine places too!
- 24 If somebody go hide inside one place nobody know,
 You tink I no can see um, o wat?!
But me, I fill up da sky an da earth!”
 Az wat Da One In Charge tell.
- 25 “I wen hear how da guys talk, dat tell dey talk fo me. Dey ony use my
name fo bulai peopo. Dey tell, ‘Eh! I get one dream!’
- 26 How long dese guys tink dey can bulai peopo an tell dey talk fo me?
Dey ony tell da bulai kine stuff dey make up inside dea head!
- 27 Dey figga dat da dreams dey tell goin make my peopo foget who me,
jalike dea ancesta guys wen foget who me wen dey pray to da god Baal.

²⁸ Wen da guys dat tell dey talk fo me get one dream, dey gotta tell dass jus one dream. But da guy dat get one fo real message from me, he betta tell um fo real kine. Cuz da straw not da same ting jalike da wheat." Az wat Da One In Charge tell.

²⁹ "So. Wat I tell, burn jalike fire, an poun jalike one hamma dat broke big kine rocks an make um come small pieces." Az wat Da One In Charge tell.

³⁰ Da One In Charge tell: "Az why I stay agains da guys dat tell dey talk fo me. Cuz dey ony tell same ting da odda guys tell, but dey tell dey get um from me.

³¹ I stay agains da talka guys dat all mout but dey ack jalike dey talk fo me.

³² Fo shua, I stay agains da guys dat tell bulai kine dreams. Dey tell wat dey wen dream, an dey make my peopo go da wrong way wen dey go all out fo bulai um. But I neva tell dose guys fo talk fo me. I neva tell um fo do notting. Dey no do notting good fo dese peopo." Az wat Da One In Charge tell.

Da Fake Kine Talka Guys An Wat Dey Tell

³³ "Eh! Jeremiah! Wen dese peopo, o one guy dat tell he talk fo me, o one pries guy, tell, 'Wat kine message you get from Da One In Charge?' tell um, 'Wat you mean, message?! "I goin bag from you guys!" Az da message from Da One In Charge!'

³⁴ If one guy dat tell he talk fo God, o one pries guy, o some odda guy tell, 'Dis one spesho message from Da One In Charge,' I goin punish dat guy an his ohana.

³⁵ Dis wat all you guys stay tell yoa frenz an ohana guys, 'Wass da ansa from Da One In Charge?' o 'Wat Da One In Charge tell?'

³⁶ But you guys betta not talk bout 'spesho messages from Da One In Charge,' cuz all dem tink watevas dey tell, az one spesho message from Da One In Charge. Dass how you guys stay make kapakahi wat da God dat stay alive fo real kine tell. An dass me, Da One In Charge, da God Ova All Da Armies!

³⁷ Dis wat you guys stay tell da guys dat suppose to talk fo me, 'Wat ansa you get from Da One In Charge?' o 'Wat Da One In Charge tell?'

³⁸ But if you guys do wat I tell you fo no do, an use da words, 'Dis one spesho message from Da One In Charge,' wen you not suppose to tell dat, den mo betta you no tell, 'Dis one spesho message from Da One In Charge.'

³⁹ Az why I goin dump you guys fo shua, an I goin throw you outa wea I stay. I goin do da same ting fo all da odda peopo inside Jerusalem town, no matta I wen give da town to you guys an yoa ancesta guys.

⁴⁰ I goin make you guys come shame in front erybody foeva, an I goin make you lose face foeva, an no mo nobody goin foget dat."

24

Two Basket Figs

¹ ✨ One time, Da One In Charge show me two basket figs dat somebody put in front da Temple Fo Da One In Charge. (Az was afta King Nebukadnezzar from Babylon wen make Koniah his prisona an bring um from Jerusalem to Babylon. Koniah, da Judah king an Jehoiakim boy. Nebukadnezzar make da leada guys fo da Judah peopo prisonas an take dem away too. An he

do da same ting wit da guys dat smart fo make fancy kine stuff an wit da military engineer guys.)

² One basket get real good kine fig, da kine dat come ripe early. Da odda basket get rotten figs, real rotten so nobody eat um.

³ Den Da One In Charge tell me, "Eh Jeremiah! Wat you see?"

I tell, "Figs. Da good figs stay real good, but da rotten figs stay real bad, nobody can eat um."

⁴ Den Da One In Charge give me dis message:

⁵ "Me, Da One In Charge, da God fo da Israel peopo, an dis wat I tell: 'Da prisona guys from Judah, dey jalike da good figs. Dey da ones I wen sen away from dis place to da Babylon land.

⁶ I goin take kea dem fo make shua good kine tings happen to dem, an I goin bring dem back to dis land. Jalike I goin build dem up one mo time inside dis land an no bus um up. Jalike I goin plant dem fo make um come solid, an I no goin pull um up outa da groun jalike plants.

⁷ I goin give dem da kine heart fo know fo shua who me. Dey goin know dat me, dea God, Da One In Charge! Dey goin come my peopo, an I goin come dea God. Cuz dey goin go all out fo come back by me.'

⁸ "But jalike da rotten figs, dat no can eat um, az how I goin make to Zedekiah, da king fo Judah, his leada guys, an da odda Jerusalem peopo dat stay alive still yet, no matta dey stay inside dis land o go Egypt side.

⁹ I goin make to dem jalike peopo make to rotten figs, so all da odda kings inside da world an dea peopo goin tink horraz bout dem. Dey goin talk bout dem jalike da rotten fig nobody like. Dey goin make fun a dem. An dey goin use dea name fo put kahuna on top peopo wea eva I sen dem.

¹⁰ I goin make war come to dem, I goin take away dea food, an goin sen one bad kine sick fo hurt dem till dey all come wipe out from da land dat I wen give to dem an dea ancesta guys."

25

Dey Goin Be Prisonas Fo Seventy Years

¹ ✧ Dis, da message Da One In Charge wen give Jeremiah bout all da Judah peopo. Was da year numba four wen Jehoiakim, Josiah boy, stay king fo Judah. Az was da firs year dat Nebukadnezzar stay da king fo Babylon.

² So Jeremiah, da guy dat talk fo Da One In Charge, tell all da Judah peopo, an all da peopo dat live inside Jerusalem:

³ "From da year numba thirteen wen Josiah, Amon boy, stay king fo Judah, till today, az twenny-three year. All dat time, I get messages from Da One In Charge, an I stay tell you guys ova an ova wat he tell. But you guys no lissen.

⁴ "Da One In Charge sen his worka guys by you guys ova an ova fo talk fo him. But no matta Da One In Charge sen um, you guys no lissen wat his talka guys tell. You ony make deaf ear.

⁵ Da guys dat talk fo God wen tell dem dis: 'All you guys gotta change da way you tink! You gotta change an no do bad kine tings no moa! Den you can come back fo live inside da land Da One In Charge wen give you guys an yoa ancesta guys fo real long time.

⁶ No follow odda gods. No work fo dem. No go down in front dem. No make me come huhu wit da idol kine gods you guys make wit yoa hands. Den I no goin hurt you guys.' "

✧ 25:1 25:1; 2Kings 24:1; 2Rec 36:5-7; Dan 1:1-2

⁷ But Da One In Charge tell: “You guys no lissen me. An you guys make me come huhu cuz a da idol kine gods you guys make wit yoa hands. Az how come you guys make trouble fo you!”

⁸ Az why Da One In Charge, da God Ova All Da Armies, tell dis: “Cuz you guys no lissen wat I tell,

⁹ I goin call all da peopos from da north fo come togedda. I goin call King Nebukadnezzar fo come too from Babylon. He do my work fo me, an I goin bring him an da odda peopos agains dis land an da peopo dat live hea, an agains all da peopos aroun hea. I goin wipe dem all out, jalike oua peopo wipe out one animal wen dey make one sacrifice. Dass how I goin make erybody come shock an shake dea head, an come real sore inside cuz a dem. No goin get notting dea, all da time afta dey come wipe out.

¹⁰ ✧ I goin make shua dat no mo nobody from Jerusalem goin stay good inside o like make party. Even da bride an groom no goin say notting. No goin get noise from da stones dat make da wheat flour, an no goin get light from da olive oil lamps.

¹¹ ✧ Dis whole land goin come dry an no goin get nobody live ova dea. Anybody go by dea goin come shock. All dese peopos goin work hard fo da Babylon king fo seventy year.” Az wat Da One In Charge tell.

¹² An Da One In Charge tell: “But wen da seventy year pau, I goin punish da Babylon king an his peopo an wipe out dea land, cuz dey get da blame fo da bad kine stuff dey wen do. An I goin wipe out dea land foeva, an dis goin make peopo come shock foeva.

¹³ I goin make happen eryting dat I wen tell goin happen agains da Babylon land, an eryting dat stay inside dis book, an eryting Jeremiah wen tell fo me agains all da diffren peopos.

¹⁴ Da Babylon guys goin be da ones fo come slaves fo strong kings an dea peopos. I goin pay back da Babylon guys fo da bad kine stuff dey do!”

God No Take Wat Da Nations Do

¹⁵ Dis wat Da One In Charge, da God fo da Israel peopo, tell me: “Take dis cup from my hand. Da wine inside da cup, jalike stay dea fo show dat I no like wat da diffren peopos do. Wea eva I sen you, make dem drink dis wine.

¹⁶ Wen dey drink um, dey goin stagga, an come pupule, cuz I goin sen war inside dea countries fo wipe um out!”

¹⁷ So I take da cup from Da One In Charge hand, an I make all dese nations drink um, ery place he sen me:

¹⁸ I give um to da Jerusalem peopo, an da peopo inside da towns inside Judah, an dea king guys an leada guys. Az fo make dem come wipe out, an make dea peopo come bum out, an come shock an shake dea head, an put kahuna on top dem—jalike how dey stay today.

¹⁹ I give da cup to da Pharaoh guy, da king fo Egypt, his palace guys, his leada guys, an all his peopo, an

²⁰ all da odda kine peopo from diffren place dat live dea, all da king guys fo Uz,

all da king guys fo da Filisha peopo (da ones from Ashkelon, Gaza, Ekron, an da peopo dat still yet stay alive Ashdod side),

²¹ da Edom, Moab, an Ammon peopos,

22 all da king guys fo Tyre an Sidon,
 da king guys from da islans da odda side a da sea,
 23 da peopo from Dedan, Tema, Buz,
 an erybody dat cut dea hair spesho kine fo dea gods,
 24 all da king guys fo Arabia,
 all da king guys fo da peopo from anodda place dat live inside da boonies,
 25 all da king guys fo da Zimri, Elam, an Mede peopo,
 26 all da king guys from da north, nea an far, one afta anodda—
 all da king guys land dat get on top da earth.

An afta all dose guys, da king fo Sheshak (az one secret name fo Babylon, you know) gotta drink um too.

27 Den Da One In Charge tell me: “Now tell um, ‘Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: Go drink plenny from da cup. Come piloot an puke an fall down so you no can stan up no moa, cuz I goin sen armies fo wipe out you guys.’

28 But if dey no like take da cup from you an drink um, tell um, ‘Dis wat Da One In Charge, da God Ova All Da Armies, tell: No matta you no like drink um, you guys gotta drink um!

29 Da firs ting I goin do, I goin punish da peopo from Jerusalem, da town dat get my name! An if I do dat, how come you guys tink I no goin punish you too?! Fo shua I goin punish you guys! I goin make war agains erybody dat stay on top da earth!’ ” Az wat Da One In Charge, da God Ova All Da Armies, tell.

30 “You, Jeremiah, go talk fo me to all da diffren peopos. Tell all dis stuff agains dem, an tell dem:

“ ‘Jalike one lion dat stay ready fo hunt,
 Da One In Charge goin make big noise from da sky.
 He goin make thunda
 From da place dat stay spesho fo him.
 He goin make one big noise fo make da sheeps come sked his peopo.
 An he goin yell plenny,
 Jalike da guys dat step grapes fo make wine.
 He goin yell agains all da peopo dat live on top da earth.
 31 Da big noise goin go to da mos far places on top da earth.
 Cuz Da One In Charge goin poin finga da peopos.
 He goin go agains erybody dat stay alive.
 He goin go afta da guys dat do wass wrong wit his sword.’ ”
 Az wat Da One In Charge tell.

32 Dis wat Da One In Charge, da God Ova All Da Armies, tell:
 “Dis wat I goin do.

Bad kine stuff goin happen to one peopo
 An go from dem to anodda peopo.
 Jalike one strong storm stay coming
 From da mos far side a da earth.

33 “Dat time, da peopo Da One In Charge goin kill, you goin see dea bodies all ova da place, from one side a da earth to da odda side. No mo nobody goin cry fo dem. No mo nobody goin take away da bodies. No mo nobody goin bury dem. Dea mahke bodies goin stay ova dea jalike rubbish all ova da groun.

34 “You bad leada guys,
 You suppose to take kea yoa peopo
 Jalike da sheep guys take kea dea sheeps.
 But you goin cry an yell.
 You guys dat get powa ova yoa sheeps,
 Roll aroun on top da dirt,
 Jalike fo one funeral!
 Now stay yoa time fo you get kill
 O get chase all ova da place!
 You guys goin fall down an come bus up
 Jalike you da kine clay pots dat cost plenny an easy fo broke.
 35 No mo place fo run an hide
 Fo you guys dat suppose to take kea da sheeps.
 No mo place fo get outa trouble
 Fo you guys dat get powa ova da sheeps.
 36 Da sheep guys stay yell fo help!
 Da ones dat own da sheeps stay scream fo help!
 Cuz Da One In Charge stay wipe out dea grass fields.
 37 Da places wea da sheeps stay
 Wea eryting stay quiet,
 Dose places goin come all wipe out.
 Cuz Da One In Charge stay real huhu
 An he goin burn up eryting.
 38 Jalike one lion leave da place wea he stay hide fo hunt,
 Da One In Charge goin go out lidat too!
 Az why dat land goin come one skery place fo live.
 Cuz da guys dat like put presha on dem,
 Goin bus um up wit swords,
 An cuz Da One In Charge stay real huhu.”

Some Peopo Tell Jeremiah Dey Goin Kill Him

¹ ✧ Da firs year afta Jehoiakim, Josiah boy, come da king fo da Judah peopo, had dis message from Da One In Charge fo me, Jeremiah.

² Dis wat Da One In Charge tell: “Go stan in front da lanai fo da Temple Fo Da One In Charge. Talk to all da peopo from da towns inside Judah dat come my Temple fo go down in front me fo show love an respeck fo me, Da One In Charge. Tell dem eryting I tell you. No hold back notting I tell you.

³ Maybe dey goin lissen, an no do da bad kine stuff all a dem stay do. If dey do dat, I goin change da way I goin make to dem. I goin hold back da bad kine stuff I wen plan fo do to dem cuz a da bad kine stuff dey stay do.

⁴ Tell dem dat Da One In Charge tell dis: If you guys no lissen me, an no live da way I teach in front all you guys, dis wat goin happen:

⁵ My worka guys tell you guys fo lissen. Dey da ones dat talk fo me. I stay sen um by you guys ova an ova, but you guys still no lissen dem. An if you guys no lissen,

⁶ ✧ den I goin make dis Temple come one uku pile a rocks jalike Shiloh town! I goin make dis Jerusalem town da kine place dat all da peopos on

top da earth goin talk bad bout wen dey put kahuna on top somebody an tell, 'I like you come all bus up, jalike Jerusalem town!' "

⁷ Da pries guys, an da guys dat tell dey talk fo God, an all da peopo, dey wen hear all dis stuff dat Jeremiah tell in da Temple Fo Da One In Charge.

⁸ But wen Jeremiah pau tell all da stuff Da One In Charge tell him fo tell, da pries guys, da guys dat tell dey talk fo God, an all da peopo grab him, an tell, "You gotta mahke!

⁹ How come you stay use Da One In Charge name an tell dat you stay talk fo him, but you stay tell dat dis Temple goin come jalike Shiloh town, an dat dis Jerusalem town goin come wipe out an no mo nobody goin live hea?!" An all da peopo wen come togedda agains Jeremiah in front da Temple Fo Da One In Charge.

¹⁰ Wen da Judah leadas hear bout all dis, dey go up from da king palace to da Temple Fo Da One In Charge, an stan by da New Gate fo da Temple Fo Da One In Charge.

¹¹ Den da pries guys an da guys dat tell dey talk fo God, dey tell da leadas an da peopo, "Dis guy gotta mahke, cuz he tell he talk fo God, but he grumble bout dis town. You guys wen hear wat he wen tell!"

¹² Den Jeremiah tell all da leada guys an da peopo, "Was Da One In Charge dat wen sen me hea fo talk fo him, an fo tell wat word you guys wen hear agains dis Temple an dis town.

¹³ Now go change how you guys ack! Start fo lissen wat yoa God tell, Da One In Charge. Den Da One In Charge goin change da way he make to you guys. He no goin make all da bad kine stuff happen dat he wen tell goin happen fo hurt you guys.

¹⁴ But fo me, you guys get da powa ova me. Do wateva you like dat you tink stay good an right.

¹⁵ But you gotta know dis fo shua—if you guys da ones goin kill me, you guys an erybody dat live inside dis town goin get da blame fo kill somebody dat neva do notting wrong. Cuz az true dat Da One In Charge wen sen me by you guys fo tell all dis stuff I stay tell fo you guys hear um."

¹⁶ Den da leadas an da peopo tell da pries guys an da guys dat tell dey talk fo God, "Dis guy not suppose to mahke, cuz oua God, dass Da One In Charge a us, wen use dis guy fo talk to us."

¹⁷ Some a da older leada guys dea from da land stan up in front all da peopo dat come togedda, an tell:

¹⁸ ✨ "Wen Hezekiah stay da Judah king, Micah from Moreshet wen talk fo God. He tell all da Judah peopo, 'Dis wat Da One In Charge, da God Ova All Da Armies, tell: "Zion Hill wea da Temple stay goin come jalike one field somebody wen plow. Jerusalem town goin come jalike one big rubbish pile! Da hill fo da Temple goin come one hill wit plenny trees all ova.' "

¹⁹ You tink Hezekiah da Judah king an his peopo wen kill Micah cuz he talk lidat?! No ways! Dey no do bad kine stuff. Dey show choke respect fo Da One In Charge. Dey beg Da One In Charge fo give chance. Cuz a dis, Da One In Charge no do wat he was goin do befo time. He no put da bad kine stuff on top dem dat he wen tell befo time he goin do. But wat goin happen to us guys if we kill dis guy Jeremiah!"

Anodda Guy Dat Talk Fo God Get Kill

²⁰ Had anodda guy Uriah, Shemaiah boy, from Kiriath-Jearim, dat use Da One In Charge name an talk fo him. He tell da same tings agains Jerusalem town an dis land dat Jeremiah stay tell.

²¹ Wen King Jehoiakim an all his main army guys an leada guys hear wat Uriah tell, da king sen somebody fo go find Uriah an kill um. But Uriah hear dis, an he come sked an run away Egypt side.

²² But King Jehoiakim sen Elnatan, Akbor boy, Egypt side wit some odda guys.

²³ Dey catch Uriah an bring um back from Egypt, an take him by King Jehoiakim. An Jehoiakim tell his guys fo kill Uriah wit dea swords. Den dey throw his body wea dey bury da regula peopo.

²⁴ But Ahikam, Shafan boy, he get da powa fo back up Jeremiah, so he no let da peopo grab um fo kill um.

27

Da Guys Dat Tell Dey Talk Fo God, But Dey Bulai

¹ ✧ Da firs year afta Jehoiakim, Josiah boy, come king fo da Judah peopo, get anodda message from Da One In Charge fo me, Jeremiah.

² I tell da peopo dat Da One In Charge tell me dis: "Make da kine straps an bars dat peopo use fo one yoke fo dea cow pull wagon. Tie da yoke on top yoa neck.

³ Den sen one message bout da yoke to ery ambassada guy dat come by Zedekiah, da king fo Judah inside Jerusalem. Da ambassada guys come from da kings fo Edom, Moab, Ammon, Tyre, an Sidon. Tell um take home da message fo dea king.

⁴ Tell dem fo tell dea boss guys, 'Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell. So dis wat you guys gotta tell yoa guys dat stay in charge:

⁵ Me, Da One In Charge, I wen make da world, all da peopo, an da animals dat stay on top da earth, cuz I get plenny powa an I use um how I like. I give my powa to anybody I like.

⁶ Now, I give all da countries wea you guys stay king, to my helpa guy Nebukadnezzar, da king fo Babylon. I even give him all da wild animals fo help him!

⁷ All da diffren peopos goin come work fo him, an his boy, an his grankid. But den, da time goin come fo odda peopos an strong kine kings fo take ova his country Babylon, an make him an his peopo work fo dem.

⁸ But if get one peopo wit one king dat no do wat Nebukadnezzar, da king fo Babylon, tell um fo do, az jalike dey no put dea neck unda his yoke. An I goin punish dat peopo. I goin make war come to dem, I goin take away dea food, an goin sen da bad kine sick fo hurt dem. Dass how I goin use Nebukadnezzar fo wipe all dem out. Az wat Da One In Charge tell.

⁹ " 'Az why you king guys betta not lissen da guys dat talk fo yoa gods, da guys dat aks dea gods wat goin happen, da guys dat can tell you wat yoa dream tell, da guys dat call da spirit from da mahke peopo fo come tell you wat goin happen bumbye, da guys dat tell wass goin happen cuz dey know da bad kine spirits! No lissen dem wen dey tell you guys dat you no goin come slaves fo da Babylon king!

¹⁰ Cuz wen dey tell you wat dea gods tell you, dey bulai. An cuz a dat, peopo goin bring you guys far away from yoa land. I goin kick out you guys, an you guys goin come wipe out.

¹¹ But if any country let da Babylon king take ova dem fo dem work fo him, az jalike dey let him put one yoke on top dea neck. I goin let dose peopo stay inside dea land fo farm da land an live dea.' " Az wat Da One In Charge tell.

¹² Jeremiah tell: "Den I tell da same ting to Zedekiah, da Judah king. I tell um: 'All you guys gotta let da Babylon king take ova. You gotta work fo him an his peopo, jalike you guys stay put da yoke from da Babylon king on top yoa neck. You guys do dat, you goin stay alive!

¹³ No need you an yoa peopo mahke from war, mahke cuz no mo food, an mahke from da real bad kine sick! Cuz Da One In Charge tell, dat if one peopo no let da Babylon king take ova, dass wat goin happen to dem.

¹⁴ No lissen wat da guys dat tell dey talk fo Da One In Charge tell! Dey tell you guys no work fo da Babylon king fo bulai you!

¹⁵ Da One In Charge tell he neva sen dem. Dey tell dey talk fo him, but dey bulai. Az why he goin kick you guys outa yoa land, an you goin come wipe out, you an all da guys dat tell you guys dat dey talk fo him.' "

¹⁶ Den I tell da pries guys an all da peopo: "Dis wat Da One In Charge tell: No lissen da guys dat tell dey talk fo me! Dey tell you dat real fas, da stuff from da Temple Fo Da One In Charge goin come back from Babylon. Da guys dat tell you guys dat dey talk fo me, dey bulai you guys!

¹⁷ No lissen dem! Work fo da Babylon king, so den you guys goin stay alive! No need dis town come all bus up!

¹⁸ Maybe get guys dat talk fo Da One In Charge fo real, an dey get one message from Da One In Charge. Den, good dey pray to Da One In Charge, da God Ova All Da Armies, dat da stuff dat still stay inside da Temple Fo Da One In Charge, an inside da palace a da Judah king, an inside Jerusalem, no go Babylon.

¹⁹ "Cuz dis wat Da One In Charge tell bout da big poses, da big watta tank, da watta carts dat move, an da odda stuff from da Temple dat still stay yet inside dis town:

²⁰ Nebukadnezzar neva take dat stuff away, da time he wen catch Koniah, Jehoiakim boy, da king fo Judah. He make him prisona an take um away from Jerusalem to Babylon, wit all da alii guys from Judah an Jerusalem.

²¹ But dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell bout da stuff dat still stay inside da Temple Fo Da One In Charge, an inside da palace fo da Judah king, an inside Jerusalem:

²² Dey goin take um away Babylon side, an goin stay ova dea, till da time come fo go an get um. Den I goin bring um back an put um inside dis place one mo time." Az wat Da One In Charge tell.

Da Fake Talka Guy Hananiah

¹ ✨Litto bit afta Zedekiah come king fo da Judah peopo, in da year numba four, month numba five, had one guy dat tell he talk fo Da One In Charge. Da guy name, Hananiah, Azzur boy, from Gibeon town. In front da pries guys an all da peopo, inside da Temple Fo Da One In Charge, he tell dis to me, Jeremiah:

² “Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: ‘I goin take away da powa da Babylon king get ova you guys, jalike I goin broke da yoke from yoa neck!

³ Befo two mo year pau, I goin bring back hea all da stuffs from da Temple Fo Da One In Charge dat Nebukadnezzar, da Babylon king, wen steal from hea an carry Babylon side.

⁴ I goin bring back Koniah, Jehoiakim boy, da king fo Judah, to dis place too, an all da odda prisonas from Judah dat wen go Babylon. Cuz I goin broke da yoke da king fo Babylon wen put on top oua peopo. Az wat me Da One In Charge tell.’ ”

⁵ Den me, Jeremiah, da guy dat talk fo Da One In Charge fo real kine, I tell dis to da talka guy Hananiah, in front da pries guys an all da peopo dat stay stan aroun da Temple Fo Da One In Charge:

⁶ “Az right! Good! I like fo Da One In Charge do dat too! I like Da One In Charge make happen all da tings you wen tell cuz you talk fo him! I like fo him carry back to dis place from Babylon, da stuff from da Temple Fo Da One In Charge! I like fo him bring back all da peopo dey wen make prisona an take Babylon side!

⁷ But lissen up wat I tell. I goin tell um right hea, wea you an all da peopo can hear me.

⁸ From befo time, da guys dat wen talk fo Da One In Charge befo me an you, dey wen tell bout all da bad kine stuff dat goin happen to plenny countries an plenny strong kings. Dey tell how goin get war, an real bad kine tings goin happen, an goin get da real bad kine sick.

⁹ But maybe get somebody dat tell he talk fo Da One In Charge, an he go tell dat eryting goin come good. Ony get one way da peopo goin know if was Da One In Charge dat tell da guy fo tell wat he tell. Dey goin know fo shua, ony if wat da guy wen tell, happen fo real.”

¹⁰ Den da guy Hananiah dat tell he talk fo Da One In Charge, take da yoke pieces from Jeremiah neck an broke um—az me, Jeremiah, da guy dat talk fo Da One In Charge.

¹¹ Hananiah tell in front all da peopo: “Dis wat Da One In Charge tell: Jalike Hananiah wen do dis, I goin hemo da yoke dat Nebukadnezzar, da king fo Babylon, wen put on top da neck a all da diffren peopos. Dis goin happen befo two year pau.” Den me, Jeremiah, da guy dat talk fo Da One In Charge, goin go way from dea.

¹² Litto bit afta da guy Hananiah hemo da yoke from my neck, Da One In Charge give me dis message:

¹³ “Go by Hananiah an tell: ‘Dis wat Da One In Charge tell: You wen broke one wood yoke bar on top yoa neck. But you know wat?! Cuz a dat, now you goin get one iron yoke on top yoa neck.

¹⁴ Cuz dis wat me Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: I goin make all dose diffren peopos work fo Nebukadnezzar, da king fo Babylon, jalike I put one iron yoke on top dem. I even goin give him powa ova da wild animals.’ ”

¹⁵ Den Jeremiah tell Hananiah, “Lissen up, Hananiah! Da One In Charge neva sen you fo talk fo him! But you da one wen tell dis Judah nation fo trus wat you tell, but wat you tell, you bulai!

¹⁶ Az why Da One In Charge tell me fo tell you: ‘Litto bit mo time an den I goin wipe you out from on top da earth. Dis year you goin mahke, cuz you wen tell da peopo fo go agains me, Da One In Charge!’ ”

¹⁷ Dat same year, afta two month, Hananiah da guy dat tell he talk fo Da One In Charge, he mahke.

29

One Letta Fo Da Prisonas Babylon Side

¹ ☆Anodda time Jeremiah, da guy dat talk fo God, write one letta from Jerusalem. He sen um to da older leadas dat still stay alive wit da prisona guys inside Babylon, an to da pries guys, an da guys dat talk fo God ova dea, an da odda peopo dat Nebukadnezzar wen take away from Jerusalem to Babylon.

² (He write um afta da importan peopo come prisonas an go way from Jerusalem—az King Koniah, his muddah dat was queen befo time, da govmen guys from da palace, da leada guys fo Judah an Jerusalem, da guys dat know how fo make stuff, an da military guys dat know how fo put up wall.)

³ Jeremiah give da letta to Elasah, Shafan boy, an to Gemariah, Hilkiah boy. Da time dat Zedekiah, da king fo Judah, tell dem fo go by Nebukadnezzar da Babylon king. Jeremiah tell dis inside da letta:

⁴ Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: Dis letta fo all you prisona guys dat I wen take from Jerusalem to Babylon.

⁵ “Build houses ova dea an live inside um! Plant garden an eat wat grow dea!

⁶ Get married ova dea. Born kids. Find wifes fo yoa boys, an give yoa girls fo marry fo dem born plenny grankids. Make yoa ohanas come mo plenny. No let um come litto bit.

⁷ Figga how fo do good tings fo da town wea I put you, no matta you prisonas. Pray to me, Da One In Charge, dat eryting goin come mo betta fo da peopo dat live dea from befo time. Cuz den eryting goin come mo betta fo you guys too!”

⁸ Cuz Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell dis too: “Da guys dat stay wit you guys an tell dey talk fo me, an da guys dat aks dea gods wat goin happen, no let dem bulai you guys! No lissen da peopo dat tell you ‘I know wat goin happen to you guys cuz I goin dream um.’ Cuz den dey goin dream howeva you like um fo dream!

⁹ Dey bulai wen dey use my name an tell dat dey talk to you guys fo me. I neva sen dem!” Az wat Da One In Charge tell.

¹⁰ ☆But dis wat Da One In Charge tell fo real kine: “Wen da time pau fo da Babylon guys stay in charge, az goin be seventy year. Dass wen I goin come by you guys. I goin make happen fo you guys da good kine stuff dat I wen make one promise fo do. I goin bring you guys back dis place.

¹¹ Cuz me, I know da plans dat I stay make fo you guys. I goin make eryting come good fo you guys, an not bad. I goin make good kine stuff happen to you guys bumbye, da good kine stuff you stay wait fo.” Dass da message from Da One In Charge!

¹² “Wen you guys call out to me fo me come help you, an pray to me, den I goin lissen you guys.

13 ✨ You guys try serious kine fo find me, you goin find me. Dat goin happen wen you go all out fo look fo me!

14 I goin let you guys find me!" Az wat Da One In Charge tell. "I goin make eryting come good fo you guys one mo time. I goin give you guys back yoa property. I goin bring you guys togedda from all da nations an da places wea I wen make you guys go wen I kick you outa hea. I goin bring you guys back dis place wea you guys wen stay, befo I make you guys come prisonas an go way."

15 Maybe you guys goin figga, "Fo shua, Da One In Charge wen give us some guys fo talk fo him ova hea, Babylon side."

16 But dis wat Da One In Charge tell bout da king guy dat come from David, an all da odda peopo dat still stay inside Jerusalem town. All dose peopo neva come prisonas an go way Babylon side wit you guys.

17 Dis wat Da One In Charge tell, "I goin sen war agains da ones dat stay hea inside Jerusalem. Dey no goin get food, an dey goin get one bad kine sick, cuz I stay agains dem. I goin make to dem jalike dey rotten kine figs, dat stay real bad, fo no mo nobody eat um.

18 I goin chase um wit war, an take away dea food, an give um one bad kine sick. I goin make all da king guys on top da earth an dea peopos come shock cuz a dem, an tink horraz bout dem an use dea name fo put kahuna on top odda peopo. Erybody goin shake dea head cuz a dem. All da peopos wea I make dem go, goin make fun a dem.

19 Az cuz da peopo hea no lissen wat I tell. No matta my guys dat work fo me an talk fo me tell dem ova an ova, dey no lissen. An you guys dat stay prisonas Babylon side, you guys no lissen too." Az wat Da One In Charge tell.

20 "Az why you guys betta lissen wat I tell all you prisona guys dat I wen sen from Jerusalem to Babylon.

21 Dis wat me, Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell bout Ahab Kolaiah boy, an Zedekiah Maaseiah boy. Dey tell dat dey talk fo me, but dey stay bulai you guys. Az why I goin make dem come prisona guys fo Nebukadnezzar, da king fo Babylon, an he goin tell his guys kill dem in front you guys.

22 Cuz a dem, all da prisona guys from Judah dat stay inside Babylon goin use dose guys name an talk lidis wen dey like put kahuna on top somebody: 'I like Da One In Charge make to you jalike he wen make to Zedekiah an Ahab, dat da Babylon king wen burn ova one fire till dey mahke!'

23 Az cuz dey wen ack stupid an broke da rules from God inside Israel. Dey fool aroun wit odda guys wives. Dey use my name an tell dey talk fo me, but dey bulai—no was me tell dem fo say wateva dey tell. I know wat dey wen do an I can tell wat I wen see."

Az wat Da One In Charge tell.

Wat God Tell Shemaiah

24 "Jeremiah, tell dis bout Shemaiah da Nehelam guy:

25 Dis wat Da One In Charge tell, da God Ova All Da Armies, da God fo da Israel peopo: You wen use yoa name fo sen lettas from Babylon fo all da peopo inside Jerusalem, an fo Zefaniah, Maaseiah da pries guy boy, an all da odda pries guys. Inside dat letta you wen tell Zefaniah,

²⁶ 'Eh Zefaniah! Da One In Charge wen make you, an not Jehoiada, da pries guy dat stay in charge a da Temple Fo Da One In Charge. Any guy dat ack pupule, you suppose to put dea feets inside da wood shackle an put one iron strap aroun dea neck.

²⁷ So, how come you no shut up Jeremiah da Anatot guy, aah?! Da buggah ack jalike he talk fo God to all you guys!

²⁸ Cuz he wen sen guys Babylon side fo tell us guys ova hea, "You Judah guys goin stay ova dea long time. So you betta build houses an live dea. Plant garden an eat wat you grow!" ' "

²⁹ But den, Zefaniah da pries guy read dis letta to Jeremiah, da one dat talk fo God.

³⁰ Da One In Charge give Jeremiah dis message:

³¹ "Sen one letta fo all da prisona guys inside Babylon, dat dis wat Da One In Charge tell Shemaiah da Nehelam guy: Shemaiah wen ack jalike he stay talk fo me to you guys, no matta I neva sen him. He make you guys trus wat he tell, no matta he bulai you.

³² Dass how come dis wat me, Da One In Charge, tell: I goin punish Shemaiah da Nehelam guy an da peopo dat goin come from him. He no goin get even one guy from his line dat goin live wea dis peopo live. He no goin even see da good kine stuff I goin do fo my peopo, cuz he stay tell da peopo fo bag from me." Az wat Da One In Charge tell.

30

God Goin Bring Back Da Israel Peopo

¹ Dis da message from Da One In Charge fo Jeremiah:

² "Dis wat Da One In Charge, da God fo da Israel peopo, tell: Write eryting I wen tell you inside one roll up kine book.

³ Da time goin come wen I goin make eryting come good one mo time fo my Israel an Judah peopo, so dey no stay prisonas no moa. I goin bring um back inside da land dat I wen give dea ancesta guys befo time. An I goin make dem land ownas one mo time." Az wat Da One In Charge tell.

⁴ Dis wat Da One In Charge tell bout da Israel an Judah peopo.

⁵ He tell:

"Get guys yelling an screaming
Cuz dey real sked an shaking,
An dey no mo cool head!

⁶ Tink bout dis—

You tink one guy can born kids?!
Den how come I see ery strong guy
Wit his two hand on top his opu,
Jalike one wahine dat goin born one bebe?!
An erybody face come real white?!

⁷ Eryting goin come real bad! Goin come real hard fo erybody!
No goin get anodda day like dat!

Too much presha fo da peopo dat come from Jacob!

But me, Da One In Charge, I goin get dem outa dat trouble."

⁸ Da One In Charge, da Boss Ova All da Armies, tell:

"Dat time, jalike I goin broke da yoke off dea neck.

I goin cut da ropes dat tie um.

Dey no goin be slaves no mo

Fo guys from anodda place dey donno.
 9 But dey goin work fo me, dea God, Da One In Charge,
 An fo David dea king,
 Wen I make somebody from David line
 Come king fo dem.

10 ☆“So no sked, you peopo dat come from Jacob dat work fo me.
 No come bum out, you Israel peopo!”
 Az wat Da One In Charge tell.

“Cuz I da One goin get you outa trouble in da far place,
 I goin take da peopo dat goin come from you
 Outa da land wea dey stay prisonas.
 Jalike befo time, no mo notting goin bodda da ones dat come from Jacob.
 No mo nobody goin make dem come sked no moa.

11 I stay wit you guys
 An get you outa trouble.
 No matta I wipe out all da odda peopos
 Inside all da place you guys stay cuz I wen scatta you,
 Fo shua, I no goin wipe out you guys.
 I goin punish you guys fo teach you one lesson,
 But ony wen you no go da right way.
 Still yet, I goin punish you guys litto bit.”
 Az wat Da One In Charge tell.

12 Dis wat Da One In Charge tell da Mount Zion peopo:
 “You guys all bus up,
 An no mo notting goin make you come good.
 Da way da armies wack you,
 You goin stay sick, an you no goin come good.

13 No mo nobody fo back you up.
 No mo notting goin make da bleeding stop.
 No mo nobody can make you come good.
 14 All da nations dass was yoa frenz foget you awready.
 Dey no give a rip bout you.

I wen wack you jalike I one guy dat stay agains you.
 I wen punish you jalike I one mean guy.
 Cuz you get da blame fo plenny tings,
 All da bad kine stuff you wen do.

15 How come you guys make plenny noise cuz you all bus up?
 You hurt, an no goin come good.
 Cuz you get da blame fo plenny tings,
 Fo da plenny bad tings you wen do,
 Az why I do all dis to you.

16 Still yet, erybody dat wipe you out,
 I goin wipe dem out too.
 Erybody dat stay agains you,
 Dey all goin come prisonas an go one far place.
 Erybody dat steal stuffs from you,
 I goin steal dea stuffs too.

17 But I goin make you guys come good.
 An make da places you bleed come good.
 Peopo call you guys, 'Da guys dat no mo place fo go,
 Da ones dat go Mount Zion fo pray,
 But no mo nobody like take kea dem.' ”
 Az wat Da One In Charge tell.

18 Dis wat Da One In Charge tell:
 “I goin make tings come good one mo time fo da peopo dat come from
 Jacob.
 I goin show love an pity fo dem wea eva dey live.
 Dey goin build Jerusalem town one mo time
 On top wea da bus up town was befo time.
 Dey goin build da palace one mo time dat get strong wall,
 An put um wea suppose to stay.
 19 From dea, goin get plenny songs dat tell dat I good.
 An goin get music fo dance an sing cuz peopo stay good inside.
 I goin make dem come mo plenny peopo.
 Dey no goin come litto bit peopo.
 I goin make peopo show respeck fo dem
 An no make any kine to dem.
 20 Da peopo dat goin come from dem
 Goin be jalike da ones come from befo time.
 Da peopo all togedda
 Goin stan strong in front me.
 I goin punish anybody dat make hard fo dem.
 21 Da numba one guy fo dem goin be one a dea guys.
 Dea leada guy goin come from dem.
 I goin let him come nea me,
 An he goin come.
 Cuz peopo goin come sked fo come nea me,
 If I no tell um, can!”
 Az wat Da One In Charge tell.

22 “Az how you guys goin come my peopo,
 An me, I goin come yoa God.”

23 Watch out! Wen Da One In Charge come huhu,
 Goin be jalike one big storm come.
 Stay jalike one tornado dat come
 On top da head a da guys dat do real bad kine stuff.

24 Wen Da One In Charge come huhu,
 He goin stay huhu
 Till he pau eryting he plan fo do.
 You guys goin undastan all dis,
 Bumbye wen da right time come.

Da Israel Peopo Goin Come Home
 (Matthew 2:18; John 6:45; Rome 11:26-27; Hebrews 8:8-12; 10:16)

¹ Da One In Charge tell dis: “Dat time, I goin come da God fo all da peopo dat get da Israel blood line, an dey goin come my peopo.”

² Den Da One In Charge tell dis:
 “Da peopo dat still stay alive Moses time
 Afta da Egypt guys try fo kill dem,
 I wen make dem spesho kine
 Wen dey stay inside da boonies,
 An wen dey go from dea fo res inside dea land.”

³ From long time befo time,
 Me, Da One In Charge, I wen show up fo dem see me. I tell:
 “I get plenny love an aloha fo you guys fo long time.
 Dass why fo long time I stay tight wit you guys.

⁴ You Israel peopo,
 Jalike you my daughtah dat I love!
 I goin build you guys up one mo time
 Jalike one strong house,
 An you goin come solid inside.
 One mo time you goin take yoa tammorines
 Fo dance an sing wit yoa frenz an get good fun.

⁵ You guys goin plant grape fields one mo time
 On top da hills aroun Samaria town.
 Afta da year wen dey give da new grapes to me, Da One In Charge,
 Den da farma guys dat plant um
 Can eat da grapes.

⁶ Goin come one time
 Wen da security guard guys
 On top da hills Efraim side
 Goin yell lidis:
 ‘Go come! fo us go Mount Zion
 Fo talk to oua God, dass Da One In Charge a us, Jerusalem side.’ ”

⁷ Dis wat Da One In Charge tell:
 “Yell, cuz you stay good inside,
 Bout how da peopo dat come from Jacob stay!
 Yell fo da nation dass mo importan den all da odda nations!
 Let erybody hear dat you tell good stuff bout Da One In Charge.
 Tell: ‘Da One In Charge, get yoa peopo outa trouble,
 All da Israel peopo dat stay alive still yet.’ ”

⁸ Da One In Charge tell dis too:
 “Look! I goin bring my peopo thru da north land.
 I goin bring um togedda from da mos far places on top da earth.
 Some a dem goin be peopo dat no can see, an peopo dat no can walk good,
 Da hapai wahines, an da wahines dat start fo born dea kid awready,
 all togedda.
 Plenny peopo goin come back.

⁹ Dey goin cry all da way hea,
 An wen I lead dem, dey goin pray plenny.
 I goin bring dem by da streams dat get plenny watta inside dat time,
 On top one easy fo go road
 Wea nobody goin trip an fall down.
 Cuz I da faddah fo da Israel peopo,
 An da Efraim ohana, dey jalike my numba one boy.

10 “Lissen wat me, Da One In Charge, tell, you peopos!
 Make shua erybody inside da far away islans know dis!
 Tell um: ‘Da One dat wen scatta da Israel peopo,
 He da One goin bring dem back togedda.
 He goin take kea dem
 Jalike one sheep guy take kea his sheeps.’
 11 Cuz Da One In Charge goin do wat he gotta do
 Fo da peopo dat come from Jacob
 No need be one slave no moa.
 Jalike he goin buy um back fo dea ohana
 From da peopo dat mo strong den dem.
 12 Dey goin come back yelling cuz dey stay good inside,
 On top da hill wea Da One In Charge stay, Zion side.
 Dey goin smile plenny cuz Da One In Charge give um plenny—
 Wheat an barley, new wine an olive oil,
 Young sheeps, goats, an cows.
 Dey goin stay jalike one garden dat get plenny watta.
 Dey no goin lose fight no moa.
 13 Den da young girls goin dance an sing
 Cuz dey stay good inside.
 Same ting fo da young guys an da ol guys.
 Dey goin dance an sing too.
 I goin change dem from stay sad inside to stay good inside.
 I goin give dem good kine words, so dey no stay sad no moa.
 14 I goin give da pries guys da bestes kine stuff fo eat
 Fo dem stay good inside.
 I goin give my peopo all da good stuff dey can eat.”
 Az wat Da One In Charge tell.

15 ✧ Dis wat Da One In Charge tell too:
 “I hear one voice from inside Ramah town.
 Somebody dea stay sad inside an cry.
 Jalike Rachel stay cry real hard fo da peopo dat come from her.
 She no let nobody tell her nice kine stuff bout her ohana.
 Cuz dey no stay no moa.”

16 Dis wat Da One In Charge tell Rachel:
 “Stop yoa crying an yelling.
 No need cry,
 Cuz you wen raise yoa kids good,
 I goin do good tings fo you,
 Cuz a da work you wen do.
 Dey goin come back
 From da land wea da peopo stay agains you.”

17 Da One In Charge tell dis too:
 “Da ting you like see happen,
 Fo shua dat goin happen bumbye.
 Da peopo dat goin come from you
 Dey goin come back dea land.
 18 Fo shua, I hear da Efrain peopo make sad kine noise,
 Dey tell: ‘You wen punish us guys jalike us one young cow
 Dat no like learn how fo pull one plow.

But now, us guys know dat you wen punish us guys
Fo teach us one lesson.

Help us go home, an we goin go,

Cuz you, oua God, dass Da One In Charge a us!

¹⁹ Afta us guys wen go da wrong way, us come real sorry.

Afta you show wat kine guys us, us slap oua head.

Us get plenny shame an peopo no mo respeck fo us,

Cuz from small kid time, us do bad kine stuff, an peopo talk bad bout
us.' "

²⁰ But Da One In Charge tell:

"Da Efrain peopo, dey my kids dat I love!

Dey my kids, an dey make me feel good inside.

I grumble bout dem plenny times,

Still yet, I no foget dem even litto bit!

Az why I stay sad inside

Cuz I miss dem plenny.

I get plenny love an pity fo dem."

Az wat Da One In Charge tell.

²¹ "You Israel peopo,

Jalike you da daughtah dat I love!

Pile up rocks

Fo show da way fo go back home!

Put up signs nea da road

So da peopo goin know wea fo go.

Tink bout da main road dat you wen take

Wen you wen come prisonas!

You Israel peopo, go back yoa towns.

²² How long you guys goin wait

An donno wea you stay going

Befo you make up yoa mind?!

You Israel guys jalike da daughtah dat I love,

Dat befo time, wen ack

Jalike one wahine dat no stay tight wit her husban.

Az how me, Da One In Charge, goin do one new ting on top da earth fo
change eryting—

Jalike if da wahines wen take kea da guys."

²³ Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da
Israel peopo, tell: "Da peopo inside da Judah ohana land, dat live inside
da towns ova dea, I goin bring dem back from wea dey stay prisonas. An
wen I do dat, dey goin talk lidis one mo time:

" 'I like fo Da One In Charge do good kine stuffs fo Jerusalem town,

Cuz da One Dat Do Wass Right Erytime, live dea.

I like him do da same ting fo da hill dat stay spesho fo Da One In
Charge!'

²⁴ "Da peopo goin live togedda inside da Judah land an all da towns dea,
wit da farma guys, an da guys dat move aroun wit dea animals too.

²⁵ Erybody dat come weak cuz dey thirsty, I goin give um plenny fo drink.
Erybody dat feel jalike dey goin fall down cuz dey hungry, I goin feed dem
plenny."

²⁶ Den I wake up an look aroun. An cuz I wen sleep good, I feel good.

27 Da One In Charge tell: “Da time goin come wen da Israel an Judah land goin get plenny peopo an animals, jalike I wen throw seed all ova da place.

28 Befo time, I wen make shua da peopo dat stay agains dem go pull dem up, bus um up, wipe um out, an hurt um! But from now, I goin make shua I plant um good an make um come strong.” Dass wat Da One In Charge tell.

29 ✨Dat time, peopo no goin talk jalike dey figga God wen punish dem fo da bad tings dea ancesta guys wen do. Dey no goin tell:

“Da faddah guys wen eat sour grape,
But goin be dea kids mout goin hurt.”

30 But az not true! Erybody goin mahke cuz a da bad kine stuff dey wen do, not wat some odda guy wen do. Az jalike whoeva eat da sour grape, dey da ones dea mout goin hurt.

31 ✨✨Da One In Charge tell,
“You know wat?! Da time goin come,
Wen I goin make one new deal
Wit da Israel peopo an da Judah peopo.

32 No goin be jalike da deal
I wen make wit dea ancesta guys,
Da time I wen take dea hand
An pull um outa Egypt.
Cuz dey wen broke dat deal I wen make wit dem,
No matta I get da right fo tell dem wat fo do.”

33 ✨Da One In Charge tell,
“Dis da deal I goin make wit da Israel peopo afta dat time:
I goin put my rules inside dem.
Jalike I write um inside dea head.

Den I goin come dea God, an dey goin come my peopo.
34 ✨One guy no need teach his fren
O his braddah no moa, an tell um, ‘Know Da One In Charge.’
Cuz dey all goin know me, Da One In Charge,
From da kine guys dass not importan, to da kine guys dass importan.”
Az wat Da One In Charge tell.

“Cuz I goin let um go fo da stuffs dey wen do wrong,
An hemo dea shame fo all dat.
I no goin even rememba da bad kine stuffs dey wen do.”

35 Dis wat Da One In Charge tell,
Da One dat tell da sun fo shine day time,
An tell da moon an stars dey suppose to shine nite time,

Da One dat make da ocean move
So da waves make big noise—
Da One In Charge, da God Ova All Da Armies, do dat.

Dass wat kine god him!
36 Da One In Charge tell:
“Jalike I goin make shua
Dat da tings I tell da sun an moon an stars
No goin disappea from in front me.
Same ting, I goin make shua

Jeremiah Buy One Field

¹ ✧ Dis da message dat Da One In Charge wen give Jeremiah, da year numba ten wen Zedekiah stay da king fo Judah, an da year numba eighteen wen Nebukadnezzar stay king fo Babylon.

² Az was da time wen da army fo da Babylon king stay all aroun Jerusalem fo nobody go inside o come outside. An Jeremiah, da guy dat talk fo God, stay one priona inside da patio in da middo a da guard guys building fo da Judah king palace.

³ Befo time, Zedekiah da king fo Judah put Jeremiah inside da prison patio ova dea, cuz he tell, “How come you tell you talk fo God, aah?! You tell, ‘Dis wat Da One In Charge tell: I goin give dis town to da Babylon king. An he goin come take um ova.

⁴ But Zedekiah, da Judah king, no goin get away from Babylon guys. Fo shua, da Babylon king goin make him one priona, an den he goin see da Babylon king an den dey goin talk.

⁵ Da Babylon king goin take Zedekiah Babylon side, an he goin stay ova dea till I do wat I like do bout him. If you fight da Babylon guys, you no can win ova dem.’ Az wat Da One In Charge tell.”

⁶ Dat time, Jeremiah tell: “Dis da message Da One In Charge wen give me. He tell:

⁷ You know Hanamel, yoa uncle Shallum boy? He goin come by you fo tell you, ‘Buy my field Anatot side, cuz you get da right fo buy um fo keep um inside oua ohana, an cuz you mo nea to me den da odda ohana guys. Az why you gotta be da one fo buy um.’

⁸ “Den, jalike how Da One In Charge wen tell, my cousin Hanamel come by me inside da patio fo da guard guys place. He tell, ‘Buy my field Anatot side, inside da Benjamin ohana land. Cuz you get da right fo buy um an keep um inside da ohana. Buy um fo you.’

“I know dass wat Da One In Charge wen tell,

⁹ az why I wen buy da Anatot field from my cousin Hanamel. I give him 17 ounce silva.

¹⁰ I write my name on top da paypa dat tell dat I own da land, an I roll um up an put my mark on um. Den da guys dat see me write um, dey write dea name on top da outside. I use one scale fo weigh da silva in front erybody too.

¹¹ Den I take da paypa wit my mark on um dat tell I wen buy da land, da way da rule fo wat I gotta do tell, an I take da copy dat no mo mark too.

¹² Den I give da paypas dat tell I wen buy da land to Baruk, Neriah boy an Mahseiah grankid. Da odda guys see me do dat too—my cousin Hanamel, da guys dat wen write dea names on da outside a da paypa, an all da odda Judah peopo dat stay sit inside da patio fo da guard guys.

¹³ “In front all dose peopo I tell Baruk wat he gotta do:

¹⁴ ‘Dis wat Da One In Charge, da God Ova All Da Armies an da God fo da Israel peopo, tell you: Take dese paypas dat tell I wen buy da land, da one wit da mark an da odda one dat no mo da mark, an put um inside one clay pot fo dem las long time.

¹⁵ Cuz dis wat me, Da One In Charge, da God Ova All Da Armies an da God fo da Israel peopo, tell: One mo time, peopo can buy houses, fields, an grape farms inside dis land.’ ”

Jeremiah Pray

¹⁶ Afta I give da paypas fo da land to Baruk, Neriah boy, I pray to Da One In Charge lidis:

¹⁷ “You, Da One In Charge, you da Boss! Fo shua you da One wen make da sky an da world, cuz you strong an you no sked use yoa powa. I know, no mo notting stay too hard fo you fo do.

¹⁸ You stay tight wit uku tousan generation a yoa peopo. But wen you pay back peopo fo da bad kine stuff dey wen do, even dea kids get hurt too. You da God dat stay awesome an get plenny powa. Da peopo dat know wat kine god you, dey call you Da One In Charge, da God Ova All Da Armies.

¹⁹ You tell plenny peopo wass good fo dem do, an you stay strong fo do plenny kine stuff. You see an know how all da peopo stay live. You pay erybody fo da way dey live, good o bad, an fo wateva happen from da tings dey do.

²⁰ You wen do awesome stuff fo show da peopo inside da Egypt land yoa powa, an you wen do stuffs ony you can do, an peopo know bout all dat, still yet today. Az how you make plenny peopo know wat kine god you—da Israel peopo an all da odda peopo all ova da world.

²¹ Wen you wen bring yoa Israel peopo outa Egypt, you wen do all kine awesome stuff fo show da Egypt peopo yoa powa, an do stuffs ony you can do. You use yoa powa, an do awesome an unreal kine stuffs.

²² Den you wen give da peopo dis land. You wen make one strong promise to dea ancesta guys fo give um dis land, wea get plenny milk an honey erytime.

²³ Dey come inside hea an take um ova. But dey no lissen wat you tell um, o stick wit da rules you wen teach um. Dey no live how you tell dem fo live. Az why you bring all dis bad kine stuff on top dem.

²⁴ “Look, how da Babylon guys stay pile up dirt awready fo come ova da town wall an captcha Jerusalem town. Cuz a da war, an no mo food, an da bad kine sick, da Babylon guys dat stay fight us guys goin take ova da town. Wat you wen tell stay happen right now, jalike you see!

²⁵ Da One In Charge, you da boss fo me! So, how come you wen tell me ‘Go buy da field wit silva! Make shua da guys see you buy um, an write dea names on top da paypa dat dey see you buy um!’ Same time, da Babylon guys goin take ova da town!”

²⁶ Den anodda message come from Da One In Charge fo me, Jeremiah. He tell dis:

²⁷ “Fo shua, Me, Da One In Charge, da God fo all da peopos inside da world. You tink someting too hard fo me fo do, o wat?!”

²⁸ ✨Az why dis wat me, Da One In Charge, tell: I almos ready fo give Jerusalem town to da Babylon guys an Nebukadnezzar, da king fo Babylon, fo take um ova.

²⁹ Da Babylon guys dat attack dis town goin come inside an make one big fire. Dey goin burn da town fo shua—da houses fo da peopo dat make me come huhu, cuz dey burn incense on top dea flat roofs fo da god Baal, an dey pour out wine fo make sacrifice dea fo da odda gods.

³⁰ “Fo shua, from da start da Israel peopo an da Judah peopo stay do ony bad kine stuff, da way I see um. Fo shua, da Israel peopo piss me off bout da idol kine gods dey make wit dea hands.

³¹ From da time da peopo build dis big town till now, da ones dat live inside hea make me come real huhu, cuz dey do stuff dat make me real mad. Az how come I goin throw dem out from in front me.

³² I goin dump da town, cuz a all da bad kine stuff da Israel peopo an da Judah peopo stay do fo make me come huhu—dea king guys, dea govmen guys, dea pries guys, an dea guys dat tell dat dey talk fo me, da Judah guys, an da peopo dat live Jerusalem.

³³ Dey turn dea back to me an make jalike dey no give a rip, no matta I wen teach dem ova an ova. Wen I teach dem stuff, dey no lissen fo change wat dey do.

³⁴ ✨Dey put up dea pilau idol kine gods inside da Temple. But dat Temple stay dea fo peopo know wat kine god me. An cuz a dis dey make da place so dat no can go dea fo pray.

³⁵ ✨Dey make sacrifice places fo da god Baal inside da Ben-Hinnom Valley, fo burn up dea boys an girls inside da fire ova dea! Dey do dat fo make sacrifice to da god Molek. I neva tell um fo make lidat, an I neva plan fo dem do dat kine pilau stuff an make da Judah peopo do pilau kine stuff too.

³⁶ “You an yoa frenz stay tell, ‘Fo shua, da Babylon king goin take ova dis town, cuz a da war, an no mo food, an da bad kine sick!’ But me, Da One In Charge, da God fo da Israel peopo, tell dis:

³⁷ ‘You know wat?! I wen scatta da Israel peopo all ova da diffren lands cuz I real mad at dem! But fo shua bumbye I goin bring dem back togedda an let dem live ova hea, fo dem no need worry bout notting.

³⁸ Dey goin come my peopo, an I goin come dea God.

³⁹ I goin show dem how fo tink an live da bestes way. Erytime dey goin show me respeck. Dass how eryting goin come good fo dem an da ones dat goin come from dem.

⁴⁰ I goin make one deal wit dem dat goin las foeva: I still yet goin do good kine stuff fo dem, fo dem show respeck fo me, an dey no goin tell “Laytas” to me.

⁴³ Peopo goin buy fields inside dis land one mo time, no matta you guys stay tell, 'Nobody can live ova hea cuz no mo peopo o animals. Da Babylon guys wen take um!'

⁴⁴ Peopo goin buy fields an pay wit silva, an get back one paypa dat tell dey own da land. Dey goin put one seal wit dea mark on top da paypa, an dey goin bring peopo dat write down dea name fo show proof dat dey wen buy da land. Dey goin make lidat inside da Benjamin ohana land, an da towns aroun Jerusalem, da Judah towns, an da up country towns inside da hills, an da low hills makai side, an da Negev boonies. All dis goin happen afta I bring um back an dey no stay prisonas no moa. Az wat Da One In Charge tell."

God Promise Fo Bring Dem Back

¹ Da One In Charge wen give anodda message to Jeremiah. Dis happen da same time Jeremiah still stay inside da patio fo da security guard guys house. Da One In Charge tell:

² "Dis wat me, Da One In Charge, tell:

Me, Da One In Charge, I make da plan
An I shape um an put um togedda.

Az wat kine god me, Da One In Charge.

³ He tell: 'Call out to me fo help you.

I goin ansa an tell you importan tings you gotta know—
Secret kine tings

Dat you neva know befo time

An you no can figga um out.' "

⁴ An dis wat Da One In Charge, da God fo da Israel peopo, tell bout da houses inside dis town an da palaces fo da Judah kings. Da peopo wen bus up dea houses awready an pile up da junks agains da wall, fo make ready fo fight da Babylon army guys wen dey try fo come ova da wall wit swords.

⁵ But da places wea da houses stay, befo dey bus um down, goin stay full a da mahke bodies a da Jerusalem army guys dat wen try fo fight da Babylon guys. I goin kill da Jerusalem guys hea cuz I stay real huhu. I goin make deaf ear to da peopo inside dis big town, cuz a all da bad kine stuff dey do.

⁶ "But den, I goin make da peopo inside dis town come good an strong one mo time. I goin make shua dey see how eryting stay good fo dem, an no mo notting bodda dem.

⁷ I goin bring back da Israel an Judah peopo dat was prisonas ova dea Babylon side. I goin make um strong one mo time, jalike how was befo time.

⁸ I goin hemo dea shame an wash um clean inside, fo dem no mo blame fo da bad kine stuff dey wen do agains me.

⁹ Den plenny peopo goin know wat kine god me cuz a wat goin happen Jerusalem town. Peopo goin stay good inside, talk good bout me, an respeck

me plenny. All da diffren peopos on top da earth goin hear bout all da good kine stuff dat I stay do fo da Jerusalem peopo. Dey goin feel real good, cuz a all da good kine stuff I do fo da peopo inside Jerusalem, an cuz I make eryting come good fo dem.”

¹⁰ Dis wat Da One In Charge tell: “You guys still goin hear stuff bout dis place. Peopo talk bout how stay all bus up, an no mo peopo o animals. But inside da towns Judah side an da Jerusalem streets dat befo time stay all bus up an no mo peopo o animals ova dea,

¹¹ *bumbye peopo goin hear laughing an singing, an peopo dat stay good inside, an wedding parties, an peopo dat bring animals to da Temple Fo Da One In Charge fo make sacrifice dat tell God ‘Mahalo plenny!’ Da peopo dat bring sacrifice animals goin sing lidis:

“ ‘Fo Da One In Charge, Da God Ova All Da Armies, tell um: Mahalo plenny! Cuz Da One In Charge stay good!

He stay tight wit his peopo foeva!’

Cuz I goin give back good kine stuff fo eryting in dis land come jalike was befo time.”

Az wat Da One In Charge tell.

¹² Dis wat Da One In Charge, da God Ova All Da Armies, tell: “Inside dis place dat no mo peopo o animals now, aroun all da towns dea, goin get fields wit grass wea da sheep guys goin take dea sheeps an goats fo res dea.

¹³ Inside da up country towns, da west side hill towns, da towns inside da Negev boonies an da Benjamin ohana land, da towns aroun Jerusalem, an da towns Judah side, da sheep guys goin count dea sheeps an goats one mo time.” Az wat Da One In Charge tell.

¹⁴ *Da One In Charge tell: “You know wat?! Da time goin come wen I goin do all da good kine tings I wen promise fo do fo da Israel ohana an da Judah ohana.

God Tell King Zedekiah Fo Watch Out

¹ ✧Get anodda message fo Jeremiah from Da One In Charge. Dat time, had Nebukadnezzar da Babylon king, an his army guys outside Jerusalem town. Same time had odda king guys unda him wit dea army guys dat come wit Nebukadnezzar. All dose peopo stay fight da Jerusalem peopo, an da peopo inside all da towns aroun dea.

² Wen dey stay fight, Da One In Charge, da God fo da Israel peopo, tell Jeremiah dis: “Go by Zedekiah, da king fo da Judah peopo, an tell um: ‘Da One In Charge tell: I stay ready fo let da Babylon king take ova Jerusalem. He goin burn um up!

³ An you, Zedekiah, you no goin run away from Nebukadnezzar. His guys goin catch you an bring you by him. Dey goin bring you in front da Babylon king an you goin talk wit him. Den you goin go Babylon side.

⁴ “ ‘But Zedekiah, lissen wat me, Da One In Charge, promise. You da king fo da Judah peopo. Dis wat me, Da One In Charge, tell bout you. Nobody goin kill you wit dea sword.

⁵ You goin mahke wen you ready fo mahke. Jalike da peopo make one big fire fo show respeck fo da king guys dat was yoa ancestas befo time wen dey mahke, da peopo goin do da same ting wen you mahke. Dey goin cry plenny an tell: Pooa ting, oua boss! So dass da promise dat me, Da One In Charge, make fo you.’ ”

⁶ Jeremiah tell all dis to Zedekiah, da king fo da Judah peopo, inside Jerusalem.

⁷ He tell Zedekiah all dat, same time Nebukadnezzar, da Babylon king, an his army guys stay fight Jerusalem an da odda big towns inside Judah.

Ony Lakish an Azekah, da Judah towns dat get strong wall, still stay stan, an Nebukadnezzar no win ova dem yet.

*Dey Let Go Da Slave Guys,
But Dey Take Um Back*

⁸ King Zedekiah wen make one deal wit all da peopo inside Jerusalem, dat dey goin let go dea slave guys. Jeremiah get one message from Da One In Charge afta dat fo him.

⁹ Da king an da peopo tell, erybody gotta let go dea Jew slave guys an wahines. Nobody can get Jew slave guys no moa.

¹⁰ So all da leada guys an da peopo dat make dis deal tell dat dey goin let dea slave guys go, an no make um work fo dem no moa. So dey let um go.

¹¹ But afta dat, dey change dea mind an take back da slave guys an make um work fo dem one mo time.

¹² Den get anodda message from Da One In Charge fo Jeremiah:

¹³ “Dis wat Da One In Charge, da God fo da Israel peopo, tell: Me, I wen make one deal wit yoa ancesta guys, da time dey was slaves wen I bring um outa Egypt. I tell um:

¹⁴ ☆ ‘Ery seven year, all you guys dat get Jew slaves dat you wen buy, you gotta let um go afta dey work fo you fo six year.’ But yoa ancesta guys, dey no lissen me, dey ony make deaf ear.

¹⁵ Den, you guys come sorry, an do wat stay right da way I see um. You guys wen let go yoa Jew slave guys. You even go in front me an make one deal wit me inside da Temple dat show peopo wat kine god me.

¹⁶ But now, you guys turn aroun an make my name pilau. You guys take back da slave guys an wahines dat you wen let go. You make dem come slaves fo you one mo time.

¹⁷ “Az why dis wat Da One In Charge tell: ‘You guys no lissen me. You guys neva let yoa braddahs da Jew slave guys go fo real kine. So now, me Da One In Charge, I goin let you guys go too—so you goin mahke from war, from da bad kine sick, an from no mo food. I goin make all da countries all ova da world an dea kings come bum out wen dey tink bout you guys.

¹⁸ Da guys dat broke da deal I wen make, an no do eryting dey tell me dat dey goin do. I goin make to dem jalike dey make to da bebe cow dat dey cut in half, an den walk thru da middo a da pieces, fo make one deal good. I goin do da same ting to dem.

¹⁹ Da leada guys inside Judah an Jerusalem, da govmen guys, da pries guys, an all da peopo inside da land, dey wen walk thru da middo a da pieces from da bebe cow fo da sacrifice fo make da deal.

²⁰ But I goin give dose leada guys to da guys dat stay agains dem an like kill dem. Dea mahke bodies goin come food fo da birds inside da sky an da wild animals on top da earth.

²¹ “ ‘But Zedekiah, da king fo Judah, an his leada guys, I goin give dem to da guys dat stay agains dem an like kill um. Dass da Babylon king an his army guys, no matta dey no stay roun hea right now.

²² I tell dem right now fo come back Jerusalem town. Dey goin fight um an burn um up. I goin wase da towns Judah side fo no mo nobody live ova dea.’ ” Dass wat Da One In Charge tell.

Da Rekab Ohana

¹ ✨Wen Jehoiakim, Josiah boy, stay da Judah king, dis one message Jeremiah get from Da One In Charge:

² “Go by da Rekab ohana guys. Tell um fo come inside one a da side rooms inside da Temple Fo Da One In Charge. Wen dey come inside, give um wine fo drink.”

³ So I go get Jaazaniah (his faddah anodda Jeremiah boy dass Habazziniah grankid), fo bring him an his braddahs an all his boys—dis da whole Rekab ohana.

⁴ I bring dem inside da Temple Fo Da One In Charge, inside da room dat Hanan guys use. Hanan, Igdaliah boy, he one guy dat stay tight wit God. Dat room stay nex to da room fo da guys in charge a da Temple, an upstairs from da room fo Maaseiah, Shallum boy, da security guard guy.

⁵ Den I put pitchas full a wine an cups in front da guys from da Rekab ohana, an tell um, “Go drink wine.”

⁶ But dey tell, “Us guys no drink wine, cuz oua ancesta guy Jonadab, Rekab boy, wen tell us guys, ‘No mo nobody from you guys o yoa kids can drink wine.

⁷ Same ting fo houses—you guys no can build um, o throw seed, o plant grape plants, o own grape farms. But you guys an yoa kids goin live inside tents till you mahke. Az how you guys goin live long time inside da land. You guys goin live dea but you no goin own da land.’

⁸ Us guys wen lissen eryting oua ancesta guy Jonadab, Rekab boy, tell us fo do. No mo nobody from us guys, oua wifes, oua boys, o oua girls, eva drink wine.

⁹ We no build house an live inside um, o plant grape farms, o fields, o throw seed fo food.

¹⁰ We ony live inside tents, an do eryting oua ancesta guy Jonadab tell us fo do.

¹¹ But wen Nebukadnezzar da Babylon king come fo attack dis land, we tell each odda, ‘Go come, fo us go inside Jerusalem fo run away from da Babylon an Aram army guys.’ Az why us guys stay inside Jerusalem now.”

¹² Den get anodda message from Da One In Charge fo Jeremiah:

¹³ “Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: Go tell da Judah guys an da peopo dat live inside Jerusalem, ‘Eh! You guys like learn someting, o wat?! You can learn how fo lissen wat I tell you fo do!

¹⁴ Long time befo time, Jonadab, Rekab boy, wen tell his boys fo no drink wine. Dey no drink even today, cuz dey wen lissen wat dea ancesta guy tell dem fo do. But me, I tell you guys ova an ova, an still yet you guys no lissen.

¹⁵ Plenny times, I tell all my worka guys dat talk fo me fo go by you guys. Dey tell you: All you guys, one by one, no do da bad kine stuff you guys stay do no moa. You gotta start fo do wass right. No follow da odda gods an work fo dem. Den fo shua you guys can come back fo live on top da land I wen give you guys an yoa ancesta guys. But you guys still no use yoa ears fo lissen me.

¹⁶ Da guys dat come from Rekab boy Jonadab, dey lissen wat Jonadab tell um fo do. But dese peopo no lissen me.’

¹⁷ “Az why me, Da One In Charge, da God Ova All Da Armies an da God fo da Israel peopo, tell dis: ‘Lissen up! I goin make bad tings happen to da Judah peopo an all da peopo dat live inside Jerusalem. All da bad kine stuff I tell, goin happen to dem. Cuz I talk to dem, but dey no lissen. I call dem, but dey make jalike dey no hear me.’ ”

¹⁸ But fo da Rekab ohana peopo, Jeremiah tell dis: “Dis wat Da One In Charge, da God Ova All Da Armies, dass da God fo da Israel peopo, tell: ‘You guys wen lissen wat yoa ancesta guy Jonadab tell you guys fo do. You make shua fo do eryting he tell you guys fo do.

¹⁹ Az why me, Da One In Charge, da God Ova All Da Armies, an da God fo da Israel peopo, tell dis: “Rekab boy Jonadab, his ohana erytime goin get peopo in place fo work in front me.” ’ ’ ”

Jehoiakim Burn Up Da Messages God Give Jeremiah

¹ ✧ Da year numba four wen Jehoiakim, Josiah boy, stay king fo da Judah peopo, Da One In Charge tell Jeremiah dis:

² “Go get papyrus kine paypa fo make one roll up kine book. Write on top um all da messages I wen give you bout wat goin happen to Israel, Judah, an da odda peopos. Start from da time wen Josiah stay king an wen me start fo talk to you da firs time, till now.

³ Maybe, wen da Judah peopo hear bout all da horraz I plan fo make happen to dem, dey still get chance, all dem guys can tell dey sorry cuz dey wen do bad kine stuff. If fo shua dey sorry, I goin let dem go, an hemo da blame fo all da bad kine stuff dey wen do.”

⁴ So Jeremiah tell Neriah boy Baruk fo come by him. Jeremiah tell Baruk eryting Da One In Charge wen tell him. Baruk write um all on top da papyrus kine paypa.

⁵ Den Jeremiah tell Baruk wat he gotta do. He tell, “I gotta stay hea. Da king no let me go inside da Temple Fo Da One In Charge.

⁶ So da nex time da peopo come togedda inside da Temple Fo Da One In Charge, fo skip food wen dey pray, you go dea. You go read from da book to da peopo da tings Da One In Charge wen tell me, dat I wen tell you fo write. Make shua you read um fo all da Judah peopo, even da ones dat come hea from dea small towns.

⁷ Da One In Charge tell awready, he stay real huhu wit dis peopo an tell ‘Laytas’ to wat dey do. But dey get chance. Dey go in front Da One In Charge, an beg him fo make good to dem. An get chance too, dat all dem no goin do bad kine stuff no moa!”

⁸ Baruk, Neriah boy, do eryting dat Jeremiah, da guy dat talk fo Da One In Charge, tell him fo do. Inside da Temple Fo Da One In Charge, he read wat Da One In Charge tell from da roll up papyrus kine paypa.

⁹ Was da year numba five, month numba nine, wen Jehoiakim, Josiah boy, stay king fo da Judah peopo. Had one time fo no eat so da peopo can pray in front Da One In Charge an beg him fo help dem. Dey make dat time fo all da Jerusalem peopo, an da peopo dat come inside Jerusalem from da Judah towns.

¹⁰ Baruk, he stan on top da lanai fo da Temple room wea Gemariah work. (Gemariah faddah Shafan was da govmen secretary befo time.) Dat room

stay inside da mauka open lanai fo da Temple nea da door fo da New Gate fo da Temple. Baruk read da roll up papyrus kine paypa dat Jeremiah wen tell um fo write, fo all da peopo inside da Temple Fo Da One In Charge hear um.

¹¹ Mikaiah, Gemariah boy an Shafan grankid, hear eryting Da One In Charge tell from da roll up papyrus kine paypa.

¹² He go down da king palace, an go inside da govmen secretary office. All da leada guys stay dea: Elishama da govmen secretary, Delaiah Shemaiah boy, Elnatan Akor boy, Gemariah Shafan boy, Zedekiah Hananiah boy, an all da odda leada guys.

¹³ Mikaiah tell dem eryting he wen hear Baruk read to da peopo from da roll up papyrus kine paypa.

¹⁴ Den all da leada guys sen Jehudi, Netaniah boy, Shelemiah grankid, Cushu great-grankid, fo tell Baruk, "Go bring da roll up papyrus kine paypa dat you wen read an come by us guys." So Baruk go by dem, wit da roll up papyrus kine paypa inside his hand.

¹⁵ Dey tell him, "Sit down, read um to us."

So Baruk read um to dem.

¹⁶ Wen dey hear all dat stay write dea, dey look at each odda, an dey come sked an shaking. Dey tell Baruk, "Us guys gotta tell da king all dis stuff!"

¹⁷ Den dey aks Baruk, "Try tell us how come you wen write all dis stuff. Jeremiah tell you fo write um, o wat?"

¹⁸ Baruk tell dem, "Az right, he tell me all dis stuff. An me, I write um wit ink on top dis roll up kine book."

¹⁹ Den da leada guys tell Baruk, "You an Jeremiah betta go hide! No let nobody know wea you guys stay."

²⁰ Firs ting, dey put da roll up kine book inside da room wea Elishama da secretary work fo make shua nobody grab um. Den dey go by da king inside da patio in da middo a da palace an tell um eryting.

²¹ Den da king sen Jehudi fo get da roll up kine book. Jehudi bring um from da room wea Elishama da secretary work. Den he read um to da king an all da leada guys dat stay stan by him.

²² Was winta time, az why da king stay sit inside da room wea he work winta time. Had one fire stay burning inside one pot in front him.

²³ Wen Jehudi pau read three o four page from da roll up book, da king cut um off wit one small knife an throw um inside da fire pot, till he burn up da whole book inside da fire.

²⁴ Wen da king an all his helpa guys hear wat da book tell, dey no come sked. Dey no even rip dea clotheses fo show dey stay bum out.

²⁵ No matta Elnatan, Delaiah, an Gemariah try fo stop da king so he no burn up da roll up book, he make deaf ear.

²⁶ Den da king tell Jerahmeel, one prince from da king ohana, Seraiah, Azriel boy, an Shelemiah, Abdeel boy, fo go arres Baruk da writa guy, an Jeremiah, da guy dat talk fo God. But Da One In Charge wen hide dem.

²⁷ Afta da king burn da roll up kine book dat get wat Baruk wen write down from wat Jeremiah tell him, had anodda message from Da One In Charge fo Jeremiah:

²⁸ "Take anodda roll up kine book an write inside um eryting dat was inside da firs book, da one dat Jehoiakim da king wen burn up.

²⁹ An tell Jehoiakim, da king fo da Judah peopo: 'Dis wat Da One In Charge tell: You wen burn dat roll up kine book. An you wen tell, "How

come you wen write dat fo shua, da Babylon king goin come an wipe out dis land an kill da peopo an da animals inside um?!"

³⁰ Az why me, Da One In Charge, tell dis bout Jehoiakim, da king fo Judah: He no goin get nobody from his blood line fo sit on top David throne. Da peopo goin throw out his mahke body, an da body goin stay in da hot sun an in da cold, nite time.

³¹ I goin punish him, an his peopo dat come from him, an his helpa guys, cuz a da bad kine stuff dey do. I goin make happen to dem an to da peopo inside Jerusalem an Judah, all da bad kine stuff I tell goin happen to dem, cuz dey all make deaf ear.' "

³² So Jeremiah take anodda roll up kine book, an give um to da writa guy Baruk, Neriah boy. Jeremiah tell him wat fo write. Baruk write inside um, eryting da firs book wen tell, da one dat Jehoiakim da king fo Judah wen burn inside da fire. An he write plenny mo odda stuff too.

Jeremiah Inside Da Prison

¹ ✨King Nebukadnezzar from Babylon wen make Zedekiah, Josiah boy, king fo Judah. Zedekiah stay king, an not Koniah, Jehoiakim boy.

² But Zedekiah, an his helpa guys, an da peopo inside da land, dey still no lissen wat Da One In Charge tell Jeremiah, da guy dat talk fo God.

³ Still yet, Zedekiah wen sen Jehucal, Shelemiah boy, an da pries guy Zefaniah, Maaseiah boy, by Jeremiah fo tell um: "Pray to oua God, dass Da One In Charge a us, fo help us guys!"

⁴ Dat time, Jeremiah still hang out wit da peopo, cuz dey still no put um inside da prison yet.

⁵ Da army fo da Egypt king, da Pharaoh guy, wen come outa Egypt. Wen da Babylon army guys dat stay all aroun Jerusalem town hear bout da Egypt guys, dey leave Jerusalem.

⁶ Den get anodda message from Da One In Charge fo Jeremiah, da guy dat talk fo him:

⁷ "Dis wat Da One In Charge, da God fo da Israel peopo, tell: Da Judah king wen sen you guys by me fo me find out wass goin happen. Tell um dis: 'You know wat?! Pharaoh army guys, dat wen come outa Egypt fo help you guys, dey goin go back dea land, Egypt side!

⁸ Den da Babylon guys goin come back attack dis town. Dey goin take um ova an burn um.'

⁹ "Dis wat Da One In Charge tell: No make jalike you shua, an tink 'Fo shua, da Babylon guys goin go way from us.' Dis time, dey no goin leave you guys, dey goin attack!

¹⁰ Wen dey do dat, no goin matta you guys bus up all da Babylon army guys dat stay attack you guys! No goin matta da ony Babylon guys dat still stay alive stay hurt inside dea tents! Fo shua, even jus da ones dat stay hurt, still yet dey goin come aroun dis town an burn um up. You guys no can win, you know!"

¹¹ Odda tings wen happen dat time too. Da Babylon army guys go way from Jerusalem cuz dey find out da Pharaoh army guys stay come from Egypt fo fight dem.

¹² Dat time, Jeremiah start fo go outa Jerusalem town fo go da Benjamin ohana land, fo get his share a da ohana land jalike his odda relatives ova dea.

¹³ But wen he come by da Gate Fo Go Da Benjamin Land, da guy in charge a da security guard guys, his name Irijah, Shelemiah boy an Hananiah grankid, arres Jeremiah. He tell, "You like go ova da Babylon army guys side, aah?!"

¹⁴ Jeremiah tell, "Az not true! I no goin go ova da Babylon army guys side!" But Irijah no lissen him. He bus Jeremiah an take him by da king helpa guys.

¹⁵ Dey mad wit Jeremiah, an tell dea guys fo bus him up. Den dey put um inside da prison inside da secretary Jonathan house, cuz dey wen make dat house come one prison.

¹⁶ Dey put Jeremiah inside one jail cell inside one big hole unda da groun ova dea an he stay dea long time.

¹⁷ Den King Zedekiah tell his guys fo bring Jeremiah by da palace, but bring um secret kine so nobody know he dea. Zedekiah aks Jeremiah, "You get one message from Da One In Charge, o wat?"

Jeremiah tell, "Shua, get! Da One In Charge goin make da Babylon king catch you."

¹⁸ Den Jeremiah aks King Zedekiah, "Wat bad ting I wen do agains you o yoa palace guys, o agains dis Jerusalem peopo? How come you guys wen put me inside da prison?"

¹⁹ An wea yoa guys stay dat tell dey talk fo God? Dey tell you, 'Da Babylon king no goin make war agains you guys o agains dis land!'

²⁰ You da king, an you my boss, so try lissen! Try do dis good ting fo me?! No sen me back Jonathan house, da secretary guy, o I goin mahke ova dea!"

²¹ Den King Zedekiah tell his guys fo put Jeremiah inside da palace open lanai wea get security guard guys. He tell um fo give Jeremiah one roun bread from da street wea da baker guys make bread, ery day till all da bread inside Jerusalem all gone. Dass how Jeremiah stay inside da open lanai dat get security guard guys.

38

Dey Throw Jeremiah Inside One Hole

¹ Shefatiah, Mattan boy, Gedaliah, Pash-Hur boy, Jehucal, Shelemiah boy, an da odda Pash-Hur, Malkijah boy, dey hear wat Jeremiah stay tell all da peopo. Jeremiah tell:

² "Dis wat Da One In Charge tell: 'Whoeva stay inside dis town goin mahke cuz a da war, cuz no mo food, o cuz a da real bad kine sick. But whoeva go outside Jerusalem town by da Babylon guys, dis wat goin happen: dey goin stay alive!'

³ Da One In Charge tell dis too: 'Fo shua Da One In Charge goin give dis town to da army guys fo da Babylon king, an he goin take um ova.' "

⁴ Den da leada guys tell da king: "You gotta kill dis Jeremiah guy! He make oua army guys dat still stay inside dis town lose fight, an same ting fo all da odda peopo, cuz a wat he tell dem. He no give a rip fo make good kine stuff happen to da Jerusalem peopo. He ony like bad kine stuff happen."

⁵ King Zedekiah tell dem, "Do wateva you like to him. I da king, but I no can do notting fo stop you guys fo wateva you like do."

⁶ So dey take Jeremiah an put him down inside one big hole fo keep watta. Malkijah, da king boy, own da hole, dat stay inside da open lanai wea get da security guards. Dey put Jeremiah down inside da hole wit ropes. But dat big hole, no mo watta inside um dat time. Ony get mud, an Jeremiah sink down inside da mud.

⁷ But Ebed-Melek, from Sudan, one a da king palace guys, hear dat dey wen put Jeremiah inside da big hole fo watta. Da king stay sit by da Benjamin Gate dat time.

⁸ So Ebed-Melek go outside da palace, an tell da king,

⁹ “Eh, you my king an you da boss! Dese guys wen do one real bad ting to Jeremiah, da guy dat talk fo Da One In Charge! Dey wen put him down inside one big hole fo watta. He goin mahke down dea cuz no mo notting fo eat. Right now, no mo bread inside Jerusalem town, you know.”

¹⁰ Den da king tell Ebed-Melek, da Sudan guy, “Take thirty guys from hea wit you, an go pull up Jeremiah from da big hole fo store watta befo he mahke.”

¹¹ So Ebed-Melek take da guys wit him, an go by one room inside da palace, undaneat da room wea dey stash da rich kine stuffs. He take some boros kine clotheses from dea, an let dem down wit ropes inside da big hole fo Jeremiah.

¹² Ebed-Melek tell Jeremiah, “Put dese boros kine clotheses unda yoa arms so da rope no goin hurt you.” So Jeremiah do dat.

¹³ Den dey pull um up wit da rope, an take him outa da big hole. From den, Jeremiah stay inside da palace open lanai wea get security guards.

King Zedekiah Aks Jeremiah One Question One Mo Time

¹⁴ Den King Zedekiah sen guys one mo time fo bring Jeremiah da guy dat talk fo God, by him. He tell his guys fo bring him by da numba three gate fo da Temple Fo Da One In Charge. Da king tell Jeremiah: “I goin aks you someting. No hide notting from me.”

¹⁵ Jeremiah tell Zedekiah, “If I tell you dis, fo shua you goin tell yoa guys fo kill me. No matta I tell you wat fo do, you no goin lissen me.”

¹⁶ But da king make one secret kine strong promise to Jeremiah. He tell: “Jalike fo shua Da One In Charge stay alive, an he da One make us guys stay alive too, same ting I stay shua I make dis strong promise: I no goin kill you o give you to da guys dat like kill you.”

¹⁷ Den Jeremiah tell Zedekiah, “Dis wat Da One In Charge tell, da God Ova All Da Armies, da God fo da Israel peopo: ‘If you give up to da officer guys fo da Babylon king, den you goin stay alive, an dey no goin burn down dis town. You an yoa ohana guys goin stay alive.’”

¹⁸ But if you no goin give up to da officer guys fo da Babylon king, den dis town goin go to da Babylon guys, an dey goin burn um down. An no ways you goin get away from dem!’ ”

¹⁹ King Zedekiah tell Jeremiah, “I sked a da Judah guys dat wen go ova da Babylon guys side. Cuz maybe da Babylon guys goin turn me ova to dose Judah guys, an dey goin make any kine to me.”

²⁰ Jeremiah tell him, “Dey no goin turn you ova to da Judah guys. Lissen to Da One In Charge, an do wat I tell you fo do. Den eryting goin go good fo you, an you goin stay alive.”

²¹ But if you no give up, dis wat Da One In Charge wen show me jalike in one dream:

²² Da Babylon army guys goin bring outside all da wahines dat still stay alive inside da Judah king palace. Dey goin give um to da leada guys fo da Babylon king. Dose same wahines goin tell you:

“ ‘Ahana kokolele!

Yoa frenz dat you tink was tight wit you,

Dey wen bulai you an make you follow dem!

But den, yoa frenz wen bag from you,

Jalike yoa feets stay stuck inside da mud awready!’

²³ “Da Babylon guys goin take away all yoa wifes an kids. Dea king goin tell his guys fo capcha you. Az why you no can run away from dem. An dey goin burn down dis town.”

²⁴ Den Zedekiah tell Jeremiah, “No let nobody know wat we tell each odda so you no mahke.

²⁵ If da leada guys hear I wen talk wit you, dey goin come by you an tell, ‘Tell us wat you wen tell da king, an wat da king tell you. No hide notting from us o we goin kill you.’

²⁶ Den you goin tell dem, ‘I stay beg da king fo no sen me back Jonathan house, wea get da big hole fo mahke ova dea.’ ”

²⁷ An fo shua, all da leada guys come by Jeremiah fo aks him wat he wen tell da king. An he tell dem eryting da king wen tell him fo tell. So dey neva aks him bout odda stuff, cuz neva have anodda guy wen hear wat him an da king wen talk bout.

²⁸ ✧ So Jeremiah stay inside da patio in da middo a da guard guys building, till da time wen da Babylon guys take ova Jerusalem.

39

Da Babylon Guys Take Ova Jerusalem (2 Kings 25:1-12; Jeremiah 52:4-16)

¹ Dis how da Babylon guys take ova Jerusalem. Was da year numba nine, da month numba ten, wen Zedekiah stay king fo Judah. Nebukadnezzar, da king fo Babylon, come back Jerusalem side wit all his army guys. He put his army guys all aroun da town fo nobody go outside o come inside.

² Laytas, da year numba eleven, da month numba four, da day numba nine, wen Zedekiah stay king, da Babylon army guys broke down da wall fo Jerusalem town.

³ Den all da leada guys fo da Babylon king come inside dea. Dey put dea headquarters by da Middo Gate. Had Nergal-Sharezar from Samgar, Nebo-Sarsekim, one a da main govmen guys, da odda Nergal-Sharezer, one importan leada, an all da odda officer guys fo da Babylon king.

⁴ Wen Zedekiah, da Judah king, an all his army guys see dem, dey run away. Dey sneak out from Jerusalem town nite time thru da king garden, thru one gate in da middo a two walls, an go da road to da Jordan Riva valley.

⁵ But da Babylon army guys chase dem, an catch up wit Zedekiah on top da flat land da odda side a Jericho. Dey make him dea priona, an take him by Nebukadnezzar da Babylon king. Nebukadnezzar stay nea Riblah town, inside da Hamat land. Dass wea Nebukadnezzar tell Zedekiah how he goin punish him.

⁶ Ova dea Riblah side, da Babylon king tell his army guys kill Zedekiah boys in front Zedekiah. Da Babylon guys kill all da alii guys from Judah too.

⁷ Den Nebukadnezzar tell dem fo poke out Zedekiah eyes, an tie um up wit bronze shackles fo take him Babylon side.

⁸ Jerusalem side, da Babylon guys burn down da king palace, an da peopo houses, an broke down da town wall.

⁹ Da main officer dea stay in charge a da Babylon army guys dat kill da prisonas dat gotta mahke. His name Nebuzaradan. He take da odda peopo dat stay still inside Jerusalem, an make dem prisonas. He bring dem, an all da res a da peopo, Babylon side—dass da peopo dat wen go ova by da Babylon guys side too.

¹⁰ But Nebuzaradan let some a da Judah peopo dat no mo notting stay dea inside da Judah land, an he give dem grape fields an odda fields dey can plow, dat time.

¹¹ Befo time, Nebukadnezzar da Babylon king wen tell Nebuzaradan, da officer in charge a da Babylon army guys, wat fo tell da army guys bout Jeremiah. He tell:

¹² “Take him an take good kea him. No hurt him, but do fo him wateva he tell wat he like you fo do.”

¹³ So Nebuzaradan, da main officer in charge a da guards, Nebushazban one a da main govmen guys, Nergal-Sharezer one importan leada, an all da odda officer guys fo da Babylon king,

¹⁴ dey sen guys fo take Jeremiah out from da palace open lanai wea da Israel security guard guys stay. Dey turn him ova to Gedaliah, Ahikam boy an Shefan grankid fo take Jeremiah back Jeremiah house. So Jeremiah stay wit his peopo.

¹⁵ Befo time, wen Jeremiah still stay prisona inside da palace open lanai wea da security guard guys stay, he get dis message from Da One In Charge:

¹⁶ “Go tell Ebed-Melek da Sudan guy, ‘Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: I almos ready fo make real bad kine stuff happen to dis town Jerusalem, jalike I wen tell I goin do. Dis no goin be good fo nobody! Wen I do dis, you goin see um happen right in front you.

¹⁷ But me, Da One In Charge, I tell dis: Wen dat happen, fo shua I goin get you outa dea! I no goin turn you ova to da guys dat you stay sked of.

¹⁸ Fo shua, I goin get you outa dea. You no goin mahke from da war. Da prize you goin get from da war, goin be dis—you goin stay alive cuz you trus me!’ Az wat Da One In Charge tell.”

40

Da Babylon Guys Let Jeremiah Go

¹ Dis anodda message dat Jeremiah get from Da One In Charge. Da main officer in charge a da Babylon army guys dat kill da prisonas dat gotta mahke, his name Nebuzaradan. He wen spock Jeremiah wit his wris chain togedda. So he pull um out from da odda prisona guys from Jerusalem an Judah dat da Babylon guys stay take Babylon side. Wen dey come Ramah town, Nebuzaradan let Jeremiah go.

² Wen Nebuzaradan find Jeremiah wit da odda prisona guys, he pull um on da side an tell um, “Was yoa God, Da One In Charge, wen tell dat dis bad kine stuff goin happen to dis place, aah?”

³ So now Da One In Charge stay do eryting jalike how he wen tell he goin do. All dis stuff happen cuz you guys do bad kine stuff agains Da One In Charge, an you neva lissen him.

⁴ But now, Jeremiah, dis wat I goin do: I goin hemo da chains from yoa wris an let you go today. If you figga az good fo you fo come wit me Babylon side, den come, an I goin take kea you. But if you figga az one bad idea fo come wit me, den az all right too. Try look! You can spock da whole Judah land in front you. Wateva place look good, an look jalike da right place fo you go, go dea!”

⁵ Jeremiah still neva move fo go back Judah side. So Nebuzaradan tell, “Go back by Gedaliah, Ahikam boy an Shafan grankid. Da Babylon king wen pick him fo stay in charge a da towns Judah side. Stay wit him wea da odda peopo live, o go wea eva you like.”

Den Nebuzaradan give Jeremiah some food, an one present, an he let um go.

⁶ So Jeremiah go by Gedaliah, Ahikam boy, Mizpah side, an stay dea wit Gedaliah, wea da odda peopo stay dat still stay live inside da land.

Some Guys Like Kill Gedaliah
(2 Kings 25:22-26)

⁷ ✧Afta da Babylon king wen pick Gedaliah, Ahikam boy, fo stay in charge a da land, Gedaliah ony stay in charge a da guys dat no mo notting, an da wahines an da young kids an da ol peopo, cuz dey no stay prisonas fo go Babylon side. Wen da Israel officer guys an dea army guys dat still stay in da country side hear dat,

⁸ da army guys go by Gedaliah Mizpah side. Da officer guys was Ishmael, Netaniah boy, Johanan an Jonathan, Kareah boys, Seraiah Tankumet boy, Efay boys from Netofah, an Jezaniah, dat get one guy from Maakat fo dea faddah. Dea guys come wit um too.

⁹ Gedaliah, Ahikam boy an Shefan grankid, make one spesho promise fo all da army guys, fo make shua dat dey an dea guys know dis: “No worry! No sked fo work fo da Babylon guys. Stay hea inside da land, an work fo da Babylon king, an eryting goin come good fo you guys.

¹⁰ Me, I goin stay Mizpah side fo me talk fo you guys in front da Babylon guys dat come by us. You guys goin harves da grapes, make da wine, harves da summa fruits, make da olive oil an put um inside yoa jars fo stash um, an live inside da towns you wen take ova.”

¹¹ Wen all da Jews inside Moab, Ammon, Edom, an all da odda lands hear dat da Babylon king wen leave behind some guys from Judah inside da land, an wen pick Gedaliah fo stay in charge a da land,

¹² dey all come back Judah side, by Gedaliah, Mizpah side, from all da lands wea dey wen run away from da Babylon army guys. Dey come back an dey harves plenny grape an summa fruit.

Ishmael Kill Gedaliah

¹³ One time Johanan, Kareah boy, an all da army officers dat still stay country side, come by Gedaliah, Mizpah side.

¹⁴ Dey tell him, “You know dat Baalis, da king fo da Ammon peopo, wen sen Ishmael, Netaniah boy, fo kill you?!” But Gedaliah no tink az fo real wat dey tell.

¹⁵ Den Johanan, Kareah boy, talk to Gedaliah secret kine inside Mizpah town, an tell, “Let me go kill Ishmael, Netaniah boy, an no mo nobody goin

✧ 40:7 40:7: 2Kings 25:22-24

know bout dis. No good fo him kill you. Cuz den, all da Judah guys dat wen come togedda by you, goin run away all ova da place, an no good da peopo dat still stay inside Judah come wipe out!”

¹⁶ But Gedaliah tell Johanan, “No go do dat! Az not true, wat you tell bout Ishmael!”

41

¹ ✧Da month numba seven, Ishmael, Netaniah boy an Elishama grankid, come Mizpah side. He come from da king ohana, an befo time he was one officer fo da king. He come by Gedaliah, Ahikam boy, wit ten a his guys. Wen dey stay eat togedda ova dea,

² Ishmael an his ten guys get up an jump Gedaliah wit dea swords an kill um. Gedaliah, you know, he da guy dat da Babylon king wen pick fo stay in charge a da land.

³ Ishmael dem kill all da odda Judah guys too dat stay wit Gedaliah Mizpah side, an da Babylon army guys dat stay dea too.

⁴ Da day afta dey kill Gedaliah, an befo odda peopo know bout dis,

⁵ had eighty guys dat wen shave off dea beards, rip dea clotheses, an cut dea body fo show dey stay sad inside. Dey come from Shekem, Shiloh, an Samaria. Dey bring wheat, barley, an incense fo make sacrifice inside da Temple Fo Da One In Charge.

⁶ Ishmael, Netaniah boy, go out from Mizpah fo meet dem, an he stay cry wen he go. Wen he meet dem, he tell: “Go come by Gedaliah, Ahikam boy.”

⁷ Wen dey go inside da town, Ishmael, Netaniah boy, an da guys dat stay wit him, start fo kill dem an throw dem inside one big hole fo keep watta.

⁸ But ten a da guys tell, “No kill us! Us guys get wheat an barley, oil an honey, dat stay stash inside one field, an dat worth plenny, you know! Ony us know wea we stash um!” So Ishmael guys let um go an no kill dem wit da oddas.

⁹ Dat hole wea dey throw all da mahke bodies a da guys Ishmael dem wen kill, an Gedaliah body too, az da same deep hole dat King Asa from Judah wen dig fo his peopo. He use da hole fo get watta wen dey fight King Baasha from Israel. Dass da hole dat Ishmael, Netaniah boy, fill up wit all da mahke bodies.

¹⁰ Ishmael catch all da odda peopo inside Mizpah, an make dem prisonas: da king girls, an all da odda peopo dat stay dea too. Nebuzaradan, da main officer fo guys dat guard da Babylon king, wen pick Gedaliah, Ahikam boy, fo stay in charge a dem. But Ishmael, Netaniah boy, wen make all da odda peopo dea come his prisonas an start fo take dem da odda side a da Jordan Riva, to da Ammon ohana land.

¹¹ Johanan, Kareah boy, an all da army officers dat stay wit him, hear bout all da bad kine stuff dat Ishmael, Netaniah boy, stay do.

¹² Dey take all dea guys, an go fo fight Ishmael, Netaniah boy. Dey catch um up nea da big pool Gibeon side.

¹³ Wen all da prisona guys dat Ishmael take wit him see Johanan an all da army guys wit him, dey come real happy.

¹⁴ All da peopo Ishmael make his prisonas Mizpah side, dey turn aroun an go by Johanan, Kareah boy.

¹⁵ But Ishmael an eight a his guys get away, an go by da Ammon peopo.

Da Judah Guys Run Away Egypt Side

¹⁶ Den Johanan, Kareah boy, an all da army officers dat stay wit him take all da Mizpah peopo dat still stay alive—da ones he wen rescue from Ishmael, Netaniah boy, afta Ishmael wen kill Gedaliah. Had da army guys, da wahines, da kids an ol peopo, an da palace guys dat he wen bring back from Gibeon.

¹⁷ An dey go way from dea. Dey stop at Gerut-Kimham nea Betlehem. Den dey go way from dea an go Egypt side

¹⁸ fo get away from da Babylon guys. Dey sked a da Babylon guys, cuz Ishmael wen kill Gedaliah, Ahikam boy, da guy da Babylon king wen pick fo stay in charge a da land.

42

¹ Den all da army leada guys dat neva go Babylon side, wit Johanan Kareah boy, an Jezaniah Hoshaiiah boy, an all da peopo, from da ones dat not importan to da ones dass mos importan,

² dey go by Jeremiah, da guy dat talk fo God. Dey tell um, “Us guys get one real importan ting we like aks you fo do! We like you fo pray to yoa God, Da One In Charge, fo us guys, fo help all us an oua peopo dat stay still yet inside da land. Cuz how stay fo us, we ony litto bit peopo now. Befo time, we wen come plenny peopo, but dass not how stay now.

³ We like fo yoa God, Da One In Charge, tell us wea us guys gotta go, an wat kine stuff we gotta do.”

⁴ Jeremiah tell dem, “I hear wat you guys like me fo do. Fo shua I goin pray fo you guys to God, Da One In Charge, jalike you tell me fo do. I goin tell you guys eryting he tell me. I no goin hold back notting from you guys.”

⁵ Dey tell Jeremiah, “Us guys like Da One In Charge hear wat we stay tell you now. Us like make shua we stay up an up wit yoa God, Da One In Charge. An he goin know if we no do eryting dat he tell you fo us do. Cuz fo real, dass wat we goin do.

⁶ Us guys goin lissen oua God, dass Da One In Charge a us, wat he tell fo shua, no matta us guys like o no like! We aks you fo pray to him fo him make eryting come good fo us guys, wen we do eryting dat Da One In Charge goin tell us fo do.”

⁷ Ten days afta dat, one message come fo Jeremiah from Da One In Charge.

⁸ So Jeremiah tell Johanan, Kareah boy, fo come togedda, an all da army leada guys dat stay wit him, an all da peopo, from da ones dass not importan, to da ones dass mos importan, too.

⁹ He tell um, “Dis da message from Da One In Charge, da God fo da Israel peopo: You guys wen sen me by Da One In Charge fo let him know wat you guys like him fo do fo you. Dis wat he tell:

¹⁰ ‘If you guys stay hea inside dis land, I goin build you guys up. I no goin bus you guys up. I goin make you guys come solid jalike one tree in da groun. I no goin pull you guys out cuz I get pity fo you guys fo da bad kine stuff I wen make happen to you guys.

¹¹ No sked a da Babylon king, no matta you guys stay sked a him now. Me, Da One In Charge, I tell dis: No sked him, cuz I stay wit you guys fo get you outa trouble. He no goin get powa ova you.

¹² I goin show pity fo you guys. Cuz a dat, da Babylon king goin show pity fo you guys, an bring you guys back inside yoa land.’

13 “But if you guys no lissen me, yoa God, Da One In Charge, an if you tink lidis: ‘No ways us guys goin stay inside dis land!’

14 den maybe you guys tink: ‘Mo betta we go live inside Egypt! Cuz ova dea no mo war! No goin hear da war trumpets, an no goin stay wit no mo food.’

15 If dass how you guys figga, den lissen wat me Da One In Charge tell you Judah peopo dat still stay hea. Me, Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, dis wat I tell: If az true wat you guys figga, an you still stay hard head an like go Egypt fo stay ova dea,

16 cuz you guys stay sked a da Babylon army guys wit swords, you know wat?! Ova dea Egypt side, army guys wit swords goin ovatake you guys ova dea! You sked you no goin get enuff food—ova dea Egypt side no goin get food notting! Dass how you guys goin mahke Egypt side.

17 Fo shua, erybody dat still stay hard head an yet like go Egypt side fo stay ova dea, dey goin mahke from da war, from no mo food, an from da real bad kine sick. No mo nobody goin stay alive an run away from da real bad kine stuff I goin make happen to dem.

18 “Cuz dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: ‘Jalike I come huhu an tell “Laytas” to wat da peopo dat wen stay inside Jerusalem do, same ting az how I tell “Laytas” to wat you guys goin do wen you go Egypt side. Peopo goin sing sad songs an cry loud kine bout you guys. Dey goin tink az skery wat happen to you. Dey goin like put kahuna on top you guys, an poin finga you guys an laugh at you. An you guys no goin see dis land no moa.’

19 “You Judah guys dat still stay hea, Da One In Charge wen tell you guys awready, ‘No go Egypt side!’ You guys gotta know fo shua right now, dat I wen tell you fo watch out awready.

20 Cuz you guys wen make how you tink come all hamajang, da time you guys come by me an tell me fo go by yoa God, Da One In Charge, an tell, ‘Pray fo us guys to oua God, dass Da One In Charge a us. Tell us eryting he tell you, an we goin do um!’

21 I wen tell you guys today da message I get from Da One In Charge, but you guys still no lissen yoa God, Da One In Charge, bout eryting he sen me fo tell you guys.

22 So now, dis fo shua: You guys goin mahke from da war, from no mo food, an from da real bad kine sick inside Egypt, da place wea you guys figga az one nice place fo go stay!”

43

Dey Go Egypt Side

1 Wen Jeremiah pau tell da peopo eryting dea God, Da One In Charge, tell—eryting he wen give Jeremiah fo tell dem—

2 Azariah, Hoshaiyah boy, an Johanan, Kareah boy, an all da odda guys dat get big head tell Jeremiah, “You bulaia! Oua God Da One In Charge neva sen you hea fo tell: ‘You guys betta not run away Egypt side an stay ova dea!’

3 Az Baruk, Neriah boy, da one dat stay make you go agains us guys fo him give us to da Babylon guys. Den, dey goin kill us guys, o dey goin make us prisonas an take us Babylon side.”

4 So den Johanan an all da army officer guys, an all da peopo, neva lissen wat Da One In Charge tell dem fo stay inside da Judah land.

⁵ ✨ Az how come Johanan an all da army officer guys wen take away da peopo dat still stay Judah side—an da ones dat come back Judah side from all da odda countries all ova da place wea dey wen run away befo time.

⁶ An dey take away all da guys, da wahines, da kids an ol peopo, an da Judah king girls, dat Nebuzaradan, da main officer fo da Babylon king guard, wen leave wit Gedaliah, Ahikam boy an Shafan grankid, an Jeremiah da guy dat talk fo God, an Baruk, Neriah boy.

¹¹ Wen Nebukadnezzar come, he goin attack da Egypt land. Whoeva goin mahke cuz dey sick, goin mahke cuz dey sick. Whoeva goin come prisona, he goin make um prisona. Whoeva goin mahke in da war, goin mahke in da war.

¹² Me, Da One In Charge goin burn down da temples fo da Egypt gods, cuz Nebukadnezzar goin burn some a dea gods an make some a dea gods his prisonas. Jalike one sheep guy pick da ukus outa his clotheses, Nebukadnezzar goin pick out eryting he like outa da whole Egypt land! Den he goin get outa dea, an nobody goin hurt him.

¹³ Ova dea inside da temple fo da sun god in da Egypt land, Da One In Charge goin bus up da big stones dat stay kapu fo dem, da stones dey wen set up fo poses fo dem pray in front dem. He goin burn down da temples fo da Egypt gods.’ ”

Bad Kine Stuff Happen Cuz Dey Pray To Da Idol Kine Gods

¹ Dis wat Da One In Charge tell Jeremiah, bout all da Jew guys dat live inside da Egypt land. Dey live Migdol, Tahpanhes, an Memphis towns, an from dea, up da Nile Riva valley.

² Jeremiah tell: “Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo tell: ‘You guys wen see all da bad kine stuff I make happen to Jerusalem an all da Judah towns. Now dey stay all bus up, an no mo nobody live ova dea!

³ Az cuz da peopo ova dea wen do real bad kine stuff. Dey make me come real huhu wen dey burn incense an do any kine stuff fo da idol kine gods. Dem guys an you guys an yoa ancesta guys, dey neva know dose gods befo time.

⁴ Ova an ova, I wen sen you guys all my worka guys dat talk fo me. Dey tell: “Nah, no go do dis kine pilau kine stuff I hate!”

⁵ But dey neva lissen me, dey ony make deaf ear. Dey no come sorry an dey still yet stay do bad kine stuff. Ova an ova dey stay burn incense fo da odda kine gods.

⁶ Az why I come real huhu agains da peopo inside da Judah towns an on top da Jerusalem streets. Cuz I wen get mad, da towns stay all bus up an no mo peopo dea now.'

⁷ "An now, dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: 'How come you guys stay do all dis real bad kine stuff? You da ones get hurt cuz a dat. You guys cut off erybody from da Judah land, da guys, da wahines, da kids, an da small bebes. An cuz a dat, no mo nobody from yoa peopo alive ova dea.

⁸ How come you guys make me come real huhu wit yoa idol kine gods dat you guys make wit yoa hands, aah? Cuz you guys burn incense fo da odda gods inside Egypt wea you guys live now! You guys come wipe out. You goin make all da odda peopos on top da earth like put kahuna on top you. Dey goin poin finga you cuz a all da bad stuff you do.

⁹ How come you guys foget awready, all da real bad kine stuff dat yoa ancesta guys an da Judah kings an queens wen do, aah?! An all da real bad kine stuff you guys an yoa wifes wen do inside da Judah land an on top da Jerusalem streets!

¹⁰ Even today you guys no show you come sorry fo wat you wen do. You guys no show respect fo me. You no follow my rules, an all da stuff I wen tell you guys an yoa ancesta guys dat you gotta do.

¹¹ " 'Az why me, Da One In Charge, I go tell you dis. I da God Ova All Da Armies, da God fo da Israel peopo. Dis me, an fo shua, I goin make bad kine stuff happen to you guys, an I goin wipe out all you Judah peopo.

¹² I goin take away all da Judah peopo dat stay alive still yet, dat get hard head an go Egypt side fo live ova dea. Dey all goin come wipe out Egypt side cuz a da war, o dey goin come wipe out cuz no mo food. No matta dey importan o not importan, dey goin mahke cuz a da war o cuz no mo food. Dey all goin come wipe out. Odda peopo goin come sked cuz a wat happen to dem, an goin like put kahuna on top dem, an da odda peopo goin poin finga dem fo all da bad stuff dey wen do.

¹³ I goin punish dose Judah peopo dat live inside Egypt, jalike I wen punish da Jerusalem peopo—wit war, no mo food, an da real bad kine sick.

¹⁴ From da Judah peopo dat wen go Egypt side fo live dea, no mo nobody goin run away fo save dea life, o get outa dea fo go back Judah side. No matta how much dey like go home fo live dea, ony litto bit peopo goin stay alive fo go back dea.' "

¹⁵ Had plenny guys dea dat know dea wifes stay burn incense fo odda gods dat not da real God. An had odda wahines dat wen come togedda dea too, wit da res a dem. All dose Judah peopo dat live on da north side an da south side inside Egypt, dey tell Jeremiah,

¹⁶ "No ways! We no goin lissen wat you tell us guys, no matta you tell us you stay talk fo Da One In Charge!

¹⁷ Fo shua we goin do eryting we tell we goin do. We goin burn incense fo oua wahine god da Queen Inside Da Sky. We goin pour out drink sacrifices fo her, jalike us guys, oua ancesta guys, da king guys, an oua leada guys wen do inside da Judah towns an on top da Jerusalem streets. Befo time,

wen we make lidat, we get plenny food, an we stay rich, an we no suffa notting bad.

¹⁸ But you know wat?! Wen we stop burn incense fo da Queen Inside Da Sky, an pour out da drink offering fo her, us no mo notting, an mo an mo peopo mahke cuz a da war an cuz no mo food!”

¹⁹ An da wahines tell: “Wen we stay burn incense fo da Queen Inside Da Sky, an pour out drink offering fo her, you tink oua husbands neva know dat we make small kine bread dat look jalike her, an pour out da drink offering fo her? Fo shua dey know!”

²⁰ Den Jeremiah tell all da peopo, da guys an wahines dat stay in his face,

²¹ “You guys tink Da One In Charge foget da incense you wen burn, o wat?! You guys, an yoa ancesta guys, an yoa king guys, an yoa leada guys, an da peopo inside da land wen burn um inside da Judah towns an on top da Jerusalem streets?! Fo shua, Da One In Charge neva foget bout all dat kine stuff!

²² You guys all da time wen do da worses pilau kine stuff eva. But Da One In Charge, he had it awready wit you guys. Az how come yoa land come all wipe out. An dass goin get one bad rep dat peopo like use fo put kahuna on top somebody, cuz no mo peopo live ova dea. An dass how stay today.

²³ You guys burn incense an wen do bad kine stuff agains Da One In Charge. You guys no lissen wat Da One In Charge tell you, o follow his rules, o do da odda stuff he tell you guys you gotta do. You no live da way he like you fo live. An az why all dis bad kine stuff happen to you guys, jalike how stay now.”

²⁴ Den Jeremiah tell all da peopo, an all da wahines too: “Lissen wat Da One In Charge tell, all you Judah peopo dat stay Egypt side.

²⁵ Dis wat Da One In Charge, da God Ova All Da Armies, da God fo da Israel peopo, tell: ‘You guys an yoa wifes wen make one spesho promise. You tell dat fo shua you goin do eryting you wen make spesho promise fo do, fo burn incense fo da Queen Inside Da Sky, an pour out drink offering fo her. An now you guys stay do jalike you wen promise fo do.’

“Kay den, go ahead! Do wat you wen promise fo do! Make shua you do eryting you wen make one spesho kine promise fo do!

²⁶ But lissen wat Da One In Charge tell, all you Jews dat live inside Egypt! He tell: ‘Me, Da One In Charge, I get da rights fo make dis spesho promise cuz a who me, I da greates. No mo nobody from Judah goin use my name fo make one spesho kine promise, o go tell stuff like “I tell dis cuz I stay shua Da One In Charge a me stay alive!” fo make dea promise come strong, any place ova dea inside Egypt.

²⁷ I watch dem real good. So den watevas dey do wrong, I goin bus um up, an no do good kine stuff fo dem. All da Jews Egypt side goin mahke cuz a da war an cuz no mo food, till no mo nobody goin stay alive.

²⁸ But if get anybody dat no mahke cuz a da war, an dey get away an go back inside da Judah land from Egypt, ony goin be litto bit peopo. Den all da Judah peopo dat wen come fo live Egypt side goin know fo shua who stay tell da trut, me o dem.’ ”

²⁹ Da One In Charge tell: “All dis goin be jalike one sign fo show you guys dat I goin punish you guys inside dis place. Dass how you guys goin know, all dat I tell bout da bad kine stuff, I goin make happen to you guys.”

30 ✨Da One In Charge tell dis too: "I goin turn ova Pharaoh Hofra, da king fo Egypt, to da guys dat stay agains him an like kill him. Az jalike I wen turn ova Zedekiah, da Judah king, to Nebukadnezzar, da Babylon king, da guy dat wen stay agains Zedekiah an like kill him."

¹⁴ Da army guys goin blow trumpets an erybody goin get ready, but no mo nobody goin make war cuz I stay huhu wit all dem.

¹⁵ “Outside da town, get da army guys dat go kill peopo wit sword. Inside da town, get da real bad kine sick, an no mo notting fo eat. Outside in da country side, peopo goin mahke cuz get war. Da peopo inside da big town goin get wipe out cuz a da real bad kine sick an cuz no mo notting fo eat.

¹⁶ Erybody dat still stay alive, dey goin run away to da mountains. Dey goin make sad kine noise jalike da valley kine doves cuz all dem wen do wass wrong.

¹⁷ Erybody real sked dey lose fight. Dea knees no can stan strait an dey fall down jalike watta.

¹⁹ Dey goin throw dea silva on top da streets. Dey goin make jalike dea gold stay pilau. Da silva an da gold no goin get um outa trouble. Cuz dat time, me Da One In Charge goin show I stay huhu wit dem. Dey goin stay hungry, but dea silva an gold no goin give um notting fo put inside dea opu. Was da silva an gold dat wen make um like do bad kine stuff!

²⁰ Dey get big head cuz dey get fancy kine jewelry, an dey use um fo make dea idol kine gods dat I hate. Az why I goin make dea stuff come all pilau.

²¹ I goin let army guys from odda places rip off dea stuff. Da worses kine peopo in da world goin steal um. Dey no give a rip wat dey do to da stuff dey steal, an dey goin make all dat stuff come pilau.

²² I no goin look wen dey make da town dat stay spesho fo me come pilau, so nobody can pray dea. Guys goin go inside dea fo bus up stuff an make um come so no mo nobody can pray dea.

²⁴ Da country wit da worses kine peopo, I goin let dem take ova you guys houses. Da Israel guys dat get big head cuz dey tink dey real strong, I goin make um come all shame. Dose peopo, dey goin make da spesho places fo da odda gods come pilau so nobody can pray dea.

²⁵ Da Israel guys body goin shake all ova cuz dey all sked. Dey like eryting come good, but dass not goin happen.

Da Idol Kine Gods Inside Da Temple

¹ Six year afta King Koniah come Babylon, Septemba 18, I was sitting inside my house. Da older leadas from Judah, was sitting in front me. Right den an dea, da powa from Da One In Charge, da Boss, take ova me.

² ✧ I wen spock someting, look jalike one guy. Da wais down was jalike fire. Da wais up was all bright an shiny kine,

³ He put out someting dat look jalike his hand, an grab my hair. Da Spirit pull me up. Da earth was undaneat me an da sky was ova me. Wat God wen show me was jalike one dream. Da Spirit take me to Jerusalem, by da place wea you go inside da north gate fo da inside open lanai fo da Temple. Dass wea one idol kine god stay, da kine dat Da One In Charge hate.

⁴ ✧ An ho! Dea in front me I wen spock da strong light from da awesome God fo da Israel peopo, jalike da stuff I wen see befo time wen I stay on top da flat place.

⁵ Den God tell me, "Eh, Fo Real Kine Guy, look up by da north side!" So I look, an ho! by da north side a da altar gate get da idol kine god, da one dat Da One In Charge hate.

⁶ An God tell me, "Eh, Fo Real Kine Guy! You see wat dey do? Da Israel ohana peopo stay do supa pilau kine stuff. Dass why I like stay far from dis place dat suppose to be spesho fo me. But you goin see some tings dat even mo pilau!"

⁷ Den God take me by da gate fo da open lanai. I look, an ho! I wen spock one puka inside da wall.

⁸ He tell me, "Eh, Fo Real Kine Guy! Go dig inside da wall." So I wen dig inside da wall, an den I see one door on da odda side.

⁹ Den God tell me, "Go inside an look da supa pilau kine tings dey do ova dea."

¹⁰ So I go inside an look. I see pichas all ova da walls. Look jalike da kine tings dat crawl on top da groun, da pilau kine animals, an all kine idol kine gods dat da Israel ohana peopo stay pray to.

¹¹ Get seventy older leadas guys fo da Israel peopo stay standing dea in front da idol kine gods. Jaazaniah, Shafan boy, stay standing in da middo a dem. All a dem get metal pan fo burn incense, an da nice smell from da incense go up jalike one cloud.

¹² God tell, "Eh, Fo Real Kine Guy! You see wat da older leada guys fo da Israel peopo stay do inside dis dark place? All a dem stay by da rooms dat get dea idol kine gods inside. Cuz dey tink, 'Da One In Charge, he no stay! He no see us! He wen bag from da land!'"

¹³ An God tell dis too, "Nex time, you goin see um do even mo pilau kine stuff!"

¹⁴ Den he take me by da door fo da north gate fo da Temple Fo Da One In Charge. I see wahines sitting ova dea. Dey stay crying an making big noise fo show dey sore inside cuz da Tammuz god from Babylon mahke.

¹⁵ He tell, "Eh, Fo Real Kine Guy, you see dis? You goin see stuff dat even mo pilau!"

¹⁶ Den he take me to da inside open lanai aroun Da One In Charge temple. Ova dea, nea da Temple door, in da middo wit da Temple lanai on one side an da altar on da odda side, get bout twenny-five guys. Da Temple Fo Da One In Charge stay in back a dem, an dey stay look to da east side. Dey

stay go down on top da groun in front da sun god on da east side fo show respeck.

¹⁷ Da One In Charge, he tell me, “Eh, Fo Real Kine Guy! You wen see dat? All da pilau kine stuff dat da Judah ohana peopo stay do ova hea, you tink az no mean notting, o wat? Dey gotta bus up peopo ery place on top da land, o wat? An dey gotta make me come real huhu wit dem, ova an ova? Look at dem! Dey stick finga at me!

¹⁸ So same ting. Me, Da One In Charge, I real huhu. I goin show how huhu I stay wit dem. I no goin pity dem. I no goin hold back. No matta dey yell loud, I no goin lissen dem.”

9

God Kill Da Peopo Dat Go Down In Front Da Idol Kine Gods

¹ Den Da One In Charge yell loud fo give dem one orda, an I wen hear, “Tell da security guard guys fo Jerusalem town fo come hea. Wateva dey use fo kill peopo, tell um fo bring um ova hea!”

² An ho! six guys come from da mauka gate dat go da north side. An all dem get one club in dea hand fo bus up peopo. An in da middo get anodda guy wit linen kine clotheses. On his side, he get one box wit pen an ink inside. Dey come inside an stan nex to da bronze altar.

³ An den da strong light from da awesome God fo da Israel peopo go up. Befo dat, da light stay ova da living tings. Da light go by wea da inside part a da Temple start, by da door. Den Da One In Charge go call out to da guy wit da linen kine clotheses, da one dat get da pen an ink box.

⁵ Da One In Charge tell da odda guys someting. I hear dem. He tell, “Go follow da guy wit da box. He goin go inside Jerusalem. Go kill erybody ova dea. No pity dem. No hold back.

⁶ Kill ol guys, young guys, teenage girls, kids an wahines. But all da guys dat get da mark on dem, stay away from dem. Da firs place you go, go da spesho place dass fo ony me.” So da firs peopo dey kill goin be da older leada guys dat stay in front da Temple.

⁷ Den he tell dem, “Make da Temple pilau. Kill peopo till no mo room fo all da mahke bodies inside da open lanai fo da Temple. An den go outside.” So dey go an kill peopo inside Jerusalem town.

⁸ Wen dey stay kill da peopo, ony me was inside da Temple. I go down an put my face on top da groun. I yell, “Eh Boss! You Da One In Charge! I no can handle all dis! I know you real huhu wit da Israel peopo. But you goin kill all da Jerusalem peopo dat still stay alive, o wat?”

⁹ Da One In Charge tell me, “Da Israel peopo an da Judah peopo do real plenny bad kine stuff. Get plenny peopo dat wen bleed an mahke all ova Israel an Judah. An da judges all ova Jerusalem town no judge da right way, so dey let da killa guys go erytime. Da Israel peopo an da Judah peopo tell, ‘Da One In Charge wen bag from dis land. ¹⁹ You guys make my peopo tink I one pilau kine god. Dey tink dey can make me do stuff if dey pay you guys two-three handful a barley an one small piece bread. Az why you wen kill da peopo dat not suppose to mahke, an you let da peopo stay alive dat not suppose to stay alive. Az how you guys bulai my peopo an dey lissen you.

²⁰ “ ‘Az why dis wat me, Da One In Charge, da Boss, tell: I stay agains da magic kine stuff dat you guys use ova dea fo trap peopo jalike dey was birds. I goin broke um off you guys arms. I goin free up da peopo dat you guys wen trap jalike dey birds an let um fly away.

Dey goin strip da clotheses off you, an take away yoa rich kine jewelry, an leave you naked fo shame you.

⁴⁰ Da nations goin bring plenny peopo togedda fo go agains you. Dey goin throw stones fo kill you. Den dey goin cut up yoa mahke body wit dea swords.

⁴² Den I goin pau stay huhu wit you. I no goin stay jealous no moa. I goin stay quiet an no stay huhu no moa.

⁴³ “ ‘But cuz you foget how was wen you stay young, an you wen make me come huhu wit all dis kine stuff, you know wat I goin do?! Fo shua I goin pay you back da same kine, cuz a wat you wen do. Az wat me Da One In Charge, da Boss, tell. You wen go make any kine an you do all dis pilau kine stuff too.

⁴⁴ “ ‘Erybody dat know how fo tell wat da guys dat know wat fo do erytime tell, dey goin tell dis kine bout you: “Jalike da muddah ack, da girl ack same same.”

⁴⁵ You one real girl from yoa muddah. She no can stan her husban an her kids. An you one real sistah wit yoa sistahs. Cuz dey no can stan dea

husban an dea kids. Fo shua, yoa muddah was from da Het peopo an yoa faddah from da Amor peopo!

⁴⁶ Yoa older sistah, her Samaria town. She live north side from you wit her girls. An yoa younga sistah live south side from wea you live wit her girls. She Sodom town.

⁴⁷ Fo shua, you wen live jalike dem, an do da same pilau kine stuff dat dey do. But you wen make mo worse den dem.

⁴⁸ Fo shua, me Da One In Charge, da Boss, stay alive, an I tell dat yoa sistah Sodom an her girls neva make jalike you.

⁴⁹ “ ‘Now dis wat yoa sistah Sodom town wen do dass wrong. Her an her girls get big head, dey get mo plenny food den dey need an dey no need worry bout notting. But dey neva help da peopo dat no mo food an need help.

⁵⁰ Dey high makamaka, an do pilau kine stuff in front me. Az why I wen wipe dem out jalike you wen see happen.

⁵¹ Da Samaria peopo no do half da bad kine stuff dat you Jerusalem guys wen do. You guys wen do mo pilau kine stuff den da Samaria peopo. You make yoa sistah towns look jalike dey do da right kine stuff.

⁵² An you Jerusalem peopo get plenny shame. So you gotta take um! Cuz you guys so bad, you make peopo tink yoa sistah towns Sodom an Samaria not so bad! Cuz you do mo plenny pilau kine stuff den dem, dey look jalike dey do da right kine stuff. So den, come shame an handle wat odda peopo tink bout you. Cuz you Jerusalem guys make yoa sistah towns look jalike dey stay do wass right!

⁵³ “ ‘But I goin do good kine stuff fo Sodom town an da odda small towns dea dat jalike her girl, an fo Samaria an her girls, an fo you.

⁵⁴ Cuz a all dat, shame you goin be, an you goin come shame fo all da stuff you wen do. Wat you do, jalike make yoa sistah guys look good.

⁵⁵ An yoa sistahs, Sodom an her girls, an Samaria an her girls, dey all goin come jalike dey was befo time, an you an yoa girls goin come jalike you guys was befo time too.

⁵⁶ Befo time, wen you get big head, you talk bad bout yoa sistah Sodom.

⁵⁷ But dat was befo time, wen erybody donno yet bout all da bad kine stuff you do. But now, da girls inside Edom, an all da girls from da odda peopos aroun dem, an da girls inside Filisha, dey talk bad bout you Jerusalem guys!

⁵⁸ You da ones goin get punish fo da way you guys fool aroun, an fo all da pilau kine stuff you do. Az wat me Da One In Charge tell.

⁵⁹ “ ‘Dis wat me Da One In Charge, da Boss, tell: I goin punish you Jerusalem guys, da way I suppose to, cuz you neva show respeck fo my strong promise! You guys wen broke da deal you wen make wit me!

⁶⁰ But I no goin foget da deal I wen make wit you wen you was young. I no goin broke my strong promise I wen make wit you cuz dat one goin las foeva.

⁶¹ Den you no goin foget wat you wen do befo time an come shame bout all dat. Dass wen you goin come pono wit yoa sistahs, da older ones an da younga ones. I goin give Sodom an Samaria to you jalike dey come yoa girls. But I no goin make anodda deal wit dem jalike da one I wen make wit you.

⁶² Az why I goin foget my strong promise wit you, an you goin know az me, Da One In Charge, dat do all dis.

¹² ✧ "Fo dese Israel peopo dat tell, 'Laytas wit you, Da One In Charge!' you tell um: 'Fo shua, you guys donno wat dis story bout da eagles mean! Wen da Babylon king go Jerusalem town, he wen make dea king an dea alii guys prisonas, an bring um back wit him to Babylon town.

¹³ Den da Babylon king pick one guy from da Judah king ohana an make one deal wit him. He make dat alii guy make one strong promise fo stay tight wit da Babylon king. He take away da leada guys from da land too.

¹⁴ Da Babylon king like fo da Judah king peopo no come strong an importan one mo time. Ony if dey do wat da Babylon king tell, den dey goin stay alive.

¹⁵ But da Judah king wen go agains da Babylon king. He sen messenja guys Egypt side fo get horses an plenny army guys fo fight. You guys tink da Judah king goin win, o wat?! You guys tink he goin get outa dea, o wat?! Da one dat do dis kine stuff, you tink he can broke da deal an still yet get outa dea, o wat?!

¹⁶ “ ‘Fo shua, me, Da One In Charge, da Boss, stay alive! An I tell dis: Fo shua da Judah king goin mahke right dea inside Babylon town! Az wea da king guy dat stay in charge wen make da Judah guy come da Judah king. But da Judah guy tell laytas wit da strong promise he wen make an broke da deal!

¹⁷ Pharaoh, da Egypt king, get one big strong army. But all dose guys no goin help da Judah guys wen dey fight one war, cuz da Babylon guys goin pile up dirt fo make ramp fo go ova da Jerusalem town wall an kill plenny peopo.

¹⁸ Da Judah king come piss off cuz he wen make da strong promise he gotta keep, so he wen broke da deal. But cuz he shake hand fo make da promise, an den he go do all dat kine stuff, no ways he goin get outa da deal!

¹⁹ “ ‘Az why dis wat me Da One In Charge, da Boss, tell: Cuz dis me, Da One In Charge, I goin pay him back, cuz he wen tell “Laytas” wit da strong promise he make an broke my deal.

²⁰ Jalike I goin set one trap fo him an catch um. I goin take him Babylon side. I goin judge him an punish him ova dea cuz a da way he ack. I no can trus um.

²¹ All da guys inside da Judah king army goin run away an get kill wit swords. An da guys dat still yet stay alive goin run away all ova da place. Den you goin know dass me, Da One In Charge, wen tell fo dis happen.

²² “ ‘Dis wat me, Da One In Charge, da Boss, tell: I da One goin take da branch from da top a da cedar tree an plant um. I goin broke off one real young branch from da top, an plant um on top one real high mountain.

²³ I goin plant um on top da high mountains inside Israel. Da tree goin make branches an give fruits, an come one mangus cedar tree. All kine birds goin make dea nesess inside um. Dey goin find shade inside da branches.

²⁴ Jalike all da cedar trees in da fores goin know dis: Me, Da One In Charge, da One goin bring down da tall trees an make da short trees come tall. I goin make da green trees come dry an make da dry trees grow good.

“ ‘Me, Da One In Charge wen tell all dis, an I da One goin do um.’ ”

You Do Bad Kine Stuff, You Get Cut Off From God

¹ Da One In Charge tell me:

² ✨ “Wat you guys mean wen you talk lidis bout da Israel land:

“ ‘Da faddah guys eat sour kine grapes,

An da kids make sour face cuz a dat’?

Cuz you tink az not fair

Punish you guys fo da bad tings

Yoa ancesta guys wen do.

³ Cuz dis me, Da One In Charge, da Boss, an I stay alive: No ways you guys goin talk lidat one mo time inside da Israel land.

⁴ Cuz erybody dat stay alive, dey mines, da faddah-muddah guys an dea kids too. You do bad kine stuff, you goin get cut off from me!

⁵ “Wat if get one guy dat do wass pono, an judge da right way,

⁶ an dat kine guy no eat food from da sacrifice places on top da hills. He no trus da idol kine gods dat da Israel ohana peopo pray to. He no fool aroun an make pilau da wife a his fren, o fool aroun wit one wahine wen she get her period.

⁷ Dat kine guy no put presha on top nobody. An wen he loan money an keep someting da odda guy own fo make shua da guy goin pay um back, den, wen da odda guy pay wat he owe, da guy dat wen loan um, he give back da ting right den an dea. He no rip off nobody. He share his food wit da guy dat stay hungry. He share clotheses wit da naked guy.

⁸ He no loan money fo him get plenny mo money back, o take extra money on top dis. He hold back his powa fo do stuff dat no stay pono. Wen he judge, he make same same to erybody.

⁹ ✧ He stick wit wat me Da One In Charge tell. He do wat my rules tell um fo do. Dat kine guy do wass right. He goin get da real kine life fo shua. Az wat me Da One In Charge, da Boss, tell.

¹⁰ “Wat if dat guy dat stay do wass right, get one boy dat like bus up eryting. He kill peopo, an do dese odda kine bad kine tings to his braddahs,

¹¹ (no matta da faddah neva do um): Dat mean, da boy eat sacrifice meat fo da odda gods, in da sacrifice places on top da mountains. He fool aroun an make pilau da wife a his fren.

¹² He do bad kine tings to da peopo dat no mo notting, az da ones dat need help. He rip off peopo too. Wen he loan money an keep someting da odda guy own fo make shua da guy pay um back, den wen da odda guy pay wat he owe, dis guy no give back da ting right den an dea. He trus da idol kine gods. He do pilau kine stuff.

¹³ He loan money fo him get plenny mo money back, o he take extra money on top dis. You tink dat kine guy goin get da real kine life, o wat?! No ways! He no goin get da real kine life! Cuz he do all dat pilau kine stuff, he goin bleed an mahke fo shua, an he goin get da blame fo da kine stuff he wen do.

¹⁴ “But you know wat?! Maybe dat boy goin get one boy dat see all da bad kine stuff his faddah do. But no matta he see um, he no do bad kine stuff:

¹⁵ He no eat da meat from da sacrifice places on top da mountains. He no trus da idol kine gods dat da Israel ohana peopo pray to. He no fool aroun an make pilau da wife a his fren.

¹⁶ He no do bad kine tings to nobody. Wen he loan money, he no keep someting da odda guy own fo make shua da odda guy pay um back. He no loan money fo him get plenny mo money back, o take extra money on top dis. He no rip off nobody. He share his food wit da guy dat stay hungry. He share clotheses wit da guy dat no mo clotheses.

¹⁷ He hold back his powa fo hurt da peopo dat no mo notting. He no loan money fo him get plenny mo money back. He stick wit wat I tell um fo do, an live how my rules tell fo live. Dat kine guy no goin get cut off from me fo da bad kine stuff his faddah wen do. Fo shua he goin get da real kine life!

18 But his faddah goin get cut off ony fo da bad kine stuff he wen do cuz he get plenny extra money from wat he wen loan. He rip off his braddah, an do da wrong kine ting to his peopo.

19 "But you guys tell, 'How come da boy no get punish fo da bad tings his faddah wen do?' Cuz da boy do da right kine stuff, an make shua fo do wat I tell, dat one goin get da real kine life fo shua.

20 ✨Da guy dat do da bad kine stuff, ony him da one goin get cut off from me. Da boy no get da blame fo wat his faddah wen do. An da faddah no goin get da blame fo wat his boy wen do. Da guy dat do wass right, God goin give um credit fo dat. But da guy dat do wass bad, God goin tell da guy get da blame fo dat.

21 "But if somebody dat do wass bad walk away from all da bad kine stuff he wen do, an stay do all da right kine stuff dat I tell, an judge da right way, dey goin get da real kine life fo shua. Dey no goin get cut off from me.

22 I goin foget da bad kine stuff dey wen do befo time. Cuz dey wen do da right kine stuff, dey goin get da real kine life.

23 "You guys tink I stay good inside wen somebody dat do bad kine stuff get cut off from me, o wat?! No ways! Mo betta, me, Da One In Charge, da Boss, stay good inside wen dey walk away from da way dey wen live befo time. Cuz a dat, dey get da real kine life.

24 But maybe somebody dat do da right kine stuff walk away from do da right kine stuff, an no do wass pono cuz dass da same pilau kine stuff dat da bad kine guys do. You guys tink dat da buggah goin get da real kine life, o wat?! No ways! I goin foget da good kine stuff he wen do befo time. Wat he do now, I no can trus da buggah! Cuz he do bad kine stuff, he goin get cut off from me!

25 "But you guys tell, 'Da way da Boss do stuff, az not pono!' Lissen, you Israel ohana peopo: You guys tink da way I do stuff, not pono? O you da ones dat stay do wass not pono!

26 Maybe somebody dat do da right kine stuff walk away an go do bad kine stuff. Kay den, da buggah goin get cut off from me cuz a dat cuz dey wen do bad kine stuff.

27 An maybe one bad kine guy goin walk away fo do bad kine stuff. Maybe da guy goin make up his mind fo do wass right an pono. Den dat guy, he goin get da real kine life an he no goin get cut off from me.

28 Cuz he see all da bad kine stuff he wen do agains God an walk away from all dat, he goin get da real kine life fo shua. He no goin get cut off from God foeva.

29 But da Israel ohana peopo tell, 'Dass not pono, da way da Boss do stuff!' You Israel ohana guys tink wat I do not pono, o wat?! Eh! Da way you guys stay do stuff, az not pono!

30 "Eh! You Israel ohana peopo! Az why me, Da One In Charge, da Boss, goin be da judge fo all you guys fo how you ack. Dis wat me Da One In Charge, da Boss, tell: Walk away from all da bad kine stuff you guys do agains me! Make shua all da stuff you guys do dat stay wrong, no goin make you come wipe out!

31 Throw out all da bad kine stuff you guys wen do agains me awready! Go put inside you one new kine heart an one new kine attitude! Eh! You Israel ohana peopo! You guys no need come cut off from God, you know!

³² Cuz I no stay good inside wen somebody dat do bad kine stuff come cut off from me! Az why mo betta you throw out da bad kine stuff an get da real kine life! Az wat me, Da One In Charge, da Boss, tell!”

Sad Song Fo Da Israel Prince Guys

- ¹ “Eh Ezekiel! Go sing one sad song fo da Israel prince guys.
² Tell dis:
 “ ‘Wat kine muddah you Judah guys get?!
 Yoa muddah, jalike one lion wahine,
 Dat live wit da odda lions.
 She take kea her bebes till dey grow up.
³ Da muddah, she pick one a her bebes fo teach um stuff.
 He grow up an come one strong lion,
 An he learn how fo rip up da animals he kill,
 An he eat up peopo too.
⁴ Da odda peopos hear bout um,
 An dey trap him down inside one deep hole dey wen dig.
 Dey tie um up an take um
 To da Egypt land.
⁵ “ ‘Wen da muddah see wat she stay wait fo
 No goin happen,
 She take anodda bebe,
 An teach him fo come one strong lion.
⁶ He come da leada ova all da odda lions
 Cuz he strong.
 He learn how fo rip up da animals he kill,
 An he eat up peopo too.
⁷ He bus up da towns dat get strong wall in da nations aroun dea,
 An wipe out da odda towns aroun dem.
 All da peopo inside da land
 Come real sked wen he make noise.
⁸ Den da odda peopos attack him,
 Da ones from da countries aroun dea.
 Dey lay dea net fo catch um,
 An dey trap him down inside one deep hole dey wen dig.
⁹ Dey tie um up
 An pull um inside one cage
 Fo bring um by da Babylon king.
 Dey put um inside one prison ova dea,
 So no can hear his voice one mo time on top da Israel mountains.
¹⁰ “ ‘Yoa muddah jalike one grape plant inside yoa grape farm.
 She grow by da watta.
 She get plenny fruits an plenny branches
 Cuz get plenny watta ova dea.
¹¹ Da branches come real strong—
 Strong enuff fo make da kine stick
 Dat da king guys carry fo show dat dey king.
 Stay tall wit plenny leafs.
 Can see um cuz mo tall den all da odda grape plants

An cuz get choke plenny branch.
 12 But da plant get pull out cuz somebody plenny huhu,
 Dey throw um down on top da groun.
 Da hot wind from da boonies make um come dry
 An make da fruits fall down.
 Da strong branches come dry
 An da fire burn um up.
 13 Now, dat grape plant stay grow inside da boonies,
 On top dry groun wea no mo watta.
 14 Da fire go from one a da main branches
 An burn up all da fruits.
 No mo strong branch on da plant
 Dat can use fo make da kine stick dat one king carry fo show he da
 king.' ”
 Dis one sad song, an da peopo suppose to sing um wen dey stay sad.

Da Israel Peopo Go Agains God

1 Da numba seven year dat us guys stay prisonas Babylon side, August 14,
 da older leadas fo da Israel peopo come by me fo find out wat Da One In
 Charge tell. Dey sit down in front me.

2 An get one message from Da One In Charge fo me tell um. He tell:

3 “Eh! Fo Real Kine Guy! Tell da older leadas fo da Israel peopo: Dis wat
 me Da One In Charge, da Boss, tell: You guys stay come by Ezekiel fo find
 out wat I tell, aah? Fo shua I stay alive, an fo shua I no goin tell you guys
 notting wen you aks me stuff. Az wat me Da One In Charge, da Boss, tell.

4 “Eh! Fo Real Kine Guy! Go judge dem fo wat dey wen do. Make shua
 dey know was pilau, da kine stuff dea ancesta guys wen do.

5 ✨Tell um: Dis wat Da One In Charge, da Boss, tell: Da time I wen pick
 da Israel peopo fo come my peopo, I put up my right hand an make one
 strong promise to da Jacob ohana. Wen I wen show up fo da peopo see me
 befo dey leave da Egypt land I tell um, ‘Me, Da One In Charge, I da God fo
 you guys!’

6 Dat day I make one strong promise to dem: ‘I goin bring you guys outa
 Egypt fo go one land I wen pick fo you. Az one land dat get plenny milk
 an honey, da mos beautiful land from all da odda lands.’

7 An I tell um, ‘All you guys, throw out all yoa horraz kine idol gods you
 guys like look at. No come pilau wit da idol kine gods from Egypt. Do dis,
 cuz az me, Da One In Charge, yoa God!’ ”

8 But dey wen go agains me an no like lissen me. Dey no throw out all
 dea horraz kine idol gods dat dey like look at. An dey no bag from da idol
 kine gods from Egypt. So I tell dat I goin show how mad I stay agains dem,
 an pay dem back befo dey leave da Egypt land.

9 But fo keep my good rep, I make shua da odda peopos aroun dem no
 give me one bad rep. Cuz dose odda peopos see wat I do, da time I let da
 Israel peopo see me an I bring um outa Egypt.

10 Az why I bring dem outa Egypt an make um go inside da boonies.

11 ✨I tell dem wat dey gotta do, an make shua dey know wat I tell um
 bout wass right an wass wrong. Cuz whoever lissen my rules, dey goin stay
 alive if dey do um.

12 ✨ An I give dem da days dat stay spesho fo me too fo stay jalike one sign fo dem an fo me. Make shua dey no foget was me, Da One In Charge, wen make da days spesho fo me.

13 But da Israel ohana wen go agains me inside da boonies. Dey no live da way I tell um dey gotta live, an dey bag from wat I tell um bout wass right an wass wrong. Cuz whoeva lissen my rules, dey goin stay alive if dey do um. An da Israel ohana guys make all my Res Days come real pilau. So I wen tell dat I goin stay huhu wit dem an wipe um out ova dea inside da boonies.

14 But cuz I get one good rep, az why I make shua da odda peopos aroun dem no give me one pilau name. Cuz dose odda peopos see wat I do, da time I bring da Israel peopo outa Egypt.

15 ✨ An I do anodda ting too. Inside da boonies I wen make one strong promise dat no way I goin bring dem inside da land I wen give dem, one land dat get plenny milk an honey, da mos beautiful land from all da odda lands.

16 Az cuz da Israel ohana guys bag from wat I tell um bout wass right an wass wrong, an dey no live da way I tell um dey gotta live. Dey make all my Res Days an all da odda days dat stay spesho fo me come real pilau cuz dey like stay tight wit dea idol kine gods.

17 But wen I see how dey stay, I tell, "Pooa ting!" Az why I no wipe dem out inside da boonies.

18 Inside da boonies, I tell dea kids, "No stick wit da rules yoa faddah guys wen make! No stick wit da tings dey tell you bout wass right an wass wrong! No go come pilau wit dea idol kine gods!"

19 Me, I yoa God, Da One In Charge. Stick wit da rules I wen make, an wit wat I tell you guys bout wass right an wass wrong.

20 Make da days dat stay spesho fo me, come real spesho fo you, fo dem be jalike one sign fo tell dat me an you stay tight wit each odda. Den you goin know dat me Da One In Charge, I yoa God.

21 "You know awready, dat whoeva lissen wat I teach, dey goin get da real kine life wen dey do um. But even da kids go agains me. Dey no follow da rules I wen make. Dey no live da way I wen tell you guys fo live. Dey no follow wat you tell um bout wass right an wass wrong. An da kids make da days dat stay spesho fo me come pilau. Az why I wen tell dat I goin show how mad I stay agains dem. Cuz a eryting dey do, dat time I stay ready fo wipe um out ova dea inside da boonies.

22 But I neva do all dat cuz I get one good rep. Az why I make shua da odda peopos aroun dem no give me one pilau name cuz a who me. Cuz dey see wat wen happen wen I bring da peopo outa Egypt.

23 ✨ An I wen make one strong promise inside da boonies dat I goin scatta dem all ova wea da odda peopos live.

24 I tell um dat cuz dey no lissen wat I tell um bout wass right an wass wrong fo dem do. Dey bag from my rules. Dey make da days dat stay spesho fo me come pilau, an dey tink ony bout da idol kine gods dea faddah guys wen pray to.

25 Was me, Da One In Charge, dat let um follow da rules dat stay no good, an live da way dat no goin work. But dey no can live lidat.

26 I make dem come pilau from all da tings I wen give dem. Az why dey kill dea firs bebe, an burn up da body fo make one sacrifice. Cuz a dat, dey

goin tink how horraz dey ack, an know dass me, Da One In Charge, dat do dat to dem.

²⁷ “Eh! Fo Real Kine Guy! Az why you gotta tell da Israel peopo dis: ‘Dis wat Da One In Charge, da Boss, tell: Ova an ova, yoa ancesta guys wen talk bad bout me. Da way dey ack, I no can trus dem!

²⁸ I wen bring dem inside da land dat I wen make one strong promise fo give dem. But den, erytime dey see one high hill o one tree wit plenny leafs, dass wea dey make dea sacrifices dat make me come huhu. Dass wea dey put out dea stuffs dat smell nice an make you feel good. Dey pour out dea drink sacrifice dea too.’

²⁹ Den I tell dem: ‘Wat dis sacrifice place on top da hill wea you guys stay go?’ ” (Dey still yet call um “Da Sacrifice Place.”)

God Judge Dem An Bring Dem Back

(2 Corint 6:17)

³⁰ “Az why you gotta tell dis to da Israel ohana peopo: ‘Dis wat me Da One In Charge, da Boss, tell: You guys goin come pilau inside jalike yoa ancesta guys, o wat?! You goin like fool aroun wit dea real bad kine idol gods too, o wat?!

³¹ Wen you guys give yoa gifs, da one wea you kill yoa bebes an burn up dea body fo make one sacrifice, dat mean, you guys still yet come pilau inside cuz a all yoa idol kine gods! You Israel ohana peopo tink I goin let you guys come in front me fo aks me fo tell you wass goin happen? No way! Fo shua I stay alive, an fo shua, no way I goin let you guys come in front me fo aks me wass goin happen! Az wat me, Da One In Charge, da Boss, tell.

³² “ ‘You guys tell, “We like come jalike da odda peopos from all da diffren lands. Us guys like work fo da idol kine gods dat dose peopo make from wood an stone.” But wat you tink goin happen, no ways goin happen!

³³ Me, Da One In Charge, da Boss, tell dis: Cuz me Da One In Charge, fo shua I goin be da king ova you Israel guys, wit one strong hand, an plenny powa, an I goin show dat I stay huhu.

³⁴ Cuz I show how made I stay agains da odda peopos, I goin use my powa fo hemo you guys from wea you stay. I goin bring you guys togedda from all da lands wea you guys stay scatta.

³⁵ I goin bring you guys one far place inside da boonies wea da odda nations no can do notting fo make you guys come back by dem. An ova dea, I goin face you guys an show dat you do wass wrong an punish you.

³⁶ Jalike I wen show yoa ancesta guys dat dey do wass wrong, an punish dem inside da Egypt boonies, az how I goin show dat you guys do wass wrong an punish you too.

³⁷ Jalike one sheep guy make ery sheep walk unda his stick fo see if he da owna o not, I goin make shua you my guys wen you go unda my stick. I goin know wat ones mines an make dem come tight wit da deal I wen make wit you guys.

³⁸ I goin throw out yoa peopo dat go agains me an bag from da deal you guys get wit me. No matta I bring dem outa da land wea dey stay prisonas, dey still yet no goin go inside da Israel land. Den you guys goin know dass me Da One In Charge dat do dat.

³⁹ “ ‘An fo you Israel ohana peopo, dis wat me Da One In Charge, da Boss, tell: All you guys go work fo yoa idol kine gods if you like! But fo shua, bumbye, you guys goin lissen me. I get one good rep cuz I stay good an

spesho, an you guys no goin give me one pilau rep no mo wit yoa idol kine gods an da gifs you give um.

⁴⁰ Me, Da One In Charge, da Boss, tell dis too: Ony get one place wea all da Israel ohana peopo come togedda fo do stuff fo me. Az on top da main Israel mountain, da one dat get da Temple on top fo show I good an spesho. Cuz on top my spesho mountain, ova dea inside da Israel land, all da Israel peopo goin work fo me. Dass da place wea I goin tell dat dey my peopo. Ova dea I goin tell you guys fo make sacrifices an give nice gifs, an make sacrifices dat goin be spesho fo me.

⁴¹ I goin see you guys az my guys, jalike I see da good smell incense dass fo me. I goin do dat wen I bring you guys togedda wen you bag from da odda peopos an come outa dea lands wea you guys stay scatta. An I goin show dat I stay good an spesho fo you guys, fo all da odda peopos see wat kine god me.

⁴² Den you guys goin know dass me Da One In Charge do dat, wen I bring you guys inside da Israel land. I wen make one strong promise fo give dat land to yoa ancesta guys.

⁴³ Wen you guys come ova dea, you no goin foget how you guys wen live, an all da real bad tings you guys wen do fo come pilau. Den you guys goin come all bum out cuz a all da bad kine stuff you guys wen do.

⁴⁴ You Israel ohana guys wen do wass wrong an do da bad kine stuff dat jam you up plenny! Still yet, you guys goin know dass me Da One In Charge dat make good to you guys cuz I no goin make bad to you. Cuz I like erybody know wat kine god me, az why I goin let you guys go. Az wat me, Da One In Charge, da Boss, tell.' "

Ezekiel Talk Bad Bout Da South

⁴⁵ Get dis message fo me from Da One In Charge:

⁴⁶ "Eh! Fo Real Kine Guy! Look at da south side. Talk bad bout da south. Tell wat goin happen to da stuff dat grow ova dea.

⁴⁷ Tell da trees dat grow in da south side: 'Lissen wat Da One In Charge, da Boss, tell: You know wat?! I almos ready fo start one fire on you dass goin burn you all up, green trees an dry trees same same. An da fire no goin pio, an ery tree from da north side to da south side goin burn down.

⁴⁸ Erybody goin see dass me Da One In Charge wen make da fire dat no goin pio.' "

⁴⁹ Den I tell, "Eh! Da One In Charge, da Boss! Da peopo talk lidis bout me. Dey tell, 'He ony tell da kine stories dat make him look smart but no mean notting!'" "

21

Babylon Jalike God Sword

¹ Get anodda message from Da One In Charge fo me:

² "Eh! Fo Real Kine Guy! Face Jerusalem town an tell da peopo ova dea dat I stay agains da places ova dea dat stay spesho fo dea odda gods! Tell um dat me Da One In Charge stay agains da Israel land!

³ Tell da peopo dat live inside da Israel land: 'Dis wat Da One In Charge tell: I stay agains you guys. I goin take my sword outa da sword bag, an cut off da peopo dat do da right kine stuff, an da peopo dat do da bad kine stuff too.

⁴ An cuz I goin cut off yoa good peopo an yoa bad peopo, dat mean my sword goin come outa da sword bag fo cut off erybody from da south side to da north side.

⁵ Den erybody goin know dass me Da One In Charge, da one wen take out my sword, an I no goin put um away till I pau.'

⁶ "Eh! Fo Real Kine Guy! Az why you gotta moan fo da peopo see you. Show um you wen come all bus up inside an stay suffa real bad.

⁷ Wen dey tell, 'How come you stay moaning?' you goin tell, 'I stay moaning cuz a da bad kine stuff I stay hear. Erybody goin lose fight. Dea hands goin come weak. Inside, dey all goin give up, an dey goin piss dea pants cuz dey sked. Bad kine stuff goin happen fo shua!' " Az wat me Da One In Charge, da Boss, tell.

⁸ Den Da One In Charge tell me:

⁹ "Eh! Fo Real Kine Guy! Talk fo me to da peopo. Tell um, 'Dis wat Da One In Charge tell:

" 'I get one sword!

One sword I wen make sharp an polish real good!

¹⁰ Da sword stay sharp fo kill plenny peopo.

An stay polish fo flash jalike da lightning.'

" 'Da Judah peopo no can feel good bout dis, cuz my sword no respect da spesho stick da Judah king carry fo show he da king.

¹¹ " 'Dis one sword somebody can polish

An somebody can grab um fo use um.

You know how come stay all sharp an polish lidat?

Cuz dass fo kill peopo!'

¹² " 'Eh! Fo Real Kine Guy! Yell an make big noise!

Cuz da killa guy goin use dat sword agains my peopo.

An all da leadas fo da Israel peopo goin get kill too.

Az why you gotta poun yoa ches

Fo show you stay bum out an sore inside.

¹³ " 'Cuz da killa guy goin challenge erybody wit da sword. An if da guy wit da sword no give a rip bout da stick da Judah kings carry, dass how goin be, you know! Az wat me Da One In Charge, da Boss, tell.

¹⁴ " 'Eh! Fo Real Kine Guy! So den, talk fo me.

Clap yoa hands togedda.

Let da sword wack peopo

Two-three time.

Az one sword fo kill,

One sword fo kill choke plenny peopo.

No can figga wea da buggah come from!

¹⁵ Dis goin happen fo erybody come sked,

An plenny peopo goin mahke.

I put da guy wit da sword in da place fo kill plenny peopo

By all da town gates.

Bummahs fo dem! I make da sword shine jalike da lightning!

Da guy grab um fo kill peopo.

¹⁶ Tell da killa guy fo swing da sword to da right side,

An den to da lef side,

Wea eva he like swing um.

¹⁷ Me, Da One In Charge, goin clap my hands togedda too

Fo tell da killa guy fo use da sword.

An den, I goin tell um res,

Cuz den I no goin stay huhu no moa.

Az me Da One In Charge wen tell all dis.' "

Da Sign Fo Da Babylon King

¹⁸ Den dis message come to me from Da One In Charge. He tell me:

¹⁹ "Eh! Fo Real Kine Guy! Make one map fo show two roads dat da Babylon king an his guys wit swords can take. Da two roads start togedda from da same land. Make one sign dat poin wea da roads split an one a dem go da big town ova dea.

²⁰ Go mark one road wea da guys wit swords can take fo attack Rabbah an da Ammon peopo. Mark da odda road wea da guys wit swords can take fo attack Judah an da strong wall aroun Jerusalem.

²¹ Cuz da Babylon king goin stop wea da two roads split fo hear from his gods wat one fo take. He goin make one kahuna kine ceremony fo find out wea fo go—drop arrows from his arrow bag an see how dey fall, aks da small kine idol gods he bring wit him wat fo do, an kill one animal fo see wat da liver tell.

²² Da ansa come fo take da right side road, cuz dat mean 'Go Jerusalem! Make big kine wagons fo swing da big tree trunks fo bus down da town gates an open um up! Tell yoa army guys fo kill erybody! Yell fo make sked da peopo you stay fighting! Put da wagons wit da big tree trunks fo smash da town gates! Pile up dirt by da town wall fo da army guys run ova da top! Build towas wit wheels fo da bow an arrow guys shoot down!'

²³ Da Jerusalem peopo goin tink dat no mean notting wen Nebukadnezzar make one kahuna kine ceremony wit arrows. Cuz dey awready make one strong promise fo stay tight wit da Babylon guys. But Nebukadnezzar, he goin make dem no foget dat dey get blame cuz dey neva do wat dey promise fo do, az why. Cuz a dat, he goin make dem prisonas.

²⁴ "Az why dis wat Da One In Charge, da Boss, tell: You guys make me no foget da blame you get cuz you go agains me. All da bad kine stuff you do ova an ova make me tink bout all dat. An cuz how you ack, I goin use my powa fo make you guys prisonas.

²⁵ "Eh! Zedekiah! You da prince ova da Israel peopo! But you one pilau crook! Now, yoa time stay come fo get punish. Dis mean, dis da end fo you!

³ Dey come hoaz inside Egypt. From young time, ova dea dey let da guys play wit dea breases an squeeze dea nipples.

⁴ Da older sistah get da name Oholah, an her sistah Oholibah. I wen marry dem, an dey born boys an girls. Oholah, she Samaria town, an Oholibah, she Jerusalem town.

⁸ She still stay fool aroun, jalike she was Egypt side wen she stay young. Da Egypt guys ova dea wen make sex wit her, an play wit her breases, an use her jalike one hoa.

⁹ Az why I give her to da guys dat make sex wit her, da Assyria guys dat she stay hot up fo.

¹⁰ Dose guys rip her clotheses fo make her come naked. Dey take away her boys an girls. Den dey kill her wit one sword. Afta dat, all da wahines know who her an make story bout her, an bout how she get punish.

¹⁵ Dey get belts aroun dea wais, an big turbans on top dea heads. Da pichas look jalike da officers fo da war wagons from Babylon, jalike dey born inside da Babylon land.

¹⁶ Wen she see da pichas, she come hot up fo da guys. So she sen messenja guys by dem inside da Babylon land.

¹⁷ Den da Babylon guys go by her fo lay down an make sex wit her. An cuz dey fool aroun lidat, dey make her come pilau. Afta dey wen fool aroun wit her an make her come pilau wit dem, she come all piss off wit dem.

¹⁸ “She fool aroun an go aroun naked fo erybody know she one hoa. So me Da One In Charge come piss off wit her, jalike I wen come piss off wit her sistah.

¹⁹ But she fool aroun mo an mo fo rememba how was wen she stay young an fool aroun inside Egypt.

Dey goin take yoa boys an girls fo come prisonas, an da ones dat still yet stay alive goin burn up in da fire.

²⁶ Dey goin strip off yoa clotheses an take yoa nice kine jewelry.

²⁷ Az why I goin stop all da shame kine stuff you do, an stop how you fool aroun fo money from da time you stay inside Egypt. You no goin even tink bout dat kine stuff, o rememba Egypt no moa.

²⁸ “Cuz dis wat me Da One In Charge, da Boss, tell: Fo shua I goin let da guys you hate take ova you, da guys you wen bag from cuz you come piss off wit dem.

²⁹ Dey goin come down hard on you cuz dey hate you. Dey goin take away eryting you wen work fo. Dey goin leave you naked, an show erybody how plenny shame you get wen you fool aroun fo money.

⁴¹ You sit on top one fancy kine bed. Get one table in front da bed wea you put da incense an da olive oil dat stay spesho fo me Da One In Charge.

⁴² “Get one party an can hear plenny peopo stay talking aroun her. Even get piloot guys somebody bring from da boonies. Dey put bracelets on top da arms a da wahine an her sistah an real nice crowns on top dea heads.

⁴³ Den I tell dis bout da wahine dat stay all tired cuz she fool aroun wit guys dat not her husban: ‘If dese guys like pay fo poke one ol hoa now, let um! Dass how she stay!’

⁴⁴ An dass wat dey do. Jalike wen guys poke one hoa, dose guys poke dose pilau wahines, Oholah an Oholibah.

⁴⁵ But get guys dat do da right kine stuff. Dey goin punish dose two big towns, Samaria an Jerusalem, jalike dey punish da wahines dat fool aroun behind dea husban back, an da ones dat make peopo bleed an mahke. Dose towns get da blame fo make lidat.

Az da place wea you guys feel proud, cuz you figga dat place goin proteck you, az da place you like da bestes, an az da place you get plenny love an aloha fo. But wen da Babylon guys make you guys prisonas an take you away, yoa boys an girls you no can take wit you, goin get kill wit swords!

I hold back da streams an da odda wattas dat tree drink. Cuz a dat, I make Lebanon come real bum out cuz all da fores trees come dry.

¹⁶ Wen da big tree fall down, da noise make all da peopos come sked. Dass how I make dem shake. Ezekiel Da Watcha Guy

¹ Get anodda message fo me from Da One In Charge:

² “Eh! Fo Real Kine Guy! Talk to yoa Israel peopo. Tell um dis: ‘Wen me, Da One In Charge, sen out one army fo attack one country, maybe da peopo inside dat country goin pick one a dea guys fo be one watcha guy fo dem.

³ Maybe he make lidis: He see da army stay coming agains his peopo. An den he blow da sheep horn trumpet fo tell da peopo watch out.

⁴ But maybe somebody hear da sheep horn trumpet, an no watch out, an den da army guys come an kill um. Da ones dat make deaf ear goin get da blame fo get kill.

⁵ Cuz dey wen hear da sheep horn trumpet, but make deaf ear, az why dey get da blame. If dey neva make deaf ear, fo shua dey was goin be safe, but dey neva lissen.

⁶ But maybe he make lidis: Da watcha guy see da army guys stay coming, an den he no blow da sheep horn trumpet! Den da peopo fo shua donno dey gotta watch out. An den da army guys goin come an kill somebody. Dat guy dey kill goin mahke cuz he wen do bad kine stuff, but az da watcha guy goin get da blame from me Da One In Charge cuz da ododa guy mahke.’

⁷ “An you, Fo Real Kine Guy—I give you da kuleana fo be da watcha guy fo da Israel peopo. So lissen up wat I goin tell, an tell um fo me, ‘Mo betta you guys watch out!’

⁸ If I tell one guy dat do real bad kine stuff, ‘Eh! You one real bad kine guy, an you goin mahke fo shua!’ An if you no tell him he betta change da way he live, dat bad kine guy goin mahke cuz he wen do bad kine stuff, but you goin get da blame fo dat.

⁹ But maybe he make lidis: If you tell him he betta change da way he live, an he no change, den he goin mahke cuz he do bad kine stuff, but you no goin get da blame fo dat.

¹⁰ “Eh! Fo Real Kine Guy! Tell da Israel peopo, ‘Dis how you guys talk: “Us go agains God plenny! Get plenny bad kine stuff us wen do! Az jalike get one big presha on top us dat stay eating us away cuz a all dat! How us goin stay alive, aah?” ’

How come you ack jalike you like mahke, you Israel peopo?!’

¹² “So you, Fo Real Kine Guy—you gotta tell yoa Israel peopo, ‘Da good kine stuff one good guy do, no goin get him outa trouble wen he go agains me Da One In Charge. An da bad kine stuff one bad kine guy do, no goin jam him up wen he turn his life aroun from wat he wen do befo time. If

¹³ But maybe da good kine guy make lidis: Afta me Da One In Charge tell um dat he goin stay alive fo shua, but den he figga da good kine stuff he wen do befo time enuff fo him stay alive. So den he go do bad kine stuff. But me Da One In Charge goin foget da good kine stuff he wen do befo time. He goin mahke inside cuz a da bad kine stuff he do now.

¹⁴ Maybe I tell one bad kine guy, 'You goin mahke inside fo shua!' But den he turn his life aroun from da bad kine stuff he wen do befo time, an now he do da good an right kine stuff.

¹⁵ O maybe he make lidis: He wen loan stuff to somebody an keep some a dea property fo make shua dey pay um back. But now he give back wat he keep. Dat guy goin stay alive fo shua. He no goin get cut off from me.

¹⁶ I goin foget da bad kine stuff he wen do. Now he stay do wass good an wass right. Dat guy goin live fo shua.

¹⁷ "But yoa peopo stay tell, 'Da way Da One In Charge do stuff dass not pono!' But dem da ones dat do stuff dass not pono!"

¹⁸ If one good guy turn aroun an no do good kine stuff, an do bad kine stuff, he goin mahke fo dat.

¹⁹ An if one bad guy turn aroun an no do bad kine stuff, an do good kine stuff, he goin live cuz a dat.

²⁰ But you Israel peopo tell, 'Da way Da One In Charge do stuff no stay pono.' But I goin judge all you guys, da way you guys do stuff."

Da Leada Guys No Take Kea Dea Peopo

¹ Anodda time get dis message from Da One In Charge fo me:

² "Eh! Fo Real Kine Guy! Go talk fo me agains da sheep guys inside Israel. Talk fo me, an tell um dis: 'Dis wat Da One In Charge, da Boss, tell: Ahanas you Israel sheep guys! Bad tings goin happen to you! Az cuz you guys feed ony you! Eh you sheep guys! You suppose to feed da sheeps an da goats!

³ You guys eat da sof cheese, you guys put on da wool kine clotheses, an you guys kill da bestes kine animals fo eat. But you guys no take kea da sheeps an goats!

⁴ You guys no make da weak animals strong, o make da sick animals come good, o wrap up da animals dat get hurt. You guys no bring back da animals dat no stay wit da oddas, o look fo da animals dat stay lost. You guys make dem do how you like, an you ack mean to dem.

¹⁹ You guys tink my sheeps an goats gotta eat wat you walk all ova, an drink da watta you wen make muddy, o wat?!

²⁰ “ ‘Az why dis wat me Da One In Charge, da Boss, tell da leada guys: Dis wat I goin do! Cuz you leada guys make jalike da momona sheeps, I da One goin judge da momona sheeps an da skinny sheeps fo see wat ones do wass right!

²¹ You momona sheep leadas push da weak sheeps hard wit yoa side an shoulda, an push um wit yoa horns, till you scatta dem far away.

²² Cuz a dat, I goin get my sheeps outa dea, so dat no mo nobody goin rip dem off no moa. I goin be da judge fo tell wen one sheep do wass right an anodda sheep do wass wrong.

Den he take me back by da edge a da riva.

7 Wen I go dea, I see plenny trees on da two sides a da riva.

⁸ Den he tell, “Dis watta go east, den go down inside da Arabah Valley, an from dea go inside da Big Salt Lake. An wen da watta from da Temple reach da Big Salt Lake, den da lake watta goin come fresh.

¹³ Nex to da pries guys land, da odda Levi ohana goin get one land eight an one third mile long, an six an two third mile wide.

¹⁴ No can sell o trade o give ova dat land, not even one small part. Az da bestes part a da land, so da odda peopo no can get um, cuz dat land stay spesho fo me Da One In Charge.

¹⁵ “Da odda part, one an two third mile wide, an eight an one third mile long, goin stay fo da regula peopo inside da big town, fo house an grass land fo da animals. Da big town goin stay inside da middo.

¹⁹ Da worka guys from da town dat grow food goin come from all da Israel ohanas.

²⁰ Da spesho land an da big town dat I stay talk bout goin be eight an one third mile square. Go make dis land spesho fo me.

²¹ “Da odda piece land, on da east an da west side mo far from da part dat stay spesho fo me an da big town part, all dat goin stay fo da prince. Goin go east from da eight an one third mile fo da spesho part all da way to da east borda a da Israel land, an go west from da eight an one third mile to da west borda a da Israel land. Daniel Talk Fo God

Daniel An His Frenz Babylon Side

¹ ✧ Da year numba three wen Jehoiakim stay da king fo Judah, da Babylon king Nebukadnezzar come Jerusalem. He put his army guys all aroun da town fo nobody come inside o go outside.

² ✧ Da Boss, Da One In Charge, let da Babylon guys catch Jehoiakim, da Judah king. An afta dey take ova Jerusalem, dey take some a da stuff from da Temple Fo God. Dey bring um Babylon side to dea temple fo dea god, an put um inside da store house fo all dea rich kine stuff.

³ Den da king tell Ashpenaz, da main guy dat stay in charge a all his palace peopo, fo bring him some a da Israel guys dat stay Babylon side from da Israel king ohana, an from da alii guys.

⁴ Ashpenaz suppose to bring young good looking guys dat no mo notting wrong wit dea body, an dat know how fo learn all kine stuff, an know plenny awready, dat can undastan stuff firs time, an smart fo work fo da Babylon king inside his palace. Ashpenaz gotta teach dem da Babylon language, an all da books dat guys wen write Babylon side.

⁵ Da king give Ashpenaz da kuleana fo make shua da guys he teach get food ery day from da king food. Dass da same kine food da king eat an da same kine wine he drink. Da teacha guys suppose to teach dem fo three year, an afta dat, dey get job fo work fo da king.

⁶ Some a da guys Ashpenaz wen pick come from da Judah ohana: Daniel, Hananiah, Mishael, an Azariah.

⁷ Ashpenaz give da Judah guys new kine name. He give dem Babylon kine name. To Daniel, he give da name Belteshazzar. He give Hananiah da name Shadrak. He give Mishael da name Meshak. An he give Azariah da name Abednego.

⁸ But Daniel, he make up his mind dat he no goin eat da kine food da king like him fo eat an drink da wine da king like him fo drink, cuz dass da kine stuff Da One In Charge make kapu fo his peopo. So Daniel tell da guy in charge fo no make him eat dat kine food.

⁹ God awready wen make Ashpenaz, da guy in charge, come tight wit Daniel, an he show him pity.

¹⁰ But da guy tell Daniel, "I sked a my boss da king, cuz he wen tell me wat kine food you guys gotta eat an wat fo drink. Bumbye he goin see you look mo worse den all da odda guys da same age as you. Den da king goin chop off my head cuz a dat."

¹¹ Den Daniel talk to da luna guy dat Ashpenaz wen put in charge a him, Hananiah, Mishael, an Azariah. He tell,

¹² "Try fo tes me an my frenz fo ony ten day. You da boss! Give us guys ony whole wheat an barley kine food fo eat an watta fo drink.

¹³ Den, afta da ten day, you come see how us guys look, an how da odda young guys look, da guys dat stay eat da king kine food. Den you can make to us guys how you like, from da way you see us."

¹⁴ So da luna guy do wat dey tell him, an give um da tes fo ten day.

¹⁵ Afta da ten day, da Israel guys look mo betta an mo strong, den da odda young guys dat eat da king kine food.

¹⁶ Cuz a dat, da luna guy take away da king kine food an wine from da Israel guys, an give um whole wheat an barley kine food.

¹⁷ God make da four young Israel guys know plenny bout any kine stuff, an undastan how come stay lidat. Dey learn plenny from books, an dey know wat fo do erytime. An Da One In Charge wen give Daniel spesho powa fo help peopo undastan all kine stuff peopo see in dea dreams, an in da tings dey see jalike one dream but dey no stay sleeping.

¹⁸ Da three year pau, dat King Nebukadnezzar wen give um. Den, da guy in charge a da palace peopo bring da young guys in front da king.

¹⁹ Da king talk wit all da young guys dat study togedda. He see dat from all dem, Daniel, Hananiah, Mishael, an Azariah stay mo smart den da odda guys. So da four guys wen start fo work fo da king.

²⁰ Wateva da king aks da young Israel guys, fo find out if dey know wat fo do erytime, an how come peopo do wat dey do, he find out dat dey know ten times mo den all da guys inside his whole Babylon land dat can tell wat da dreams mean, o dat can stop da bad kine tings dat happen to you wen somebody put kahuna on top you.

²¹ So Daniel stay work inside da palace, all da way till da year numba one wen Cyrus come da king fo Babylon.

2

Nebukadnezzar Get One Dream

¹ Da year numba two wen Nebukadnezzar stay king Babylon side, he get one dream, but he no can rememba wat he wen dream. Da dream bodda him, an he no can sleep good.

² So da king tell his helpa guys fo call dese guys fo come by him: da kahuna guys dat know how fo tell wat dreams mean, da kahuna guys dat know how fo stop da bad kine stuff dat happen to you wen somebody put kahuna on top you, an odda kahuna guys dat know how fo put kahuna on top you, an da Kaldea guys dat know how fo learn stuff from da stars. Dey suppose to know wat he wen dream. So dey come stan in front him.

³ Da king tell dem, "I wen get one dream. Dis bodda me real plenny, cuz I donno wat I wen dream."

⁴ Da kahuna guys tell da king in da Aramaic language, "You da King, an us like you live foeva! We yoa worka guys. Tell us da dream, an we goin tell you wat da dream mean."

⁵ Da king tell da kahuna guys, "I tell you guys dis fo shua. If you guys no can tell me wat I wen dream, an wat da dream mean, I goin tell my odda worka guys fo cut off yoa arms an legs, an make yoa house come one big rubbish pile.

⁶ But if you guys can tell me wat I wen dream, an wat da dream mean, I goin give you guys plenny stuffs, an show you guys plenny respeck in front da peopo. Az why I like you guys tell me da dream, an wat da dream mean."

⁷ Da kahuna guys tell one mo time, "You da king! Tell us guys da dream. Den we goin tell you wat da dream mean."

⁸ But da king tell um, "I know fo shua dat you guys stay trying fo make slow fo get mo time, cuz you know dat I no change wat I wen tell.

⁹ If you guys no tell me wat I wen dream, I goin punish all you guys da same way! You guys wen make one plan wit each odda, fo bulai me bout

dis dream, an trick me, cuz you figga dat bumbye I goin change my mind. Az why now you guys gotta tell me wat I wen dream! Den fo shua I goin know dat you guys can tell me wat da dream mean too.”

¹⁰ Da Kaldea guys dat know how fo learn stuff from da stars tell da king, “No mo nobody in da world dat can tell you wat you like fo know. No mo anodda king, big o strong, eva wen make his guys tell wat he dream befo. He no even tell da kahuna guys dat know wat dreams mean fo tell um dat. Same ting fo da kahuna guys dat can stop bad kine stuff dat can happen wen somebody put kahuna on top you, o da ones dat learn stuff from da stars.

¹¹ Wat you, oua King, stay aks us fo do, too hard! No mo nobody can tell you wat you like know. Ony da gods can do dis, an dey no live wit da peopo.”

¹² Dat wen make da king come real huhu, wat da smart guys tell him. He tell his helpa guys fo kill all da smart guys inside Babylon.

¹³ So da King tell his guys wat fo do. Dey make ready fo go kill all da smart guys inside Babylon. Da Babylon guys wen go look fo Daniel an his frenz fo kill dem too!

¹⁴ But den, Daniel go talk wit Aryok. He da main leada fo da king bodyguards, da ones dat kill da prisonas dat da king like kill. He stay ready fo go out fo kill all da smart guys inside Babylon, wen Daniel talk to him. Daniel know how fo help peopo figga, an he pick da bestes way fo talk to Aryok.

¹⁵ He tell Aryok, “Sir, you da one work fo da King. How come dis bad ting you goin do to da smart guys come from da King?” So Aryok tell Daniel wat wen happen.

¹⁶ Wen Daniel hear dis, he go inside wea da king stay. Daniel tell da king fo wait, fo him tell da king wat da dream mean. An da king tell okay.

¹⁷ Den Daniel go home his house. He tell his frenz Hananiah, Mishael, an Azariah wat wen happen.

¹⁸ Daniel tell dem fo pray to God Inside Da Sky fo give dem chance an show dem da secret a da dream, fo Daniel an his frenz no get wipe out wit da odda smart guys inside Babylon.

¹⁹ Dat nite, Daniel wen see someting jalike one dream, an God wen show him da secret. Den Daniel tell God Inside Da Sky “Mahalo plenny!” cuz he do good tings fo him.

²⁰ Daniel tell,

“I goin talk good bout God all da time!

He know wat fo do erytime,

An he get powa!

²¹ He change wass goin happen,

Now an bumbye.

He make some kings come solid,

An throw out some odda kings.

Da guys dat know wat fo do erytime,

He make um know even mo betta wat fo do.

Fo da guys dat undastan stuff,

He make um know even mo plenny.

²² He show um secret kine stuff

Dass hard fo undastan.

He know wat stay inside da dark places,

Cuz he da One da light come from.

23 You da God fo me an my ancesta guys.
 I like tell you 'Mahalo plenny,'
 An tell good tings bout you.
 Cuz you help me know wat fo do erytime,
 An you give me powa.
 Wen we aks you fo tell us wat da king wen dream,
 You tell us guys bout wat he wen dream."

Daniel Tell Wat Da Dream Mean

24 Den Daniel go by Aryok. He da guy da king wen give da job fo kill all da smart guys inside Babylon. Daniel tell Aryok, "No kill da smart guys inside Babylon! Take me by da king, an I goin tell him wat his dream mean."

25 Right den an dea Aryok take Daniel by da king an tell, "King, I find one guy from da peopo you wen bring hea from Judah. He can tell you wat yoa dream mean."

26 Da king tell Daniel, dat get da Babylon name Belteshazzar, "You shua you can tell me wat I wen see inside my dream, an tell me wat da dream mean, o wat?!"

27 Daniel tell, "No mo nobody can tell you dis ting you stay aks bout. Not even da smart guys, an da kahuna guys dat know how fo stop da bad kine stuff dat can happen to you wen somebody put kahuna on top you, o dat know how fo tell wat one dream mean, o dat look at da animal guts wen dey kill um fo make sacrifice, fo dem find out wass goin happen bumbye.

28 But, get one God inside da sky dat make peopo know da secret tings. King Nebukadnezzar, God wen make you know awready wat goin happen bumbye. Now, I goin tell you wat you wen dream, an tell all da pichas dat you wen see in yoa head wen you lay on top yoa bed.

29 "You, my King, wen you stay lay dea, you start fo tink bout wat goin happen bumbye. But God, he da One dat make peopo know da kine stuff dat stay secret. An he wen show you wat goin happen.

30 An was to me dat God wen show da secret awready fo wat da dream mean. He no do dis cuz I mo smart den any odda guy dat stay alive. He do dis fo you, da king, know wat da dream mean. Den you can undastan wat you wen see inside yoa head.

31 "You, my King, wen see someting inside yoa dream. You see right in front you, one big statue! Da buggah real mangus an shiny, an look real skery.

32 Da head, all gold. Da ches an arms, silva. Da opu part an da thighs, bronze.

33 Da odda part a da legs, iron. Da feets, get one part iron an da odda part clay dat dey bake inside da oven.

34 "Wen you stay look da statue, one mangus rock wen broke off from one mountain. But no mo nobody wen make um broke off! Da rock fall down, hit da statue on top da iron an clay feets, an smash um up, small pieces.

35 Den, da iron, da clay, da bronze, da silva, an da gold wen broke same time, all small pieces, jalike da junk kine stuff dat fall down on top da groun wea dey split da wheat from da junk kine stuff summa time. An da wind blow um all away, so no mo notting dea. But da rock dat wen smash da statue, come one big mountain, an fill up da whole world."

36 Daniel tell da king: "Dass wat you wen dream. Now, I can tell you wat da dream mean.

³⁷ King Nebukadnezzar, you da king ova all da odda kings. God Inside Da Sky, he da One wen make you king, an give you da powa, an make you strong, an make erybody get respeck fo you.

³⁸ He wen give you powa ova all da peopo, an da animals inside da fields, an da birds inside da sky. Wea eva dey stay, he make you da boss ova all dem. You jalike da gold head on top da statue.

³⁹ “Afta you, anodda kine govmen goin come, not awesome like yoas. Afta dat, anodda kine govmen, numba three, goin come. Dey da bronze part a da statue. Dey goin get powa ova da whole world too.

⁴⁰ Den, da numba four kine govmen goin come. Dey goin be strong jalike da iron, cuz iron can broke eryting an make um come small pieces. An jalike da iron, dese govmen guys goin smash all da odda govmen dat come befo dem.

⁴¹ You wen see dat da feets an da toes was part clay dey wen bake um, an part iron. Dat mean, da peopo dat stay unda da numba four kine govmen, dey no goin stay togedda. But still yet, dey goin be strong, jalike da iron dat stay mix wit da clay.

⁴² Jalike da toes stay one part iron an one part clay, so dis govmen goin be litto bit strong, an da odda part easy fo broke.

⁴³ Da diffren peopos goin marry each odda, all mix up togedda, but dey no goin stick togedda real good. Az jalike you wen see dat da iron mix wit da clay no stay togedda.

⁴⁴ “Da time numba four kine govmen get powa, God Inside Da Sky goin set up anodda kine govmen. Dat govmen, no goin come wipe out eva, an odda peopo no goin get um. Dey goin smash all da odda kine govmen, so dey no mo powa. An dat govmen, goin stay solid foeva.

⁴⁵ Dass wat da big rock you wen see mean. But nobody wen broke dat rock outa da mountain—da rock dat broke da iron, da bronze, da clay, da silva, an da gold, in small piece.

“Da mos importan God wen let you, da king, know wat goin happen bumbye. Da dream stay true, an you can trus wat I tell you bout da dream.”

⁴⁶ Den King Nebukadnezzar go down an put his face on top da groun in front Daniel, an show him respeck. He tell his guys fo give wheat an barley an incense to Daniel, fo Daniel make one sacrifice to God.

⁴⁷ Da king tell Daniel, “Fo shua yoa God stay da God ova all da odda gods, an da Boss ova us king guys. He da One dat show wat tings mean dat stay secret cuz you wen tell wat dis dream mean.”

⁴⁸ Den da king wen make Daniel one real importan guy an give him plenny present. He make Daniel da main leada guy ova all da Babylon districk, an put him in charge a all da smart guys Babylon side.

⁴⁹ Daniel tell da king fo make Shadrak, Meshak, an Abednego come wit him fo help him take kea da Babylon districk. An Daniel stay nea da king.

3

Da Gold Statue An Da Hot Fire

¹ King Nebukadnezzar wen tell his guys fo make one gold kine statue, ninety feet tall an nine feet wide. Den he tell um, put um up on top Dura wea stay flat.

² Den King Nebukadnezzar sen messenjas fo call all da guys dat run da odda countries afta he take um ova—da importan territorial leada guys, dea helpa guys, an da territorial govna guys. He call da guys dat talk wit

him bout wass good fo him do, an da guys dat take kea da rich kine stuffs da king get, da judge guys, an da lawyas. Da king make all da govmen guys come togedda fo one ceremony fo show he pau make da statue.

³ So dey all stay come fo da spesho ceremony fo da statue King Nebukadnezzar wen put up, an dey stan in front da statue.

⁴ Den one guy dat talk fo da king talk wit one loud voice: “Dis wat all you diffren peopos gotta do, from ery country, an ery language.

⁵ Wen you guys hear da soun from da trumpet, da flute, da bass harp, da small harp, da local kine harp, wen dey play all da instrument togedda, right den an dea you guys gotta go down on top da groun fo show respeck fo da gold statue dat King Nebukadnezzar wen put up.

⁶ Whoeva no go down on top da groun an show respeck, right den an dea da king guys goin throw dem inside one real hot fire jalike one big oven.”

⁷ Wen da time come, all da diffren peopos from ery country an ery language hear all da kine music. Dey all go down on top da groun an show respeck fo da gold statue dat King Nebukadnezzar wen put up.

⁸ So, wen dat happen, some a da Kaldea guys dat know how fo learn stuff from da stars come an poin finga da Jews.

⁹ Dey tell da king, “King Nebukadnezzar, we like you live foeva!

¹⁰ King, you da one dat make da rule, dat wen erybody dat hear da kine music, dey gotta go down an show respeck fo da gold kine statue.

¹¹ An dat whoeva no go down on top da groun an show um respeck, yoa guys goin throw dem inside one real hot fire jalike one big oven, aah!

¹² But get some Jews dat you wen put ova da govmen fo da Babylon districk—Shadrak, Meshak, an Abednego, dat no lissen you, King Nebukadnezzar. Dey no mo respeck fo yoa gods, an dey no show respeck fo da gold statue dat you put up.”

¹³ Wen King Nebukadnezzar hear dat, he come real huhu, an tell his guys go bring Shadrak, Meshak, an Abednego by him. So his guys bring da three a dem in front da king.

¹⁴ King Nebukadnezzar tell dem, “Shadrak, Meshak, an Abednego! Az true? You guys wen make one plan fo do dis, o wat?! You guys no mo respeck fo my gods, fo no go down an show respeck fo da gold kine statue I put up?!

¹⁵ Now, wen you guys hear da soun from da music one mo time, if you guys stay ready fo go down an show respeck fo da statue dat I wen put up, az good. But if you guys no go down in front um, my guys goin throw you guys inside da real hot fire inside da big oven. Den wat kine god goin help you guys get outa my powa, aah?! No way!”

¹⁶ Den Shadrak, Meshak, an Abednego tell da king, “King Nebukadnezzar, us guys no need tell you notting fo get outa dis.

¹⁷ If yoa guys throw us guys inside da real hot fire, da God we work fo can get us outa dea, an he goin get us guys outa yoa powa, King Nebukadnezzar.

¹⁸ But even if he no get us guys outa yoa powa, we like you know fo shua: us guys no goin do stuff fo yoa gods, an no way we goin go down fo show respeck fo da gold statue you wen put up.”

¹⁹ Den King Nebukadnezzar come even mo huhu wit Shadrak, Meshak, an Abednego, an his face come red cuz he real mad. Den he tell his guys fo make da oven fire place seven times mo hot den befoa.

²⁰ Da king tell some a da mos strong army guys fo tie up Shadrak, Meshak, an Abednego, an throw um inside da real hot oven fire place.

²¹ So da king guys tie up da three Jew guys wit all dea clotheses, dea robes, dea pants, dea hats, an dea odda clotheses, an throw um inside da real hot oven fire place.

²² Da king wen stay real huhu wen he tell his guys fo make da oven fire place mo hot to da max. Az how come da fire even kill da guys dat work fo da king, afta dey throw da Jew guys inside um.

²³ Da three guys stay all tie up tight wen da guys dat work fo da king drop um down inside da real hot oven fire place.

²⁴ Den, King Nebukadnezzar jaw drop! He jump up from his chair, an tell da odda govmen guys dat stay wit him, "Wassup?! Us guys wen throw three guys down inside dea, an dey all tie up, aah?!"

Dey tell, "King Nebukadnezzar, az right!"

²⁵ He tell, "Look! I see four guys stay walking aroun inside da fire. Dey no stay tie up, an dey no stay hurt. An da numba four guy, he look jalike one a da gods!"

²⁶ Den King Nebukadnezzar go by da door wea dey clean out da real hot oven fire place, an he yell, "Hui! Shadrak, Meshak, Abednego! You guys dat work fo da God Dass Mo Importan Den All Da Odda Gods, come outside!"

So Shadrak, Meshak, an Abednego come outa dea.

²⁷ An da guys dat run da odda countries afta da king take um ova, dea helpa guys, da territorial govna guys, an da odda govmen guys dat work fo da king, dey all push each odda fo go look da three Jew guys. Da leada guys see dat da fire no mo powa fo burn dea bodies. No burn even one hair on top dea heads. No burn dea robe, an no mo fire smell on dem.

²⁸ Den King Nebukadnezzar tell, "Erybody gotta tell good tings bout da God dat Shadrak, Meshak, an Abednego pray to. Dat God wen sen his angel messenja guy fo get his worka guys outa da real hot oven fire place. Dey trus dea god, no matta dey go agains wat I tell dem fo do. Dey no sked mahke, an dey no goin work fo anodda god o go down in front anodda god. Dey like ony work fo an go down in front dea own god.

²⁹ Az why I make dis rule now: No matta wat peopo o wat country somebody come from, an no matta wat language dey talk, if dey talk an no show respeck fo da God dat Shadrak, Meshak, an Abednego pray to, I goin tell my worka guys fo cut off dea arms an legs, an make dea house come one big rubbish pile. Cuz no mo anodda god dat can get peopo outa trouble da way dea god can!"

³⁰ Den da king wen make Shadrak, Meshak, an Abednego come even mo importan inside da Babylon districk.

King Nebukadnezzar Dream Bout One Tree

¹ King Nebukadnezzar sen dis letta to all da diffren peopos from ery country an ery language dat stay live all ova da world. He tell:

"I like eryting come mo an mo good fo you guys.

² "I like tell you guys bout da God Dass Mo Importan Den All Da Odda Gods, an da awesome an unreal tings he wen do fo me. I figga az good fo me tell you guys bout all da stuff he teach me.

 Ova all da peopo dat live today
 An ova all da peopo dat goin come bumbye.

4 “Me, Nebukadnezzar, I ony stay inside my house. I stay take it easy.
 Inside my palace, eryting stay go good fo me.

5 But den one nite, wen I stay lay down on top my bed, I get one dream
 dat wen make me come sked. Da picha in my head I wen see, make me
 real sked!

6 So I tell my guys fo bring in front me, all da smart guys inside Babylon
 fo come tell me wat da dream mean.

7 Den dey all come. Get da kahuna guys dat know how fo tell wat dreams
 mean. An get da guys dat know how fo stop da bad kine stuff dat happen to
 you wen somebody put kahuna on top you. Get da Kaldea guys dat know
 how fo learn stuff from da stars. An get da guys dat look at da animal guts

 I tell dem bout my dream, but no mo nobody can tell me wat da dream

8 Afta all dese guys come, Daniel come by me. I tell him bout my dream.
 (Daniel get da name Belteshazzar too, jalike da name fo my god. An da
 spirit from da spesho gods stay inside him.)

9 “I tell um, ‘Eh Belteshazzar, you stay in charge a da kahuna guys dat
 know bout da dreams. Fo shua da spirit from da spesho gods stay inside
 you. An you know how fo find out da secrets nobody know. So, tell me
 wat da dream mean.

10 “ ‘Dis wat I see
 Wen I stay sleep on top my bed.
 In front me get one big tree,
 An da tree stan
 Inside da middo a da world.
 An da tree stay real big.

11 Da tree stay grow mo big an strong still yet,
 An da top reach da sky.

All da peopo can see um
 From da mos far place inside da world.

12 Da tree get leaf dat look real nice an get plenny fruit,
 Get food enuff fo erybody an eryting in da world.

Da wild animals from da boonies
 Come unda um fo shade.

Da birds from da sky
 Live inside da branches.

Eryting dat stay alive
 Get dea food from dat tree.

13 “ ‘Wen I stay sleep on top my bed,
 I see some mo pichas inside my head:
 I look, an in front me, get one angel messenja guy
 Dat stay spesho fo God. He stay coming down from da sky.

14 Da angel guy yell loud,
 “Cut down da tree!
 Chop off da branches!

Pull off da leafs!
 Make da fruits go all ova da place!
 Make da animals run away from unda da tree!
 Make da birds fly off da branches!
 15 But let da stump an da roots
 Stay dea inside da groun!
 Put heavy iron an bronze strap fo tie down da stump,
 An let um stay inside da grass inside da field.
 Get one guy, let um get all wet
 Wit da dew from da sky.
 Let da same ting happen to him,
 Jalike how da animals
 Dat stay live in da grass on top da groun.
 16 Make him,
 So he no can tink like odda peopo!
 Let him tink jalike one animal,
 Fo seven year.
 17 Us angel messenja guys tell
 Wat God make up his mind fo do.
 We stay spesho fo God,
 An we tell wat goin happen.
 Cuz we do dat,
 Erybody dat stay alive goin know dis:
 Da God Dass Mo Importan Den All Da Odda Gods,
 He get da powa fo tell
 All da govments in da world
 Wat dey gotta do.
 He make whoeva he like
 Come da king fo dem.
 He even can take one guy
 Dat nobody tink he importan,
 An make him da govmen leada."

18 " 'Dis da dream dat me, Nebukadnezzar da King, wen dream. Now, Belteshazzar, tell me wat da dream mean. Cuz no mo nobody from da smart guys inside my country can tell me wat da dream mean. But fo shua you can cuz da spirit from da spesho gods stay inside you.' "

Daniel Tell Wat Da Tree Dream Mean

19 Wat da king tell wen throw me Daniel off, an I no can figga an I come real bum out. Az why Nebukadnezzar, tell me, "Belteshazzar, no let da dream o wat da dream mean make you sked."

Me Belteshazzar tell, "Boss, I like if da dream ony tell bout da peopo dat hate you, an if da dream ony talk bout da peopo dat stay agains you. But az not how goin be. Dis dream, az bout you!

20 Da tree you wen see, dat tree stay grow mo big an strong, till da top reach da sky. An all da peopo in da world can see um.

21 Get real nice leaf an plenny fruits an da tree give food fo erybody. Give shade fo all da animals inside da field an get branches fo da birds inside da sky make nes.

22 Dat tree, az jalike one picha a you, King Nebukadnezzar! You wen come big an strong. You come mo an mo importan, so now you come mangus, jalike you stay reach da sky. You get da right fo be da king fo da whole world!

²³ “Den, King Nebukadnezzar, you wen see one angel messenja guy dat stay spesho fo God come down from da sky. He tell, ‘Cut down da tree an broke um up! Leave da stump an da roots inside da groun. Tie da stump wit iron an bronze strap an let um stay dea inside da grass field. Let him come wet wit da dew from da sky. Let him live jalike da wild animals till seven year pass!’

²⁴ “An den Belteshazzar tell me, King Nebukadnezzar, dass wat da dream mean. Belteshazzar tell: Dass wat da God Dass Mo Importan Den All Da Odda Gods tell gotta happen, an he stay talking bout you, my boss da king.

²⁵ Da peopo goin make you go way from dem an go stay wit da wild animals. You goin eat grass jalike da cows an come wet wit da dew from da sky. Afta seven year, you goin know dat da God Dass Mo Importan Den All Da Odda Gods, get da powa fo tell all da govms in da world wat dey gotta do. God can give whoeva he like come da king fo dem.

²⁶ Inside yoa dream, somebody wen tell fo leave da stump an da roots a da tree inside da groun. Dat mean fo shua, da Mos Importan God goin let you come da king one mo time, afta you come shua dat da God In Da Sky stay in charge.

²⁷ “Eh King Nebukadnezzar, az why I like you lissen an do wat I tell you now: Throw out all da bad kine stuff you wen do awready! Do wat stay right! Throw out all da tings you wen do fo go agains God! Make good to da peopo dat suffa plenny! Den maybe you can stay king long time.”

Wat Da King Dream Happen

²⁸ All dis kine stuff wen happen to King Nebukadnezzar.

²⁹ Twelve month afta dat, da king stay walk aroun on top da flat roof on top his palace, inside Babylon town.

³⁰ He tink, “Dis town, Babylon, stay big now! Az cuz I wen build um lidat fo come my house, da king! I do um cuz I stay real strong an peopo goin know I awesome an importan!”

³¹ He stay talk still yet. But right den an dea, one voice come down from da sky! Da voice tell, “Dis message fo you, King Nebukadnezzar! I take away da powa fo you be king.

³² Da peopo goin make you go way from dem an make you stay wit da wild animals. You goin eat grass jalike da cows. Afta seven year pass, you goin know dat da God Dass Mo Importan Den All Da Odda Gods get da right fo tell all da govms in da world wat dey gotta do. He can make whoeva he like come da king fo dem.”

³³ Right den an dea wat Daniel wen tell bout King Nebukadnezzar happen! Da peopo make him go way from dem, an he eat grass jalike da cows. His body come wet wit da dew from da sky. Bumbye his hair grow long, jalike da feathers from da eagle, an his finganails come long jalike da feets fo da birds.

³⁴ “Afta da seven year, me, Nebukadnezzar da King, wen look up to da One inside da sky. Den I start fo tink one mo time. I tell bout da God Dass Mo Importan Den All Da Odda Gods, how he do good tings fo me!

“I tell good tings bout da One
 Dat Stay Live Foeva,
 An I tell dat he stay awesome,
 An he goin stay king foeva!
 He get da right fo stay in charge

Ova all da peopo dat live today
 An ova all da peopo dat goin live bumbye.

³⁵ All da peopo inside da world,
 God see um, jalike dey notting.
 He do wateva he like do
 Wit da armies from inside da sky,
 An da peopo inside da world.
 No mo nobody can hold him back
 O aks him how come he do dat.

³⁶ "Dat same time dat I wen start fo tink good one mo time. Da peopo show me plenny respeck now cuz I da king. Dey show me dat I stay importan fo dem an I come awesome one mo time. Da smart guys dat wen teach me wat fo do, an my alii guys wen go all out fo come by me. An I wen come king one mo time. I get even mo plenny powa den befo time.

³⁷ "Now me, Nebukadnezzar da King, I talk good bout da King Inside Da Sky, an tell dat he awesome. Eryting he do stay right. Anybody live his way, dey goin do da right ting too. An he can make da guys dat ack jalike dey big head guys come notting."

5

Da Writing On Top Da Wall (Jesus Show 9:20)

¹ Long time afta, Belshazzar come king. One time, he throw one big party fo one tousan a his alii guys, an he drink wine togedda wit dem.

² Wen Belshazzar stay drink his wine, he tell his guys fo bring in da fancy gold an silva cups an bowls dat his ancesta guy Nebukadnezzar wen take from da Jerusalem temple, fo him an da alii guys, his real wifes, an his odda wifes, drink from um.

³ So dey bring in da fancy kine gold cups dat dey wen get from da Temple Fo God inside Jerusalem. Da king, da alii guys, his wifes, an his odda wifes drink from um.

⁴ Wen dey stay drink da wine from da cups, dey stay talk good bout dea idol kine gods dat dey wen make from gold, silva, bronze, iron, wood, an stone.

⁵ Right den an dea dey see da finga a one hand come by dem! Da hand write on top da plaster part a da wall inside da king palace, wea get plenny light from da stan fo da lamp. Da king watch da hand write on da wall.

⁶ His eyes come real big, an he come real sked. His knee stay knock togedda, an he come real weak an he stay shake an he no can tink good.

⁷ Da king yell real loud fo his guys fo bring da kahuna guys dat know how fo stop da bad kine stuff dat happen wen somebody put kahuna on top you, da kahuna guys dat know how fo tell stuff from da stars, an da kahuna guys dat look at da animal guts wen dey kill um fo make sacrifice, fo dem figga wass goin happen bumbye. Wen all dose smart guys from Babylon come, he tell um: "Whoeva read dis writing an tell me wat dis mean, I goin put purple kine king kine clotheses dat cost plenny on top him, an one gold chain aroun his neck. He goin come da numba three leada fo da Babylon peopo."

⁸ Den all da king smart guys come inside look, but dey no can read da writing o tell da king wat stay mean.

⁹ Az why King Belshazzar come even mo sked, an his eyes come mo big. Da alii guys no can figga um too.

¹⁰ Da king muddah hear da noise from da king an da alii guys. She go inside da place wea dey get da party. She tell, "King Belshazzar, I like you stay alive foeva! No worry! No need yoa eye come big!

¹¹ Get one guy inside dis land dat get da spirit from da good an spesho gods inside him. Wen yoa faddah stay king, peopo find out dat dis guy can see stuff fo real kine, an undastan plenny, an know wat fo do erytime, jalike da gods. King Nebukadnezzar, yoa faddah, make dat guy da main leada fo da kahuna guys dat know how fo tell wat dreams mean. He lead da odda kahuna guys too, da ones dat know how fo stop da bad kine stuff dat happen wen somebody put kahuna on top you. An he lead da kahuna guys dat know how fo tell stuff from da stars, an da kahuna guys dat look at da animal guts wen dey kill um fo make sacrifice, fo dem find out wass goin happen bumbye.

¹² Dis guy Daniel, dat yoa faddah give da name Belteshazzar. Da peopo find out dat he get real strong powa fo figga out stuff. He undastan any kine stuff. He can figga out wat dreams mean an ansa hard kine question, an figga out hard kine stuff. Tell Daniel fo come an he can tell you wat dis writing mean."

¹³ So dey bring Daniel in front da king. Da king tell him, "Fo shua you da guy Daniel, one a da guys my faddah da king wen bring from Judah, o wat?!

¹⁴ Wat I hear bout you, da spirit from da gods stay strong inside you. Peopo know dat you see stuff real good, an undastan plenny, an know wat fo do erytime, mo den odda peopo.

¹⁵ My guys wen bring dese smart guys an kahuna guys in front me fo read dis writing an tell me wat da words mean, but dey no can tell me wat da writing mean.

¹⁶ I hear dat you can tell wat da writing mean, an figga out hard kine stuff. So, go read da writing, an tell me wat dat mean. Wen you do dat, I goin put purple king kine clotheses dat cost plenny on top you, an put one gold chain aroun yoa neck. You goin come da numba three leada fo da Babylon peopo."

¹⁷ Daniel tell da king, "You keep dis stuff dass yoas an give wateva you like pay me to odda guys. But aah, I goin read da writing fo you an tell you wat dat mean.

¹⁸ "King Belshazzar, lissen up! Da God Dass Mo Importan Den All Da Odda Gods, he wen make yoa faddah Nebukadnezzar come king. He make him come mo importan, an make peopo get respeck fo him, an make him awesome.

¹⁹ Cuz God make him mo importan, all da diffren peopos from ery country an ery language come real sked a him. Wen da king like somebody fo mahke, he kill um. Wen he like keep somebody alive, he keep um alive. Wen he like make somebody come mo importan, he make um mo importan. Wen he like make somebody come not importan, he make dem come not importan.

²⁰ "But den, King Nebukadnezzar start fo get big head, an inside, he come hard head an tink he can make how he like. Az why God throw him out fo be da king, an da peopo no show respeck fo him no moa.

²¹ Da peopo no let him stay wit dem no moa. He get da head fo tink jalike one animal. He live wit da wild donkeys, an eat grass jalike da cows. His body come wet wit da dew from da sky. Afta dat, he find out dat da God Dass Mo Importan Den All Da Odda Gods get da powa fo stay in charge a

all da peopo dat come king inside da world, an he make whoeva he like come king.

²² “King Belshazzar, you come from Nebukadnezzar, so I know you know all dis. But you, you neva even tink dat get somebody mo importan den you.

²³ You go ack jalike you mo importan den da God dat stay king inside da sky. You wen tell yoa guys fo go bring da fancy kine cups an bowls from da Temple fo dat God. Den you, yoa alii guys, yoa real wifes, an yoa odda wifes drink wine from um. An you talk good bout da silva, gold, bronze, iron, wood, an stone gods—no matta dey no can see, hear, o undastan notting. But you neva tell notting bout how awesome da God dat get da powa fo make you stay alive o fo kill you! He da One stay in charge a eryting you do!

²⁴ Az why he sen da hand wit da fingas dat write on top da wall.

²⁵ “An dis wat he write:

MENE,
MENE,
TEKEL, an
PARSIN.

²⁶ “Dis wat mean: ‘MENE’ mean dat God count how much time you stay da king, an he tell you pau awready.

²⁷ “ ‘TEKEL’ mean dat jalike God weigh you on one weight scale an find out you no weigh enuff.

²⁸ “An ‘PARSIN,’ mean dat God half half da land wea you stay king, an give half to da Mede peopo an half to da Persia peopo.”

²⁹ Den King Belshazzar tell his guys fo put da purple king kine clotheses dat cost plenny on top Daniel, an fo put one gold chain aroun his neck. An he let erybody know dat Daniel now da numba three main guy ova da land wea Belshazzar stay king.

³⁰ But dat same nite, da Mede army guys kill Belshazzar, da king fo da Babylon peopo.

³¹ Darius da Mede guy take ova Babylon an come da king. He sixty-two year ol dat time.

6

Da Govna Guys Like Throw Out Daniel

¹ King Darius figga az good fo make hundred twenny guys govnas fo da districks all ova da land wea he stay king.

² Get three supavisa guys dat watch ova wat da govna guys do. An Daniel, he stay one a da three supavisa guys. Da govna guys gotta tell da supavisa guys eryting dey stay do, fo da king no need worry notting.

³ Da guy Daniel, he come mo betta den all da odda supavisa guys an govna guys. An cuz inside him, he stay real good, da king make one plan fo put Daniel in charge a da whole land wea he stay king.

⁴ Cuz a dat, da odda supavisa guys an da govna guys try fo find someting fo poin finga Daniel. Dey look at how he run da govmen. But dey no can find notting fo poin finga him, cuz erybody trus him an he no jam up notting.

⁵ Dey tell, “We no goin find notting fo poin finga Daniel, eva. Da ony ting fo poin finga him, gotta be da rules a his god, cuz da rules stay diffren!”

⁶ So da odda supavisa guys an all da govnas go togedda in front da king. Dey tell, “King Darius, we like fo you live foeva!”

⁷ Us supavisa guys fo yoa land, an govna guys, an govna guys fo da districks, an all da odda govmen guys, an da older leada guys, we all wen talk. We figga az good fo you, da king, fo make one rule, an make shua nobody broke um. Dis da rule: da peopo gotta pray to you, da king. Whoeva pray to anodda god o anodda guy, fo da nex thirty days, throw dem down inside da big hole wea you put da lions.

⁸ We like fo you, King Darius, fo tell da peopo dat, an write down da rule, so no mo nobody can change um. Make um jalike one rule fo da Mede peopo an da Persia peopo, so dat no mo nobody can change da rule."

⁹ Cuz a wat dey tell him, King Darius sign da paypa dat tell ony can pray to da king.

¹⁰ Wen Daniel find out dat da king sign da paypa fo da rule, he go home inside his house. Da windows fo da top room stay open an face Jerusalem. Three time ery day inside dat room, Daniel go down on top his knees fo tell God "Mahalo plenny!" cuz he do good tings. Wen he pray, he tell God he da bestes, jalike how he do befo time.

¹¹ Den dose guys dat stay agains Daniel go his house all togedda an see him pray an aks God fo help him.

¹² Az why dey go by da king an tell him bout da rule he wen write. Dey tell, "Eh! You jus write down one rule, aah? dat fo thirty day, whoeva no pray ony to you da King, but pray to anodda god o anodda guy, yoa guys goin throw um inside da big hole wea da lions stay!"

Da king tell, "Dass da rule! An dass da rules fo da Mede an Persia peopo, dat no mo nobody can change um."

¹³ Den dey tell da king, "King Darius, dis guy Daniel, one a da guys da Babylon peopo wen bring hea from Judah, he no lissen you, o da rule you wen write, an you da King! He still yet pray three time ery day!"

¹⁴ Wen da king hear dat, bodda him plenny. He tink hard fo figga how fo help Daniel, till da sun go down. He try fo do eryting fo no make um mahke.

¹⁵ Da guys dat stay agains Daniel go togedda in front da king one mo time, an tell um, "King Darius, no foget dat da rules fo da Mede an Persia peopo tell dat no mo nobody can change da rules dat da king make."

¹⁶ So da king tell his guys fo bring Daniel. Dey throw um down inside da hole wea dey put da lions. Da king tell Daniel, "Yoa God, da One you show respect fo real plenny, ony him can get you outa dis, cuz I no can!"

¹⁷ Da king guys bring one big stone an put um on top da puka fo go down inside da hole. Den dey put clay aroun da stone so no can open um, an da king put his mark on top da clay wit his spesho ring fo seal um. His alii guys put mark wit dea rings too, so nobody can do notting fo Daniel.

¹⁸ Den da king go back inside his palace. He no eat notting all nite, an no like nobody play music o throw party fo him o do odda stuff. He no can sleep.

God No Let Da Lions Hurt Daniel

¹⁹ Morning time wen get litto bit light, da king get up an he go quick by da big hole wea dey put da lions.

²⁰ Wen he come nea da lion hole, he call Daniel wit one sad kine voice. "Daniel, da worka guy fo da God dat stay alive! Yoa God, da One you work fo erytime, he wen get you outa dis, o wat?!"

²¹ Den Daniel tell da king, "King Darius, I like you live foeva!"

²² My God wen sen his angel messenja guy fo make da lions no bite me. Dey no touch me notting, cuz God see me dat I neva do notting wrong. An I neva do notting wrong to you too, King Darius.”

²³ Den da king come real, real good inside. He tell his guys fo bring Daniel outa da big hole. Wen dey bring Daniel outa da hole, dey no find cuts on top him notting cuz he trus his God.

²⁴ Den da king tell his guys fo go get da guys dat wen bulai an poin finga Daniel. He tell um fo throw dem an dea wifes an kids inside da hole wea da lions stay. Dey neva even touch da bottom a da hole cuz da lions grab um an grind um up, even dea bones.

²⁵ Laytas, King Darius write fo all da diffren peopos from ery country, an ery language, dat live all ova his land. He tell:

“I like eryting come real good fo erybody.

²⁶ “Dis da rule: All ova da land wea I stay king, erybody gotta come sked an shaking in front Daniel God an get respeck fo him.

“He da God dat stay alive.

He live foeva.

No mo nobody can wipe out

Da peopo wea he stay da king.

He goin stay in charge foeva.

²⁷ He get his peopo outa trouble.

He do awesome stuff an stuff you no tink az fo real he can do um

Inside da sky an on top da earth.

He wen get Daniel outa trouble

So da lions neva hurt him.”

²⁸ Az why eryting go good fo Daniel, all da time Darius an Cyrus from Persia stay king.

Daniel Dream Bout Four Wild Animals

(*Matthew 24:30; 26:64; Mark 12:36; 13:26; 14:62; Luke 21:27; Jesus Show 13:7*)

¹ Da year numba one wen Belshazzar stay king inside Babylon, Daniel get one dream. He see pichas inside his head wen he stay lay on top his bed. Laytas, he write down da main tings he wen see.

Wat Da Dream Mean

¹⁵ “Me, Daniel, bodda me bout da pichas I see inside my head dat make me real sked.

¹⁶ I go by one a da guys dat stay stan ova dea, an aks him wat da tings I see mean fo real kine fo him help me fo know wat all dat stuff mean. He tell:

¹⁷ “ ‘Da four big wild animal, dey da four king kine powas an dea peopos from dis world dat goin take ova.

¹⁸ ✨But da ones dat stay spesho fo da God Dass Mo Importan Den All Da Odda Gods, goin be dem get da right fo be da king guys, an dey goin keep dat right foeva an eva.’

¹⁹ “Den I like make shua fo real kine, bout da numba four wild animal. He diffren den da odda three animal. He real skery cuz he get iron teets an bronze claws. He stay eat up wateva he like an smash wit his feets wateva stay alive.

²⁰ An den I like know bout da ten horn on top his head too, an da odda horn dat come up, an da three horn dat fall off in front da new horn. Dat horn look mo importan den da odda horns an get eyes an one mout dat talk big.

²¹ ✨Den wen I look, dat horn stay make war agains dose dat stay spesho fo God an start fo win ova dem.

²² ✨He stay make lidat. But den Da One Dass From Befo Time come. Him da Judge, an he tell ‘Da ones dat stay spesho fo Da God Dass Mo Importan Den All Da Odda Gods, dey get um right.’ Den da time come wen dose dat stay spesho fo him take ova an stay in charge a eryting.

²³ “Da guy dat tell me all dis stuff tell me dis too:

“ ‘Da numba four wild animal,
He jalike da numba four country
Dat goin take ova da world.
Goin be diffren den da odda countries
Dat take ova befo him.
He goin eat up da whole world,
An walk ova um, an smash um.

²⁴ ✨Da ten horn, dat mean,
Goin get ten kings goin come from dat country,
Dat get powa.

Afta dat, anodda king goin come,
Diffren den da odda kings befo him.
He goin take ova three a da kings land.

²⁵ ✨He goin grumble bout da God
Dass Mo Importan Den All Da Odda Gods,
An put presha on da peopo dat stay spesho fo God.

An he goin try fo change
Da regula times fo make sacrifice
An change da rules from God.

He goin get powa
Ova da peopo dat stay spesho fo God
Fo three an a half year.

26 “ ‘Den da judge guys goin sit down an do dea work. Dey goin take away da powa dat king get an wipe out his powa foeva.

27 ✨Den, da God Dass Mo Importan Den All Da Odda Gods goin give da peopo dat stay spesho fo him da powa fo come da nex king an da powa fo stay in charge a da peopo. An da God Dass Mo Importan Den All Da Odda Gods goin give his kings powa ova da odda kings all ova da world. Dey goin stay in charge foeva. All da countries on top da earth goin work fo God peopo, an all da odda peopos goin lissen dem.’

28 “Dass da story, by me, Daniel. But dis story wen bodda me plenny, an give me chicken skin cuz I sked. Az why I no talk bout um.”

Daniel Get One Dream Bout One Ram An One Goat

1 Me, Daniel, I like tell you anodda story bout wat I wen see. Da year numba three wen Belshazzar stay king fo Babylon, God let me see someting jalike one dream, afta da odda dream dat I wen see da firs time.

2 Fo dis dream, me Daniel stay da Elam districk, inside da part a Susa town dat get strong wall. I stay stan by da side a da Ulai Canal.

3 I look up, an dea in front me get one ram wit two horn. He stay stan by da side a da canal. His two horn, real long. One a da horns grow mo long den da odda, but da mo long one start fo grow afta da odda one start fo grow.

4 I see da ram smash eryting wit his horns, west side, north side, an south side. No mo anodda animal can stan in front him. No mo animal can run away from him. He do wateva he like an he get mo an mo plenny powa.

5 Wen I tink bout dis, right den an dea I see one boy kine goat wit one big horn in da middo a da two eyes an you no can miss him, come from da west side. He run across da land real fas kine jalike he no touch da groun.

6 Da goat come by da ram wit da two horn dat stay stan by da side a da canal an run strait fo um. He stay real strong cuz he stay real huhu.

7 I see da goat go afta da ram an he come mo an mo mad. He wack da ram an smash da two horn. Da ram not strong enuff fo do notting. Da goat throw um down on top da groun an poun his feet all ova um. An no mo notting can stop da goat fo make lidat to da ram.

8 Da goat come mo strong still yet. But wen he come mo strong, somebody broke off da big horn. Den on top dat place, four horns grow up to da four winds inside da sky.

9 From one a da four horns, anodda horn start fo grow up dat start small, but come mo strong. He grow to da south an da east, an to da beautiful Israel land.

10 ✨Da new horn grow, an reach all da way up to wea can beef da army inside da sky. Den da horn throw down some a da sky army an some a da stars on top da earth, an poun his feet on top um.

11 Da horn make jalike he come big fo come same jalike da leada fo da army inside da sky. He no let da pries guys make da ery day kine sacrifices. He make da Temple dat stay spesho fo God come pilau.

12 But God no let da sky army go afta da horn an wipe um out cuz a da bad kine stuff da horn do. Da horn stop da sacrifice dat da pries guys

suppose to make ery day an he throw out da true kine religion. Eryting go good fo da horn.

¹³ Den I hear two angel guys stay talking dat stay spesho fo God. One a dem tell, “How long gotta wait fo all da stuff in da dream happen? How long gotta wait fo da bad guys stop—da ones dat go agains God an make da Temple come pilau—fo da prieses make da sacrifice da prieses suppose to make ery day? How long da army dat stay agains God goin poun dea feet all ova da Temple an da sky army?”

¹⁴ Da odda angel guy tell, “Goin get 2,300 sacrifice times, nite time an morning time, dat dey no can make da sacrifice. Den afta dat dey goin make da Temple come spesho fo God one mo time.”

Wat Anodda Dream Mean

¹⁵ Me, Daniel, I still try fo undastan dis ting, dass jalike one dream. An right den an dea, somebody stan in front me dat look jalike one guy.

¹⁶ ✨An I hear somebody call from da Ulai Canal, “Eh Gabriel, help dis guy figga wat da stuff he see, mean.”

¹⁷ Gabriel come nea da place wea I stay stan. I come real sked an fall down on top da groun in front him. He tell, “You one Fo Real Kine Guy, an you gotta undastan, dat wat you see in dis dream, tell bout da end a da world.”

¹⁸ Wen he stay talk to me, I pass out, wit my face on top da groun. Den Gabriel touch me an lif me up fo me stan up one mo time.

¹⁹ He tell, “I stay hea fo help you undastan wass goin happen bumbye, wen God goin show dat he stay real huhu an tell ‘Laytas’ to wat peopo do. Wat you wen see, goin happen litto bit befo da time da world end.

²⁰ Da ram wit da two horn dat you wen see, dass jalike da king guys fo da Mede an Persia guys.

²¹ Da hairy goat, dass da king guy fo Greece. Da big horn in da middo a his two eyes, dass da firs king fo dea big empire.

²² Da four horns dat come up wen da firs horn broke off, dass four king kine lines dat goin take ova afta da firs king. But dey no goin get da same kine powa jalike da firs one.

²³ “Wen dose king lines almos pau, an da peopo dat go agains God do all da bad kine tings dey can do, one king wit one skery kine face dat know how fo trick peopo goin take ova.

²⁴ He goin come real strong, but not from his powa. He goin wipe out plenny stuffs all ova da place. Wateva he do, goin come out good fo him. He goin wipe out da real strong guys an da peopo dat stay spesho fo God.

²⁵ He goin know how fo bulai peopo. He goin tink he mo betta den erybody. Wen peopo tink eryting stay okay, he goin wipe out plenny a dem. An he even goin go agains da King ova all da king guys. But goin get somebody dat goin smash him, an whoeva do dat no goin be one guy.

²⁶ “Da ting you wen see, bout da sacrifices fo nite time an morning time—wat you wen hear, az goin happen fo shua! But put one seal on top um fo stay secret, cuz goin be long time befo all dis stuff happen.”

²⁷ Me, Daniel, afta I see all dis, I come weak an come sick fo days. Den I get up an do my job fo da king. I stay bum out cuz a da dream, az cuz da dream blow my mind.

*Daniel Tink Bout
Wat God Tell Jeremiah
(Jeremiah 25:11-12)*

¹ Darius, Xerxes boy from da Mede peopo, come da king fo da Babylon land.

² ☆ Da firs year he stay king, me, Daniel, I stay study my books bout God dat year. I try fo figga out wat Da One In Charge mean, wen he tell Jeremiah, da guy dat talk fo him, dat afta Jerusalem come bus up an erybody bag, den Jerusalem goin stay all bus up fo seventy year.

³ Az why I no eat so I can pray, an put on burmbag kine clotheses an put ash on top my head cuz I stay real sore inside. I tink ony bout God, my Boss, an I pray. I beg him fo help me.

Daniel Pray Fo His Peopo

⁴ I tell my God, Da One In Charge, I know wat oua peopo wen do wass wrong. Dis how I pray:

“Bummahs, Boss, you da big God! You awesome an unreal! Wen you make one deal, you do eryting you wen tell you goin do. You stay tight wit da peopo dat get love an aloha fo you an dey lissen wat you tell um fo do.

⁵ But us guys wen go buckaloose an do bad kine tings. Us guys do wass wrong. Us guys do da kine stuff we not suppose to do. Us guys go agains you, Da One In Charge, an us make deaf ear fo wat you tell us fo do. We wen bag from da rules you make dat show us wass right an wass wrong cuz you da Judge.

⁶ We neva lissen da guys dat work fo you an talk fo you. Dey talk fo you cuz dey know wat kine god you. Dey wen talk to oua king guys, oua leada guys, an oua ancesta guys, an all da odda peopo inside da land.

⁷ “Boss, you do da right ting erytime. But today, even mo den befo time, us guys get plenny shame an lose face cuz a wat us wen do. Us peopo from Judah an Jerusalem an all ova Israel, no matta we stay nea o far, us wen broke yoa rules an no stay tight wit you. An same ting inside all da odda lands wea you wen make us go.

⁸ Da One In Charge, us an oua king guys, oua leada guys, an oua ancesta guys get plenny shame cuz we wen do bad kine stuff agains you.

⁹ God, you da Boss. You da One show pity an let us go, no matta us wen go agains you.

¹⁰ Us neva lissen you, oua God, dass Da One In Charge a us, fo live da way you wen teach us, da way yoa worka guys dat talk fo you wen tell us.

¹¹ All da Israel peopo wen make deaf ear fo da rules you wen teach, an go da odda way from you, an tell dat dey no goin lissen you.

“Az why, jalike you wen drop on top us guys all da bad tings dat Moses yoa worka guy wen write down inside da rules. You wen make one promise dat dese bad tings goin happen if us guys no do da tings we wen make one deal wit you fo do. All dat bad stuff stay happen to us cuz we do bad kine stuff agains you.

¹² You make happen da stuff you wen tell you goin do fo punish us an oua govmen guys wen you make happen all dis bad kine stuff to us. All ova da world, no mo nobody eva do notting lidis befo, jalike you wen do to Jerusalem.

☆ 9:2 9:2: Jer 25:11; 29:10

¹³ Jalike Moses wen write inside da Rules, all dis bad kine stuff wen happen to us guys. But still yet we no come back to you, oua God, Da One In Charge a us. Us guys still yet stay do da bad kine stuff. An we no tink bout how eryting you tell stay true.

¹⁴ You, oua God, dass Da One In Charge, you no wait fo drop da bad kine stuff on top us, cuz you do da right ting erytime. But still yet we no lissen you.

¹⁵ “Da way I figga, you oua Boss an oua God! You wen bring yoa peopo outa Egypt wit yoa strong powa. You wen do dat fo let erybody know from dat time till now, wat kine god you. But us guys do bad kine tings. We no do how we suppose to do.

¹⁶ Boss, you do eryting right. So I tell I like you fo pau stay huhu agains us guys, an no stay mad no moa. We come from Jerusalem, yoa big town, da hill dat stay spesho fo you. All da peopo aroun us stay laugh at us guys an poin finga us cuz a all da bad kine stuff we stay do, an da bad kine stuff oua ancesta guys wen do.

¹⁷ “But God, I yoa worka guy, an I stay pray to you an aks you fo lissen me. Cuz a who you, Boss, try smile an do good kine stuff fo yoa spesho temple, dat stay all bus up, an fo da peopo wen bag from dea.

¹⁸ “God, try lissen. An try open yoa eyes an look how us stay all bus up! Try look yoa bus up big town, Jerusalem, dat carry yoa name! Cuz us stay pray an aks you fo do dis. Az not cuz us guys do da right kine stuff, but cuz you give plenny chance!

¹⁹ “Boss, try lissen! Boss, hemo oua shame an let us go! Boss, try lissen, an do um! My God, cuz a who you, no wait! Cuz yoa big town an yoa peopo, dey carry yoa name!”

Seventy Times Seven

²⁰ I stay pray an tell God all da bad kine stuff I wen do, an all da bad kine stuff my Israel peopo wen do. I tell my God, Da One In Charge, fo make da hill dat stay spesho fo him come good one mo time.

²¹ ✨Befo I pau pray, Gabriel, da angel guy dat look jalike one regula guy dat I wen see in my odda dream da firs time, wen come fly fas fo reach me. Dat happen late aftanoon time, da same time da pries guys stay make sacrifice.

²² He tell me, “Eh Daniel! I come hea fo help you undastan wass happening.

²³ Wen you wen start fo pray, God ansa you. Az why I come hea fo tell you dis cuz he tink real good bout you. So, tink bout wat I goin tell, an try fo undastan wat you wen see:

²⁴ “Seventy times seven year, az da time God wen make fo yoa peopo an fo yoa town dat stay spesho fo God:

fo make da peopo dat go agains God stop,
fo make da ones stay do bad kine stuff stop,
fo make sacrifice, fo make da peopo dat do wass wrong come pono wit God,
fo make dem do da right kine stuff all da time,
fo put seal fo show dat wat da guy dat talk fo God dream stay fo real,
an fo make da Real Real Spesho Place inside da Temple come spesho fo God one mo time.

²⁵ “Know dis an tink plenny bout um: From da time da message come fo go build Jerusalem town one mo time, till one guy come dat God goin pick fo lead da peopo. Dat goin be seven times seven year, an den sixty-two times seven year. Dey goin build Jerusalem town wit open spaces inside an one real strong wall, no matta goin get big trouble dat time.

²⁶ “Afta da sixty-two times seven year, somebody goin kill da one dat God wen pick. He no goin get nobody his side. Goin get one leada dat goin come wit his army. Dey goin wipe out Jerusalem town an da Temple dat stay spesho fo God. Den da end goin come quick, jalike wen one flood come. Goin get war till da end, an erybody goin bag an eryting goin come wipe out.

²⁷ ✨Da leada dat come goin make good one solid deal wit plenny peopos fo seven year. But in da middo a da seven year, he goin stop all kine sacrifice. On top one end a da temple he goin put up idol kine gods dat God hate plenny. Wat he goin do so horraz, goin make eryting come hamajang, an make erybody bag from dea, till da time dat God tell he goin make him stop.”

Daniel See Someting Jalike One Dream Bout One Guy

¹ Da year numba three wen Cyrus stay da king fo Persia, God give one message dat was secret befo time to Daniel (da guy anodda king wen call Belteshazzar). Wat God show Daniel, dat message stay true, an tell bout one big war. He undastan wat dat mean cuz he wen see um, jalike in one dream.

² Da time da message come, me, Daniel, I stay feel sore inside fo three week.

³ I no eat good kine food like meat o wine, an I no comb my hair wit oil, till da three weeks pau.

⁴ April 23, I stay stan on top da side a da big Tigris Riva.

⁵ ✨I look up, an ova dea in front me get one guy wit linen kine clotheses. He get one fancy gold belt aroun his wais.

⁶ His body look jalike da yellow jasper jewel stone, his face look jalike da lightning, his eyes jalike torches dat stay burn, his arms an feets shine like bronze metal afta peopo polish um. His voice soun jalike from plenny peopo.

⁷ Me, Daniel, I da ony one dat wen see dis ting. Da guys dat stay wit me neva see um, but dey come real sked, an dey run away fo hide.

⁸ So I stay dea, da guys run away, an I da ony one dat see dis importan ting dat stay jalike one dream. I come weak. I even look jalike I stay wipe out. I no can do notting.

⁹ Den I hear da awesome guy talk, an wen I lissen him, I pass out an my face stay on top da groun.

¹⁰ Den somebody touch me an pull me up wit his hand, an put me on top my hands an knees, an I stay shaking.

¹¹ Da guy tell, “Eh Daniel! God get plenny love an aloha fo you! Tink plenny bout wat I goin tell you now! Stan up, cuz God sen me by you now!” Wen he tell me dat, I stan up, still shaking.

¹² Den he tell me, “No sked, Daniel. Cuz from da firs day dat you wen try fo undastand da message from God, an fo no get one big head in front yoa God, he wen hear wat you tell. I come hea now cuz a wat you tell.

¹³ ✨But da bad spirit dat stay in charge a da Persia land, he no let me come hea fo twenny-one days. Den Michael, one a da main angel guys, come fo help me cuz I stay stuck ova dea by da Persia king guys.

¹⁴ Now, I stay come hea fo help you undastan wat goin happen to yoa peopo long time from now. Da ting you see jalike one dream, tell bout one time dat still yet goin come.”

¹⁵ Wen he stay tell me all dis stuff, I look down on da groun, an no can talk notting.

¹⁶ Den somebody dat look jalike one guy touch my lips. I open my mout an I can talk one mo time! I tell da one standing in front me, “Boss, cuz a wat I wen see, I no feel good inside, an I no can do notting!”

¹⁷ Boss, I yoa worka guy, but I no can even talk to you now! I stay weak, an I almos no can breave.”

¹⁸ Den da one dat look jalike one guy touch me one mo time an make me come strong one mo time.

¹⁹ He tell: “God get plenny love an aloha fo you! So, no sked! Erying goin go good fo you! Come strong now, come strong!”

Wen he talk to me, I come mo strong. I tell, “Boss, talk to me now cuz you make me come strong.”

²⁰ So he tell, “You know how come I stay come by you? Pretty soon I goin go back fo make war agains da bad spirit dat stay in charge a Persia. Wen I pau dea, den da bad spirit dat stay in charge a Greece goin come.

²¹ But still yet, I goin tell you wat stay write inside da Book Dat Tell Da Trut. (Gabriel tell: No mo nobody help me agains dose bad spirits dat stay in charge a da odda countries. Ony Michael, da main angel guy fo you Israel guys, he help me.”

11

¹ “From da year numba one wen Darius da Mede guy stay king inside Persia, me Gabriel stay stan wit da angel guy Michael fo help Darius, so no mo nobody hurt him.”)

Da Kings From Da South An Da North

² “Wat I goin tell you now, stay true too: Goin get three mo kings come king inside Persia. Den king numba four goin come. He goin come mo rich den da odda three king guys. Da rich kine stuffs he get, he goin use um fo get mo powa den da kings befo him. Wen he like make war agains Greece, da peopo goin follow him.

³ “Laytas, one king goin come dat know how fo fight fo real kine. He goin get plenny powa, an goin take charge a da Greece peopo. Cuz a dat, he do wateva he like.

⁴ Afta he mahke, his peopo goin broke up in four part, an da land wea he was king goin come four countries. Da ones dat come kings fo dose countries, no goin be from his blood, an da countries no goin be da same jalike wen he was king. But odda guys goin grab da land wea he was da king, an take ova da new countries.

⁵ “Da king fo da south part, dass Egypt, goin come strong. But one a his army general guys goin come mo strong den him. An he goin take ova Syria side an come king too. He goin get mo plenny land den da Egypt guy.

⁶ “Bumbye, da Egypt king an da Syria king goin make one deal fo help each odda. One princess from da south goin marry da king fo da north fo make good da deal. But she no goin keep da powa she get an no goin stay strong. An da king fo da Syria land north side no goin be strong too. Goin get one time wen odda peopo goin come an throw out her, da one dat wen marry her, her boy, an da guy dat wen help her. An dey goin kill um all.

⁷ Laytas, one guy from da princess ohana goin come fo do wat she no can do. He goin attack da Syria king army north side an go inside his strong wall. He goin fight da north side guys an win.

⁸ He goin take stuffs from dea gods an dea god statues dat dey melt metal fo make um, an dea nice tings, dea silva an gold stuffs, an take um Egypt side. Fo short time afta dat, he no goin bodda da king fo da north side.

⁹ “Den anodda Syria king north side an his army goin attack da Egypt king land, south side. Afta dat, da north side guys goin go back dea land.

¹⁰ Da Syria king boys goin make ready fo make war, an put togedda one big army dat know how fo fight good. Dey goin attack da king fo da south, jalike one big flood dat nobody can stop. Dey goin fight all da way to da main place dat get strong wall wea da Egypt king stay.

¹¹ Den da Egypt king, south side, goin get real huhu. He goin go out an make war agains da Syria king, north side. Da Syria king goin put togedda one big army too, but da Egypt guy goin take ova dem.

¹² Da Egypt king goin make da Syria army guys come his prisonas. Den, da Egypt king goin get big head, an goin kill plenny tousan Syria guys. But he no goin win dat war yet.

¹³ “Az cuz da Syria king, north side, goin put togedda anodda army, mo big den da firs army. Plenny year layta, he goin go out wit one big army, wit all da stuffs dey need fo make war.

¹⁴ Dat time, plenny guys goin fight da Egypt king, south side. Eh Daniel, even some a yoa Jew guys dat like fight erytime goin fight da Egypt king cuz yoa guys get one dream fo make dea govmen. But dey no goin be strong enuff fo win.

¹⁵ Den da Syria king, north side, goin come pile up dirt fo go ova da wall fo one big town dat get strong wall, Egypt side. He goin take ova da town. Da army fo da Egypt king, south side, no goin get enuff powa fo fight da Syria king. Even dea bestes guys from da Egypt army, no goin be strong enuff fo fight dem.

¹⁶ “Da Syria king dat fight dem goin do wateva he like do. No goin get nobody from da Egypt army can fight da Syria army. Da Syria king goin take ova da Israel land dat mo nice looking. An he goin get da powa fo wipe out dat whole land.

¹⁷ Da Syria king goin make up his mind fo go south side wit all da powa he get cuz he da king. He goin make one deal fo no fight da Egypt king. He goin give one Syria wahine fo da Egypt king marry. He do dis cuz he stay plan fo use her fo wipe out da Egypt land. But da deal da Syria king stay make no goin work, an da plan no goin help him.

¹⁸ “Laytas, da Syria king goin attack da peopos dat live by da ocean an on top da islans. He goin make plenny a dem prisonas.

“But goin get one army leada guy from anodda place dat goin make da Syria king change his plan, no matta he no mo respeck fo nobody. Cuz a dat, da Syria king goin come da guy dat nobody get respeck fo!

¹⁹ So afta dis, da Syria king goin back to da strong wall inside his land. But bumbye he goin come weak, so dat nobody goin worry bout him an no goin see um one mo time no moa.

²⁰ “Da king guy dat goin take ova afta him goin sen one guy all ova his land fo colleck tax fo make him still look good. He goin make real hard time fo da peopo. Cuz a dat, nobody goin get respeck fo da king, an afta two-three year, he goin lose powa. Da peopo goin kick um out, but not cuz dey huhu, o cuz dey fight him.

²¹ “Den, goin get one guy dat erybody know he no good. No mo nobody show him respeck, jalike he get da right fo be king fo real kine. But still yet, he goin take ova an come king. Wen erybody tink eryting stay okay fo dem, dis guy goin attack Syria. He goin bulai da peopo wit plenny good kine promise, den he goin grab dem an take ova.

²² Den he goin wipe out one mangus army, an take da powa from da pries guy dat stay in charge a da deal God wen make wit his peopo.

²³ He goin make all kine promise to da peopo fo help dem an dey goin make one promise fo help him. But afta he do dat, he goin bulai dem. Az how he goin come mo an mo strong wit ony litto bit peopo fo help him.

²⁴ Wen erybody tink eryting stay good, dis guy goin take ova da places inside da districk wea da bestes kine food grow. He goin take ova lands, da ones his faddah an ancesta guys neva take ova. He goin take all kine stuffs from ova dea, an give his frenz all da rich kine stuffs dat he take away from da odda peopos. He goin make plan fo take ova plenny big towns dat get strong wall, an he goin do um one by one.

²⁵ “Wit one big army, dis Syria king north side goin make his army strong an ready fo fight. Den he goin fight da Egypt king south side. So da Egypt king an his big strong army goin make war. But cuz da Syria king make one sneaky plan agains da south side, da Egypt king no goin win.

²⁶ Da palace guys dat eat da fancy kine food da Egypt king give um, dey goin try fo wipe out da Egypt king. An da Syria army guys goin push his army guys back, jalike one flood. Plenny guys goin mahke wen dey make war.

²⁷ Den da two king guys goin sit down at da same table an eat togedda. But inside dem, dey stay plan fo do bad kine stuff to each odda. Dey goin bulai each odda. But dea plans no goin come out good fo dem, cuz still yet all dis goin come pau ony wen God tell az time fo come pau.

²⁸ “Wen da Syria king start fo go back his land, north side, he goin bring back rich kine stuffs he wen take from Egypt side. But he make up his mind fo jam up da spesho deal God wen make wit his Jew guys. He goin do wat he like do agains da deal wit God an den go back his land.

²⁹ “Da time come wen God tell, da Syria king goin go agains da south one mo time, but dis time, goin come out diffren den befoa.

³⁰ Da navy boat guys from da west side goin go agains him. An cuz a dat, da Syria king no goin like fight no mo an go back home. He goin talk real bad agains God spesho deal, an do any kine agains God. Wen he go home, he goin make nice an lissen da peopo dat no like God spesho deal.

³¹ ✧ Army guys from da Syria king goin go inside da strong wall aroun da Temple Fo Da One In Charge. Dey no goin let da pries guys make sacrifices dey suppose to make ery day. Den dey goin put up one pilau idol kine statue inside da place dat stay spesho fo Da One In Charge, fo nobody pray to Da One In Charge dea no moa.

³² Da Syria king goin make nice to da peopo dat awready wen go agains God. Dey wen broke da deal awready fo come God side. But da peopo dat know God fo real kine goin come strong an hang in dea, an dey goin fight.

³³ “Da leada guys dat undastan wass happening, dey goin teach plenny peopo fo help dem undastan too. But goin get one time, dey goin get plenny problem, cuz da Syria guys goin kill dose leada guys wit swords, o wit fire. Dey goin catch da leadas an throw um in jail an goin take all dea stuffs.

³⁴ Wen all dis stuff happen to da Jew leada guys, goin get peopo dat help dem litto bit. Plenny odda peopo goin go wit dem an make one promise fo help, but dey no goin do notting.

³⁵ Some a da leada guys dat undastan how come all dis stay happen, dey goin suffa. Az goin be jalike one tes fo da peopo fo make um come clean inside, an no mo notting bad goin stay wit dem. Goin stay lidis till jus da right time.

Da King Dat Like Come Big

³⁶ ✧ “Da Syria king goin do watevas he like do. He goin ack jalike he mo big den all da gods. He goin talk mo bad den da peopo eva hear befo, agains da God Dass Mo Importan Den All Da Odda Gods. An eryting goin go good fo him till da time wen God punish him. Cuz wat God tell gotta happen goin happen fo shua.

³⁷ Da king no goin show respeck fo da gods his ancesta guys wen pray to, o fo da god da wahines like. He no mo respeck fo all da gods. Az cuz he tink he mo big den all da gods.

³⁸ Mo den dat, he goin show respeck fo da god fo da strong wall, one god his ancesta guys neva know. He goin show respeck fo dis god wit gold an silva, an da kine jewel stones dat cost plenny, an odda rich kine presents.

³⁹ He goin attack da towns dat get da mos strong wall an one god from anodda place goin help him. He goin show plenny respeck fo da peopo dat tell he da numba one guy. He goin put um in charge a plenny peopo. He goin give dem guys land if dey pay him.

⁴⁰ “Wen dat time pau, da Egypt king south side goin try fo push back da Syria king north side. But da Syria king guys goin wack da Egypt king guys jalike one big hurricane, wit war wagons, horse rida guys, an plenny boats. Dey goin attack plenny diffren lands an go thru dem jalike one big flood.

⁴¹ He goin attack da Beautiful Land too. He goin make plenny trouble in plenny lands an kill dea peopo, but Edom, Moab, an da leada guys inside Ammon, dey no goin come unda his powa.

⁴² He goin take ova plenny land. Da Egypt peopo goin run away from him.

¹ ✧ Da angel messenja guy tell me dis: "Dat time, Michael, da importan angel prince, da one dat take kea yoa peopo, he goin go by you guys fo take kea you. Goin get one time yoa peopo all presha out, mo den da time yoa peopo wen come one nation firs time, till dat time. But dass da time wen yoa peopo, da ones dat get dea name inside God book, goin get outa trouble.

² ✧ Plenny peopo dat stay mahke, jalike dey stay sleep unda da groun, dey goin come alive one mo time, jalike dey wake up. Some a dem goin come alive fo get da kine life dat stay foeva. Odda peopo goin come alive fo come shame foeva, an odda peopo goin feel pilau wen dey even tink bout dem.

³ Da ones dat know how come dese tings happen, dey goin shine jalike da sky get plenny light. An da ones dat help plenny peopo fo do da right kine tings, dey goin shine jalike da stars foeva an eva.

⁴ ✧ But you, Daniel, put seal on top da roll up sheep skin, fo eryting inside stay secret till da world pau. Plenny peopo goin run aroun dis side an dat side fo try find out mo plenny bout all dis stuff."

Da End

⁵ Den me, Daniel, I look. Right dea in front me, two odda guys stay stan! One guy stay stan on top one side a da riva, an da odda guy stay stan on top da odda side a da riva.

⁶ One a dem tell da angel guy dat get da linen clotheses, dat stay up da riva, "How long goin be till all dis stuff happen an make erybody jaws drop?"

⁷ ✧ Da guy wit da linen kine clotheses, dat stay up da riva, put his two hands up to da sky. I hear him make one strong promise in front God dat stay live foeva. He tell, "Goin be three an a half year till dat time come. Wen da one dat make big kine trouble pau take away da powa from da peopo dat stay spesho fo God, all da stuff I wen tell you goin come pau too."

⁸ Me, Daniel, I hear wat da guy tell, but I no undastan. So I tell, "Boss, wat goin happen afta all dis kine stuff pau?"

⁹ He tell, "Daniel, dass not yoa kuleana. Go awready. No aks mo question. Cuz all dis stuff stay secret till da world pau.

¹⁰ ✧ "Plenny peopo goin clean up
 All da bad kine stuff dey get inside,
 So no mo notting bad goin stay inside dem.
 All dat goin be jalike one tes
 Fo make shua dey stay clean inside.
 But da bad kine guys goin still stay do bad kine stuff.

Hosea Talk Fo God

God Stay Tight Wit His Peopo

¹ ✧ Dis da message Da One In Charge give Hosea, Beeri boy. Dat time Uzziah, Jotam, Ahaz, an Hezekiah stay king fo da Judah peopo. An Jeroboam Numba Two, Jehoash boy, he stay king fo da Israel peopo.

Hosea Wife An Kids (Rome 9:27-28; 1 Peter 2:10)

² Wen Da One In Charge start fo use Hosea fo talk to da Israel peopo, he tell Hosea, "Go marry one hoa, so some a her kids goin come from guys dat not her husban. Dass fo show dat da Israel peopo, same way dey tell 'Laytas' to me an fool aroun wit odda gods!"

³ So Hosea marry Gomer, Diblaim girl. She come hapai an born one bebe boy fo Hosea.

⁴ ✧ Den Da One In Charge tell Hosea, "Give him da name Jezreel. Dat mean 'God scatta.' Az cuz pretty soon I goin punish da Jehu ohana, cuz dey wen kill plenny peopo Jezreel side. Den I goin make da blood line fo da Israel king guys come pau.

⁵ Dat same time, I goin broke da bows an arrows fo da Israel peopo inside da Jezreel Valley."

⁶ Gomer come hapai one mo time, an born one bebe girl. Da One In Charge tell Hosea, "Give her da name Lo-Ruhamah. Dat mean 'Nobody pity her.' Cuz I no goin show pity fo da Israel ohana no moa. An I no goin take away dea blame no moa.

⁷ Mo betta, I goin show pity fo da Judah ohana, an I goin get dem outa trouble. But I no goin do dat wit bows an arrows, o swords, o war, o wit da guys dat ride da horses. I dea God, Da One In Charge, so I no goin need all dat fo me get um outa trouble."

⁸ Afta Gomer pau breas feed Lo-Ruhamah, she born one nodda bebe, one boy.

⁹ Da One In Charge tell, "Give him da name Lo-Ammi. Dat mean, 'Not my peopo.' Cuz you guys no goin be my peopo no moa, an I no goin be yoa God no moa.

¹⁰ ✧ Bumbye da Israel peopo goin come plenny, jalike da sand on top da beach dat you no can eva count o measure um. But inside da same place wea I wen tell dem, 'You guys not my peopo no moa,' laytas peopo goin call dem 'da peopo dat stay tight wit da God dat stay alive.'

¹¹ Den da Judah peopo an da Israel peopo goin come back togedda one mo time. Dey goin pick one leada. An dey goin come up outa da land wea dey stay. Dass goin be one real importan time fo da Jezreel peopo, cuz Jezreel mean 'God plant' too. God goin plant dem inside dis country one mo time!"

*God Punish Da Israel Peopo
An Bring Dem Back
(Rome 9:25-26; 1 Peter 2:10)*

¹ Da One In Charge tell Hosea: "Give yoa Israel braddahs one new name, 'My peopo,' an yoa Israel sistahs, 'Da ones I pity.'

² "But now, Tell yoa kids fo scold dea muddah good,
(Her, da Israel peopo, you know.)

Cuz her not my wife,
An me not her husban.
Her gotta no look jalike one hoa,
An her gotta pau sleep wit odda guys
On top her breases.

³ If she no pau make lidat,
Den I goin make her come naked
Jalike da day she wen born.

I goin make her come jalike da boonies
An jalike da dry land.
An den she goin come thirsty an mahke.

⁴ I no goin show love an pity fo her kids.
Cuz dey wen born afta she fool aroun.

⁵ Wen dea muddah fool aroun.
She come hapai but she no mo shame.
She tell, 'I goin go afta da guys dat make sex wit me,
Da ones dat give me my food an watta,
My wool, my linen, my olive oil, an my wine.'

⁶ Az why me Da One In Charge
Goin block her way wit thorn bushes.
I goin make jalike one wall aroun her so she no can find wea fo go.

⁷ She goin chase afta da guys dat make sex wit her,
But she no goin catch um up.
She goin look fo dem,
But she no goin find dem.

Den she goin tell,
'Eh! Wase time awready!
I goin go back by my firs husban,
Cuz wen I stay wit him,
Eryting mo betta den now.'

⁸ "But she neva know I da one
Wen give her da wheat an barley, da new wine, an da olive oil.
I da one wen give her plenny silva an gold,
Dat her an da guys dat make sex wit her go use um fo da Baal god.

⁹ "Az why I goin take away my wheat an barley wen come ripe
An my new wine wen stay ready.
I goin take back my wool an my linen cloth
Dat suppose to cova her wen she stay naked.

¹⁰ So now I goin show erybody how she make shame
Wen da guys dat make sex wit her stay watch.
Den no mo nobody goin take her outa my powa.

- 11 I goin stop all her religious ceremonies,
 Da spesho times she make ery year,
 Da new moon spesho times, da Res Days,
 An all da odda spesho religious ceremonies.
- 12 I goin wipe out her grape plants an her fig trees
 Dat she tink, 'Da guys dat make sex wit me wen give me dis fo pay
 me!'
 I goin make her trees grow thick togedda
 Fo ony da wild animals eat all da fruits.
- 13 I goin punish her fo all da times
 She go burn incense fo da Baal idols.
 She put on plenny rings an jewelry.
 She go wit da guys dat make sex wit her,
 But she foget bout me."
 Az wat Da One In Charge tell.
- 14 "Az why bumbye I goin make her like fo go wit me.
 I goin lead her back inside da boonies,
 An talk nice to her.
- 15 ✧ Ova dea I goin give her back her grape fields.
 I goin make Trouble Valley come Da Place
 Wea Fo Shua Someting Good Goin Happen.
 An ova dea she goin sing to me jalike wen she stay young.
 Jalike da time I bring up outa Egypt."
- 16 Da One In Charge tell, "Dat time, you goin call me, 'my husban.'
 You no goin call me, 'my boss' no moa.
- 17 I goin take away da names fo da Baal gods from her mout.
 She no goin talk bout dem no moa.
- 18 Dat time I goin make one deal
 Wit da wild animals inside da fields,
 Da birds inside da sky,
 An da small animals dat move aroun on top da groun.
 I goin take away da bows an arrows, da swords, an wars from da land.
 Den erybody can live an no mo notting goin hurt dem.
- 19 I goin make you my wife foeva.
 I goin do eryting da right way, jalike da judge tell.
 I goin stay tight wit you, an show love an pity fo you.
- 20 I goin marry you an you goin trus me.
 An you goin know who me fo shua,
 Da One In Charge."
- 21 Da One In Charge tell, "Dat time, I goin lissen da sky.
 An da sky goin lissen da groun an make rain.
- 22 Den I goin lissen wat da earth like me fo do,
 An I going plant wheat an barley, grape fo new wine, an trees fo olive
 oil.
 Fo make da Jezreel Valley peopo get plenny food.
- 23 ✧ I goin plant da Israel peopo inside da land fo be my peopo.
 I goin show love an pity fo da ones I wen call um Lo-Ruhamah, dat
 mean 'nobody pity dem.'

An fo da ones dat I wen call um Lo-Ammi, dat mean 'dey not my peopo,'
 But I goin tell um, 'Now you my peopo!'
 An dey goin tell, 'You oua God.' "

Hosea Come Back Tokedda Wit His Wife

¹ Da One In Charge tell me, "Go show yoa wife one mo time dat you get love an aloha fo her, no matta anodda guy love her an she stay fool aroun wit him. Go love her, jalike me Da One In Charge still love da Israel peopo, no matta dey turn away an go wit odda gods, an dey plenny ono fo eat da raisin cakes from da ceremonies fo da odda gods."

² So, fo six ounce silva an three gunny bag barley, I buy her back from wea she stay one slave.

³ Den I tell her wat she gotta do: "You goin live wit me long time. You no goin be one hoa no moa, an you no goin sleep wit odda guys, not even wit me."

⁴ Dass jalike one picha: Da Israel peopo goin stay long time. An all dat time, dey no goin get one king o prince, an dey no goin make sacrifice fo da odda gods. No goin get poses fo da odda gods dat stay kapu fo dem, o one spesho ves fo da Main Pries Guy, o small kine statues fo find out wat da odda gods tell.

⁵ An bumbye da Israel peopo goin come back an try fo know dea God, Da One In Charge, an dea king dat come from King David blood line. Dey goin shake cuz dey sked, an get choke plenny respeck fo me, Da One In Charge. An dat time I goin do plenny good kine stuff fo dem.

4

Da One In Charge Poin Finga Da Israel Peopo

¹ You Israel peopo, lissen wat Da One In Charge tell. Cuz he stay poin finga at da guys dat live inside da land. He tell:

"No can trus dem guys!

Cuz dey no stay tight wit me!

No mo nobody inside da land know me, God!

² Dose guys put kahuna on top each odda.

Dey bulai each odda an murda each odda.

An dey rip off peopo.

Dey fool aroun behind dea wife o husban back.

Dey bus up peopo an kill um one afta anodda.

³ Cuz a dat, all da peopo stay sad inside.

Eryting dat live inside da land goin come dry up—

Da wild animals inside da boonies,

Da birds inside da sky,

An da fish inside da watta, dey all goin mahke.

⁴ "Fo shua no good somebody poin finga.

No good somebody tell anodda guy he da one get da blame fo someting,

Yoa pries guys, dey da ones I stay talking about,

Cuz yoa peopo jalike da kine peopo

Dat even poin finga one pries guy.

⁵ You guys trip an fall down day time.

An nite time, da guys dat talk fo God trip an fall down jalike you guys.
Az why I goin wipe out da Israel nation

Dass jalike yoa muddah!

⁶ My peopo stay coming wipe out
Cuz dey donno me.

An cuz you pries guys no like know me,
Az why I no like let you guys be my pries guys.

You guys foget da teaching
Dat come from me, yoa God, Da One In Charge,
Az why I goin foget yoa kids.

⁷ Wen get mo plenny pries guys,
Dey ony do mo plenny bad kine stuff agains me.
Dey trade dea awesome kuleana fo shame kine stuff.

⁸ “Wen da peopo do bad tings,
Dey go bring animals fo sacrifice.
Ony den, da pries guys get plenny fo eat.
So fo dem, az good wen peopo do wass wrong!

⁹ Same same, wat goin happen
To da peopo an to da pries guys?!

I goin punish all a dem
An pay dem back fo da bad kine stuff dey wen do!

¹⁰ Dey all goin eat, but dey no goin get enuff.
Dey goin fool aroun, but dat no goin give um mo kids.

Az cuz dey wen bag from me, Da One In Charge,
Fo go fool aroun
¹¹⁻¹² wit odda gods.

“Dey drink da ol wine an da new wine.
Az why my peopo no undastan notting.
My peopo aks da idol kine gods dey make from wood
Bout wass good fo dem do!

Dey tink one stick can tell um
Wat goin happen bumbye!
Inside, dey ony like fool aroun wit odda gods.
Dat make um no lissen me, dea God fo real kine.

¹³ Dey make sacrifice on top da mountains.
Dey burn incense on top da hills,
Unda da oak tree, da poplar tree, an da terebint tree,
Dey do um wea get good shade.

“Az how come yoa girls come hoaz,
An az why yoa daughtah-in-laws go fool aroun
Behind dea husban back.

¹⁴ I no goin punish yoa girls
Wen dey fool aroun fo money,
O yoa daughtah-in-laws
Wen dey fool aroun behind dea husban back.

Cuz dea guys do da same ting,
Dey fool aroun da hoaz too,
An make sacrifice wit da hoaz
Dat fool aroun inside da temple

Fo da idol kine gods.
 Da peopo no undastan.
 Az why dey goin come all wipe out!

- 15 “No matta you Israel peopo fool aroun lidat,
 I no like fo da Judah peopo make lidat an get da blame.
 No go Gilgal fo pray to dea fake gods!
 No go Bet-Aven fo pray to dea fake gods!
 An no make one promise an tell,
 ‘Fo shua Da One In Charge stay alive,
 An he goin punish me if I no do um!’
- 16 Da Israel peopo, dey hard head.
 Jalike one young hard head girl cow.
 So den, how Da One In Charge goin lead da Israel peopo
 To one big grass field, jalike dey bebe sheeps?! No can!
- 17 Da Efraim peopo stay fool aroun da idol kine gods.
 Let um stay lidat!
- 18 Even wen dey no mo booze, dey still stay fool aroun.
 Dea leadas ony like make shame fo real kine.
- 19 One whirlwind goin blow dem away.
 Wen dey make dea sacrifices to da idols, dey goin come shame cuz a
 dat.”

 Dat show dat dey get da blame.
 Da Efraim peopo an da odda Israel peopo,
 Jalike dey trip an fall down wen dey do bad kine stuff.
 An da Judah peopo trip an fall down wit dem.
- 6 Wen dey go wit dea sheeps, goats, an cows,

Fo find me, Da One In Charge,
 Dey no goin find me.
 Cuz I wen bag from dem awready.
⁷ Me, Da One In Charge, I no trus dem,
 Cuz dey go agains me.
 Dey born kids dat no mo da right fo be my kids.
 Cuz a dat, wen dey make da spesho religious kine ceremony fo da new

 Dey goin come wipe out, an dea property too.

⁸ “Blow da sheep horn trumpet inside Gibeah!
 Blow da metal trumpet inside Ramah!
 Yell fo fight inside Bet-Aven!
 Lead da army guys, you Benjamin guys!
⁹ Da Efraim land goin come all wasted
 Wen I punish dem.
 I goin tell da Israel ohanas
 Wat fo shua goin happen.
¹⁰ Da Judah leada guys ack jalike da steala guys

 Jalike one wattafall.
¹¹ Da Efraim peopo goin get plenny presha.
 Jalike I walk all ova dem wen I judge um.
 Dey make up dea mind fo do wat da idol kine gods tell um fo do.
¹² Me, Da One In Charge goin wipe out da Efraim peopo,
 Jalike da moth wipe out one wool blanket.
 An I goin make da Judah peopo come weak
 Jalike rotten wood.

¹³ “Wen da Efraim peopo an da Judah peopo
 Wen see dey sick,
 Den da Efraim peopo wen go Assyria side
 Fo tell da strong Assyria king help dem.
 But he no can help you guys.
 He no can make yoa sores come pau.

6

Da Israel Peopo No Come Sorry
(Matthew 9:13; 12:7; Efesus 6:17)

1 Da Israel peopo tell,
 “Go come, we go back by Da One In Charge.
 He wen rip us up,
 But he goin make us come good.
 He wen wack us guys,
 But he goin put one bandage on us.
 2 Two days, an he goin make us come strong one mo time.

 Jalike da rain dat come winta time,
 An jalike da rain give watta on top da earth spring time.”

4 But Da One In Charge tell,

 Wat I goin do wit you Judah peopo?
 Wen you guys tink you stay tight wit me,
 Az jalike da mist dat disappea morning time.
 Jalike da dew dat come early an den go way.
 5 Az why I sen da guys dat talk fo me.
 But you neva lissen wat I tell!
 An cuz you no lissen dem, I goin cut you guys up
 Fo kill you wit wat I tell.
 6 ✨Cuz make me feel good,
 Wen you guys stay tight wit me,
 Mo den wen you jus make sacrifice.
 Make me feel good,
 Mo den wen you jus make one burn up kine sacrifice
 Wen you guys know dat I God.

7 “But jalike Adam wen do, dey wen broke da deal dey get wit me.
 Da way dey ack, I no can trus dem.
 8 Gilead, az one big town full a bad kine peopo.
 Dey get stain from da blood a da peopo dey wen kill.
 9 Da pries guys, dey one gang,
 Jalike da steala guys dat hide togedda fo jump somebody.
 Dey kill peopo on top da Shekem road.
 Dey make plans fo do real bad kine stuff.
 10 I wen see real bad tings
 Da Israel an Efraim ohanas stay do.
 Ova dea, dey come pilau
 Cuz dey fool aroun wit odda gods.

11 “An fo you Judah peopo too,
 I wen pick one day awready fo punish you guys.
 Az goin be jalike wen da harves time come
 An you gotta pay fo da bad kine tings you stay do!

Dass da time I wen like bring back my peopo
From wea dey was prisonas,

7

¹ Erytime I wen like make da Israel peopo come good,

Az cuz a da bad kine stuff da Efraim peopo do,
An da crooked kine stuff da Samaria peopo do,

All dat kine stuff show up.

Dey bulai.

Da steala guys bus inside da houses!

Gangs wit da bad kine guys rip off peopo on top da streets!

² But dey no tink dat I rememba

All da bad kine stuff dey do.

Da bad kine stuff dey do still stay all aroun dem.

I erytime see da bad kine stuff dey do.

³ Da prince guys make da king tink az good fun

Cuz dey stay do bad kine stuff.

Da prince guys like fo dem bulai.

⁴ Dey all fool aroun erytime behind dea wife back.

Dey get da hots jalike dey one oven

Wea da guy dat bake bread no need make da fire mo hot,

From wen he poun down da dough till come mo big.

⁵ "Wen oua king make one holiday party,

An da prince guys come hot wit wine,

Den dey make deals

Wit guys dat ack jalike da prince guys junk.

⁶ Inside dey stay huhu

Az jalike one oven dat still stay hot.

Dey come nea da king fo trick um.

Inside dey all huhu, az why dey stay burn all nite.

Az why morning time da guys dat make fun a da king,

Dey stay jalike one real hot fire, ready fo kill him.

⁷ Dey all stay huhu jalike one oven dat still stay real hot.

Dey wipe out dea leada guys.

Dey kill all dea kings cuz a dat.

But not even one a da king guys call to me,

Da One In Charge, fo help um.

⁸ "Da Israel leadas mix wit odda leadas dat donno me.

Da Efraim guys jalike one roun bread dat stay bake ony one side,

But nobody turn um ova fo bake da odda side.

⁹ Da peopo from anodda place take away dea powa.

But da Efraim peopo tink notting wen happen to dem.

Az jalike da Efraim peopo hair come all gray,

But dey donno dey stay weak.

¹⁰ Da Israel peopo get big head,

Az why erybody know dey lose face.

But no matta, still yet dey no come back to me.

Dey no look fo me, dea God, Da One In Charge.

- 11 “Da Israel peopo wen come jalike one dove,
 Stupid kine dat no can undastan notting.
 Firs ting, dey call da Egypt peopo fo help dem.
 Den dey turn aroun an call Assyria.
- 12 Wen dey stay fly, I goin throw my net on top dem.
 I goin pull dem down jalike fo catch birds in da air.
 Wen I hear dey stay come togedda,
 I goin punish dem fo all da bad kine stuff dey wen do!
- 13 “Bummahs fo dose guys
 Dat wen bag from me!
 Dey goin get wipe out,
 Cuz dey wen go fight agains me.
 I stay ready fo buy dem back,
 But dey bulai bout me.
- 14 Dey no call me wit one good heart.
 Dey ony lay on top dea beds an cry loud.
 Dey cut dea body
 Fo odda gods give um wheat an barley an new wine,
 But dey tell ‘Laytas’ to me!
- 15 Was me Da One In Charge wen teach dem an make um strong.
 But dey plan now fo do bad kine stuff agains me.
- 16 Dey no turn to me,
 Da God Dass Mo Importan Den All Da Odda Gods.
 Dey jalike one bow dat you no can trus fo shoot strait,
 Dey good fo notting.
 Dea leadas goin mahke in da war.
 Cuz dey tell how dey stay piss off wit me.
 Cuz a dat, erybody inside Egypt
 Goin make fun a dem.”

8

Da Israel Peopo Goin Get It!

- 1 Da One In Charge tell,
 “Blow da sheep horn war trumpet!
 Da ones dat stay agains dem,
 Az jalike get one eagle bird stay come down fo attack my Temple.
 Az cuz da peopo wen broke my deal wit dem.
 Dey go agains my rules.
- 2 Da Israel peopo call to me fo help. Dey tell,
 ‘Eh, oua God! Us Israel guys know dat you da One!’
- 3 But da Israel peopo like throw out wat stay good.
 Dass why da peopo dat stay agains dem goin go afta dem.
- 4 Dey pick dea kings, but az not da ones I pick.
 Dey pick princes, but az da ones I no like.
 Dey make dea idol kine gods from da silva an gold dey own,
 But da ones dat make um ony goin get wipe out.
- 5 “You Samaria peopo, throw out yoa idol kine god
 Dat look jalike one bebe cow!
 I stay real huhu wit you guys.

How long you guys goin stay do stuff
 Dat I punish, aah?!

6 Somebody from Israel wen make dat idol!
 One guy dat work wit metal
 Wen make da bebe cow kine idol from Samaria.
 Dass not me, God!
 Gotta broke um in small pieces awready!

7 "Az jalike da Israel guys plant da wind,
 An harves da whirlwind!
 Da wheat stalk no mo wheat berry,
 An no can make flour.
 An if some wheat plant get wheat berries,
 Fo shua, goin get guys from anodda place goin eat um!

8 Az jalike odda peopo swallow da Israel peopo.
 Now da Israel peopo come jalike one a da odda peopos
 Dey jalike one ol pot dat not worth notting!

9 Cuz da Israel peopo ack jalike one wild donkey dat go look fo one wahine
 donkey.
 Az how dey wen go Assyria side.
 Jalike da Israel peopo sell dea body
 To da guys dat pay fo fool aroun dem.

10 No matta dey sell dea body to odda peopos,
 Now I goin bring dem back togedda
 Fo punish dem.
 Dey goin start fo come weak
 Cuz one strong king an his leada guys
 Goin put presha on dem.

11 "No matta da Efraim peopo build plenny altars
 Fo make sacrifice wen peopo do bad kine stuff,

 Da fruits, same ting.
 But wen dey come even mo right,
 Dey wen build mo plenny altars fo odda gods.

 But even if we get one king,
 He no can do notting fo us guys!”

⁴ Dey make plenny fake promise
 Dat no mean notting!
 Dey make plenny deal,
 But dey no do wat dey wen promise fo do.
 Az why dey stay take each odda in front da judge.
 Dey jalike da poison weeds
 Dat grow inside one field dat somebody wen plow.

⁵ Da peopo dat live Samaria town stay bodda inside,
 Cuz maybe someting bad goin happen
 To da young cow idol kine gods in Bet-Aven town.

¹⁰ So now, wen I ready, I goin punish da Israel peopo.

 Cuz dey get da blame fo two bad tings dey wen do.

11 Da Israel peopo ack
 Jalike one young girl cow dat somebody wen train
 Fo step da wheat an barley fo da wind take out da junks.
 But I goin do mo den dat.
 I goin put one heavy yoke on top dat cow good looking neck,
 Fo make da Israel peopo pull da plow.
 Da Judah peopo gotta make da groun ready,

¹ ✨ Had one guy Jonah. His faddah Amittai. One time, Da One In Charge tell Jonah fo talk fo him. Dis wat Da One In Charge tell Jonah:

² “No wait! Go Nineveh town now, da main town Assyria side. Tell all da peopo ova dea, I know awready all da pilau kine stuff dey stay do.”

³ But Jonah, he no lissen. He go da odda way fo dig out from Da One In Charge fo go Tarshish side (dass Spain, you know). He go down Joppa boat harbor an find one big boat dat goin go Tarshish. He pay da money fo go, an he go on top da boat fo go Tarshish wit da saila guys. He figga he can go far away from Da One In Charge.

Da Storm

⁴ Wen dey was going, Da One In Charge make one bite hard wind come on top da ocean. Da storm come on top da watta real strong, an da boat litto mo bus up.

⁵ Da saila guys, dey plenny sked. All dem yell fo help to dea gods. Dey throw out da stuffs from da boat fo make um not so heavy, an mo easy fo handle. All dat time, Jonah stay down inside da bottom part a da boat. He lay down inside dea fo sleep an pass out.

⁶ Da captain go by Jonah an yell at him, “Eh! Wassamatta you? How come you stay sleep lidat?! Get up an tell yoa god fo help us! Den maybe yoa god goin tink fo help us guys, o us no wipe out!”

Jonah Tell Dis Storm Come Cuz A Him

⁷ Da saila guys, dey tell each odda, “Eh, good fo us guys fo find out who da guy dat wen make one god mad, fo dis bad ting come to us guys. We go pull straw fo find out who him, aah?” Dey pull straw, an Jonah, he da one lose.

⁸ Dey tell Jonah, “Kay den. You da guy wen make dis bad ting come to us guys. So tell us, who you, an wat kine work you do? Wea you come from? Wat country you come from? Wat kine peopo you?”

⁹ Jonah tell um, “Me, I one Hebrew guy. I get love an respeck fo Da One In Charge, da God Up Dea Inside Da Sky. He da One wen make da ocean an da land.

¹⁰ An I stay run away from him!”

Wen da saila guys hear dat, dey come real sked. Dey tell Jonah, “Eh, why you do dat, aah?”

¹¹ Da waves, dey stay come mo big. So da saila guys tell Jonah, “Eh! Wat we gotta do to you, fo yoa god make da ocean come quiet aroun us guys?”

¹² Jonah tell um, “Take me ova dea an throw me inside da watta. Den da ocean goin come quiet fo you guys. Cuz I know dis big storm wen come to you guys cuz a me.”

Dey Throw Jonah Inside Da Watta

¹³ Da saila guys try firs fo row da boat back to da land. But dey no can, cuz da storm stay come mo big all aroun dem.

¹⁴ Den dey yell fo help to da god Jonah pray to, Da One In Charge. Dey tell, “Eh God! You Da One In Charge! No let us guys come wipe out jus cuz we gotta kill dis guy! If he neva do one bad ting, an we kill um, try let us guys go! Cuz you Da One In Charge, an was you dat wen make all dis happen, not us guys! So no poin finga us!”

¹⁵ Den da saila guys pick up Jonah an throw him inside da ocean. Right den an dea, da waves come calm.

¹⁶ Da saila guys, dey real sked a Da One In Charge, cuz he fo real, an dey like show him plenny respeck. So dey kill one animal fo make one sacrifice fo him, an dey make plenny strong kine promise, wat dey goin do fo him bumbye.

*One Mangus Fish Swallow Jonah
An Layta Bahf Um Up On Top Da Beach
(Matthew 12:40)*

¹⁷ ✨Da One In Charge, he wen make ready one mangus fish fo swallow Jonah. An den Jonah stay inside da fish opu, three days an three nites.

Jonah Pray To God

¹ Wen Jonah stay inside da fish, he pray to God, Da One In Charge.

² He tell:

“Wen I presha out to da max,
I wen yell out to you, Da One In Charge, fo help me,
An you help me.

“Wen I stay inside da fish opu
Was jalike inside da place wea da mahke peopo stay.
I yell fo help,
An you wen lissen me.

Was jalike I stay inside da middo a da Mahke Peopo Place.

³ You throw me down inside one real deep place

Inside da middo a da ocean.

Da watta come all aroun me.

All da surf an big wave dat you sen go ova me.

⁴ I figga lidis: ‘God, he wen throw me out!

He make me go wea he no can see me!

But still yet, I goin see one mo time

Da Temple dass spesho fo God!’

⁵ Da watta wen come ova me an I almos mahke!

Da deep watta come all aroun me.

An da seaweed wrap aroun my head.

⁶ I go down to wea da mountains stan,

On top da ocean bottom.

Jalike I go down to da Mahke Peopo Place,

Dat get one lock fo keep me inside,

An I no can go outside, eva!

But you, you da God I pray to, Da One In Charge!

You wen bring me up outa da grave,

An I alive still yet!

- 7 “Wen I feel jalike I goin stay alive ony litto bit moa,
 I tink plenny bout you cuz you Da One In Charge.
 I wen pray hard fo you help me
 Ova dea wea you stay
 Inside da Temple dass spesho fo you.
- 8 Whoeva go down in front
 Da good fo notting idol kine gods,
 Dey no like stay tight wit you.
 An dey tell ‘Laytas!’ fo you stay tight wit dem.
- 9 But me, I like make one sacrifice fo you bumbye,
 An sing an tell you dat you da greatestes!
 Da ting I wen promise you dat I goin do,
 I goin do um!
 Cuz you Da One In Charge,
 An you da One wen get me outa trouble!”
- 10 Den God tell da big fish bahf up Jonah on top da beach.

Jonah Do Wat Da Boss Tell Um Fo Do

- 1 One mo time Da One In Charge talk to Jonah. He tell Jonah dis:
 2 “No wait! Go Nineveh town, da main town Assyria side. Tell da peopo ova dea all da tings I stay tell you now.”
- 3 So Jonah, right den an dea he go Nineveh, jalike Da One In Charge wen tell um fo do.
 Nineveh, dass one mangus town, you know. Need three days fo walk all ova da town.
- 4 ✨Wen Jonah get dea, he start fo go hea an dea inside da town. He walk fo one whole day. He talk fo erybody hear: “Ony get forty days moa, den God goin wipe out Nineveh town!”
- 5 Da Nineveh peopo, dey lissen wat God tell. Dey tell erybody, “Bummahs! All us guys betta not eat, mo betta we go pray!” Da importan peopo an da regula kine peopo, stay put on burmbag kine clotheses fo show dey stay sorry inside.
- 6 Den da king fo Nineveh, he hear bout wat Jonah stay tell too. He stan up from his throne, take off his fancy king kine robe, an put on burmbag kine clotheses an go sit down on top da ashes, fo show he stay sorry inside.
- 7 Da king sen guys all ova Nineveh town fo tell da peopo fo come togedda. Den he tell erybody: “Da king an da alii guys, we all tell dis: Nobody goin eat notting now—da peopo an all da animals, da cows, da sheeps, no goin eat! All us goin pray! Da animals no can eat grass o drink watta.
- 8 Erybody gotta put on burmbag kine clotheses, all da peopo an da animals, fo show dey stay sorry inside. Erybody gotta go all out fo yell to God fo help! Erybody gotta no do bad kine tings! Erybody gotta no hurt odda peopo no moa!
- 9 Nobody know if God goin change his mind bumbye. He tell ‘Laytas’ to da kine tings us guys stay do, but maybe he goin show pity an change his mind so us guys no come wipe out!”
- 10 God, he see wat dey stay do, an see dat dey change how dey ack an no do bad kine tings no moa. Az why he change his mind an no do bad tings

to dem, da way he wen tell befo time dat he was goin do. Cuz a dat, he not goin do notting bad to dem.

4

Bodda Jonah Cuz Da Peopo Come Sorry

¹ Wat God wen tell bodda Jonah plenny, cuz God wen let go da Nineveh peopo. Jonah come real huhu wit God cuz a dat.

² ✧Jonah pray to Da One In Charge lidis: “Bummahs! You Da One In Charge! You know, all dis happen jalike I wen tell wen I stay my country! Dass why I wen run away fas fo go Tarshish side, you know. Fo shua you da kine God dat like do good tings fo peopo an show pity fo dem. Take long time befo you come huhu. You stay tight wit yoa peopo long time an give um chance. Dass why you change yoa mind an no punish da bad kine stuff peopo do.

³ ✧You, you Da One In Charge! Kill me now, cuz mo betta I mahke den stay alive!”

⁴ But Da One In Charge tell Jonah, “So? You tink dass good fo you stay huhu cuz da Nineveh peopo stay sorry fo da bad kine stuff dey do, o wat?”

God Take Kea Jonah

⁵ Afta Jonah tell da Nineveh peopo wat God wen tell him, Jonah go outside Nineveh town, an he stay ova dea da east side. He build one shack ova dea, fo get shade. Jonah wait ova dea fo find out wat goin happen wit da peopo inside da town.

⁶ God, Da One In Charge, make one tall castor bean plant grow dea. He make da leaf cova Jonah head fo make shade. Dass how God make um mo betta fo Jonah. An Jonah stay plenny good inside cuz a da plant.

⁷ But da nex day, wen still yet litto bit dark jus befo da sun come up, God make one army worm go up da plant. Da army worm go afta da bush an make um come all poho.

⁸ Den, da sun come hot. God make one hot wind come from da east side. Da sun shine real strong on top Jonah head, an he litto mo pass out. Jonah tell God, “How come you no jus let me mahke?! Mo betta fo me mahke den stay alive!”

⁹ God tell Jonah, “So! You tink dass good you stay huhu cuz da plant gone awready?!”

Jonah tell um, “Yeah! Az good dat I stay real huhu an like mahke!”

God Show Pity To Da Nineveh Peopo

¹⁰ But Da One In Charge tell Jonah: “Kay den. One nite dat plant come up, an da nex nite, da plant mahke. You, you neva do notting fo make da plant come up, an you neva do notting fo make um grow. Still yet, you neva like see notting bad happen to dat plant, aah?

¹¹ “So now, tink bout me. I no like see notting bad happen to da Nineveh peopo! Get mo den hundred twenny tousan peopo ova dea inside Nineveh, you know, an all dea animals. An da peopo dea jalike small kids dat donno notting bout wass right an wass wrong, jalike dey donno wass dea right hand an wass dea lef hand!”

Micah Talk Fo God

¹ ☆Wen Jotam, den Ahaz, an den Hezekiah stay king Judah side, Micah from Moreshet town talk fo Da One In Charge. Dis wat Da One In Charge show Micah bout Samaria an Jerusalem:

*Da One In Charge Goin Punish
Samaria An Jerusalem*

² All you peopos, lissen dis!

Erybody on top da earth, lissen good:

Da One In Charge a me stay inside

Da Temple dat stay spesho fo him,

He poin finga you guys.

³ Look! Da One In Charge stay come

From da place wea he stay.

He come down.

He walk on top da high places

All ova da world.

⁴ Jalike da mountain melt unda him,

Jalike da wax melt in front da fire.

An jalike da valley bus open,

Wen da watta come down da mountain real fas.

⁵ All dis stuff goin happen,

Cuz da peopo dat come from Jacob

Go agains wat Da One In Charge

Wen tell um fo do!

Da peopo dat come from Israel

Stay do bad kine stuff!

Who get da blame cuz da peopo dat come from Jacob

Go agains Da One In Charge, aah?

Da Samaria peopo, in dea main town,

Dey get da blame!

Wea da peopo dat come from Jacob,

Dey go make sacrifice to da odda gods, aah?

Da Judah peopo, in dea main town Jerusalem,

Dass wea dey go down in front da idol kine gods.

⁶ Da One In Charge tell:

“Az why I goin bus up Samaria,

An make um come one big pile rocks in da countryside,

Goin come one flat place fo plant grapes.

Da stones dey use fo build, I goin roll um all down da valley.

An I goin leave ony litto bit dirt wea dey wen build house.

⁷ I goin smash all da idol kine gods

Dat da Samaria peopo wen make.

Da presents guys give to da temples ova dea,

Fo dem fool aroun wit da wahines dat work dea,

☆ **1:1** 1:1 a: 2Kings 15:32-38; 2Rec 27:1-7; **b:** 2Kings 16:1-20; 2Rec 28:1-27; **c:** 2Kings 18:1-20:21; 2Rec 29:1-32:33

I goin burn um all up.
 I goin take all dea idol kine gods
 An make um come one pile a junk.
 Da Samaria wahines fool aroun fo money.
 An da Samaria peopo make idol kine gods
 Wit da money from dose wahines.
 But bumbye, da guys dat stay agains Israel
 Goin take away dat money
 Fo pay odda wahines dat fool aroun in odda countries.”

⁸ Micah tell:
 “Cuz a dis, I goin cry real hard an real loud.
 I goin walk aroun barefeet an naked,
 Fo show dat I stay sad inside.
 I goin cry real loud jalike one wild dog,
 An make sad noise jalike one pueo.
⁹ Cuz nobody can make Samaria town
 Come good
 Cuz stay all bus up.
 Now da Judah peopo suffa too.
 Da army guys dat stay agains us guys stay by oua gate awready
 By Jerusalem, da big town.

*Da Peopo Dat Hate Us
 Come Nea Jerusalem*

¹⁰ “No tell da Filisha peopo Gat side bout dis!
 No cry bout dis in front da peopo inside Akko, da Crying Town.
 You peopo inside Bet-Ofrah, da Dirt Town,
 Go roll inside da dirt fo show you guys stay bum out.
¹¹ You guys dat live inside Shafir, da Nice Looking Town,
 Go wea da guys dat stay agains us take you,
 No matta you stay naked an shame.
 Da peopo inside Zaanan, da Marching Town,
 Dey stay sked, dey no come outside dea town wall.
 Da peopo inside Bet-Ezel, da Hill Town, stay sad an crying.
 Dey no can help you notting.
¹² Da peopo inside Marot, da Bad Taste Town, dey wait fo somebody help
 dem.
 Dey suffa, cuz bad kine stuff happen to dem from Da One In Charge.
 Da army guys dat stay agains us guys stay come all da way
 By da Jerusalem town gate awready.
¹³ You peopo dat live Lakish, da Horse Town,
 Tie da war wagons to da horses fo you run away!
 Cuz you guys was da firs ones dat wen do bad kine stuff
 Wen you guys wen copy wat da Israel peopo stay do.
 Az how you guys wen lead da Jerusalem peopo
 Fo do bad kine stuff too.
¹⁴ You Judah peopo goin sen goodbye kine present
 To da peopo inside Moreshet-Gat,
 Cuz dey goin go way.
 Da Israel king guys no can trus
 Da peopo inside Achzib, da Dry Puka Town.”

15 Da One In Charge tell:
 “You guys dat live Mareshah town,
 I goin sen somebody fo come take ova yoa town.
 No matta da leada guys fo da Israel peopo stay importan,
 Dey goin go hide inside da Adullam cave,
 Jalike how King David wen do.
 16 Shave off yoa hair an come bolohead
 Fo show you guys stay sad inside.
 Cuz da kids dat you guys get plenny love an aloha fo,
 Da army guys goin make dem prisonas
 An take dem away.
 So come bolohead jalike one scavenja bird!”

2

God Goin Punish Da Guys Dat Make Hard To Da Peopo Dat No Mo Notting

1 “Bummahs, fo da guys dat make plan fo do bad kine stuff!
 Dass wat dey tink bout wen dey res on top dea bed.
 Den wen da sun come up dey go do um,
 Cuz dey get da powa fo do um.
 2 Dey fo real kine like grab odda peopo fields fo ony dem,
 An steal dea houses.
 Dey put presha on peopo an scam um,
 Den dey take away dea house an dea property.”

3 Az why Da One In Charge tell dem,
 “You guys know wat?! I stay make one plan
 Fo punish you buggahs an yoa bad ohanas!
 You guys no can get outa dis trouble,
 Cuz goin be jalike one yoke stay tie aroun yoa neck
 An no can take um off.
 You guys goin get real plenny trouble.

Az why you guys no goin walk aroun wit big head!

4 Dat time, peopo goin sing one song bout you guys.
 Dey goin make fun a you guys.
 Dey goin ack jalike dey cry an make long face.
 Dey goin sing dis sad song:

‘Da One In Charge split up oua property!
 He take away da land from oua peopo!

Now us no mo notting!

He give oua fields to da guys dat wen make us prisonas!’ ”

5 Az why da peopo a Da One In Charge goin come togedda,
 But you no goin get nobody dat can pull straw
 Fo tell who goin get wat piece land.

Da Fake Guys Dat Tell Dey Talk Fo God

6 Da bulaia guys dat tell dey talk fo God, dey ack jalike dey da ones, an
 not me, stay talk fo God! Dey tell me,

“Eh! Micah! No talk bout all dat kine stuff
 Jalike you da one stay talk fo God fo real kine!

Da bad kine troubles dat you talk bout,
 No goin happen to us guys!

God no goin make us come shame!”
 7 But you Jacob ohana peopo,
 You guys tink az good you talk lidat, o wat?!
 You tink da Spirit a Da One In Charge come huhu too fas?
 You tink az how he do stuff, o wat?

Da One In Charge tell:
 “Fo shua, wat I tell make good tings happen
 Fo da peopo dat do right kine stuff.
 8 But right now, my peopo go agains me.
 You guys rip off da rich kine clotheses
 From da peopo dat come by hea an no mo worry.
 Jalike wen guys come home from fight one war.
 9 You make da wahines from my peopo run away
 From dea nice houses.
 You make dea kids so dey no mo da right eva
 Fo get all da awesome stuff I like do fo dem.
 10 Stan up! Go way!
 Cuz dis land not yoa place fo res!
 Az cuz you guys wen make da land come all pilau.
 Now, stay all jam up an no can fix um.
 11 If one guy come bulai you guys an tell,
 ‘I goin tell you guys wat God tell me—
 You guys goin get plenny wine an beer.’
 Dat bulaia kine guy goin be da kine talka guy dat you guys like!”

But God Goin Bring Um Back Home

12 God tell:
 “Fo shua I goin bring all you Jacob peopo togedda,
 An bring togedda da Israel peopo dat stay still yet,
 Goin be jalike plenny sheeps inside one fence,
 Inside wea get green grass fo dem.
 Goin get plenny peopo ova dea.
 13 One guy goin bus open da way an go in front dem.
 Dey goin bus thru da gate an go outside.
 Dea king goin go firs befo dey go.
 Da One In Charge goin lead dem.”

3

Da Leada Guys Do Pilau Kine Stuff

1 Den me Micah tell:
 “Lissen up, you leada guys dat come from Jacob,
 You guys dat stay in charge a da Israel ohana.
 You da guys suppose to know wass right an wass wrong, aah?
 2 But you guys, you hate da good kine stuff,
 But get love fo da bad kine stuff!
 You guys pull da skin off my peopo
 An take da meat off dea bones!
 3 Jalike you guys eat da meat off my peopo,
 You cut dea skin fo make strips.
 Afta dat you guys broke up
 Dea bones fo make um small.

You cut um up an put um all inside one pot
Fo cook da meat on top da fire.

⁴ Bumbye, dose leada guys goin yell real loud
Fo Da One In Charge help dem.
But he no goin ansa dem!

Dat time he goin hide his face from dem guys,
Cuz a all da bad kine stuff dey wen do.”

⁵ Dis wat Da One In Charge tell
Da bulaia guys dat tell dey talk fo him:
“You guys stay lead my peopo wrong way!
Wen somebody give dem someting fo eat,
Dey tell, ‘Eryting okay!’

But wit whoeva no give dem notting
Dey start one war!

⁶ Az why nite time goin make eryting dark fo you guys.
You guys no goin dream notting.

Goin come all dark,
So you guys no can make ceremony fo find out
Wass goin happen afta.

Da sun goin go down fo you guys dat tell you talk fo me,
Wat you guys stay do no goin be lidat no moa!

⁷ “Da guys dat tell dey see wat odda peopo no can see,
Goin come shame.

An da guys dat tell wat goin happen,
Dey all goin lose face,
Cuz God no tell dem notting dey aks um about.”

⁸ Den me Micah tell,
“Fo shua, wit da spirit from Da One In Charge,
I stay real strong,

He help me figga wass right an wass wrong,
An make me come strong

Fo tell da Jacob an Israel peopo
All da bad kine stuff dey stay do.

⁹ “Lissen up now, you leada guys dat come from Jacob,
An you main guys dat stay in charge a da Israel ohana!
You guys tink az pilau, wen da judges judge da right way!
You guys take eryting dass right,
An make um come all kapakahi.

¹⁰ You guys kill peopo fo you build up Mount Zion,
An judge da wrong way fo you build up Jerusalem town.

¹¹ Dea main guys take unda da table kine money
Fo judge dat da guy dat pay um, he da one stay right.
Dea pries guys teach da Rules from God,
But ony if da peopo pay um too.

Da guys dat tell dey talk fo God,
Make da peopo pay fo tell dem wat goin happen.

But same time dey talk bout how dey trus Da One In Charge, an tell:
‘Da One In Charge stay hea wit us guys.
So no mo notting bad goin happen to us guys!’

12 ✨Fo shua, cuz a you guys,
 Da peopo dat stay agains us goin plow Mount Zion jalike az one field.
