¹⁵ Dis how big you gotta make da boat: 150 yard long, an 25 yard wide, an 15 yard high.

¹⁶ Make one roof on top da boat, an make um open all roun, eighteen inch down from da roof, fo da light go inside. On da side, make one door fo da boat. Inside, make da bottom deck, da middo deck, an da top deck.

¹ Den Da One In Charge tell Noah, “Time awready! Go inside da boat, you an all yoa ohana. Cuz from all da peopo dat stay alive, you da ony guy I see dat do da right ting erytime.

² I like fo you take da diffren kine animals. Take da right kine fo make sacrifice an fo eat. Fo all dose kine, take seven boy kine an seven girl kine wit you. Da odda animals dat not da right kine fo make sacrifice an fo eat, fo ery kine take two, one boy kine an one girl kine.

²⁷ How come you bulai me fo you run away? You steal stuff from me an neva tell me notting, aah? If you wen tell me you goin go befo time, I goin make one big party fo let you go, wit songs an tammorine an harp!

²⁸ But you, you neva even let me kiss my daughtahs an my grankids fo tell um aloha! Dass stupid fo make lidat!

²⁹ "I get da powa fo hurt all you guys, you know. But las nite, da God dat yoa faddah guy pray to, he tell me, 'Watch out! No say notting to Jacob, bad kine o good kine.'"

³⁰ I tink, you gotta hele on, cuz you tink plenny bout yoa faddah guy house. But, how come you steal my idol kine gods?"

Laban Look Fo Da Idol Gods

³¹ Jacob tell Laban, "I was sked cuz I tink you goin take back yoa daughtahs an bus me up. Dass how come I run away."

³² But fo yoa idol gods?! If you find dem wit one a my peopo, dat guy no goin stay alive! I tell dis in front all oua ohana guys: You show me one ting I get dass yoas, an you can take um back!" Jacob talk lidat cuz he neva know dat Rachel wen steal da idol kine gods.

³⁷ Cuz you wen go look ova eryting I get. Wat ting you wen find hea dat come from yoa house? Put um hea, in front da whole ohana fo dem see

um! Den let yoa ohana guys an my ohana guys figga, if I owe you someting, o not!

³⁸ “Twenny year I stay wit you. Yoa girl kine sheeps an goats, dey neva lose even one bebe. Yoa boy kine sheeps, I neva kill even one fo eat.

³⁹ Wen da wild animals kill one a yoa sheeps o goats, I neva bring da body to you. I pay fo um, so you neva lose notting. You make me pay, no matta was day time o nite time dat da wild animal wen steal um.

⁴⁰ Dis how was: I work day time wen too hot fo work, an nite time wen come real cold, an I no can sleep.

⁴¹ Yeah, dass wat happen to me, da twenny year I stay wit you. I wen work fourteen year fo marry yoa two daughtahs, plus six year fo pay you fo da sheeps an goats. An den, you change my pay plenny times.

If he neva stay wit me, you no give me notting, an tell me fo go way. But God, he see da real hard time I get, an da real hard work I do. Las nite, wat he tell you wass right, cuz he da Judge.”

⁴⁹ Dey call da rock pile Mizpah too, dat mean “Place Fo Watch From,” cuz Laban tell, “I like Da One In Charge watch you an watch me, all da time dat us no can see each odda.

⁵⁰ If you make any kine to my daughtahs, o if you marry odda wahines, no matta no mo nobody dat know dat. No foget: God know wat happen wit you an me.”

⁵¹ Den Laban tell Jacob, “Look. Dis da rock pile I wen make, an dis da rock dat stan dea jalike one pos. I goin stay one side, an you stay da odda side.

⁵² Dat pile an dat pos, dey stay dea fo us no foget dat I not suppose to go da odda side dis pile fo bus you up, an you not suppose to go da odda side dis pile an dis pos fo bus me up.

⁵³ I like da God fo yoa granfaddah Abraham an fo my granfaddah Nahor be da judge, if I stay right o if you stay right.”

¹⁷ He tell da worka guy dat go firs, how he gotta make. He tell um, "My braddah Esau goin see you, an he goin tell, 'Eh! Who yoa boss guy? Wea you goin go? Dis animals you stay bring, who da owna?'"

¹⁸ Den you tell my braddah dis: 'All dis animals, az from Jacob, yoa slave guy. He stay sen um az one present fo show respeck fo my boss Esau. Jacob, he goin come bumbye.' "

¹⁹ Jacob tell da numba two worka guy fo do da same ting, same ting fo da numba three guy an all da odda guys dat goin go wit da animals. He tell all dem fo tell Esau same same wen dey see um.

²⁰ He tell um fo tell dis too: "Yoa slave guy Jacob, he goin come afta us guys." Cuz Jacob figga, "I goin sen present befo I get dea. Den maybe dat make um no get plenny huhu wit me wen I see um. Maybe he let me go."

²¹ So all da animals fo make present fo Esau wen go ahead, but Jacob dem, dey stay da place dey wen camp out dat nite.

Jacob Meet God

²² Nite time, Jacob wake up, an take his two real wives, an da two odda wives, an his eleven kids. He tell um all fo go cross da Jabbok Stream togedda, one place you can go cross.

²³ Afta all dem go da odda side a da stream, Jacob tell his worka guys fo take all his stuffs da odda side.

²⁴ ✨He da ony guy dat stay dea.

Had one guy dea dat come an wresso wit Jacob all nite till start fo come litto bit light.

²⁵ Wen da guy see dat he no goin win, he wack Jacob, da place wea da leg go inside da hip bone, an he pull da leg bone outa da hip bone.

²⁶ Da guy tell Jacob, "Let me go! Get litto bit light awready."

Jacob tell da guy, "No way I goin let you go. You gotta make one ceremony fo me firs fo make good tings happen to me. Den I let you go."

²⁷ Da odda guy tell, "Wat yoa name?"

Jacob tell, "Jacob."

²⁸ ✨Da odda guy tell, "From now, yoa name no goin be Jacob. Yoa name Israel now, cuz you make fight wit God an wit peopo, an you win." ("Israel," dat mean "make fight wit God," dea language.)

²⁹ ✨But den Jacob tell, "Try tell me yoa name?"

But da guy tell, "How come you like know? No good you aks me dat!" Right den an dea, da guy tell Jacob da spesho tings God like do fo him.

³⁰ Jacob give dat place da name Peniel, dat mean, "God face." Cuz he tell, "I wen see God! I wen look his face, an I alive still yet!"

³¹ Jacob hele on, an wen he go by Peniel, da sun come up. But Jacob no can walk good cuz a da hip.

³² (Dass how come da Israel ohana peopo, nowadays, wen dey eat meat, dey no eat da part wea da leg bone go inside da hip bone, cuz dass da place wea da guy wen wack dea ancesta Jacob dat nite.)

33

Jacob An Esau Make Good To Each Odda

¹ Jacob look, an ova dea, he see Esau stay coming—an four hundred odda guys wit him! So Jacob tell Leah an Rachel an his two odda wifes fo all dem take dea kids wit dem.

² He tell da two odda wifes, Zilpah an Bilhah, fo go firs wit dea kids. Afta dem, he sen Leah an her kids. An las, he sen Rachel an Joseph.

³ Den Jacob go fas an go in front his wifes an kids. Wen Jacob come nea his braddah Esau, he go down put his face on top da groun fo show respect to Esau, till he come nea his braddah, an he do dat seven time.

⁴ Esau run to Jacob fo tell um aloha. Esau give his braddah Jacob one big hug, an kiss um, an dey cry togedda.

⁵ Den Esau look aroun, an he see da wahines an da kids stay coming. He tell um, “Dis peopo dat wit you, who dem?”

Jacob tell um, “God do plenny good stuff fo me, yoa slave. Dey da kids dat God wen give me.”

⁶ Den da two odda wifes an dea kids come by Esau an go down on top da groun fo show um respect.

⁷ Den Leah an her kids come, an dey go down on top da groun fo show respect. Afta Leah, Joseph an Rachel come, an dey go down on top da groun fo show respect too.

⁸ Esau tell Jacob, “All da bunch animals I wen meet awready, dass yoas ones too, o wat?”

Jacob tell um, “Yeah. I wen sen dem by you fo one present, fo you make good to me cuz you da boss.”

⁹ Esau tell um, “But my braddah, I get plenny stuffs awready. Mo betta you keep all yoa stuffs. Dass fo you.”

¹⁰ Jacob tell Esau, “But try take dis present dat I stay give you cuz I like you stay good to me. Cuz erytime I look you, jalike I look God face, cuz you take me in wit aloha.

¹¹ Az why, take da present I give you. God do plenny good kine stuff fo me, an I get plenny stuffs.” Jacob stay tell Esau fo take da present, an den Esau take um.

¹² Den Esau tell Jacob, “Kay den, get ready an we go togedda. I go firs cuz you guys no can go fas.”

¹³ Jacob tell um, “Eh, you da boss. But some a da kids still small an not strong, an da sheeps, da goats, an da cows, dey stay give milk to dea bebes, an I gotta take kea dem. If my guys make um go too fas, even one day, bumbye all da animals goin mahke.

¹⁴ You da boss an I da slave guy, so go firs, an I come afta, easy kine, how da animals an da kids walk. Dass how I goin go by you, my boss, Seir side.”

¹⁵ Den Esau tell, “Kay den, I tell some a my ohana guys hea fo go wit you fo help.”

But Jacob tell, “Eh, brah, no need! You da boss, an you stay make plenny good to me awready!”

Jacob Make House Shekem Side

¹⁶ Az why Esau guys go back Seir side dat same day.

¹⁷ But Jacob, he go Sukkot. Ova dea, he build one house fo him an make shade places fo da animals. Dass how come da place get da name Sukkot, dat mean "shade places," dea language.

¹⁸ All dis wen happen da time Jacob come all da way from Paddan-Aram. Had one time afta dat, Jacob move house Shekem town, inside da Canaan land. Da Shekem peopo tell, "Go come make house ova hea," an notting bad happen to him. Jacob put up his tents in front Shekem town.

¹⁹ ✧Dat land wea Jacob put up da tent, dass da one he wen buy from da Hamor ohana. (Hamor, he Shekem guy faddah.) Jacob wen pay da Hamor ohana peopo hundred piece da ol kine silva money.

²⁰ Jacob put up one altar dat place, an he call um El-Elohe-Yisrael, dat mean "God, he da God fo Israel," dea language.

34

Da Rape

¹ Jacob had one daughtah, her name Dinah. Leah wen born her fo Jacob. One time Dinah go holoholo fo make visit wit some a da wahines dat live Shekem.

² Da main guy, dat land, was Shekem, Hamor boy from da Hiv peopo. Shekem spock Dinah, an he take her an rape her.

³ Den he start fo feel plenny love fo Dinah, Jacob daughtah. So he make nice to her.

⁴ Shekem tell his faddah Hamor, "I like you get me dis girl fo come my wife."

Da Faddah Like Make One Deal

⁵ Jacob find out dat Shekem wen make pilau kine to his daughtah Dinah. But his boys stay inside da boonies wit da cows dat time. An Jacob neva say notting till afta da boys come home.

⁶⁻⁷ Shekem faddah guy Hamor go outa da town fo talk wit Jacob. He stay talking wit Jacob same time Jacob boys come back from inside da boonies. Wen dey find out wat wen happen, bodda dem plenny, an dey come plenny huhu, cuz Shekem make real pilau kine wit da Israel ohana wen he wen rape dea sistah, an dass not da kine ting suppose to do.

⁸ Hamor talk wit Jacob an his boys. He tell dem, "My boy Shekem, he get plenny love inside fo yoa daughtah an he like marry her. Try give her to him fo come his wife.

⁹ We goin make one deal fo you guys marry oua daughtahs, an us marry yoa daughtahs, aah?

¹⁰ You guys can live inside dis land wit us, any place you like live, any place you like go. You guys can make house hea, dis land."

¹¹ Den Shekem talk to Dinah faddah an braddah guys too. He tell um: "I like you guys make good to me. I pay wateva you guys tell me.

¹² No matta how plenny stuffs you guys tell me fo pay you fo me marry da girl, I give you dat, an I give you guys presents too. I like pay wateva you guys tell me. Jus give me da girl fo come my wife!"

Da Plan

¹³ Wen Jacob boys ansa Shekem an his faddah guy Hamor, dey ony bulai dem. Dey talk lidat cuz a wat Shekem wen do to dea sistah Dinah.

¹⁴ Jacob boys tell Shekem guys dis: “Us guys no can give oua sistah to one guy dat neva cut skin. Cuz fo oua ohana, shame she marry one guy dat neva cut skin.

¹⁵ Ony one way we make one deal wit you guys. If you guys come jalike us guys, an all dem from yoa ohana cut skin, den okay.

¹⁶ Den you guys can marry oua daughtahs, an us guys can marry yoa daughtahs, an us can live hea, an all goin come jalike one ohana.

¹⁷ But if you guys no like lissen fo go cut skin, den us guys goin take her an go way.”

¹⁸ Hamor an his boy Shekem, real fas dey tink, az one good deal dat.

¹⁹ Da young guy Shekem, he no wait. Right den an dea he do how dey tell um, cuz he like Jacob daughtah plenny, an he da main guy fo all da Hamor ohana.

²⁰ So Hamor an his boy Shekem, dey go da place by da town gate wea da importan peopo hang out, an dey talk to da odda guys from dea town dat stay dea. Dey tell,

²¹ “Dis peopo, dey oua fren. Dey no goin fight wit us guys, you know. Good dey live inside dis land, an go any place dey like, cuz ova hea get plenny land fo dem. Good fo us take dea daughtahs fo come oua wifes, an we give dem oua daughtahs too.

²² But fo make one deal wit dem fo live wit us guys an come jalike one ohana, all us guys gotta cut skin jalike dem.

²³ An if we do dis, dea cows an dea stuffs an all dea animals, all dat goin be fo us guys! Fo dem make house wit us guys, ony get dis one ting we gotta tell we goin do, jalike dey tell us fo do.”

²⁴ So all da guys from da town dat stay ol enuff fo dea army lissen Hamor an his boy Shekem. An dey all cut skin.

Jacob Boys Bus Up Da Shekem Peopo

²⁵ Three day afta da Shekem guys cut skin, dey still sore. Simeon an Levi, Jacob boys an Dinah braddah guys, dey take dea swords an go inside da town, an nobody know dey stay coming. Az how dey kill all da guys.

²⁶ Hamor an his boy Shekem, dey kill dem too wit swords. Den Simeon an Levi take Dinah outa Shekem house an go back dea place.

²⁷ Jacob odda boys, dey go da town wea da mahke bodies stay, an steal eryting from da mahke guys houses, all ova da town, cuz az wea dea sistah wen get rape.

²⁸ Jacob boys take all da sheeps an goats an cows an donkeys, eryting dat get inside da town an outside da town.

²⁹ Dey take all da stuff dass worth plenny, an all da kids an da ol peopo, an da mahke guys wifes, eryting inside dea houses. Jalike one army, dey take da wahines an da kids, an dey steal eryting from inside dea house.

³⁰ Laytas, Jacob tell Simeon an Levi, “You guys! You make me come kapu da way erybody see me! Cuz a dis, da peopo dat live inside dis land, da Canaan peopo an da Periz peopo, dey goin hate me, jalike I haunas! I no mo plenny guys wit me, you know. So if dey come togedda fo fight me, dey goin bus me up fo real kine an wipe me out, me an my ohana.”

³¹ But da boys tell Jacob, “Wot! You tink az good fo dem make to oua sistah jalike she one hoa, o wat? No way!”

⁵ "I hear how da Israel peopo stay moan, cuz da Egypt peopo stay make dem work fo dem. I no foget da promise I wen make wit dem.

⁶ So den, go tell da Israel peopo dis: Me, Da One In Charge. I goin take you guys away from da hard work dat da Egypt peopo make you guys do. ²³ I goin make diffren kine fo my peopo an fo yoa peopo. Tomorra, dass wat goin happen. Goin be jalike one sign fo you see.’ ”

²⁴ An dass wat Da One In Charge do. All kine flies go inside da palace wea da Pharaoh guy live. Dey even go inside da houses wea da palace peopo live. All ova da Egypt land, da land come poho cuz a da flies.

²⁵ Den da Pharaoh guy tell Moses an Aaron fo come by him. He tell um, “Go awready! Make sacrifice fo yoa God! But do um inside dis land.”

²⁶ Moses tell um, “Not right if we do um da way you tell us. Da kine animals we goin kill fo make sacrifice fo oua God, Da One In Charge, da Egypt peopo tink dat kine animal pilau. An you know wat? If us guys go kill dat kine animal, an da Egypt peopo see us, fo shua dey goin throw rocks fo kill us guys!

²⁷ Dass why us guys gotta walk three days fo go all da way inside da boonies, fo us make da sacrifice dea, wateva kine oua God, Da One In Charge a us, tell us we gotta make.”

²⁸ Da Pharaoh guy tell, “Kay den. I let you guys go da boonies fo make one sacrifice fo yoa God, Da One In Charge. Ony one ting—no go far inside da boonies, you hear? Now, tell yoa God fo help me!”

²⁹ Moses tell, “Kay den. I goin go way from you right now. Den, I goin tell Da One In Charge. Tomorra, he goin make da flies go way from you da Pharaoh guy, an from da palace peopo, an from da odda peopo. Get one odda ting too. You da Pharaoh guy. No good you bulai da peopo one mo time, an no let us go make sacrifice fo Da One In Charge, jalike da las time, aah?”

³⁰ Den Moses go way from da Pharaoh guy an pray to Da One In Charge.

³¹ Da One In Charge do jalike Moses wen tell. He take away da flies from da Pharaoh guy, an from his palace peopo, an from his odda peopo. No mo one fly ova dea.

³² But da Pharaoh guy, he come hard head dis time too. He still yet no let da peopo go way.

9

Da Sick Animals

¹ Da One In Charge tell Moses fo go by da Pharaoh guy an tell um, “You betta lissen! Dis wat Da One In Charge tell, da one dass da God fo us Hebrew peopo. He tell, ‘Let my peopo go way fo make one religious kine ceremony fo me.’

² Cuz if you no let da peopo go way, an you still yet hold um hea,

³ den Da One In Charge goin use his powa fo make yoa animals inside da fields come real sick—da horses, da donkeys, da camels, da cows, da sheeps an goats.

⁴ But Da One In Charge goin make diffren kine to da animals dat us Israel peopo get, an to da animals dat you Egypt peopo get. All da animals dat us Israel peopo get, no goin get even one dat goin mahke.

⁵ “Da One In Charge tell wat time goin happen. He tell, ‘Tomorra, I goin do dis all ova da land.’ ”

⁶ An da nex day, dass wat Da One In Charge do. All da animals dat da Egypt peopo get, mahke. But da animals dat da Israel peopo get, no mo even one dat mahke.

⁷ Da Pharaoh guy, he sen his peopo fo check out wat wen happen. He find out dat da animal da Israel peopo get, not even one wen mahke. Stay bodda da Pharaoh guy plenny. Still yet da Pharaoh guy stay hard head. He still no like let da peopo go way.

Da Boils

⁸ Den Da One In Charge tell Moses an Aaron, “You guys, go da place wea dey melt metal. Get da black ashes from inside dea. Moses, you throw da black ashes up in da sky. Do um wea da Pharaoh guy can see you.

⁹ Da black ashes goin come real fine kine dus all ova da Egypt land. Goin make dea skin hurt an boils come out on all da peopo an all da animals all ova da Egypt land.”

¹⁰ ✧ So Moses an Aaron go get da black ash from da place wea dey melt da metal. Dey go by da Pharaoh guy. Moses throw da black ash up in da air. An da peopo an da animals skin hurt an boils come out all ova dem.

¹¹ Da Egypt pries guys no can even stan up in front Moses cuz a da boils, cuz da boils come out all ova da Egypt pries guys an all ova all da odda Egypt peopo.

¹² But Da One In Charge still yet make da Pharaoh guy hard head. He no lissen dem, jalike Da One In Charge wen tell Moses befo time.

Da Big Kine Hail Storm

¹³ Da One In Charge tell Moses, “Tomorra, get up early. Go stan wea da Pharaoh guy goin come. Tell um: ‘You betta lissen! Dis wat Da One In Charge tell, da God fo da Hebrew peopo: Let my peopo go way fo make one religious kine ceremony fo me.

¹⁴ Fo dis time, I goin make mo big kine trouble fo yoa body, fo you, fo yoa palace peopo, an fo yoa odda peopo. Cuz a all dis, you goin know dat in all da world, no mo nobody can do wat I can do.

¹⁵ If I wen like befo now, I can use my powa fo make you an yoa peopo come sick, an wipe out all you Egypt guys from dis world. But I neva.

¹⁶ ✧ So, how come I stay let you live, aah? Az fo make you see dat I get all da powa, az why! Cuz I like make da peopo all ova da world know who me fo real kine.

¹⁷ But you still yet ova an ova ack jalike my peopo ony junk, an you no let um go way!

¹⁸ “ ‘Kay den. Tomorra, same time, dis wat I goin do. I goin make one real heavy hail storm come down from da sky. From da time da Egypt land wen come one nation till now, neva get dat kine big hail storm.

¹⁹ Now, tell yoa peopo fo put all dea animals wea get roof. Same ting fo all da stuffs you get inside da fields, go put um wea get roof. Any guy o animal dat stay outside an no come inside da house wit da oddas, wen da big hail storm come down on top dem, dey goin mahke!’ ”

²⁰ Had peopo from da Pharaoh guy palace dat stay sked cuz a wat Da One In Charge tell. Dey bring dea slave peopo an dea animals inside dea houses so no mo notting happen to dem.

²¹ Da odda guys dat no like lissen wat Da One In Charge tell, dey leave dea slave peopo an dea animals outside in da fields.

²² Den Da One In Charge tell Moses, “Put yoa hand up to da sky fo da big kine hail come down all ova da Egypt land, on top da peopo, da animals, an on top eryting dat grow inside da field, all ova Egypt.”

²³ Wen Moses put up his stick fo walk to da sky, Da One In Charge sen thunda an big kine hail. Had fire dat come down on top da groun too, dat time Da One In Charge wen make da big hail come down jalike rain on top da Egypt land.

²⁴ ✨Da hail real heavy, an get fire dat stay flash one side an da odda side inside da middo a da hail. From da time da Egypt land come one nation, neva get dat kine hail fall down on top dea land.

²⁵ All ova da Egypt land, da hail wen wack eryting dat stay outside, da peopo an da animals. Da hail bus up all da plants inside da field, an smash all da trees inside da field too.

²⁶ Ony Goshen side, wea da Israel peopo live, neva get hail.

²⁷ Cuz a dat, da Pharaoh guy sen somebody fo tell Moses an Aaron fo come by him. He tell um, “Dis time, I da one dat wen do one bad ting. Da One In Charge, he do da right ting. Me an my peopo, we da ones dat stay wrong.

²⁸ Tell Da One In Charge fo no make um hail, cuz enuff awready da thunda from God an da hail. I goin let you guys go way. You guys no need stay hea awready.”

²⁹ Moses tell da Pharaoh guy, “Wen I go outside da town, I goin put up my hands an pray to Da One In Charge. Den no goin get thunda, an no goin get mo plenny hail. Dat goin happen fo you know dat Da One In Charge, he own da whole world.

³⁰ But I know you an yoa palace guys—you guys no mo respeck fo God, Da One In Charge still yet!”

³¹ Da flax plant an da barley plant all come poho cuz a da hail, cuz da barley ready fo harves, an da flax flowa get bud awready.

³² But had two kine wheat plant dat neva come poho from da hail cuz dey not ready dat time.

³³ Afta Moses go way from da Pharaoh guy, he go outside da town. He put up his hands fo pray to Da One In Charge. No mo thunda an da hail an big rain no fall on top da land.

³⁴ But da Pharaoh guy, wen he see dat no mo rain an hail an thunda, he come hard head one mo time, an stay jalike befo time, an he do bad kine stuff. His palace peopo, same ting.

³⁵ Da Pharaoh guy still hard head, an he no let da Israel peopo go way from dea, jalike Da One In Charge wen tell Moses befo time fo tell da peopo.

10

Da Locust Kine Grasshoppa Bugs

¹ Da One In Charge tell Moses, “Go back by da Pharaoh guy. I da one wen make um fo him no tink good, him an his palace guys. I stay do dat fo me still do all dis awesome kine tings dat I stay do right dea in front dem, an make shua dey know dat I stay fo real.

² An I stay do um fo you tell da Pharaoh story ova an ova fo yoa kids an yoa grankids bumbye—how I even make any kine to da Egypt peopo, an do all da awesome tings I wen do in front dem fo show dem who me. From all dat, you guys goin know fo shua dat me Da One In Charge.”

³ So Moses an Aaron go by da Pharaoh guy. Dey tell um, “You betta lissen! Dis wat Da One In Charge tell, da God fo da Hebrew peopo. God tell, ‘Eh! How long you goin tink you no need fo come notting in front me, haa?! Let my peopo go way from hea fo dem make one religious kine ceremony fo me.

⁴ An if you still no like let my peopo go way, dis wat I goin do: Tomorra I goin bring plenny locust kine grasshoppas inside yoa land.

⁵ Da locust grasshoppas goin cova da groun fo no see da groun. Anyting you guys stay grow an da hail storm neva wipe um out, da locust goin eat um all up. Dey even goin eat up all da trees dat stay come up inside yoa fields.

⁶ Dey goin fill up yoa palaces an all yoa palace guys houses, an all da Egypt peopo houses. You guys faddahs an granfaddas neva see dis kine ting happen, from da time dey wen come to dis land till now.’ ” Den Moses turn aroun an go way from da Pharaoh guy.

⁷ Da palace guys tell da Pharaoh guy, “Eh! Jalike dis guy catch all us guys inside one trap you know. Till wen we goin stay lidat, aah? Mo betta let da peopo go way fo make one religious kine ceremony fo dea god, Da One In Charge! You donno yet dat da Egypt land stay poho awready, o wat?”

⁸ So da Pharaoh guy tell somebody fo go bring back Moses an Aaron by him one mo time. Pharaoh tell um, “Go awready! Make da religious kine ceremony fo yoa god, Da One In Charge. So den, who da ones dat goin go?”

⁹ Moses tell um, “Erybody goin go, oua young peopo an oua ol peopo too. We goin take oua boys, oua girls, oua sheeps, goats, an oua cows. Cuz fo us guys, dis one spesho religious kine ceremony we make fo Da One In Charge.”

¹⁰ Da Pharaoh guy tell dem, “You guys tink I goin let all you guys go, an dass how goin be afta?! You tink dis ‘Da One In Charge’ god goin stay wit you? No way! Look, you guys ony tink fo do someting bad!

¹¹ But az not how goin be! Okay fo da men guys go make one religious kine ceremony fo yoa ‘Da One In Charge’ god, cuz dass wat you guys stay aks fo do.” Den da Pharaoh guy tell his guys fo throw Moses an Aaron outa da palace.

¹² Den Da One In Charge tell Moses, “Put up yoa hand an hold um out ova da Egypt land fo da locust kine grasshoppas, fo dem come up all ova da Egypt land an eat up all da stuff dat still stay grow, dat da hail storm neva kill.”

¹³ So Moses put his stick fo walk up ova da Egypt land. Da One In Charge bring one wind from da east side. Da wind blow all dat day, day time an nite time. Morning time, had da east wind still yet, an dat bring da locust.

¹⁴ ✨Had locust bugs all ova da Egypt land. Jalike dey make house ery place inside da Egypt land. Had uku pile a locust all ova da place. From befo time neva had dat plenny locust, an bumbye, no goin get any mo lidat eva.

¹⁵ Da locust bugs cova all da groun, till ony look black all ova. Dey eat all da plants inside da fields, an da fruits from all da trees dat da hail neva hit. No mo green stuff from da trees an plants inside da field, all ova da Egypt land!

¹⁶ Real fas, da Pharaoh guy tell Moses an Aaron fo come. He tell um, “Eh! I wen do one bad ting to yoa god, Da One In Charge, an to you guys.

¹⁷ So let me go fo da bad ting I wen do, jus dis one time. Pray to you guys god, Da One In Charge, dis one ting. Tell um fo take away all dis real bad stuff from me!”

¹⁸ Moses dem go way from da Pharaoh guy. Moses go pray to Da One In Charge.

¹⁹ An Da One In Charge change da wind to da west side an make um blow real strong. Da wind pick up all da locust an blow um inside da Red Sea. No mo even one locust kine grasshoppa bug lef inside da Egypt land.

²⁰ But same time, Da One In Charge make da Pharaoh guy stay hard head still yet, an he no like let da Israel peopo go.

Da Dark

²¹ Den Da One In Charge tell Moses, “Put up yoa hand to da sky fo make um come dark all ova da Egypt land. Goin come real dark, jalike can touch da dark.”

²² ✧ So Moses put up his hand to da sky. All ova da Egypt land come real dark, three day, jalike da dark stay thick.

²³ Da peopo no can see each odda notting. Fo three days, no mo nobody can go from his place an move aroun. Ony da Israel peopo, dey had plenny light ova dea wea dey live.

²⁴ Da Pharaoh guy tell Moses fo come. He tell um, “Go awready. Go make yoa religious kine ceremony fo Da One In Charge. You can even take yoa kids an ol peopo wit you. But da sheeps an da cows, gotta leave um hea.”

²⁵ Moses tell um, “You gotta help too. You gotta let us guys take oua animals fo us make sacrifice an burn um up. Us guys goin do dat fo oua God, Da One In Charge.

²⁶ Oua animals, dey gotta go wit us. No can leave even one animal hea. Cuz you know, us gotta take da right kine animals fo make da religious kine ceremony we goin make fo oua God, dass Da One In Charge a us. An us guys no goin know wat kine religious kine ceremony us goin make fo him yet, till we get dea.”

²⁷ Da One In Charge make da Pharaoh guy stay hard head still yet. Dass why da Pharaoh guy no like let go da peopo.

²⁸ Da Pharaoh guy tell Moses, “Get outa hea! Make shua you no come back fo see me no moa! Cuz da nex time you see me, you goin mahke!”

²⁹ Moses tell um, “Dass good wat you tell. Dis da las time I goin see you!”

11

God Make Ready Fo Punish Da Egypt Peopo

¹ An right den an dea, Da One In Charge tell Moses, “One mo time, I goin punish da Pharaoh guy an da Egypt peopo. Afta dat, he goin let you guys go way from hea. Mo den dat, wen he let you guys go, he goin chase all you guys outa hea!

² Tell da peopo fo go aks da Egypt peopo dat stay frenz wit dem o live nea dem fo give um all kine silva an gold kine stuff.”

³ Dat time, Da One In Charge make da Egypt peopo tink real good bout da Israel peopo. An da palace guys dat work fo da Pharaoh guy, an all da odda Egypt peopo, dey see dat Moses one importan guy inside da Egypt land.

*Da Numba One Boy Goin Mahke
From Ery Egypt Ohana*

⁴ Moses tell da Pharaoh guy: “You betta lissen! Dis wat Da One In Charge tell: ‘One nite, bout midnite time, I goin go ova dea wea da Egypt peopo live.

⁵ Da numba one boy from ery ohana inside da Egypt land, goin mahke. You da Pharaoh guy dat sit on top da throne, but yoa numba one boy goin mahke. Same ting, da slave wahine dat stay sit by da stones dey use fo make da flour fo eat, her numba one boy goin mahke. Even da animals, all da numba one boy kine animals goin mahke.

⁶ All ova da Egypt land, peopo goin cry loud cuz dey stay hurt plenny. Dis goin be mo worse fo dem den anyting dat eva happen befo time, an mo worse den anyting dat goin happen one mo time.

⁷ But da Israel peopo, no mo notting bad goin happen. Not even one dog goin show teet o bark at da peopo o dea animals. Dass fo you guys know fo shua dat me, Da One In Charge, I make diffren kine to da Egypt peopo an da Israel peopo.’ Dass wat Da One In Charge tell.

⁸ Wen dat happen, all dese palace guys hea dat work fo you, dey goin come by me. Dey goin go down on top da groun in front me, an tell me, ‘Go way now, you an all da peopo dat follow you!’ An me, I goin go way from hea!” Afta Moses tell dat, he stay real huhu wit da Pharaoh guy. Den he go way.

Da Pharaoh Guy No Lissen

⁹ Anodda ting Da One In Charge tell Moses same time, “Da Pharaoh guy, he still no goin lissen you guys. Dass fo me make mo plenny awesome proof fo show who me still yet hea inside dis Egypt land.”

¹⁰ Moses an Aaron show all kine awesome proof in front da Pharaoh guy fo him know az God stay do um. Still yet, Da One In Charge make da Pharaoh guy hard head. Dass why he no like let da Israel peopo go way from his land.

12

*God Tell How Fo Make
Da Passova Sacrifice*

¹ ☆Ova dea inside da Egypt land, Da One In Charge tell Moses an Aaron wat fo do:

² “From now, dis month, goin be da numba one month inside da year fo all you guys.

³ “Go bring togedda all da Israel peopo, an tell um dis: Day numba ten, dis month, ery ohana gotta pick one bebe sheep o goat fo make one sacrifice. Fo ery house, gotta get one bebe sheep o goat.

⁴ If da house no mo enuff peopo fo eat all one bebe sheep, let um share wit da neighba guys. Da husban guys can figga how many peopo get from da one house an da odda house, fo dem pay fo da part dea peopo goin eat.

⁵ “No mo someting wrong o funny kine wit da kine animal you guys go get. Gotta be boy kine, one year ol. Okay fo pick um from da sheeps o from da goats.

⁶ Afta you pick um, you gotta take good kea a dem till day numba fourteen, dis month. Dat day, from da time da sun go down, befo come

real dark, all da Israel peopo gotta kill da bebe sheeps an goats dey wen pick.

⁷ “Den dey gotta take some a da blood, an put litto bit on top da wood outside da house on da two sides a da door, an da wood dat stay ova da door, inside da same house wea dey goin eat da meat.

⁸ “Dat same nite, dey gotta pulehu da meat ova da fire, den eat um wit bread dat no mo yeast, an wit vejables dat taste bitta.

⁹ No eat da raw meat, no boil um in watta. Gotta pulehu um ova da fire—even da head, da legs, da inside parts, eryting.

¹⁰ No leave notting fo da morning time. If still get meat morning time, burn um up inside da fire.

¹¹ “Dis how you goin be wen you eat da meat: you gotta stay ready fo go, an wear da kine clotheses you need, wit yoa slippas on top yoa feets, an hold yoa stick fo walk inside yoa hand. You gotta eat up da meat an stay ready fo get outa dea quick. From now, goin call dat da Pass Ova Kine Sacrifice fo Da One In Charge.

¹² “Dis wat I mean: Dat nite, I goin pass ova da Egypt land, from one side to da odda side. Ery numba one boy dat live inside da land, I goin kill um. Da peopo an da animals, same ting. Dass how I goin show proof to da Egypt peopo dat all da gods dey pray to, dey notting, cuz me Da One In Charge!

¹³ “Da blood dat you guys put on top da houses wea you live, dat goin be jalike one sign fo show dat you guys live inside dea. Wen I see da blood, I goin pass ova you guys. Dat mean, wen I wack peopo all ova da Egypt land, no mo notting goin touch you guys an wipe you out.

Da Passova

¹⁴ ☆ “Da day I do dat, goin come one spesho day ery year, fo you guys no foget how I pass ova you guys an no wipe you out. From dat day, ery year, you guys goin make spesho trip fo make one religious kine ceremony fo me, Da One In Charge. You guys, yoa kids, an dea kids goin do dat foeva. Az goin be one rule bout how you guys goin make fo me foeva, da Passova Time.

¹⁵ From now, ery year you guys goin eat bread dat no mo yeast fo seven day. So da day numba one, you guys goin clean out all da yeast dat get inside yoa house. Cuz from day numba one to day numba seven, anybody dat eat stuff wit yeast inside dat time, dey no mo da right fo stay wit da Israel peopo afta dat.

¹⁶ “Day numba one, goin be fo all da peopo come togedda, spesho kine fo me, Da One In Charge. Same ting, day numba seven. Da two spesho days, you no do work notting. Da ony ting you can do dat time, you can make da food dat erybody goin eat.

¹⁷ You goin make dat Bread Dat No Mo Yeast Time one spesho religious kine ceremony, cuz was dat same day I wen take all you guys outa da Egypt land, jalike you one army. Dass why dis rule goin be dat you guys goin make dat time spesho fo me—you guys, yoa kids, an dea kids, foeva.

¹⁸ Da month numba one, from wen da day numba fourteen start sun down time, till da day numba twenny-one start sun down time, da ony bread you guys eat goin be bread dat no mo yeast inside.

¹⁹ Fo dese seven days, betta not get yeast notting inside yoa houses. Cuz anybody eat stuff dat get yeast inside dat time, dey no mo da right fo come

togedda wit da Israel peopo. No matta dey from dat place o dey from anodda place, same ting.

²⁰ Dat time, you guys no goin eat notting dat get yeast inside. Ery place you guys live, you goin eat bread dat no mo yeast.”

Da Israel Peopo Get Ready

²¹ Moses tell all da older leada guys fo da Israel peopo fo come by him. He tell um, “Go now! Tell ery ohana fo go pick da bebe sheeps o goats dat dey goin kill fo make da sacrifice fo da Passova.

²² Wen you kill da sacrifice, put da blood inside one bowl. Tie togedda some oregano plants fo make jalike one brush, an use um fo put some a da blood from da bowl ova yoa door, an on top da wood on da right side an da lef side a da door. But afta dat, nobody go outside da door till morning time!

²³ ✧ “Den, wen Da One In Charge go all ova Egypt fo kill dea numba one boy an dea numba one man an animal, he goin see da blood ova da door an on top da two side wood. Den Da One In Charge goin pass ova dat door. He no goin let da Killa Angel Guy go inside fo wipe out da peopo inside da house.

²⁴ “From now, you guys an all da peopo dat goin come from you guys, dis yoa kuleana: you all gotta keep da rule fo dis day foeva.

²⁵ Bumbye, you guys goin go inside da land dat Da One In Charge goin give you guys, jalike he make one promise befo time. Wen you stay ova dea, dass how you guys goin show Da One In Charge yoa love an respeck.

²⁶ “Bumbye, yoa kids goin aks you guys, ‘Eh, wat mean dis spesho religious kine ceremony us guys stay make?’

²⁷ You guys goin tell um, ‘Dis da Passova Sacrifice. We stay make um fo show we stay tight wit Da One In Charge. He da one wen pass ova all da houses wea oua Israel peopo live befo time, Egypt side. Da One In Charge wen wack da Egypt peopo an kill um, but he neva touch us guys, ova dea inside oua houses.’ ”

Wen da peopo hea wat Moses tell um, dey go down on top da groun fo show love an respeck fo Da One In Charge.

²⁸ So da Israel peopo go home an do eryting dat Da One In Charge wen tell Moses an Aaron dat da peopo gotta do.

Da One In Charge Kill

Da Numba One Boys, Egypt Land

²⁹ ✧ Da middo a da nite, Da One In Charge start fo kill all da numba one boys all ova da Egypt land. Da Pharaoh guy dat sit down on top da throne, his numba one boy mahke too. Da guy dat da army guys wen catch, dat stay inside one big hole in da groun inside da prison, da numba one boy mahke, same ting. Da animals, same ting, da numba one boy kine animals all mahke.

³⁰ Da Pharaoh guy, he get up nite time, same ting wit all his palace peopo an all da odda Egypt peopo. Had peopo stay yelling an crying fo help plenny all ova Egypt, cuz no mo even one house wea no mo nobody dat wen mahke.

³¹ Nite time, da Pharaoh guy tell Moses an Aaron fo come. He tell um, “Wake up! Go way from my peopo, you an all da Israel peopo! Go make one religious kine ceremony fo Da One In Charge, jalike you guys wen tell me!

³² Yoa sheeps, goats, an cows, take dem too, jalike you guys wen tell, an get outa hea! But befo you go, tell God fo make eryting come out good fo me, jalike he stay do fo you guys!"

Da Israel Peopo Go Outa Egypt

³³ Da Egypt peopo, dey all put presha on da Israel peopo fo go way quick from dea land, cuz da Egypt guys tink, "Bumbye all us guys mahke!"

³⁴ So da Israel peopo take da dough fo dea bread no matta da yeast neva have time fo do notting yet. Dey wrap clotheses aroun da pans dey use fo bake da bread, an dey carry um on top dea shoulda.

³⁵ ✧Da Israel peopo do how Moses tell um befo time fo do. Dey aks da Egypt peopo fo give um dea silva an gold kine jewelry, an clotheses.

³⁶ Da One In Charge, he make da Egypt peopo tink real good bout da Israel peopo, so da Egypt peopo give da Israel peopo eryting dey aks fo give dem. Dass how da Israel peopo get stuff from da Egypt peopo.

³⁷ Da Israel peopo, dey go outa Ramses town an dey go Sukkot town. Had bout 600,000 men guys dat stay walking, plus wahines an kids an ol peopo.

³⁸ Had plenny guys from da odda peopos dat go wit dem too, an plenny sheeps an plenny cows.

³⁹ Da dough fo make bread dat dey carry wit dem outa Egypt, dey bake da bread wit no mo yeast inside. Dey no mo time fo put da yeast inside, cuz da Egypt peopo wen throw um out an dey no can wait dea fo da bread come ready. Dey no mo time fo get odda stuffs ready fo eat too.

⁴⁰ ✧Da time dat da Israel peopo wen live Egypt side was 430 year.

⁴¹ Wen da 430 year pau, az was da time dat all da peopo go outa da Egypt land, jalike dey one army fo Da One In Charge.

⁴² Dat Passova nite was da time Da One In Charge stay watch all nite, fo him get da peopo outa da Egypt land. An still yet, ery year, dat same nite, stay spesho fo Da One In Charge. So now, dat nite ery year, all da peopo dat come from Israel an dea kids stay watch foeva.

Da Rules Fo Da Passova

⁴³ Da One In Charge tell Moses an Aaron, "Dis da Rule fo da Passova sacrifice. Da peopo from odda land, dey no can eat da sacrifice meat. Ony da Israel peopo can eat da meat.

⁴⁴ If get one slave guy dat somebody buy, an if you cut skin da slave guy, den az okay fo him eat da meat from da sacrifice.

⁴⁵ But da peopo from odda land an da guys dat ony work fo pay, dey no can eat da sacrifice meat.

⁴⁶ ✧Gotta eat um inside da same house wea you kill da animal. No take da meat outside, an no broke even one bone.

⁴⁷ All da Israel peopo togedda gotta make da sacrifice, same time.

⁴⁸ "If get guys from anodda place dat stay live dea wit you guys, an dey like eat da Passova kine sacrifice fo Da One In Charge, dem an all da men guys wit dem gotta cut skin firs. Den goin be okay fo dem eat da Passova sacrifice fo Da One In Charge, cuz goin be jalike dey wen born from da Israel peopo. But anybody dat neva cut skin no can eat da sacrifice meat.

⁴⁹ Get da same rule fo da guys dat born from da Israel peopo, an fo da guys from anodda place dat live by you guys."

⁵⁰ So dass wat all da Israel peopo do, jalike Da One In Charge wen tell Moses an Aaron fo do.

⁵¹ Dat same day, Da One In Charge take da Israel peopo outa da Egypt land, jalike dey one army.

13

Da Numba One Boy From Ery Ohana Stay Spesho Fo God

¹ Da One In Charge tell Moses dis:

² ✨“From now, fo da Israel peopo, da numba one boy dat born from ery wahine, make um spesho fo me. Same ting fo da peopo an fo da animals. Da firs one dat come out from da muddah, az fo me.”

No Foget Dis Day

³ Den Moses tell da peopo dis: “No foget dis day! Dis da day you guys go outa Egypt, da place wea you guys was slaves. No foget how Da One In Charge wen use his powa fo get you guys outa hea. Dis same day ery year, no eat bread dat get yeast inside.

⁴ Dis month in da spring time, dis day numba fifteen, you guys goin go outa hea awready.

⁵ Bumbye, Da One In Charge goin bring you guys anodda land. Get da Canaan peopo, da Het peopo, da Amor peopo, da Hiv peopo, an da Jebus peopo, stay living ova dea now. But God wen make one strong promise to yoa ancesta guys dat he goin give you guys one land dat get plenny milk an honey erytime. Afta you guys get dea, dis da kine religious kine ceremony you goin make ery year dis same month:

⁶ “Seven days, you guys goin eat bread dat no mo yeast. Da day numba seven, dass one spesho religious kine day fo Da One In Charge.

⁷ All da seven days, da ony bread you guys goin eat gotta be da kine dat no mo yeast. No goin get bread wit yeast any place inside da place you stay. No even goin get ferment kine stuff by you, all ova yoa land.

⁸ Dat time ery year, you goin tell yoa boy da story, how come you stay make lidis. Tell um, ‘I stay do dis, cuz a wat Da One In Charge wen do fo me, dat time I wen come outa Egypt.’

⁹ “Dis ting dat you do, goin be jalike one mark on top yoa hand fo help you no foget. Goin be jalike someting you tie on top yoa forehead fo help you no foget notting. Dass so you goin talk foeva bout da Rules from Da One In Charge, cuz Da One In Charge wen use his powa fo you guys come outa Egypt.

¹⁰ Dis goin be one religious kine ting you guys gotta do, same time ery year.

Da Numba One Boy From Ery Ohana

¹¹ “Bumbye, Da One In Charge goin bring you to da land wea he tell he goin give you, wea da Canaan peopo stay, jalike he wen make one strong promise to you an yoa ancesta guys.

¹² ✨So wen you get dea, da firs bebe boy dat born from ery wahine, you gotta make um all spesho fo Da One In Charge. Same ting fo da numba one boy kine animal dat born from ery muddah animal you get, goin be fo Da One In Charge.

¹³ Da numba one donkey dat born, you no can use um fo make one sacrifice. Az why you gotta kill one bebe sheep fo make one sacrifice, jalike you stay buy back da bebe donkey from God. If you no buy back

da bebe donkey, den you gotta broke da bebe donkey neck. An da numba one boy from all yoa kids, da one dat stay spesho fo me, you gotta kill one animal fo make one sacrifice, jalike you pay God back fo him too.

*Teach Yoa Kids Wat All Dat Mean
(Luke 2:23)*

¹⁴ “Bumbye, yoa boy goin aks you, ‘Eh Daddy! Wat all dis ting mean, fo buy um back fo make one sacrifice?’

“You goin tell um, ‘Cuz you know, my boy, Da One In Charge get plenny powa, an he wen use um dat time fo get all us guys outa Egypt cuz us was slaves ova dea.

¹⁵ Cuz da King ova dea, da one dey call da Pharaoh guy, he come real hard head an no like let us guys go way from dea. Dass why Da One In Charge kill all da numba one boys all ova da Egypt land. He kill all da numba one boy kine animals too. Dass how come I stay make one sacrifice to Da One In Charge wit ery animal dat come firs outa da muddah, if boy kine. An you, da numba one boy from my kids, I pay God back fo you too cuz you stay spesho fo God.’

¹⁶ “So dass da religious kine ceremony dat us guys make ery year. Goin be jalike one mark on top yoa hand, an goin be jalike one sign you put on top yoa forehead, fo you no foget how Da One In Charge wen use his powa fo get us guys outa Egypt.”

Wat Happen Afta Pharaoh Let Go Da Peopo

¹⁷ Afta da Pharaoh guy wen let da Israel peopo go, God neva bring dem da road dat go strait to da Filisha peopo land, even was mo short. Cuz God figga, “Wen dese peopo get war, maybe dey goin change dea mind an go back Egypt side.”

¹⁸ Dass why God make da peopo go da odda way, thru da boonies by da Red Sea.

Wen da Israel peopo go outa da Egypt land, dea leada guys make ery fifty guys go togedda erytime, so dey jalike one big army ready fo fight.

¹⁹ ✧Moses take Joseph bones wit dem too. Dass cuz from befo time, Joseph wen make da Israel peopo make one promise to him. He tell um, “Fo shua, God goin take kea you guys bumbye. So den, wen you guys go back, you gotta carry my bones from hea to da Canaan land.”

²⁰ Afta da peopo go way from Sukkot, dey make camp Etam side, nex to da boonies.

²¹ Da One In Charge, he stay go in front a da peopo. Day time, had one cloud dat go from da groun to da sky fo show um wea fo go. Nite time, dat cloud was one fire dat go from da groun to da sky fo give um light. Az how dey can go day time o nite time.

²² Da cloud dat go from da groun to da sky neva leave da peopo in da day time, an da fire dat go from da groun to da sky neva leave um nite time.

Da Red Sea

¹ Da One In Charge tell Moses:

² “Tell da Israel peopo fo go back an go da odda way. Dey gotta make camp in front Pi-Hahiroth, wit one Egypt town dat get strong wall one side

an da Red Sea da odda side, across Baal-Zefon. Dey goin make camp up side a da Red Sea, da odda side Baal-Zefon.

³ Da Pharaoh guy, he goin figga: 'Eh! Da Israel peopo, dey stay inside da boonies, an dey donno wea dey goin go! Ery side, ony get boonies!'

⁴ I goin make da Pharaoh guy come hard head, so he goin like go afta you guys. Wen he do dat, I goin use da Pharaoh guy an all his army guys fo show erybody how awesome I stay. Da Egypt peopo goin find out dat me Da One In Charge fo real kine!"

So da Israel peopo do wat God tell um fo do.

Pharaoh Go Afta Da Israel Peopo

⁵ Da Egypt army guys tell da king fo da Egypt peopo dat da Israel peopo wen go way awready from Egypt. Den da Pharaoh guy an all da palace peopo change dea mind bout da Israel peopo. Dey tell, "Wassup?! We wen let go da Israel peopo, an now, dey no stay work fo us guys no moa!"

⁶ Da Pharaoh guy tell his guys fo get his war wagons ready, an he take his army guys wit him.

⁷ He take 600 war wagon, an da spesho wagon fo go wit him. He take all da war wagons dat get inside Egypt. Ery war wagon get one army officer guy inside.

⁸ Da One In Charge make da Pharaoh guy come hard head. Dass why him an da oddas wen go afta da Israel peopo.

But da Israel peopo, dey stay go outa Egypt, jalike dey no sked notting.

⁹ But da Egypt army guys go afta dem, wit all da war wagons an da horses from da Pharaoh guy, an horse rida guys an infantry guys. Dey catch up da Israel peopo ova dea wea dey wen make camp, by da watta nea Pi-Hahiro, across Baal-Zefon.

Da Egypt Army Guys Catch Up Da Israel Peopo

¹⁰ Da Pharaoh guy, he stay come nea now. Da Israel peopo, dey look an see da Egypt army guys stay come afta dem! Da Israel peopo come real sked! Dey yell fo help to Da One In Charge.

¹¹ Dey tell Moses, "How come?! Neva have enuff graveyard Egypt side fo bury us guys back dea, o wat?! So den, how come you bring us guys hea inside da boonies? Ony fo us mahke, o wat?! Wat you tink you stay do to us now, wen you take us guys outa Egypt?!"

¹² Us guys wen tell you Egypt side, 'Leave us alone! We goin stay work fo da Egypt peopo. Cuz mo betta fo us guys work fo dem, den go mahke ova hea inside da boonies!' "

¹³ Moses tell da peopo, "No sked! Stan right dea an watch. You guys goin see Da One In Charge get you guys outa trouble, an he goin do dat today. You see dose Egypt guys ova dea? From today, you no goin see dem no moa, eva!"

¹⁴ Da One In Charge, he da One goin fight fo help you guys. You guys, jus shut up an watch!"

Da One In Charge Tell Moses Wat He Goin Do

¹⁵ Den Da One In Charge tell Moses, "Eh! How come you stay yelling to me fo help you? Tell da Israel peopo make ready fo go.

¹⁶ You take yoa stick fo walk, an hold um out ova da sea fo make da watta go one side an da odda side. Den da Israel peopo goin go thru da middo a da Red Sea, an da groun in da middo goin be dry.

¹⁷ You know wat I stay do? I stay make da Egypt army guys get real hard head fo dem chase afta you guys. Den, I goin use da Pharaoh guy an all his army guys an his war wagons an his horse rida guys fo make erybody know how awesome I stay!

¹⁸ Wen I make lidat to da Pharaoh guy, his war wagons, an his horse rida guys, an I show erybody how awesome I stay, den da Egypt peopo goin know fo shua, dat me Da One In Charge fo real kine!”

Da Cloud Move Fo Hide Da Peopo

¹⁹ Da angel messenja guy from God, da one befo time wen go in front a da Israel army guys, he go move da odda side fo stay behind dem. Da cloud dat go from da groun to da sky, move from in front dem, an go behind dem.

²⁰ Da cloud go inside da middo a da Egypt guys an da Israel guys, wit da Egypt army guys camp one side, an da Israel army guys camp da odda side. Da cloud come dark, an no mo da light dat nite fo da guys dat stay one side no go nea da guys dat stay da odda side.

Thru Da Middo Inside Da Red Sea

²¹ Den Moses hold his hand out ova da sea. Da One In Charge make da wind blow strong on top da watta from da east side all dat nite. Da wind push da sea watta one side an da odda side an make da sea bottom come dry land!

²² ✧ An da Israel peopo go thru da middo inside da Red Sea, but da groun wea dey stay walking come dry awready. Da watta, stay fo dem jalike one wall on da right side an anodda wall on da lef side.

²³ Da Egypt army guys, dey go chase afta da Israel peopo. All da horses from da Pharaoh guy, an da war wagons, an da horse rida guys, dey all go follow dem, wea had watta befo time.

²⁴ Early morning time, befo get light, Da One In Charge look down outa da fire an da cloud dat go up inside da sky. He check out da Egypt army guys camp. He make all da Egypt army guys come so dey donno wat dey stay do o wea dey stay go.

²⁵ God make da wheels fo dea war wagons come off fo no move how dey like. Da Egypt guys, dey figga, “Mo betta us guys get away from dose Israel guys, cuz dass dea god, Da One In Charge, stay fight fo dem, an agains us Egypt guys!”

God Wipe Out Da Egypt Army Guys

²⁶ Den, Da One In Charge tell Moses, “Hold out yoa hand ova da Red Sea fo da watta go back an go ova da Egypt guys an dea war wagons an dea horse rida guys.”

²⁷ So wen stay coming light, morning time, Moses hold out his hand ova da sea. Da Red Sea watta go back jalike was befo time. Da Egypt guys, dey see wass happening, an dey try fo run da odda way. But Da One In Charge throw um all inside da watta.

²⁸ Da watta come back an cova ova da war wagons, an da horse rida guys, an all da Pharaoh army guys dat wen go chase da Israel peopo inside da Red Sea. Not even one a dem get outa dea.

²⁹ But da Israel peopo, dey walk thru da Red Sea from one side to da odda side, an da groun stay dry, an da watta stay jalike two wall fo dem, right side an lef side.

³⁰ Dat day, Da One In Charge get da Israel peopo outa trouble from da Egypt army guys. Da Israel peopo see da mahke Egypt guys bodies on top da beach.

³¹ Wen da Israel peopo see how Da One In Charge use his awesome kine powa fo wipe out da Egypt guys, da peopo come sked an get awesome respeck fo Da One In Charge. Cuz a dat, dey stay trus Da One In Charge an his worka guy Moses.

 Even da bestes officer guys dat Pharaoh get,
 Dey go down awready inside da Red Sea.

 Dey go down deep inside da watta jalike one stone!

- ⁷ You so big, you wipe out erybody dat go agains you.
 Wen you come huhu, you burn um up,
 Jalike peopo burn up da junks dat stay
 Afta dey harves da wheat.
- ⁸ You blow, an da watta pile up.
 Da flood watta stan up strait,
 Jalike get one wall fo da waves.
 Inside da deep sea,
 Jalike da watta come solid.
- ⁹ "Da guys dat stay agains us, dey tell,
 'I goin chase um! I goin catch um up!
 I goin give my frenz dea share
 A da stuff I goin take away from dem guys!
 I goin do eryting I like do to dem!
 I goin pull out my sword an kill um!
 Wit ony my hands I goin make um run away from hea!'
- ¹⁰ But you, God, you wen make yoa wind blow,

An da sea cova dem up.
 Dey sink down jalike lead inside da big watta.

11 “Eh! You Da One In Charge! From all da gods dat get,
 No mo nobody jalike you!

No mo nobody stay awesome jalike you,
 Da way you stay good an spesho
 Wen you do stuff az real awesome
 An awesome an unreal fo us!

12 You wen hold out yoa right hand,
 An jalike da earth swallow dose guys,
 An dey gone awready!

13 “You stay wit yoa peopo,
 An show us wea fo go!
 You wen pay da price fo get us outa trouble!
 You strong, dass why you goin help us go
 Da good an spesho place wea you stay.

14 Da odda peopos, dey goin hear dis,
 Dey come sked an shaking!
 Da peopo dat live inside da Filisha land,
 Dey suffa plenny!

15 Dat time, da main leada guys from Edom,
 Dey lose fight an no can do notting.
 Da leada guys from Moab,
 Dey ony stan dea an shake!
 Da peopo dat live Canaan side,
 Dey all donno wat fo do awready.

16 Dey so much sked an shaking, dey donno wat fo do.
 Cuz a you, you strong. Dass why dey no move notting.
 Dey jus stan dea jalike one stone an no talk notting,
 Till yoa peopo go all da way da odda side, Da One In Charge,
 Till da peopo go da odda side,
 Dey da ones you wen free up!

17 “Eh! You Da One In Charge! You goin take yoa peopo
 To da place you wen make ready fo you live dea.

Jalike you stay plant um fo grow
 On top yoa mountain,
 Da place you wen make fo you stay,
 Da place dass spesho fo you, Da One In Charge,
 Da place you, my Boss, wen make ready wit ony yoa hands!

18 Da One In Charge, he da King foeva an eva!”

19 Afta da horses from Pharaoh, wit da war wagons an da horse ridas, go
 inside da sea, Da One In Charge make da sea watta go back ova dem. But
 da Israel guys, dey wen walk thru da middo a da Red Sea on top da dry

20 Den Miriam, dass Moses an Aaron sistah, she talk fo God too. She pick
 up one tammorine. She start fo dance, an all da odda wahines, dey go pick
 up tammorine too an dance in circle wit her.

21 Miriam, she give um dis song fo sing back to her:
 “I sing fo Da One In Charge!

He awesome fo real kine!
 Da horses an da guys dat ride um,
 God throw um all inside da Red Sea!"

God Give Da Peopo Watta

Marah Side An Elim Side

²² Afta dat, Moses tell da Israel peopo fo go. Dey go way from da Red Sea an go inside da boonies Shur side. Three day, dey walk. But dey no can find watta dea.

²³ Dey get to Marah an find watta, but dey no can drink da watta Marah side cuz bitta. (Dass how come da place get da name "Marah," cuz dat mean "bitta," dea language, you know.)

²⁴ Da peopo, dey grumble to Moses. Dey tell um, "So, wat we goin drink now?!"

²⁵ Moses yell fo help to Da One In Charge an he show Moses one tree. Moses take one branch an throw um inside da watta, an da watta come good fo drink.

Den God make one rule fo da peopo dat stay dea. Same time, God check out da peopo fo know if dey goin stick wit him.

²⁶ God tell dem, "You guys gotta lissen good to me, yoa God, Da One In Charge fo real kine. You guys gotta stay do da right ting in front me, an lissen wat I tell you guys fo do, an keep all da Rules. If you guys do all dat, den I no goin wack you guys wit all da kine sick dat I wen bring fo da Egypt peopo. Cuz me Da One In Charge, an I da one dat make you guys come good."

²⁷ Afta dat, dey go Elim. Ova dea, get twelve puka wea da watta come outa da groun, an get seventy date palm tree. Az wea da peopo make camp nea da watta.

16

Da Food From Da Sky

¹ Laytas, month numba two, day numba 15 afta dey go way from da Egypt land, all da Israel ohana peopo go way togedda from Elim. Dey go inside da boonies Sin side. Afta you go way from Elim, firs you come by Sin, den you come Sinai Mountain.

² Ova dea inside da boonies, all da Israel peopo grumble bout Moses an Aaron.

³ Dey tell Moses an Aaron, "Mo betta Da One In Charge wen kill us guys inside da Egypt land! Cuz ova dea, had meat fo us eat, an plenny bread! But you guys, you make us guys come ova hea inside da boonies! An now, us so hungry, we goin mahke cuz a dat!"

⁴ ✧Da One In Charge tell Moses, "You know wat I goin do? I goin make bread come down outa da sky fo you guys jalike rain. Ery day, da peopo goin go out an pick up food from da groun. Dey gotta ony pick up enuff fo dat day. Dass fo check out da peopo, fo find out if dey goin stay do how I teach um fo do, o not.

⁵ But ery week, day numba six, dey gotta bring in double wat dey pick up da odda days, fo dat day an fo da Res Day too."

⁶ So Moses an Aaron tell all da Israel peopo, "Eh! Today, sun down time, you guys goin know fo shua dat az Da One In Charge, not us, wen get you guys outa Egypt!"

⁷ An tomorra, morning time, you guys goin see how awesome Da One In Charge stay. You goin see dat he lissen, no matta you guys stay grumble bout him. You guys grumble bout me an Aaron, but az no big deal. But you guys donno, you stay grumble bout God, not us!”

⁸ Moses tell dis too: “Da One In Charge goin give you guys all da meat you can eat, sun down time, an all da bread you can eat, morning time. Dass cuz Da One In Charge hear you guys stay grumble bout him. Dat no mean notting fo me an Aaron, cuz you guys no stay grumble to us guys, you stay grumble bout Da One In Charge!”

⁹ Moses tell Aaron fo tell all da Israel peopo dis: “Go ova dea by da place Da One In Charge stay, cuz he hear wat you guys tell wen you grumble.”

¹⁰ Aaron tell dat to all da Israel peopo togedda, an wen dey turn aroun an look ova dea inside da boonies, you know wat? Wen dey look da cloud, dey see how awesome Da One In Charge stay!

¹¹ Da One In Charge tell Moses:

¹² “I hear da Israel peopo stay grumble. Tell um dis: ‘Wen da sun go down, you guys goin eat meat. Tomorra, morning time, you guys goin get all da bread you can eat. Den you guys goin know dat me, Da One In Charge, I da God fo you guys.’ ”

¹³ Evening time, had quail birds, an dey come down all ova da camp. Da nex morning, had dew on top da groun all aroun da camp.

¹⁴ Wen da dew dry up all ova da boonies, on top da groun had thin small kine flake, jalike da white fros wen get cold time.

¹⁵ ✨Wen da Israel peopo see um, an dey tell each odda: “Eh! Wass dat?” Cuz dey neva know wat kine stuff dat, az why.

Moses tell um, “Dass da kine bread Da One In Charge give you guys fo eat.

¹⁶ Dis wat Da One In Charge tell you guys gotta do: All you guys, go pick up how much you need fo eat. Fo erybody dat stay inside yoa tent, go get two poun.”

¹⁷ Da Israel peopo do wat Moses tell um fo do. Had peopo dat pick up plenny, an odda peopo dat pick up ony litto bit.

¹⁸ ✨But wen dey check out how much, da peopo dat pick up plenny neva have mo plenny den dey need, an da peopo dat pick up litto bit, dey neva need mo plenny. Erybody pick up ony how much dey need fo eat.

¹⁹ Moses tell um, “No keep notting till morning time. You gotta eat um all up today.”

²⁰ But had some peopo dat neva lissen Moses. Dey keep some a da stuff till da nex morning. But dat stuff get plenny worm inside an smell haunas. Moses come huhu wit dem.

²¹ Ery day, morning time, dey go pick up da stuff. Erybody pick up ony how much dey need fo eat. Afta da sun come hot, da stuff melt an no can see um no moa.

²² On da day numba six inside da week, dey pick up double da food dey goin need, cuz dey need bout four poun fo one guy. All da leada guys fo da peopo go tell Moses dea peopo wen do dat.

²³ ✨Moses tell um, “Dis wat Da One In Charge tell you guys fo do: Tomorra, dass da Res Day, spesho fo ony Da One In Charge. So today, bake wateva you guys like bake, an boil wateva you guys like boil. Keep wateva get lef fo eat tomorra morning.”

²⁴ So dey keep um till da nex day, jalike Moses tell um fo do. Neva come haunas, an neva get worm inside.

²⁵ Moses tell um, "Eat um today, cuz dis day, da Res Day, fo you guys tink ony bout Da One In Charge. Today, you guys no goin find notting fo eat on top da groun.

²⁶ Six days you goin pick up da food. But da day numba seven, dass da Res Day. Dat day, you no goin find food notting."

²⁷ Still yet, da day numba seven, had some peopo dat go out fo pick up food. But dey no find notting.

²⁸ Den Da One In Charge tell Moses, "How much time you guys no goin do wat I tell you fo do, an no lissen my Rules?!"

²⁹ Make shua you guys know dis: me, Da One In Charge, give you da Res Day. Dass why, day numba six, he give you manna fo two days. On da Res Day, you gotta stay home. No go out fo pick up food, Day Numba Seven."

³⁰ So, da peopo res, da day numba seven.

³¹ ✧Da Israel ohana peopo give da stuff da name "Manna," cuz soun kinda like "Wass dat?" dea language. Look kinda like coriander seed, white kine, an taste kinda like cracka wit litto bit honey.

³² Moses tell, "Dis wat Da One In Charge tell you fo do. Keep some a da manna, two poun, fo all da peopo dat goin come from you guys bumbye, foeva. Dass so da peopo goin see da bread I wen give you guys fo eat inside da boonies, da time I bring you guys outa da Egypt land."

³³ ✧Den Moses tell Aaron, "Take one jar. Put two poun manna inside. Put um in front Da One In Charge, fo keep um fo all da peopo dat goin come from dese guys bumbye, foeva."

³⁴ Aaron do wat Da One In Charge tell Moses. Aaron put da manna in front da Box Fo No Foget Da Deal God Wen Make, fo keep um.

³⁵ ✧Da Israel peopo eat da manna fo forty year, all da time till dey get to da land wea dey goin make house. Wen dey come jus outside da Canaan land, den no mo da manna no moa.

³⁶ (Need ten two-quart kine measure fo make one efah, you know.)

17

Da Peopo No Mo Watta

¹ ✧Afta da Israel peopo stay inside da boonies Sin side, dey all go way from dea togedda. Erytime Da One In Charge tell um fo stop one place, dey make camp dea. One time, dey camp Refidim, but ova dea no mo watta fo drink.

² Da peopo grumble to Moses. Dey tell um, "Give us guys watta fo drink!" Moses tell um, "Eh! How come you guys grumble to me? You no stay grumble to me, you stay grumble to Da One In Charge! How come you guys stay checking out Da One In Charge fo see if he can handle dis problem?!"

³ But da peopo dea, dey thirsty fo watta. Dey grumble to Moses, an dey tell um, "Eh! How come you bring us guys outa Egypt? Us stay real thirsty, we goin mahke! You like kill us guys, an oua kids, an oua sheeps an cows, o wat?!"

⁴ Den Moses, he call out to Da One In Charge fo help him. He tell, "Eh! Wat I goin do wit dis peopo? Dey litto mo ready fo throw stone fo kill me!"

⁵ Da One In Charge tell Moses, “Go from one side a da camp to da odda side, so all da peopo see you. Take some a da older leadas from da Israel peopo wit you. Take yoa stick fo walk wit you too, da one you wen use fo hit da watta inside da Nile Riva. Go ova dea.

⁶ Dis wat I goin do. Wen you get dea, I goin be ova dea, standing in front you, by da big rock Horeb side. (Horeb, dass anodda name fo Mount Sinai, you know.) Hit da big rock wit yoa stick fo walk fo get watta come outa da big rock. Den da peopo goin drink da watta.”

Dass wat Moses do, an da older leada guys from da Israel peopo stay watch him.

⁷ Da peopo give dat place da name Massah, cuz mean “Check Um Out.” Dey call um Meribah too, dat mean “Grumble,” cuz da Israel peopo wen grumble dea an check out Da One In Charge fo see if he can handle. Dey tell, “Fo real, Da One In Charge stay wit us guys, o not?”

Da Amalek Peopo Go Afta Da Israel Peopo

⁸ Wen da Israel peopo stay ova dea Refidim side, da Amalek peopo come an attack dem.

⁹ Moses tell Joshua, “Pick some guys fo go wit you, an go fight wit da Amalek peopo. I goin go up da top a da hill tomorra an stan dea, an I goin take da stick fo walk God wen tell me fo use befo time.”

¹⁰ Da nex day, Joshua do wat Moses tell um fo do. Him an his guys go fight da Amalek guys. Same time, Moses go up to da top a da hill wit Aaron an Hur.

¹¹ Erytime Moses hold up his arms, da Israel army guys start fo win, an erytime Moses put his arms down, da Amalek peopo start fo win.

¹² But Moses arms come tired. Den Aaron an Hur get one rock an put um unda him fo sit down on top. Aaron, he stan one side, an Hur da odda side, an dey hold up Moses arms. Dass how dey keep his arms up till da sun go down.

¹³ So Joshua dem, dey win da fight. Dey beat da Amalek guys an kill um wit dea swords.

¹⁴ ✧Da One In Charge tell Moses, “Eh! I goin tell you one ting. Write dis inside one book, so nobody goin foget! Tell Joshua dis wen you write um: ‘Da Amalek peopo, I goin wipe out dea name, so nobody all ova da world no goin foget who dem!’ ”

¹⁵ Den Moses pile up stones ova dea fo make one altar place. He call dat place “Da One In Charge, jalike one war flag fo me.”

¹⁶ Moses tell, “Da Amalek guys wen put up dea hands in front Da One In Charge throne cuz dey huhu! Da One In Charge, he goin make war agains da Amalek peopo an all da peopo dat goin come from dem, foeva!”

18

Moses Faddah-In-Law Come

¹ Now Jetro, he was da pries fo da Midian peopo, an Moses faddah-in-law. He hear eryting dat God stay do fo Moses an fo God peopo, da Israel peopo, an how Da One In Charge wen bring da Israel peopo outa Egypt.

² ✧(Befo Moses go outa Egypt, he sen his wife Zipporah back wit her faddah Jetro. An Jetro take her in,

³ ✨her an her two boys. Da numba one boy get da name Gershom, cuz his faddah Moses tell, "I stay live anodda land, not da place wea I get rights." "Gershom" soun kinda like "live wea no mo rights," Hebrew language.

⁴ Da odda boy get da name Eliezer, cuz Moses tell, "Da God dat my faddah pray to befo time, he da One help me, cuz he get me outa trouble wen da Pharaoh guy like kill me." "Eliezer" soun jalike "My God, da helpa," Hebrew language.)

⁵ So Moses faddah-in-law Jetro, he go fo see Moses. Him an Moses wife an boys go ova dea inside da boonies, da place Moses stay make camp down side God Mountain, dass Mount Sinai.

⁶ Jetro sen somebody fo go tell Moses, "Dis me, Jetro, yoa faddah-in-law! Me an yoa wife an her two boys, we stay coming ova dea by you!"

⁷ Moses go da boonies fo meet his faddah-in-law. Moses go down in front Jetro, den he give um one hug an one kiss. Moses tell Jetro, "Eh! How you?" Jetro tell Moses, "I okay, how you?" Den dey go inside Jetro tent.

⁸ Den Moses tell his faddah-in-law eryting Da One In Charge wen do to da Pharaoh guy an da Egypt peopo fo help da Israel peopo. He tell um all da trouble dey get afta dey go outa Egypt, an how Da One In Charge get dem outa all dat.

⁹ Jetro, he feel good inside cuz a all da good kine stuff Da One In Charge wen do fo da Israel peopo wen he get dem outa trouble wit da Egypt peopo.

¹⁰ Jetro tell, "I like tell good kine stuff bout Da One In Charge. He wen get you guys outa trouble wit da Egypt peopo an wit da Pharaoh guy. He take da peopo outa dea fo dem no gotta be slaves fo da Egypt peopo!"

¹¹ Now I know fo shua, dat Da One In Charge, mo importan den all da odda gods, no matta da Egypt peopo make any kine to you guys!"

¹² Den Jetro bring one animal an kill um ova dea an burn um up fo make one sacrifice fo God. He make one diffren kine sacrifice fo show he stay tight wit God. Aaron, wit da older leada guys fo da Israel peopo, come dea too. Dey all eat togedda wit Moses faddah-in-law in front God.

¹³ Da nex day, Moses sit down in front da peopo fo judge dem. Da peopo stay stan ova dea by Moses from morning time to evening time.

¹⁴ But wen Moses faddah-in-law see all da stuffs Moses stay do fo da peopo, he tell Moses, "Eh! Wass all dis you stay do fo da peopo? How come you da ony guy dat stay do dat? All da peopo, how come dey gotta stay stan ova dea by you from morning time to evening time?!"

¹⁵ Moses tell his faddah-in-law, "Da peopo, dey come by me fo find out wat God like dem fo do.

¹⁶ Erytime dey get problem, dey come in front me, an I figga wat guy stay right an wat guy stay wrong. I make um know da tings God tell dey gotta do, an I tell um wat da Rules From God mean, weneva dey aks me bout dat."

¹⁷ But Moses faddah-in-law tell Moses, "Az no good, wat you do!"

¹⁸ You ony goin come real tired an come wipe out. You goin make da peopo come tired too. Yoa job, too much fo you handle. You not strong enuff fo do um by you ony!

¹⁹ "So now, lissen wat I tell! I goin tell you wat you gotta do, an I like fo God help you fo do um! Yoa job, you gotta be da one dat talk fo da peopo to God. Wen dey like go see da judge, you da one fo find out wat God tell bout dat an tell um.

²⁰ Tell um bout da bad tings dat goin happen if dey no do jalike da Rules tell, an teach um da Rules. Make shua dey know da right stuff fo do, an da kine tings dey suppose to do.

²¹ Same time, from all da peopo, go find an pick guys dat can handle dis job. Pick da kine dat stay sked weneva dey stay in front God cuz dey get awesome respeck fo him. Da Peopo No Can Handle Fo God Talk To Dem

18 ✨ All da peopo hear da thunda an see da lightning. Dey all hear da sheep horn trumpet an see da smoke all ova da mountain. Da peopo, dey stay sked an shaking. Dey go stan back far away from da mountain.

Da Rules Fo Da Slave Peopo

¹ Dis da rules you goin give da peopo fo dem know wass right an wass wrong:

² ✧ Wen you buy one Hebrew guy fo be yoa slave, he gotta be yoa slave six year max. From da numba seven year, he can go. He no goin be yoa slave no moa. An he no need pay you notting fo let um go.

³ Wen you buy da slave guy, if he no mo wife, den wen he not yoa slave no mo he can go. Wen you buy one married guy, den wen he not yoa slave no moa, him an his wife can go.

⁴ If da slave owna guy give da slave guy one wife, an she born kids, den wen da slave guy not one slave no moa, da wife an da kids gotta stay wit da slave owna guy. Ony da guy go, da wife stay wit da slave owna guy.

⁵ But if da slave guy tell, “I get plenny love an aloha fo my owna guy, an fo my wife an my kids. I no like go way from hea an no be one slave no moa,”

⁶ den da slave owna guy gotta take da slave guy in front God. Da slave owna guy put da slave guy by da door, an take one spike an push um thru da bottom a his ear lobe in da door, den take out da spike. Den da slave guy goin stay one slave wit da owna guy till he mahke.

⁷ Wen one guy sell his girl fo her come one slave, get one diffren rule fo wat she gotta do fo no be one slave no moa. Az not da same jalike da rule fo da slave guys.

⁸ If da guy dat own her tell, “Dis wahine, she fo me,” but den tink she no good, he gotta let her ohana buy her back. Da slave owna no can sell her to one guy from anodda place, cuz he buy her fo him, but den he no get respect fo her no moa, da way he suppose to do.

⁹ If he buy her fo his boy, den jalike she not one slave. She get da same rights jalike she was da guy daughtah, an he gotta make lidat to her.

¹⁰ If bumbye da slave owna guy marry anodda wahine too, he no can hold back from give da slave wahine food an clotheses, an he no can hold back from sleep wit her jalike he sleep wit da odda one fo her get kids.

Da Rules Fo Wen Somebody Get Hurt

¹² ✧ Anybody wack one guy, an da guy mahke, da one dat kill um gotta mahke too.

¹³ ✧ But if he neva go afta da guy fo kill um, but God jus let um happen, den God goin give da guys one place wea da guy can run an dey no can kill um ova dea.

✧ **20:25** 20:25: Rules2 27:5-7; Josh 8:31 ✧ **21:2** 21:2: Pries 25:39-46 ✧ **21:12** 21:12: Pries 24:17

¹⁵ Anybody bus up dea faddah o muddah, gotta kill um.

¹⁶ ☆Anybody kidnap one guy, gotta kill um. No matta he sell da guy he wen kidnap, o he still yet stay hold um wen you catch um, gotta kill um.

¹⁷ ☆Anybody like put kahuna on top dea faddah o muddah, gotta kill um.

¹⁸ Wen two guys make argue an one guy bus up da odda guy wit one stone o wit his hand, an da odda guy no mahke, but gotta stay in da bed long time,

¹⁹ den if da guy dat get jam up come litto bit good, fo get up an walk aroun outside da house wit one stick fo walk—den no need punish da guy dat wen bus um up. Da guy ony need pay fo da work time da odda guy wen lose, an pay fo make um come good too.

²⁰ If one slave owna take one stick an go bus up his slave guy o his slave wahine, an dey mahke right den an dea, gotta punish da guy dat bus um up.

²¹ But, if da bus up slave guy o wahine stay alive one-two day moa, den no need punish da slave owna guy fo wat he wen do, cuz he own um.

²² If get some guys dat stay fight, an dey push one hapai wahine, an she lose da bebe but da wahine no mahke, da guy dat wen do um gotta pay one fine. Da wahine husban, he gotta figga wit da judges how much da guy gotta pay.

²³ But if somebody get hurt bad an mahke, den gotta punish da guy. If he kill somebody, kill him too.

²⁴ ☆If he jam up somebody eye, jam up his eye too,

One eye fo one eye,

One teet fo one teet,

One hand fo one hand,

One feet fo one feet,

☆ **21:16** 21:16: Rules2 24:7 ☆ **21:17** 21:17: Pries 20:9; Matt 15:4; Mark 7:10 ☆ **21:24** 21:24: Pries 24:19-20; Rules2 19:21; Matt 5:38

³⁰ But if da ohana make one deal wit da owna guy, an he pay dem money so den dey no kill him, da owna guy gotta pay wateva dey figga fo buy back his life.

³¹ Same ting, if da cow use his horn fo kill one boy o one girl, get da same rule fo wat da cow owna guy gotta pay fo buy back his life.

³² If da cow use his horn fo kill one slave guy o slave wahine, da cow owna gotta pay 30 piece silva to da slave owna guy, an erybody gotta throw stone fo kill da cow.

³⁵ If one guy get one cow, an dat cow hurt anodda guy cow, an dat cow mahke, dey gotta sell da cow dat stay alive an half half da money, an half half da meat from da mahke cow.

³⁶ But maybe peopo know from long time dat dass one cow dat like use his horn fo go afta da odda cows. An maybe da owna no do notting fo make shua da cow no go afta da odda cows. Den da owna gotta pay back one cow fo da one his cow wen kill, but he can keep da mahke cow.

22

Da Rules Bout Da Steala Guys

⁷ If one guy give money o stuffs to anodda guy fo keep fo him, an somebody steal um outa da house wea da guy keep um—if dey catch da steala guy, he gotta pay double wat he wen steal.

⁸ But if dey no catch da steala guy, den da house owna guy dat wen keep da money gotta go in front God fo God tell da peopo if he wen touch da stuffs he keep fo da odda guy, o if he neva.

⁹ Same ting, fo any odda kine ting wea one guy tink anodda guy get his stuffs, an he not suppose to (one cow, o one donkey, o one sheep, o one

¹⁷ But if da girl faddah no like let dat guy marry his daughtah, da guy still yet gotta pay all da price fo marry one girl, wit silva, wateva da guys pay fo marry one girl dat neva sleep wit one guy.

¹⁸ ✧Any wahine dat put kahuna on top any kine ting, no let her live.

¹⁹ ✧Anybody go make sex wit one animal, gotta kill da guy o wahine.

²⁰ ✧Anybody go make one sacrifice to anodda god dass not Da One In Charge, gotta wipe um out.

²¹ ✧Wen get one guy come from anodda place dat live wit you guys, no make any kine to him, an no give him hard time. Cuz you know, da time you guys wen live Egypt side, you was from anodda place too.

²² Wen get one widow, o one kid dat no mo faddah o muddah guys, no make to dem jalike dey notting.

²³ Cuz if you make to dem jalike dey notting, an dey yell to me fo help, me Da One In Charge goin lissen dem real fas.

²⁵ ✧If you lend money to my peopo, da ones dat no mo notting dat live dea wit you, no make jalike dat yoa biznis. No make um pay back you guys wit interes money.

✧ **22:16** 22:16: Rules2 22:28-29 ✧ **22:18** 22:18: Rules2 18:10-11 ✧ **22:19** 22:19: Pries 18:23; 20:15-16; Rules2 27:21 ✧ **22:20** 22:20: Rules2 17:2-7 ✧ **22:21** 22:21: Outa 23:9; Pries 19:33-34; Rules2 24:17-18; 27:19 ✧ **22:25** 22:25: Pries 25:35-38; Rules2 15:7-11; 23:19-20

26 ✨If you make one guy dat live by you guys leave his coat wit you till he pay back da money dat he owe you, you gotta give da coat back to him befo da sun go down.

27 Cuz wat if dass da ony clothes da guy get fo cova his body, how da guy goin sleep good if you take um? So, if you keep da coat, an da guy yell to me fo help um, I goin lissen. Cuz me, I like do good tings fo peopo.

23

Gotta Do Da Right Ting

1 ✨No go tell odda peopo tings you hear if you know az not true. Wen get somebody dat do one bad ting, no go make one deal wit da guy dat do one bad ting so you go bulai da judge fo him.

2 Even if get plenny peopo tell da same ting, no go togedda wit dem fo help um do someting bad. Wen you go in front da judge, no follow da oddas jus fo make um come good fo yoa frenz.

3 ✨Same ting, if one guy dat no mo notting come in front da judge, no go make diffren kine to him, jus cuz da guy no mo notting.

4 ✨If get one guy dat stay agains you, an you find da guy cow o donkey inside da boonies, you gotta go bring um back to da owna no matta da guy stay agains you.

5 If you see one donkey dat stay carry heavy stuff fall down an no can stan up, an da owna guy one guy dat stay hate you, still yet you no can jus leave da donkey dea. You gotta work wit da owna guy fo help da donkey stan up.

6 ✨Wen get peopo by you dat no mo notting an get hard time, an dey gotta go in front da judge, no do notting fo mess um up.

7 But if get one guy dat neva do notting bad, make shua you no bulai bout da guy in front da judge an tell dat he wen do someting bad. No do notting agains da peopo dat stay do wass right, den gotta mahke. Cuz I God, an I no goin let you go if you go do one bad ting.

He give um to you guys, fo take away da blame from da peopo fo da bad kine stuff dey wen do, an fo make dem come pono wit Da One In Charge one mo time.

¹⁸ Cuz you guys neva take da blood from dat animal inside da Place Dat Stay Spesho Fo Me inside da Tent, you guys suppose to eat da goat meat inside da spesho place outside da Tent, jalike I tell you guys fo do.”

⁷ On da side a ery stack put some pure incense powda. Dat way, da pries guys no goin burn up da breads. Dey ony goin burn up da incense powda part from da breads. Dat goin help um no foget dat da whole sacrifice wit fire stay fo me, Da One In Charge.

⁸ Ery Res Day, now an foeva, Aaron goin put dis kine bread in front me, Da One In Charge, fo da Israel peopo. Dass one part a da Deal dey get wit me, dat stay foeva.

⁹ ☆Dis, az fo Aaron an his boys. Dey goin eat um inside one place dat stay spesho fo me, cuz az someting real, real spesho fo me, dat dey get from da sacrifice dey make wit fire fo me, Da One In Charge.”

One Guy Talk Bad Bout Da One In Charge

¹⁰ Had one guy, his muddah from Israel an his faddah from Egypt. He go wea da Israel peopo stay, an him an one Israel guy start fo fight.

¹¹ Da hapa guy use Da One In Charge name an tell da guy he beef wit dat Da One In Charge good fo notting. So da guys bring da hapa guy by Moses. (His muddah name Shelomit, Dibri girl from da Dan ohana.)

¹² Da peopo put him wea guys can watch him, an wait till Da One In Charge tell dem wat he like um fo do.

¹³ Den Da One In Charge tell Moses:

¹⁴ “Bring da guy dat use my name an talk bad bout me outside da camp. Den let all da peopo dat wen hear him tell dat, put dea hands on top his head fo show he da one get da blame. Den all da peopo goin throw stone at um fo kill um.

¹⁵ Tell da Israel peopo: If somebody talk bad bout his God, jalike he tink I no matta, den he get da blame fo da bad ting he wen do.

¹⁶ Whoever talk bad bout my name, Da One In Charge, gotta mahke. All da peopo goin throw stone at dem fo kill dem. No matta dey one guy from anodda place dat live wit you guys, o one Israel guy, if dey talk bad bout my name, you guys gotta kill um.

¹⁷ ☆“If somebody kill one guy o wahine, you guys gotta kill him.

¹⁸ If somebody kill one animal dat belong to anodda guy, dey gotta pay back da owna. An dey gotta give um one animal fo da mahke animal.

¹⁹ If somebody hurt anodda guy, dey gotta hurt him da same way he wen do:

²⁰ ✧ one broke bone fo anodda broke bone, one eye fo anodda eye, one broke teet fo anodda broke teet. Jalike he wen hurt da odda guy, az how he goin get hurt too.

²¹ Whoeva kill one animal, dey gotta pay back da owna. But whoeva kill one guy o wahine, dey gotta mahke.

²² ✧ Az how goin be fo da guys from anodda place dat live wit you guys, an fo da Israel guys too. I yoa God, Da One In Charge.”

²³ Den Moses talk to da Israel peopo, an dey bring da guy dat use Da One In Charge name an talk bad bout Da One In Charge an make jalike he no matta. Dey bring um outside da camp, an dey throw stone at um an kill um. Dass how da Israel peopo do wat Da One In Charge tell Moses.

Da Year Fo Res

¹ ✧ Da time Moses stay up dea on da top a Mount Sinai, Da One In Charge tell Moses

² fo tell da Israel peopo dis:

“Wen you guys go inside da land I goin give you guys, den ery seven year da land gotta res fo me, Da One In Charge.

³ Fo six year you guys plant yoa fields, an fo six year you trim da grape plants an cut da food.

⁴ But da year numba seven, az da Res Year, wen da land goin res fo me, Da One In Charge. All dat year, you no can plant seed inside yoa fields, an no can trim da grape plants.

⁵ No harves da food dat grow from da seed you drop da las time you harves food, o da grapes dat grow wea you no trim. Da land goin get one year fo res.

⁶ Wateva come up dat year dat you guys no work fo plant, goin be food fo you guys, fo da guys an wahines dat work fo you guys, fo da guys you pay fo work fo you guys, an fo da peopo from anodda place dat live wit you guys.

⁷ Yoa animals, an da wild animals inside yoa land can eat um too. Wateva come up from da land, can eat um.

Da Spesho Year Fo Give Back

⁸ “You guys count seven Res Years—az seven times seven year—so da seven Res Years make forty-nine year.

⁹ Den, da month numba seven, day numba ten, az da Day Fo Make Da Peopo Come Pono Wit God, az da year numba fifty. Dat time, peopo goin blow da sheep horn trumpets all ova you guys land.

¹⁰ Make da year numba fifty spesho fo me! Tell all ova da land dat erybody gotta give back da land an da peopo dey wen buy to da real ownas. Az goin be da spesho Give Back Year numba fifty wen erybody goin go back fo take ova da property dey wen own befo time, an come one small ohana peopo one mo time.

¹¹ Az goin be da spesho Give Back Year, numba fifty. No go plant seed dat year, an no use da food dat grow from wat fall down da las time you harves food, o da grapes dat grow wea you no trim.

¹² Az da Give Back Year numba fifty. You guys, you gotta make dat year spesho fo me, Da One In Charge. You can eat da food you get from da fields.

¹³ “Da Year Fo Give Back, numba fifty, erybody goin go back dea property.

¹⁴ “If you guys sell land to one Jew, o buy land from dem, no try scam each odda.

¹⁵ If you guys goin buy land from one Jew, you gotta figga how much fo pay. Count how many year befo da spesho Year Fo Give Back stay come. An da one dat sell, befo he sell you da land gotta figga how many year still get fo you harves food, till da nex Year Fo Give Back.

¹⁶ Wen get plenny mo year fo harves food, you gotta pay mo fo buy da land. An wen no mo plenny year, you pay um ony litto bit fo buy um. Az cuz da years you can harves da food from dat land, dass da ony ting dey sell you fo real kine.

¹⁷ No scam each odda, but stay sked an show respeck fo me, Da One In Charge. I yoa God, Da One In Charge.

¹⁸ “Do wat my rules tell, an make shua you do wat I tell you fo do. Den you guys goin live inside da land an no need worry notting.

¹⁹ Den da land goin give plenny food, an you guys goin get plenny fo eat, an live good ova dea, an no need worry notting.

²⁰ You guys goin aks, ‘Wat us guys goin eat da year numba seven, if we no plant seed o harves food?’

²¹ I goin make real good fo you guys da year numba six, so da land goin grow enuff food fo three year.

²² Da year numba eight, wen you guys plant, you guys still yet goin eat da food you wen harves befo time, an stay eat um till you harves da new food da year numba nine.

²³ “You guys no sell da land to somebody foeva, cuz da land az mines, an you guys stay live on top my land ony short time.

²⁴ All ova da land dat stay yoas, you guys gotta make shua dat whoeva sell dea land to you, can buy um back.

²⁵ “If one Jew no mo notting, so he sell some a da ohana land, one guy dass da mos nea ohana to him, suppose to come fo buy back wat da odda guy sell, so da land still stay wit da ohana.

²⁶ But if one guy no mo ohana fo buy um back fo him, but den bumbye da guy make good, an can buy um back,

²⁷ firs he gotta figga how much da crops worth from da year wen he sell um till now. Den he goin pay back da guy dat buy da land fo wateva he goin grow now till da Give Back Year. Az why now he get his property back one mo time.

²⁸ But if da guy dat own da land befo time no mo enuff fo buy um back, den da guy dat buy da land can keep um till da spesho Year Fo Give Back. Dat year, da guy dat buy um gotta give um back to da guy dat own um befo time fo da firs owna guy go back his land.

²⁹ “If one guy sell one house, inside one big town dat get wall aroun um, he get da right fo buy um back one year afta he sell um. He can buy um back dat year.

³⁰ If he no buy um back dat same year, da house inside da big town dat get wall goin stay fo da guy dat buy um, an stay fo him an his ohana foeva. He no need give um back inside da spesho Year Fo Give Back.

³¹ But da kine house inside one small town dat no mo wall aroun um, dey jalike da land outside da towns. Da guy dat sell um, o somebody from da guy ohana, can buy um back. An da guy dat buy um, gotta give um back, da spesho Year Fo Give Back.

³² “But inside da towns dat da Levi ohana get, da guys dat come from dat ohana get da right fo buy back any house dey sell.

³³ So fo da Levi ohana property, okay fo dem buy um back. Okay fo dem sell one house inside one a dea towns, but da spesho Year Fo Give Back, da new owna gotta give um back. Az cuz da houses inside da Levi ohana towns, az da ony property dey get inside da Israel land.

³⁴ But da fields dat da Levi ohana peopo own aroun dea towns fo da cows an sheeps eat dea, dey no can sell um. Dat stay fo dem foeva.

³⁵ ✧ “If get Jew guys dat no mo notting, an no can work, help dem jalike you help one guy from anodda place o one guy dat live nea you fo one short time. Den okay fo dem live wit you guys.

³⁶ No make um pay interes o pay back mo den wat dey borrow, but show respeck fo God cuz you stay sked a him. Dass how da Jew guys dat no mo notting can still stay live wit you guys.

³⁷ ✧ You betta not make dem pay interes fo wat dey borrow, o sell dem food fo mo den wat da food cost.

³⁸ Me, Da One In Charge, yoa God. Was me da one wen bring you guys outa Egypt, an give you guys da Canaan land, an fo come yoa God.

³⁹ ✧ “If one a yoa peopo owe you plenny an he no mo notting, an he let you buy him fo pay you off, no make him work jalike one slave.

⁴⁰ You goin make to him jalike one guy you pay fo work fo you, o jalike one guy dat live nea you fo short time. He goin work fo you, ony till da spesho Year Fo Give Back come.

⁴¹ Den you goin let him an his kids go, an dey goin go back by his ohana an da property dat his ancesta guys own from befo time.

⁴² Da Israel peopo, dey slaves fo me, Da One In Charge, cuz I bring dem outa Egypt. Az why you guys betta not sell dem fo come slaves fo odda peopo.

⁴³ No give dem hard time, but show respeck fo me, yoa God.

⁴⁴ “Da guys an wahines dat you guys like come slaves fo real kine, dey goin come from da odda peopos dat stay live aroun you guys. You guys can buy slaves from dem.

⁴⁵ You guys can buy da peopo dat live nea you fo one short time too, an peopo from dea ohanas dat born inside yoa land fo come yoa slave.

⁴⁶ You guys can give da slaves dass not Jew guys to yoa kids wen you mahke, fo come yoa kids slave. You guys can make dem slaves all da time dey stay alive. But you betta not give hard time to da Jew guys dass yoa slave, cuz da Israel peopo, dey yoa braddah guys.

⁴⁷ “If one guy from anodda place, o one guy dat live wit you guys fo short time, come rich, an one Jew no mo notting, so da Jew guy let da guy from anodda place dat live nea you buy him, o let somebody from da guy ohana buy him,

⁴⁸ da Jew still get da right fo somebody buy him back afta he let one guy from anodda place buy him. One a his ohana guys can buy him back.

⁴⁹ One uncle o one cousin, o odda ohana can buy him back. O if da slave guy come rich, he can pay fo come free.

⁵⁰ Da Jew dat stay one slave an da guy dat wen buy him, dey gotta figga dis: Maybe da slave guy like pay fo no be one slave no moa. Den dey gotta figga how many years from da year da guy goin pay fo no be one slave no mo till da nex Year Fo Give Back. Den da price fo buy him back goin be da same jalike wat dey pay one guy dat work fo dem fo da res a dat time.

⁵¹ If get plenny mo year still yet till da spesho Year Fo Give Back, he gotta pay mo plenny fo come free, almos da same jalike da guy wen pay fo buy him.

⁵² If ony short time stay till da spesho Year Fo Give Back, he goin figga dat an pay ony litto bit a wat da guy pay fo him.

⁵³ Da guy from anodda place dat live wit you guys, gotta make to da Jew dass his slave, jalike one guy he pay fo work fo him year afta year. You gotta make shua dat da guy dat own him now, no make mean to him.

⁵⁴ "Even if da ohana guy o da slave guy no can buy him back, da owna gotta let him an his kids go, wen da spesho Year Fo Give Back come.

⁵⁵ Cuz da Israel peopo, az slaves fo me, Da One In Charge. Dey work fo me, an was me wen bring dem outa Egypt. Me, Da One In Charge, an I da God fo you guys!

²⁷ “An if you guys still yet no lissen me, an stay piss off wit me,

²⁸ den I goin get real mad wit you guys. I goin punish you guys cuz a da bad kine stuff you guys stay do, seven times mo worse.

²⁹ You guys goin eat yoa boys an yoa girls.

³⁰ I goin broke down yoa sacrifice places fo da idol kine gods on top da hills, an cut down da altars you guys make fo burn incense dea. I goin put big stack a yoa mahke bodies on top da wood blocks, da ones you call yoa idol kine gods, dat no stay alive. An I goin hate you guys.

³¹ I goin make yoa towns come all bus up, an wipe out da places you make spesho fo yoa gods. I no goin feel good inside notting from da nice smell you guys make wit yoa sacrifices.

³² I goin bus up yoa land, so dat da guys dat stay agains you guys no goin feel good wen dey go dea fo take ova.

³⁴ Den da land goin stay good, cuz goin res jalike inside da Res Years. Goin res all da time stay good fo notting, all da time you guys stay inside da land a da guys dat stay agains you guys. Dass da time da land goin res, an goin stay good inside cuz now get da Res Years.

³⁵ All da time da land stay good fo notting, da land stay res. Wen you guys stay dea, da land neva res.

³⁶ “An fo all you peopo dat still yet stay alive dea, you guys goin stay inside da lands a da peopo dat stay agains you guys, an I goin make you guys stay sked ova dea. Wen da wind blow one leaf, an you guys hear um, goin make you guys so sked, you goin run away. You goin run jalike somebody stay chase you wit one sword, an you goin fall down, even wen nobody stay chase you.

⁴⁰ “But maybe dey tell az was wrong, all da bad kine stuff dem an dea ancesta guys wen do. O maybe dey tell az was wrong fo broke my rules an no stay tight wit me. O maybe dey tell az wrong fo dem stay piss off wit me.

⁴¹ An fo me, fo shua all dat make me stay piss off wit dem too. Az why I sen dem inside da land a da peopo dat stay agains dem. Dey neva like lissen me. But wen dey start fo tink dey notting, an dey tell az okay fo me punish dem cuz a da bad kine stuff dey wen do,

⁴² ☆den I no goin foget da deal I wen make wit dea ancesta guys Jacob, an Isaac, an Abraham, an I no goin foget da promise I wen make bout da land.

“Maybe somebody goin make one spesho kine strong promise to me, Da One In Charge, fo make somebody come my slave guy fo ony me. Den you, Moses, you gotta figga da right price fo dem pay da pries guys fo dem no come one slave.

³ You figga fifty piece silva, da way da pries guys weigh silva, fo pay fo one guy twenny to sixty year ol.

⁴ But if az one wahine twenny to sixty year ol, you ony pay thirty piece silva, da way da pries guys weigh silva.

⁵ If az one guy five to twenny year ol, pay twenny piece silva. If az one girl five to twenny year ol, you ony pay ten piece silva.

⁶ If one bebe boy ony one month to five year ol, you ony pay five piece silva. If one girl ony one month to five year ol, pay three piece silva.

²³ Den da pries guy gotta figga how plenny da owna gotta pay fo buy back da land till da spesho Year Fo Give Back. An da guy gotta pay wateva da land cost dat same day, cuz az spesho fo me, Da One In Charge.

²⁴ Wen da spesho Year Fo Give Back come, da land no goin go back fo da guy dat buy da land an make um spesho fo me. Goin go back fo da guy dat own um befo time, cuz az his ohana land, but he sell um.

²⁵ Dey goin figga how plenny gotta pay fo buy back da land, da way da pries guys weigh da silva. (Twenny gerah, az one piece silva.)

³ Tell um fo stay outside no matta dey guys o wahines. An tell um fo go all da way outside da camp, fo no make um so da odda peopo inside da camp no can go in front me. Cuz I stay wit da ones inside da camp.”

⁴ Az how da Israel peopo sen dat kine peopo outside da camp, jalike Da One In Charge tell Moses fo do.

How Fo Make Things Right Wen Peopo Do Bad Kine Stuff

⁵ ✨Da One In Charge tell Moses

⁶ fo tell da Israel peopo dis: “Wen one guy o one wahine do any bad kine stuff to somebody, an dey show dey no stay tight wit Da One In Charge, dat guy o wahine get da blame fo wat dey wen do.

⁷ Dey gotta tell dat dey da ones get da blame fo da bad tings dey wen do. Den, dey gotta pay back da one dey wen hurt, fo wat dey wen do to him, an pay twenny percent mo to him fo wat dey wen do to him.

⁸ But if da one dey wen hurt mahke awready, an no mo anodda ohana fo da guy dat mahke, den da guy dat get da blame gotta pay fo da bad tings he wen do, an da pay stay fo Da One In Charge. Da one dat jam up da odda guy, gotta give da pay back silva to da pries guy. An da guy dat get da blame gotta give one boy kine sheep too, fo make one sacrifice an make da guy dat do wass wrong come pono wit God one mo time.

⁹ Wen one a da Israel peopo bring one sacrifice dat stay spesho fo God, da part a da sacrifice dey give to one pries guy, stay fo dat pries guy.

¹⁰ Erybody dat get good an spesho stuff, dass dea property. But wen dey give one part to da pries guy, dat part stay fo da pries guy.”

How Fo Find Out If Da Wife Fool Aroun Behind Her Husban Back

¹¹ Den Da One In Charge tell Moses

¹² fo tell da Israel ohana peopo dis: “Maybe one guy wife tell ‘Laytas’ to him an fool aroun, an no stick wit him.

¹³ O if some guy make sex wit her, but dey hide wat dey do so her husban donno, cuz a wat she do she no can go in front Da One In Charge. But no mo nobody see um, an nobody catch um.

¹⁴ But if da husban start fo tink maybe she wen go do someting wrong, an az true dat she wen do um, o if he tink lidat but she neva do um,

¹⁵ den he goin take his wife by da pries guy. He gotta take one sacrifice fo her, two quart barley flour. He not suppose to put olive oil o incense wit um, cuz az one barley sacrifice fo find out if az fo shua, cuz he donno.

16 “Da pries guy goin bring her nea da Tent an make her stan in front Da One In Charge.

17 Den he goin take some watta dat dey put inside one clay jar an make um spesho fo God, an he goin mix some dirt from da floor a da Tent wit da watta.

18 Afta da pries make her stan in front Da One In Charge, he goin put her hair down, an put da sacrifice fo find out if she wen do bad kine stuff inside her hands. Az da wheat o barley sacrifice cuz her husban donno if she do someting bad o she neva do notting. An da pries guy hold in his hand da watta dat taste bitta, dat can put kahuna on top her.

19 Den da pries guy goin make da wahine make one strong promise. He goin tell her, ‘Maybe anodda guy neva sleep wit you. Maybe you neva tell “Laytas” to yoa husban fo fool aroun an come pilau so you no can go in front God, same time you stay marry to yoa husban. If az da trut, I like fo dis watta dat taste bitta, dat can put kahuna on top you, no goin hurt you.

20 But maybe you wen tell “Laytas” to yoa husban, an anodda guy dat not yoa husban make sex wit you, no matta you stay marry, an you come pilau so you no can go in front God.’

21 (Right den an dea, da pries guy goin stop, an make da wahine make one strong promise fo let God put kahuna on top her if she wen do someting bad.) He goin tell her: ‘Cuz you wen make one promise in front Da One In Charge, an cuz he can put kahuna on top you, I like Da One In Charge let yoa ohana peopo see wat goin happen. Da One In Charge can make dis watta dat put kahuna go inside yoa body, an make yoa privates come any kine, an yoa belly swell up.

22 I like fo dis watta dat put kahuna on top you, go inside yoa opu, fo make yoa belly swell up an yoa privates come any kine!’

“An da wahine goin tell, ‘Az right! Az how goin be.’

23 “Da pries guy goin write on top one paypa, wat kine kahuna God put, an den wash um off inside da watta dat taste bitta an can put kahuna.

24 He goin make da wahine drink da bitta watta dat can put kahuna, an dat watta goin go inside her.

25 Befo da pries guy make her drink da watta, he goin take da barley sacrifice dat da wahine stay hold cuz her husban tink maybe she do someting bad. Da pries guy goin hold um up in front Da One In Charge, den bring um by da altar.

26 Den da pries guy goin take one hand full a da barley fo make one sacrifice fo make shua God no foget. He goin burn da barley on top da altar. Afta dat he goin make da wahine drink da watta.

27 If she wen come pilau so she no can go in front Da One In Charge, cuz she no stay tight wit her husban, den wen she drink da watta dat can put kahuna, da watta goin go inside her body, an make her suffa plenny. Her belly goin swell up, an her privates goin come any kine. An wen she go by her peopo, dey goin know dat get kahuna on top her.

28 But if da wahine no stay pilau inside an can go in front Da One In Charge, she no goin come hurt, an she can born kids.

29 “Dis da rule fo wen one husban donno if his wife do one bad kine ting, o no do um. Maybe one wahine tell ‘Laytas’ to her husban fo come pilau so she no can go in front Da One In Charge.

30 O maybe da husban ony tink his wife wen do someting bad. Den da pries guy goin make her stan in front Da One In Charge, an make jalike dis

rule tell.

³¹ Da husban no goin get da blame fo notting, but da wahine goin take wateva blame she get, jalike da rule tell.”

¹⁰ Den day numba eight, he gotta bring two dove o two young pigeon by da pries guy by da place fo go inside da Tent Wea Da Peopo Come Fo Meet Me, Da One In Charge.

14 All dem goin make dis spesho kine sacrifice fo me Da One In Charge ova dea:

¹² “Den, da Levi guys goin put dea hands on top da heads a da young bulls. Dey goin kill one calf fo make one sacrifice fo da bad kine stuff dey wen do, an kill da odda one fo one burn up kine sacrifice, fo make dem come pono wit me.

¹³ Make da Levi guys stan in front Aaron an his boys. Den Aaron goin give da Levi guys to me, Da One In Charge, jalike dey one sacrifice dat he lif up in front me.

¹⁴ Az how you goin make da Levi guys come spesho fo me. Dey goin be diffren den da odda Israel peopo. Da Levi guys goin be mines.

¹⁵ “Afta you make da Levi guys come spesho fo me, fo dem come in front me, an give dem to me jalike dey one sacrifice dat da pries guys lif up in front me, den dey goin come fo work inside da Tent Wea Da Peopo Meet Me.

¹⁶ Dey da ones you give me from all da Israel guys. I take da Levi guys fo come all mines, fo me no take da firs boy dat born from ery Israel wahine fo come mines.

¹⁷ ✧Ery firs boy dat born from da Israel ohana, no matta dey one guy o one animal, dey mines. Da time I wen kill all da firs boys dat born from da Egypt peopo, I make da firs boys dat born from da Israel peopo come spesho fo me.

¹⁸ Dass how come I stay take ony da Levi ohana guys, an not da firs boy dat born from ery Israel family.

¹⁹ From all da Israel peopo, I stay give da Levi ohana guys, jalike dey one present fo Aaron an his boys fo da Levi guys work inside da Tent Wea Da Peopo Meet Me. Az why da odda Israel peopo no need work dea. Dey goin do dea work fo make da Israel peopo come pono wit me. Dass how no mo

bad kine sick goin wack da odda Israel peopo if dey go too nea da Place Dat Stay Spesho Fo Me.”

²⁰ So Moses, Aaron, an all da Israel peopo make to da Levi ohana guys jalike how Da One In Charge tell Moses fo dem do.

²¹ Da Levi guys make da ceremony fo dem come spesho fo Da One In Charge fo dem come in front him. Den dey wash dea clotheses. Aaron give dem to Da One In Charge, jalike dey one sacrifice he lif up in front Da One In Charge, fo make dem come pono wit Da One In Charge an come spesho fo him.

²² From dat time, da Levi guys work aroun da Tent Wea Da Peopo Meet Da One In Charge. Aaron an his boys stay in charge a dem. Dey make to da Levi guys jalike how Da One In Charge wen tell Moses fo dem do.

²³ Anodda ting Da One In Charge tell Moses,

²⁴ “Dis da rule fo all da Levi ohana: Guys twenny-five year ol o mo goin start fo work aroun da Tent Wea Da Peopo Meet Me.

²⁵ But wen dey make fifty year ol, dey goin pau do dat work, an no need work fo da Tent no moa.

²⁶ Okay fo dem help dea braddahs an do security guard kine work fo da Tent Wea Da Peopo Meet Me, but dey no goin be da main guys fo do da regula kine work wit da sacrifices. So den az goin be how you goin give da Levi guys dea work.”

⁶ But get some a da peopo dat no can make da Passova sacrifice dat day. Dey no can go in front Da One In Charge, cuz dey wen touch one mahke body. Cuz a dat, da same day dey go by Moses an Aaron.

⁷ Dey tell Moses, “Us guys come hea cuz we no can go in front God. We wen touch one mahke body. But how come da Rules no let us guys go in front Da One In Charge fo make da sacrifice da right time wit da odda Israel peopo?”

⁸ Moses tell um, “Wait till I find out wat Da One In Charge tell me wat you guys gotta do.”

⁹ Da One In Charge tell Moses

¹⁰ fo tell da Israel peopo: “Wen some a you guys no can come in front me cuz you wen touch one mahke body, o you guys wen go one far place, you o da peopo dat goin come from you bumbye, still yet can make da Passova sacrifice fo me.

¹¹ You guys goin make um da month numba two, on day numba fourteen, afta da sun go down an befo come dark. You guys goin eat da bebe sheep, an da bread dat no mo yeast, an da bitta herbs.

¹² ✨ You guys betta not leave notting back till da morning time. An no broke any a da bones. Wen you guys make da Passova, you guys gotta do eryting God tell you fo do.

¹³ But if get one guy dat can come in front me, an he no go anodda place, he ony no like come make da spesho religious kine ceremony, da Passova, you guys gotta cut him off from his peopo, cuz he no make da sacrifice fo me da right time. Dat guy goin get da blame fo da bad ting he wen do.

¹⁴ “But if get one guy from anodda place dat like make da Passova sacrifice fo me wit you guys, wen he do um he gotta do all da tings I wen tell dat peopo gotta do, an all da Rules. You guys gotta stick wit da same rules fo da Israel guys an da guys from anodda place.”

Da Cloud Ova Da Tent

¹⁵ Da day dey put up da Tent Fo No Foget Da Deal Wit God, da cloud stay ova da Tent an cova um. From da time come litto bit dark till da nex morning, da cloud ova da Tent look jalike fire.

¹⁶ Az how stay all da time. Da cloud cova da Tent, an nite time look jalike fire.

¹⁷ Erytime da cloud go up from da Tent, da Israel peopo start fo follow. An ery place da cloud stay stop, dass wea da Israel peopo make camp.

¹⁸ Wen Da One In Charge tell da Israel peopo fo go, dey go. An wen he tell dem fo make camp, dey make camp. All da time da cloud stay ova da Tent, da Israel peopo stay inside da camp.

¹⁹ Wen da cloud stay ova da Tent long time, da Israel peopo no go out. Dey lissen Da One In Charge.

²⁰ Some times, da cloud stay ova da Tent ony two-three day. Az how wen Da One In Charge tell um fo make camp, dey make camp. An den wen he tell um fo go, dey start fo go.

²¹ An get odda times too, da cloud stay ony from wen litto bit dark till morning time. Den da cloud go up morning time, an dey start fo go. No matta day time o nite time, wen da cloud go up, da peopo start fo go.

²² No matta da cloud stay ova da Tent fo two days, o one month, o one year, dass how long da Israel peopo stay wea dey make camp, an no go way from dea. But wen da cloud go up, den dey start fo go.

²³ Wen Da One In Charge tell um fo make camp, dey make camp, an wen he tell um fo go, dey start fo go. Dey lissen wat Da One In Charge tell um fo do, an dey do wat Da One In Charge tell Moses fo tell dem wat fo do.

10

Da Silva Trumpets

¹ Da One In Charge tell Moses:

² “Make two silva trumpets from da kine silva dey poun wit da hamma. Dey goin be fo you call da peopo togedda, an fo tell da diffren ohanas wen fo leave da camp.

³ Wen da pries guys blow da two trumpet same time, dat mean, all da peopo goin come togedda in front you outside da place fo go inside da Tent Wea Da Peopo Meet Me.

⁴ If ony one trumpet stay blow, dat mean, ony da leada guys in charge a da Israel ohanas goin come togedda in front you.

⁵ Wen you guys hear three short blow from one trumpet, da ohanas dat make dea camp da east side goin start fo go.

⁶ Wen dey blow da nex three short blow from da trumpet, da camps da south side goin start fo go. Da noise from da trumpet goin tell dem wen fo start fo go.

⁷ Fo tell da peopo fo come togedda, blow da horns, but not wit da same kine noise, make um long time.

⁸ "Aaron boys, da pries guys, dey goin blow da trumpets. Dis goin be dea kuleana, an dey goin do um foeva.

⁹ Wen you guys go fight inside yoa land agains da guys dat put presha on you guys, blow three short time wit da trumpets. Den me, yoa God, Da One In Charge, no goin foget you guys an get you guys outa da way from da guys dat stay agains you.

¹⁰ An wen you guys stay real good inside, wen you guys make da spesho religious kine ceremonies, an da New Moon spesho times, you guys goin blow um long time wit da trumpets ova yoa sacrifices dat you burn up an da sacrifices fo show dat me an you stay good. Dass how da trumpets goin make me no foget you guys. Cuz me, Da One In Charge, I yoa God."

Da Israel Peopo Leave Sinai

¹¹ In da year numba two, month numba two, day numba twenny, da cloud go up from da Tent Fo No Foget Da Deal Wit God.

¹² Dass wen da Israel peopo start fo go out from da Sinai Boonies, an go from dis place to dat place till da cloud come down inside da Paran Boonies.

¹³ Az was da firs time dey go out. Dey go jalike Da One In Charge tell Moses fo go.

¹⁴ Da ohana fo da Judah camp go firs, jalike one army unda dea flag. Amminadab boy Nashon stay in charge a dem.

¹⁵ Zuar boy Netanel stay in charge a da Issakar ohana.

¹⁶ An Helon boy Eliab stay in charge a da Zebulun ohana.

¹⁷ Den da pries guys take down da Tent, an da Gershon an Merari ohana guys dat carry um, go out afta dem.

¹⁸ Da Reuben ohana go nex, jalike one army unda dea flag. Shedeur boy Elizur stay in charge a dem.

¹⁹ Shelumiel Zurishaddai boy stay in charge a da Simeon ohana.

²⁰ An Deuel boy Elisaf stay in charge a da Gad ohana.

²¹ Den da Levi guys dat come from Kohat go out, carrying da tings dat stay spesho fo God from inside da Tent. Da Gershon an Merari ohana guys suppose to put up da Tent befo da Kohat ohana guys reach da place.

²² Da Ephraim ohana come nex, jalike one army unda dea flag. Ammihud boy Elishama stay in charge a dem.

²³ Pedahzur boy Gamaliel stay in charge a da Manasseh ohana.

²⁴ An Gideoni boy Abidan stay in charge a da Benjamin ohana.

²⁵ Da las ones fo leave, dat stay ready fo fight if somebody catch um up, da Dan ohana go out, jalike one army unda dea flag. Ammishaddai boy Ahiezer stay in charge a dem.

²⁶ Ocran boy Pagiel stay in charge a da Asher ohana.

²⁷ An Enan boy Ahira stay in charge a da Naftali ohana.

²⁸ Dass how da Israel ohanas go out, jalike dey one army, one afta da odda.

²⁹ One time, Moses tell Reuel boy Hobab (Reuel from Midian, Moses faddah-in-law), "We goin go da place Da One In Charge wen tell us bout, wen he tell, 'I goin give you dat land.' Go come wit us, an we goin do good tings fo you. Cuz Da One In Charge wen make one promise he goin do good kine stuff fo us Israel guys."

³⁰ Hobab tell um, "No, I no like go. I like go back my land an peopo, az why."

³¹ But Moses tell um, "Try no go way from us. Az cuz you know wea us guys gotta make camp inside da boonies. You goin be jalike da eyes fo us guys."

³² If you come wit us, we goin share wit you all da good kine stuff Da One In Charge goin give us."

³³ So dey all leave da mountain wea Da One In Charge stay, an go fo three day. Fo dose three days, da Box Fo No Foget Da Deal Wit Da One In Charge, dat da pries guys stay carry, go in front dem fo show dem wea fo res.

³⁴ Ery day, day time, da cloud from Da One In Charge stay ova dem wen dey move camp.

³⁵ ✧Weneva da pries guys pick up da Box fo carry um, Moses tell, "Go fo broke, Da One In Charge!

I like fo da peopo dat stay agains you, run away all ova da place.

I like fo da ones dat hate you, run away from in front you!"

³⁶ An weneva da pries guys put down da Box fo res, Moses tell, "Go come back, Da One In Charge,

By da plenny tousan Israel peopo ova hea!"

11

Fire From Da One In Charge

¹ Da peopo start fo grumble bout da hard time dey stay get, an Da One In Charge hear dem. Wen he hear dem, he come real huhu. Den fire from Da One In Charge burn wea dey stay, an burn up some stuff aroun da outside a da camp.

² Da peopo yell to Moses fo help um. He pray to Da One In Charge, an Da One In Charge pio da fire.

³ Az why dey call dat place Taberah, dat mean Da Place Dat Burn, cuz fire from Da One In Charge wen burn wea dey stay.

Quail Birds From Da One In Charge (Songs 106:13-15)

⁴ Da guys dass not Jew guys dat come outa Egypt wit dem start fo real kine like eat odda kine food. So one mo time da Israel peopo start fo cry, an tell, "If ony somebody give us guys meat fo eat!

⁵ We no foget da fish us wen eat inside Egypt, an us no need pay fo um! An da cucumbas, da wattamelons, da skinny flat kine onions, da regula kine onions, an da garlic!

⁶ But now oua throat all dry up, an us no like eat dis kine manna stuff!"

⁷ ✧(Dis manna, was jalike da coriander seed an look jalike da gum resin.

8 ✨ Da peopo go aroun pick um up. Den dey grind um wit two stone, o poun um inside one mortar. Dey cook um inside one pot, o make small breads from um. Taste good, jalike someting you make wit olive oil.

9 Wen da dew come on top da camp nite time, da manna come down same time too.)

10 Moses hear da peopo inside ery family stay crying inside by da door fo dea tents. Da One In Charge come real huhu, an da way Moses see um, az was real bad.

11 He aks Da One In Charge, “How come you make dis bad kine ting happen to me, aah? Eh! I ony yoa worka guy, you know! How come you put dis kine trouble from all dese peopo on top me?! You no like me, o wat?! So you make ony me stay in charge a all dese peopo!

12 No was me wen born all dese peopo! Dey not my kids! How come you tell me fo carry dem inside my arms, jalike one muddah carry da bebe wen she stay breas feed um?! An bring dem inside da land dat you wen make one strong promise to dea ancesta guys fo give dem?!

13 Wea I goin get da meat fo dem?! No mo no place wea I can get meat fo all dese peopo! Dey stay cry an tell me, ‘Give us guys meat fo eat!’

14 I no can carry all dese peopo wen no mo nobody fo help me! Dis job, too much fo me!

15 If dis how you goin make to me, den mo betta kill me right now, if you stay good inside bout me. Cuz I no like see da bad tings dat goin happen to me cuz a wat you make me do!”

16 Da One In Charge tell Moses, “Bring togedda by me, seventy a da older leadas from da Israel peopo—guys dat you know stay leadas fo da peopo, an dat can write wat happen. Take dem by da Tent Wea Da Peopo Meet Me. Az why dey goin stan dea wit you.

17 I goin come down an talk to you ova dea, an I goin take some a my Spirit dat stay in charge a you, an make dat Spirit stay in charge a dem too. An all dis heavy kine kuleana bout da peopo, da leada guys goin help you carry um, so you no need do um ony you.

18 “Tell da peopo, ‘You guys go make one ceremony fo come spesho fo God an get ready fo tomorra. Cuz tomorra, you guys goin eat meat! Da One In Charge wen hear you guys wen you guys stay cry, “We like somebody give us guys meat fo eat! Us guys wen live mo betta inside Egypt!” Da One In Charge, he goin give you guys meat, an you guys goin eat um!

19 You guys no goin eat um fo ony one day, o two days, o five days, ten days, o twenny days.

20 You guys goin eat um fo one whole month—till come outa yoa nose, an you guys goin hate um! Az cuz you guys no like me, Da One In Charge, dat stay right hea wit you guys! Cuz you guys stay cry in front me an tell, “How come we wen go way from Egypt?!” ’ ”

21 But Moses tell Da One In Charge, “I stay hea wit 600,000 infantry guys! But you, you tell, ‘I goin give dem meat fo eat fo one whole month!’

22 You tink, goin get enuff fo dem even if you kill uku plenny sheeps, goats, an cows fo dem, o wat?! You tink goin get enuff if somebody go catch all da fish inside da ocean fo dem, o wat?! No way!”

23 Da One In Charge tell Moses, “Wassamatta you?! Me, Da One In Charge, an you tink I no mo enuff powa fo do dat?! Now you goin see if wat I tell goin happen fo you, o not!”

²⁴ So Moses go outside an tell da peopo wat Da One In Charge wen tell him. He bring togedda seventy a dea older leadas, an tell um fo stan aroun da Tent.

²⁵ Den Da One In Charge come down inside da cloud an talk to Moses. An he take some a da Spirit dat stay in charge a Moses, an make da Spirit take charge a da seventy older leada guys too. Wen da Spirit take charge a dem, dey start fo talk fo God, but dass da ony time dey do dat.

²⁶ Get two odda guys name Eldad an Medad, an dey wen stay inside da camp. Dea names stay on da lis, but dey neva go da Tent. Still yet, da Spirit take charge a dem too, an dey talk fo God ova dea inside da camp.

²⁷ One young guy run go tell Moses, "Eldad an Medad stay talk fo God inside da camp!"

²⁸ Nun boy Joshua, da one help Moses from da time he stay young, tell, "Moses, my boss, cut um off!"

²⁹ Moses tell him, "You like go fo broke fo me, aah? I like fo all da peopo a Da One In Charge, get his Spirit in charge a dem, dat dey talk fo him!"

³⁰ Den Moses an da older leada guys fo da Israel peopo go back inside da camp.

³¹ Den one wind from Da One In Charge start fo blow, an push quail birds in away from da sea. Da wind bring um down all aroun da camp, an get bout three feet a dem all ova da groun, to wea you can walk one day to da north, south, east, an west.

³² Dat day, an all nite an da nex day, da peopo go out fo bring in da quail. Erybody get ten donkey load o moa. Den dey spread um all ova da camp fo dry.

³³ But wen dey stay pigging out on da meat, Da One In Charge come real huhu wit da peopo, an he wack um wit one real bad sick.

³⁴ Az why dey call dat place Kibrot-Hattaavah, Da Graves Fo Da Greedy Guys, cuz dass wea dey bury da peopo dat real greedy fo odda kine food.

³⁵ From Kibrot-Hattaavah da peopo go Hazerot an stay dea.

12

Miriam An Aaron Stan Agains Moses (Hebrews 3:2, 5)

¹ Miriam an Aaron start fo grumble bout Moses, cuz a da wahine he wen marry from Sudan. Cuz dass wat he wen do.

² Dey tell, "Wot! You guys tink Da One In Charge can talk ony thru Moses? You guys no tink Da One In Charge can talk thru us guys too?" An Da One In Charge hear all wat dey tell.

³ (You gotta know dat dis Moses guy erytime make um so he come las, mo den all da odda peopo on top da earth.)

⁴ Right den an dea Da One In Charge tell Moses, Aaron, an Miriam, "Come out an go by da Tent Wea Da Peopo Meet Me, all three a you guys." So da three a dem go out by him.

⁵ Den Da One In Charge come down inside one cloud dat go from da groun up to da sky. He stan by da place wea peopo go inside da Tent, an call "Aaron! Miriam!" Dose two come out.

⁶ He tell,
"Lissen wat I tell!

 'If get one a you guys
 Dat talk to yoa peopo fo me, Da One In Charge,
Da way I make dat guy know az me,

- I make him see someting.
 I talk to him in his dreams.
 7 ✧ But az not how I talk wit my worka guy Moses.
 From all my peopo, he da ony one I know I can trus.
 8 Wit him, I can talk strait.
 Wen I talk, I make shua he know wat I mean.
 I no hide wat I tell, not wit da hard fo undastan kine talk.
 He know how I look like, me, Da One In Charge.
 So den! How come you guys no sked
 Fo grumble bout my worka guy Moses?!' ”
 9 Da One In Charge come real huhu wit Aaron an Miriam, an go way
 from dem.
 10 Wen da cloud go up from ova da Tent, you know wat?! Miriam stan
 dea. Her get da kine sick all ova da skin, da kine odda peopo can catch, all
 white like da snow. Aaron look an see dat she get da lepa kine sick.
 11 He tell Moses, “Try help, boss! No stay piss off agains us guys cuz a
 dis bad ting us wen do, jus cuz us stupid!
 12 No let her stay jalike one mahke bebe dat jus born from inside da
 muddah, wit da kine skin dass ony half on top um!”
 13 So Moses call out to Da One In Charge fo help, “Try help, God! Make
 her come good!”
 14 ✧ Da One In Charge tell Moses, “If her faddah wen spit in her face, den
 she wen come shame fo seven day. Kay den, make her stay outside da
 camp seven day. Afta dat, bring her back inside.”
 15 Az why Miriam gotta stay outside da camp seven day. Da peopo no
 can move till dey bring her back.
 16 Afta dat, da peopo leave Hazerot, an make camp inside da Paran
 Boonies.

- 1 Da One In Charge tell Moses,
 2 “Sen some guys fo go find out wat get inside da Canaan land. I stay

 3 So jalike Da One In Charge tell him, Moses sen dem out from da Paran

¹⁷ Wen Moses sen dem fo find out wat get all ova da Canaan land, he tell, "Go up thru da Negev Boonies, den go inside da hill land.

¹⁸ Scope wat get inside da land. Da peopo dat live dea, dey stay strong, o dey weak? Get plenny a dem, o not?

¹⁹ Wat kine land dey live in dea? Good kine, o bad? Wat kine towns? Dey get strong strong wall, o no mo wall?

²⁰ Wat kine dirt? Da kine can grow plenny stuff o not? Get trees o not? Try bring back some fruits from da land. (Was da time fo da firs ripe grapes.)"

²¹ Az why dey go up an look all ova da land, from da Zin Boonies south side, all da way to Rehob north side, wea you can go Lebo-Hamat side.

²² Dey go up thru da Negev, an come Hebron town, wea Ahiman, Sheshai, an Talmai live, dat come from Anak. (Da Anak ohana guys wen build Hebron seven year befo somebody wen build Zoan town Egypt side.)

²³ Wen da guys dat wen go fo scope da place come by da Eshkol Stream, dey cut off one branch dat get one bunch grapes. Need two a dem fo carry da bunch on top one pole, wit some pomagrams an figs too.

²⁴ Dey call dat place da Eshkol Stream, cuz a da big bunch grapes da Israel guys cut off ova dea an bring um back.

²⁵ Afta forty days dey scope out da land, dey come back dea camp.

Dey Tell Wat Dey Wen See

²⁶ Dey come back by Moses an Aaron, an all da Israel peopo, dat stay Kadesh town inside da Paran Boonies. Ova dea dey tell da peopo eryting dey wen see, an show dem all da fruit from da land.

²⁷ Dey tell Moses dis: "We wen go inside da land wea you wen sen us. Fo shua, ery place ova dea get plenny milk an honey. Hea, some fruits from ova dea.

²⁸ But you know wat?! Da peopo dat live on top dat land, dey stay real strong! Da towns stay big an get strong wall. We even see some Anak ohana guys ova dea.

²⁹ Da Amalek peopo live inside da Negev. Da Het peopo, da Jebus peopo, an da Amor peopo live up country inside da hill part. Da Canaan peopo live nea da ocean an da Jordan Riva."

³⁰ Den Caleb tell da odda guys fo shut up awready in front Moses, an he tell dem, "Mo betta us guys go up dea an take ova da land, cuz we can do um fo shua!"

³¹ But da guys dat wen go up wit him tell, "Us no can go agains dose peopo! Dey mo strong den us!"

³² An dey tell da Israel peopo all da stuff dey wen see bout da land dey scope out, an az bad! Dey tell, "Da land us guys wen go fo scope out, az one land goin eat up da peopo dat stay dea. All da peopo we see ova dea, real real tall.

³³ ✧ We see da Nefil peopo ova dea. (Da Anak peopo come from da Nefil peopo, you know.) Wen we look at dem guys, us guys look small, jalike grasshoppas. An az how us guys wen look to dem too."

14

Da Peopo Go Agains Moses (1 Corint 10:5)

¹ All da Israel peopo yell real loud, an dey cry plenny dat nite.

² All da Israel peopo grumble bout Moses an Aaron. Dey come togedda an tell um, "If ony us wen mahke Egypt side! O ova hea, mahke inside dese boonies!

³ How come Da One In Charge goin bring us inside dat land fo us get kill wit swords?! Oua wifes an ova kids, goin come prisonas! Mo betta us go back Egypt side den!"

⁴ Dey tell each odda, "We gotta pick one leada guy an go back Egypt side!"

⁵ Den Moses an Aaron go down an put dea face on top da groun fo pray in front all da Israel peopo dat come togedda wit dem.

⁶ Joshua, Nun boy, an Caleb, Jefunneh boy, from da spy guys dat wen scope out da land wit da oddas, dey rip dea clotheses fo show da peopo az bad wat dey tink.

⁷ Dey tell all da Israel peopo, "Da land we wen go thru fo scope out, stay real good.

⁸ If Da One In Charge stay good inside bout us guys, he goin take us inside dat land, wea ery place get plenny milk an honey, an he goin give um to us guys.

⁹ ✨But eh! No go agains Da One In Charge! An no sked da peopo inside da land, you guys! Cuz us guys goin win ova dem. Da One In Charge take away da shadow dat proteck dem awready, but he stay wit us guys. No sked dem!"

¹⁰ All da peopo tell dey like kill Joshua an Caleb wit stones. But den, Da One In Charge make all da Israel peopo see how awesome him, ova dea by da Tent Wea Da Peopo Meet God.

¹¹ Da One In Charge tell Moses, "How long dese peopo goin make to me jalike I no good? How long dey no goin trus me, no matta I do all kine awesome stuff in front dem fo show um wat kine god me?

¹² I goin wipe dem out wit one bad kine sick an take away dea rights fo get da Canaan land dat I was goin give um. Den I goin make you come da faddah fo one big peopo, mo strong den dem."

¹³ ✨Moses tell Da One In Charge, "No! No do dat! If da Egypt peopo hear bout dis, cuz dey know you wen use yoa powa fo bring dis peopo up from dea land,

¹⁴ den dey goin tell da peopo inside da Canaan land bout um. Dose peopo awready hear bout you, Da One In Charge. Dey hear you stay with dese Israel peopo. Dey hear dat da Israel peopo can see you, Da One In Charge, erytime yoa cloud stay ova dem, an wen you go in front dem inside one cloud dat go from da groun to da sky day time, an nite time one fire dat go from da groun to da sky.

¹⁵ If you kill all dese peopo one time, da odda peopos dat hear dis stuff bout you goin tell,

¹⁶ 'Gotta be, dat Da One In Charge no can bring dese peopo inside da land he wen make one strong promise fo give dem, az why he kill dem inside da boonies.'

¹⁷ "Now, I like you show how strong you, jalike you wen tell:

18 ✧ ‘Da One In Charge slow fo get mad. He stay plenny tight wit his peopo. He hemo dea shame fo wen dey do wrong tings an go agains him an do bad tings. Still yet, if God gotta punish somebody, he punish um. An if dea kids do da same ting, he punish dem too, an same ting fo dea grankids, an even dea great-grankids.’ Dass wat you wen tell.

19 Cuz you get plenny love an aloha, let go dese peopo fo dis bad kine stuff dey stay do. Jalike you wen let dem go from da time dey leave Egypt till now.”

20 Da One In Charge tell him, “Kay den. I let dem go, jalike you aks me fo do.

21 ✧ But fo shua no foget dis: Me, Da One In Charge, an I stay alive, an fo shua I awesome, an I fill up da whole earth!

22 An cuz az how I stay, I tell dis: Dese peopo wen see how awesome me. Dey wen see da awesome stuff I do inside Egypt an inside da boonies. An still, dey no lissen me, an dey tes me ova an ova!

23 An cuz dey do dat, no mo nobody from dem goin eva see da land I wen make one strong promise fo give dea ancesta guys. No mo nobody dat make to me jalike I no good, eva goin see dat land!

24 ✧ But cuz my worka guy Caleb stay diffren inside, an wen stay tight wit me to da max, I goin bring him inside da land wea he wen go, an his kids goin own part a dat land.

25 But cuz da Amalek peopo an da Canaan peopo live inside da valleys, turn back aroun tomorra, an go back inside da boonies by da road dat go by da Red Sea!”

26 Da One In Charge tell Moses an Aaron,

27 “How long moa, all dese bad kine peopo goin grumble bout me?! I hear all da stuff da Israel peopo tell wen dey grumble an poin finga me.

28 So tell dem, ‘Da One In Charge tell, Fo shua I stay alive. An fo shua I goin make to you guys jalike I stay hear you guys talk:

29 ✧ Yoa bodies goin fall down inside dese boonies an mahke—all you guys dat twenny year ol o moa, da same ones dey wen count wen dey count da census an dey wen grumble bout me.

30 No mo nobody from you guys dat stay grumble goin go inside da land. No matta I wen put up my hand an make one strong promise fo make dat yoa home. Ony Jefunneh boy Caleb, an Nun boy Joshua, goin go inside dea.

31 You guys wen tell dat yoa kids goin come prisonas. But I goin bring yoa kids inside dat land, an dey goin stay good inside cuz dey dea, no matta you guys no like take da land.

32 “ ‘But you guys—yoa mahke bodies goin fall down inside da boonies ova hea.

33 ✧ Yoa kids goin take kea sheeps ova hea inside da boonies fo forty year. Dass how long you guys goin suffa, cuz you guys fool aroun ova an ova wit odda gods, till da las mahke bodies stay inside da boonies.

34 Forty year—az one year fo ery day you spy guys wen scope out da land. Dass how long you guys goin suffa fo da bad kine stuff you wen do. Dass how you guys goin find out how stay, wen I stay agains you.

35 Dis wat me Da One In Charge tell. Fo shua I goin do all dis stuff to all dose bad kine peopo dat come togedda agains me. You guys goin live da res a yoa life inside dese boonies. Ova hea, dass wea you goin mahke!’ ”

✧ 14:18 14:18: Outa 20:5-6; 34:6-7; Rules2 5:9-10; 7:9-10 ✧ 14:21 14:21: Heb 3:18 ✧ 14:24 14:24: Josh 14:9-12 ✧ 14:29 14:29: Heb 3:17 ✧ 14:33 14:33: JGuys 7:36

³⁶ Da guys Moses wen sen fo scope out da land, dey come back an tell bad kine stuff bout da land. Dey make all da peopo grumble bout Moses.

³⁷ But dose guys dat tell bad kine stuff bout da land, dey get one bad kine sick. Dey fall down mahke in front Da One In Charge.

³⁸ From all da guys dat wen go scope out da land, ony Nun boy Joshua an Jefunneh boy Caleb stay alive.

³⁹ Wen Moses tell all da Israel peopo bout dat, dey come real sore inside.

⁴⁰ Early da nex morning dey go up da high hill land. Dey tell, “Us was wrong. We stay ready fo go up da place Da One In Charge wen tell us fo go.”

⁴¹ But Moses tell, “How come you guys goin go wea Da One In Charge tell you fo no go?! Dis no goin come out good!

⁴² No go up dea, cuz Da One In Charge no stay wit you guys! Da guys dat stay agains you guys, goin win ova you!

⁴³ Cuz da Amalek peopo an da Canaan peopo goin face you guys ova dea. Az cuz you guys turn aroun an no follow Da One In Charge. Cuz a dat he no goin stay wit you guys, an you guys goin get kill wit swords!”

⁴⁴ But da Israel guys tink dey can handle. Dey still yet go up da high hill land. But Moses an da Box Fo No Foget Da Deal Wit Da One In Charge no go outa da camp wit dem.

⁴⁵ Den da Amalek guys an da Canaan guys dat live inside da hills go down attack da Israel guys, an bus um up all da way to Hormah.

Da Odda Sacrifices

¹ Da One In Charge tell Moses:

² Tell da Israel peopo dis: “You guys go inside da land I stay give you guys fo live ova dea.

³ Den you guys goin give me, Da One In Charge, sacrifices you guys make wit fire, from cows o sheeps o goats. Az fo one nice smell dat make me stay good inside—da sacrifices you burn up, o wen you guys make one spesho strong promise, o give one sacrifice jus cuz you like give um, o make one sacrifice fo one spesho religious kine ceremony.

⁴ Den da guy dat bring da sacrifice goin give me one wheat o barley sacrifice too: two quart fancy kine flour mix wit one quart olive oil.

⁵ Wit ery bebe sheep you bring fo da burn up kine sacrifice, give one quart wine fo da drink sacrifice.

⁶ “Wit one boy kine sheep, you give one wheat o barley sacrifice wit three quart fancy kine flour mix wit two an one half pint olive oil.

⁷ An give two an one half pint wine fo one drink sacrifice. Give um, az fo make one nice smell fo me, Da One In Charge.

⁸ “Maybe you make one spesho strong promise to me, an den you make ready one young bull fo da burn up kine sacrifice o odda sacrifice, o maybe az fo show dat you an me, Da One In Charge, stay tight wit each odda.

⁹ Kay den, bring wit da young bull one wheat o barley sacrifice wit five quart fancy kine flour, mix wit two quart olive oil,

¹⁰ an bring two quart wine fo make one drink sacrifice. Az goin be one sacrifice you make wit fire, an az fo make one nice smell fo me, Da One In Charge.

¹¹ Ery bull, boy kine sheep, bebe sheep, o young goat, you goin make um ready lidat.

¹² Do um fo all a da animals you guys make ready fo one sacrifice.

¹³ “Erybody dat born from da Israel ohana gotta do dis stuff lidat fo bring one sacrifice dey make wit fire fo make one nice smell fo me, Da One In Charge.

¹⁴ An fo all da peopo dat goin born afta dat, weneva get one guy from anodda place dat not from da Israel ohana dat stay live wit you guys, o odda guy dat stay live wit you guys, wen dey make one burn up kine sacrifice dat make one nice smell fo me, dey gotta make um jalike you guys make um.

¹⁵ Da peopo from anodda place dat stay live wit you guys, goin get da same rules you guys get. Az how dey goin do um foeva. You guys an da peopo from anodda place goin be da same in front Da One In Charge.

¹⁶ ✨Da rules goin be da same fo you guys an fo dem.”

¹⁷ Da One In Charge tell Moses:

¹⁸ Tell da Israel peopo dis: “Wen you guys go inside da land wea I stay bring you guys,

¹⁹ an wen you guys eat bread from wat stay grow on top da land, give one piece fo one sacrifice fo me, Da One In Charge.

²⁰ Give one bread from da firs wheat o barley you guys grind up fo make flour. Give um jalike you give da firs wheat o barley dat you guys shake um out from da junk kine stuff.

²¹ You guys, an all da peopo dat goin born afta dat, goin give dis kine sacrifice to me, Da One In Charge, from da firs wheat o barley you guys grind up.

Da Sacrifice Fo Da Bad Kine Stuff Peopo Do Wen Dey Neva Make Plan Fo Do Um

²² “Maybe one a you guys jam up an no do some a dis kine stuff dat me Da One In Charge wen tell Moses fo tell you fo do, but you neva make plan befo time fo no do um—

²³ I stay talk bout eryting, from da time me, yoa God, Da One In Charge, tell Moses fo tell you guys fo do dese tings, an fo yoa peopo fo do um foeva—

²⁴ But maybe da peopo donno dat da guy jam up an no do um, an he neva make one plan fo go agains me, den all da peopo togedda gotta kill one young bull fo make one burn up kine sacrifice, an az one nice smell fo me, Da One In Charge. An dey goin make da wheat o barley kine sacrifice dat go wit da burn up kine sacrifice, an da drink kine sacrifice, an kill one boy kine goat fo one sacrifice fo somebody dat do one bad ting.

²⁵ Den da pries guy gotta make one sacrifice fo make all da Israel peopo come pono wit God lidat. Cuz he do dat, God goin hemo dea shame an let um go. Cuz dey neva make plan fo no do wat Moses tell um fo no do, an da peopo bring dea sacrifice in front Da One In Charge cuz erybody wen do bad kine stuff. Dey goin make one sacrifice fo Da One In Charge wit fire, an one sacrifice fo hemo da shame fo do someting bad.

²⁶ So den God goin let go all da Israel peopo an da peopo from anodda place dat stay live wit dem, cuz all da peopo wen get da blame cuz dey neva make plan befo time fo no do wat God tell um fo no do.

²⁷ ✨“But if ony one guy do someting bad, an he neva make plan befo time fo do um, he gotta bring one girl kine goat, one year ol, fo make one sacrifice fo hemo da shame fo da bad ting he wen do.

²⁸ Da pries guy goin make da sacrifice in front Da One In Charge, fo make da guy come pono one mo time wit God. Cuz da guy wen do bad kine stuff but he neva make plan fo do um. An God goin let him go an hemo his shame wen he make da sacrifice fo make him come pono wit God one mo time.

²⁹ Whoeva do someting bad but neva make one plan befo time fo do um, no matta dey come from da Israel peopo, o dey from anodda place, dey all get da same rule.

³⁰ “But whoeva do bad kine stuff, an no mo shame fo do um, no matta dey from da Israel peopo o dey from anodda place, an dat guy talk bad bout Da One In Charge, you guys gotta cut dem off from dea peopo.

³¹ Dat guy ack jalike wat Da One In Charge tell no mean notting fo him, an stay broke his rules. Dass why you guys gotta cut him off from his peopo fo shua. He get da blame still yet.”

Da Guy Dat Stay Broke Da Res Day

³² One time wen da Israel peopo stay inside da boonies, an was da Res Day, dey find one guy dat stay pick up wood fo make fire.

³³ Da guys dat find him picking up wood, bring him in front Moses an Aaron an all da peopo.

³⁴ Dey make him stay wit da security guard guys, cuz not clear wat dey suppose to do wit him.

³⁵ Den Da One In Charge tell Moses, “Da guy gotta mahke. All da peopo gotta throw stone at um, fo kill um outside da camp.”

³⁶ So all da peopo take him outside da camp, fo throw stone at um fo kill um, an he mahke, jalike Da One In Charge tell Moses.

Da Tassels On Top Da Clotheses

³⁷ Da One In Charge tell Moses:

³⁸ ✧Tell da Israel peopo dis: “Fo all da peopo dat live now an da ones dat goin born afta, you guys goin put one tassel on top da cornas a yoa clotheses, wit one blue string on top ery tassel.

³⁹ You guys goin put da tassels so wen you look at dem, you guys no goin foget all da stuff me Da One In Charge wen tell you guys fo do. Den you guys goin do um, an no go fool aroun fo do all da no good odda stuff dat inside you like do, an dat yoa eyes tell you guys fo do.

⁴⁰ Dass how you guys no goin foget fo lissen all da stuff I tell you guys fo do, an you guys goin come spesho fo me, yoa God.

⁴¹ I yoa God, Da One In Charge, dat wen bring you guys outa da Egypt land, fo be yoa God!”

16

Korah, Datan, An Abiram (2 Timoty 2:19)

¹ ✧Korah, dat come from Izhar az Kohat boy, an Kohat az Levi boy, an some guys from da Reuben ohana, Datan an Abiram az Eliab boys, an On az Pelet boy, dey all make one plan togedda.

² Dey no mo respeck fo Moses, an go agains him. Bout 250 guys from da Israel peopo go wit dem. Dey was big name guys dat erybody know from wen all da peopo come togedda.

³ Dey come togedda fo go agains Moses an Aaron. Dey tell Moses an Aaron, “You two guys stay making tantaran! All da peopo stay spesho fo Da One In Charge, an he stay wit dem. How come you guys make jalike you mo importan den da peopo dat Da One In Charge bring togedda?!”

⁴ Wen Moses hear dat, he go down an put his face on top da groun.

⁵ Den he tell Korah an all da guys wit him, “Morning time, I like fo Da One In Charge show who stay his guy, an who stay spesho fo him. An he goin tell dat guy he pick fo come nea him.

⁶ You, Korah, an all da guys dat stay tight wit you, go do dis: take pans fo carry fire wit you.

⁷ Tomorra, put fire inside da pans, put incense on top da fire in front Da One In Charge. Da guy Da One In Charge goin pick, he goin be da one dat stay spesho fo Da One In Charge. You Levi guys, you da ones go too far, not me an Aaron!

⁸ “An Moses tell Korah dis too: ‘Now lissen, you Levi ohana guys.

⁹ Az enuff fo you guys dat da God fo da Israel peopo wen make you guys diffren den da odda Israel peopo, an bring you guys nea him fo do da work fo his Tent, an stan in front da Israel peopo an work fo dem.

¹⁰ He wen bring you an da odda Levi guys nea by him, but now you guys stay trying fo come pries guys too.

¹¹ You an all da guys dat stay tight wit you come togedda agains Da One In Charge. An fo Aaron, how come you guys grumble bout him?!”

¹² Den Moses tell Datan an Abiram, Eliab boys, fo come by him. But dey tell, “Us no goin come!

¹³ No enuff you wen bring us guys outa da Egypt land dat get plenny milk an honey, fo let us guys mahke ova hea inside da boonies! An now you like come da boss ova us guys too!

¹⁴ Fo shua, you neva bring us guys inside one land dat get plenny milk an honey, an you neva give us land wit fields an grape plants. Now you goin pull out da eyes a dese guys, o wat?! No ways! We no goin come!”

¹⁵ Den Moses come real huhu. He tell Da One In Charge, “No take da sacrifices dey give you! I neva take even one donkey from dem, an I neva do notting agains dem!”

¹⁶ Moses tell Korah, “You an all da guys dat stay tight wit you goin stan in front Da One In Charge tomorra—you, an yoa guys, an Aaron.

¹⁷ All dem goin take dea fire pan, an put incense on top da fire. You guys goin bring um in front Da One In Charge. Goin get 250 fire pans. You guys an Aaron goin bring yoa fire pans too.”

¹⁸ So all dem take dea fire pan, put fire inside um, an put incense on top da fire. Dey stan wit Moses an Aaron, by da place fo go inside da Tent Wea Da Peopo Meet God.

¹⁹ Wen Korah bring togedda all his peopo by da place fo go inside da Tent on one side, an Moses an Aaron on da odda side, Da One In Charge show up in front all da peopo dat come togedda, an he awesome!

²⁰ Da One In Charge tell Moses an Aaron,

²¹ “Move away from all dese peopo fo me kill um right now!”

²² But Moses an Aaron go down an put dea face on top da groun, an yell, “God, you da God fo da spirits a all da peopo on top da earth! Try no come huhu wit all da peopo wen ony one guy wen do one bad ting!”

²³ Den Da One In Charge tell Moses,

²⁴ “Tell all da peopo, ‘Move away from da tents wea Korah, Datan, an Abiram live.’ ”

²⁵ Moses stan up an go by Datan an Abiram. Da older leadas fo da Israel peopo go follow him.

²⁶ He tell all da peopo, “Move away from da tents wea dese real bad guys live! No touch notting a dea stuff dat dey own! No good Da One In Charge wipe out you guys too, cuz a all da bad kine stuff dey wen do.”

²⁷ So da peopo move away from da tents wea Korah, Datan, an Abiram live. Datan an Abiram come outside an stan dea wit dea wifes, kids, an bebes by da door fo dea tents.

²⁸ Den Moses tell, “Dis how you guys goin know dat Da One In Charge wen sen me fo do all dis stuff. I neva tink fo me do um.

²⁹ If dese guys mahke jalike how odda peopo mahke—if da same kine tings happen to dem jalike wat happen to odda peopo—den you guys goin know dat no was Da One In Charge wen sen me.

³⁰ But if Da One In Charge do someting new, an jalike da earth open da mout, an swallow dem an eryting dey get, fo dem go down inside da Mahke Peopo Place wen dey still yet stay alive, den you guys goin know dat dese guys wen show Da One In Charge dat dey ack jalike Da One In Charge no matta to dem.”

³¹ Wen Moses tell dat, right den an dea da groun unda da three guys open up,

³² an jalike da earth swallow dem, an dea ohanas, an all da Korah guys, an all dea stuffs.

³³ Dey go down inside da Mahke Peopo Place wen dey still yet stay alive, wit all dea stuffs. Den da earth cova dem, an dey mahke. Dey stay wipe out from dea peopo.

³⁴ Wen da Korah guys yell, all da Israel peopo aroun dem run away an yell, “Da earth goin swallow us guys too!”

³⁵ Den fire come from Da One In Charge an burn up da odda 250 guys dat stay burn incense.

³⁶ Da One In Charge tell Moses,

³⁷ “Tell Eleazar, az Aaron boy da pries guy, fo take da fire pans (cuz dey wen come spesho fo me) outa da stuff dat stay burn still yet, an throw da fire anodda place.

³⁸ Pick up da fire pans dat da guys use dat wen do bad kine stuff, an dey mahke cuz a dat. Pound da pans wit hammas fo make big metal sheets fo cova da outside a da altar wit um. Cuz dose guys wen use da fire pans wen dey come in front me, Da One In Charge. Dass why da fire pans come spesho fo me. So put da metal from um on da outside a da altar, fo stay jalike one sign fo da Israel peopo.”

³⁹ So Eleazar da pries guy go get all da bronze fire pans dat da guys wen use in front God befo God burn um up. An he tell guys fo poun um wit hammas fo make metal sheet fo put um all ova da outside a da altar.

⁴⁰ Az wat Da One In Charge tell Moses dat Eleazar gotta do. He do um lidat fo da Israel peopo no foget dat ony da guys dat come from Aaron can burn incense in front Da One In Charge. No odda guys goin do um. If anodda guy do um dat no come from Aaron, da same ting goin happen jalike wat wen happen to Korah an da guys dat stay tight wit him.

⁴¹ Da nex day, all da Israel peopo grumble to Moses an Aaron. Dey tell, “You wen kill Da One In Charge guys!”

⁴² But wen all da peopo come togedda fo go agains Moses an Aaron, dey turn fo face da Tent Fo Meet Wit God. Right den an dea da cloud cova da Tent, an Da One In Charge let da peopo see him, an he awesome.

⁴³ Den Moses an Aaron go in front da Tent Fo Meet Wit God.

⁴⁴ Da One In Charge tell Moses,

⁴⁵ "Go way from all dese peopo, fo me wipe dem all out right now!" But Moses an Aaron go down an put dea face on top da groun.

⁴⁶ Moses tell Aaron, "Take da fire pan you use! Put fire from da altar inside um, an put incense on top da fire! Go quick by all da peopo, fo make dem come pono wit God! Da One In Charge tell 'Laytas' to wat dey do. Da real bad sick from Da One In Charge, stay start awready!"

⁴⁷ So Aaron do wat Moses tell um fo do. He run wea all da peopo stay togedda. Da real bad sick wen start awready. But Aaron put da incense on top da fire in da pan, an do wat he gotta do fo make da peopo come pono wit God.

⁴⁸ He stan inside da middo wit da guys dat stay alive on one side, an da mahke guys on da odda side. An da real bad kine sick pau.

⁴⁹ But 14,700 peopo wen mahke from da sick. An odda guys wen mahke befo cuz a Korah.

⁵⁰ Den Aaron go back by Moses, by da place fo go inside da Tent Wea Da Peopo Meet God, cuz da sick pau awready.

17

Aaron Stick Get Bud

¹ Da One In Charge tell Moses,

² "Talk to da Israel peopo, an tell dem fo go get twelve sticks fo walk, one from da leada guy fo ery main ohana. Den, write da name fo ery leada guy on top his stick.

³ On top da stick fo da leada fo da Levi ohana, write Aaron name dea, cuz gotta get one stick fo da main guy fo ery ohana.

⁴ Put da sticks inside da Tent Wea You Meet Wit Me, Da One In Charge, in front Da Box Fo No Foget Da Deal, wea I meet wit you.

⁵ Da stick fo da guy I pick goin grow an get bud. Dass how I goin make da Israel peopo no grumble bout you an Aaron no moa."

⁶ So Moses talk to da Israel peopo. Dea leada guys give him dea twelve stick fo walk, one fo da leada guy fo ery main ohana. An Aaron stick stay dea wit da oddas.

⁷ Moses put all da sticks fo walk in front Da One In Charge inside da Tent Fo No Foget Da Deal Wit Him dat Da One In Charge wen make wit da peopo.

⁸ ✧Da nex day, Moses go inside da Tent fo Da Box Fo No Foget Da Deal Wit God. He see dat Aaron stick, dat stay fo da Levi ohana, wen grow an get not ony sprouts an buds, but even flowas an almond nuts.

⁹ Den Moses bring out all da sticks from in front Da One In Charge, an show um to all da peopo. Dey look at um, an ery leada guy take his stick.

¹⁰ Da One In Charge tell Moses, "Put Aaron stick back in front Da Box Fo No Foget Da Deal. Goin stay dea, fo make shua az one sign fo da peopo dat like go agains you. Den dey no goin grumble bout me no moa. Cuz bumbye dey goin mahke!"

¹¹ Moses do jalike Da One In Charge tell him fo do.

¹² Da Israel peopo tell Moses, “Fo shua, us guys goin mahke! Us all goin come wipe out! All us guys!

¹³ So anybody even go nea da place wea Da One In Charge stay, dey goin mahke. Us all goin mahke, o wat?!”

18

Wat Da Pries An Levi Guys Suppose To Do

¹ Da One In Charge tell Aaron, “You an yoa boys an yoa Kohat ohana goin get da blame if somebody do someting agains God spesho place an you guys no do notting. An ony you an yoa boys goin get da blame if somebody do someting agains da pries guys an you guys no do notting.

² So, go bring yoa odda braddah guys too from da Levi ohana fo come by you fo help you wen you an yoa boys work in front da Tent fo No Foget Da Deal Wit Da One In Charge.

³ Dey goin do da security guard work fo you an fo da Tent. But dey no can go nea da tings dat stay spesho fo ony me, an no can go nea da altar. No good dey do dat, cuz you pries guys an dem goin mahke.

⁴ Dey goin work wit you. Dass dea kuleana fo guard da Tent Fo Meet Wit Me, Da One In Charge. Dey goin do all da work fo da Tent. Nobody dat no come from da Levi ohana goin come nea wea you stay.

⁵ “You guys goin stay in charge fo take kea da place an da altar dat stay spesho fo me, so I no need come huhu wit da Israel peopo one mo time.

⁶ So now, I da One wen pick da Levi ohana guys from all da Israel peopo. Dass jalike one present I give you pries guys. Dey da ones dat stay spesho fo me, Da One In Charge. An az dea job, fo do da work fo da Tent Wea Da Peopo Meet Me.

⁷ Ony you an yoa boys togedda can do da pries kine work—eryting bout da altar an inside da curtain. Az my present fo you guys, da pries kine work. If anybody dass not yoa ohana go nea da place dat stay spesho fo me, dey gotta mahke.”

Da Sacrifices Fo Da Pries An Levi Guys

⁸ Den Da One In Charge tell Aaron, “I da One wen put you in charge a da presents da peopo give me. I give all da presents da Israel peopo give fo make um come spesho fo me, I give um to you an yoa boys, fo yoa regula share.

⁹ You goin get yoa share from da sacrifices dat stay spesho fo me, da part dat dey no burn up inside da fire. From all da presents dey bring fo make stuff spesho ony fo me, all da wheat o barley sacrifice, an da sacrifice fo hemo da shame fo do bad kine stuff, an da sacrifice dey make cuz dey get da blame, dat part stay fo you an yoa boys.

¹⁰ Wen you eat um, no foget az all spesho fo me, Da One In Charge. Ony da men can eat um. You guys gotta know, dat az real spesho fo me.

¹¹ “Dis fo you too: wateva dey put on da side from da lif up kine sacrifice from da Israel peopo. I give dat fo you an yoa boys an girls fo yoa regula share. Erybody dat live inside yoa house dat stay good fo come in front me, can eat um.

¹² “I give you all da bestes olive oil an da bestes new wine an wheat an barley dat dey give me, Da One In Charge, from da firs food dey harves.

¹³ All da firs food dey harves from da land fo bring fo me, Da One In Charge, goin be fo you guys. Erybody inside yoa ohana dat can come in front me, can eat um.

14 ☆“Eryting inside da Israel land dat suppose to be ony fo me, Da One In Charge goin give um all fo you pries guys.

15 Da firs one born from ery wahine an animal dat dey bring by me, Da One In Charge, dat stay fo you. But you gotta buy back ery firs boy dat born from da peopo, an from da kine animals da peopo not suppose to eat.

16 Wen dey come one month ol, you gotta buy dem back fo da right price. Az five piece silva (20 gerah) dat weigh jalike da silva dey use inside da Place Dat Stay Spesho Fo Me.

17 “But you no can buy back da firs boy kine animal dat born from one cow o sheep o goat. Dey stay spesho ony fo me. Sprinkle dea blood all ova on top da altar, an burn dea fat. Az one sacrifice you make wit fire, az one nice smell fo me, Da One In Charge.

18 Dea meat stay fo you, even da ches meat from da sacrifice you lif up, an da right thigh.

19 Wateva dey put on da side from da sacrifices da Israel peopo make spesho fo me, Da One In Charge, I give um to you an yoa boys an girls too fo yoa regula share. Dat, az one spesho deal dat nobody can broke. You goin put salt on top da sacrifice fo no foget da deal I wen make wit you guys, dat you an yoa kids wen make in front me, Da One In Charge, foeva.”

20 Da One In Charge tell Aaron, “You no goin own notting inside da peopo land fo yoa share. You get me fo yoa share, not land jalike da odda Israel peopo get.

21 ☆“I give da Levi ohana all da ten percent a da stuff da Israel peopo give me. Dass goin be dea property, fo da work da Levi ohana guys do by da Tent Wea Da Peopo Meet Me.

22 Cuz from now, da Israel peopo betta not go too nea no mo to da Tent Wea Da Peopo Meet Me. No good dey get da blame fo go dea, an dey mahke.

23 Az ony da Levi ohana guys dat goin do da work fo da Tent. Dey goin get da blame if somebody do someting agains da Tent. An da Levi guys dat goin born layta, dass goin be dea kuleana foeva. Dey no goin get land da way da odda Israel peopo get um.

24 But I goin give da Levi guys da ten percent dat da Israel peopo give me, Da One In Charge. Az why I tell dem, ‘You guys no goin get land jalike how da odda Israel peopo get um.’ ”

25 Da One In Charge tell Moses:

26 Wen you talk to da Levi guys, tell um dis: “Wen you guys get da ten percent from da Israel peopo dat I goin give you guys fo come yoa property, you gotta give ten percent a dat ten percent, az one present fo me, Da One In Charge.

27 Da present you give, you goin figga ten percent a da wheat o barley dat da peopo give you from da place wea dey split da wheat o barley from da junk kine stuff, o ten percent a da wine dat dey give you from da place wea dey step da grapes fo make wine.

28 Az how you goin give one present fo me, Da One In Charge, from all da ten percent you get from da Israel peopo. From dat ten percent, you gotta give my share to Aaron da pries guy.

29 Da stuff you give me, Da One In Charge, gotta be da bestes part a eryting da peopo give to you, fo make um come spesho fo me.”

³⁰ Tell da Levi guys dis too: “Wen you give da bestes part, you can figga da res still goin be from da place fo take out da junks from da wheat o barley o da place wea dey step da grape fo make wine.

³¹ You an yoa ohanas can eat da odda part wea eva, cuz az yoa pay fo da work you do fo da Tent Wea Da Peopo Meet Me.

³² Wen you give da bestes part, den you no goin get blame wen you eat da res. You no goin make da presents dat stay spesho fo God come pilau, an you no goin mahke.”

19

Da Watta Fo Make Um Fo Peopo Go In Front God

¹ Da One In Charge tell Moses an Aaron:

² “Dis one a da tings you gotta do, one a da Rules dat me Da One In Charge make: Tell da Israel peopo fo bring you one young red girl kine cow dat no mo notting wrong wit um, an dat neva get one yoke on top um yet.

³ Give um to Eleazar da pries guy. Da peopo goin take da cow outside da camp an kill um in front Eleazar.

⁴ Den Eleazar goin take some a da blood on his finga, an sprinkle um seven time on da groun wea da front a da Tent Fo Come Tokedda Wit Me stay.

⁵ He gotta watch um burn da cow, da skin, da meat, da blood, an even da doodoo in front him.

⁶ Da pries guy goin take some cedar kine wood, one oregano branch, an dark red wool stuff, an throw um on top da cow dat stay burn.

⁷ Afta dat, da pries guy gotta wash his clotheses, an den go bafe in watta. Den he can go inside da camp, but he no can come in front me till da sun go down.

⁸ Da guy dat burn da cow gotta wash his clotheses an den go bafe in watta too. An he no can come in front me till da sun go down.

⁹ ✨“One guy dat stay okay fo come in front me goin get all da ashes from da girl kine cow, an put um inside one clean place outside da camp. Da ashes, goin be fo all da Israel peopo fo keep fo use um wit watta fo da peopo come in front me. Az fo hemo da shame fo da bad kine stuff dey wen do.

¹⁰ An da guy dat wen get all da ashes from da girl kine cow, he gotta wash his clotheses too. He no can come in front me till da sun go down. All da Israel peopo an da peopo from anodda place dat live wit dem, gotta make lidis foeva.

¹¹ “Wen somebody mahke, whoeva touch da mahke body, dey no can come in front me fo seven day.

¹² Dey gotta make um fo him come clean wit da watta dat get da ash inside, day numba three, an day numba seven too. Den he can come in front me. But if he no make lidat by day numba three an day numba seven, he no can come in front me.

¹³ Whoeva touch one mahke body, an no make um fo dem come clean wit da watta wit ashes, dey make da Tent fo me, Da One In Charge, come pilau. You gotta cut dem off from da Israel peopo. Dey no can come in front me, cuz dey neva sprinkle dat watta wit ashes on top dem fo make um come clean. An dey stay pilau still yet.

14 “Dis da rule fo how you gotta make weneva somebody mahke inside one tent. Whoever go inside da tent, an whoever stay inside um, dey no can come in front me fo seven day.

15 Ery pot inside da tent dat stay open, wit no mo cova on top um, goin stay pilau too.

16 “Anybody dat stay outside, an dey touch one mahke guy ova dea, no matta somebody wen kill um wit one sword, o dey mahke regula kine, o if somebody touch one bone from one mahke guy, o dey touch one open grave, dey no can come in front me fo seven day.

17 “Wen get somebody dat not clean an dey no can come in front me, take some ashes from da sacrifice da pries guy wen burn up fo make um come clean fo come in front me, an put da ashes inside one bottle, an pour clean watta inside.

18 Den one guy dat stay okay fo come in front me, he gotta take one oregano branch, dip um inside dat watta, an sprinkle da tent an all da furnitures, an da peopo dat stay dea. An he gotta sprinkle um on top whoever touch one mahke guy bone, o one grave, o touch somebody dat get kill o dat mahke regula kine.

19 Day numba three an day numba seven, da guy dat stay okay fo come in front me goin sprinkle da watta on top da guy dat no can come in front me. An day numba seven, da guy dat can come in front me goin hemo da shame fo da bad kine stuff da odda guy wen do. Da odda guy gotta wash his clotheses an bafe, den wen da sun go down he can come in front me.

20 But if get one guy dat no can come in front me cuz he no do da ceremony fo come clean, you gotta cut him off from all da peopo. Az cuz he make da Tent Fo Meet Wit Da One In Charge come pilau. Dey neva sprinkle da watta on top him fo make him come clean. Az why he still stay pilau.

21 Dis one rule da Israel peopo gotta do foeva.

“Da guy dat sprinkle da watta fo make peopo come clean gotta wash his clotheses too. An anybody go touch da watta fo make peopo come clean, dey no can come in front me till da sun go down.

22 Anyting one guy dat no can come in front me touch, dat ting come pilau too. Anybody touch dat kine guy, dey no can come in front me till da sun go down too.”

Watta Come Outa Da Cliff

1 Da month numba one, all da Israel peopo come inside da Zin Boonies. Dey stay Kadesh side. Miriam mahke ova dea, an dey bury her dea.

2 ✧No mo enuff watta fo da peopo ova dea. Az why da peopo come togedda fo grumble bout Moses an Aaron.

3 Dey make argue wit Moses. Dey tell, “Mo betta us wen mahke, da time oua braddahs fall down mahke in front Da One In Charge!

4 How come you guys wen bring all us guys, da peopo a Da One In Charge, ova hea inside dese boonies, fo us an oua animals mahke ova hea?

5 How come you bring us guys outa Egypt fo come dis junk kine place? No mo wheat o barley, figs, grape plants, o pomagrams ova hea! An no mo watta fo us drink!”

⁶ Moses an Aaron go way from da peopo, an go wea fo go inside da Tent Fo Come Tokedda Wit God. Dey go down an put dea face on top da groun. Da One In Charge let dem see him dea, an he awesome.

⁷ Da One In Charge tell Moses,

⁸ “Take Aaron stick fo walk outa Da Box Fo No Foget Da Deal Wit God. You an yoa braddah Aaron, go get da peopo an bring um togedda. Talk to da cliff dey see in front dem, an watta goin come out. You goin bring watta outa da cliff fo da peopo. Dass how you goin give dem an dea animals watta fo drink.”

⁹ So Moses take da stick fo walk from in front Da One In Charge, jalike Da One In Charge stay tell um fo do.

¹⁰ Moses an Aaron tell da peopo fo come togedda in front da cliff, an Moses tell da peopo, “Lissen, all you guys dat go agains Da One In Charge. You guys tink us suppose to bring watta out from inside dis cliff, o wat?!”

¹¹ Den Moses put up his hand an wack da cliff two time wit his stick fo walk. Den plenny watta come out, an da peopo an dea animals drink um.

¹² But Da One In Charge tell Moses an Aaron, “You guys neva trus me enuff fo show in front da Israel peopo dat I stay good an spesho! Cuz a dat, you guys no goin bring dem inside da land I give um awready.”

¹³ Dat was da watta from Meribah side. Meribah mean “Make Argue.” Az wea da Israel peopo wen grumble in front Da One In Charge, an he show dem dat he stay real good an spesho.

Da Edom Peopo No Let Da Israel Peopo Go Thru Dea Land

¹⁴ From Kadesh, Moses sen messenja guys by da king fo da Edom peopo. He tell,

“Dis wat yoa braddah Israel tell: You know bout all da hard time us guys wen suffa.

¹⁵ Oua ancesta guys wen go down Egypt side an we live ova dea long time. Da Egypt guys give us an oua ancestas one hard time.

¹⁶ But wen us guys call out to Da One In Charge fo help us, he hear us, an he sen one angel messenja guy fo bring us outa Egypt.

“An now, us guys stay ova hea Kadesh side, one town by da borda a yoa country.

¹⁷ Try let us go pass thru yoa land. We no goin go thru no fields o grape fields, o drink watta from yoa wells. We goin go strait thru by da king high road. We no goin turn right side o lef side till we pass thru yoa country.”

¹⁸ But da Edom king tell: “You guys no can pass thru my country. If you guys try, oua army guys goin go afta you guys wit swords!”

¹⁹ Da Israel guys tell um, “Ony da main road, az wea us goin go. If us o oua animals drink some a yoa watta, we goin pay good price fo um. No big deal—us ony like walk pass dea, dass it.”

²⁰ But da Edom king tell, “You guys no goin go pass thru hea.”

Den da Edom guys come out wit one big, strong army.

²¹ Cuz da Edom guys no let dem pass thru dea country, da Israel guys tell “Laytas” to dem an go anodda way.

Aaron Mahke

²² All da Israel peopo go out from Kadesh an come by Mount Hor.

²³ Ova dea, nea da edge a Edom, Da One In Charge tell Moses an Aaron,

²⁴ “Aaron goin mahke hea. He no goin go inside da land I give da Israel peopo, cuz you two guys wen go agains wat I wen tell you fo do, bout da watta Meribah side.

²⁵ Take Aaron an his boy Eleazar, an bring dem up Mount Hor.

²⁶ Take off da Main Pries kine clotheses from Aaron, an put um on top his boy Eleazar. Cuz Aaron goin mahke ova dea.”

²⁷ So Moses do wat Da One In Charge tell um fo do. Dey go up Mount Hor an all da peopo stay look.

²⁸ ✧Moses take off da Main Pries kine clotheses from Aaron an put um on top Aaron boy Eleazar. An Aaron mahke ova dea on da top a da mountain. Moses an Eleazar, dey come down from da mountain.

²⁹ Wen all da peopo see dat Aaron mahke, all da peopo make one ceremony fo rememba him fo thirty day.

21

Dey Wipe Out Da Arad Land

¹ ✧Da king fo da Canaan peopo Arad side dat live inside da Negev Boonies hear dat da Israel peopo stay come by da road dat go thru Atarim. So him an his guys go afta da Israel peopo, an catch some a dem an make dem prisonas.

² Den da Israel peopo make dis strong promise to Da One In Charge, fo erybody know dat dey goin do um: “If az fo real dat you let us win ova dese guys, we goin wipe out dea towns to da max, jalike dey one sacrifice fo you.”

³ Da One In Charge lissen wat da Israel peopo tell, an let dem win ova da Canaan peopo. Dey wipe out dem an dea towns to da max, jalike dey one sacrifice. So dey call da place Hormah, dat mean Wipe Out Fo God.

Da Bronze Snake

⁴ ✧Dey go from Mount Hor by da road to da Red Sea, fo go aroun Edom. But da peopo come huhu wen dey going, cuz dey no like wait.

⁵ ✧Dey grumble bout God an Moses. Dey tell, “How come you bring us guys outa Egypt? Fo make us mahke inside da boonies, o wat?! No mo bread! No mo watta! An us hate dis no good kine manna food!”

⁶ Den Da One In Charge sen poison kine snakes by dem. Dea poison, sore jalike da fire. Dey bite da peopo, an plenny Israel peopo mahke.

⁷ Da peopo come by Moses, an tell, “Us wen do bad kine stuff wen we grumble bout Da One In Charge an about you. Try aks Da One In Charge fo make da snakes go way from us guys.” So Moses pray fo da peopo.

⁸ Da One In Charge tell Moses, “Make one ting dat look jalike one poison kine snake, an put um on top one high pos. Wen da snakes bite somebody, da peopo can look da snake statue on top da pos, an goin stay alive.” ⁹ ✧So Moses make one bronze metal snake, an put um up on top one high pos. Den wen one snake bite somebody, da guy look da bronze snake statue, an dey goin stay alive.

Dey Go Moab Side

¹⁰ Da Israel peopo leave dat place an make camp Obot side.

¹¹ From Obot, dey go make camp Iye-Abarim, inside da boonies da east side a da Moab land wea da sun come up.

¹² From dea dey go make camp inside da Zered Gulch.

¹³ Dey go from dea make camp da odda side a da Arnon Riva, dat stay inside da boonies dat go all da way inside da Amor peopo land. Da Arnon Riva go by da edge a da Moab land, wit Moab one side an da Amor peopo da odda side.

¹⁴ Az why da Book Bout Da Wars Fo Da One In Charge tell:
 “Waheb inside Sufah an da gulches,
 Da Arnon Riva,

¹⁵ An da cliff in da small gulches dat go nea da town dey call Ar,
 Wea can look down an see da edge a da Moab land.”

¹⁶ From dea dey go Beer side. Dass da well fo watta wea Da One In Charge tell Moses, “Tell da peopo come togedda. I goin give dem watta.”

 Sing bout um!

¹⁸ Sing bout da puka dat da prince guys wen dig.

An da alii fo da peopo wen make um
 Wit da sticks dat show dey da leada guys
 An wit dea sticks fo walk.”

Den da peopo go from da boonies to Mattanah,

¹⁹ an from Mattanah to Nahaliel, from Nahaliel to Bamot,

²⁰ an from Bamot to da part a Moab wea get da top a da Pisgah Range,
 wea da land you can see az ony wase land.

Dey Win Ova Sihon An Og

²¹ Da Israel peopo sen messenja guys by Sihon, da king fo da Amor peopo,
 fo tell him:

²² “Let us go pass thru yoa land. We no goin go inside no wheat field o grape field, o drink watta from yoa pukas. We goin go by da king highway till we go pass yoa land.”

²³ But Sihon no let da Israel peopo pass thru his land. He bring his whole army togedda, an go out inside da boonies fo fight da Israel guys. Wen da Amor guys come Jahaz town, dey fight wit da Israel guys.

²⁴ But da Israel guys kill Sihon wit swords, an take ova his land from da Arnon Riva to da Jabbok Riva. But dey go ony to da edge a da Ammon land, cuz da Ammon peopo strong an no let nobody come inside dea land.

²⁵ Da Israel guys take ova all da Amor towns, an stay dea—Heshbon an all da small towns aroun um.

²⁶ Heshbon, dass da main town wea Sihon stay da king fo da Amor peopo. Befo time Sihon wen fight da Moab king, an take away all his land to da Arnon Riva.

²⁷ Az how come da poet guys tell:
 “Go come by Heshbon

An build um one mo time.
 Make Sihon big town new one mo time.

²⁸ ✧ Had fire go out from Heshbon,
 One big fire come from Sihon big town.

Da fire burn up Ar, Moab side,
 An da ones dat own da up country

Nea da Arnon Riva.

²⁹ Bummahs! You Moab peopo!

You peopo dat pray to da god Kemosh,
 You come wipe out awready!
 Da Moab king, his boys run away,
 An his girls come prisonas.
 Sihon take um.
 He one king guy fo da Amor peopo.

³⁰ “But us guys, we wipe out da Amor guys!
 We wipe out Heshbon, an Dibon too!
 We bus um up all da way to Nofah,
 An go all da way to Medeba.”

 He tell me, 'Go come! Put kahuna on top da Jacob peopo fo me!
 Tell um how mad you stay wit dem!'

⁸ How you tink I can put kahuna on top dem,
 Wen God no put kahuna on top dem?!
 How you tink I goin tell how mad I stay wit dem,

 Not even!

⁹ From da cliff tops, I see dem.
 From on top da high hills I watch dem.
 Look! Dey one peopo dat no live nea odde peopo!
 Dey no tink dey jalike one a da odde peopos.

 He not da kine god goin tell someting,
 An den tink az mo betta he neva tell dat.
 Him, he talk, an den he do um.

He make one promise,
 An he do wat he tell he goin do.
²⁰ Da One In Charge tell me fo tell you,

Who learn stuff from da God Dass Mo Importan Den All Da Odda Gods.
Da guy dat see someting jalike one dream
From Da God Dat Get All Da Powa.
I go down in front him

✧ 24:9 24:9 a: Start 49:9; b: Start 12:3

An see tings real good:

³ Az why Moses tell da peopo, “Make ready some a yoa army guys fo go fight da Midian guys, fo Da One In Charge pay dem back fo wat dey wen do.

⁴ Sen one tousan guys from ery main ohana inside da Israel peopo fo fight dem.”

⁵ So twelve tousan guys get dea stuffs ready fo war, one tousan from ery Israel ohana.

⁶ Moses sen tousan guys from ery main ohana fo fight. He sen Finehas too, Eleazar da pries boy. Finehas take tings from da Place Dat Stay Spesho Fo God, an metal trumpets fo blow.

⁷ Dey fight da Midian guys, jalike Da One In Charge wen tell Moses fo do, an dey kill all da Midian army guys.

⁸ Da five Midian kings, Evi, Rekem, Zur, Hur, an Reba, dey kill dem too. An dey kill Balaam, Beor boy, wit dea swords.

⁹ Da Israel guys make da Midian wahines an kids dea prisonas, an take all dea animals an all dea stuffs.

¹⁰ Dey burn all da towns wea da Midian peopo live, an dea camps too.

¹¹ Dey take all da stuffs dey wen rip off, an da peopo an da animals,

¹² an dey bring all da prisonas an stuff dey rip off. Dey bring um by Moses an Eleazar da pries guy an by all da Israel peopo inside da camp on top da flat place Moab side, nea da Jordan Riva, da odda side from Jericho.

¹³ Moses, Eleazar da pries guy, an all da leadas fo da peopo go outside da camp fo meet dem.

¹⁴ Moses, he come huhu wit da officers fo da army, da leadas fo tousan guys an hundred guys, dat come back from fight da war.

¹⁵ Moses tell um, “Wassamatta you?! You guys let all da wahines stay alive, o wat?!”

¹⁶ ☆But you know wat?! Was dem, da ones wen lissen Balaam! Dey da ones turn da Israel peopo away, fo go agains Da One In Charge. Dass wat wen happen Peor side. An cuz a dat, da peopo a Da One In Charge get one real bad kine sick!

¹⁷ So now, go kill all da boys, an kill ery wahine dat wen sleep wit one guy!

¹⁸ But da girls dat neva sleep wit one guy, let dem stay alive. You guys own dem.

¹⁹ “All you guys gotta stay outside da camp fo seven days—anybody dat wen kill somebody, o touch one mahke body. Day numba three an day numba seven, you guys gotta make da religious kine ceremony fo make you an da prisonas you wen catch come clean, fo you go in front God.

²⁰ “Make all yoa clotheses clean too, an eryting dey make from ledda, o goat hair, o wood.”

Da Stuffs Dey Wen Rip Off

²¹ Den Eleazar da pries guy tell da army guys dat wen fight, “Dis da rules dat Da One In Charge wen give Moses:

²² Da gold, silva, bronze, iron, tin, an lead dat you wen rip off—

²³ all da odda stuff dat can go inside da fire, you gotta make um go inside da fire fo come clean da way Da One In Charge see um. But den you gotta clean um wit da kine watta fo make um clean too. An wateva no can go thru da fire, you gotta put um inside da watta fo make um clean, an den take um out.

²⁴ Day numba seven wash yoa clotheses, an den you guys goin be clean an can come inside da camp.”

Dey Split Da Stuffs

²⁵ Da One In Charge tell Moses,

²⁶ “You an Eleazar da pries guy, an da leadas fo da blood lines inside da ohanas, count all da peopo an animals da army guys wen catch.

²⁷ Den split um wit da army guys dat wen fight, an da odda peopo.

²⁸ From da army guys dat wen fight, kapu fo me, Da One In Charge, one from ery five hundred peopo, cows, donkeys, sheeps, an goats.

²⁹ Me, Da One In Charge. Kapu dem fo me from da army guys half, an give um to Eleazar da pries guy.

³⁰ From da half from da odda Israel peopo, pick one from ery fifty, no matta peopo, cows, donkeys, sheeps, goats, o odda animals. Give um to da Levi guys dat take kea my Tent.”

³¹ So Moses an Eleazar da pries guy do wat Da One In Charge tell Moses fo do.

³² Da stuffs lef ova from da odda stuffs dat da army guys wen take was 675,000 sheeps,

³³ 72,000 cows,

³⁴ 61,000 donkeys,

³⁵ an 32,000 wahines dat neva sleep wit one guy.

³⁶ Da half part fo da army guys dat wen fight was: 337,500 sheeps an goats

³⁷ an da part fo Da One In Charge from da sheeps an goats was 675.

³⁸ From 36,000 cows, Da One In Charge part was 72.

³⁹ From 30,500 donkeys, Da One In Charge part was 61.

⁴⁰ From 16,000 peopo, Da One In Charge part was 32.

⁴¹ Moses give Da One In Charge part to Eleazar, da pries guy, jalike Da One In Charge tell Moses fo do.

⁴² Da half part fo da Israel peopo dat Moses put by one side from da part fo da army guys dat wen fight,

⁴³ da Israel peopo half was 337,500 sheeps,

⁴⁴ 36,000 cows,

⁴⁵ 30,500 donkeys,

⁴⁶ an 16,000 peopo.

⁴⁷ From da Israel peopo half, Moses pick one from ery fifty peopo an animals, jalike Da One In Charge wen tell him fo do, an he give um to da Levi guys dat take kea da Tent Fo Meet Wit Da One In Charge.

⁴⁸ Den da officers dat stay in charge a da army guys, da leadas fo tousan guys an hundred guys, dey go by Moses

⁴⁹ an tell um, "Yoa worka guys wen count da army guys unda us. No mo even one a dem dat we neva count.

⁵⁰ Cuz a dat, us guys bring dis stuff fo make one present fo Da One In Charge: da gold stuff we wen rip off, bracelets, rings, earrings, an necklaces, fo make us guys come pono wit Da One In Charge."

⁵¹ Moses an Eleazar da pries guy take da gold tings from dem, all da jewelry stuff.

⁵² All da gold from da leadas fo tousan guys an hundred guys dat Moses an Eleazar give Da One In Charge fo one present, weigh bout 420 poun.

⁵³ Ery army guy wen take stuff fo dem.

⁵⁴ Az how come Moses an Eleazar da pries guy take da gold stuffs, an bring um by da Tent Wea Da Peopo Meet God, an put um in front Da One In Charge fo him no foget da Israel peopo.

32

Da Peopo East Side Da Jordan Riva

¹ Da Reuben ohana an da Gad ohana get plenny cows, sheeps, an goats. Dey see dat da Jazer an Gilead land stay one good place fo put da animals.

² So dey come by Moses an Eleazar da pries guy, an da leadas fo da peopo, an tell,

³ "You know da towns, Atarot, Dibon, Jazer, Nimrah, Heshbon, Elealeh, Sebam, Nebo, an Beon?

⁴ Dass da land Da One In Charge take ova in front all da Israel peopo. An dat land stay good fo cows an sheeps an goats. Us guys get cows an sheeps an goats.

⁵ If you tink us guys good fo get dat land, den let us, yoa worka guys, get da land fo come oua property. No make us guys go da odda side a da Jordan Riva.”

⁶ Moses tell da Gad peopo an da Reuben peopo, “You tink ony yoa braddah guys gotta go ova dea fo do all da fighting, an you guys jus stay sit ova hea, o wat?!”

⁷ How come you like make da odda Israel peopo lose fight, fo dem no like go inside da land Da One In Charge wen give dem?!”

⁸ ✧Dass da same ting yoa faddah guys wen do, da time I sen dem from Kadesh-Barnea fo scope out da land.

⁹ Afta dey go up by da Eshkol Valley an scope out da land, dey come back an make da Israel peopo lose fight an no like go inside da land Da One In Charge wen give um.

¹⁰ ✧Da One In Charge come real mad dat time, an he make dis strong promise fo erybody know dat he goin do um:

¹¹ ‘Dese peopo no go all out fo stay tight wit me! Cuz a dat, from da men guys twenny year ol an mo dat come outa Egypt, dey no goin see da land dat I wen make one strong promise fo give to Abraham, Isaac, an Jacob!’

¹² But ony Caleb, his faddah Jefunneh da Keniz guy, an Nun boy Joshua, can go inside da land, cuz dey wen go all out fo stay tight wit me, Da One In Charge!’

¹³ “Dat time, Da One In Charge come real mad wit da Israel peopo. He make dem stay go aroun inside da boonies fo forty year, till all da peopo mahke dat he see wen do bad kine stuff.

¹⁴ “So hea you guys stay now, braddahs dat do bad kine stuff. You stay ack hea jalike yoa faddah guys wen ack. You guys goin make Da One In Charge come even mo mad still yet wit you Israel peopo!

¹⁵ So if you guys tell laytas an no stay tight wit Da One In Charge, he goin make all dis peopo stay inside da boonies one mo time, an you guys goin get da blame fo wipe out all dem!”

¹⁶ Den da Reuben an Gad guys go by Moses an tell, “Us guys like build pens ova hea fo oua animals, an build towns fo oua wahines an kids.

¹⁷ But us guys stay ready fo fight! We goin go across da Jordan Riva firs, befo da odda Israel peopo go dea. An we goin stay till we bring um to dea places. Wen we do dat, oua wahines an kids can live dis side inside towns dat get strong wall, so da odda peopo inside da land no goin hurt dem.

¹⁸ We no goin go back oua places, till all da odda Israel peopo get da property Da One In Charge stay give all dem.

¹⁹ An us guys no goin get oua property wit dem da odda side a da Jordan Riva. Cuz we get oua property ova hea, da east side a da Riva.”

²⁰ Den Moses tell dem, “Kay den. If you guys goin make lidat, an stay ready fo fight in front Da One In Charge,

²¹ an if all you guys goin go in front Da One In Charge, da odda side a da Jordan Riva, an if you take da tings you use fo fight, till he take away da land from da peopo dat stay agains him—

²² Den if dass how you guys make, den wen you guys win ova da odda peopos in front Da One In Charge, you guys no need stay da odda side no moa. You can come back dis side. Da One In Charge an da Israel peopo goin let you guys go. Den dis land ova hea goin stay you guys property in front Da One In Charge.

²³ “But if you guys no do dat, den you guys goin do one bad ting agains Da One In Charge, an fo shua, da bad ting you do, goin catch you bumbye!

²⁴ Build strong towns fo yoa wahines an kids, an pens fo yoa sheeps an goats. But do all da stuff you guys wen promise fo do.”

²⁵ Da Gad guys an Reuben guys tell Moses, “You oua boss, an us work fo you. We goin do wat you tell us fo do.

²⁶ Oua kids an wifes, oua sheeps, goats, an cows, all goin stay ova hea inside da Gilead towns.

²⁷ But all us guys dat work fo you, we ready fo fight, an go da odda side fo fight in front Da One In Charge, jalike you, oua boss, tell us fo do.”

²⁸ ✧ Den Moses tell Eleazar da pries guy bout dem, an Joshua, Nun boy, an da leadas fo da main Israel ohanas.

²⁹ He tell dem, “If da Gad guys an da Reuben guys go wit dea stuff fo fight da odda side a da Jordan Riva wit you guys in front Da One In Charge, den wen you guys win ova da odda peopos, give dem da Gilead land fo dea property.

³⁰ But if dey no go ova dea wit you guys, all ready fo fight, dey no goin get land dis side. Dey gotta take da land dat stay da odda side jalike you guys inside Canaan.”

³¹ Da Gad guys an da Reuben guys tell, “Us yoa worka guys, an we goin do wat Da One In Charge tell us fo do.

³² Us guys goin go da odda side in front Da One In Charge wit stuff ready fo fight, inside Canaan. But da property we goin get stay dis side a da Jordan Riva.”

³³ Den Moses give da Gad peopo, da Reuben peopo, an half da peopo dat come from Joseph boy Manasseh, dea land. Dass all da land dey take away from Sihon, da Amor king, an from Og, da Bashan king, wit da towns an da land aroun um.

³⁴ Da Gad peopo wen build up one mo time da towns Dibon, Atarot, Aroer,

³⁵ Atrot, Shofan, Jazer, Jogbehah,

³⁶ Bet-Nimrah, an Bet-Haran. Dose towns get strong wall, an da Gad peopo make pens ova dea fo dea sheeps an goats.

³⁷ Da Reuben peopo, dey build up one mo time da towns Heshbon, Elealeh, an Kiriataim,

³⁸ an Nebo, Baal Meon (but dey change some a da names), an Sibmah. Dey give names to da big towns dey build up one mo time.

³⁹ Da guys dat come from Makir, Manasseh boy, dey wen go Gilead side, an take ova da land, an kick out da Amor peopo dat stay dea.

⁴⁰ So Moses give Gilead to da Makir ohana, from Manasseh, an laytas dey stay ova dea.

⁴¹ Jair, he come from da Manasseh ohana too. He take ova dea small towns, an call um da Jair Tent Villages.

⁴² An Nobah take ova Kenat an da small towns aroun dea, an call um Nobah, by his name.

¹¹ pick some towns fo da ones wea peopo can go if dey kill somebody but dey neva like kill um.

¹² Dass goin be one place wea da peopo can stay, an nobody can pay dem back fo kill somebody. Az why if da peopo poin finga somebody cuz dey tell he wen kill anodda guy, da guy no goin mahke befo he stan in front da judge an da peopo. An da guy dat poin finga gotta show proof dat he wen kill um o like kill um.

¹³ Dese six towns you give da Levi guys, goin be yoa City A Refuge towns fo anybody stay dat kill somebody.

²¹ o if he wack him wit his fis an he mahke, dat guy gotta mahke. He one killa guy. Da one from da mahke guy ohana dat get da kuleana fo pay back da killa guy, he can kill um wen he meet him.

²² “But if somebody no hate anodda guy, but push him o throw someting at um, but he neva tink fo kill um,

²³ o maybe da guy neva see um, but one stone fall on top him dat kill um, an he mahke. Den cuz he no hate da guy, an he no like hurt him,

²⁴ da peopo gotta come togedda fo judge lidis: ‘Da guy dat kill somebody neva make plan fo kill um,’ o ‘Da one from da mahke guy ohana dat get da kuleana fo pay back da killa guy get da right fo kill dis guy.’ Dese da rules.

²⁵ Da peopo dat come togedda fo judge, dey gotta take kea da guy dat wen kill somebody but neva make plan fo do um. Dey gotta make shua, dat da one from da mahke guy ohana dat get da kuleana fo pay back da killa guy, no can kill him. Dey gotta take him back da City a Refuge wea he wen run fo no get kill, an nobody can kill him dea. He gotta stay dea till da Main Pries Guy mahke, da one dat dey pour da oil dat stay spesho fo God on top him fo show he da Main Pries Guy.

²⁷ an if da guy dat get da kuleana fo kill him find him outside dat town, dat guy can kill him an no goin get da blame fo um.

²⁸ Da guy dat wen kill da odda guy gotta stay inside da City A Refuge town wea he wen run to fo him no mahke, till da Main Pries Guy mahke. Den afta da Main Pries Guy mahke, da guy can go back his place.

²⁹ “Dis goin be da rules fo all da Israel peopo foeva, wea eva you guys live.

³⁰ ☆“Whoeva kill somebody gotta mahke cuz he kill um, but ony wen odda guys can tell da judge wat dey wen see happen. But no mo nobody gotta mahke if ony one guy tell wat he see happen.

³¹ “No take money fo let go somebody dat wen kill anodda guy, an he suppose to mahke fo dat.

³² “No take money fo let go somebody dat wen run by one City A Refuge town fo stay afta he kill somebody. No can let um go back an stay on top his land befo da Main Pries Guy mahke.

³³ “No make da land come pilau wea you guys live. Wen somebody kill anodda guy, dat make da land come pilau. You no can make pono da land wea somebody wen kill anodda guy. Ony if you kill da guy dat wen kill da odda guy, den you can make um pono.

³⁴ “An no make da land wea you live come pilau,
“Cuz me, Da One In Charge,
I stay live wit da Israel peopo!”

36

Da Land Fo Zelofehad Girls

¹ Da family leadas fo da Gilead line dat come from Makir, Manasseh boy, from da Joseph ohana, dey come in front Moses an da leadas fo da Israel ohanas. Da Gilead guys come aks da leadas fo help dem.

³ So now, wat us goin do?! If dey marry guys from anodda Israel ohana, dat mean, dey goin take dea share a oua Manasseh ohana land, an give um to da ohana wea dey marry fo come dea land. So part a da property us guys get, dey goin take um away from oua ohana.

⁴ Wen da spesho year fo da Israel peopo come ery fifty year, dea land goin go back to da ohana wea dey marry, an oua ohana no goin get oua share no moa.”

⁵ Den Da One In Charge tell Moses fo tell da Israel peopo dis: “Wat da Joseph ohana guys tell stay right.

⁶ Dis wat Da One In Charge tell bout wat fo do fo da Zelofehad girls: ‘Okay fo dem marry whoeva dey like, but dey gotta marry somebody inside dea faddah big ohana.

⁷ No can pass one Israel land from one big ohana to anodda, cuz ery Israel guy goin keep da land dey get from dea ancesta guys.

⁸ Ery girl dat get land inside one Israel ohana gotta marry one guy inside dea faddah ohana. Dass how ery Israel guy goin get property from dea ancesta guys.

⁹ No can pass land from one big ohana to anodda big ohana. Cuz ery Israel ohana gotta keep da land dey get from dea ancesta guys.’ ”

¹⁰ Jalike Da One In Charge tell Moses, da Zelofehad girls do.

¹ Dis wat Moses tell da Israel peopo. Dat time, dey all stay inside da boonies on da east side a da Jordan Riva, inside da Jordan Valley. Dass across Suf, wit Paran on one side an Tofel, Laban, Hazerot, an Dizahab on da odda side.

² You know, fo walk Mount Sinai to Kadesh-Barnea, take eleven days, even if you go da far away on da Mount Seir road.

³ But dat time, was forty year afta da Israel peopo come outa Egypt, an was winta time. Dass wen Moses tell da Israel peopo eryting Da One In Charge tell him he suppose to tell dem.

⁴ ✧ Moses tell um dis afta dey win ova Sihon, da king fo da Amor peopo dat stay inside Heshbon, an afta dey win ova Og, da king fo da Bashan peopo dat stay inside Ashtarot an Edrei.

⁵ From da east side a da Jordan Riva inside Moab, Moses start fo make God rules mo easy fo da peopo undastand. He tell:

⁶ “Wen us guys wen stay Mount Sinai side, oua God, Da One In Charge, tell us, ‘You guys stay ova hea by dis mountain long time awready.

⁷ Take all yoa stuffs an go up inside da hills wea da Amor peopo stay. Den go wea da peopo dat live nea dem stay, inside da Jordan Riva Valley, an da small hills on da west side, an da Negev boonies south side, an da Mediterranean Sea coast. Go wea da Canaan peopo stay, den go north side to da Lebanon mountains, den go east side all da way to da big Eufrates Riva.’ ”

⁸ Da One In Charge tell, “Look, I give you guys all dis land awready. Go inside dea an use da land, cuz I wen make one strong promise to yoa ancesta guys Abraham, Isaac, an Jacob, an to dea kids an grankids an you guys.”

Dey Pick Leada Guys Fo Da Twelve Ohana

⁹ “Befo us guys leave Mount Sinai, me Moses, wen tell you guys, az too hard fo me stay in charge a all you guys an me no mo help.

¹⁰ Yoa God, Da One In Charge, make you guys come plenny peopo awready. Az why today you guys stay plenny jalike da stars inside da sky.

¹¹ I like Da One In Charge, da God fo yoa ancesta guys, make you guys come one tousan times mo plenny, an do plenny good kine stuff fo you guys, jalike he wen make one promise fo do befo time.

¹² But me, I no can take kea all you guys problems, all da stuff dat bodda you guys, an da stuff you guys squawk bout—wit nobody fo help me.

¹³ So pick some guys dat know wat fo do erytime, dat undastan plenny stuff, an dat peopo get plenny respeck fo. Pick some fo all da twelve ohanas. Den I goin make dem yoa leada guys.

¹⁴ “Den you guys tell me, ‘Az good, wat you tell fo do.’

15 “Den I take da leada guys from yoa ohanas, guys dat know wat fo do erytime an you guys get respeck fo dem. I make dem stay in charge a you guys. Some a dem stay in charge a one tousan peopo, some in charge a one hundred peopo, some in charge a fifty, an some in charge a ten. Dey da main guys fo all da twelve ohanas.

16 Dat time, I wen tell yoa local leada guys wat dey gotta do: Dey gotta lissen good wat da peopo tell wen dey make argue wit each odda, an do wass right fo dem, no matta dey make argue wit anodda Israel guy, o wit somebody dass not one Israel guy.

17 No make to one guy mo betta den to anodda guy. Lissen, no matta if he one importan guy o one guy dass not importan. No sked dem, cuz God da one goin help you figga wass right, an you stay do um fo him. If you donno wat fo do, den tell me, Moses, an I goin lissen.

18 Was da time us guys stay Mount Sinai. I wen tell you guys eryting you guys gotta do.

Dey Sen Guys Fo Look Da Land

19 “Den, jalike wat oua God, Da One In Charge, tell us fo do, we go from Mount Sinai to da hills inside da Amor peopo land. We go thru da big an skery boonies dat you guys wen see. Den we reach Kadesh-Barnea.

20 So I tell you guys, ‘All us guys stay come by da hills inside da Amor peopo land. Dis, da land oua God, Da One In Charge, goin give us.

21 Look! Right dea, dass da land dat God, Da One In Charge, stay give you guys awready! Go take um ova, jalike Da One In Charge, da God oua ancesta guys wen pray to, tell you guys fo do. No sked. No lose fight.’

22 “Den all you guys come by me an tell, ‘Sen some guys dea firs fo look da land, an den come back an tell us da way we goin go up dea, an da towns we goin go inside.’

23 “Dat soun good to me, so I pick twelve guys fo go, one guy from ery big ohana.

24 Da guys go up country, all da way to da Eshkol Gulch, an scope out wat stay ova dea.

25 Dey take some a da stuff dat grow ova dea, an bring um back by us. Dey tell us, ‘Az good, da land dat oua God, dass Da One In Charge a us, goin give us.’

Da Peopo Go Agains Da One In Charge

26 ✨“But you guys, you neva like go dea. You guys wen go agains wat yoa God, Da One In Charge, tell you guys fo do.

27 You guys sit inside yoa tents an grumble. You guys tell, ‘Az cuz Da One In Charge hate us! He take us outa Egypt fo turn us ova to da Amor peopo fo dem wipe us out!

28 Wea we goin go, aah?! Oua braddahs dat wen go look da land, make us lose fight. Dey tell, “Da peopo mo big an mo tall den us. Dea towns stay big. Dey get big wall dat go up inside da sky. We even see giant guys ova dea—da ones dat come from Anak!” ‘ ‘

29 Den I tell you guys, “No come shock an sked a dem!

30 Oua God Da One In Charge, he da One goin go in front you guys. He da One goin fight fo you guys, jalike he wen fight fo you guys inside Egypt. You guys wen see dat awready.

31 ✧ An inside da boonies, you guys wen see God, Da One In Charge, take kea you guys, jalike one faddah carry his boy inside his arms. He bring you guys all da way to dis place.

32 ✧ “No matta oua God, dass Da One In Charge a us, do all dat, still yet you guys no trus him.

33 Da One In Charge wen go in front you guys inside one fire nite time, an inside one cloud day time. He even look fo you one place wea you guys can make camp nite time! Az how he show you guys wea fo go.

34 ✧ “But Da One In Charge hear wat you guys tell, an he come huhu, an he make one strong promise fo erybody know dat he goin do um.

35 He tell, ‘No mo nobody from dis bad peopo dat stay alive now, goin see da good land I wen promise fo give yoa ancesta guys.

36 Ony Caleb, Jefunneh boy, go all out fo stay tight wit me, Da One In Charge. Cuz a dat, he goin go inside dat land. An I goin give him an da kids dat come from him, da land wea he wen walk on top.’

37 “Cuz a you guys, Da One In Charge come huhu wit me, Moses, too. He tell me, ‘Not even you goin go inside da land.

38 But yoa helpa guy, Joshua, Nun boy, he goin go inside dea. Talk to him an give him good kine words, cuz he goin lead da Israel peopo fo take ova da land I goin give dem.’

39 “An Da One In Charge tell da peopo, ‘You guys even tell dat odda guys goin make yoa litto kids prisonas, no matta dose kids still yet donno wass good an wass bad. But dose kids, dey da ones goin go inside da land. I goin give um to dem, an dat goin come dea property.

40 But you guys wen turn aroun an go back inside da boonies on top da road fo go by da Red Sea.’

41 “Den you guys tell me, ‘Fo shua, us guys wen do someting bad agains Da One In Charge! Now we goin go up fight, jalike God, Da One In Charge, tell us fo do!’ So all you guys take yoa stuffs fo fight, an tink az not hard fo go up dea inside da hills.

42 “But Da One In Charge tell me, ‘Tell dem, no go up dea fight, cuz I no goin go wit dem. Da guys dat stay agains dem goin win ova dem.’

43 “So I tell you guys, but you guys no like lissen. You guys go agains wat Da One In Charge tell you. You guys make tantaran an you go up inside da hills.

44 But da Amor peopo dat live inside dose hills come outa dea towns fo fight you guys. Dey make you guys run away, jalike dey plenny bees. Dey bus up you guys all da way from da Seir Range to Hormah town.

45 Den you guys come back cry in front Da One In Charge. But he no lissen wen you guys cry, he ony make deaf ear to you guys.

46 Az why you guys stay dea Kadesh town long time.

2

Da Israel Peopo Go All Ova Inside Da Boonies

1 ✧ “Den we turn aroun an go back inside da boonies on top da road fo go by da Red Sea, jalike Da One In Charge wen tell me fo do. Long time we stay go dis side an dat side aroun da Seir Range.

2 Den Da One In Charge tell me,

3 'You guys stay go aroun dis mountain range long time awready. Now, you go turn aroun an go da north side.

4 ✨Tell da peopo wat dey gotta do: "You guys almos goin go pass da land wea yoa braddah guys stay, da peopo dat get Esau fo dea ancesta. Dey live inside da Seir Range. Dey goin come sked a you guys. So watch out plenny so notting happen.

5 No make jalike you figga you goin make war wit dem. Cuz no ways I goin give you guys dea land. You guys no goin even get enuff land dea fo put yoa feets on top um. Cuz I awready wen give da Esau ohana da Seir Range.

6 Us guys goin buy da food us guys eat an da watta us guys drink, an pay dem wit silva." ' "

7 An Moses tell, "Cuz oua God, Da One In Charge, do plenny good stuff fo us guys, an make eryting us guys make come out good. He take kea us guys inside da big boonies. He stay wit us guys fo all dis forty year, an us neva need notting eva.

8 "So us guys go pass oua braddahs, da Esau ohana peopo, dat live inside da Seir Range. We turn from da Arabah road dat come up da Arabah Valley from Elat an Ezion-Geber,

9 ✨"Den Da One In Charge tell me, 'No make hard fo da Moab peopo an make dem like make war wit you guys. Cuz I no goin give you guys notting from dea land. I awready give dea main town Ar to da Moab peopo dat get Lot fo dea ancesta.' "

10 (Da Em peopo live ova dea befo time too. Dey strong an dey plenny peopo, an dey tall jalike da Anak giants.

11 Some peopo call dem da Refa peopo, jalike da Anak peopo, but da Moab peopo call um da Em peopo.

12 Da Hor peopo live inside da Seir Range befo time too, but da Esau ohana peopo get dem outa dea. Dey wipe out da Hor peopo an take ova dea land, jalike us Israel peopo goin make da Canaan peopos get outa da land Da One In Charge give us fo come oua property.)

13 Moses tell da peopo dis too: "Den Da One In Charge tell me, 'Now, go da odda side a da Zered Stream.' So we go da odda side to da Moab land.

14 ✨"Az was thirty-eight year afta we go way from Kadesh-Barnea da firs time dat we go da odda side a da Zered Stream. Dat time, all da fighta guys dat wen stay alive befo time, awready mahke, jalike Da One In Charge wen make one strong promise fo erybody know dat he goin do um to dem.

15 Da One In Charge wen stay agains dose guys till he wipe all dem out from da peopo.

16 "Afta all dose guys dat can fight mahke,

17 Da One In Charge tell me,

18 'Today you guys goin pass Moab, an go way from dea land nea Ar town.

19 ✨You guys go pass da land wea da Ammon peopo stay. No make harsh to dem an no make dem like fight you guys. Cuz no ways I goin give you guys da Ammon peopo land. I awready give dat land to dem cuz dey da Lot ohana peopo.' "

20 (Some peopo tink dat land was fo da Refa peopo too, cuz dey live dea befo time, but da Ammon peopo call dem da Zamzum peopo.

²¹ Dey was strong peopo, an get plenny a dem. Dey tall jalike da Anak giants. Da One In Charge wen let da Ammon peopo wipe out da Refa peopo, an take ova dea land. Den da Ammon peopo live inside dat land, an not da Refa peopo.

²² Da One In Charge do da same ting fo da Esau ohana peopo dat stay live inside da Seir Range, cuz he wen wipe out da Hor peopo dat stay dea befo da Esau peopo. Da Esau ohana take ova dea land an stay live dea till now.

²³ An da Av peopo dat live inside da small towns all da way by Gaza, da Filisha peopo dat come dea from Crete Islan wen wipe dem out, an stay live inside dat land now.)

*Da Israel Peopo Win Ova Sihon,
Da King Fo Heshbon*

²⁴ Moses tell: “Dis wat Da One In Charge tell, ‘Go da odda side a da Arnon Stream now. Look, I give you guys da powa fo fight Sihon awready, da king fo Heshbon town wea da Amor peopo stay, an take ova his land. Start now fo take ova da land an fight King Sihon dem.

²⁵ From today, I goin make all da diffren peopos unda da sky come real sked a you guys. Dey goin hear bout you guys an come sked an shake, an worry plenny cuz a you guys.’ ”

²⁶ Moses tell: “From da boonies Kedemot side, I wen sen some messenja guys fo tell dem fo go by Sihon, da king inside Heshbon, dat us guys like make good wit him. I tell,

²⁷ ‘Try let us guys go pass thru yoa land. We goin stay on top da main road. We no goin go da right side o da lef side.

²⁸ Us guys like buy food an watta fo eat an drink, an us guys goin pay wit silva. Ony let us walk thru dea.

²⁹ Da Esau ohana peopo dat live inside da Seir Range, an da Moab peopo dat live Ar town, dey wen let us guys pass thru dea land an buy food. So us guys like fo you do dat too, till we go da odda side a da Jordan Riva an go inside da land oua God, Da One In Charge, start fo give us.’

³⁰ But Sihon, da king fo Heshbon town, no like let us go thru dea. Az cuz oua God, dass Da One In Charge a us, wen make him hard head, an cuz a dat he give you guys da powa fo take him ova. An now, God let you guys win.

³¹ “Den Da One In Charge tell me, ‘Look, I start awready fo give you Sihon an his land. Now you guys can start fo make his land yoa property.’

³² “Den Sihon an all his army guys come outside da town fo fight us guys Jahaz side.

³³ But oua God, Da One In Charge, give him to us an we bus um up, him an his boys, an all his army guys.

³⁴ Dat time, we take ova all his towns an wipe um all out jalike we stay make one big sacrifice fo God: guys, wahines, an kids. We no let nobody stay alive.

³⁵ But all dea stuffs an da animals from da towns we wen capcha, we take um away fo us use um.

³⁶ From Aroer town wea can look down inside da Arnon Canyon, an da odda town inside da canyon, all da way north side to Gilead, no even get one town dat get big wall dat stay too big fo us guys. Oua God Da One In Charge give us all dem.

³⁷ But jalike oua God, Da One In Charge, tell us guys fo do, we neva go nea da Ammon peopo land, o da land by da Jabbok Riva, o da towns inside da hills.

3

Da Israel Peopo Win Ova Og, Da King Fo Bashan

¹ “Afta dat we turn go north side by da road dat go Bashan. Og, da king fo da Bashan peopo an all his army guys come out fo fight us by Edrei.

² Da One In Charge tell me, ‘No come sked King Og, cuz I goin give you guys da powa fo take him, all his army guys, an his land. Make jalike you guys wen make to Sihon, da king fo da Amor peopo, dat was da king fo Heshbon town.’

³ “So, oua God, Da One In Charge, wen give us powa ova Og, da king fo da Bashan peopo, an all his army guys too. We wipe dem all out. No mo nobody stay alive dea.

⁴ Dat time, we take ova all his big towns. From da sixty towns Argob side, all ova wea Og stay king inside Bashan, neva have one town dat us guy no take ova.

⁵ All dose big towns get tall walls dat nobody can broke down, an gates wit bars on top um. An get plenny odda town dat no mo wall too.

⁶ We wen wipe um all out, jalike we stay make one big sacrifice fo God. We do same ting fo Sihon, da king inside Heshbon: we wipe out guys, wahines, an kids.

⁷ But all dea animals an stuffs, we take um away fo us use um.

⁸ “Dat time, we take ova da land from da two Amor kings—da land da east side a da Jordan Riva from da Arnon Canyon to Mount Hermon.

⁹ (Da Sidon peopo call Hermon ‘Sirion,’ an da Amor peopo call um ‘Senir’.)

¹⁰ We take all da towns up country an all Gilead, an all Bashan to Salekah, an Edrei, da towns wea Og wen stay king inside da Bashan land.

¹¹ (Ony Og, da king fo Bashan, stay dea from da odda Refa peopo, wen he mahke. Og get one iron punee thirteen feet long an six feet wide. Dat punee still yet stay dea inside Rabbah town wea da Ammon peopo live.)

Dey Split Up Da Land

¹² “From da land we take ova dat time, I give da Reuben an da Gad ohanas da land on da north side Aroer by da Arnon Canyon, an half da up country an da towns inside Gilead.

¹³ Da odda land inside Gilead an all da land inside Bashan, wea Og was king befo time, I give um to half da Manasseh ohana. (You know, all da Argob land inside Bashan, befo time da peopo call um da Refa peopo land.

¹⁴ Jair from da Manasseh ohana take ova da land inside Argob, all da way to wea da Geshur peopo an da Maakah peopo stay. Today da peopo still yet call Bashan ‘Jair Towns’.)

¹⁵ An I give Gilead to da peopo dat come from Makir, Manasseh boy.

¹⁶ But I give da land from Gilead to da Arnon Canyon to da Reuben an Gad ohanas, from da middo a da Arnon Canyon to da Jabbok Riva, wea da Ammon peopo stay.

¹⁷ On da west side get da Jordan Riva inside da Arabah Valley, from da Kinneret Lake to da big lake inside da Arabah Valley (az da Big Salt Lake), unda Mount Pisgah, da east side.

18 ✨“Dat time, I wen tell you Reuben, Gad, an Manasseh guys dat goin stay east a da Jordan Riva, wat you gotta do: ‘Yoa God Da One In Charge wen give you guys da land dis side fo come yoa property. Az why all yoa guys dat can fight, gotta take dea bows an arrows an swords, an go da odda side a da Jordan Riva in front da odda Israel peopo fo help dem fight firs.

19 But yoa wifes, yoa kids, an all da animals you get, can stay inside da towns I wen give you guys ova hea. (I know you guys get plenny animals.)

20 Afta yoa braddah guys pau fight, an dey take ova da land dat yoa God, Da One In Charge, stay give dem da odda side a da Jordan Riva too, Da One In Charge goin let dem res. Den all you guys can come back da land I wen awready give you guys ova hea.’

Moses No Can Go Da Odda Side Da Jordan Riva

21 “Dat time, I tell Joshua wat he gotta do: ‘You awready wen see wat you guys God, Da One In Charge, wen do to dose two kings. Da One In Charge goin do da same ting to all da place dat get king ova dea da odda side wea you guys goin go.

22 You guys no need stay sked a dem. Cuz you guys God Da One In Charge, he da One goin fight fo you guys.’

23 ✨“Dat time I aks Da One In Charge plenny time fo help me. I tell um:

24 ‘You Da One In Charge! You da Boss, an I yoa worka guy. You wen start fo show me how big an how strong you stay. No mo any odda god inside da sky o on top da earth dat can do stuff jalike da awesome kine tings you do.

25 Try let me go da odda side a da Jordan Riva fo see da good land ova dea, up country an Lebanon side.’

26 “But cuz a you guys, Da One In Charge come real huhu wit me, an no like lissen me. He tell, ‘Az enuff awready! No talk to me no mo bout dat!

27 Climb up da top Mount Pisgah. Look da land on da west side, da north side, da south side, an da east side. Cuz you no goin go da odda side a da Jordan Riva.

28 But put Joshua in charge. Give him good kine words, an make him mo strong an solid, cuz he da one goin go da odda side a da Jordan Riva an all dese peopo goin follow him. An he da one goin help dem take ova da land you goin see.’

29 So us guys stay inside da valley nea Bet-Peor.”

4

Da Israel Peopo Gotta Lissen!

1 Moses tell: “Lissen, you Israel peopo, wat Da One In Charge tell you guys dat you suppose to do, an da rules he give you. Me, Moses, I goin teach you guys fo do all dat. So lissen, fo you guys stay alive an go inside da land. You guys goin take ova da land dat Da One In Charge, da God fo oua ancesta guys, stay give you guys.

2 ✨No put notting mo to wat I tell you guys fo do, an no take away notting from um. But jus make shua you do wat oua God, dass Da One In Charge a us, tell you guys fo do, jalike I stay tell you guys fo do now.

3 ✨“You guys see wat Da One In Charge wen do, da time us guys stay Baal-Peor side. Yoa God Da One In Charge wen wipe out from you guys all da peopo dat wen follow da idol kine god Baal, ova dea Mount Peor side.

4 But all you guys dat stay tight wit yoa God, Da One In Charge, you still stay alive yet.

5 “Look! I wen teach you guys wat my God, Da One In Charge, tell you gotta do, an his rules, jalike he wen tell me fo teach you guys, fo you stay tight wit um inside da land wea you guys goin go fo take ova.

6 Make shua you do eryting I tell you fo do, cuz dat goin show da odda peopos dat you guys know wat fo do erytime, an you undastan plenny stuff. Dey goin hear all dis stuff dat Da One In Charge tell you guys you gotta do, an dey goin tell, ‘Fo shua dis one importan peopo—dey know wat fo do erytime, an dey undastan plenny stuff!’ ”

7 Den Moses tell: “Az right! Cuz no mo anodda peopo dat stay mo importan dat get dea gods nea dem, jalike oua God, Da One In Charge, stay nea us guys weneva we pray to him.

8 You tink get odda importan nations dat get rules fo tell wass right an wass wrong, an laws dat stay pono? Fo shua no mo! Da rules an laws dat I stay give you guys today mo betta den all da odda nations!

9 “Watch out fo shua dat you guys no foget da stuff you guys wen see Da One In Charge do! No foget bout um all da time you guys stay alive. Teach yoa kids all dis too, dem an dea kids afta dem.

10 No foget da time you guys wen stan in front oua God, dass Da One In Charge a us, Mount Sinai side, wen he tell me, ‘Bring hea all da peopo togedda in front me fo me tell um wat I like tell dem. Az how dey goin learn fo get awesome respeck fo me, all da time dey stay alive inside da land. An I like dey teach wat I tell dem to da kids too.’

11 ✨You guys wen come nea an stan down side a da mountain, an all dat time da mountain stay burn wit fire an go all da way up to da sky. Get black clouds an stay real dark.

12 Den Da One In Charge talk to you guys from inside da fire. You guys can hear wat he tell, but you guys no see nobody, cuz you guys ony hear one voice.

13 ✨Da One In Charge tell you guys wat you gotta do cuz a da deal he stay make wit you guys, da Ten Main Rules. Den he write um on top two flat stone.

14 ✨Dat time, Da One In Charge tell me I gotta teach you guys wat you gotta do, an his rules. He like you guys stick wit wat he tell, all da time you guys stay inside da land wea you stay go da odda side a da Jordan Riva fo you guys take ova dat land.

No Pray To Da Idol Kine Gods!

15 “You guys neva see wat Da One In Charge look jalike, dat time he talk to you guys from inside da fire Mount Sinai side. Az why you guys gotta watch out,

16 ✨dat you no make fo you guys, one idol kine god dat look jalike one guy o one wahine, cuz den you goin jam up an come pilau.

²² ☆“Odda times, you guys wen make Da One In Charge come huhu too—Taberah side, Massah side, an Kibrot-Hattaavah side.

²³ ☆“An laytas, wen Da One In Charge wen sen you guys fo go out from Kadesh-Barnea, he tell, ‘Go! Take ova da land I wen give you guys awready!’ But you guys, you no like do wat oua God, Da One In Charge, wen tell you fo do. You no trus him o lissen wat he tell.

²⁴ You guys no like do wat Da One In Charge tell you fo do, from da firs time I know you guys.

²⁵ “I wen go down in front Da One In Charge dat time fo forty days an forty nites, cuz he wen tell me he goin wipe out you guys.

²⁶ But I pray to Da One In Charge, an I tell, ‘You da One In Charge! You da Boss! Try no wipe out yoa peopo! You own dem, an you wen do wat you gotta do fo get dem outa trouble cuz you big an awesome! You wen use yoa strong powa fo bring um outa Egypt.

²⁷ No foget da guys dat wen work fo you, Abraham, Isaac, an Jacob. No leave us guys, jus cuz dis peopo hard head, an stay do real bad kine stuff.’

²⁸ Cuz no good da Egypt peopo inside da country wea you wen bring us guys out from, tell, ‘Da One In Charge no can bring dem inside da land he wen promise fo give dem, an he hate dem! Az why he bring dem inside da boonies fo him kill um dea!’

²⁹ But da Israel peopo, dey yoa peopo. You own dem. You wen use yoa awesome powa fo bring dem outa dea cuz you strong!

¹ “Afta da forty days pau, Da One In Charge tell me, ‘Moses, cut out two mo flat stones jalike da firs ones. Make one spesho wood box too. Den come up hea by me on top da mountain.

² I goin write on top da flat stones wat I wen write on top da firs ones dat you wen broke. Den you goin put da stones inside da box.’

⁴ Da One In Charge write on top da flat stones da same ting he wen write da firs time, da Ten Main Rules dat he wen tell you guys up da mountain, from inside da fire, wen you guys wen come togedda. An he give da stones to me.

⁵ Den I come back down da mountain, an put da flat stones inside da box I wen make, jalike Da One In Charge wen tell me fo do. Dey still yet stay dea now, inside da box.”

⁶ ✨(Afta dat, da Israel peopo go from da Jaakan ohana pukas fo watta to Moserah. Aaron wen mahke ova dea dat time, an dey bury him ova dea, an Aaron boy Eleazar come da Main Pries Guy.

⁷ From dea dey go to Gudgodah, an den to Jotbatah, one land dat get plenny stream wit watta.

⁸ ✨Dat time Da One In Charge make da Levi ohana guys spesho fo him, cuz dey goin carry da Box Fo No Foget Da Deal Wit Da One In Charge. He tell da Levi ohana guys fo stan in front him an make one sacrifice fo him too, an fo pray to God cuz dey his guys, an he do good tings fo dem. An da Levi ohana guys still yet do all dat today.

⁹ Az why da Levi ohana no mo land o property from Da One In Charge, jalike dea braddahs from da odda ohanas get. Cuz da Levi ohana get Da One In Charge, jalike he wen tell dem.)

¹⁰ ✨Den Moses tell, “Me, I wen stay on top da mountain dat time, forty days an forty nites, jalike da firs time. An dat time Da One In Charge lissen me too, an tell az good, he no goin wipe out you guys.”

¹¹ Da One In Charge tell me, “Go! Lead da peopo from hea, fo dem go inside da land an take um ova, jalike I wen make one strong promise to yoa ancesta guys fo give um to dem.”

Stay Sked A Da One In Charge

¹² Den Moses tell: “So now, you Israel peopo, wat you guys tink yoa God, Da One In Charge, tell you guys you gotta do? Ony dis, he like:

Fo you guys stay sked a him an show respeck fo him,

Fo live da way he tell you guys fo live,

Fo get love an aloha fo him,

Fo go all out fo work fo him, an

¹³ Fo stick wit his rules, an do wat he tell you guys you gotta do. Dass wat I stay tell you guys today fo do, fo eryting go good fo you guys.

¹⁴ “You know, oua God, dass Da One In Charge a us, own eryting inside da sky, even da mos high place inside da sky! He own da earth an eryting inside um!

¹⁵ But still yet, Da One In Charge wen like yoa ancesta guys, an get love an aloha fo dem. An he pick you guys dat come from dem! He neva pick any odda peopos. An dass how stay today.

¹⁶ He tell, ‘So den, not enuff you guys get one mark in yoa skin fo show you God peopo. Mo betta you get one mark inside you fo show you change how you stay lissen Da One In Charge a you. An no come hard head no moa.’

¹⁷ ✧Cuz oua God, dass Da One In Charge a us, he da real God mo den all da odda gods, an he da real Boss mo importan den all da odda bosses. He da big an strong God, an you betta be sked a him. He no make to one guy mo betta den da odda guy, an you no can pay him fo make him do spesho stuff fo peopo.

¹⁸ He back up da kids dat no mo faddah o muddah, an da wahines dat no mo husban. He get love an aloha fo peopo from anodda place, an give um food an clotheses.

¹⁹ An you guys gotta get love an aloha fo da peopo from anodda place, cuz you guys wen come from anodda place wen you stay inside Egypt.

²⁰ Stay sked a oua God, Da One In Charge, an work fo him. Stay tight wit him, an wen you make one strong promise, use ony his name fo back you up.

²¹ He da One you guys talk good bout. He yoa God dat do all dose awesome an unreal kine tings dat you guys wen see.

²² ✧Wen all yoa ancesta guys wen go down Egypt side, dey ony was seventy peopo. But now, yoa God, Da One In Charge, make you guys real plenny peopo, jalike da stars inside da sky.”

11

Get Love An Aloha Fo Da One In Charge An Lissen Him

¹ “Get love an aloha fo yoa God, Da One In Charge, an make shua you do wat he tell you fo do—eryting he tell you guys gotta do, wat stay right an wat stay wrong, an his rules. Do all dat ery day.

² From today tink bout dis: Yoa kids not da ones dat God put presha on fo teach dem. Was you guys wen get dat kine presha from Da One In Charge. You guys da ones, not yoa kids, dat wen see God importan, an strong, an can use his powa.

³ ✧You da guys wen see all da awesome tings he do inside da Egypt land. He do um to da Pharaoh guy, dea king, an to da peopo all ova da Egypt land.

⁴ ✧He do um to da Egypt army, dea horses, an dea war wagons. Wen da Egypt army guys stay chase you guys, you guys wen see how Da One In Charge make da Red Sea watta come back ova da Egypt guys an drown um. Dass how he wipe um out, an dey stay wipe out till today.

⁵ Was you, not yoa kids, dat wen see wat he do fo you guys inside da boonies, all da way till you guys come ova hea.

6 ✨ You guys wen see how Da One In Charge punish Datan an Abiram, Eliab boys from da Reuben ohana, wen da groun open up in da middo a da Israel peopo an da hole swallow dem an all dea ohanas, dea tents, an all dea worka guys an animals an eryting dey own.

7 But you guys da ones wen see all da awesome stuff Da One In Charge do.

8 “Az why you guys gotta make shua you do all da stuff I stay tell you guys fo do today fo you guys be strong fo cross ova da Jordan Riva an go inside da land an take um ova.

9 If you do dat, you guys goin live long time inside da land dat Da One In Charge wen make one strong promise about um to yoa ancesta guys, wen he give da land to dem an dea kids. Az one land dat get plenny milk an honey all da time.

10 “Da land you goin go inside fo take ova, az not one land jalike Egypt dat you guys come from. Ova dea you guys throw yoa seed, den use da kine pump you step on top fo bring watta from da watta ditch, jalike fo one garden.

11 But da land wea you guys goin go da odda side a da Jordan Riva, fo go inside an take um ova, dat land get mountains an valleys, an get watta from da rain from da sky.

12 Az one land wea yoa God, Da One In Charge, take kea da land. He watch um erytime, from da start to da end a da year.

13 ✨ “So, if you guys fo real kine lissen da rules dat me Da One In Charge give you guys today—fo get love an aloha fo me, yoa God, an work fo me wit eryting inside, wit how you feel, an wit how you tink—

14 den I goin bring rain on top yoa land da right time, da Octoba rain an da April rain. Den you guys goin harves da wheat an da barley, an get grape fo make new wine an olive fo make olive oil.

15 I goin give grass inside da fields fo yoa animals, an you guys goin eat an come full.

16 “Make shua you no go afta notting dat turn you away from God. No work fo odda gods an go down in front dem an show dem respeck.

17 Cuz if you guys no lissen me, Da One In Charge, I goin come real huhu agains you guys, an I goin shut da sky fo stop da rain, an da groun no goin grow food. Den you guys goin mahke real quick cuz no mo food, no matta you live on top da good land dat I stay give you guys.

18 ✨ No foget dese tings I tell you guys, tink plenny bout um, an feel good bout um. Write um down an put um jalike one sign fo tie on top yoa hands, an fo put aroun yoa forehead.

19 Teach um to yoa kids. Talk bout um erytime, wen you guys stay inside yoa house, wen you walk on top da road, wen you lay down, an wen you get up.

20 Write um on top yoa door pos an on top da gates fo yoa town.

21 Den, all da time da sky stay up dea ova da earth, you guys an yoa kids goin live long time inside da land dat me Da One In Charge wen make one strong promise to yoa ancesta guys fo give dem.”

22 Moses tell: “Make shua you do wat dese rules tell dat Da One In Charge stay give you guys fo do. Dat mean, get love an aloha fo yoa God, live da way he tell you fo live, an stay tight wit him.

²³ If you do dat, den Da One In Charge goin go in front you guys an make dese nations dat stay dea get outa dea. Az how you goin take ova dea land, no matta dey mo big an mo strong den you guys.

²⁴ ☆Ery place wea you guys put down yoa feets goin be yoa property. Yoa land goin go from da boonies south side to Lebanon north side, an from da Eufrates Riva east side to da Mediterranean Sea west side.

²⁵ Nobody goin stan up agains you guys. Oua God Da One In Charge goin make da peopo all ova da land come real sked a you guys, wea eva you go, jalike he make one strong promise to you awready.”

²⁶ Moses tell: “Look, I goin let you guys pick today wat you like get. You like Da One In Charge do good kine stuff fo you, o you like he put kahuna on top you fo punish you?”

²⁷ Oua God Da One In Charge goin do good kine stuff fo you guys—if you lissen wat he tell an do um, jalike I stay tell you guys today.

²⁸ But maybe you guys no lissen wat God, Da One In Charge, tell you fo do, an you no do um. O maybe you tell ‘Laytas’ to wat I stay tell you guys today, an you bag from Da One In Charge fo go wit odda gods dat you guys donno from befo time. If you guys make lidat, den I goin make bad tings happen fo punish you.

²⁹ ☆Oua God, Da One In Charge, goin bring you guys inside da land wea you goin take um ova. Wen you guys come dea, you guys goin put peopo on top Mount Gerazim fo tell erybody da good kine stuff Da One In Charge goin do if dey lissen. Same time, you goin put peopo on top Mount Ebal fo tell erybody how Da One In Charge goin punish dem if dey no lissen.”

³⁰ (You guys know dat dose mountains stay da odda side a da Jordan Riva, on da west side a da main road, da side wea da sun go down, nea da big oak trees Moreh side, an inside da land fo da Canaan peopo dat live inside da Jordan Valley nea Gilgal.)

³¹ “Pretty soon you guys goin go da odda side a da Jordan Riva fo take ova da land yoa God, Da One In Charge, give you guys. Afta you guys take um ova an stay live ova dea,

³² make shua you guys do eryting I stay tell you gotta do, an stick wit da rules I stay give you guys today.”

12

Da Rules Fo Live Inside Canaan (Rules Secon Time 12:2-26:15)

¹ Moses tell: “Dis wat yoa God, Da One In Charge, tell you guys you gotta do bout his rules an wass right. All da time you guys stay live inside da land, you guys gotta make shua you do all dat. You guys gotta do um inside da land dat Da One In Charge give you guys awready, fo you guys make um yoa property. He da same God yoa ancestas stay pray to.

² Broke down all da sacrifice place on top da high mountains an hills, an unda ery tree dat get plenny green leaf. Dis da kine place wea da peopo dat stay dea, go down in front dea gods. But you guys goin take ova dea land.

³ ☆Broke down dea altars fo dea idol kine gods, smash da stones dat stay kapu fo dem, an burn up dea kapu Asherah poses wit fire. Cut down da idols dat look jalike dea gods. Broke down eryting bout dea gods, so nobody even rememba dea names in da places wea da gods stay befo time.

⁴ “No do da kine stuff fo pray to God, Da One In Charge, da same way dose peopo stay do fo pray to dea gods.

*Show Love An Respeck Fo God
One Place Ony*

⁵ “But you guys gotta find da place yoa God, Da One In Charge, goin pick from all da place wea yoa ohana peopo goin live. He goin put his name dea an stay dea, an you goin go dea fo show love an respeck fo him.

⁶ Ova dea, you guys goin bring yoa animal fo make yoa burn up kine sacrifice an odda sacrifices wea you kill animals. You goin bring God ten percent a eryting you grow an odda spesho presents you like give too. Give wateva you guys wen make one promise fo give Da One In Charge, an da presents you guys give um cuz you like give um, an da firs cow, sheep, o goat dat born—bring um all da place Da One In Charge goin pick.

⁷ Ova dea, da place God Da One In Charge stay, you guys an yoa ohana peopo goin eat da sacrifice food, an stay good inside cuz a eryting you guys start fo do, cuz God, Da One In Charge, stay do plenny good tings fo you guys.

⁸ “Erybody hea stay do wateva dey like do today, but you guys no goin make lidat bumbye.

⁹ You make lidat, cuz you guys still yet no stay inside yoa place fo res an da property dat God, Da One In Charge, goin give you guys cuz you his kids.

¹⁰ But you guys goin go da odda side a da Jordan Riva an live inside da land dat God, Da One In Charge, stay give you guys cuz you his kids. Ova dea, Da One In Charge goin let you guys res from fight da peopo all aroun you guys dat stay agains you. You guys goin live ova dea, an no need worry somebody goin hurt you guys.

¹¹ Da place yoa God, Da One In Charge, goin pick fo his name stay dea—dass da place you guys goin bring eryting I tell you fo bring, da burn up kine sacrifices an odda animal sacrifices, yoa ten percent presents, an spesho presents, an all da spesho stuff you wen promise fo give me, Da One In Charge.

¹² Ova dea you guys goin stay good inside in front God, Da One In Charge, you, an yoa boys an girls, yoa worka guys an wahines, an da Levi ohana guys from yoa town, cuz dey no mo land dat stay dea property.

¹³ “Make shua you no make yoa burn up kine sacrifice jus any place you guys like.

¹⁴ Make da burn up kine sacrifice ony inside da place Da One In Charge goin pick inside da land dat one a yoa main ohanas own. An all da odda tings I tell you guys fo do, do um ova dea too.

¹⁵ “But fo you guys, kill yoa animals jus fo eat an not fo make sacrifice, you can do dat inside wateva town. You can eat all da meat you guys like, jalike was wild meat o deer meat. Dass one good kine ting Da One In Charge stay give you guys. Da peopo dat can come in front me an da peopo dat no can come in front me, dey all can eat um.

¹⁶ ✧But you guys no can eat da blood. Befo you cook um, pour da blood out on top da groun jalike watta.

¹⁷ “Inside yoa towns, you guys betta not eat da ten percent a yoa wheat o barley o new wine o olive oil dass fo God. An no kill an eat da firs one fo

born from yoa cows o sheeps o goats, o wateva you wen make one promise fo give Da One In Charge, o da stuff you like give him, o da spesho presents.

¹⁸ Cuz all dat stuff, you guys gotta eat um in front yoa God, Da One In Charge, inside da place he goin pick fo you, yoa boys an girls, yoa worka guys an wahines, an da Levi ohana guys dat live inside yoa towns. Dass how you goin stay good inside in front yoa God, Da One In Charge, bout eryting you guys start fo do.

¹⁹ Make shua you guys no foget fo take kea da Levi ohana guys, all da time you guys live on top yoa land.

²⁰ “Yoa God Da One In Charge wen make one promise fo give you guys mo big land bumbye. Wen he do dat, an you tell ‘I like eat meat’ cuz dass how you feel, den you can eat how much you like.

²¹ If da place yoa God, Da One In Charge, pick fo put his name, stay too far from you, you can kill animals from da cows an sheeps an goats Da One In Charge stay give you guys, jalike I wen tell you. An you guys can eat how much you like inside yoa towns.

²² Eat dem jalike you guys eat wild meat o deer meat. Da peopo dat can come in front God an da peopo dat no can come in front God, dey all can eat um.

²³ ☆But make shua you no eat da blood, cuz da blood, az wat give da animal life, an you betta not eat da life wit da meat.

²⁴ You betta not eat da blood. You gotta pour um out on top da groun, jalike watta.

²⁵ No eat um, fo eryting go good fo you guys an yoa kids dat goin come from you guys afta. Cuz you guys stay do wat stay right da way Da One In Charge see um.

²⁶ “But bring da stuff you make spesho fo Da One In Charge, an da stuff you wen make one strong promise fo give him, to da place he goin pick.

²⁷ Make yoa burn up kine sacrifice on top da altar fo yoa God, Da One In Charge, an burn up da meat an da blood togedda. Da blood fo yoa odda kine sacrifices, you gotta pour um on da side a da altar fo yoa God, Da One In Charge, but you can eat da meat.

²⁸ Lissen up real good an do all da stuff I stay tell you guys fo do, fo eryting go good fo you guys an yoa kids afta you, cuz you guys do wat stay good an right da way yoa God, Da One In Charge, see um.

²⁹ “Yoa God Da One In Charge goin cut off da diffren peopos in front you guys, da guys dat you goin go afta fo take ova dea land. But afta you guys throw dem out, an start fo live on top dea land,

³⁰ an afta you guys wipe dem out, make shua you no fall down inside dea trap. No even aks bout dea gods, an tell, ‘How dese peopos make wen dey go down in front dea gods? We goin like do da same ting.’

³¹ You guys make shua you no go down an pray to yoa God, Da One In Charge, da same way dey go down an pray to dea gods, cuz dey do all kine pilau kine stuff dat Da One In Charge hate. Dey even kill dea boys an girls an burn up da bodies wit fire fo make one sacrifice fo dea gods.

³² ☆“Make shua you guys do eryting I stay tell you guys fo do. No add notting to um, an no take notting away.”

13

No Go Down In Front Odda Gods

¹ If get somebody dat tell you guys dey talk fo God, o somebody dat tell dey dream fo tell you wat goin happen bumbye, watch out! If one a dem tell dat dey get proof dat one awesome miracle goin happen fo show da powa God get,

² den maybe wat dey tell goin happen fo real. But den dey tell, "Go come! Us goin stay tight wit odda gods, an work fo dem!" An you guys neva know dose gods befo time.

³ If dass how dey talk, den you guys betta not lissen dat talka guy o da guy dat dream. Cuz yoa God, Da One In Charge, he da One stay tes you fo find out if az fo real you get love an aloha fo him wit eryting inside, wit how you feel, an wit how you tink.

⁴ Az yoa God, Da One In Charge. You guys gotta follow him, an stay sked a him an get respeck fo him. Do wat he tell you guys fo do an lissen him. Work ony fo him, an stay tight wit him.

⁵ Gotta kill dat talka guy o da dreama guy, cuz he teach dat peopo gotta go agains yoa God, Da One In Charge. Az da One wen bring you guys outa Egypt, an he wen do wat he gotta do fo get you guys outa dea wen you was slaves ova dea. Cuz dat kine talka guy o dreama guy try turn you guys away from da way God, Da One In Charge, like you fo live. You guys gotta throw out all dat kine bad stuff from you guys.

⁶ If yoa braddah, yoa muddah o faddah boy, o yoa boy o girl, o yoa wife dat you love, o yoa bestes fren talk to you wea nobody can hear an like try make you like do wass kapu fo you do, an tell, "Eh! Us go down in front odda gods," no lissen dem. You guys an yoa ancestas neva know dose gods befo time.

⁷ Dey some a da gods fo da peopos aroun you guys, no matta dey live nea o far from you guys, from one end a da land to da odda end.

⁸ No do wat dey tell. No lissen dem. No pity dem. No give um chance. No try hide dem o wat dey do.

⁹ You gotta kill dem fo shua. You gotta throw da firs stone fo kill um, an den all da odda peopo do da same ting.

¹⁰ Throw stone at dem fo kill um cuz dey try turn you guys away from yoa God, Da One In Charge, dat wen bring you guys outa Egypt, wea you guys was slaves.

¹¹ Den all da Israel peopo goin hear bout um an come sked, an nobody from you guys goin do dat kine bad ting one mo time.

¹² Maybe you goin hear, dat inside one a da towns dat God, Da One In Charge, goin give you guys fo live dea,

¹³ get some no good guys from yoa peopo, dat stay try turn da peopo from dat town away from Da One In Charge to odda gods. Dey tell, "Us go down in front odda gods an show respeck fo dem." But you guys neva know dose gods befo time.

¹⁴ If you guys hear dat, den you guys gotta check um out good, fo find out fo shua if eryting dass stay happen stay true. If az true an you guys know fo shua dat dey awready do dis pilau kine ting inside yoa land,

¹⁵ den you guys gotta kill all da peopo inside dat town wit yoa swords. Wipe um all out, da peopo an da animals, jalike dey one sacrifice dat stay foeva ony fo me, Da One In Charge.

¹⁶ Bring all dea stuffs an put um all inside da middo a da town. Den burn up da whole town an all da stuffs. Az goin be jalike one sacrifice dass ony

fo yoa God, Da One In Charge. Da town goin stay one rubbish pile foeva. Nobody goin build dea one mo time.

¹⁷ You guys betta not carry away notting from dat town dat you was suppose to wipe out fo God. So den, God, Da One In Charge, no goin stay huhu no moa. He goin show pity fo you guys, an give you chance, an he goin make you guys come mo plenny peopo, jalike he wen make one strong promise to yoa ancestas fo do.

¹⁸ Yoa God Da One In Charge goin do all dis wen you guys lissen him, an do eryting he tell you guys fo do, dat I stay tell you guys today, fo do wass right da way God see um.

14

No Copy Odda Peopos Funeral Ceremony

¹ ✧ You guys da peopo fo yoa God, Da One In Charge. So no go cut yoa body o shave da front a yoa head wen somebody mahke jalike odda peopos do.

² ✧ Cuz you guys one peopo dat stay spesho fo yoa God, Da One In Charge. He wen pick you guys from all da peopos on top da earth fo come his spesho peopo dat stay ony fo him.

Food Dat Make Um Fo You No Come In Front God

³ No eat pilau kine stuff, notting.

⁴ Dis da kine animals you guys can eat: cows, sheeps, an goats,

⁶ You guys can eat any kine animal dat get split in da hoof all da way, an dat chew da food ova an ova.

⁷ But from da animals dat no mo split in da hoof all da way, no matta dey chew da food ova an ova, you guys no can eat da camel, da rabbit, o da rock badger. No matta dey chew da food ova an ova, dey no mo da split in da hoof all da way, fo dem make um so you guys no can come in front God if you eat um.

⁸ Same ting fo da pig: you guys no can come in front God if you eat um, even if get split in da hoof all da way, cuz da pig no chew da food ova an ova. You guys no can eat dea meat o touch dea body wen dey mahke.

⁹ From all da animals stay living inside da watta, you guys can eat wateva animal get fins an scales.

¹⁰ But wateva animal dat no mo fins o scales, you guys no can eat um, cuz dey make um so you guys no can come in front God.

¹¹ You guys can eat any kine bird dat no make um so you guys no can come in front God.

¹² But dis kine bird, you guys no can eat: da eagle, da scavenja bird, da fish eagle,

¹³ da kite, da hawk, an any kine falcon bird,

¹⁴ all kine raven bird,

¹⁵ da ostrich, da nite hawk, da seagull,

¹⁶ da small owl, da big owl, da white owl,

¹⁷ da pelican, da odda kine scavenja bird, da cormorant,

¹⁸ da stork, any kine heron, da hoopoe bird, an da bat.

¹⁹ All da bugs dat fly togedda make um so you guys no can come in front God. No eat um.

²⁰ But odda kine bugs dat get wings you guys can eat. Dat no make um so you no can come in front God.

²¹ ✧ No eat notting dat you guys find dat awready stay mahke. You guys can give um to one guy from anodda place dat live inside yoa town, o sell um to one guy from anodda place dat go thru yoa town, an fo dem eat um. But you guys stay spesho fo yoa God, Da One In Charge. Az why you no can eat um.

Wen you guys cook one young goat, no boil um wit da muddah milk.

Da Ten Percent Fo God

²³ Take da ten percent a yoa wheat an barley, yoa new wine, yoa olive oil, an da firs one fo born from yoa cows, sheeps, an goats, to da place yoa God goin pick fo put his name dea. Eat um dea in front Da One In Charge. Dass how you guys goin learn fo get respeck fo God all da time.

²⁴ But maybe dat place Da One In Charge goin pick stay too far, an he wen do plenny good kine stuff fo you guys ova dea. So maybe you no can carry all da stuff to da place Da One In Charge goin pick fo put his name dea.

²⁵ Den change da ten percent a yoa stuff dat stay da property a God fo silva. Take da silva an go da place God pick.

²⁶ Use da silva fo buy wateva you like: cows, sheeps, wine o beer, o anything you like. Den you an yoa ohana goin eat um ova dea, an stay good inside in front yoa God.

²⁷ Make shua you guys no foget da Levi ohana peopo dat stay inside yoa towns, cuz dey no mo land o odda property from Da One In Charge.

²⁸ Afta ery three year, take all da ten percent from da food you guys grow inside yoa field dat year, an put um inside da store house inside yoa towns.

²⁹ Dass fo da Levi ohana peopo dat no mo land o odda property from Da One In Charge, an fo da peopo from anodda place, an fo da kids dat no mo faddah o muddah, an fo da wahines dat no mo husban, dat live inside yoa town. Dass wea fo dem come an get plenny fo eat. Den yoa God, Da One In Charge, goin do plenny good stuff fo you guys, wateva you start fo do.

15

Da Year Fo Let Um Go An Foget Bout Wat Somebody Owe You

¹ Afta ery seven year, wateva peopo owe you, you guys gotta let um go an no make dem pay you back.

² Dis how you goin do um. Erybody gotta let go an foget bout wat dey wen lend to anodda Israel guy. Dey no goin tell da odda Israel guy fo pay back wat dey owe, cuz az jalike dea braddah, you know, an az da time wen Da One In Charge tell erybody fo no go afta wat dey owe you.

³ You guys can tell one guy from anodda place fo pay you back, but you gotta let go an foget bout wateva yoa Israel braddah owe you.

⁴ No goin get peopo dat no mo notting wit you guys. Cuz inside da land dat yoa God, Da One In Charge, stay give you guys cuz you his kids, he goin do plenny good kine stuff fo you guys.

You guys goin let plenny peopos borrow stuff from you, but you guys no need borrow stuff from nobody. You guys goin loan money to plenny peopos, but you no goin need odda peopo fo loan money to you guys.

⁷ ✧If get braddahs o sistahs dat no mo notting inside yoa towns, inside da land dat yoa God, Da One In Charge, stay give you guys, mo betta get one good heart an no come stingy bout dem.

⁵ Den go take da guy o da wahine dat do dis bad kine ting outside da gate fo da town, an erybody throw stone at dem fo kill um.

⁶ ✨If get two o three peopo wen see wat happen tell da same ting, den stay true fo real kine, an you guys gotta kill da guy o da wahine. But you no can kill one guy o one wahine if ony one guy tell dat he wen see dem do someting bad.

¹² Whoeva ack jalike dey no give a rip wat da main local leada guy o da pries guy tell um fo do, gotta kill um, cuz dey no lissen. Cuz da local leada guy an da pries guy work fo yoa God, Da One In Charge. You guys gotta throw out da bad kine stuff from da Israel land.

¹³ Den all da peopo goin hear bout dat an come sked, an dey goin make shua fo lissen da local leada guy o da pries guy nex time.

Da King

¹⁴ Da time goin come fo you guys go inside da land dat yoa God, Da One In Charge, stay give you, fo take ova an live dea. Bumbye you guys goin tink, “We like get one king fo stay in charge a us guys, jalike all da odda peopos aroun us get.”

¹⁵ If you tink lidat, make shua you guys make king, ony da guy dat yoa God, Da One In Charge, pick. He gotta be one a yoa braddah guys. No go pick one guy from some odda place dat not one Israel guy.

¹⁶ ✨No foget: da king no can get plenny horses ony fo him, o make da peopo go back Egypt side fo get mo horses. Cuz Da One In Charge, he wen tell you guys, “No go back Egypt side no moa!”

¹⁷ ✨Da king betta not get plenny wives, cuz dey goin make him turn away from Da One In Charge. He betta not pile up plenny silva an gold.

✨ **17:3** 17:3: Outa 22:20 ✨ **17:6** 17:6: Census 35:30; Rules2 19:15; Matt 18:16; 2Cor 13:1; 1Tim 5:19; Heb 10:28 ✨ **17:7** 17:7: 1Cor 5:13 ✨ **17:16** 17:16: 1Kings 10:28; 2Rec 1:16; 9:28 ✨ **17:17** 17:17: a: 1Kings 11:1-8; b: 1Kings 10:14-22, 27; 2Rec 1:15; 9:27

¹⁸ Wen he come king, he gotta make one copy a all dese rules fo him read. He goin make da copy on top one roll up kine book, from da copy da pries guys get, from da Levi ohana.

¹⁹ Dat book goin stay wit him, an he gotta read da rules ery day he stay alive. Dass how he goin learn fo get awesome respeck fo his God, an make shua he do eryting Da One In Charge tell um he suppose to do.

²⁰ If he stay read um an do wat da rules tell, den he no goin tink he mo betta den da odda Israel guys, an he no goin turn away from wat God tell um fo do even litto bit to da right side o da lef side. Den him an da ones dat goin come from him goin stay king ova da Israel peopo long time.

Wat Da Pries Guys An Da Levi Ohana Guys Get

(Matthew 17:5; Mark 9:7; Luke 9:35; Jesus Guys 3:22-23; 7:37)

¹ Da pries guys, from da Levi ohana guys, all da Levi ohana peopos, no goin get land an odda property from Da One In Charge, da way da odda Israel peopo get um. Da Levi ohana peopo goin eat da meat from da sacrifices da Israel peopo make wit fire fo Da One In Charge. Dass da kine property dey goin get.

² ☆Cuz dey no goin get land from Da One In Charge jalike dea braddah guys. Wat dey goin get, az da right fo be da pries guys fo Da One In Charge, jalike he wen make one promise to dem.

³ Dis wat da pries guys get da right fo get from da peopo: Weneva da peopo make one sacrifice wit cows o sheeps o goats, dey give da pries guys da shoul da meat, da jaw meat, an da parts inside da opu.

⁴ You guys goin give dem da firs wheat an barley dat you harves, da new wine, da firs olive oil dat you press, an da firs wool from yoa sheeps wen you cut um.

⁵ Az cuz yoa God, Da One In Charge, wen pick all da guys dat come from Levi outa all da odda Israel ohanas. He pick um fo stan in front Da One In Charge an make religious kine ceremonies fo him foeva.

⁶ If get one Levi guy dat live inside one Israel town get da right fo move house to da place dat God goin pick, cuz da Levi guy fo real kine like work dea fo Da One In Charge.

⁷ He can do work dea cuz his God, Da One In Charge, give him da right fo do dat, jalike all da Levi ohana guys ova dea dat work in front Da One In Charge.

⁸ He goin get da same food wit dem fo eat from wat da peopo bring fo da Levi ohana guys. Az okay fo him get silva fo sell stuff dat stay da property a his ohana.

Pilau Kine Stuff Dat Da One In Charge Hate

⁹ Wen you guys go inside da land dat yoa God, Da One In Charge, stay give you guys, no do da kine pilau stuff dat da peopos dat live ova dea do, cuz Da One In Charge hate dat.

¹⁰ ☆No good if even one a you guys throw yoa boy o girl inside da fire fo make one sacrifice. No go find out from da spirits wat goin happen

bumbye. No come one fortune tella guy. No tink da tings you see az one sign fo you tell peopo wass goin happen. No put kahuna on nobody.

¹¹ ✧ No hang out wit da guys dat use spesho kine words fo make um so odda peopo no can do notting. No try talk to da spirits, o da guys dat get secret kine powa, o dat aks da mahke guys wass goin happen.

¹² Somebody make lidat, az pilau, da way Da One In Charge see um. Da odda peopos make lidat, az why yoa God, Da One In Charge, goin push dem outa dea land in front you guys.

¹³ ✧ Still yet, you guys gotta be perfeck, no mo blame fo notting, da way you gotta be wit yoa God, Da One In Charge.

Da Guy Dat Goin Talk Fo God

¹⁴ Da peopo you guys goin push out, dey lissen da fortune tella guys fo try find out from da spirits wat goin happen. But yoa God, Da One In Charge, no let you guys make lidat.

¹⁵ ✧ But yoa God, Da One In Charge, goin bring one guy from yoa peopo dat talk fo him to you guys, jalike me. Him, da one you guys betta lissen.

¹⁶ Cuz az wat you guys wen aks yoa God, Da One In Charge, fo do, dat time Mount Sinai side wen you guys stay all togedda. You guys wen tell, "No let us hear da voice from oua God, Da One In Charge, o no let us see dis big fire no moa! Bumbye us goin mahke!"

¹⁷ Wen dey tell dat, Da One In Charge tell me, Moses, "Wat dey tell stay good.

¹⁸ I goin bring one guy from yoa peopo, dat talk fo me to da Israel peopo, jalike you, Moses. I goin tell dat guy wat fo tell, an he goin tell dem eryting I tell him.

¹⁹ ✧ If no mo nobody like lissen wat da guy dat talk fo me tell cuz he my guy, I goin poin finga dat guy.

²⁰ But any odda guy dat tell he stay talk fo me, but tell dem stuff dat I neva tell him fo tell, o any guy dat talk fo odda gods, you guys gotta kill dem."

²¹ Maybe you guys goin tink, "How us guys can know if one guy tell he talk fo Da One In Charge, but az not wat Da One In Charge tell um fo tell dat?"

²² If one talka guy tell dat he talk fo Da One In Charge, but wat he tell no happen, den az neva come from Da One In Charge. Dat talka guy ack big head, but he neva lissen up real good wat Da One In Charge tell fo real kine. No come sked a him.

19

Towns Fo Run Away Dea

¹ ✧ Yoa God Da One In Charge goin wipe out da peopos dat live inside da land he stay give you guys. Wen you guys kick dem out an live inside dea towns an houses,

² den you guys gotta pick three towns in da middo a da land yoa God, Da One In Charge, stay give you guys fo take um ova.

³ Build roads fo go dea, an split da land in three districk. Dass da land yoa God, Da One In Charge, stay give you guys fo come yoa property. Make three districk wit one spesho town inside all dem. Az so dat whoeva kill somebody, okay fo dem run away dea.

⁴ Dis da rule fo whoeva kill somebody an go dose spesho towns fo run away fo stay alive. If da guy neva make plan befo time fo kill da odda guy, den okay fo him run away ova dea inside da spesho town, an nobody get da right fo kill um ova dea.

⁵ Jalike if somebody go inside one place wit his fren fo cut one tree fo wood, an wen he swing da ax fo cut down da tree, da head fly off an kill his fren. Dat kine guy can run to one a dese spesho towns wea somebody can go if dey wen kill somebody but neva make plan fo kill um befo time, an no mo nobody get da right fo go kill um inside dat town.

⁶ But if ony get one town, den maybe one ohana guy dat get da right fo pay um back goin come huhu an chase um. An if da spesho town stay too far, maybe he catch um up an kill um befo he reach da spesho town. Dat can happen no matta da guy dat run away no mo da blame fo kill da odda guy, cuz he neva hate da guy befo time.

⁷ Az why I stay tell you guys fo pick three towns fo dat.

⁸ Bumbye, yoa God, Da One In Charge, goin give you guys mo plenny land, jalike he wen make one strong promise to yoa ancesta guys, an he goin give you guys da whole land dat he wen promise dem.

⁹ Den, you guys gotta make shua you do eryting how da rules tell you guys fo do—da rules I tell you today: love yoa God, Da One In Charge. An you gotta live erytime da way he like. Den wen he give you guys da land, you gotta pick da three spesho towns.

¹⁰ Do dat fo make shua you guys no goin kill somebody dat neva do notting bad inside da land dat yoa God, Da One In Charge, stay give you guys fo come yoa property. Cuz if you guys go kill somebody dat neva do notting bad, den goin be you dat goin get da blame fo kill dem.

¹¹ But if somebody hate anodda guy, an wait fo him fo jump him, bus um up, an kill um, an den da killa guy run to one a dose towns,

¹² da older leadas from his town goin sen peopo fo bring da guy back from da spesho City A Refuge town, an give him to da one from da mahke guy ohana dat get da right fo kill him cuz he gotta mahke.

¹³ No show him pity notting. You guys gotta hemo da blame from da Israel peopo fo kill somebody dat neva do notting wrong fo eryting go good fo you guys.

¹⁴ ☆Wen you guys go inside da land dat yoa God, Da One In Charge, stay give you guys fo take ova fo come yoa property, no go move da stone dat show wea da land stay fo da guy dat live nea you. Da peopo dat wen stay dea befo you guys wen put dat stone dea.

Peopo Dat Tell Wat Dey Wen See

¹⁵ ☆If ony get one guy dat see someting happen, dass not enuff fo tell dat somebody wen do someting bad o do someting wrong. Ony can show proof wit two o three peopo dat see um do um.

¹⁶ If one bad guy poin finga anodda guy fo tell dat he wen see um do someting wrong, but he bulai,

¹⁷ den da two guys dat make argue wit each odda gotta stan in front Da One In Charge an da prieses an da guys dat get da kuleana fo judge da peopo dat time.

¹⁸ Da judges gotta aks plenny question an check out eryting real good fo find out if da guy stay bulai. If da guy bulai bout his braddah,

☆ **19:14** 19:14: Rules2 27:17 ☆ **19:15** 19:15: Census 35:9-34; Rules2 17:6; Matt 18:16; John 8:17; 1Cor 5:13; 2Cor 13:1; 1Tim 5:19; Heb 10:28

¹⁹ den you guys gotta make to da bulaia guy jalike how he wen make to his braddah. You guys gotta throw out da real bad kine stuff from you guys.

²⁰ Den da odda peopo goin hear bout dat, an come sked, an no do dis kine bad kine ting no mo, eva.

²¹ ✧No show pity fo dat kine guy! Gotta be one life fo anodda life, one eye fo anodda eye, one tooth fo anodda tooth, one hand fo anodda hand, one foot fo anodda foot.

20

Fighting One War

¹ Wen you guys go fight one war wit da peopo dat stay agains you, an you see dey get horses an war wagons, an one army wit mo plenny guys den you get, no sked dem. Cuz yoa God, Da One In Charge, he goin stay wit you guys. He da One wen bring you guys hea from Egypt.

² Wen you guys almos ready fo fight dem, da pries guy goin come in front yoa army guys fo talk.

³ He goin tell, "Lissen you Israel guys! Today you guys stay ready fo go fight da peopo dat stay agains you. No lose fight. No sked dem. No come sked an shaking cuz a dem.

⁴ Cuz yoa God, Da One In Charge, he da One go wit you guys an fight fo you guys. He goin fight da peopo dat stay agains you guys. Az how you guys goin win ova dem."

⁵ Den da main army officers goin tell da army guys, "Anybody hea jus wen build one house, an no make party fo start fo live inside still yet? Okay fo dem go home, cuz if dey mahke bumbye wen dey fight, den some odda guy goin start fo live inside dat house.

⁶ Get anybody hea dat jus wen plant one grape farm, an no harves da grapes yet? Okay fo dem go home, cuz if dey mahke wen dey fight, den some odda guy goin harves da grapes.

⁷ Get anybody hea dat wen make one promise to one wahine dat he goin marry her, but neva marry her still yet? He can go home, cuz if he mahke wen he fight, den some odda guy goin marry her."

⁸ Den da army leadas goin tell da army guys dis too, "Anybody hea dat stay lose fight an donno how fo make up his mind, he can go home, cuz bumbye his braddah guys goin lose fight jalike him."

⁹ Wen da main army officers pau tell da guys all dis, dey goin put main army leadas fo da war in charge a da army guys.

¹⁰ Wen you go up fo fight in one big town, firs ting tell da peopo dea you no like fight. Try make one deal wit dem fo no go fight wit dem.

¹¹ Den if dey tell az good wat you tell, an dey open da gates fo da town, den you goin make all da peopo dea work fo you guys.

¹² But if dey tell dey no like wat you tell dem, an like fight you guys, den put army guys all aroun da town fo nobody go inside o come outside.

¹³ Wen yoa God, Da One In Charge, give dem to you guys, kill all da guys ova dea wit swords.

¹⁴ Az okay fo you guys take da wahines, da kids, da animals, an all da odda stuff inside da town fo you use um. Az how yoa God, Da One In Charge, tell you guys fo make to da guys dat stay agains you.

¹⁵ Az okay fo you guys make lidat to all da towns dat stay far from you guys. But mo betta no do um fo da towns nea you guys.

¹⁶ Inside da towns a da peopos dat stay live nea you guys, dat yoa God, Da One In Charge, stay give you guys fo come yoa property, no leave nobody alive, not even da animals.

¹⁷ You guys gotta wipe um all out, jalike you make one big sacrifice fo Da One In Charge—da Het peopo, da Amor peopo, da Canaan peopo, da Periz peopo, da Hiv peopo, an da Jebus peopo, jalike yoa God, Da One In Charge, wen tell you guys fo do.

¹⁸ If you no wipe um out lidat, bumbye dey goin teach you guys fo do da same kine real pilau kine stuff dey do wen dey go down in front dea gods. You goin do bad kine stuff agains yoa God, Da One In Charge.

¹⁹ Wen you guys put yoa army guys all aroun one town fo long time fo you take um ova, no cut down dea trees wit one ax, cuz you guys can eat da fruit from da trees. Eh! Da trees, dey not peopo, you know, dat you guys gotta fight dem.

²⁰ Da ony kine trees you guys can cut down, dey da trees dat you know no give fruit. Cuz den you guys can use da wood fo make laddas an towas fo go up ova da top a dea big town wall, till you make um give up.

21

Wat Fo Do Wen You Donno Who Wen Kill Somebody

(Rome 5:11)

¹ If you find somebody dat stay mahke awready dat stay inside one field inside da land dat yoa God, Da One In Charge, stay give you guys fo take ova, an nobody know who wen kill um,

² den yoa older leadas an judges goin go out an measure how far da body stay to da towns dat stay nea da body.

³ Den da older leadas from da town dat stay mo nea goin take one young girl cow dat neva work yet, an no wear one yoke yet.

⁴ Den take um inside one valley dat nobody wen plow o plant, an dat get one stream dat run all da time. Inside dat valley dey goin broke da young cow neck.

⁵ Den da pries guys from da Levi ohana goin come in front. Az cuz yoa God, Da One In Charge, wen pick dem fo work fo him. An he pick um fo tell Da One In Charge dey like he do good stuff fo da peopo cuz dey Da One In Charge guys. An he pick um too fo figga out wass right an wass wrong wen peopo make argue o bus up each odda.

⁶ Den all da older leadas from da mos nea town wea da guy wen mahke goin wash dea hands ova da young cow, da one dat dey broke da neck, inside da valley nea da town,

⁷ an dey goin talk fo dea peopo, an tell, “Us guys neva make dis guy bleed an mahke, an we neva see wat wen happen.

⁸ Eh! Da One In Charge, try take wat we do an let yoa Israel peopo go an let dem stay pono wit you. You wen pay da price fo hemo da blame from dem. Try no poin finga dem cuz somebody wen murda dis guy dat neva do notting wrong.”

⁹ Az how you guys goin come clean from da blame fo murda dis guy dat neva do notting wrong, cuz you guys wen do wat stay right da way Da One In Charge see you guys.

Marrying One War Prisonsa Wahine

¹⁰ Goin get one time wen you guys go fight one war agains da peopo dat stay agains you guys, an yoa God, Da One In Charge, let you guys win ova dem, an you guys make some a dem prisonas.

¹¹ Den if you see one a dem dass one good looking wahine, an you like her, you can take her fo come yoa wife.

¹² Bring her inside yoa house, an tell her fo cut off all her hair fo show eryting goin be diffren now, an cut her finganails,

¹⁴ But if you no like her, you can let her go. She can go wea eva she like. But you no can sell her o make her jalike she one slave, cuz you wen make her come shame awready.

Da Numba One Boy Get Rights

¹⁵ If one guy get two wifes, an he get love fo one but not fo da odda, an da two wifes born boys fo him, but da firs boy come from da wife he no love,

¹⁶ den wen he make one will fo give his land to his boys, he no can give mo plenny land to da boy from da wife he love, but not to da boy dat born firs dat come from da wife he no love. Cuz da boy dat born firs from da wife he no love get da right fo own mo land den da odda one.

¹⁷ He gotta make shua dat da boy dat come from da wife he no love, an he da one wen born firs, his faddah gotta give him double da stuff he give da odda boy. Cuz goin be da firs boy dat show how strong his faddah stay. Dass why he get da rights cuz he da firs one fo born.

Good Tings Goin Happen To Peopo Dat Lissen Da One In Charge

1 ✧ Moses tell: “If you guys lissen fo real kine to oua God, Da One In Charge, an make shua you do eryting I stay tell you today fo do, den he goin make you guys come mo importan den all da odda peopos on top da earth.

2 All dis good kine stuff goin come by you guys, an stay wit you guys, if you lissen yoa God, Da One In Charge.

3 He goin make good kine stuff happen fo you guys inside da towns an all ova outside da country side.

4 Good kine stuff goin happen to yoa kids, da food you grow, da bebes from yoa animals—da bebe cows an bebe sheeps.

5 Good kine stuff goin happen wen you harves yoa food fo make yoa bread.

6 Good kine stuff goin happen wen you come inside an go outside.

7 “Da One In Charge goin make you guys win ova da guys dat stay agains you guys, wen dey come fo attack you. Dey goin come fo you guys from one side, but dey goin run away to seven places wen you chase um.

8 “Yoa God Da One In Charge goin make good tings happen inside yoa store house, an fo eryting you guys do. He goin make good tings happen all ova da land he stay give you guys.

9 “Da One In Charge goin do jalike he wen make one strong promise fo do—he goin make you guys come da peopo dat stay spesho fo him, if you guys make shua you stick wit his rules an live da way he tell you fo live.

10 Den all da diffren peopos on top da earth goin see dat Da One In Charge own you guys, an dey goin stay sked a you guys.

11 Da One In Charge goin make eryting go good fo you guys, yoa kids, da bebes from yoa animals, an da food you grow from yoa groun. Dass wat he goin do inside da land he wen make one strong promise to yoa ancestas dat he goin give um to you guys.

12 “Da One In Charge goin open up da sky wea he keep plenny good stuffs, fo sen rain on top yoa land da right time, an fo make eryting you guys do go good. Plenny peopos goin borrow stuff from you, but you guys no goin need borrow from nobody.

13 Da One In Charge garans goin make you guys come mo betta den erybody. No mo nobody goin be mo betta den you. If you guys lissen wat yoa God, Da One In Charge, tell you fo do, jalike I stay tell you guys today fo do, make shua you do um. Den you guys erytime goin be da winna, not da looza.

14 No tell ‘Laytas’ to all dis stuff I stay tell you guys today fo do, an no even go litto bit on da right side o da lef side, an no follow odda gods an work fo dem.

Bad Tings Goin Happen If You Guys No Lissen (Prieses 26:14-46)

15 "But all da kahuna goin go on top you guys, if you guys no lissen wat yoa God, dass Da One In Charge, tell, if you no make shua you stick wit all da stuff an da rules I tell you guys today fo do. If you no do um, den all dis kahuna goin come on top you guys an make you guys lose fight.

16 "God goin put kahuna on top you guys inside da towns an outside da towns.

17 "God goin put kahuna on top you guys wen you get food an make yoa bread.

18 "God goin put kahuna on top you guys wen you born kids, wen you harves da food you grow, an wen yoa cows an sheeps born babes.

19 "God goin put kahuna on top you guys wen you come inside an wen you go outside.

20 "Da One In Charge goin bring bad kine stuff on top you guys cuz you get kahuna on top you. Az why you goin come all hamajang, an peopo goin tell you guys dat you wrong no matta wat you guys do. Az how you guys goin come wipe out real fas, if you guys do bad kine stuff an go way from Da One In Charge.

21 "Da One In Charge goin make you guys come real sick till he wipe out all you guys from da land wea you wen come to fo take um ova.

22 He goin give you guys one real bad kine sick. You guys goin get high fever an swell up. He goin make da land real hot, an no mo rain. He goin make da plants dry up from da sick an from mildew. Da sick goin stay till you guys mahke.

23 "Da sky ova yoa head goin come dry jalike bronze metal, da groun unda yoa feets goin come real hard jalike iron.

24 Da One In Charge goin make da rain come down dry jalike dus an jalike powda. Goin come down from da sky till you guys all come wipe out.

25 "Da One In Charge goin make da peopo dat stay agains you guys win ova you. You goin go fo attack dem from one place, but run away from dem to seven places. Peopo in all da diffren countries on top da earth goin come bum out wen dey tink bout you guys.

26 Wen you guys mahke, yoa mahke bodies goin come food fo all da birds inside da sky an da animals on top da earth, an no mo nobody goin chase um fo dem go way.

27 Da One In Charge goin give you guys boils jalike he wen do to da Egypt peopo. He goin give you bad kine lumps, bad kine sores, an da itch. An no mo nobody can make um come mo betta.

28 He goin make you guys come pupule. No ways you goin see, an you goin come all hamajang an no can tink.

29 Even noon time, you guys goin feel aroun fo go some place, jalike one guy dat no can see notting cuz fo him, eryting stay dark. Eryting goin go bad fo you guys. Fo shua, erytime peopo goin give you guys hard time, an steal yoa stuffs. No mo nobody goin help you guys.

30 "If you make one promise fo marry one wahine, anodda guy goin take her an rape her. If you go build one house, you no goin live inside um. If you plant one grape farm, you no goin start fo eat um an feel good bout um.

31 Da guys dat take ova yoa land goin kill yoa cows in front you, but you no goin eat da meat. Dey goin make you give up yoa donkeys, but dey no goin bring um back. Dey goin give yoa sheeps an goats to da peopo dat stay agains you guys, an no mo nobody goin bring um back fo you.

³² You goin see da guys dat stay agains you give yoa boys an yoa girls to anodda peopo fo come slaves, an you goin come tired ery day cuz you goin look fo dem come back, but you no can do notting.

³³ One peopo dat you donno goin eat da food from yoa land dat you wen work hard fo grow. You guys no goin get notting fo keep, you ony goin get hard time erytime.

³⁴ Wat you guys goin see goin make you guys come pupule.

³⁵ Da One In Charge goin make yoa knees an legs get boils dat come real sore, an no mo nobody can make um come good. Dey goin go from unda yoa feets to da top a yoa head.

³⁶ “Da One In Charge goin make you an da king you wen put ova you go by anodda nation dat you guys an yoa ancestas neva know befo time. Ova dea, you guys goin go down in front odda gods dat peopo make from wood an stone.

³⁷ All da peopos ova dea wea Da One In Charge make you guys go, dey goin tink you guys horraz cuz a wat wen happen to you. Dey goin talk bout you guys fo make dea peopo tink plenny, an dey goin make fun a you guys.

³⁸ “You guys goin take plenny seeds fo plant inside yoa field, but you ony goin harves litto bit food cuz da locust kine grasshoppas goin eat um up.

³⁹ You guys goin plant grape farms an take kea um, but you no goin bring in da grapes o drink da wine cuz da worms goin eat um.

⁴⁰ You guys goin get olive trees all ova yoa land, but you no goin use da olive oil cuz da olives goin fall down from da trees.

⁴¹ You guys goin get boys an girls, but you no goin keep dem fo stay wit you guys cuz odda peopo goin make dem prisonas an take dem away.

⁴² Plenny crickets goin take ova all yoa trees an eat da food from yoa land.

⁴³ “Da peopo from anodda place dat live wit you guys goin come da bosses ova you guys mo an moa, an you guys goin come not importan mo an moa.

⁴⁴ Dey goin let you guys borrow stuff from dem, but dey no need borrow stuff from you. Dey goin be jalike da head, an you guys goin be jalike da tail.

⁴⁵ “All dis bad kine stuff goin come on top you guys cuz you get kahuna on top you. Goin be jalike da bad kine stuff chase you guys, an take ova you guys, till you guys come wipe out. Az cuz you guys no like lissen yoa God, Da One In Charge, an you no stick wit da rules an da stuff he tell you guys you gotta do.

⁴⁶ Da horraz stuff dass goin come goin be one sign from God fo show you guys an yoa kids wat can happen bumbye.

⁴⁷ All dat goin happen cuz you guys no stay real good inside wen you work fo yoa God, Da One In Charge, an even wen eryting was plenny good fo you guys.

⁴⁸ So den you guys goin work fo da peopo dat stay agains you guys, not fo Da One In Charge. He goin sen dem agains you guys, an you goin get notting fo eat, an come thirsty, an no goin get clotheses notting. Jalike he goin put one iron yoke on top yoa neck, till he wipe out you guys.

⁴⁹ “Da One In Charge goin bring one peopo agains you guys from one far place, from da mos far part a da earth. Dey goin come real quick, jalike one eagle dat dive down real fas fo grab one small animal. You no goin undastan dea language.

⁵⁰ You guys goin come sked wen you see dem cuz dey look real skery. Dey no mo respeck fo da ol peopo, an dey no goin be nice to da young guys.

⁵¹ Dey goin eat all yoa bebe animals an da food dat you guys wen plant, till dey wipe out you guys. Dey no goin leave you guys wheat o barley, new wine, new olive oil, bebe cows, o bebe sheeps. Dey goin wipe you guys out till you no mo notting!

⁵² Dey goin put army guys all aroun da big towns inside yoa land, fo nobody go inside o come outside, till da tall strong walls aroun da towns fall down, da ones you guys wen trus fo help you. Dey goin put dea army guys aroun all da towns inside da land dat yoa God, Da One In Charge, stay give you guys.

⁵³ “Cuz a dat, you even goin eat yoa kids—da meat from da bodies a yoa boys an girls dat yoa God, Da One In Charge, wen give you guys. Cuz da peopo dat stay agains you guys goin put dea army guys all aroun you guys, an you guys goin suffa plenny.

⁵⁴ Even da mos easy an nice guy wit you guys dat get plenny aloha, he goin come greedy an no share food even wit his braddah o his wife dat he love, an his kids dat stay still yet.

⁵⁵ He no goin give even one a dem da meat from his mahke kids fo eat, da one he stay eat. Az goin be all he get, cuz da peopo dat hate you guys goin make you guys suffa plenny, wen dey put army guys aroun all yoa big towns.

⁵⁶ ✧Tink bout da mos easy an nice wahine dat stay wit you guys. Her da one dat get plenny aloha, an she no even let da bottom a her feets touch da groun. Even dat one goin go agains her husban dat she love, o her boys an girls.

⁵⁷ She goin eat even da stuff dat come out afta she born one bebe! She goin eat her bebe dat she born too! She goin eat um so nobody know. Az cuz da peopo dat stay agains you guys goin make you suffa plenny, wen dey put army guys all aroun yoa big towns.

⁵⁸ “If you guys no make shua fo do eryting dat stay write down inside dis book, an if you no show respeck fo da good rep Da One In Charge get,

⁵⁹ he goin sen one real bad kine sick fo punish you guys an yoa kids. You goin get one real long hard time, an one real bad kine sick dat goin stay long time.

⁶⁰ He goin bring all da diffren kine sick dat he wen bring to da Egypt peopo on top you guys, da kine dat you guys stay sked um, an dey goin stick wit you guys.

⁶¹ Da One In Charge goin bring all kine sick an hard time too, da kine stuff dat dis book wit da rules no even tell bout, till you guys come wipe out.

⁶² You guys was real plenny peopo, jalike da stars inside da sky, but you guys goin come ony litto bit peopo, cuz you neva lissen yoa God, Da One In Charge.

⁶³ Jalike Da One In Charge stay good inside befo time, wen he wen make eryting come good fo you guys, an make you guys come plenny peopo. But bumbye he goin come good inside wen he wipe you guys out. He goin take you guys outa da land dat you goin go inside now fo take um ova.

⁶⁴ “Den Da One In Charge goin make you guys go all ova wea diffren peopos stay, from one side a da world to da odda side. Wen you go dea,

you guys goin go down in front odda gods, da kine gods dey make from wood an stone. You guys an yoa ancestas neva know dat kine gods befo time.

⁶⁵ Ova dea wit dose peopos you guys no can res. You no goin find one place fo res da bottom a yoa feets. Da One In Charge goin make you guys stay all bodda inside! Yoa eyes no goin see good cuz you wait long time, an you goin lose fight.

⁶⁶ You guys erytime donno wat goin happen. You goin stay sked nite time an day time. You no goin know fo shua if you goin stay alive.

⁶⁷ Morning time you guys goin tell, 'I like nite time fo come!' Nite time you guys goin tell, 'I like morning time fo come!' Cuz you guys stay real sked inside, an you goin see real bad kine stuff happen.

⁶⁸ Da One In Charge goin sen you guys back Egypt side inside boats wit sail, no matta I wen tell you guys dat you no goin go dat way one mo time, eva. Ova dea you guys an wahines goin try fo make da peopo dat stay agains you guys buy you fo come dea slaves. But nobody goin like buy you guys."

¹ All dis, az wat da deal tell, dat Da One In Charge tell Moses fo make wit da Israel peopo Moab side, an da deal he wen make wit dem befo, Mount Sinai side.

Dey Make Da Deal One Mo Time

(Rome 11:8; Hebrews 10:6-8)

²⁻³ Den layta, Moses tell all da Israel peopo fo come, an he tell dem:

"You guys wen see all wat Da One In Charge do to Pharaoh Egypt side, to all Pharaoh leada guys, an all his peopo an land. You guys wen see all da bad kine stuff dat come on top dem, an all da awesome kine stuff he do fo show who him.

⁴ But still yet today Da One In Charge no give you da eyes fo see, o da ears fo hear. Az why you guys no undastan all dat."

⁵ Moses tell dat Da One In Charge tell, "All da time fo forty year dat me Da One In Charge wen lead you guys inside da boonies, yoa clotheses an yoa slippas neva come boros.

⁶ You guys neva eat bread, but I give you guys da manna fo eat, an you neva drink wine o beer. Me, Da One In Charge do all dis so you guys goin know dat me, Da One In Charge, I yoa God fo real kine.

⁷ ✧ "Wen we reach dis place, Sihon da king fo Heshbon, an Og da king fo Bashan an dea peopo come out fo fight wit us, but we fight um an win ova dem.

⁸ ✧ We take dea land an give um to da Reuben ohana, da Gad ohana, an half da Manasseh ohana fo come dea property.

⁹ "Make shua you do eryting dis deal tell you fo do fo eryting come good fo you guys, wateva you stay do.

¹⁰ All you guys stay stan today in front yoa God, Da One In Charge—yoa leadas, da main guys, da older leadas, da officers, an all da odda guys hea from da Israel peopo,

¹¹ yoa kids, yoa wives, da peopo from anodda place dat live inside yoa camp dat chop yoa wood an carry yoa watta.

¹² You guys stay stan hea today cuz you goin take dis deal wit yoa God, Da One In Charge, fo him make um good wit one strong promise.

¹³ He stay make dis deal fo you guys know fo shua dat you guys his peopo, an dat he yoa God, jalike he wen make one promise to you guys an oua ancesta guys, Abraham, Isaac, an Jacob.

¹⁴ Da One In Charge stay make dis deal wit one strong promise, not ony wit you guys

¹⁵ dat stay stan hea wit us today in front oua God, Da One In Charge, but wit da oddas dat no stay hea today.

¹⁶ “You guys know how us wen live inside Egypt, an how us wen pass da odda countries wen we stay come ova hea.

¹⁷ You guys wen see dey had dea pilau idol kine gods dat dey make from wood an stone, silva an gold.

¹⁸ ✨Make shua no mo any guy o wahine, o ohana wit you guys, dat goin tell ‘Laytas’ to oua God, dass Da One In Charge a us. Make shua dey no go down an show respeck to da idol kine gods from dose peopos. Make shua no mo notting wit you guys dat make eryting come pilau.

¹⁹ “Wen dat kine guy hear wat dis strong promise tell, he aks fo good kine stuff fo him from Da One In Charge. Cuz a dat, he tink, ‘I goin be okay, no matta I still yet do wat I like.’ Cuz he tink lidat, God goin wipe out da land dat get watta, an da dry land too.

²⁰ Da One In Charge fo shua no goin let dat kine guy go. Da One In Charge tell ‘Laytas’ to dat kine stuff. All da bad kine stuff dis book tell goin happen to dat kine guy, an Da One In Charge goin hemo his name from unda da sky.

²¹ Da One In Charge goin hemo dat guy from all da ohanas inside da Israel peopo, jalike dis book tell bout all da real bad kine tings dat goin happen to da peopo dat no do all dat da Rules tell inside dis Deal.

²² “Yoa kids dat goin come bumbye, an da peopo from far place goin see all da bad kine stuff dat stay come on top da land, an da kine sick dat Da One In Charge give um.

²³ ✨Da whole land goin stay jalike was burn up from salt an sulfur. Nobody goin plant notting dea. No can make notting grow dea. No mo notting green come up. Goin be jalike wen Sodom an Gomorrah towns wen come wipe out, an wen Da One In Charge bus up Admah an Zeboiim towns cuz he real mad wit dem.

²⁴ All da odda peopos goin aks, ‘How come Da One In Charge do dis to dis land? How come he real huhu?’

²⁵ “An some odda peopo goin tell, ‘Az cuz da peopo dea no like take da Deal dat Da One In Charge, da God fo dea ancesta guys, wen make wit dem wen he bring dem outa Egypt.

²⁶ Dey wen go off an work fo odda gods, an show respeck fo da idol kine gods dey donno befo time, dat God neva give dem da right fo pray to.

²⁷ Az why Da One In Charge stay real huhu wit dis land an da peopo inside. So he bring on top dem all da bad kine stuff he wen tell dem he goin bring. Az cuz dey get kahuna on top um, jalike stay write inside dis book.

²⁸ Da One In Charge stay real huhu, an he no like wat dey stay do. Az why he bring dem outa dea land an throw dem inside anodda land, an dass how dey stay now.’ ”

²⁹ Moses tell: “Get tings dat oua God, Da One In Charge, no show us. He know um, but he no show us guys. But da tings he stay show us, dass da kuleana fo us guys an oua kids foeva. So den us guys gotta follow all da rules he teach us fo do.”

*Afta Da Peopo Turn To Da One In Charge,
Dey Do Good
(Rome 10:6-8)*

¹ “Wen all dis good kine stuff an bad kine stuff dat I put in front you guys, come on top you guys, afta yoa God, Da One In Charge, sen you guys all ova da world fo make you live wit diffren peopos, den maybe you guys goin tink real good ova dea bout wat God wen tell you.

² An wen you an yoa kids come back by yoa God, Da One In Charge, an go all out fo lissen him, jalike I wen tell you guys today fo do,

³ den wen you guys come back, yoa God, Da One In Charge, goin make tings come good one mo time fo you guys, an get love an pity fo you guys. He goin bring you guys back togedda from all da diffren countries he wen sen you guys to.

⁴ Even if God make you guys go one mo far place unda da sky, from dea yoa God, Da One In Charge, goin bring you guys back togedda from ova dea.

⁵ He goin bring you guys back inside da land dat oua ancesta guys own befo time, an you goin take um ova. He goin make good tings happen to you guys, mo den oua ancesta guys, an make you guys come mo plenny peopo den dem.

⁶ Yoa God, Da One In Charge, goin make you an da peopo dat goin come from you bumbye, like come his peopo, jalike he goin put one mark inside you an yoa kids fo show dat you his peopo. Den you guys goin go all out fo show love an aloha fo him fo you live fo real kine.

⁷ Yoa God, Da One In Charge, goin put all dis bad kahuna kine stuff I wen tell you bout, on top da peopo dat hate you guys an stay give you guys hard time.

⁸ But you guys, you goin lissen Da One In Charge one mo time, an do eryting he tell you guys fo do, jalike wat I stay tell you guys today.

⁹ Den Da One In Charge goin make eryting go good fo you guys, wateva you guys stay do, an give you guys plenny kids, an plenny bebe animals, an plenny food dat you guys grow from yoa land. He goin stay feel real good inside one mo time wen he tink bout you guys, an make good tings happen to you guys, jalike he wen feel good inside bout yoa ancesta guys.

¹⁰ He goin do dat wen you guys lissen him, an stick wit his rules an do da tings he tell you gotta do, dat I wen write inside da book wit da rules, afta you guys go all out fo come back by yoa God, Da One In Charge.

*Pick Good Kine Stuff An Live,
O Pick Bad Kine Stuff An Mahke*

¹¹ “Wat I stay tell you guys fo do now, az not too hard fo you guys, an not too far from you guys.

¹² ☆Wat I stay tell you fo do, no stay up dea inside da sky, so you guys gotta aks, ‘Who goin go up dea fo get um an tell us guys fo us do um?’

¹³ No even stay da odda side a da ocean, so you guys gotta aks, ‘Who goin go ova dea fo get um fo us, an tell us, fo us do um?’

¹⁴ Nah! All dis stuff stay nea, right hea by you guys awready. Stay inside yoa mout, an inside you fo you guys lissen an do um.

¹⁵ “Look! Today I put in front you guys two ways you guys can go: You guys can live an good kine stuff happen. O you can mahke an bad kine stuff happen.

¹⁶ Me, I tell you guys today wat fo do: Get love an aloha fo yoa God, Da One In Charge. Live da way he tell you guys fo live. Make shua you stay do wat he tell you fo do—dass eryting you gotta do, an eryting da rules he give you tell you fo do. Den you guys goin live an come mo plenny peopo, an yoa God, Da One In Charge, goin do good kine stuff fo you guys inside da land wea you guys goin go fo make um come yoa property.

¹⁷ “But if inside you tell ‘Laytas’ to Da One In Charge, an no lissen, an if odda peopo jalike you guys go da wrong way fo you guys go down in front odda gods an show respeck fo dem,

¹⁸ I tell you guys today, dat you goin come wipe out fo shua. You guys no goin stay long time inside da land da odda side a da Jordan Riva, wea you goin go inside fo take ova an make um yoa property.

¹⁹ “Today in front all da powas inside da sky an hea in da world, I like dem see dat you get one chance fo pick da way you like live: you can pick fo stay alive, o fo mahke. You can pick fo get good kine stuff come to you guys, o pick fo get real bad kine stuff come to you guys. So pick now fo stay alive! Den you an yoa kids goin stay alive.

²⁰ ✧ Den you guys goin get love an aloha fo yoa God, Da One In Charge, an lissen him, an stay tight wit him. Cuz Da One In Charge, he da One make you live fo real kine. An he da One let you guys stay long time on top da land he wen make one strong promise fo give to yoa ancesta guys, Abraham, Isaac, an Jacob.”

Joshua Goin Take Charge Afta Moses

¹ Den Moses go out an tell dis to all da Israel peopo:

² ✧ “Me, I one hundred twenny year ol now, an I no can go hea an dea no moa. Da One In Charge tell me, ‘You no goin go da odda side a da Jordan Riva!’

³ Yoa God Da One In Charge, he da One goin go da odda side in front you guys. He goin wipe out da peopos in front you guys, an you guys goin take ova dea land. Joshua, he goin go ova in front you guys too, jalike Da One In Charge wen tell.

⁴ ✧ Da One In Charge goin make to dose peopos jalike he wen do to Sihon an Og, da kings fo da Amor peopo. He wen wipe out da peopo an dea land.

⁵ Da One In Charge goin give um to you guys, an you gotta do to dem eryting I wen tell you guys fo do.

⁶ Come strong an no lose fight. No come sked an shaking cuz dey look tough, cuz yoa God, Da One In Charge, he da One go wit you guys. He goin help you guys erytime. An he not goin bag from you!”

⁷ Den Moses tell Joshua fo come by him. He tell um in front all da Israel peopo, “Come strong an no lose fight, cuz you goin go wit dis peopo inside

da land dat Da One In Charge make one spesho promise to oua ancesta guys dat he goin give dem da land. You da one goin tell da ohana wat land goin come dea property.

⁸ ✨ Da One In Charge, he da One goin go in front you guys, an he goin stay wit you guys. He goin help you guys erytime He not goin bag from you! No sked! No lose fight!”

Dey Read Da Rules

(Outa Egypt 23:10-11; Prieses 25:17)

⁹ So Moses write down dese rules an give um to da pries guys from da Levi ohana, dat carry da Box Fo No Foget Da Deal Wit Da One In Charge, an he give um to all da older leadas fo da Israel peopo.

¹⁰ ✨ Den Moses tell dem, “Afta ery seven year, wen erybody gotta let go an foget bout wat odda peopo owe dem, den erybody gotta make Da Spesho Religious Ceremony Fo Live Inside Shacks.

¹¹ Dass da time wen all da Israel peopo come fo stan in front oua God, dass Da One In Charge a us, by da place he goin pick. Dat time, you goin read dese rules to dem fo all dem hear you.

¹² Call all da peopo togedda—da guys, da wahines, an da kids, an guys from anodda place dat live inside yoa towns, fo dem lissen an learn fo dem stay sked a oua God, dass Da One In Charge a us, an fo dem stay do eryting dese rules tell um fo do.

¹³ Dea kids dat donno dese rules, dey gotta hear an learn um fo dem stay sked a oua God, dass Da One In Charge a us, all da time you guys stay live inside da land dat you guys goin go da odda side a da Jordan Riva fo take ova.”

Da Israel Peopo Goin Go Agains Da One In Charge Bumbye

¹⁴ Da One In Charge tell Moses, “Now, da time stay nea wen you goin mahke. Call Joshua an go stan togedda inside da Tent Fo Come Togedda Wit Me. I goin make him da one in charge a da Israel peopo from now.” So Moses an Joshua go Da Tent Fo Come Togedda Wit Da One In Charge.

¹⁵ Den Da One In Charge come inside da tent an den dey see him, inside one cloud dat go from da groun to da sky. Dat cloud stay ova da door fo da tent.

¹⁶ Da One In Charge tell Moses, “You get litto bit mo time, an you goin go res wit yoa ancesta guys. But dese peopo, dey goin go down in front da odda gods dat da diffren peopos pray to ova dea inside da land dey goin go inside fo take ova. Dey goin do tings wit dose gods, jalike wen peopo go fool aroun behind dea husban o wife back. Dey goin bag from me, an broke da deal I wen make wit dem.

¹⁷ Da time wen dat happen, I goin come huhu wit dem, an leave dem behind. I goin hide my face from dem, an I goin wipe dem out. Plenny trouble goin happen to dem an hard time goin come. Dat time, dey goin tell, ‘Fo shua, us guys get all dis bad kine stuff happen cuz oua God no stay wit us, aah?’

¹⁸ Den I goin hide my face from dem dat time fo shua, cuz a all da bad kine stuff dey do wen dey bag from me an start fo pray to odda gods.

¹⁹ “Now you an Joshua, write down dis song fo jus you guys. Den you, Moses, you teach um to da Israel peopo fo dem sing um. Cuz dis song goin tell wat I wen see um do fo judge dem.

²⁰ Wen I bring dem inside da land wea get plenny milk an honey erytime, da land I wen make one spesho promise to dea ancestas fo give dem, dey goin eat all dey like an come full, an eryting goin go good fo dem. Den dey goin turn away an go down in front odda gods an work fo dem. Dey goin go agains me, an broke da Deal I wen make wit dem.

²¹ Laytas, wen plenny bad kine stuff an hard time come on top dem, dis song goin tell wat I wen see um do, fo judge dem, cuz dea kids no goin foget da song, an dey goin sing um. I know wat dey tink an wat dey like do, even now befo I bring dem inside da land dat I wen make one spesho promise fo give to dem.”

²² So Moses write dis song dat same day, an teach um to da Israel peopo.

⁷ But you betta stay real strong an no lose fight fo shua! Make shua you do eryting my helpa Moses wen tell you fo do. No do um diffren, not even litto bit. Den eryting goin go good fo you guys, wea eva you go.

⁸ Read dis Book fo erybody hear um, cuz dat teach you guys my Rules. Tink bout um day time an nite time fo make shua you do eryting dat stay inside da Book. Den eryting you do goin come out real good.

⁹ I neva tell you awready? You gotta come real strong an no lose fight fo shua! No sked notting, an no come bum out! Cuz me, yoa God, Da One In Charge, I goin stay wit you wea eva you go.”

¹² ✨Den Joshua tell da Reuben ohana, da Gad ohana, an half da Manasseh ohana,

¹³ “No foget wat Moses, da guy dat work fo Da One In Charge, wen tell you guys. He tell, ‘Yoa God Da One In Charge goin let you guys res afta you come back. He give you guys da land dis side.’

¹⁴ Yoa wifes, yoa kids, an yoa animals goin stay inside da land Moses wen give you guys on dis side a da Jordan Riva. But all you guys dat can fight, you goin go across da riva wit all yoa stuffs fo fight. Dey goin go across firs, befo yoa braddah guys fo you guys help dem.

✨ **1:3** 1:3: Rules2 11:24-25 ✨ **1:5** 1:5: Rules2 31:6, 8; Heb 13:5 ✨ **1:6** 1:6: Rules2 31:6-7, 23
 ✨ **1:12** 1:12: Census 32:28-32; Rules2 3:18-20; Josh 22:1-6

da land dis east side a da Jordan Riva. Dass wea Moses, da guy dat work fo Da One In Charge, tell you guys goin take um ova.”

¹⁶ Da peopo tell Joshua, “We goin do eryting you tell us fo do, an we goin go wea eva you sen us.

¹⁷ J alike us guys wen lissen Moses, we goin lissen you. We like oua God, dass Da One In Charge a us, stay wit you, j alike he wen stay wit Moses!

So dey go ova dea. Dey go by one hoa. Her name, Rahab. Dey stay dea.

² Somebody tell da Jericho king, “You know wat?! Some Israel guys wen come hea afta da sun go down, fo find out how oua land stay!”

³ Da Jericho king sen somebody by Rahab fo tell her, “Bring outside da guys dat wen come yoa house, cuz dey stay come fo scope out all oua land.”

⁴ But Rahab wen hide da guys awready. She tell da king, “Dass true dey wen come by me. But I neva know wea dey come from.

⁵ Wen litto mo ready fo come dark outside, an da peopo stay ready fo close da town gate, da guys wen go way, an me, I donno wat way dey go. Quick, go run afta dem! Maybe you can catch um up!”

⁶ (But befo time, you know, she wen take dem up on top da flat roof, an hide um unda some flax plants dat stay pile up dea.)

⁷ So da Jericho guys start fo run afta da Israel guys. Dey go da road wea peopo go across da Jordan Riva. Wen da Jericho guys go outa da town gate, odda Jericho guys close da gate.

⁸ Da Israel guys neva sleep still yet, an Rahab come by dem on top da roof.

⁹ She tell um, “I know Da One In Charge wen give you guys dis land awready. An I know, all us guys stay real sked a you guys. Erybody dat stay live hea stay shaking cuz us real sked!

¹⁰ ✧ We hear dat Da One In Charge wen dry up da Red Sea fo you guys wen you come outa Egypt. An we hear wat you guys wen do to da two kings fo da Amor peopo da odda side a da Jordan Riva, Sihon an Og—you guys wen wipe um out j alike dey one sacrifice fo Da One In Charge.

¹¹ Wen we hear dat, us lose fight, an no mo nobody like do notting agains you guys. Cuz yoa God, Da One In Charge, he da ony God in da sky up dea an on top da earth down hea.

¹² Now, cuz I wen take kea you guys, try help me! You guys gotta make one promise in front Da One In Charge, dat you guys goin take kea my ohana. Make dat promise an give me one sign

¹³ dat you guys no goin kill my faddah o my muddah, my braddahs o my sistahs, an all dea ohana. You guys goin make shua us no goin mahke, aah?!”

¹⁴ Da Israel guys tell her, “Us guys promise, dat if yoa ohana mahke, den us two guys goin mahke too. If you no tell nobody wat us guys wen come

hea fo do, fo shua us guys make one strong promise fo take kea yoa ohana, wen Da One In Charge give us dis land.”

¹⁵ Den Rahab put um down from one window wit one rope, cuz one wall a her house was da town wall too.

¹⁶ Befo she let um go, she tell um, “Go up da hills, fo da guys dat stay chase you guys no find you. Stay ova dea three days, till dose guys come back hea. Den you guys can go back by yoa peopo.”

¹⁷⁻¹⁸ An da Israel guys tell her, “Us guys goin come inside yoa land fo fight. Wen us come, you gotta tie dis red rope fo hang outside dis same window wea you goin put us down outside da wall right now. An bring yoa faddah an muddah, yoa braddah guys, an all yoa ohana inside yoa house. If you no do dose two tings, God goin hemo us guys from da promise you wen make us make to you!

¹⁹ If any a yoa ohana peopo go outside yoa house, an get kill on da street, dey da ones goin get da blame fo dat, not us. But if whoevas hurt yoa ohana dat stay inside da house wit you guys, den us goin get da blame fo dat.

²⁰ An dis too: if you tell somebody wat us guys goin do, God goin hemo us from da promise you wen make us make.”

²¹ Rahab tell dem, “Kay den, do um jalike you guys tell.”

Den Rahab sen dem away. Dey go. An she tie da red rope fo hang outside da window.

²² Da two Israel guys, dey go up da hills an stay dea three days. Da Jericho guys dat wen go chase dem look all ova da road, an no find dem, so dey go back.

²³ Den da two Israel guys come back down da hill an cross ova da Jordan Riva. Dey go by Joshua, Nun boy, an tell him da story, eryting dey wen find out.

²⁴ Dey tell Joshua, “Da One In Charge stay give us all da land fo take ova. An all da peopo ova dea stay jalike dey melting in front us, cuz dey real sked!”

3

Da Israel Peopo Go Across Da Jordan Riva

¹ Nex morning, Joshua an all da Israel peopo get up real early. Dey leave Koa Tree Town an go all da way to da Jordan Riva. Dey make camp dea befo dey go across da riva.

² Afta dey stay dea three day, da officer guys go all ova da camp.

³ Dey tell da peopo wat dey gotta do: “You guys goin see Da Box Fo No Foget Da Deal Yoa God Da One In Charge Wen Make. Da pries guys from da Levi ohana goin carry um. Wen you guys see dat, you gotta leave from wea you guys stay, an follow dem.

⁴ Den you guys goin know wea fo go, cuz you guys neva go dat way befo time. But no go nea Da Box. Stay bout one tusan yards back behind um.”

⁵ Den Joshua tell da peopo, “Make spesho fo Da One In Charge, cuz tomorra he goin do plenny awesome stuff fo you guys, dat goin make yoa jaws drop!”

⁶ Joshua tell da pries guys, “Pick up Da Box Fo No Foget Da Deal an go walk in front us guys.” So da pries guys take Da Box an go walk in front, an da peopo follow dem.

⁷ Da One In Charge tell Joshua, “Today I goin start fo make you come mo importan, da way all da Israel peopo goin see you. Dass how dey goin know dat I stay wit you jalike I wen stay wit Moses.

⁸ Tell da pries guys dat carry Da Box Fo Da Deal, ‘Wen you guys reach da edge a da Jordan Riva, go stan inside da riva.’ ”

⁹ Den Joshua tell da Israel peopo, “Come ova hea! Lissen wat yoa God, Da One In Charge, tell!

¹⁰ Dis how you guys goin know dat da God dat stay alive, he stay wit you guys. An he goin take away da land from all da peopo dat stay inside da land, wen dey face you guys! He goin make da land come yoa property! Az da Canaan peopo, da Het peopo, da Hiv peopo, da Periz peopo, da Girgash peopo, da Amor peopo, an da Jebus peopo.

¹¹ Look ova dea! Az da Box Fo No Foget Da Deal from da Boss fo da whole world! Da pries guys goin carry dat Box across da Jordan Riva, den you guys goin go across.

¹² So now, pick twelve guys from da twelve Israel ohanas, one guy fo ery ohana.

¹³ Da pries guys dat carry Da Box Fo Da One In Charge, da Boss fo da whole world, goin go stan inside da Jordan Riva watta. Wen dey do dat, da watta dat stay come down da riva goin stop! Da watta goin stay dea an pile up!”

¹⁴ So da peopo leave da place wea dey wen put up dea tents fo go across da Jordan Riva. Da pries guys dat carry Da Box Fo No Foget Da Deal go firs.

¹⁵ (You gotta know dat da Jordan Riva stay big an run ova da sides, spring time, all da time da peopo stay harves food.) But dat day, da pries guys dat carry Da Box go da edge a da Jordan Riva, an dea feets go inside da watta.

¹⁶ Right den an dea, da watta dat come from mo high up in da riva stop. Make one pile far away mauka side, by one town name Adam, one side Zaretan. All da res a da riva watta dat go down to da Big Salt Lake go dea. So da riva bottom come dry up. Az how da Israel peopo go across da riva to da odda side nea Jericho.

¹⁷ Da pries guys dat carry Da Box Fo No Foget Da Deal Wit Da One In Charge, dey stan on top da dry riva bottom inside da middo a da Jordan Riva. All da Israel peopo pass dem. Wen erybody pass, da whole nation stay stan dea on top da dry groun, da odda side a da Jordan Riva.

4

¹ Wen all da peopo pau go across da Jordan Riva, Da One In Charge tell Joshua,

² “Go pick twelve guys from da peopo, one guy fo ery big ohana.

³ Tell um fo go pick up twelve stones from da middo a da Jordan Riva, from da place wea da pries guys stay stan. Take um wit you da odda side, an put um down wea you guys goin stay tonite.”

⁴ So Joshua call togedda da twelve guys he wen pick from da Israel peopo, one guy from ery ohana,

⁵ an he tell um, “Go ova in front da Box Fo No Foget Da Deal Da One In Charge Wen Make. Go by da middo a da Jordan Riva, an all you guys lif up one stone on top yoa shoulda, one stone fo ery Israel ohana.

⁶ Da stones goin be jalike one sign fo you guys. Bumbye, wen yoa kids aks you guys, ‘How come get dese stones?’

⁷ Tell um, 'Wen da pries guys take Da Box Fo No Foget Da Deal Da One In Charge Wen Make an go cross da Jordan Riva, da riva wen pau run. Dese stones goin be jalike one sign fo da Israel peopo, fo no foget foeva wat wen happen hea.' "

⁸ So da Israel peopo do wat Joshua tell um fo do. Dey take twelve stones from da middo a da Jordan Riva, one stone fo ery ohana, jalike Da One In Charge wen tell Joshua fo do. An dey take da stones by dea camp, an put um down dea.

⁹ Az how dey bring da stones from in da middo a da Jordan Riva, wea da pries guys dat carry Da Box wen stan, an Joshua put um down ova dea. An da stones stay dea still yet today.

¹⁰ Da pries guys dat stay carry Da Box, dey still stay stan inside da middo da Jordan Riva. Dey stan dea till da peopo pau eryting Da One In Charge wen tell Joshua dey gotta do. Da peopo go fas fo cross da riva, jalike Moses wen tell Joshua.

¹¹ Wen all da peopo pau cross da riva, da pries guys an Da Box Fo Da One In Charge go da west side a da riva. Den dey pass da odda peopo an go in front dem.

¹² Da guys from da Reuben ohana, da Gad ohana, an half da Manasseh ohana go across too, ready fo fight. Dey go in front all da peopo right afta da pries guys, jalike Moses wen tell um fo do.

¹³ Had bout 40,000 guys wit all dea stuff fo fight, go across in front Da One In Charge, to da flat place aroun Jericho, ready fo make war.

¹⁴ Az was da time Da One In Charge make Joshua importan da way all da Israel peopo see um. Dey get plenny respeck fo him all da time he stay alive, jalike dey wen get fo Moses.

¹⁵ Den one mo ting Da One In Charge wen tell Joshua:

¹⁶ "Tell da pries guys dat carry Da Box Fo No Foget Da Deal fo come up outa da Jordan Riva,"

¹⁷ Joshua tell um, "Go come up outa da Jordan Riva."

¹⁸ So da pries guys come up outa da Riva carrying Da Box Fo No Foget Da Deal Da One In Charge Wen Make. Wen dea feets touch dry groun, da watta inside da riva come back an flood ova da sides jalike befo time.

¹⁹ Day numba ten, da firs month, da peopo come up outa da Jordan Riva an make camp by Gilgal on da east side a Jericho.

²⁰ Den Joshua set up da twelve stones dey wen take from da riva nea Gilgal.

²¹ He tell da peopo, "Bumbye, wen yoa kids aks dea faddah guys, 'How come get dese stones?'

²² Tell dem, 'Da Israel peopo wen go cross da Jordan Riva on top da dry groun.'

²³ Cuz yoa God, Da One In Charge, make da Jordan Riva come dry till you guys go across. Az was jalike he wen do to da Red Sea, da time he make da sea come dry till all da peopo go across.

²⁴ He do dis fo all da peopos on top da earth know dat Da One In Charge get plenny powa! An he do um fo you guys stay sked a Da One In Charge an get respeck fo him all da time!"

5

Da Peopo Cut Skin Gilgal Side

¹ Dat time, da Amor peopo live da west side a da Jordan Riva. Da Canaan peopo live on da coast. Da king guys fo da Amor peopo an da Canaan peopo hear how Da One In Charge wen make da Jordan Riva come dry, fo us Israel peopo go across um. Az why dey wen come bum out. Dey lose fight an no like beef da Israel peopo.

² Dat time, Da One In Charge tell Joshua, "Make knives from hard stone. Cut skin da Israel guys dat no do um befo time."

³ So Joshua make knives from hard stone an cut skin all da Israel guys. Dey do dat Gibeat-Haaralot side.

⁴ ✧Dis how come Joshua do dat. All da guys dat stay ol enuff fo fight wen dey come outa Egypt, dey wen mahke inside da boonies afta da peopo come outa Egypt.

⁵ All da guys dat come outa Egypt get da cut skin mark. But da guys dat wen born inside da boonies wen da peopo stay go inside dea, dey no mo da mark.

⁶ Da Israel peopo wen move aroun inside da boonies fo forty year, till all da guys in da nation dat stay ol enuff fo fight wen dey come outa Egypt. All dose guys mahke cuz dey neva lissen Da One In Charge. You know, Da One In Charge wen make one strong promise to dem guys, fo erybody know dat he goin do um. He tell um dat dey no goin see da land dat Da One In Charge wen promise dea ancesta guys dat he goin give us guys, da land dat get plenny milk an honey.

⁷ So Da One In Charge wen make da boys grow up afta dea faddahs mahke. Az da ones Joshua cut skin fo dem now. All da time dey move aroun inside da boonies, dey still yet no cut skin.

⁸ Afta all da guys in da nation cut skin, dey stay inside dea tents till dey all come good.

⁹ Den Da One In Charge tell Joshua, "Today, I take away da shame you guys wen get cuz you was slaves Egypt side." Az why erybody still yet call dat place Gilgal.

¹⁰ ✧Day numba fourteen dat month, wen litto mo dark, an da Israel peopo still stay camp Gilgal side, dey make da spesho Passova religious kine ceremony.

¹¹ Da nex day dey harves some a da food dat wen grow ova dea inside da land, an eat um. Dey make bread dat no mo yeast, an wheat an barley dat dey roas.

¹² ✧Da manna pau come da nex day afta dey eat da food from da land. No mo manna fo da Israel peopo dat time. Den dey start fo eat food dat grow inside Canaan.

Jericho Town Come Bus Up

¹³ One time wen Joshua stay nea Jericho town, he look up an see one guy stay standing in front him. Da guy get one sword inside his hand. Joshua go by him an tell, "Eh! You stay wit us guys, o wit da guys dat stay agains us?"

¹⁴ Da guy tell, "I not fo you guys o fo da guys dat stay agains you. But I stay in charge a da army guys fo Da One In Charge. Dass why I stay come hea." Den Joshua go down quick fo put his face on top da groun, fo show he get awesome respect fo da guy. Joshua aks um, "Wat my Boss like tell me, his worka guy?"

¹⁵ Da guy in charge a da army guys fo Da One In Charge tell him, "Take off yoa slippas. Da place wea you stay stan, dass spesho fo Da One In Charge." So Joshua do um.

6

¹ Da peopo inside Jericho town, dey wen shut da gates real tight cuz da Israel peopo stay outside. Nobody can go outside an nobody can go inside.

² Den Da One In Charge tell Joshua, "Try look! I stay give you Jericho town, an dea king, an dea army guys.

³ You an yoa army guys, go march aroun da town one time. Do dat fo six days.

⁴ Go get seven pries guys fo go in front da Box Fo No Foget Da Deal Me, Da One In Charge Wen Make. Dey goin carry seven sheep horn trumpet. Day numba seven, dey goin march aroun da town seven time. All da time dey goin blow da trumpets.

⁵ Wen you hear dem blow da sheep horn trumpets one long time, tell all da army guys fo yell real loud. Den da walls fo da town goin fall down, an all da Israel peopo goin go strait inside ova da wall."

⁶ So Joshua, Nun boy, he tell da pries guys come by him. He tell um, "Pick up da Box Fo No Foget Da Deal Da One In Charge Wen Make. An tell seven pries guys fo take sheep horn trumpets an go in front da Box."

⁷ Den he tell da peopo, "Go! March aroun da town. Some a da army guys take da tings dey need fo fight, an go in front da Box Fo No Foget Da Deal Da One In Charge Wen Make."

⁸ Afta Joshua tell da peopo wat fo do, da seven pries guys dat carry da seven sheep horn trumpets in front Da One In Charge go in front, blow dea trumpets, an da Box Fo No Foget Da Deal come nex.

⁹ Da army guys go firs in front da pries guys dat blow da trumpets, an da Box come nex. All da time da pries guys stay blow da trumpets.

¹⁰ Joshua awready tell da peopo, "No yell jalike fo fight, no make noise, an no even talk! Ony da time I tell you guys fo yell, dat time you guys goin yell real loud!"

¹¹ So Joshua tell dem fo take da Box aroun da town one time. Den da peopo go back dea camp an sleep dea dat nite.

¹² Early da nex morning, Joshua dem get up. Da pries guys pick up da Box Fo No Foget Da Deal Wit Da One In Charge.

¹³ Da seven pries guys take da seven trumpets an go in front da Box Fo No Foget Da Deal Wit Da One In Charge. Dey blow da trumpets. Da army guys go in front dem, an odda army guys come afta dem. Da pries guys still yet stay blow da trumpets.

¹⁴ So day numba two, dey march aroun da town one time an go back dea camp. Dey do same ting fo six days.

¹⁵ Day numba seven, dey get up wen almos get light. Dey march aroun da town jalike befo, but dis time, dey do um seven time.

¹⁶ Da numba seven time, wen da pries guys blow da trumpets mo loud, Joshua tell da peopo, "Yell! Cuz Da One In Charge wen give you guys dis town!

¹⁷ Da town an eryting inside um, come kapu fo erybody. Da town ony fo Da One In Charge, fo come jalike one sacrifice! Ony Rahab, da hoa, an her ohana, no kill dem! Cuz she da one wen hide da guys us wen sen dea fo scope out da land.

¹⁸ But watch out! No touch da stuff dat stay kapu fo you guys, cuz make you come pilau. Az why goin come wipe out cuz you take um. Cuz if you do dat, you goin make da Israel camp come pilau, an you guys goin jam up oua peopo too.

¹⁹ All da silva, gold, bronze, an iron stuff, az all kapu fo Da One In Charge. Az why all dat gotta stay wit all da odda rich kine stuffs dat stay kapu fo ony God.”

²⁰ ✧ Den da pries guys blow da trumpets an da peopo yell. Wen get da loud noise from da trumpets an da peopo, da walls fall down! Den ery Israel army guy go strait inside, an dey take ova da town.

²¹ Dey make da town spesho fo Da One In Charge, jalike az one big sacrifice. Da Israel guys wipe out eryting inside um—da guys, da wahines, da young guys, da ol guys, da cows, da sheeps, an da donkeys.

²² Joshua tell da two guys dat wen go dea fo scope out da land befo time, “Go inside wea da hoa live an bring her an her ohana outside, jalike you guys wen make one strong promise to her fo do dat.”

²³ So da young guys dat wen go dea befo time go inside an bring out Rahab, her faddah, muddah, braddahs, an all her peopo. Dey take her ohana, an put dem one place outside da Israel camp.

²⁴ Den dey burn down da whole town an eryting inside um. But da silva, gold, an da bronze an iron stuffs, dey put um togedda with da odda rich stuffs fo Da One In Charge house.

²⁵ ✧ But Rahab, da hoa, Joshua no let nobody hurt her o her ohana. Cuz she wen hide da guys dat Joshua sen befo time fo scope out da land. An she still yet live wit da Israel peopo.

²⁶ ✧ Dat time, Joshua make dis strong promise fo erybody know dat God goin do um: “If somebody like go build Jericho town one mo time, in front Da One In Charge I tell dis: Goin cost him plenny. If he put down da foundation, his firs boy goin mahke, an if he put up da gates, his las boy goin mahke.”

²⁷ So Da One In Charge stay tight wit Joshua, an all ova da land Joshua stay famous.

7

Akan Do One Bad Ting

¹ But da Israel peopo no do wat God tell um fo do fo no touch da kapu stuff. Akan, Zimri boy an Zerah grankid, from da Judah ohana, rip off some a da kapu tings. Az why God come huhu wit da Israel peopo.

² Joshua sen guys from Jericho to Ai, nea Bet-Aven, da east side Bethel. He tell dem, “Go up dea fo scope out da land.” So da guys go an scope out Ai.

³ Wen dey come back by Joshua, dey tell um, “No need sen all da army guys agains Ai. Cuz ony get litto bit guys ova dea. Ony need two o three tousan guys fo win ova um. No need make all da peopo come all had it.”

⁴ So ony bout three tousan army guys go up dea. But da Ai guys chase um away from da town gate.

⁵ Da Ai guys chase um from in front da town gate an down da hill, to da place wea dey cut stone blocks. Dey kill bout thirty-six a da Israel guys. Den da odda Israel guys come bum out an lose fight, jalike dea heart come weak.

⁶ Joshua rip his clothes, an go down an put his face on top da groun in front da Box Fo No Foget Da One In Charge. He stay dea till litto mo dark. Da older leadas fo da Israel peopo do da same ting, an throw dirt on top dea head fo show dey stay sad inside.

⁷ Joshua tell, "Haah, Da One In Charge?! You da Boss! But how come you bring dese peopo across da Jordan Riva fo let da Amor peopo wipe us out?! Mo betta us wen stay da odda side a da Jordan Riva!

⁸ Eh my Boss, try help me! Wat I can tell afta dis?! Now, us Israel guys wen turn aroun an run away from da guys dat stay agains us!

⁹ Da Canaan peopo an da odda peopo inside da land goin hear bout dis, an dey goin make one circle aroun us an wipe us out. Den us no goin be no moa! Den wat you goin do fo show peopo dat you get powa?"

¹⁰ Da One In Charge tell Joshua, "Stan up! Wat you stay doing down dea wit yoa face inside da dirt?!"

¹¹ Da Israel peopo wen do someting bad! Dey broke da deal I wen make wit dem, dat I wen tell you guys fo respeck. Dey wen take some a da kapu tings! Dey steal um, dey bulai bout um, an dey put um wit dea stuffs!

¹² Az why da Israel peopo no can stan up agains da guys dat stay agains dem. Dey goin turn aroun an run away! Az cuz da Israel peopo wen come da ones dat gotta come wipe out jalike one sacrifice! If you guys no wipe out wateva kapu stuff you guys get, I no goin stay wit you guys no moa!

¹³ "Go! Tell da Israel peopo make one sacrifice fo dem come spesho fo me. Tell dem: Make spesho fo Da One In Charge. Get ready fo tomorra. Dis wat Da One In Charge, da God fo da Israel peopo tell: You Israel peopo, da kapu stuff you guys get, you no goin win ova da guys dat stay agains you wen you get dat stuff. You gotta throw um out.

¹⁴ "In da morning, ery ohana, one by one, gotta come in front me, Da One In Charge. Da ohana I goin pick, gotta come from da diffren blood lines. From da blood line I goin pick, da ohanas gotta come one by one. Den da ohana I pick, all dem gotta come one by one.

¹⁵ Da guy I goin pick, he da one dat get da tings dat kapu fo erybody. Kill him an burn up da body, an burn all his stuffs. Cuz he broke da Deal I wen make, an he do someting stupid dat no make sense, agains da Israel peopo az why."

¹⁶ Da nex morning, still early, Joshua make da Israel peopo come, ery big ohana firs, den anodda. Da One In Charge pick da Judah ohana.

¹⁷ Den da Judah peopo come, an from dem he pick da Zerah blood line. Den he tell da Zerah blood line peopo fo come, an from dem he pick da Zimri ohana.

¹⁸ Den Joshua tell da Zimri ohana fo come one guy afta anodda guy, an he pick Akan, Karmi boy. Karmi, Zimri boy, an Zimri, Zerah boy, all dem from da Judah ohana.

¹⁹ Den Joshua tell Akan, "My boy, show respeck fo Da One In Charge, da God fo da Israel peopo! Tell dat he good! Den tell me wat you wen do! No hide notting from me!"

²⁰ Akan tell, "Wat you tell, az true! I wen do one bad ting agains Da One In Charge, da God fo da Israel peopo! Dis wat I wen do:

²¹ Wen us guys take all da stuff from Jericho, I see one nice looking Babylon robe, wit five poun silva an one gold bar dat weigh mo den one poun. I wen like um, so I take um. I hide um unda da groun inside my tent, an da silva unda da odda stuff."

²² So Joshua sen messenja guys. Dey run to Akan tent. Da stuff he hide was dea, wit da silva undaneat.

²³ Dey take da stuff from inside da tent. Dey bring um by Joshua an all da Israel peopo, an spread um out in front Da One In Charge.

²⁴ Den Joshua an all da Israel peopo take Akan from da Zerah blood line, da robe, da silva, an da gold bar, to da Achor Valley (dat mean Trouble Valley). Dey take his boys an girls dea too, an da cow he use fo plow da groun, his donkey, his sheeps an goats, his tent, an all da odda stuff he own.

²⁵ Wen dey reach da valley, Joshua tell Akan, "How come you bring dis trouble on top us? Da One In Charge goin bring trouble on top you today!"

Den all da Israel peopo throw big stones at Akan fo kill him an all his peopo, an dey burn up all da bodies.

²⁶ Dey put one big stack rocks on top Akan body, an da rocks stay dea still yet. Den Da One In Charge no stay huhu no moa. Az why dey call dat place Achor Valley from dat time. (Dat mean, Trouble Valley.)

8

Dey Wipe Out Ai Town

¹ Den Da One In Charge tell Joshua, "No sked! No come all bum out! Take all da army guys wit you, an go afta da peopo inside Ai town, an make war agains dem. Cuz I goin give you guys da peopo ova dea, dea king, his town, an his land.

² You guys goin make to da Ai peopo an dea king jalike you wen do to da Jericho peopo an dea king. But dis time, az okay fo you guys take all dea stuff an dea animals fo you guys. Go hide behind da town an get ready fo fight dem."

³ So Joshua an all da army guys go out fo attack Ai town. He pick 30,000 a da bestes guys fo fight. He sen um out nite time.

⁴ He tell dem, "Lissen up! Go hide behind Ai town, an make ready fo attack um. No go far from Ai town. All you guys gotta watch out an get ready.

⁵ Me an da guys wit me goin go nea da town. Wen dey come out fo fight us, jalike dey wen do da firs time, we goin run away from dem.

⁶ Dey goin come out afta us guys, till we take dem away from da town. Cuz dey goin figga, 'Eh, dose guys stay run away from us like befo time.'

⁷ But you guys, wen we run away from dem, you goin stan up an come outa wea you stay hide. You goin take ova Ai town. Yoa God Da One In Charge goin give you guys da town.

⁸ Wen you guys take ova da town, make one big fire fo burn um down. Do eryting jalike Da One In Charge wen tell you guys fo do um. Dass my orda fo you guys."

⁹ Den Joshua sen dem out, an da army guys go da place wea dey suppose to hide. Az in da middo, wit Bethel town one side an Ai town da odda side. But Joshua stay wit da odda army guys dat nite.

¹⁰ Early da nex morning, Joshua line up da army guys. Him an da leada guys fo Israel march in front da army guys, an go Ai.

¹¹ All da army guys wit Joshua march up by Ai town. Dey make camp da north side a da town. Get one valley in da middo nea da town.

¹² Da 5,000 army guys Joshua take, dey go hide inside da valley, inside da middo, da west side a Ai, wit Bethel da odda side.

¹³ So dey put da main army guys from da camp, da north side a Ai. Dey put da guys dat stay hide, da west side. Dat nite, Joshua go in da valley.

¹⁴ Wen da Ai king see dat, him an all da army guys from da town get up early an go out fas morning time fo fight da Israel guys, one place wea can see da Jordan valley. But he neva know dat get Israel guys stay hide behind da town.

¹⁵ Joshua an all da Israel guys run fas, jalike dey goin go da boonies, fo make da Ai guys figga dey stay win.

¹⁶ Da Ai guys yell to all dea guys from da town fo come chase da Israel guys. So dey all go chase Joshua guys, an go way from da town.

¹⁷ No mo guys stay back inside Ai an Bethel. Dey all go outa da town an chase da Israel guys. So da town stay open.

¹⁸ Den Da One In Charge tell Joshua, “Put out yoa hand an poin yoa spear to Ai! Cuz I goin give you guys Ai town.” So Joshua poin his spear to Ai.

¹⁹ Right den an dea wen Joshua poin his spear, da guys dat stay hide get up from wea dey stay an run quick. Dey go fas inside Ai town an take um ova. Dey burn down da town.

²⁰ Da Ai guys look back an see da smoke from dea town go up inside da sky! But dey no can get outa dea, cuz da Israel guys dat run away, turn aroun fo fight da ones dat stay chase dem.

²¹ Joshua an da Israel guys see dat da odda guys dat wen hide, take ova da town, an da town stay burn. So da guys dat wen take ova da town, turn aroun fight da Ai guys too.

²² Da guys dat wen hide befo, come out from da town fo fight, so da Ai guys stay dea in da middo. Get Israel guys behind um an in front um! Az how da Israel guys wipe dem out. No mo no Ai guys stay alive.

²³ But da Ai king stay alive, an dey catch him, an bring him by Joshua.

²⁴ Da Israel guys kill all da Ai guys wit swords in da fields an in da boonies wea dey chase dem. Den da Israel guys go back Ai an kill erybody dat still yet stay inside dea.

²⁵ Twelve tousan guys an wahines wen mahke dat day! Az all da peopo from Ai.

²⁶ An Joshua neva put down his hand wit da spear, till dey kill all da peopo from Ai.

²⁷ Den da Israel peopo take da animals an da stuffs from da town jalike Da One In Charge wen tell Joshua fo do.

²⁸ Az how Joshua dem burn Ai an make um one small hill wit ony rocks an junk—one place wea nobody can live.

²⁹ Dey kill da Ai king. Dey put one sharp pos thru his body an stick da pos in da groun. Stay dea till almos dark. Wen da sun go down, Joshua tell his guys fo take down da body an throw um by da gate fo da town. Den dey put big stack rocks on top um, an da rocks stay ova dea still yet.

Joshua Copy Da Rules One Mo Time

³⁰ ✧ Dat time Joshua make one altar fo Da One In Charge, da God fo da Israel peopo, on top Mount Ebal.

³¹ ✧ He do jalike Moses, Da One In Charge worka guy, wen tell da Israel peopo wat fo do. He make um jalike da Book dat get da Rules from Moses tell: one altar from rocks dat nobody cut an neva use iron tool fo make um. On top da altar dey make burn up kine sacrifices fo Da One In Charge, an sacrifices fo show dat Da One In Charge an da guy dat bring da sacrifice,

stay good wit each odda. ³² Right dea in front all da Israel peopo, Joshua make one copy on top some stones. He write da Rules dat Moses wen write, on top da stones.

³³ ✧ All da Israel peopo come togedda—peopo from anodda place an peopo born from da Israel peopo, an dea older leadas, dea odda leadas, an dea judges. Dey stan da two sides a da Box Fo No Foget Da Deal Da One In Charge Wen Make. Dey face da pries guys from da Levi ohana dat carry da Box. Get peopo from anodda place an peopo dat was born dea. Half da peopo stan in front Mount Gerizim an half da peopo stan in front Mount Ebal. Dey do jalike Moses, Da One In Charge worka guy, wen tell dem fo do befo time, wen he tell dem how fo make fo Da One In Charge do good tings fo dem.

³⁴ Afta dat, Joshua read all da Rules, how dey gotta make fo Da One In Charge do good stuff fo dem, an how Da One In Charge goin punish dem if dey do bad kine stuff, jalike da Book wit da Rules tell.

³⁵ Joshua read eryting dat Moses wen tell to all da peopo dat stay dea, wit da wahines, an da kids, an da peopo from anodda place dat live wit dem.

9

Da Gibeon Peopo Bulai Da Israel Peopo

¹ All da kings dat stay da west side a da Jordan Riva hear dat da Israel peopo wen win ova da peopo dat stay agains dem. Az da kings dat live up country an by da Mediterranean Sea coast, all da way to Lebanon: da kings fo da Het peopo, da Amor peopo, da Canaan peopo, da Periz peopo, da Hiv peopo, an da Jebus peopo.

² So dey all come togedda an tell one ting: “Gotta go make war agains Joshua an da Israel peopo.”

³ But wen da Gibeon peopo hear wat Joshua wen do to Jericho an Ai,

⁴ dey figga mo betta bulai da Israel peopo. Dey go fo talk to Joshua wit donkeys fo carry dea food. But dey load da donkeys wit poho kine burmbag sacks, an ol ledda bags fo wine wit cracks dey wen patch up.

⁵ Da guys get wore out slippas dey wen fix, an boros clotheses. All dea bread dey get fo eat, stay dry an broke up in small kine pieces.

⁶ Dey go by Joshua inside da camp Gilgal side. Dey tell him an da Israel guys, “Us guys come from one far place. Make one deal wit us.”

⁷ ✧ Da Israel guys tell da Hiv guys from Gibeon, “Maybe you guys live nea us. If dass how, no way us guys goin make one deal wit you guys!”

⁸ Dey tell Joshua, “Us, yoa worka guys.” But Joshua tell dem “Who you guys? Wea you come from?”

⁹ Dey tell, “Us yoa worka guys, an us come from one real far place, cuz we wen hear bout you guys dat God Da One In Charge. We hear bout all he wen do inside Egypt,

¹⁰ ✧ an all he do to da two kings fo da Amor peopo, da east side a da Jordan Riva—Sihon da king fo Heshbon an Og da king fo Bashan dat live Ashtarot side.

¹¹ So oua older leadas an all da peopo inside oua country tell us, ‘Take stuffs fo yoa trip, an go meet dem. Tell dem, “We yoa worka guys. Try make one deal wit us guys.”’

✧ **8:33** 8:33: Rules2 11:29; 27:11-14 ✧ **9:7** 9:7: Outa 23:32; 34:12; Rules2 7:2 ✧ **9:10** 9:10: Census 21:21-35

¹² Dis bread we get was warm wen we make um ready fo come by you guys. But now, look! Stay all dry up an all broke up.

¹³ Dese wineskins was new wen we fill dem up, but now, look! Get cracks. Oua clotheses an slippas get pukas from da long trip.' "

¹⁴ So da Israel guys eat litto bit a dea food. But dey no aks Da One In Charge fo tell um wat fo do.

¹⁵ Den Joshua make one deal wit dem fo come dea frenz an let um stay alive, an da leada guys make one strong promise fo keep da deal, fo erybody know dat dey goin do um.

¹⁶ Three day afta dey make da deal wit da Gibeon guys, da Israel peopo hear dat da Gibeon peopo live nea dem.

¹⁷ So da Israel guys go dea. Day numba three, dey come by da Hiv towns: Gibeon, Kefirah, Beerot, an Kiriath-Jearim.

¹⁸ Da Israel guys no attack dem, cuz da leada guys fo dea peopo wen make one strong promise to dem in front Da One In Charge, da God fo da Israel peopo.

But all da Israel peopo come togedda an grumble bout dea leadas, cuz dey wen make one deal wit dose peopo.

¹⁹ But all da leadas tell, "Us guys wen make one strong promise to dem in front Da One In Charge, da God fo da Israel peopo, fo us no hurt dem now.

²⁰ Dis wat we goin do to dem: We goin let dem stay alive, so God no come real huhu an punish us fo go agains da strong promise we wen make to dem."

²¹ Da leada guys tell, "Let dem stay alive. But let dem cut wood an carry watta fo all us Israel peopo." So az how da leadas keep dea promise to da Gibeon peopo.

²² Den Joshua tell da Gibeon guys fo come by him. He tell dem, "How come you guys bulai us an tell us, 'We live far from you guys' wen you live nea us?"

²³ Now you guys get kahuna put on top you. From now, we ony goin let you guys cut wood an carry watta fo da house fo my God."

²⁴ Da Gibeon guys tell Joshua, "Us, yoa worka guys. Somebody wen tell us, dat yoa God, Da One In Charge, wen tell his worka guy Moses, fo give you guys all da land an fo wipe out all us peopo dat live ova hea. Az why we come sked us goin mahke cuz a you guys. Az how come us wen make lidat.

²⁵ Now, you guys get powa ova us guys. So go make to us wat you figga stay good an right."

²⁶ An dass wat Joshua do. He let da Gibeon guys stay alive, an no let da Israel guys kill dem.

²⁷ From dat time, he make da Gibeon peopo cut wood an carry watta fo da Israel peopo, an fo da altar fo make sacrifice fo Da One In Charge, at da place Da One In Charge pick. An dass wat dey do still yet till now.

10

Da Sun An Da Moon No Move

¹ Now, Adoni-Zedek da Amor king fo Jerusalem, find out dat Joshua dem take ova Ai town an wipe out da peopo an dea king, jalike dey one sacrifice. Dey make to dem jalike dey wen do to Jericho an dea king. Da Jerusalem king find out how da Gibeon peopo make one deal wit Joshua guys fo dem no get wipe out, an now da Gibeon peopo stay pono wit da Israel peopo.

² Den Adoni-Zedek an his peopo come plenny sked, cuz Gibeon az one big an importan town, jalike one town fo da kings. Gibeon mo big den Ai, an all da Gibeon guys can fight good.

³ So Adoni-Zedek, da king fo Jerusalem, wen beg da odda Amor kings fo come help him—Hokam da king fo Hebron, Piram da king fo Jarmut, Jafia da king fo Lakish, an Debir da king fo Eglon.

⁴ He tell: “Go come up hea help me attack Gibeon town. Cuz dey wen make one deal fo no fight Joshua an da Israel peopo.”

⁵ So da five kings fo da Amor peopo—da kings fo Jerusalem, Hebron, Jarmut, Lakish, an Eglon—dey go togedda wit all dea army guys an fight Gibeon.

⁶ Den da Gibeon guys sen messenjas to Joshua at da Gilgal camp. Dey tell: “No leave us! Us yoa worka guys. Go come up real fas fo help us! Cuz all da Amor king guys from da hills come togedda fo wipe us out.”

⁷ So Joshua go wit all his army guys wit all da bestes guys fo fight an march from Gilgal.

⁸ Da One In Charge tell Joshua, “No sked dem. I goin help you guys win ova dem. Dey no can stan agains you guys.”

⁹ So dey march all nite from Gilgal. Dass how Joshua guys go by da Amor guys, wen da Amor guys donno dey dea.

¹⁰ Da One In Charge make da Amor guys come all jam up wen dey see da Israel guys. Az how Da One In Charge wack da Amor guys real hard Gibeon side. Den he chase um up da road dat go Bet-Horon Pass, an wipe um out all da way to Azekah an Makkedah.

¹¹ Wen dey stay running away from da Israel guys on top da road dat go down from Bet-Horon to Azekah, Da One In Charge make big kine hail stone come down on top dem from da sky. Mo plenny Amor guys wen mahke from da hail den from da Israel guys swords.

¹² Dat time Da One In Charge make da Israel guys win ova da Amor guys. Joshua tell Da One In Charge in front da Israel peopo, “I like da sun fo wait an no go down yet ova Gibeon.

Same ting fo da moon ova da Aijalon Valley.”

¹³ ✧Az why da sun wen wait,

An da moon no move,

Till da Israel guys pay back da guys dat stay agains dem.

Jalike da Jashar book tell. Da sun stop in da middo a da sky, an no go down almos one whole day.

¹⁴ Befo dat neva get one day jalike dat one, an from dat time, neva get anodda day jalike dat day one mo time. Cuz dat time, Da One In Charge wen lissen one guy. Fo shua Da One In Charge stay fight fo da Israel peopo!

¹⁵ Den Joshua an all da Israel peopo go back dea camp Gilgal side.

Dey Kill Da Five Amor King Guys

¹⁶ Dat time, da five Amor king guys wen run away hide inside da cave Makkedah side.

¹⁷ Somebody tell Joshua dat dey wen find da five kings stay hide inside da cave Makkedah side.

¹⁸ So Joshua tell, “Roll one big stone by da front a da cave, an pick some guys fo watch um ova dea.

¹⁹ But da res a you guys, no stop! Go chase da guys dat stay agains you guys! Fight dem from da back! No let um go back dea towns. Cuz yoa God, Da One In Charge, give dem to you guys awready!”

²⁰ So Joshua an da Israel guys wipe out da Amor peopo, almos all dem. Ony get litto bit guys dat go back by dea towns dat get strong wall.

²¹ Den all da Israel army guys go back by Joshua to da camp by Makkedah. Eryting stay good wit dem, an no mo nobody talk bad bout da Israel peopo.

²² Den Joshua tell, “Open up da cave. Bring out dose five king guys. Bring um hea by me.”

²³ So dey bring da five king guys outa da cave: da kings fo Jerusalem, Hebron, Jarmut, Lakish, an Eglon.

²⁴ Wen dey bring dose kings by Joshua, he tell all da Israel guys fo come by him. He tell da leadas fo da army guys dat stay wit him, “Come ova hea. Put yoa feets on top da king guys necks, fo show you wen win ova dem.” So dey come in front an put dea feets on top da king guys necks.

²⁵ Joshua tell dem, “No sked! No come bum out! Come strong! Dis wat Da One In Charge goin do to all da peopo dat stay agains you guys an fight you.”

²⁶ Den Joshua dem kill da king guys, an poke five poles thru da five bodies. Dey stay hang dea till litto mo dark.

²⁷ Wen da sun go down, Joshua tell da guys fo take down da king guys bodies from da poles an throw um inside da cave wea dey wen hide befo time. Den dey put big stones fo shut da cave, an da stones stay dea still yet today.

²⁸ Dat day, Joshua dem take ova Makkedah town. Dey kill da Makkedah king an erybody inside dea wit swords, jalike az one sacrifice fo Da One In Charge. No mo nobody stay alive ova dea. Joshua dem do to da Makkedah king jalike dey wen do to da Jericho king.

Da South Side War

²⁹ Den Joshua an all da Israel guys go from Makkedah to Libnah town. Dey fight da Libnah peopo.

³⁰ Da One In Charge give dat town to da Israel peopo too. Joshua dem kill all da peopo ova dea wit swords, jalike was one sacrifice. No mo nobody stay alive. He do to dea king jalike he wen do to da Jericho king.

³¹ Den Joshua an all da Israel guys go from Libnah to Lakish town. Dey make camp dea, den dey go attack da town.

³² Da One In Charge give Lakish to da Israel peopo too. Joshua dem take um ova, day numba two. Dey kill all da peopo ova dea wit dea swords, jalike dey wen do Libnah side.

³³ Dat time Horam da king fo Gezer an his guys wen come up fo help da Lakish peopo. But Joshua dem win ova dem an dea army guys. An no mo nobody from Horam army stay alive.

³⁴ Den Joshua an all da Israel army guys wit him go from Lakish to Eglon. Dey make camp dea an attack da town.

³⁵ Dey take ova Eglon town da same day, an kill erybody dea wit swords. Dey wipe out eryting ova dea jalike was one sacrifice, jalike dey wen do Lakish side.

³⁶ Den Joshua an all da Israel guys wit him go from Eglon to Hebron, an attack Hebron town.

³⁷ Dey take ova da town. Dey kill da king an erybody dea wit swords. No mo nobody stay alive. J alike dey do Eglon side, dey wipe out erybody inside Hebron j alike was one sacrifice.

³⁸ Den Joshua an all da Israel guys wit him turn aroun an go afta Debir.

³⁹ Dey take ova da town, da king, an erybody, an kill dem wit swords. Dey wipe out eryting. No mo nobody stay alive, j alike dey one sacrifice. Dey do to Debir an dea king, j alike dey wen do to Libnah an dea king, an to Hebron.

⁴⁰ So Joshua dem win ova da whole place aroun dea: up country, da Negev boonies, da hills on da west side, da valleys dat go down from up country, an all dea kings. No mo nobody stay alive, j alike was one sacrifice. Dey wipe out eryting da way Da One In Charge, da God fo da Israel peopo, wen tell um fo do.

⁴¹ Joshua dem win ova erybody from Kadesh-Barnea to Gaza, an from Goshen to Gibeon.

⁴² Joshua dem win ova all dose kings an dea lands in one war, cuz Da One In Charge, da God fo da Israel peopo, wen fight fo da Israel peopo.

⁴³ Den Joshua an all da Israel peopo go back da camp Gilgal side.

11

Da North Side War

¹ Jabin, da king fo da Hazor peopo, hear bout all da stuff Joshua dem do to da kings an dea armies da south side. So he sen messenja guys by Jobab, da king fo Madon, an da kings fo Shimron an Akshaf,

² an by da king guys inside da mountains north side, an da Jordan Riva valley south a Galilee Lake, inside da small hills west side, an da up country hills mauka Dor west side,

³ an by da Canaan peopo east side an west side, an by da Amor peopo, da Het peopo, da Periz peopo, da Jebus peopo up country, an by da Hiv peopo unda Mount Hermon nea Mizpah.

⁴ All dose king guys come out wit all dea plenny army guys an plenny horses an war wagons. Dey real plenny, j alike da sand on top da beach.

⁵ All dese king guys an dea armies come togedda fo make one plan. Dey all make camp by da Merom Lake, fo go fight da Israel guys.

⁶ Da One In Charge tell Joshua, "No sked fo face dem. Cuz dis same time tomorra, I goin make all dem fall down mahke in front you Israel guys. You goin cut dea horses back legs fo dem no run, an burn up dea war wagons."

⁷ So Joshua an all his Israel army guys go agains dem quick an attack dem one time by Merom Lake.

⁸ Da One In Charge make da Israel guys win ova dem. Da Israel guys wack dem an chase dem all da way to Sidon an da land aroun dea, to Misrefot Mayim, an to Mizpah Valley east side, till no mo nobody stay alive.

⁹ Joshua make to dem j alike Da One In Charge tell um fo do. He cut dea horses back legs fo dem no run, an burn up dea war wagons.

¹⁰ Den Joshua turn aroun an take ova Hazor town, an kill dea king guy. You know, befo time da Hazor king stay in charge all da odda kings an dea peopo.

¹¹ Da Israel guys kill erybody wit swords, j alike dey one sacrifice. Dey wipe out eryting dat stay alive, an den burn Hazor town.

¹² Joshua take all dose king guys an dea big towns. He kill all dea kings wit swords. He wipe dem out j alike dey one sacrifice, j alike Moses, da worka guy fo Da One In Charge, wen tell him fo do.

¹³ Da big towns dat da peopo wen build on top da ol towns dat stay from befo time, da Israel guys no burn um down. Joshua guys ony burn Hazor.

¹⁴ Da Israel peopo take all da stuffs from dose towns an da animals fo dem, but dey kill all da peopo wit swords. No mo nobody stay alive ova dea.

¹⁵ Da One In Charge tell Moses, his worka guy, wat fo do, an Moses tell Joshua, an Joshua do all dat stuff. He no foget notting dat Da One In Charge wen tell Moses fo do.

¹⁶ Az how Joshua dem take ova all da land, da up country, all da Negev boonies, Goshen an all da land aroun dea, da small hills da west side, da Jordan Riva Valley—da mountains an hills inside Israel

¹⁷ from Mount Halak dat go up nea da Seir Range, to Baal-Gad in da Lebanon Valley unda Mount Hermon. Dey catch all da kings an kill dem.

¹⁸ Joshua make war agains all dose kings long time.

¹⁹ Ony da Hiv peopo inside Gibeon wen make one deal wit da Israel peopo. Da king guys inside da odda big towns neva make one deal wit da Israel peopo. So da Israel guys win ova all dem.

²⁰ ✧Da One In Charge da One wen make da odda peopos come hard head fo dem like fight da Israel peopo. Az how Da One In Charge wipe dem all out jalike dey one sacrifice, an no give dem chance. Az wat Da One In Charge wen tell Moses fo do.

²¹ Dat time too, Joshua go up country an wipe out da Anak peopo from Hebron town, Debir town, an Anab town, from all da mountains inside Judah an Israel. Joshua dem wipe um all out an dea towns, jalike dey one sacrifice.

²² No mo no Anak peopo lef inside Israel, ony inside Gaza, Gat, an Ashdod still had litto bit Anak peopo.

²³ Dass how Joshua take ova all da land, jalike Da One In Charge wen tell Moses fo do. Da One In Charge give all dat land fo come da Israel peopo property fo all dea ohanas.

Dat time, da peopo wen res, an neva fight no moa.

12

Da Kings Da Israel Peopo Wipe Out

Da East Side Da Jordan Riva

¹ ✧Dis da lis a da kings from da land dat da Israel peopo take ova. Dey take ova da land da east side a da Jordan Riva, from da Arnon Canyon to Mount Hermon. Az all da east side a da Jordan Riva Valley.

² Sihon, da king fo da Amor peopo. He stay king inside Heshbon. His land go from Aroer town on da edge a da Arnon Canyon, an from da middo a da canyon, to da Jabbok Canyon. Az da end a da Ammon peopo land, an half da Gilead land.

³ Sihon, he da king too fo da peopo dat stay da east side a da Jordan Valley from da Kinneret Lake (Az Galilee Lake) to da Arabah Lake (az da Big Salt Lake), an to Bet-Jeshimot unda Mount Pisgah.

⁴ Den come da land wea Og stay king fo Bashan. He one a da las guys from da giants dat come from Rafa. He live inside Ashtarot town an Edrei town.

⁵ He da king fo da peopo from Mount Hermon, Salekah, all da Bashan country to da edge a da Geshur peopo land, an Maakah, an half a Gilead to Sihon land, da king inside Heshbon.

⁶ ✧ Moses, Da One In Charge worka guy, an da Israel peopo win ova dem. An Moses give dea land to da Reuben peopo, da Gad peopo, an half da Manasseh peopo, fo dem take ova.

Da West Side Da Jordan Riva

⁷ Dis da lis a da kings fo da land dat Joshua an da Israel peopo wen take ova, da west side a da Jordan Riva, from Baal-Gad inside da Lebanon Valley to Mount Halek dat go up to da Seir Range. Joshua give dea land to da Israel ohanas da time dey split um up, fo come dea property.

⁸ Az da hills, da small hills da west side, da Jordan Riva Valley, da mountain sides, da boonies, an da Negev, da land fo da Het peopo, da Amor peopo, da Canaan peopo, da Periz peopo, da Hiv peopo, an da Jebus peopo:

⁹ da king fo Jericho,
da king fo Ai, nea Bethel,

¹⁰ da king fo Jerusalem,
da king fo Hebron,

¹¹ da king fo Jarmut,
da king fo Lakish,

¹² da king fo Eglon,
da king fo Gezer,

¹³ da king fo Debir,
da king fo Geder,

¹⁴ da king fo Hormah,
da king fo Arad,

¹⁵ da king fo Libnah,
da king fo Adullam,

¹⁶ da king fo Makkedah,
da king fo Bethel,

¹⁷ da king fo Tappuah,
da king fo Hefer,

da king fo Akshaf,

²¹ da king fo Taanak,
da king fo Megiddo,

²² da king fo Kedesh,
da king fo Jokneam inside Carmel,

²³ da king fo Dor inside da hills mauka Dor,
da king fo Goyim inside Gilgal,

²⁴ da king fo Tirzah.

Az thirty-one king guys.

13

Dey Split Up Da Land

¹ Wen Joshua come real ol, Da One In Charge tell him, “You real ol, an still yet get plenny land fo you take ova.

² “Dis da land dat still yet you guys gotta take ova: All da Filisha peopo land, da Geshur peopo land,

³ from da Shihor Gulch da east side a Egypt, to da Ekron land da north side. Az all da Canaan land (dass wea da five Filisha kings stay, inside Gaza, Ashdod, Ashkelon, Gat, Ekron, an da Avva peopo land).

⁴ From da south side, all da Canaan land, from Arah wea da Sidon peopo stay all da way to Afek, da edge a da land wea da Amor peopo stay.

⁵ Da land wea da Gebal peopo stay, an all Lebanon to da east from Baal-Gad unda Mount Hermon to Lebo-Hamat.

⁶ ✧ “Da Sidon peopo dat stay inside da mountains from Lebanon to Misrefot Mayim, I da one goin push dem out in front da Israel peopo. Make shua fo give dis land to da Israel peopo fo come dea property, jalike I wen tell you fo do.

⁷ Give um to da nine ohanas an half da Manasseh ohana fo come dea property.”

How Dey Split Up Da Land Da East Side Da Jordan Riva

⁸ ✧ Da odda half a da Manasseh ohana, da Reuben ohana, an da Gad ohana awready get da land dat Moses wen give dem da east side a da Jordan Riva fo come dea property.

⁹ Dat go from Aroer on da edge a da Arnon Canyon, an da town inside da middo a da canyon, an all da Medeba flat place all da way to Dibon

¹⁰ an all da towns fo Sihon, da king inside Heshbon fo da Amor peopo, an to da edge a da Ammon peopo land,

¹¹ an Gilead, da land a da Geshur peopo, an Maakah, all Mount Hermon, an all Bashan to Salekah.

¹² Az da whole land wea Og wen stay king inside Bashan. He da king inside Ashtarot an Edrei, an was one a da las Rafa peopo. Moses wen win ova dem an take ova dea land.

¹³ But da Israel peopo neva push out da Geshur peopo o da Maakah peopo, az why dey still yet live dea wit da Israel peopo today.

¹⁴ ✧ But Moses no give da Levi ohana property notting. Cuz da Israel peopo bring sacrifices fo make um wit fire fo Da One In Charge, da God fo da Israel peopo, an da food from dat sacrifice go to da Levi ohana. Az dea property, jalike he wen make one promise to dem.

¹⁵ Dis wat Moses give ery small ohana inside da Reuben ohana:

¹⁶ Dey get da land from Aroer on da edge a da Arnon Canyon, an from da town inside da middo a da canyon, an da flat place aroun Medeba,

¹⁷ to Heshbon an all da towns on top da flat place: az Dibon, Bamot-Baal, Bet-Baal-Meon,

¹⁸ Jahaz, Kedemot, Mefaat,

¹⁹ Kiriataim, Sibmah, Zeret-Shahar on da hill inside da valley,

²⁰ Bet-Peor, da sides a Mount Pisgah, an Bet-Jeshimot,

²¹ all da towns on top da flat place, an ery place wea Sihon was king fo da Amor peopo inside Heshbon. Moses win ova him an da Midian leadas:

Evi, Rekem, Zur, Hur, an Reba. Dey all was frenz wit Sihon, dat live ova dea.

²² (Da Israel guys wen kill Balaam wit swords too. Him Beor boy, da one dat know one ceremony fo find out wass goin happen bumbye.)

²³ Da west side a da Reuben ohana land was one side a da Jordan Riva. Da small Reuben ohanas get all dis property from Da One In Charge.

²⁴ Dis wat Moses give da small ohanas in da Gad ohana, north from da Reuben land:

²⁵ da land fo da Jazer peopo, all da towns inside Gilead, an half da Ammon land up to Aroer nea Rabbah,

²⁶ an from Heshbon to Raamat-Mizpah an Betonim, an from Mahanaim to da Debir land,

²⁷ an inside da valley, Bet-Haram, Bet-Nimrah, Sukkot, an Zafon, an da odda land dey take away from Sihon, da king inside Heshbon, da east side a da Jordan Riva, da land up to da Kinneret Lake (az Galilee Lake).

²⁸ Fo da Gad ohana, ery small ohana get dese towns an da mo small towns aroun dea fo come dea property.

²⁹ Dis wat Moses give half da Manasseh ohana, ery small Manasseh ohana:

³⁰ Da land from Mahanaim an all Bashan, all da place wea Og wen stay king fo Bashan, all da camps Jair wen set up, sixty towns inside Bashan,

³¹ half da Gilead land, an Ashtarot an Edrei, wea Og da Bashan king wen live befo time. Dis odda half go da Makir ohana, az Manasseh boy land.

³² Dis wat Moses wen give dem wen he stay inside da flat place Moab side, da east side a da Jordan Riva, nea Jericho.

³³ ✧ But Moses neva give land to da Levi ohana fo come dea property. Az cuz Da One In Charge, da God fo da Israel peopo, dey get him fo dea property, jalike he wen make one promise to dem.

14

Da Land Da West Side Da Jordan Riva

¹ Dis da land da Israel peopo get fo come dea property Canaan side. Eleazar da pries guy, Joshua, Nun boy, an da leadas fo da Israel ohanas wen tell dem who get wat fo come dea property.

² ✧ Da nine an one half ohanas gotta pull straw fo tell wat ohanas get wat land, jalike Da One In Charge wen tell Moses fo do.

³ ✧ Moses awready give da two an one half ohanas dea property da east side a da Jordan Riva, but he no give da Levi ohana property wit da odda ohanas.

⁴ Cuz Joseph boys wen come two ohanas: Manasseh an Ephraim. Da Levi ohana no get land fo come dea property, but dey get towns fo dem live dea, an fields wea dea sheeps, goats, an cows can eat grass.

⁵ So da Israel peopo split up da land jalike Da One In Charge wen tell Moses fo do.

Caleb Get Da Hebron Land

⁶ ✧ Da Judah ohana guys go by Joshua Gilgal side. Caleb, Jefunneh boy from da Keniz blood line, tell Joshua, "Fo shua you rememba wat wen happen Kadesh-Barnea side—wat Da One In Charge wen tell Moses bout me an you. Moses da guy dat stay tight wit God an work fo God.

✧ **13:33** 13:33; Census 18:20; Rules2 18:2 ✧ **14:2** 14:2; Census 26:52-56; 34:13 ✧ **14:3** 14:3; Census 32:33; 34:14-15; Rules2 3:12-17 ✧ **14:6** 14:6; Census 14:30

⁷ ✨ Me, I was forty year ol wen Moses wen sen me from Kadesh-Barnea fo scope out da land. An afta I go an come back by him, I tell um wat I tink fo real kine.

⁸ You know, my braddahs dat wen go wit me make da peopo come real sked. But me, I wen go all out fo stay tight wit my God, Da One In Charge.

⁹ ✨ So dat day, Moses wen make one strong promise to me, fo erybody know dat he goin do um. He tell me, ‘You goin get da land wea you wen walk on top um fo come yoa property—you, an yoa ohana foeva. Cuz you go all out fo stay tight wit my God, Da One In Charge.’

¹⁰ “Now, jalike Da One In Charge wen promise he goin do, I still yet stay alive afta forty-five year, from da time Da One In Charge tell Moses dat, an afta all da time da Israel peopo move aroun inside da boonies. So I still stay hea today, eighty-five year ol!

¹¹ I still yet stay strong, jalike wen Moses wen sen me ova dea. I still stay ready fo go out fight jalike dat time.

¹² So now, give me dis hill country dat Da One In Charge wen make one promise fo give me dat time. You wen hear dat time dat da Anak peopo stay ova dea, an dey get big towns dat get strong wall. But maybe Da One In Charge goin help me, an I goin push out da peopo, jalike Da One In Charge wen tell.”

¹³ Den Joshua tell God fo do good tings fo Caleb, Jefunneh boy, an he give Caleb Hebron town fo come his property.

¹⁴ So Caleb, Jefunneh boy from da Keniz blood line, get Hebron fo his property till now, cuz he go all out fo stay tight wit Da One In Charge, da God fo da Israel peopo.

¹⁵ Befo time dey wen call Hebron, “Kiriath-Arba,” afta da man Arba cuz he da mos importan Anak guy.

Den da land stay quiet, an neva get war.

15

Da Land Da Judah Ohana Get

¹ Da property fo da Judah ohana, fo da small Judah ohanas, start nex to da Edom land. Dass da Zin Boonies, south side.

² Da south edge a dea land start from da bay dass da south edge a da Big Salt Lake.

³ Da property go from dea to da south side a da Scorpion Pass, an by da Zin Boonies, an ova by da south side a Kadesh-Barnea town, den ova to Hezron town an up to Addar town an aroun Karka town.

⁴ Den pass Azmon town, an from dea go to da stream dass da Egypt borda, an from dea to da Mediterranean Sea. Dis da south edge.

⁵ Da east edge a da Judah land, az da Big Salt Lake all da way to da end a da Jordan Riva.

Da north side edge a da Judah land go from da bay wea da Jordan Riva reach da end a da Big Salt Lake.

⁶ Den go up by Bet-Hoglah town an den da north side a Bet-Arabah town to da Bohan Stone dat dey name fo Bohan, Reuben boy.

⁷ Den go up to da odda Debir town from Trouble Valley. Den turn an go north to Gilgal town, dat face da Adummim Pass da odda side a da canyon, den by da watta En-Shemesh side, an from dea to En-Rogel.

⁸ Den from da edge a da Judah land go up da Ben Hinnom Valley, da south side a da hill dat get Jerusalem on top side, da main town fo da Jebus peopo. Den go da top a da hill dat make da west side a da Hinnom Valley, by da north end a da Refaim Valley.

⁹ From da top a dat hill, go aroun to da Neftoah puka fo watta, den to da Mount Efron towns, an den down by Baalah town, dat get da name Kiriath-Jearim too.

¹⁰ Den go west from Baalah to da Seir Range, an aroun da north side a Mount Jearim (dass Kesalon), an down to Bet-Shemesh, an go across to Timnah.

¹¹ Den da borda go da north side a da hill nea Ekron town, an turn to Shikkeron town, an pass Mount Baalah, an reach Jabneel town. From dea, end by da Mediterranean Sea. Dis da north edge.

¹² Da west edge, az da coast a da Mediterranean Sea.
Dis da land fo da Judah ohana.

¹³ ✧Jalike Da One In Charge tell Joshua fo do, he give Caleb, Jefunneh boy, one place inside Judah. Az was Hebron town, dat befo time dey call Kiriath-Arba (Arba, he da ancesta fo da Anak peopo).

¹⁴ Caleb take away da land from da three Anak ohanas from Hebron: az da Sheshai, Ahiman, an Talmi ohanas.

¹⁵ From dea, Caleb go agains da peopo dat live inside Debir town. Peopo wen call Debir "Kiriath-Sefer" befo time.

¹⁶ Caleb tell, "Whoeva attack Kiriath-Sefer town an take um ova, I goin give um my girl Aksah fo marry."

¹⁷ Othniel guys wen go attack Kiriath-Sefer an take um ova. He Caleb braddah Kenaz boy. So Caleb give Othniel his girl Aksah fo marry.

¹⁸ Da same day Othniel marry Aksah, she talk nice to him an tell him az good if he aks her faddah fo give dem some property country side. Wen she get down from her donkey, her faddah aks her, "Wat you like me do fo you?"

¹⁹ She tell um, "I like you do someting spesho fo me. You awready wen give me land inside da dry Negev boonies. So den, try give me some watta springs too." So Caleb give her da high an low springs dea.

²⁰ Dis da property dat da small ohanas in da Judah ohana get.

²¹ Da south side towns fo da Judah ohana stay far away, inside da Negev boonies to da edge a Edom: Kabzeel, Eder, Jagur,

⁴⁴ Da One In Charge let dem res all aroun, jalike he wen make one strong promise to dea ancestas fo do. All da peopo dat stay agains dem no can win ova dem, but Da One In Charge make da Israel peopo win ova all dose guys.

⁴⁵ All da good kine stuff Da One In Charge wen make one promise fo do fo da Israel peopo, he do um all. No mo notting dat he neva do!

22

Da East Side Ohanas Go Back Dea Place

¹ Den Joshua tell da Reuben ohana, da Gad ohana, an half da Manasseh ohana fo come by him.

² ☆He tell um, "You guys wen do eryting dat Moses, Da One In Charge worka guy, wen tell you fo do. An you guys wen do eryting dat I wen tell you fo do too.

³ Fo one long time, an till today, you guys neva bag from yoa braddahs! You wen pau da job yoa God, Da One In Charge, wen give you fo do!

¹⁴ An dey sen ten a da leada guys wit Finehas, one guy fo ery Israel ohana. All dem was da main leada guy fo his ohana.

¹⁵ Wen Finehas guys come Gilead side, to da Reuben ohana, da Gad ohana, an half da Manasseh ohana, dey tell dem:

¹⁶ ☆“All da peopo a Da One In Charge, stay come togedda. Dey tell, ‘How come you guys broke yoa promise to da God fo da Israel peopo lidis?! How come you guys tell “Laytas” to Da One In Charge, an make one altar fo you go agains him awready?!

¹⁷ ☆Befo time, wen oua peopo do one real bad ting Peor side, you guys tink az not enuff blame fo us guys, o wat?! Still yet today us guys neva make us clean from dat real bad kine ting! We still suffa from dat, no matta plenny peopo from da peopo a Da One In Charge, wen come sick dat time wit one real bad kine sick.

¹⁸ So! You guys still yet goin tell “Laytas” to Da One In Charge, o wat?!

“ ‘If you guys go agains Da One In Charge today, fo shua tomorra he goin come huhu wit all us Israel peopo togedda!

¹⁹ If da property you guys get ova dea stay pilau, mo betta you guys come ova oua side! Az Da One In Charge land, wea da Tent Fo Come Tokedda Wit Da One In Charge stay! Mo betta you come live inside dat land an get property by us guys. But no go agains Da One In Charge o agains us guys, an make one altar fo ony you guys. Stick wit da real altar fo oua God, dass Da One In Charge a us!

²⁰ ☆An da time Akan Zerah boy go agains Da One In Charge an steal da tings dat kapu fo erybody, dat time God come huhu wit all da Israel peopo. Akan, he not da ony guy dat wen mahke cuz a da real bad ting he wen do. Odda guys mahke too.’ ”

²¹ Den da Reuben ohana, da Gad ohana, an half da Manasseh ohana tell da leadas fo da Israel peopo,

²² “Da One In Charge,

He da God wit all da powa!

Da One In Charge,

He da God wit all da powa!

He know wat us guys do!

An az good dat all da Israel peopo know too!

“If us guys stay do dis ting agains Da One In Charge, an no lissen him, den no let us guys stay alive.

²³ If us guys make one altar fo us tell ‘Laytas’ to Da One In Charge, an make burn up kine sacrifices on top um, an wheat an barley sacrifices, o make one sacrifice dat tell dat Da One In Charge an us stay tight, we like Da One In Charge be da One fo poin finga us guys.

²⁴ “But us make dis altar cuz we sked dat bumbye you guys kids goin tell oua kids, ‘How come you guys tink you get da right fo pray to Da One In Charge, da God fo da Israel peopo, aah?

²⁵ Da One In Charge wen make da Jordan Riva jalike one wall wit us on dis side an you Reuben an Gad guys on da odda side. You guys no mo da right fo go down in front Da One In Charge.’ So den yoa kids goin make oua kids pau stay sked a Da One In Charge an no goin respeck um.

²⁶ “Az how come us guys wen tell, ‘Us goin get ready fo build one altar— but no goin be fo make burn up kine sacrifices o regula sacrifices.

²⁷ But dis altar goin be one ting dat make you guys an us guys no foget dis: us guys get da right fo go down in front Da One In Charge fo show love an respeck fo him, ova dea by his Tent. An same ting fo oua kids bumbye, us guys goin go ova yoa side fo make burn up kine sacrifices an regula sacrifices an sacrifices dat tell dat Da One In Charge an us stay good.’ Den bumbye yoa kids no goin tell oua kids, ‘You guys no mo da right fo go down in front Da One In Charge ova hea.’

²⁸ “An us Reuben an Gad guys tell, ‘If dey talk lidat to us guys, o to oua kids, we goin tell dem, “Look da altar ova hea dat oua ancesta guys wen copy! Az jalike da altar in front da Tent Fo Meet Wit Da One In Charge. Dey make um, but not fo make burn up kine sacrifices an regula sacrifices ova hea! Dey make um fo us guys an you guys all no go foget dat we goin go Da Tent Fo Meet Wit Da One In Charge fo make burn up kine sacrifices an regula sacrifices ova dea!” ’

²⁹ Us guys no go agains Da One In Charge! Us no goin tell ‘Laytas’ to him today, an make one altar fo burn up kine sacrifices, wheat an barley sacrifices, an regula sacrifices! We goin use ony da altar dat stay in front da Tent fo oua God, Da One In Charge.”

³⁰ Wen Finehas da pries guy an da leadas fo da Israel peopo, da main guys fo da main ohanas, hear wat da Reuben ohana, da Gad ohana, an half da Manasseh ohana tell, dey stay good inside.

³¹ So Finehas, Eleazar da pries boy, tell da Reuben ohana, da Gad ohana, an da Manasseh ohana, “Today us guys know dat Da One In Charge stay tight wit all us Israel guys, cuz you guys no go agains him wen you wen build da altar. Now us guys know dat Da One In Charge no goin punish all us Israel peopo cuz a wat you guys wen do!”

³² Den Finehas, Eleazar da pries boy, an da leada guys go back Canaan side, afta dey pau talk to da Reuben ohana an da Gad ohana Gilead side. Dey tell da odda Israel peopo wat wen happen.

³³ Da peopo stay good inside wen dey hear dat, an tell good tings bout God. An dey no talk no mo bout make war agains dea braddahs, fo wipe out da land wea da Reuben ohana an da Gad ohana live.

³⁴ Da Reuben ohana an da Gad ohana give dea altar dis name: “Fo make all us guys no foget dat Da One In Charge, he God.”

¹⁶ Den da peopo tell, "Us guys no goin bag from Da One In Charge an work fo odda gods!"

¹⁷ Oua God Da One In Charge, he da One wen bring us guys an oua ancesta guys outa Egypt wea us was slaves. He do awesome stuff in front us. He take kea us wea eva us guys go. He take kea us guys wit all da peopos we wen pass thru dea land.

²⁰ If you guys bag from Da One In Charge afta he do all kine good stuff fo you guys, an if you guys go work fo odda gods, den he goin turn aroun an bring all kine bad stuff on top you guys, an wipe you guys out!"

²¹ But da peopo tell Joshua, "No! Us goin work fo Da One In Charge!"

²² Den Joshua tell, "You guys betta not foget wat you tell me now, dat you guys wen pick Da One In Charge fo work fo him."

Dey tell, "Yeah, us no goin foget!"

²³ Joshua tell: "Kay den. Throw out da idol kine gods from odda peopos dat you guys get! Go all out fo Da One In Charge, da God fo da Israel peopo!"

²⁴ Da peopo tell Joshua, "Us goin work fo oua God, Da One In Charge, an lissen him!"

²⁵ Right den an dea, Joshua make one deal wit God fo da peopo. An ova dea Shekem side, he make rules an tell wat dey gotta do.

²⁶ Joshua write all dat inside da Book Fo Da Rules From God. Den he put up one big stone unda one oak tree, nea da place dat stay spesho fo Da One In Charge.

²⁷ He tell da peopo, "Look! Dis stone, fo help us guys no foget. Jalike da stone hear eryting Da One In Charge tell us. Jalike da stone goin grumble bout you guys if you no do wat you tell you goin do fo yoa God."

Da Local Leada Guys Story Judges

Da Israel Peopo Fight Da Canaan Peopo Dat Still Stay

¹ Dis wat happen afta Joshua mahke: Da Israel peopo aks Da One In Charge, "Who goin be da firs ohana fo go fight fo us guys agains da Canaan peopo?"

² Da One In Charge tell, "Da Judah ohana goin go. I goin turn da land ova to dem."

³ Da Judah ohana guys tell dea braddahs, da Simeon ohana guys, "Go wit us inside da land Da One In Charge wen give us guys, da time all us guys wen pull straw fo show wat land we get. We goin fight da Canaan peopo dat still stay ova dea. Den we goin go wit you guys to da land God wen give you guys, pull straw time." An da Simeon guys go wit dem.

⁴ Wen da Judah guys attack da Canaan guys, Da One In Charge make dem win ova da Canaan peopo an da Periz peopo. So dey kill 10,000 guys Bezek side.

⁵ Dey find King Adoni-Bezek, an fight him. Az wen dey wack da Canaan peopo an da Periz peopo.

⁶ Adoni-Bezek run away. But dey chase an catch um. Dey cut off his thumbs an big toes.

⁷ Den Adoni-Bezek tell dem, "Get seventy king guys, I wen win ova dem. I wen cut off dea thumbs an big toes. I make um pick up da crumbs from unda my table. Wat I wen do to dem guys, God pay me back same ting!" Da Judah guys take him Jerusalem side, an he mahke ova dea.

⁸ Da Judah guys go attack Jerusalem too, an take ova. Dey kill da peopo ova dea wit swords, an burn down da town.

⁹ Afta dat, da Judah guys go down fo fight da Canaan peopo dat live inside da hill land, da Negev boonies, an da small hills by da west side.

¹⁰ Den dey go agains da Canaan peopo dat live Hebron town. (Az da place peopo wen call Kiriath-Arba befo time.) Dey wack Sheshai, Ahiman, an Talmai.

¹² Wat happen dea, Caleb tell, "I goin give my girl Aksah fo marry da guy dat attack Kiriath-Sefer an take ova."

¹³ Othniel, Kenaz boy, him da one take um ova. (Kenaz, he Caleb younga braddah.) So Caleb give his girl Aksah, fo marry Othniel.

¹⁴ One time afta Aksah marry Othniel, she talk nice to him, fo go aks her faddah give dem one field fo dea property. Den wen she go by Caleb an get off her donkey, Caleb aks her, "Wat you like me do fo you?"

¹⁵ She tell um, "I like you do someting spesho fo me. You wen give me land inside da Negev boonies. So I like you give me some watta pukas too." Den Caleb give her some watta pukas mauka side, an makai side too.

¹⁶ Da kids from Moses faddah-in-law, da Ken peopo, dey go from Jericho, da Date Palm Town, wit da Judah guys, fo live wit da Judah peopo inside da Judah boonies, inside da Negev aroun Arad.

¹⁷ Den da Judah guys go wit da Simeon guys, dea braddahs, an go afta da Canaan peopo inside Zefat. Dey wipe out all dat town. Az why dey call um Hormah now.

¹⁸ Da Judah guys win ova Gaza, Ashkelon, an Ekron, dose towns an da land aroun um.

¹⁹ Da One In Charge stay wit da Judah guys. Dey take ova da hill country, but dey no can push out da peopo dat live inside da valleys, cuz dem guys get iron war wagons.

²⁰ ✧Jalike Moses wen promise, da Judah guys give Hebron town to Caleb. He take da town away from three guys dat come from Anak.

²¹ ✧But da Benjamin ohana no can win ova da Jebus peopo dat stay live inside Jerusalem. Still yet today da Jebus peopo live ova dea wit da Benjamin ohana.

Da Joseph Ohana

²² Dis, da Joseph ohana story. Dey go attack Bethel, an Da One In Charge stay wit dem.

²³ Firs ting, dey wen sen guys fo find out bout da peopo dat live inside Bethel (peopo wen call da town Luz befo time).

²⁴ Da Israel guys spock one guy dat stay come outa Bethel town. Dey tell him, "You show us guys how we can go inside da town, an we goin make shua dat oua guys make nice to you."

²⁵ He show um how fo go inside da town. Den da Israel guys go kill erybody inside dea wit swords. But dey no kill dat guy o anybody from his ohana.

²⁶ Den da guy go da Het land. He build one town ova dea, an call um Luz. Still yet get dat name today.

²⁷ ✧But da Manasseh ohana neva push out da peopo inside Bet-Shan, o Taanak, o Dor, o Ibleam, o Megiddo, an da towns aroun um. Az cuz da Canaan peopo ova dea make up dea mind dey goin stay ova dea.

²⁸ Bumbye wen da Israel peopo come mo strong, dey make da Canaan peopo ova dea work fo dem, but da Israel peopo neva push all dem out.

²⁹ ✧Same ting, Da Efraim ohana guys neva push out da Canaan peopo dat live inside Gezer, but da Canaan peopo stay live dea wit da Efraim peopo.

³⁰ Da Zebulun ohana peopo neva push out da Canaan peopo dat stay inside Kitron an Nahalol, dat stay live wit dem, but da Zebulun peopo make da Canaan peopo ova dea work fo dem too.

³¹ Da Asher ohana peopo neva push out da Canaan peopo dat stay inside Akko, o Sidon, o Aklab, o Akzib, o Helbah, o Afek, o Rehob.

³³ Da Naftali ohana peopo neva push out da peopo dat live inside Bet-Shemesh, o Bet-Anat. Da Naftali ohana peopo still stay live wit da Canaan peopo inside da land. An da Naftali peopo make da peopo inside Bet-Shemesh an Bet-Anat work fo dem.

³⁴ Da Amor peopo, dey make da Dan ohana peopo stay up country, an no let dem come down inside da valleys.

³⁵ An da Amor peopo make up dea mind fo stay live on top Mount Heres, Aijalon, an Shaalbim. But wen da Joseph ohana come mo strong, dey make da Amor peopo ova dea work fo dem.

One Angel Messenja Guy Come Bokim Side

¹ One angel messenja guy from Da One In Charge go from Gilgal to Bokim. He tell da Israel guys, "I wen bring you guys outa Egypt to dis land. Az da land dat I wen make one strong promise fo give um to yoa ancesta guys. I wen tell, 'No ways I goin broke da deal I wen make wit you guys!'

² ✧ An you guys, you not suppose to make one deal wit da peopo inside dis land. You guys suppose to broke down dea altars. But you guys no lissen! How come you guys make lidat, aah?!

³ Az why I tell you guys now dat I no goin push dem out in front you guys. But dey goin come jalike thorns in you guys sides. An dea gods goin come one trap fo you guys."

⁴ Wen da angel messenja guy pau talk lidat to all da Israel peopo, dey cry loud.

⁵ Dey call dat place Bokim, cuz dey cry dea. An dey make sacrifices fo Da One In Charge ova dea.

Da Peopo No Lissen An Dey No Win (Joshua 24:29-31)

⁶ Den Joshua, Nun boy, tell da peopo go home. Erybody go da place dat wen come dea property, fo take um ova.

⁷ Da peopo work fo Da One In Charge, all da time dat Joshua still stay alive, an all da time dat get older leadas dat live mo long den him, dat wen see all da big tings Da One In Charge do fo da Israel peopo.

⁸ Joshua, Nun boy, da guy dat work fo Da One In Charge, he mahke wen he one hundred ten year ol.

⁹ ✧ Dey bury him inside da land he get fo his property, Timnat Heres, up country Ephraim side, north a Mount Gaash.

¹⁰ Afta all da peopo dat stay alive dat time mahke, dea kids grow up. But dey donno Da One In Charge, an donno wat he wen do fo da Israel peopo.

¹¹ Den da Israel peopo do bad kine stuff da way Da One In Charge see um, an dey work fo da Baal gods.

¹² Dey bag from Da One In Charge, da God fo dea ancesta guys dat wen bring dem outa Egypt. Dey stay tight wit odda gods an go down in front um, da gods fo da peopos dat live aroun dem. Dey make Da One In Charge come huhu

¹³ cuz dey bag from him, an work fo da Baal god, an da Ashterot gods.

¹⁴ Da One In Charge stay huhu wit da Israel peopo. So he let some steala guys go rip dem off. Az jalike he sell dem to da peopo dat live all aroun dem an hate dem. Da Israel peopo no mo da powa fo stop da steala guys.

¹⁵ Weneva da Israel peopo go out fo fight, Da One In Charge stay agains dem fo dem no win, jalike he wen make one strong promise befo time fo go agains dem.

¹⁶ Da One In Charge make some a dem come local leada guys. Dey no let da guys dat like rip off stuff from da Israel peopo get powa ova dem.

¹⁷ But still yet dey no lissen dea local leada guys. Dey fool aroun wit da odda gods, an go down in front dem. Dey no make jalike dea faddahs, but real fas dey tell "Laytas" to da way dea faddahs wen live, cuz dea faddahs wen lissen wat Da One In Charge tell um fo do.

¹⁸ Weneva Da One In Charge make one a dem dea local leada guy, he stay wit dat leada all da time da leada stay alive. Az how Da One In Charge get dem outa da powa a da peopo dat stay agains dem. Cuz Da One In Charge get love an pity fo dem wen dey stay moan from da presha dey get from da odda guys.

¹⁹ But weneva one local leada guy mahke, da peopo turn aroun. Dey jam up even mo stuff den dea faddahs wen jam up. Dey go follow odda gods, an work fo dem an go down in front dem. Dey ony like do bad kine stuff, an dey come real hard head.

²⁰ Az why Da One In Charge come real huhu wit da Israel peopo. He tell, "Cuz dis peopo go make any kine agains da deal I wen make wit dea ancesta guys, an dey no lissen wat I tell um,

²¹ I no goin push out da res a da peopos in front dem, da ones dat still stay inside da land wen Joshua mahke.

²² I goin use dose peopos fo tes da Israel peopo. Dass how I goin find out if dey goin stay tight wit me, Da One In Charge, an live how I tell um fo live, jalike dea ancesta guys wen do, o wat?"

²³ Az why Da One In Charge wen let dose peopos stay inside da Canaan land. He no take away dea land right den an dea, an he no let Joshua take ova dem.

3

Da One In Charge Let Some Odda Peopos Stay Inside Da Land

¹ Da One In Charge wen let some odda peopos stay inside da land fo make one tes. Dass how he tes da Israel peopo dat neva fight wit da Canaan peopo befo time, jalike dea faddahs wen fight um.

² He ony do dat fo teach da Israel ohana peopo dat goin born layta how fo make war, cuz get peopo dat neva fight befoa.

³ Dese, da diffren peopos dat stay inside da land:

da Filisha peopo wit dea five leadas,

all da Canaan peopos,

da Sidon peopo,

da Hiv peopo dat live inside da Lebanon mountains from Mount Baal-Hermon to Lebo-Hamat.

⁴ (Da One In Charge let dose peopos stay dea fo make one tes fo da Israel peopo. He like find out if dey goin lissen wat he tell um fo do, jalike da stuff he wen give Moses fo tell dea faddah guys.)

⁵ So da Israel peopo wen live wit da Canaan peopo, da Het peopo, da Amor peopo, da Periz peopo, da Hiv peopo, an da Jebus peopo.

⁶ Da Israel peopo pick girls from dose peopos fo marry dea boys, an give dea girls fo marry dose peopos boys. Dass how come da Israel peopo work fo da odda peopo gods.

Otniel

⁷ Da Israel peopo do bad kine stuff da way Da One In Charge see um. Dey foget dea God, Da One In Charge, an dey work fo da Baal gods an da Asherah wahine gods.

⁸ Da One In Charge come real huhu wit da Israel peopo. Az why he turn um ova to Kushan-Rishataim, da king fo Aram-Naharaim, an da Israel peopo work fo him fo eight year.

⁹ But wen dey yell to Da One In Charge fo help dem, he give um one guy fo get dem outa trouble: az Otniel, Kenaz boy, Caleb younga braddah. Otniel get dem outa trouble.

¹⁰ God Spirit take charge a Otniel, so he come da local leada guy fo da Israel peopo, an lead dem fo fight. Da One In Charge give him da powa fo win ova Kushan-Rishataim, da Aram king.

¹¹ So den da land stay quiet fo forty year, till Otniel mahke.

Ehud

¹² One mo time da Israel peopo do bad kine stuff, da way God see um. An cuz dey do bad kine stuff, Da One In Charge give Eglon, da king fo Moab, da powa fo win ova da Israel peopo.

¹³ Eglon make frenz wit da Ammon peopo an da Amalek peopo, an dey go afta da Israel peopo. Dey take ova Palm Tree Town, az Jericho.

¹⁴ Da Israel peopo stay unda Eglon, da king fo Moab, fo eighteen year.

¹⁵ One mo time da Israel peopo yell to Da One In Charge fo help dem. So he give dem one guy fo get dem outa trouble: az Ehud. He one guy dat do stuff wit his lef hand. He Gera boy, from da Benjamin ohana. Da Israel peopo sen him fo carry da stuff dey gotta pay Eglon, da Moab king.

¹⁶ Ehud wen make one small sword wit two sides sharp, bout 18 inch long. He tie um to his right thigh, unda his clotheses.

¹⁷ He bring da stuff da Israel peopo gotta pay to Eglon, da Moab king. Eglon, he one real fat guy.

¹⁸ Afta Ehud give Eglon da stuff, he tell his guys dat carry da stuff fo go home.

¹⁹ Wea he come by da idol kine statues nea Gilgal, Ehud turn aroun an go back by da Moab king. He tell, "I get one secret ting fo tell you, da king."

Da king tell, "Quiet!" An all his helpa guys leave him.

¹⁰ Barak tell da Zebulun an Naftali guys come wit him, so ten tusan guys go wit him. An Deborah go wit him too.

¹¹ Dat time, Heber da Ken ohana guy wen go way from da odda Ken guys. (Dey had Hobab, Moses braddah-in-law, fo dea ancesta guy.) Heber put up his tent by da big oak tree inside Zaanannim nea Kedesh.

¹² Wen somebody tell Sisera dat Barak, Abinoam boy, wen go up to Mount Tabor,

¹³ Sisera tell his nine hundred iron war wagons fo come, an all da guys wit him from Haroshet-Haggoyim, fo go da Kishon Gulch.

 9 I get love an aloha fo da ones dat make da rules fo da Israel peopo,
 An fo da Israel guys dat volunteer fo da army.
 I like fo dem talk good bout Da One In Charge!

10 “You importan guys dat ride on top da nice looking donkeys,
 Sitting on top saddle blankets,
 An you regula guys dat walk on da road,
 Tink plenny bout dis!

11 Tink bout wat da guys tell, dat share da watta
 Wen dey stay nea da watta places.
 Dey tell how Da One In Charge erytime do wass right,
 An how da peopo from da small towns Israel side do wass right.

“Den da peopo dat stay tight wit Da One In Charge

 Barak, Abinoam boy, get up!
 Take da guys you wen make prisonas!’

13 “Den da guys dat stay alive still yet,
 Dey march down from Mount Tabor agains da army leada guys.
 Da peopo a Da One In Charge,
 Dey come down fo me wea da awesome fighta guys stay.

14 Some a my guys come from Efraim,
 From wea da Amalek peopo live befo time.
 Da Benjamin guys follow you wit da odda peopos.
 Da captains come down from Makir,
 Da Zebulun guys carry one stick
 Fo show dey one main army leada.

15 Da leada guys from Issakar stay wit Deborah.
 Jalike Barak wen do, Issakar do da same ting.
 Dey run down da valley wen he tell um fo go.
 But some a da Reuben ohanas,
 Da peopo tink hard bout wat dey goin do.

16 How come you Reuben guys stay sit nea da fires inside da camp?
 You like hear da guys whistle fo call da sheeps, o wat?
 Some a da Reuben ohanas,
 Da peopo try fo figga wat dey goin do.

17 Da Gilead peopo stay da odda side a da Jordan Riva.
 Da Dan peopo, how come dey hang out by da boats?
 Da Asher peopo stay by da coast,

- An wait by da boat harbor.
 18 Da Zebulun peopo, dey volunteer fo mahke.
 Da Naftali peopo same ting,
 An dey take ova da top side a da place wea dey fight.
- 19 “Da king guys from Canaan come an fight
 By Taanak, by da Megiddo watta.
 But dey no rip off silva o odda stuffs from da guys dey kill.
- 20 Was jalike da stars fight from da sky!
 From dea path, dey fight Sisera.
- 21 Da Kishon Gulch wash dem away.
 Da gulch dat stay from befo time, az Kishon.
 No sked, go fo it, march!
- 22 Den da horse hoofs poun an make big noise.
 Dey strong, an dey run an run.
- 23 Da angel messenja guy from Da One In Charge tell,
 ‘Put kahuna on top da Meroz peopo! No give um chance!
 Cuz dey no come fo help Da One In Charge agains da strong guys.’
- 24 “Jael, her Heber wife, da guy from da Ken ohana.
 I like good tings happen to her,
 Mo den to all da odda wahines!
 From all da wahines dat live inside tents,
 Do da bestes kine stuff fo her!
- 25 Sisera aks fo watta, an she give him milk.
 Inside one nice bowl good enuff fo da alii
 She bring sof cheese fo him.
- 26 She put out her hand fo grab da tent peg.
 She get da kine hamma da worka guys use, inside her right hand.
 She wack Sisera. She smash his head.
 She stab da side a his head wit da peg
 An smash um thru da bone!
- 27 He fall down by her feet.
 An stay dea.
 An he all wipe out,
 Mahke die dead!
- 28 “Sisera muddah look thru da window,
 An yell thru da window,
 ‘How come his war wagon take long time fo come?
 How come no can hear da noise from all his war wagons?
 How come his wagon no make noise?’
- 29 Da wahines dat help her, dey stay akamai.
 Dey tell her no worries.
 An she figga,
- 30 ‘Fo shua, dey stay rip off all da stuffs from da Israel peopo.
 An dey give some to each odda.
 All da guys get one o two girls.
 Sisera get nice clotheses.
 He get da embroida stuff,
 An he goin give embroida scarfs to me
 Fo wear aroun my neck!’ ”

31 Deborah tell: “Da One In Charge, I like all da guys dat stay agains you,

 But I like da peopo dat get love an aloha fo you,
 Come jalike da bright sun wen stay shine in da sky.”
 Den da peopo res, an no fight nobody fo forty year.

Gideon

¹ One mo time da Israel peopo do bad kine stuff da way Da One In Charge see um. So he make da Midian peopo take ova dem fo seven year.

² Da Midian peopo make real strong presha agains da Israel peopo. Az why da Israel peopo make places fo hide inside cliffs an caves, an odda strong places inside da mountains.

³ Weneva da Israel peopo plant food, da Midian peopo, da Amalek peopo, an odda peopos from da east side attack da Israel land.

⁴ Dey make camp nea da Israel peopo, an jam up eryting dat grow dea. Dass how dey do, all da way to Gaza. Dey no leave notting alive fo da Israel guys—sheeps, cows, an donkeys.

⁵ Dey come wit dea animals an tents ova dea, jalike wen get real plenny locust kine grasshoppas. No can count da Midian guys an dea camels. Dey attack da land fo wase um.

⁶ Da Midian guys rip off eryting, an no leave notting ova dea. Az why da Israel peopo yell fo help to Da One In Charge.

⁷ Wen da Israel peopo call Da One In Charge fo help dem cuz a wat da Midian peopo do,

⁸ Da One In Charge sen dem one guy fo talk fo him. Da guy tell, “Dis wat Da One In Charge tell, da God fo da Israel peopo: I wen bring you guys outa Egypt, wea you guys was slaves.

⁹ I free you guys up an get you outa da Egypt guys powa, an from all da guys dat put strong presha on you guys. I push dem out an give you guys dea land.

¹⁰ I tell you guys, ‘I yoa God, Da One In Charge. No go down in front da gods fo da Amor peopo, no matta you guys live inside dea land.’ But you guys neva lissen me.”

¹¹ One time, one angel messenja guy from Da One In Charge come sit down unda da oak tree Ofrah side. Da tree was Joash property. He come from Abiezer. Gideon, Joash boy, stay take da junks outa da wheat. He stay do um inside one place wea dey press da juice from da grapes, so da Midian guys no can see um an rip um off.

¹² Wen da angel messenja guy from Da One In Charge show up by Gideon, da angel tell, “Da One In Charge stay wit you. You one strong fighta guy.”

¹³ Gideon tell, “But mista, if Da One In Charge stay wit us guys, how come all dis bad kine stuff stay happen to us? Us no can see all da awesome kine stuff he do, dat oua ancesta guys wen tell us bout. Dey tell, ‘Da One In Charge wen bring us guys outa Egypt.’ But now Da One In Charge wen bag from us, an let da Midian guys win ova us guys!”

¹⁴ Da One In Charge turn an look at him. He tell Gideon, “Go! Use da powa you get, an take da Israel peopo out from da Midian peopo powa. Az me I sen you.”

¹⁵ Gideon tell, "But Boss, how I goin get da Israel peopo outa trouble? My blood line not strong. Dey da mos weak blood line inside da Manasseh ohana. An I da younges guy inside my faddah family."

¹⁶ Da One In Charge tell him, "I goin stay wit you. You goin bus up all da Midian guys same time."

¹⁷ Gideon tell, "Kay den. If you feel good bout me, show me someting fo me know dat you da One dat stay talk to me."

¹⁸ Try no go way, till I come back an bring da sacrifice I goin put in front you."

So Da One In Charge tell, "I goin wait till you come back."

¹⁹ So Gideon go inside an make ready one young goat. From six gallon flour he make bread dat no mo yeast. He put da meat inside one basket, an da soup from da meat inside one pot, he bring um out, an put um by Da One In Charge unda da oak tree.

²⁰ Da angel messenja guy from God tell him, "Take da meat an da bread dat no mo yeast, an put um on top dis rock. An pour da soup on top um." So Gideon make lidat.

²¹ Da angel from Da One In Charge poin da end a da stick fo walk he get inside his hand, an touch da meat an da bread dat no mo yeast. Fire come outa da rock, an burn da meat an da bread. Den da angel from Da One In Charge disappea.

²² Wen Gideon know az was one angel guy from Da One In Charge, he tell, "Bummahs! You da One In Charge a me, an in charge a eryting. Fo shua, I wen see one angel from Da One In Charge, an dat angel talk strait to me! Dat mean, I goin mahke!"

²³ But Da One In Charge tell him, "Cool head! No sked! You no goin mahke!"

²⁴ So Gideon build one altar fo Da One In Charge ova dea. He call um, "Da One In Charge Give Res." Stay inside Ofrah town wea da Abiezer ohana live, still yet today.

²⁵ Dat same nite Da One In Charge tell him, "Take da numba two bull from yoa faddah cows, da one dass seven year ol. Bus up da altar yoa faddah wen build fo da Baal god, an cut down da tiki pos fo da wahine god Asherah, dat stay by da side.

²⁶ Den build da right kine altar fo yoa God, Da One In Charge, on top dis place dat get one strong wall. Den kill da bull fo make one burn up kine sacrifice. Lay out da wood from da Asherah pos you cut down, fo burn up da sacrifice."

²⁷ So Gideon take ten a his worka guys, an do wat Da One In Charge tell him fo do. But cuz he stay sked a his family, an da guys inside da town, he do um nite time, an not day time.

²⁸ Morning time, da guys inside da town see dat da altar fo Baal stay bus up. Da Asherah tiki pos beside um stay cut down, an da numba two bull come one burn up kine sacrifice on top one altar somebody jus wen build!

²⁹ Den dey aks each odda, "Who wen do dis?"

Dey try fo find out, an aks erybody. Somebody tell um, "Was Gideon, Joash boy! He wen do um!"

³⁰ Den da guys from da town tell Joash, "Bring out yoa boy. He gotta mahke, cuz he wen bus up da altar fo Baal, an cut down da Asherah tiki pos by da side."

³¹ But Joash tell all da guys dat stan agains him, "Wot! You guys figga you gotta make jalike lawya guys fo help Baal, o wat?! You trying fo get him

outa trouble?! Anybody fight fo Baal lidat, dey gotta mahke befo morning time! If Baal stay one god fo real kine, he can fight if somebody go bus up his altar.”

³² So from dat day da peopo call Gideon “Jerub-Baal,” cuz dey tell, “Let Baal fight him,” cuz Gideon broke down da altar fo Baal.

³³ Dat time, all da Midian peopo, da Amalek peopo, an da odda peopos from da east side go togedda, an cross da Jordan Riva. Dey make camp inside da Jezreel Valley.

³⁴ Den da Spirit from Da One In Charge take ova Gideon. He blow one sheep horn trumpet, fo call da Abiezer ohana guys fo go wit him.

³⁵ Den he sen messenja guys all ova da Manasseh ohana land, an da Asher, Zebulun, an Naftali ohana lands, fo call dea guys fo fight too. So dose guys go fo meet Gideon an his guys.

³⁶ Gideon tell God, “If you goin use my powa fo get da Israel peopo outa trouble, jalike you wen promise fo do—

³⁷ look. I goin put one sheep skin dat still get wool on top da groun, da place wea dey take da junks outa da wheat. If get dew ony on top da wool, an all da groun stay dry, den I goin know dat you goin use my powa fo get da Israel peopo outa trouble, da way you wen tell.”

³⁸ So az wat happen. Gideon get up early da nex day. He squeeze da skin fo get out da dew, an get one bowl full a watta from um.

³⁹ Den Gideon tell God, “Try no come huhu wit me. I goin aks fo one mo tes wit da skin. Dis time, make ony da wool stay dry an da groun get dew all ova um!”

⁴⁰ An dat nite God make um happen lidat. Ony da wool stay dry. An all da groun get dew all ova um.

7

Gideon Win Ova Da Midian Army

¹ Early in da morning, Jerub-Baal, (dass Gideon), an all his guys make camp by da Harod puka fo watta. Da Midian guys make camp north a dem inside da valley nea da Moreh hill.

² Da One In Charge tell Gideon, “You get mo plenny army guys den you need! If I make dem win ova da Midian guys, da Israel guys goin talk big, but not bout me. Dey goin tink dey da awesome guys, cuz dey da ones wen bus up da Midian guys wit da powa dey get, an dey da ones do stuff dat get dem outa trouble.

³ ✨So tell da army guys, ‘Anybody stay sked an shaking, okay fo dem go back, an go way from Mount Gilead.’ ” Az why 22,000 guys go back, an 10,000 guys stay.

⁴ But Da One In Charge tell Gideon, “Still yet, get mo plenny army guys den you need. Take um down by da watta. I goin make one tes fo dem ova dea. If I tell, ‘Dis one goin go wit you,’ den he goin go. But if I tell, ‘Dis one no goin go wit you,’ den he not goin go.”

⁵ So Gideon take da guys down by da watta. Ova dea Da One In Charge tell him, “Split da guys dat lick da watta wit dea tongue jalike one dog, from da guys dat go down on top dea knees fo drink.”

⁶ Get three hundred guys get watta in dea hands an lick wit dea tongue jalike one dog. All da odda guys go down on top dea knees fo drink.

⁷ Da One In Charge tell Gideon, "I goin get you outa da Midian guys powa, an give you guys da powa fo win ova dem, wit da three hundred guys dat lick da watta wit dea tongue. All da odda guys, dey go home."

⁸ So Gideon tell da odda guys go back dea place. But he keep da three hundred guys wit him. An dey take ova da food an da sheep horn trumpets from da odda guys.

Da camp fo da Midian guys stay mo low den Gideon, da bottom a da valley.

⁹ Nite time, Da One In Charge tell Gideon, "Stan up. Go down by da camp. Cuz I goin make you guys win ova da Midian guys.

¹⁰ If you sked fo attack um, den go down wit Purah, yoa helpa guy,

¹¹ an lissen wat dey tell. Den you goin stay good inside fo attack dem." So Gideon an Purah, his helpa guy, go down by da edge a dea camp.

¹² Da Midian guys, da Amalek guys, an da odda guys from da east side wen stay inside da valley. Dey get plenny guys, jalike locust kine grasshoppas. No can count dea camels, jalike no can count da sand on top da beach.

¹³ Gideon come jus wen one guy tell his fren bout one dream. He tell, "You know wat? I get one dream. One roun barley bread come rolling down da hill inside da Midian camp, turn dis side an dat side. Go come all da way to dis tent, an wack um wit plenny powa, so da tent huli an fall down!"

¹⁴ His fren tell, "Fo shua, dat gotta be da army wit Gideon, Joash boy, da Israel guy. God goin let him win ova us Midian guys an all da res a da army!"

¹⁵ Wen Gideon hear da dream, an wat dat mean, he go down in front God. He go back by da Israel camp, an yell, "Get up! Cuz Da One In Charge goin make you guys win ova da Midian guys!"

¹⁶ Gideon split da three hundred guys in three. He give erybody sheep horn trumpets an empty clay jars wit torches inside.

¹⁷ He tell, "Watch me! Do wat I goin do! Wen I come by da edge a da camp, make jalike me!"

¹⁸ Wen me an da odda guys wit me blow oua sheep horn trumpets, den from all aroun da camp, you guys blow yoa trumpets too, an yell, "Fo Da One In Charge! An fo Gideon!"

¹⁹ Right afta midnite wen da Midian guys change dea guard guys, Gideon an da one hundred guys wit him come by da edge a da camp. Dey blow dea sheep horn trumpets, an smash da jars dey get inside dea hands.

²⁰ Den all da three parts a da Israel army blow dea trumpets, an smash dea jars. Dey get da torch in dea lef hand, an da trumpet dey goin blow in dea right hand. An dey yell, "One sword fo Da One In Charge an fo Gideon!"

²¹ All dem stay wea dey stan aroun da camp. But all da Midian guys run away, yelling.

²² Wen da three hundred trumpets make noise, Da One In Charge make da Midian guys inside dea camp attack each odda wit dea swords. Dea army guys run away to Bet-Shittah nea Zerarah to da edge a Abel-Meholah, nea Tabbat.

²³ Gideon call back da odda Israel army guys from Naftali, Asher, an all da Manasseh guys, an dey go chase da Midian guys too.

²⁴ Gideon sen messenja guys all ova up country Efraim. Dey tell, “Go down an attack da Midian guys! Go da Jordan Riva befo dey reach dea! Take ova da Jordan Riva all da way to Bet-Barah!”

So dey tell all da Efraim guys fo come. Dey take ova da Jordan Riva all da way to Bet-Barah.

²⁵ Dey catch two Midian leada guys too, Oreb an Zeeb. Dey kill Oreb by da rock dey call da “Oreb Rock.” Dey kill Zeeb by da place dat get da name “Zeeb” wea dey press da grapes. Dey chase da Midian guys. Den dey bring Oreb an Zeeb heads by Gideon, from da odda side a da Jordan Riva.

8

Zebah An Zalmunna

¹ Da Efraim ohana peopo talk strong to Gideon. Dey aks him, “How come you wen make lidis to us guys?! You neva call us wen you go out fo fight da Midian guys!”

² But he tell dem, “Eh, you guys wen do mo den me, you know. Az jalike da grapes dat lef ova from you guys grape farms, dey mo betta den all da grapes from oua Abiezer ohana!”

³ ☆ God let you guys win ova Oreb an Zeeb, da Midian leada guys. You guys do plenny mo den me!” Wen dey hear dat, dey no stay huhu wit him no moa.

⁴ Gideon an da three hundred guys wit him, dey stay wore out. But still yet dey stay chase da Midian guys. Dey come da Jordan Riva, an cross um.

⁵ Gideon tell da Sukkot guys, “Try give my army guys some bread. Dey all had it. An still yet we stay chase Zebah an Zalmunna, da Midian king guys.”

⁶ But da Sukkot leada guys tell him, “You awready cut da hands off Zebah an Zalmunna, o wat?! How come we suppose to give yoa army guys bread, aah?!”

⁷ Gideon tell dem, “Cuz you guys talk lidat, I stay shua dat wen Da One In Charge let us guys win ova Zebah an Zalmunna, I goin rip you guys skin wit sharp thorns from da boonies!”

⁸ From ova dea Gideon go Peniel town an aks dem fo bread too, but dey tell da same ting jalike da Sukkot guys.

⁹ So he tell da Peniel guys same ting: “Wen I come back afta I win, I goin broke down dis towa ova hea.”

¹⁰ Dat time Zebah an Zalmunna stay inside Karkor wit ony bout 15,000 army guys in dea camp. Az was all da guys dat still stay alive from da east side peopos, afta 120,000 guys wit swords wen mahke awready.

¹¹ Gideon go up da road da peopo use dat live in tents an no stay one place long time cuz dey need grass fo dea animals, da east side a Nobah an Jogbehah. Cuz da Midian guys dea donno Gideon stay come, da Gideon guys wack dea army camp.

¹² So Zebah an Zalmunna, da two Midian king guys, run away fas, but Gideon guys chase um an catch um. An Gideon dem make all da Midian army guys run all ova da place.

¹³ Den Gideon, Joash boy, come back from da fight on top Heres Pass.

¹⁴ He catch one young guy from Sukkot town, an aks him fo tell um stuff. Da young guy write da names fo da 77 older leada guys inside Sukkot.

¹⁵ Den Gideon go tell da guys from Sukkot, “Look! Dis Zebah an Zalmunna. You guys wen make fun a me bout dem, befo time. You guys

wen tell, 'You awready cut da hands off Zebah an Zalmunna, o wat?! How come we suppose to give yoa wore out guys bread, aah?!' "

¹⁶ So he take da older leadas fo Sukkot, an punish dem wit sharp thorns from da boonies, fo teach da Sukkot guys someting.

¹⁷ An he broke down da towa Peniel side, an kill da guys from ova dea.

¹⁸ Den he aks Zebah an Zalmunna, "Wat kine guys you wen kill Mount Tabor side?"

Dey tell um, "Guys jalike you, dat look jalike dey one king kids."

¹⁹ Gideon tell um, "Dose guys my braddahs, my muddah boys. Jalike fo shua Da One In Charge stay alive, I stay shua too, dat I goin kill you guys, cuz you guys wen kill dem, az why!"

²⁰ An he turn to his numba one boy Jeter, an tell him, "Kill um!" But Jeter no pull out his sword, cuz he still young, an he sked.

²¹ Den Zebah an Zalmunna tell Gideon, "Come. You wack us. One guy dass fo real, he strong." So Gideon go kill dem. An he take da jewelry off dea camels.

Gideon Make One Pries Kine Ves

²² Da Israel peopo tell Gideon, "Go come! Be da leada ova us—you an yoa boy an yoa grankid. Cuz you wen get us outa da Midian guys powa."

²³ But Gideon tell dem, "I no goin be yoa leada. An my boy no goin be yoa leada. Cuz Da One In Charge goin be yoa leada."

²⁴ Den he tell, "I goin tell you guys fo do one ting. Erybody give me one earring from da stuff you wen take from da mahke Midian guys." (Cuz dey Ishmael guys, dey erytime wear one gold earring.)

²⁵ Dey tell him, "Shoots! We give um to you." So dey spread out one cloth, an erybody throw down one earring on top um, from da stuff dey rip off from da mahke guys.

²⁶ Togedda, da gold earrings he tell um fo give weigh 43 poun. Get odda stuffs too: da odda jewelry, an da purple clotheses from da Midian kings, an da gold chains on top dea camels neck.

²⁷ Gideon make one pries kine ves wit da gold. He put da ves inside Ofrah, his town. All da Israel peopo make jalike dey fooling aroun wit anodda god, cuz dey go ova dea fo go down an pray in front da ves. Da ting come one trap fo Gideon an his ohana.

Gideon Mahke

²⁸ Az how da Israel peopo wen win ova da Midian peopo, an da Midian peopo no mo powa one mo time. Wen Gideon stay alive, da Israel peopo neva fight fo forty year.

²⁹ Jerub-Baal, az Gideon, Joash boy, go back home fo live.

³⁰ He get seventy boys, cuz he get plenny wifes.

² “Try aks all da men Shekem side, ‘Az mo betta fo you guys get all seventy Jerub-Baal boys fo yoa leadas? O mo betta ony one guy?’ No foget, us ohana, aah?!”

³ Wen his uncles aks all da men guys Shekem side bout dis, dey tink az good dey go wit Abimelek, cuz dey tell, “He oua braddah!”

¹⁶ Den Jotam tell: “Kay den. Maybe you Shekem guys tell da trut. An maybe you wen do da right kine ting wen you make Abimelek yoa king. An maybe you do da right kine ting fo Jerub-Baal an his blood line. An maybe you make to him how you suppose to—but you guys neva do notting lidat!

¹⁷ Try tink! My faddah wen fight fo you guys. He almos wen mahke fo get you guys outa da Midian guys powa.

¹⁸ But today, you guys go agains my faddah ohana, an kill his seventy boys on top da big rock! You make Abimelek, dat wen born from one slave girl, come da king fo da Shekem peopo, cuz he yoa braddah!

¹⁹ Maybe az true an az da right ting fo do. Den wat you guys wen do today show you guys get respeck fo Jerub-Baal an his ohana. Den let Abimelek make you guys stay good inside, an you guys make him stay good inside too!

²⁰ But if az not how, den I like da fire come out from Abimelek an burn you leada guys up, an fire come out from you leada guys from Shekem an Bet-Millo an burn up Abimelek!”

²¹ Den Jotam run away to Beer-Sheba town, an he live ova dea, cuz he sked his braddah Abimelek.

²² Afta Abimelek stay in charge a da Israel peopo fo three year,

²³ God sen one spirit fo make da Shekem guys come hamajang an go agains Abimelek. Dey do stuff dat show Abimelek dat dey no trus him.

²⁴ God make lidat fo him pay back Abimelek an da Shekem guys fo da bad kine stuff dey wen do agains Jerub-Baal seventy boys. Az cuz da Shekem guys wen help Abimelek kill his braddahs.

²⁵ Fo go agains Abimelek, da Shekem mens put guys on top all da hills fo hide dea fo jump Abimelek. Dey jump all da peopo dat pass thru dea on top da road, fo rip dem off. Somebody tell Abimelek wat dey stay do.

²⁶ Dat time, Gaal, Eved boy, go move house Shekem town wit his braddahs. Da main Shekem guys trus him fo come dea leada.

But you guys suppose to work fo Hamor, dat was Shekem faddah long time befo time. So! How come us guys gotta work fo Abimelek?! No need!

²⁹ I not da leada fo dis peopo hea. But if you guys let me lead you, den I goin throw him out! I goin tell Abimelek, ‘Tell all yoa army guys fo come!’ ”

³⁰ Wen da mayor Zebul fo Shekem town hear wat Gaal tell, he come real huhu.

³¹ He sen messenja guys by Abimelek secret kine. Dey tell, “You know wat?! Gaal, Eved boy, wen come Shekem. He make da peopo ova hea inside Shekem go agains you.

³² So. Nite time, you an yoa guys gotta hide inside da fields.

³³ Morning time get up early, wen da sun come up. Attack da town! Wen Gaal an his guys come outside fo fight you, do wateva you gotta do!”

³⁴ So Abimelek an all his army guys go way from dea camp nite time. Dey come hide nea Shekem, four place.

³⁵ Gaal, Eved boy, go out an stan nea da town gate. An right den an dea, Abimelek an his army guys come outa wea dey stay hide.

³⁹ So Gaal lead da Shekem guys out. Dey fight Abimelek.

⁴⁰ Abimelek guys chase Gaal guys. Plenny Shekem guys get hurt wen dey running an fall down, all da way to da town gate.

⁴¹ Abimelek stay inside Arumah, an Zebul throw Gaal an his braddah guys outa Shekem.

⁴² Da nex day, da Shekem guys go out to da fields. Somebody tell Abimelek.

⁴³ So he take his army guys, an split dem three ways. Dey go hide inside da fields. Wen he see da peopo coming outa da big town, he jump up an wack um.

⁴⁴ Abimelek an da guys wit him run quick to da Shekem town gate. Den da odda two parts a his guys run afta da Shekem army guys inside da fields, an wack dem.

⁴⁵ All dat day, Abimelek fight da peopo from da town, till he take ova da town an kill da peopo. Den he bus up Shekem town, an scatta plenny salt all ova da groun.

⁴⁶ Wen da importan guys dat live inside da Shekem towa hear dat, dey run down an hide inside one strong room undaneat da El-Berit temple.

⁴⁷ Abimelek hear dat da leada guys all come togedda ova dea.

⁴⁸ So Abimelek an all his army guys go up Mount Zalmon. He take one ax, an cut off some tree branches. He put da branches on top his shoulda, an tell his guys, "Quick! Do wat I wen do!"

⁴⁹ So all da guys cut branches an follow Abimelek. Dey put da branches on top da strong room, an burn um. Dass how all da peopo from da Shekem towa mahke, bout one tousan guys an wahines.

⁵⁴ Real fas he call da guy dat carry his stuff fo fight, an tell um, "Take yoa sword an kill me, fo dem no tell, 'One wahine wen kill Abimelek!' " Az why his helpa guy stab um, an he mahke.

⁵⁵ Wen da Israel guys see dat Abimelek mahke, dey go home.

⁵⁶ Az how God pay back Abimelek fo da bad kine stuff he wen do to his faddah wen he kill his seventy half braddahs.

⁴⁴ 18,000 Benjamin guys mahke, no matta dey know how fo fight good.

⁴⁵ Wen da res a da Benjamin army guys turn aroun an try run fo da Rimmon Cliff inside da boonies, da Israel guys kill 5,000 Benjamin guys on top da main roads. Da Israel guys stay chase da Benjamin guys all da way to Gidom, an wack 2,000 mo guys ova dea.

⁴⁶ Dat day, all togedda, get 25,000 Benjamin guys wit swords dat mahke, no matta dey know how fo fight.

⁴⁷ But get 600 guys turn aroun an run away inside da boonies to da Rimmon Cliff. Dey stay dea four month.

⁴⁸ Da Israel guys go back da Benjamin land, an wack all da peopo inside da towns wit swords. Dey kill da animals too, an eryting dey find. An all da towns dey find, dey burn um down.

Wifes Fo Da Benjamin Guys

¹ Befo time, Mizpah side, da Israel guys wen make one strong promise fo erybody know dat dey goin keep um: "No mo nobody from us guys goin let dea girls marry one Benjamin guy."

² Da peopo go Bethel town, an sit in front Da One In Charge till almos dark, moaning an crying real bad.

³ Dey tell, "Da One In Charge, you da God fo da Israel peopo! How come dis wen happen inside Israel? How come today, one Israel ohana wen disappea, so no moa?"

⁴ Early da nex morning da peopo build one altar, an dey make burn up kine sacrifices an da kine sacrifices dat tell dat dem an Da One In Charge stay good wit each odda.

⁵ Den da Israel peopo tell, "From all da Israel ohanas, get anybody dat neva show up Mizpah town in front Da One In Charge? da time us guys all meet togedda ova dea." Cuz dey wen make one strong promise ova dea fo erybody know dat dey goin do um, dat whoeva no show up in front Da One In Charge Mizpah side, fo shua dey gotta mahke.

⁶ But now, da Israel peopo stay sad inside cuz a dea Benjamin ohana braddahs. Dey tell, "Today us guys wen cut off one ohana from oua Israel peopo!"

⁷ How we goin find wifes fo da Benjamin guys dat still stay alive? Cuz us guys wen make one strong promise in front Da One In Charge fo no give da Benjamin guys oua girls fo marry!"

⁸ Den dey aks, "Wen us guys wen stay Mizpah side, get any peopo from da Israel ohanas, dat neva come togedda wit us guys in front Da One In Charge?" Dey find out dat wen dey wen count da army guys, nobody from Jabesh-Gilead wen come da camp dat time, fo da meeting.

⁹ Cuz wen dey wen count da men, dey find out dat no mo nobody from Jabesh-Gilead wen stay dea.

¹⁰ So da guys dat meet togedda sen twelve tousan guys fo go Jabesh-Gilead side an kill all da army guys dat live ova dea, an da wahines an da kids too.

¹¹ Dey tell, "Dis wat you guys goin do. Wipe out all da Jabesh-Gilead guys jalike dey one sacrifice. An same ting fo all da wahines ova dea dat sleep wit one guy awready."

¹² Dey go Jabesh-Gilead, an find 400 young wahines dat neva sleep wit one guy. Dey bring dem to da camp Shiloh side, inside Canaan.

¹³ Den all da peopo sen messenjas by da 600 Benjamin guys dat stay Rimmon Cliff, fo tell dem dey no like fight no moa.

¹⁴ So dat time da Benjamin guys come back. Da Israel guys give dem da 400 young wahines dey neva kill from Jabesh-Gilead. But no mo enuff fo all a da Benjamin guys.

¹⁵ Da army guys still stay sad inside fo da Benjamin ohana, cuz Da One In Charge make one puka inside da Israel ohanas.

¹⁶ So da older leadas tell, “Da Benjamin wahines, almos wipe out awready. So, how we goin get wifes fo da Benjamin guys dat no mo wife?

¹⁷ Gotta get peopo dat goin get kids, so dea kids goin get da right fo own da Benjamin ohana property! Cuz no good, one Israel ohana come wipe out!

¹⁸ Us guys no can give dem oua girls fo come dea wifes, cuz us Israel guys wen make da strong promise: ‘Anybody give dea girl fo come da wife fo one Benjamin guy, dey get kahuna on top dem!’

¹⁹ But you know wat?! Get one hoolaulea fo Da One In Charge ery year inside Shiloh. (Dass north side from Bethel, an east side a da road dat go from Bethel to Shekem, an south a da road dat go Lebonah.)”

²⁰ So dey tell da Benjamin guys dat still no mo wife wat dey gotta do: “Go hide inside da grape farms an wait dea.

²¹ Wen you see da girls from Shiloh come out fo dance, den run outa da grape farms! Grab one Shiloh girl fo come yoa wife, an go da Benjamin land!

²² Fo shua, dea faddahs o braddahs goin come grumble to us guys. But we goin tell dem, ‘Eh, try do one good ting fo help dem! Cuz us neva find enuff wifes fo dem wen we fight da Jabesh-Gilead guys. An dis way, you guys no goin get da blame fo broke yoa promise to Da One In Charge, cuz you neva give yoa girls to da Benjamin guys!’ ”

²³ So az wat da Benjamin guys wen do. Wen da girls stay dance, all dem catch one, an kidnap her fo come his wife. Den dey go back da land dey own, an build dea towns one mo time, an live ova dea.

²⁴ Den da odde Israel guys go way from ova dea, an go back dea families an ohanas, all dem to dea property.

²⁵ ✨Dat time da Israel peopo neva get king. Erybody wen do wateva dey tink az good.

Da Ruth Story

Elimelek Move House Moab Side

¹⁻² Dis one story dat wen happen long time befo, da time wen ony da local leada guys was in charge a da Israel peopo. Had one guy Elimelek from Betlehem town inside da Judah ohana land. Da guy an his wife Naomi, dey get two boys, Mahlon an Kilion. Dey from da Efratah ohana. Dat time Judah side, long time no mo rain, so no mo notting fo eat.

Az why Elimelek take his wife an dea two boys, an dey move house odda side a da Jordan riva an live up country wit da Moab peopo.

³ But wen dey stay Moab side, Elimelek mahke. So den Naomi stay stuck dea wit her two boys.

⁴ Da two boys, Mahlon an Kilion, grow up an marry two wahines from da Moab peopo. Mahlon marry Ruth, an Kilion marry Orpah. Afta dey stay dea bout ten year,

⁵ da boys Mahlon an Kilion, dey mahke too. So Naomi, she stay dea alone. No mo husban, an no mo boys o grankids.

Naomi An Ruth Go Judah Side

⁶ Naomi stay Moab side still yet. Den she hear dat Da One In Charge wen figga az time now fo help his peopo Judah side, an he give food to dem. So Naomi an her two daughtah-in-laws make ready fo go way from da Moab land an go back da place Naomi come from.

⁷ Naomi an Ruth an Orpah, dey start togedda fo go way from da place Naomi live, an go back da Judah land.

⁸ But wen dey stay go, Naomi tell her two daughtah-in-laws, "Eh! Mo betta you guys go back by yoa muddah guys, you know. I like fo Da One In Charge stay tight wit you guys, jalike you wen stay tight wit yoa husban guys befo dey mahke. An you wen stay tight wit me too.

⁹ I like Da One In Charge fo help you guys find good, solid guys ova dea fo come yoa new husbands!" Den Naomi kiss Ruth an Orpah fo tell um aloha, an dey start fo cry plenny.

¹⁰ But da wahines tell Naomi, "No way! Us guys, we goin stick wit you, an go by yoa peopo!"

¹¹ Naomi tell Ruth an Orpah, "Mo betta you guys go back! No good you go wit me. You guys tink I young still yet, o wat? Maybe you tink I goin stick wit da way my peopo do um, an get married fo get mo bebe boys. You figga wen da bebes come big, den dey come yoa husbands bumbye? No way!

¹² You guys, you jalike my daughtahs, but mo betta you go back home. I too ol fo marry. If I wen get chance fo marry somebody tonite, an get boy kine bebes, wat you tink? No way!

¹³ You guys figga you goin wait long time fo dem come big, an you no goin like marry odda guys firs? No way, my daughtahs! I know you stay plenny sore inside, but fo me, eryting mo sore still yet, cuz was Da One In Charge Up Dea Inside Da Sky dat wen make me suffa."

¹⁴ Den Ruth an Orpah start fo cry one mo time. Orpah, she kiss her muddah-in-law fo tell her aloha, an she go back home. But Ruth, she like stay tight wit Naomi.

15 Naomi tell her, “Eh look! Yoa sistah-in-law, she go back awready by her peopo an da god she pray to. Mo betta you do da same ting.”

16 An Ruth tell Naomi,
“No put presha on me

Fo go way from you
An go back home,

An no stay tight wit you.

Wea eva you go, I goin go.

Wea eva you like live, I goin live dea too.

Yoa peopo, dey goin be my peopo,

An yoa God, he goin be my God too.

17 An da place you mahke, I goin mahke dea too.

Dass wea dey goin bury me!

I like Da One In Charge punish me plenny

If I go way from you!

Us goin stick togedda

Till you mahke, o I mahke!”

18 So, wen Naomi undastan Ruth not goin change her mind an goin go wit her, Naomi no talk no moa.

19 So da two wahines go togedda Betlehem town.

Wen dey come dea, erybody inside da town start fo talk plenny bout dem. Da wahines, dey tell, “Fo real, dis Naomi, o wat?!”

20 Naomi, she tell um,

“Eh! Mo betta no call me Naomi,
Cuz dat mean ‘eryting nice.’

Mo betta call me Mara,

Cuz dat mean ‘eryting jalike bad taste.’

Cuz Da God Dat Get All Da Powa,

He wen make eryting come real junk fo me.

21 Da time I wen go way from hea,

I had plenny, my husban an my boys.

Now Da One In Charge bring me back hea,

An I no mo notting.

No good call me Naomi!

Cuz Da One In Charge,

He wen go agains me.

Da God Dat Get All Da Powa,

He wen make bad tings happen to me!”

22 Dass wat wen happen wen Naomi come back from da Moab land with her daughtah-in-law Ruth, da Moab wahine. Da time dey come back Betlehem, dass da same time da farma guys start fo harves da barley fo food.

2

Ruth Meet Boaz

1 Betlehem town had one importan rich guy Boaz. He come from da same blood jalike Elimelek, da guy dat was Naomi husban befo time. So fo dea peopo, Boaz jalike Naomi braddah-in-law.

2 ✧ One time, da Moab wahine Ruth tell Naomi, “Eh, try let me go da fields fo go behind da worka guys an pick up da extra barley dat dey no pick up.

Maybe get somebody dat make nice to me an let me do dat, cuz da Rules from God tell az good.”

Naomi tell her, “Kay den. Go.”

³ So Ruth go ova dea inside one field an pick up da extra barley dat da worka guys no pick up afta dey harves um. An you know wat? Dat field wea she stay pick up da extra barley, da owna guy was Boaz. Him an Ruth mahke faddah-in-law Elimelek, dey da same blood!

⁴ Same time Ruth stay pick up da extra barley, Boaz come ova dea from Betlehem town. He tell da guys dat stay harves da barley, “Aloha! I like Da One In Charge stay wit you guys!”

Dey tell Boaz, “Aloha to you! Us guys like Da One In Charge do plenny good tings fo you too!”

⁵ Boaz aks da luna guy dat stay in charge a da worka guys, “Eh! Dat young wahine ova dea, wat ohana her?”

⁶ Da luna guy tell, “Her, da Moab wahine dat come hea wit Naomi, da time Naomi come back from ova dea.

⁷ Morning time, she tell, “Try let me go ova dea wea dey tie up da barley, an pick up da extra barley dat da worka guys no pick up, fo bring um home.’ I tell ‘Shoots.’ She stay work all da time from den till now. Ony short time she go fo res ova dea by da shack.”

⁸ Den Boaz, he go ova dea wea Ruth stay an tell her, “Eh, sistah! Nobody tell you wat fo do, o wat? You can stay hea wit us guys wen you pick up da extra barley. No need go find anodda field. Stick wit my worka wahines ova hea.

⁹ Go see wea dey stay harves da barley, den go dea afta dem fo pick up da extra stuff. I wen tell da guys awready, no bodda you. Wen you thirsty, you go ova dea an drink da watta dat da guys bring from da puka wea da watta come out.”

¹⁰ Ruth, she go down quick by Boaz feet an put her face on top da groun fo show um respeck. She tell um, “Eh mista, mahalo plenny! How come you stay good to me an even talk to me? I ony one wahine from anodda country, you know.”

¹¹ Boaz tell, “Yeah, I know. But erybody stay tell me bout all da good tings you wen do fo yoa muddah-in-law, afta yoa husban mahke. I know fo shua you wen go way from yoa faddah-muddah guys an from da land wea yoa ohana stay, an come ova hea wea get peopo you donno befo time.

¹² “I like Da One In Charge do plenny good tings

Fo pay you back good kine,

Cuz a all da tings you wen do fo Naomi.

He Da One In Charge, da God fo da Israel peopo.

You wen come by him,

An now he goin take kea you!”

¹³ Ruth tell Boaz, “Eh boss! You stay real good to me! You wen give me good kine words an you talk to me wit one good heart. Jalike I one a yoa worka wahines, no matta I not, an no can come one a dem.”

¹⁴ Lunch time, Boaz tell Ruth, “Eh! Come ova hea! Eat wit us guys! Take some a da bread fo eat, an if you like, put litto bit inside dat sour wine ova dea.” Az why Ruth go sit down nea da peopo dat work fo harves da barley an eat lunch wit dem. Boaz, he pass some roas barley to her. So she eat all she like, an still yet, get mo plenny den she can eat.

¹⁵ Afta Ruth stan up fo go pick up some mo barley, Boaz tell his worka guys, "Let her pick up da extra barley, even ova dea wea you guys tie up da barley plants afta you harves um. No make her come shame.

¹⁶ An den wen you guys tie up da barley, make shua you pull out litto bit fo her an leave um ova dea fo her pick up. No go scold her notting!"

¹⁷ All day, Ruth pick up da extra barley. Wen da sun stay go down, she wack da barley dat she wen pick up fo make da part you eat fall off, an she pick up bout twenny poun barley.

¹⁸ She take da food back Betlehem town. Her muddah-in-law see how plenny she wen pick up. Ruth give her da stuff from lunch time too dat she no can eat.

¹⁹ Naomi aks Ruth, "Eh! Wea you wen pick up da extra barley today? Wat side you wen go work? I like Da One In Charge do plenny good tings fo da guy dat wen see you an help you!"

So Ruth tell her muddah-in-law bout da owna guy wea she wen pick up da barley. She tell um, "His name, Boaz."

²⁰ ✨Naomi tell her daughtah-in-law, "I like Da One In Charge do plenny good tings fo Boaz! Da One In Charge stay tight wit us guys dat stay alive, an he goin take kea oua mahke husban guys, same time. Cuz you know, Boaz from oua ohana. An fo oua peopo, he one a da guys from oua ohana dat get da right fo marry you fo get kids dat goin carry yoa mahke husban name!"

²¹ Ruth tell, "An you know wat? Boaz even wen tell me, 'Go come back tomorra. You can stay wit my worka guys till dey pau harves all da barley I get.' "

²² Naomi tell Ruth, "Az good, Ruth! Go work wit his worka wahines, till dey pau. You go some odda field, bumbye da guys make you any kine, but wit Boaz, nobody goin bodda you."

²³ So Ruth stay work fo pick up da extra barley wit da wahines dat work fo Boaz, till dat work pau. Den she do da same ting wen dey harves da wheat. She still yet live dea wit her muddah-in-law Naomi.

3

Ruth Go Wea Dey Take Da Junks Outa Da Wheat

¹ Naomi talk to her daughtah-in-law Ruth. She tell, "Eh Ruth! Time fo me find you one place fo live, wea dey goin take good kea you, aah?"

² You know da guy Boaz? He oua ohana, you know. He wen make to you jalike you one a da girls dat work fo him, fo you pick up da extra barley an wheat afta dem.

"An you know wat? Tonite, Boaz goin go fo work da place wea dey take da junks outa da wheat fo make um ready fo eat.

³ So den, you go bafe, an put perfume, an wear yoa nices clothes. Go da place wea dey take da junks outa da wheat. But no let Boaz know you dea, till afta he pau eat.

⁴ Watch so you know wea he go lay down fo sleep. Afta he go sleep, go ova dea wea he stay sleep, an take da blanket off his feets, an lay down dea by his feets. Boaz, he know how oua peopo do, an he goin tell you wat you gotta do fo him take kea you."

⁵ Ruth tell, "Okay, I go do um, jalike you tell me fo do!"

⁶ So Ruth go da place wea dey take da junks outa da wheat. She do jalike her muddah-in-law tell her fo do.

⁷ Boaz, he wen eat an feel plenny good. Den he go lay down one side a da place wea dey pile up da barley. He go sleep ova dea. Laytas, Ruth go ova dea real quick an no make noise, an take da blanket off Boaz feets, an lay down dea.

⁸ Bout midnite time, someting make Boaz sked litto bit, an he wake up an turn ova. An eh! had one wahine, laying dea by his feets!

⁹ So he tell, "Eh! Who you?"

Ruth tell, "Dis me, Ruth. I jalike one a yoa worka wahines. An you, you from my mahke faddah-in-law ohana. Da way yoa peopo do stuff, you one a da guys from da ohana dat suppose to marry me an get kids fo my mahke husban, cuz you jalike one cousin fo him. So, put da end a yoa blanket ova me fo show you goin take me fo come yoa wife!"

¹⁰ Dat blow Boaz mind. He tell, "Eh Ruth! Da One In Charge, he do plenny good tings fo you! You wen do good too, cuz you stay tight wit yoa mahke husban ohana wen you come hea. An da ting you stay do right now, show mo plenny still yet dat you get respeck fo da ohana, cuz you no stay try fo marry one a da younga guys, no matta dey rich o no mo notting!"

¹¹ So, no sked! I goin do jalike you wen tell me fo do fo you. No pilikia, cuz all da older leada guys fo my peopo know dat you one wahine dat stay strong inside.

¹² ☆ "Ony one ting now. Fo shua, I one a da guys from da Elimelek ohana dat get da right fo marry you fo get kids fo yoa mahke husban, cuz I jalike one cousin fo him. But you know, get anodda guy dat mo nea yoa husban den me, so he get mo right fo marry you, mo den me.

¹³ So, stay hea tonite. Morning time, I go talk to him. If he like, kay den, he da one goin marry you. But if he no like do dat fo da ohana, den I make dis promise to you, jalike fo shua Da One In Charge stay alive, I stay shua too dat I goin marry you. Now, lay down ova dea till morning time."

¹⁴ Az why Ruth lay dea by Boaz feets till morning time. She get up early, befo get light, befo anybody can see who her. Cuz Boaz figga, "No good da peopo know dat dis wahine wen come hea wea dey take da junks outa da wheat!"

¹⁵ He tell Ruth, "Go come! Bring yoa shawl ova hea an hold um out." He dump wheat inside da shawl six times, an help put um on top her back fo take home. An den Boaz go back Betlehem town too.

¹⁶ Wen Ruth go back by Naomi, her muddah-in-law, Naomi aks, "So. Wat he wen do, Ruth?"

Ruth tell Naomi eryting dat Boaz wen do fo her.

¹⁷ An she tell, "He give me all dis wheat too, cuz he tell, 'No good you go back by yoa muddah-in-law an no mo notting fo her.' "

¹⁸ Naomi tell, "Now, my girl, jus wait till you find out wat goin happen. Cuz Boaz, he no goin wait notting. He goin do eryting today!"

4

Boaz Marry Ruth

¹ Den Boaz go ova dea by da big gate fo da town, da place wea da town leadas come togedda fo talk. He sit down dea wit da odda leada guys. Right den an dea, da odda guy from his ohana, da one Boaz talk bout, dat get da

right fo marry Ruth mo den Boaz get, he walk by dem. Boaz yell to him an call his name. Boaz tell, "Hui! Come ova hea! Sit down! I like talk to you." So dat guy come an sit down ova dea.

² Den Boaz go tell ten a da older leada guys fo da town fo come lissen. He tell um, "Sit down ova hea." Dey sit down too.

³ Boaz tell da guy dat get da right fo buy da ohana land an marry Ruth, "Eh, you know dat piece land dat oua ohana guy Elimelek wen own? He wen mahke ova dea Moab side. Now, his widow Naomi come back from dea, an her like sell dat piece land.

⁴ Me, I figga lidis: I gotta tell you bout dat piece land, cuz you get da right fo buy um, if you like. Dass cuz you an Elimelek da same blood. So, if you like buy um fo da land stay wit da ohana, den buy um in front all dese peopo dat stay hea, dese leada guys fo my peopo. But if you no like, den tell me in front all dis guys so I know, cuz I like buy um. You get da main right fo buy um fo da ohana, but I get da right afta you, if you no like buy um."

Da odda guy tell, "Kay den, I buy um fo da ohana."

⁵ Den Boaz tell da odda guy, "You know, wen you buy dis piece land from Naomi, dat mean you gotta take da Moab wahine Ruth same time, cuz she wen marry Elimelek boy, da one dat wen mahke. You da one dat gotta marry her, fo get kids wit her mahke husban name. Az how da Elimelek blood line no goin go way, an his land goin stay wit da ohana.

⁶ "Da guy dat get da right fo buy da land tell, 'Eh, if dass how stay, den I no can. Cuz if I buy um, my land go fo da Elimelek line, an no go fo help my kids. Mo betta I give you my right fo buy dat piece land fo da ohana, cuz no way I can buy da land an take da wahine too!' "

⁷ ☆(Dat time, dass how da Israel peopo show proof dat one deal stay fo real, dey wen do um lidis: Wen anybody use da right fo buy someting, dey take off dea slippa an give um to da guy dey make one deal wit. Dass how erybody know wat kine deal dey make.)

⁸ So wen da guy dat get da right fo buy da land tell Boaz, "You buy um," Boaz take off his slippa an give um to da guy in front erybody.

⁹ Den Boaz tell da older leada guys an da odda peopo dat was dea, "All you guys, you wen see wat wen happen hea today. I goin buy from Naomi all da land dat Elimelek an his boys Mahlon an Kilion wen get befo time.

¹⁰ ☆An not jus da land—da wahine Ruth from Moab, dat wen marry Mahlon befo he mahke, I stay buying da right fo make her my wife. Dass fo her get one boy dat goin keep da name fo his muddah mahke husban wit da land he get cuz his muddah was Mahlon wife. Den all da ohana an all da leada guys fo Mahlon town no goin foget who him. An all you guys, you gotta tell erybody wat wen happen dis day."

¹¹ ☆Da older leada guys fo da town, an all da peopo dat stay by da main gate wea da peopo stay come togedda, dey tell, "Dass right! All us guys see wat happen, an we gotta tell erybody.

"Dis wahine dat goin come inside yoa house,

Da Numba One Book Bout Samuel

Elkanah An His Ohana (Luke 1:48)

¹ Had one man, Elkanah. His house stay Ramah town, dass up country Efraim side, you know. Jeroham his faddah, an Elihu his granfaddah, Tohu his great granfaddah, an dey get Zuf dat wen live Efraim side fo dea ancesta.

⁴ Ery year, afta Elkanah kill da sacrifice animal, he give Peninnah some a da meat fo her an her kids eat um.

⁵ But Hannah, her da wife Elkanah love da bestes. Dass why Elkanah give her even mo plenny parts a da meat, no matta Da One In Charge no let her come hapai.

⁶ But Peninnah—Eh! She no mo respeck fo Hannah. She make any kine to Hannah, an make Hannah come plenny sore inside, jus cuz Da One In Charge no let Hannah come hapai.

⁷ Plenny year, weneva dey all go Da One In Charge house, same ting: Peninnah make plenny trouble fo Hannah, so dat Hannah cry plenny, an she no like eat notting.

⁸ So one time Elkanah aks Hannah, “Wassamatta?! I see you stay cry plenny, an you no eat, an you all da time sad! Az cuz you no mo one bebe, o wat? But you get me fo take kea you, you know, an dass even mo betta den get ten boys, aah?”

An I yoa slave!

You know how plenny I stay suffa.

So I like fo you no foget me! Take kea me!
You my boss, az why.

If you give me one boy bebe,

I make dis promise:
I goin hanai him ony fo you.

An jus fo show dat he goin be yoa boy foeva,
Nobody goin shave his head, eva!”

Wat Eli Tell Hannah

¹² Hannah pray long time in front Da One In Charge. Eli stay watch her. He watch her mout move,

¹⁴ He yell at her, “Aay! Nuff awready! You no mo shame o wat? Mo betta you no drink! Sobah up!”

¹⁵ Hannah tell um, “Oh, mista, sorry, aah? Az not how stay! I not piloot! I neva drink notting! Me, I jus one wahine dat donno wat fo do! So I stay pray real hard hea in front Da One In Charge. I tell him all my pilikia.

¹⁰ Dose peopo dat go agains Da One In Charge, he goin smash um down.
He even goin make da thunda, dat stay inside da sky, make dem all

Eli Boys Do Real Bad Kine Stuff

¹² Eli boys, cuz dey no mo respeck fo Da One In Charge, dey pilau kine
guys an dey do bad kine stuff.

¹³ An dey no do wat da pries guys suppose to do fo da peopo. Dis wat
dey do: Weneva somebody make one sacrifice, an stay boil da meat, da
guy dat work fo Eli boys come wit one pitchfork.

¹⁴ Dat worka guy push da pitchfork real hard inside da pot. An wateva
meat da pitchfork bring up, Eli boys take um fo dem eat um. An dass wat
dey do to all da Israel peopo dat make one sacrifice Shiloh side.

¹⁵ Mo den dat, even befo da guy burn da fat fo da sacrifice, da worka guy

goin take da meat dat awready boil. He ony take da raw kine meat.”

¹⁶ If da guy tell him, “Suppose to burn up da fat firs, aah? An den you

¹⁷ Da way Da One In Charge see um, da ting dose pries helpa guys stay

Da Boy Samuel, Shiloh Side

¹⁸ Da boy Samuel, he wear da linen kine ves jalike one pries, an he do
da pries kine work in front Da One In Charge.

¹⁹ Ery year his muddah make him one small robe, an wen she go wit her

²⁰ An ery year, befo dey go home, Eli like make one spesho ceremony fo
Elkanah an his wife Hannah. He tell, “Hannah wen pray fo one bebe an
she get um. Den she give da boy Samuel to Da One In Charge. An dass
why Samuel no stay wit you guys now. So! I like Da One In Charge give

²³ So he tell his boys, “How come you guys make lidat?! I wen hear from all da peopo bout da real bad kine stuff you guys do!

²⁴ Dass no good, you guys! Not good wat I wen hear bout da stuff dat you guys stay do! All da peopo a Da One In Charge dat come by hea, dey know bout um awready!

²⁵ You know, aah? one guy do bad kine stuff agains anodda guy, Da One In Charge can come in da middo an make um right. But, if one guy do bad kine stuff agains Da One In Charge, he had it awready! Nobody goin come in da middo fo make um right!” But his boys no lissen wen dea faddah poin finga dem an scold um. Az cuz Da One In Charge awready like dem mahke!

²⁶ ✧ Same time, da boy Samuel stay grow mo an moa. An Da One In Charge an da peopo tink good stuff bout Samuel.

God Talk Bad Bout Da Eli Ohana

²⁷ Had one guy dat stay tight wit God an talk fo him. He go by Eli an tell um, “Dis one spesho message from Da One In Charge: ‘I wen show up awready to yoa ancesta guy Aaron an his ohana, da time dey stay slave guys inside Egypt unda da Pharaoh guy, aah?

²⁸ ✧ An I wen pick yoa ancesta Aaron from all da ohanas inside Israel fo be my pries guy. He go up by my altar fo burn da incense, an he wear da pries kine spesho ves in front me. An, I give yoa ancesta Aaron ohana all da food fo you eat from da sacrifices dat da Israel peopo make wit fire.

²⁹ So! How come you guys no mo respeck fo da sacrifice dat I tell da pries guys fo make inside my house?! An you, Eli, how come you show no respeck fo yoa boys den you show fo me?! How I know all dis?! Cuz all you guys eat ony da bestes part a ery sacrifice dat my Israel peopo make fo you come fat. Dass how I know!

³⁰ “ ‘Me, Da One In Charge, da God fo da Israel peopo. Az why I tell you dis: I wen make one promise dat yoa ohana, an yoa ancesta Aaron ohana, goin live in front me foeva. But cuz me Da One In Charge, I tell you dis too: No way goin be how stay now! Cuz da peopo dat show respeck fo me, I goin show respeck fo dem. But da peopo dat make to me jalike I notting, I goin put kahuna on top dem!

Da One In Charge Call Samuel

1 Da boy Samuel do pries kine work fo Da One In Charge, an Eli stay in charge a da boy. From long time awready, Da One In Charge neva tell notting to da peopo. An he no let plenny peopo see dream kine tings dat suppose to tell um stuffs.

2 Eli, his eyes not strong like befoa, so he no can see. One nite he stay almos ready fo sleep.

3 Samuel, he sleep inside da spesho tent, da Tent Fo Come Togedda Wit Da One In Charge. (Dass wea Da Box Fo No Foget Da Deal stay.) An da lamp dat burn all nite fo God, still burning.

4 Den, Da One In Charge call, “Eh! Samuel!”
Samuel tell, “I stay hea! Dis me!”

5 He run by Eli an tell, “You stay call me. I stay hea!”
But Eli tell, “I neva call you. Go back sleep!” So Samuel go back an lie down.

6 One mo time Da One In Charge call, “Eh! Samuel!”
Samuel get up an go by Eli an tell, “You wen call me? I stay hea!”
Eli tell, “I neva call you. Go back sleep!”

7 Dat time, Samuel neva conneck wit Da One In Charge yet, an Da One In Charge neva talk to him befoa.

8 Da One In Charge call Samuel, three time awready. So Samuel get up an go by Eli an tell, “You wen call me. I stay hea!”
Den Eli figga out, was Da One In Charge dat stay call da boy.

9 So Eli tell Samuel, “Go back yoa bed an lie down. If he call you one mo time, tell him, “Try talk. You Da One In Charge, cuz you my boss, an I stay lissen.’ ” So Samuel go back on top his bed.

10 Da One In Charge come inside his spesho place, an call jalike befo, “Samuel! Samuel!”
Den Samuel tell, “Try talk, cuz you my boss, an I stay lissen.”

11 Da One In Charge tell Samuel: “You know wat?! I almos stay ready fo do someting big inside Israel. An dat goin make erybody dat hear um come all shook up inside, cuz goin be real bad.

12 Wen dat happen, all da tings I wen tell bout da Eli ohana, eryting from da start to da end, I goin make all dat happen.

13 I tell Eli awready dat I da judge, an I goin punish his ohana foeva. He know dat da way his boys ack, dey give God one bad rep, but Eli neva tell um fo stop.

14 Az why I wen make dis strong promise to da Eli ohana: ‘Da Eli ohana get da blame foeva, fo da bad kine stuff dey wen do, an I no goin let um go.

No matta dey make da right kine sacrifice, I no goin let dem come pono wit me no moa.' ”

¹⁵ Samuel lay down till morning time. Den he open da doors fo da Tent Fo Meet Wit Da One In Charge. He sked fo tell Eli da ting he wen see dat was jalike one dream.

¹⁶ But Eli call um, “Eh, Samuel boy!”

Samuel tell, “Yeah, wat you like? I stay hea.”

¹⁷ Eli aks, “Wat Da One In Charge wen tell you? No hide um from me. If you no start fo tell me, hah? den I like God make real bad to you—An even goin be mo worse den dat, if you no tell me eryting dat he wen tell you!”

¹⁸ So Samuel tell him eryting, an no hide notting from him.

Den Eli tell, “Him, Da One In Charge. So, I like him do wateva stay good, da way he see um.”

¹⁹ Da One In Charge stay wit Samuel all da time he stay grow up. An Da One In Charge make shua dat eryting Samuel wen tell, happen.

²⁰ All da Israel peopo from Dan side to Beer-Sheba side know fo trus Samuel wen he talk fo Da One In Charge.

²¹ Da One In Charge stay show up ova an ova Shiloh side, cuz Shiloh da place Da One In Charge wen show up fo Samuel see him, an tell Samuel wat he tell.

4

¹ An da tings Samuel tell, all da Israel peopo lissen.

Da Filisha Guys Capcha Da Box Fo No Foget Da Deal Wit Da One In Charge

Dat time, da Israel guys go out fo fight da Filisha army guys. Da Israel guys make camp by Ebenezer Hill, an da Filisha army make camp by Afek Hill.

² Da Filisha army make plenny lines fo fight da Israel guys. An wen dey fight, da Filisha army win ova da Israel guys. Da place wea dey fight, dey kill bout four tousan Israel guys.

³ Wen da Israel guys go back dea camp, da older leadas aks, “How come Da One In Charge let da Filisha army win ova us today? Eh! We go take Da Box Fo No Foget Da Deal Wit Da One In Charge from Shiloh fo help us guys. We bring um wit us, fo Da Box help us win agains da Filisha army, da guys dat hate us!”

⁴ ✨ So da Israel peopo sen guys go Shiloh side, an dey bring back Da Box Fo No Foget Da Deal Wit Da One In Charge, Da God Ova All Da Armies, da one dat get his throne in da middo a da spesho angel watcha guys. An Eli two boys, Hofni an Finehas, wen come wit Da Box.

⁵ Wen Da Box come inside da camp, all da Israel guys cheer real loud, an dey yell so loud dat dey make da groun shake.

⁶ Wen da Filisha army guys hear da big noise, dey aks each odda, “How come da Hebrew buggahs yell real loud ova dea inside dea camp?”

Wen da Filisha guys find out dat Da Box stay inside da Israel camp,

⁷ dey come real sked. Dey stay tell, “Da Israel god wen come inside dea camp. Bummahs! Us get trouble big time! Dis neva happen to us befo!”

⁸ Bummahs! Who goin help us win ova dea real strong gods? Dass da same gods dat wen wack da Egypt peopo real big time inside da boonies!

⁹ Eh, Filisha guys! Come strong! Ack tough! O bumbye da Hebrew buggahs goin make us dea slaves, jalike we wen make dem oua slaves befo time. So, come strong! Ack tough an fight!”

¹⁰ So da Filisha army go fight. An you know wat?! Dey win ova da Israel guys! Thirty toutsan Israel infantry guys mahke dat time, an all da oddas run away, back to dea tent. Da Filisha army beat um up good!

¹¹ Den da Filisha guys grab Da Box. An Eli two boys, Hofni an Finehas, dey mahke too.

Eli Mahke

¹² Had one guy from da Benjamin ohana dat run away from da war, an he go back Shiloh town dat same day. His clotheses all bus up, an he get dirt on top his head fo show he stay sad inside.

¹³ He reach Shiloh. He see Eli by da side a da road, sitting on top da pries chair, waiting, cuz Eli, he stay sked wat goin happen to Da Box Fo No Foget Da Deal Wit God. Dis Benjamin guy go inside da town fo tell wat wen happen, an afta dat, all da peopo dea yell fo help.

¹⁴ Eli, he hear da yelling, an tell, “How come da peopo stay yell lidat?”

So da Benjamin guy go quick by Eli an tell um how come.

¹⁵ (Eli, he ninety eight year ol, an his eyes real bad, he no can see.)

¹⁶ Da guy tell Eli, “I da one jus come from da war. I wen run away from dea today!”

Eli aks, “Brah! Wat happen?”

¹⁷ Da guy tell, “Da Israel guys wen run away from da Filisha army guys! Plenny Israel guys mahke! An yoa two boys, Hofni an Finehas, dey mahke too! Den, da Filisha guys take away Da Box Fo No Foget Da Deal Wit God!”

¹⁸ Wen da guy tell bout Da Box, Eli fall back from da chair, ova dea by da side a da town gate. An cuz he so ol an real fat, his neck broke, an he mahke.

Fo forty year, Eli wen lead da Israel peopo.

¹⁹ Eli daughtah-in-law, dass Finehas wife, she stay hapai, an almos ready fo born her bebe. Wen she hear dat da Filisha army guys wen take Da Box, an her faddah-in-law an her husban mahke, all dat wen make da bebe start fo come, an she squat down an her bebe wen born. An her get real hard time,

²⁰ an her litto mo mahke. Da wahines dat stay help her tell, “No sked! You wen born one boy kine bebe!” But her, no talk o lissen notting.

²¹ She name da boy “Ikabod,” cuz she tell, “Da Awesome Ting, bag from Israel.” An Ikabod kinda soun like “No mo notting awesome,” in da Hebrew language. She talk lidat, cuz da Filisha army guys wen take away Da Box, an her faddah-in-law an her husban mahke same time, az why.

²² She tell, “Da Awesome Ting bag from Israel, cuz da Filisha guys wen take away Da Box Fo No Foget Da Deal Wit God!”

5

Da Box Fo No Foget Da Deal Stay Inside Ashdod An Gat

¹ Afta da Filisha army guys take ova God Box, dey take um from Ebenezer wea dey wen start fo fight to dea big town Ashdod.

² Dey take da Box inside da temple fo dea god Dagon, an dey put um nea da Dagon statue.

³ Wen da Ashdod peopo get up early da nex morning, you know wat? Dey find Dagon wen fall down on his face on top da floor, in front da Box Fo No Foget Da Deal Wit Da One In Charge! So dey take Dagon an put um back on top his place.

⁴ But den, da nex morning wen dey get up, dey see Dagon stay fall down one mo time on his face, on top da floor in front Da Box Fo No Foget Da Deal Wit Da One In Charge! Dis time, Dagon head an his hands stay chop off, an stay ova dea on top da board unda da door. Ony da body stay by da place wea dey put da statue.

⁵ (Az why even now, da pries guys fo Dagon, an da odda peopo dat go inside Dagon temple, Ashdod side, dey no step on top da board undaneat dat door.)

⁶ Den Da One In Charge start fo give da Ashdod peopo an da odda peopo aroun dem plenny trouble. He wack um hard wit one real bad kine sick on top dem—erybody get someting jalike lumps unda da skin.

⁷ Wen da Ashdod guys see wat stay happen, dey tell, “Dat box fo da Israel god, mo betta if no stay wit us. Cuz he give us guys an oua god Dagon plenny trouble!”

⁸ So dey call togedda da leadas fo all da Filisha peopo, an aks dem, “Wat we goin do wit da box fo da Israel god?”

Da leada guys tell, “Pass da box fo da Israel god, Gat side!” So dey move da Box Fo Da Israel God.

⁹ But afta dey move um Gat side, Da One In Charge wack da Gat peopo real hard too. He make all da peopo ova dea come plenny sked. All da peopo inside Gat get lumps unda da skin, da ol peopo an da young peopo.

¹⁰ So den da Gat peopo sen God Box Ekron side.

But wen da Box stay come nea Ekron, da peopo ova dea start fo yell, “Dey stay bring da box fo da Israel god aroun by oua side, fo dem kill us guys hea, an all oua peopo!”

¹¹ So dey call togedda da leada guys fo all da Filisha peopo an tell, “Sen da box fo da Israel god back wea suppose to stay, o da ting goin kill us guys hea, an all oua peopo.” Cuz some a da peopo mahke awready, all da odda peopo come real sked. God give da Ekron peopo plenny trouble too.

¹² An da peopo dat no mahke, dey get lumps unda da skin, an all da peopo stay yell fo help real loud, jalike fo da sky hear um.

6

Dey Bring Da Box Back Israel Side

¹ Fo seven month, Da Box Fo No Foget Da Deal Wit Da One In Charge stay inside da Filisha land.

² Den da Filisha leada guys call dea pries guys an da guys dat aks dea gods wat goin happen. Dey tell, “Wat we goin do wit da box fo Da One In Charge, da Israel god? Tell us guys awready, how we goin sen um back da place wea suppose to stay?”

³ Da Filisha pries guys an da guys dat aks dea gods wat goin happen, dey tell, “If you guys da one dat goin sen back da box fo da Israel god, den no sen um back empty! But fo shua, sen one sacrifice wit da box. Dis goin pay fo da blame us Filisha peopo get. If yoa sick guys come good, den you goin know az was dea god dat wen make um come good. Cuz wen you guys sen dem back dea box, den maybe he no goin wack you no mo wit da real bad kine sick.”

⁴ Da Filisha guys aks dem, “Wat kine sacrifice we suppose to sen back fo show dat us guys stay sorry?”

Dey tell, “You know how you guys wen swell up wit da lumps? Kay den. Make five lumps outa gold, an make five rat outa gold. Dass cuz us Filisha peopo, we get five main alii guys, an da real bad kine sick wen wack you guys an yoa leada guys too.

⁵ Copy yoa swell up places, an copy da rats dat stay wipe out da peopo inside dis land. Show plenny respeck fo da Israel peopo god. Den, maybe he goin pau give hard time to you guys, yoa gods, an yoa land.

⁶ No good, you know, dat you guys make hard head, jalike da Egypt peopo an da Pharaoh guy wen make, long time befo time! Wen da Pharaoh guy give da Israel peopo hard time, ony afta Da One In Charge wen bus up da Egypt peopo, den Pharaoh an da Egypt peopo let da Israel peopo go outa dea land. An da Israel peopo, dey get outa dea!

⁷ “Now, go make one new cart. Go get two cows dat neva get yoke on top dem yet, an awready born bebes. Tie da cows an yoke um to da cart. Take away dea bebes, an tie um up by da house fo dem no go wit da muddahs.

⁸ Take da Box Fo Da One In Charge, da Israel god, an put um on top da cart. Inside one bag, by da side, put da gold tings dat you guys wen make. Dose tings goin be one sacrifice fo dea god, cuz you guys get da blame fo all da bad kine stuff you wen do. Den, let da cows an da cart go an nobody go wit um.

⁹ But betta watch um good! Cuz maybe da cows goin take da Box up dea by da land wea da Box wen stay befo time, by Bet-Shemesh. Den dat goin mean, dat was da real Israel god dat give us guys one real hard time. But if da cows no take da Box up dea, den us guys goin know dat dea god neva do notting, but eryting dat wen happen, jus wen happen.”

¹⁰ So, da Filisha guys make lidat. Dey take two cows lidat, an tie um to da cart, an tie up dea bebes by da house.

¹¹ Dey put da Box Fo No Foget Da Deal Wit Da One In Charge on top da cart, an by da Box dey put one bag wit da gold rats, an da small gold statues dat look jalike da lumps.

¹² Den da cows go strait up by Bet-Shemesh. Dey stay on top da road, an make noise da whole way. Dey no turn by da right side o da lef side. Da leadas fo da Filisha peopo stay walk in back dem an watch um all da way to da Bet-Shemesh land.

¹³ Dat time, da Bet-Shemesh peopo stay harves dea wheat inside da valley. Dey look up an wen dey see da Box, dey come real good inside.

¹⁴⁻¹⁵ Da cart go inside da field fo Joshua, da one from Bet-Shemesh, an stop right ova dea. Had one big rock ova dea. Da Levi ohana guys take down Da Box, an da bag wit da gold tings inside, an put um on top da big rock. Den da Bet-Shemesh peopo chop up da wood from da cart an dey kill da cows fo make one burn up kine sacrifice fo Da One In Charge. An dat day, da Bet-Shemesh peopo make dea regula kine sacrifice right dea an make burn up kine sacrifice fo Da One In Charge too.

¹⁶ Da five leadas fo da Filisha peopo see eryting dat happen. Den dey go back dat same day Ekron side.

¹⁷ Da five gold lumps, da Filisha peopo sen um to Da One In Charge, fo make one sacrifice fo da blame dey get: one fo Ashdod, one fo Gaza, one fo Ashkelon, one fo Gat, an one fo Ekron.

¹⁸ Dey sen five gold rats, fo da five leadas dat come from da five big towns dat get strong wall, dat get mo small towns aroun um in da country side. Da big rock, wea da Levi ohana guys put da Box Fo No Foget Da Deal Wit Da One In Charge, still stay dea today inside Joshua field Bet-Shemesh side.

¹⁹ But seventy guys Bet-Shemesh side wen go look inside da Box. Cuz dey do dat, Da One In Charge wack um, an dey mahke. Da peopo stay sad inside, cuz Da One In Charge wack dose seventy guys real hard lidat.

²⁰ Da Bet-Shemesh peopo aks each odda, "You tink get one pries dat can stan in front Da One In Charge, dis God dat stay good an spesho? Who we can sen da Box to fo get um away from us guys awready?"

²¹ Den dey sen messenja guys by da peopo Kiriath-Jearim side. Dey tell, "Da Filisha peopo wen sen back da Box Fo No Foget Da Deal Wit Da One In Charge. Go come down hea an bring um back up dea, yoa place!"

7

¹ ✨So, da Kiriath-Jearim guys come an take Da Box Fo No Foget Da Deal Wit Da One In Charge. Dey bring um Abinadab place on top da hill, an make his boy Eleazar spesho fo Da One In Charge, fo watch an take kea da Box.

Samuel Dem Win Ova Da Filisha Guys Mizpah Side

² Long time, twenny year awready, Da Box Fo No Foget Da Deal Wit Da One In Charge stay Kiriath-Jearim. An all da Israel peopo make sad kine noise cuz dey stay sad inside, an dey try know Da One In Charge mo betta.

³ Samuel tell all da Israel ohana peopo, "If dass fo real you guys goin go back togedda wit Da One In Charge, den throw out da gods from da odda peopos, an da Ashtoret idols. Den, go fo broke fo Da One In Charge, an work ony fo him. Cuz den, he goin get you guys outa da Filisha peopo powa!"

⁴ So da Israel peopo throw out da Baal gods an da Ashtoret idols, an now dey work ony fo Da One In Charge.

⁵ Nex, Samuel tell, "All you Israel peopo, come togedda Mizpah side, fo me pray to Da One In Charge fo help you guys."

⁶ Wen da peopo come togedda Mizpah side, dey bring watta from one puka, an pour um out in front Da One In Charge. All day, da peopo skip food wen dey pray, an tell Da One In Charge, "Us sorry, aah?! dat we wen go agains you an do bad kine stuff."

An Samuel, he stay da leada guy fo judge da Israel peopo Mizpah side.

⁷ Wen da Filisha peopo hear dat da Israel peopo wen come togedda Mizpah side, dea leada guys take dea army an go up Mizpah fo go afta da Israel peopo. Wen da Israel peopo hear bout um, dey come sked cuz a da Filisha army guys.

⁸ Dey tell Samuel, "Yell fo help to oua God, dass Da One In Charge a us, an no stop yell fo him get us guys outa da Filisha guys powa!"

⁹ So Samuel take one bebe sheep dat still suck milk, an make one burn up kine sacrifice wit da whole bebe sheep fo Da One In Charge. Samuel call out to Da One In Charge, an Da One In Charge talk to him.

¹⁰ Same time Samuel stay make da burn up kine sacrifice, da Filisha guys stay come nea fo fight da Israel guys. But right den an dea, Da One

In Charge make one loud, big, strong kine thunda fo go agains da Filisha guys, an make dem come real mix up fo dem run away.

¹¹ Da Israel guys run outa Mizpah, an run afta da Filisha guys, an kill dem wen dey stay run, all da way makai side Bet-Kar.

¹² Den Samuel take one mangus rock, an put um up one place wea get Mizpah on one side, an Shen on da odda side. He name um "Ebenezer," dat mean "Help Monument," cuz he tell, "Da One In Charge wen help us all da way to dis place!"

¹³ So da Israel guys win ova da Filisha guys, an da Filisha guys neva go inside da Israel land no moa.

All da time Samuel stay alive, Da One In Charge stay agains da Filisha peopo.

¹⁴ Da towns from Ekron to Gat, dat da Filisha peopo wen take away from da Israel peopo befo time, da Israel peopo get um back one mo time. An da Israel guys get all da peopo aroun dea outa da Filisha peopo powa. An dat time too, da Israel peopo an da Amor peopo no fight each odda.

¹⁵ Samuel stay da local leada fo da Israel peopo all da time he stay alive.

¹⁶ Ery year he go aroun from Bethel, to Gilgal, to Mizpah. He stay judge da Israel peopo inside all dose places.

¹⁷ But he erytime go back by Ramah, cuz he stay judge da Israel peopo ova dea too, an az wea he live. An he build one altar ova dea fo Da One In Charge.

³ But Samuel boys no do stuff jalike dea faddah. Dey go da wrong way fo da money. An dey take unda da table money too! Dey suppose to judge wass right an wass wrong. But erytime, dey make shua dat dey judge da wrong way.

⁴ So, all da older leada guys come togedda, an go by Samuel, Ramah side.

⁵ ✧ Dey tell um, "Eh! We know you ol awready, an we know yoa boys no like do stuff jalike you. Az why we stay tell you, make somebody da king fo lead us guys, jalike all da odda peopos get king."

⁶ But wen dey tell, "Give one king fo lead us guys," Samuel tink, "Eh! Az not good fo do!" An so, he pray to Da One In Charge.

⁷ Da One In Charge tell um, "Lissen to da peopo! Lissen eryting da peopo stay tell you! You not da one dey tink az no good. Az me! I da one dey tink az no good fo be dea king!"

⁸ Dese buggahs, erytime dey ack lidis, from da time I wen get um outa Egypt till now! Dey bag from me, an let da odda kine gods come dea boss. Az how dey stay make to you too.

⁹ So now, go ahead! Lissen to dem! But tell um, fo shua, dey betta watch out! Tell um serious kine, dat wen da king make up his mind, dey gotta lissen him, no matta dey no like!"

¹⁰ Den Samuel tell eryting Da One In Charge wen tell him to da peopo dat stay aks him fo one king.

¹¹ Samuel tell, "Dis how da king dat goin lead you guys goin do. He goin take yoa boys an make some a dem work wit his war wagons an horses, an odda boys goin run in front his war wagons fo fight.

¹² He goin pick some a yoa boys an make dem his officer guys in charge a tousan army guys, an some in charge a fifty army guys. ¹⁸ Da time goin come wen you guys goin yell to Da One In Charge, fo help you run away from da king dat you guys wen pick, but wen dat time come, Da One In Charge no goin help you guys!"

¹⁹ But da peopo no like lissen Samuel. Dey tell, "Nah! Not! No way! Us guys swea to God, we like one king fo lead us guys!

²⁰ Den we goin come jalike da odda peopos, wit one king fo judge us guys, an go out in front us guys fo fight fo us guys."

²¹ Wen Samuel hear all dat da peopo tell, he go tell Da One In Charge.

Samuel Pick Saul Fo Come Da King

¹ Had one guy from da Benjamin ohana, dat erybody know, Kish, Abiel boy. Dea ancestas, Zeror, Bekorat, an Afiah.

² Kish get one boy Saul. Saul, dass one good looking buggah, even mo good looking den all da odda Israel guys. He young, an eh! he real tall, mo den all da odda guys.

³ Had one time, some a Kish donkeys go wea nobody can find um. Az why Kish tell his boy Saul, "Take one a da worka guys wit you an go look fo da donkeys."

⁴ So Saul an da worka guy, dey go up country Efraim from one side to da odda side, an thru da land aroun Shalishah. But dey no find da donkeys. Den, dey go mo down inside da Shaalim land, but da donkeys no stay ova dea too. Den dey go thru da Benjamin land, but still yet, dey no find um.

⁵ Wen Saul an da worka guy dat stay wit him come da Zuf land, Saul tell da worka guy, "Eh, we go back awready, o my faddah no goin tink bout da donkeys no moa, an he goin worry bout us."

⁶ But da worka guy tell, "Eh, you know wat?! Get one guy inside dis town dat know God. Erybody get respeck fo him, an eryting da guy tell goin happen, happen. So, we go ova dea now. Maybe he tell us wea fo go."

⁷ Saul tell da worka guy, "If we go, wat we can take fo give him? No mo food inside oua bag awready! Us no mo present fo give da guy dat know God. Wat we get, hah?"

⁸ Da worka guy tell Saul, "Look. I get one small piece silva. I goin give um to da guy dat know God fo him tell us guys wea fo go."

⁹ (Now, befo time, wit da Israel peopo, wen one guy go some place fo find out someting from God, he tell, "Come! We go by da guy dat can see wass goin happen," cuz az wat dey call da guys dat talk fo God, dat time, "guys dat can see.")

¹⁰ Saul tell his worka guy, "Shoots, we go!" So dey go da town wea da guy dat know God stay.

¹¹ Wen dey stay go up da hill to da town, dey meet some girls dat come out fo get watta from one well. Saul guys tell dem, "Da guy dat can see wass goin happen, he stay, o wat?"

¹² An dey tell, "Yeah, he stay. He jus come oua town now. But you betta hurry up cuz he jus now going ahead a you guys. Az why oua peopo going to da top a da hill fo make one sacrifice dea.

¹³ Wen you guys go inside da town, you goin find him befo he go up da hill to da sacrifice place fo eat. Da peopo no goin start fo eat befo he come, cuz he gotta pray firs fo make da sacrifice spesho fo God. Den afta dat, da guys dey wen tell fo come, goin eat. Az why go up fas, an you goin find him!"

¹⁴ Saul an da worka guy go up da hill to da town. Wen dey stay go inside, right dea, get Samuel! He stay come nea dem fo go up da sacrifice place on da top a da hill.

¹⁵ Da day befo Saul come dea, Da One In Charge wen tell Samuel someting he neva know befoa. He tell:

¹⁶ "Bout dis time tomorra, I goin sen one guy from da Benjamin ohana land. Pour olive oil on top his head fo show he goin be da leada guy fo my Israel peopo. He da one dat goin get dem outa da Filisha guys powa. Cuz I wen see how my peopo suffa an cry an hear dem yell fo me fo help dem."

¹⁷ So wen Samuel spock Saul, Da One In Charge tell Samuel, "Right dea! Dass da guy I wen tell you bout! He goin lead my peopo!"

¹⁸ Saul go nea Samuel right dea inside da town gate. He aks Samuel, "Try tell me, aah? Wea da house wea da guy dat can see wass goin happen stay?"

¹⁹ Samuel tell, "I da guy! dat can see wass goin happen. Az why you stay go an I stay come, up to da sacrifice place on da top a da hill. Cuz today, you guys goin eat wit me. An morning time, I goin tell you eryting you like know, den I goin let you go home.

²⁰ Da donkeys you neva find fo da las three days, no worry bout dem. Dey no stay lost no moa. Now! All da Israel peopo goin turn to you an yoa faddah ohana, cuz dass wat dey fo real kine like see! You, dea leada!"

²¹ But Saul tell him, "Me?! I ony one guy from da Benjamin ohana, da mos small ohana inside Israel. An my blood line, da mos small from all da odda families inside da Benjamin ohana. How come you stay telling me dis?"

²² Den Samuel bring Saul an his worka guy inside da community centa. He tell dem fo sit down da mos importan place in front all da odda guys Samuel wen tell fo come. Had bout thirty guys dea.

²³ Samuel tell da cook guy, "Bring da piece meat I wen give you, da one I wen tell you awready fo kapu."

²⁴ So da cook guy pick up da sacrifice leg bone wit da meat on top um (da one dat was kapu fo da pries guys ony). He put um in front Saul. Samuel tell, "Dis wat we wen keep fo you. So, eat um! I wen kapu um fo you fo dis meeting, fo you tell da peopo, 'Go come hea eat!' " An Saul eat wit Samuel da same time.

²⁵ Afta erybody come back down from da sacrifice place on da top a da hill a da town, Samuel talk plenny wit Saul on top his flat roof.

²⁶ Saul an his worka guy wake up jus befo da sun come up. Wen da sun start fo come up, Samuel yell to Saul on top da flat roof. He tell, "Get ready, aah! I go wit you litto bit, den I let you go back home!" Wen Saul stay ready, him an Samuel go outside togedda.

²⁷ Wen Samuel an Saul go down by da edge a da town, Samuel tell Saul, "Tell yoa worka guy fo go litto mo down in front us guys." So da worka guy go dea. Den Samuel tell Saul, "You, stay hea short time moa. An I goin let you hear wat God tell."

10

Samuel Pour Olive Oil On Top Saul Head

¹ Den Samuel take some olive oil dat he get inside one small clay kine pitcha, an pour um on top Saul head, an he kiss Saul on his face. Samuel tell, "Da One In Charge wen pick you fo come da leada ova his peopo, you know.

² Wen you go way from me today, you goin meet two guys nea da grave wea Rachel stay bury, by Zelzah, on da borda fo da Benjamin land. Dey goin tell you, 'Da donkeys you wen go out fo find, somebody find um awready. Now yoa faddah pau tink bout da donkeys, an he worry bout you. He stay aks, "Wat I goin do bout my boy? Wea he stay?" '

³ "Den you goin go from dea, till you go by da big oak tree Tabor side. Three guys dat go up fo make sacrifice fo God Bethel side, dey goin meet you ova dea. One guy get three young goats wit him, anodda guy get three breads, an anodda guy get one sew up goat skin bag wit wine inside.

⁴ Dey goin tell you howzit, an fo shua dey goin give you two breads. An you suppose to take um.

⁵ "Afta dat you goin go by Gibeah, God place. Get some Filisha army guys camp dea too. Wen you go nea da town, you goin meet some guys dat talk fo God dat stay come down from da sacrifice place on top da hill. Dey stay wit some odda guys dat stay play small harps, tammorines, flutes, an bass harps in front dem. An da talka guys goin stay talk fo God.

⁶ Da Spirit from Da One In Charge goin take ova you wit powa, an you goin talk fo God jalike dem, an God goin change you so you come one diffren kine guy.

⁷ Wen all dese tings happen, dat goin show I tell you da trut. So do wateva you figga az good fo do! Cuz God goin stay wit you.

⁸ "Go down by Gilgal befo I go dea. I goin come by you fo shua, fo make da burn up kine sacrifices an da sacrifices dat show dat Da One In Charge an da peopo stay good wit each odda. But you gotta wait seven days till I come by you fo tell you wat fo do."

Samuel Make Saul Come Da King

⁹ Wen Samuel turn aroun fo go, God change Saul heart, an eryting Samuel wen tell, happen dat same day.

¹⁰ Wen dey come Gibeah side, right den an dea some guys dat talk fo God meet Saul. Da Spirit from God take ova Saul wit powa, an he start fo talk fo God, jalike dem.

¹¹ Wen all da peopo dat know Saul befo time see dat, dey come shock cuz now he stay talk fo God, cuz he neva do dat befoa. Dey tell, "Wassup?! Wat wen happen to Kish boy? So now! Fo real Saul come one a da guys dat talk fo God too, o wat?!"

¹² ☆ One guy dat live ova dea tell, "An who da faddah fo dose guys dat talk fo God?"

So den erybody start fo tell each odda, "Saul one guy dat talk fo God too, o wat?"

¹³ Afta Saul pau talk fo God, he go up da hill to da place wea da peopo make sacrifice.

¹⁴ Bumbye, Saul uncle aks him an da worka guy, "Wea you guys wen go?"

Saul tell, "Us wen go look fo da donkeys. But wen we no can find um, we go by Samuel."

¹⁵ Saul uncle aks, "Tell me wat Samuel wen tell you guys."

¹⁶ Saul tell, "He tell us fo shua, somebody wen find da donkeys awready." But Saul neva tell his uncle dat Samuel tell dat he goin come da king.

¹⁷ Den Samuel tell da Israel peopo fo come togedda in front Da One In Charge Mizpah side.

¹⁸ He tell um, "Dis wat Da One In Charge, da God fo da Israel peopo, tell: 'I wen get you guys outa trouble from da Egypt peopo. Was me! I wen bring you Israel peopo ova hea outa Egypt. An, I wen get you guys outa trouble one mo time from all da odda peopos dat put presha on you guys.'

¹⁹ But now, you guys tell, no way you goin lissen me, yoa God. I da One dat wen get you guys outa trouble from all da bad kine stuff dat make you guys come bum out. You guys stay tell me, 'Nah! Mo betta you put one king ova us guys!' So now, line up in front Da One In Charge wit yoa families. Put yoa big an small kine ohanas togedda."

²⁰ Wen Samuel bring all da Israel ohanas nea him, God pick da Benjamin ohana.

²¹ Den Samuel bring da Benjamin ohana in front, one blood line an den anodda. An from dem, God pick da Matri ohana. An wen God pau, he pick Saul, Kish boy. But wen dey go look fo Saul, dey no can find him.

²² So dey aks Da One In Charge one mo time, "Dat guy come hea yet?"

Da One In Charge tell, "Yeah, he stay. He wen hide ova dea wea da peopo put dea stuffs."

²³ Da peopo run an bring Saul from ova dea. An wen he stan wit da peopo aroun him, he even mo tall den all da odda peopo, cuz dea head ony come up his shouldas!

²⁴ Samuel tell all da peopo, "You guys see dat guy dat Da One In Charge wen pick? From all da peopo, no mo nobody jalike him!"

Den da peopo yell, "Yeah! Us like da king stay alive long time!"

²⁵ Samuel tell da peopo wat da rules bout da king mean. He write um down on top one roll up papyrus kine paypa, an put dat paypa inside da Tent in front Da One In Charge. Den Samuel tell da peopo go back home.

²⁶ Saul go home too, Gibeah side. Some strong guys dat know how fo fight go wit him, cuz God wen take ova dem an make dem like fo help Saul.

²⁷ But had some mean buggahs wit attitude. Dey tell, “No way dis guy goin get us outa trouble!” An dey ack jalike Saul junk, an dey no bring present fo him notting. But Saul no say notting.

11

Saul Get Da Jabesh Peopo Outa Trouble

¹ Had one guy Nahash from Ammon, go Israel side an tell his army guys fo make camp all aroun Jabesh-Gilead town. All da Jabesh guys tell um, “Make one good deal fo us guys fo no fight, an fo dat we goin let you be oua boss.”

² But Nahash from Ammon tell, “I goin make you guys one deal fo no fight wit you guys, but ony if I dig out da right side eyeball from all you guys fo all da Israel peopo come shame.”

³ Da older leadas from Jabesh tell him, “Give us guys seven days fo us sen messenja guys all ova da Israel land. If nobody come fo get us guys outa trouble, we goin give in to you guys.”

⁴ Wen da messenja guys come Gibeah town wea Saul stay, an tell da peopo wat kine deal Nahash stay make, all da Gibeah peopo start fo cry real loud.

⁵ Right den an dea, Saul come back from his fields wit da cows he use fo plow da groun, an he aks somebody, “Eh! Wassup?! Wassamatta wit da peopo? How come dey stay crying?” So da Gibeah peopo tell him da story, wat da guys from Jabesh wen tell.

⁶ Wen Saul hear dat, da Spirit from God take ova him wit powa, an he come real huhu.

⁷ He take two a da cows, kill um an cut um up, an sen messenja guys fo carry da pieces a cow meat all ova da Israel land. He tell, “Anybody dat no go fight fo Saul an Samuel, az wat we goin do to dea cows!” Den da peopo come real sked a Da One In Charge, an dey all come togedda jalike dey ony one guy.

⁸ Wen Saul bring dem togedda Bezek side fo make ready fo fight, get three hundred tousan Israel guys from da north side, an thirty tousan Judah guys from da south side.

⁹ Dey tell da Jabesh messenja guys dat come by Saul, “Tell dose guys from Jabesh-Gilead dis: ‘Befo da sun come hot tomorra, we awready goin get you guys outa trouble.’ ” Wen da messenja guys go back an tell dat to da Jabesh peopo, da peopo stay feel good inside.

¹⁰ Dey tell da Ammon guys, “Tomorra we goin give in to you guys, an you guys can do wateva you like wit us.”

¹¹ Befo da sun come up da nex day, Saul split his guys fo make three armies. Wen still nite time, befo come light even litto bit, dey broke inside da Ammon guys camp, an kill dem till da day come hot. An da Ammon guys dat still stay alive, dey scatta dem all ova da place fo no find even two Ammon guys togedda.

Samuel Make Saul Come Da King

¹² Den da peopo tell Samuel, “Wea da guys dat tell, ‘Saul? No way he goin come oua king!’? Bring dem ova hea! We goin kill dose buggahs!”

¹³ But Saul tell, “You guys not goin kill nobody today! Cuz today, Da One In Charge, az da One get us Israel peopo outa trouble!”

¹⁴ Den Samuel tell da peopo, “Go come. We go Gilgal, an ova dea we goin tell one mo time dat Saul goin be da king!”

¹⁵ So all da peopo go Gilgal town, an make Saul da king ova dea in front Da One In Charge. Gilgal was da place wea dey make da kine sacrifice in front Da One In Charge fo show dat Da One In Charge an da peopo stay tight wit each odda. An ova dea, Saul an all da Israel peopo make one big party, an dey feel real good inside.

12

Samuel Tell Da Peopo Aloha (Rome 11:2)

¹ Samuel tell da Israel peopo, “You know, I wen lissen you guys, eryting you guys tell me, an I put one king ova you guys.

² So now, da king, he da one dat goin stay in front you guys fo be yoa leada, not me. Me?! Now I makule awready wit gray hair. An my boys, dey still stay hea wit you guys. From da time I was one young guy till now, I da one wen stay in front you fo be yoa leada.

³ I stan hea right now, in front Da One In Charge an da guy dat Da One In Charge wen pick fo be da king. If anybody get someting fo tell, okay fo dem poin finga me right now. I wen rip off somebody cow, o wat?! O somebody donkey? I wen scam somebody? I wen put presha on somebody? I wen take silva from somebody fo shut my eyes, o wat?! If I wen make lidat to somebody, right now, I goin make um come pono fo dem!”

⁴ So dey tell um, “You neva scam us guys o put presha on us guys. You neva take notting from nobody!”

⁵ Samuel tell um, “An I neva do notting lidat. Today, Da One In Charge know all dat, an da king he wen pick, he know all dat too. An if bumbye you guys poin finga me, dey goin tell dat dey know you guys wrong!”

Da peopo tell, “Yeah, fo shua! Da One In Charge an da King goin grumble bout us guys!”

⁶ ✧ Den Samuel tell da peopo, “Da One In Charge, az da One dat wen pick Moses an Aaron, an wen bring yoa ancesta guys hea, outa da Egypt land.

⁷ So, stan up right hea in front God da judge. Cuz I goin ack jalike one lawya guy in front Da One In Charge, fo show proof dat Da One In Charge wen do da right tings fo you guys an yoa ancesta guys we he get you guys outa trouble.

⁸ ✧ “Afta Jacob go Egypt side, yoa ancesta guys wen call Da One In Charge fo help dem. He sen Moses an Aaron, an dey bring da peopo outa Egypt, an let dem live inside dis land.

⁹ ✧ “But dey wen foget dea God, Da One In Charge! Az why jalike he wen sell dem out to Sisera, da main guy in charge a da Hazor army guys. An jalike he wen sell dem out to da Filisha guys an da Moab king. All dem fight da Israel guys.

¹⁰ ✧ Yoa ancesta guys wen yell to Da One In Charge, an tell, ‘We wen do bad kine stuff! We wen bag from you, Da One In Charge, an work fo da Baal gods an da Ashtoret gods! But now, Da One In Charge, get us outa trouble from da guys dat hate us! Den we goin work ony fo you!’

¹¹ ✧ Den Da One In Charge sen Jerub-Baal, Barak, an Jeftah. He sen me too, Samuel. An he get you guys outa trouble from da peopo all aroun you guys dat hate you. Az why now, you stay alive an nobody goin touch you.

¹² ✧ “But wen you guys see dat Nahash, da king fo da Ammon peopo, come

✧ **12:6** 12:6: Outa 6:26 ✧ **12:8** 12:8: Outa 2:23 ✧ **12:9** 12:9 a: Local 4:2; **b**: Local 13:1; **c**: Local 3:12 ✧ **12:10** 12:10: Local 10:10-15 ✧ **12:11** 12:11 a: Local 7:1; **b**: Local 4:6; **c**: Local 11:29; **d**: 1Sam 3:20 ✧ **12:12** 12:12: 1Sam 8:19

agains you guys, you tell me, 'No way we goin wait fo Da One In Charge do someting! We like one king fo be oua leada,' no matta you guys get yoa God, Da One In Charge, fo yoa king.

¹³ So, look! Dis da king you guys wen pick, da one you guys aks fo. Look! Da One In Charge wen awready put one king ova you guys.

¹⁴ If you guys stay sked a Da One In Charge an work fo him, an lissen wat he tell you, an no go agains wat he tell you guys fo do, den not jus you guys, but da king dat stay ova you guys too, goin stay tight wit yoa God, Da One In Charge!

¹⁵ But, if you guys no lissen wat Da One In Charge tell, an go agains wat he tell you guys fo do, he goin go agains you guys, jalike he wen go agains yoa ancesta guys.

¹⁶ "Now, stan dea an watch da big ting Da One In Charge goin do in front you guys!

¹⁷ You guys know dat da time fo harves da wheat stay now, an no mo rain dis time. But today, I goin aks Da One In Charge fo sen thunda an rain. I like you guys see dat, an know az real bad wen you guys aks fo one king, cuz az da way Da One In Charge see um too!"

¹⁸ Den Samuel pray to Da One In Charge, an dat same day Da One In Charge sen thunda an rain. So den, all da peopo come plenny sked a Da One In Charge an Samuel.

¹⁹ All da peopo tell Samuel, "Pray to yoa God, Da One In Charge, fo us guys, cuz you da boss fo us guys. Pray fo us no mahke. Cuz now, we wen do even mo bad kine stuff den befo time cuz we wen aks fo one king."

²⁰ Samuel tell um, "No sked! Fo shua, you guys wen do all dis bad kine stuff. But no bag from Da One In Charge cuz a dat. Go all out fo work fo him!

²¹ Mo betta hang in dea wit Da One In Charge. No go wit da idol kine gods cuz dey no mo notting inside! Dey no can do notting good fo you guys. Dey no can get you guys outa trouble cuz dey notting.

²² Da One In Charge no goin leave you guys! Cuz he awready make up his mind fo make you guys come his peopo. An he no goin jam up his good rep.

²³ An me, if I wen no pray fo you guys, fo shua az one bad kine ting I wen do agains Da One In Charge. Az why fo shua I goin stay pray fo you guys! An I goin teach you guys da way dat stay good an right.

²⁴ But make shua you guys stay sked a Da One In Charge an show um plenny respekt, an go all out fo work fo him fo real kine. Tink bout all da big kine tings he wen do fo you guys.

²⁵ But if you guys still do bad kine stuff, he goin take away you guys an yoa king."

13

Samuel Poin Finga Saul

¹ Saul stay thirty year ol wen he come king fo da Israel peopo, an he stay king fo forty-two year.

² Saul pick three tousan guys from Israel fo be army guys. Two tousan guys stay wit him Mikmash side an up country Bethel side. One tousan guys stay wit Jonathan, Gibeah side, inside da Benjamin land. An Saul sen home da odda guys he neva pick.

³ Jonathan dem attack da Filisha army camp Geba side an da odda Filisha army guys hear bout um. Den Saul tell, "Blow da sheep horn trumpet all ova da land, an tell, 'All you Hebrew peopo, lissen, aah?!' "

⁴ So all da Israel peopo wen hear dis: "Saul wen attack da Filisha army camp, an now da Filisha guys hate us Israel guys even moa!"

So Saul call his army guys fo come togedda wit him Gilgal side.

⁵ Da Filisha guys come togedda too fo fight da Israel guys, wit three tousan war wagon, six tousan guys dat ride horse, an choke plenny infantry guys, jalike da sand on top da beach. Dey go up an make camp Mikmash side, from Bet-Aven on da east side.

⁶ Wen da Israel guys see az goin be bad fo dem, an dat da Israel army get plenny presha, dey lose fight an dey go hide inside da caves an bushes, inside da cracks in da cliffs, an inside holes cut in da rocks an pukas fo watta.

⁷ Some Israel guys even run away across da Jordan Riva an go inside da Gad an Gilead land.

Saul stay Gilgal side still yet, an all his army guys dat neva run away stay shake cuz dey real sked.

⁸ ☆He wait seven days, cuz dass da time Samuel tell him he goin come. But Samuel neva show up Gilgal side. So Saul guys start fo scatta.

⁹ Az why Saul tell um, "Bring me da animals fo da burn up kine sacrifice, an fo da kine sacrifice dat show dat da peopo an God stay tight wit each odda." Den Saul make da burn up kine sacrifice.

¹⁰ Same time wen he pau make da sacrifice, Samuel show up! Saul go outside fo meet him an tell um aloha.

¹¹ Samuel tell, "Eh! Wat you wen do?!"

Saul tell, "Wen I see oua army guys stay scatta all ova da place, an you neva come yet like you wen tell you goin do, an da Filisha guys stay come togedda Mikmash side,

¹² I tink, 'Da Filisha guys goin come down agains me Gilgal side, an I neva yet aks Da One In Charge fo help us.' So I know I not one pries, but I figga, az gotta be me, dat go an make da burn up kine sacrifice, right now!"

¹³ Samuel tell Saul, "Bummahs! You wen ack stupid! You neva lissen an do wat yoa God, Da One In Charge, wen tell you fo do! If you wen do wat Da One In Charge tell, den he make you come da ancesta awready fo da kings ova da Israel peopo, foeva. But, you neva do um!

¹⁴ ☆So dass why you no goin be da ancesta fo da king guys! Da One In Charge stay look fo one guy dat tink an do stuff jalike him, an he pick dat guy awready fo come da leada fo his peopo, cuz you no do wat Da One In Charge tell you fo do!"

¹⁵ Den Samuel go way from Gilgal, an go Gibeah side, inside da Benjamin land. An Saul count his guys dat still stay wit him. Get bout six hundred guys.

Da Israel Guys No Mo Notting Fo Use Fo Fight

¹⁶ Saul, his boy Jonathan, an da guys dat still stay wit dem, stay Gibeah town inside da Benjamin land, an da Filisha guys stay inside dea camp Mikmash side.

¹⁷ Da Filisha guys sen out three bunch army guys fo fight. One bunch go north fo go Ofrah town nea Shual,

¹⁸ Anodda bunch guys go west Bet-Horon side, an da odda bunch go up country by da edge a da land wea you look down an see da Zeboim Valley wit da boonies da odda side.

¹⁹ Dat time, all ova da Israel land neva have blacksmith fo shape iron. Cuz da Filisha guys figga, "No good da Hebrew guys go make sword o spear!"

²⁰ So all dat time, all da Israel peopo gotta go down Filisha side fo da Filisha guys make sharp dea hoe, da metal part fo dea plow, dea pick, an dea ax.

²¹ Dey gotta pay 2/3 ounce silva fo make sharp one hoe o da metal part fo one plow, an 1/3 ounce silva fo make sharp one pitchfork, one pick, o da sharp part a da stick dey use fo poke da cow dat stay pull da plow.

²² An dass how come, wen da day come fo fight, no mo nobody wit Saul an Jonathan get sword o spear. Ony Saul an his boy Jonathan get um.

Jonathan Go Afta Da Filisha Guys

²³ Had some Filisha army guys wen go make camp by da pass ova da hills Mikmash side.

14

Jonathan Make Plan

¹ So one day Jonathan, Saul boy, tell da young guy dat carry his stuff fo fight, "Eh! We go ova dea an attack da Filisha army guys da odda side dis stream." But Jonathan neva tell his faddah.

² Dat time, Saul stay Migron town on da borda wit Gibeah, an make camp unda one pomagram tree. He get bout six hundred army guys ova dea wit him.

³ Ahijah stay wit dem too. His faddah was Ikabod braddah Ahitub, an his granfaddah was Finehas, Eli boy (dass da Eli guy dat befo time was Da One In Charge pries guy Shiloh town). Now, Ahijah, he da pries guy dat wear da spesho kine ves cuz he da Main Pries Guy.

No mo nobody know dat Jonathan wen go way from dea awready.

⁴ On da two sides a da pass wea Jonathan gotta go across fo attack da Filisha army guys, get one cliff. Da cliff one side a da pass get da name Bozez, an da cliff da odda side, Senneh.

⁵ You look in front you, from da north side cliff, get Mikmash down dea, an you look in front you, from da south side cliff, get Geba down dea.

⁶ Jonathan tell da young guy dat carry his stuff fo fight, "Go come, we go ova da pass by wea dose guys stay dat neva cut skin jalike God peopo. Maybe Da One In Charge go do someting fo help me an you. Da One In Charge goin win, no matta he get plenny guys o litto bit guys."

⁷ His helpa guy tell um, "Do eryting you tink fo do. I stay tight wit you an ready fo go all out."

⁸ Jonathan tell, "Kay den! We go ova dea nea da guys an let dem see us.

⁹ If dey tell us, 'Okay, wait dea till we come by you guys,' we goin stay wea we stay now, an no go up dea by dem.

¹⁰ But if dey tell, 'Okay, come up hea by us guys,' we goin go up, cuz dat goin be da sign dat show us dat Da One In Charge stay give dem to us guys."

¹¹ So da two a dem let da Filisha army guys see um. Da Filisha guys tell, "Eh! Look! Get Hebrew guys stay come outa da hole wea dey stay hide!"

¹² Da Filisha army guys yell to Jonathan an his helpa guy, “Go come up hea by us guys! We like teach you guys someting!”

So Jonathan tell his helpa, “Go come up afta me. Da One In Charge give dem to us Israel guys awready!”

¹³ Jonathan use his hands an feets fo climb up, an his helpa guy climb right in back a him. Jonathan wack da Filisha guys an dey fall down in front him. Den his helpa guy come afta an kill um all.

¹⁴ Az was da firs time da Israel guys attack da Filisha guys. Jonathan an his helpa guy kill bout twenny Filisha guys inside one place bout one half acre big.

Da Israel Guys Win Ova Da Filisha Guys

¹⁵ Den all da odda Filisha army guys come real sked an shaking—da guys inside da camp an on top da level groun inside da valley, da small kine camps outside da main camp, an da bunches a army guys dat go out fo fight. Den, da groun shake! God da One dat make dem come even mo sked.

¹⁶ Da watcha guys fo Saul, Gibeah side inside da Benjamin land, dey look, an ho! uku pile a Filisha guys, stay running aroun dis side an dat side, jalike dey donno wassup!

¹⁷ Den Saul tell da guys dat stay wit him, “Line up all oua guys fo me find out who no stay!” Wen dey make lidat, dey find out was Jonathan an his helpa guy dat no stay.

¹⁸ Saul tell Ahijah, “Bring da Box Fo No Foget Da Deal Wit God ova hea!” Cuz dat time da Box stay wit da Israel peopo.

¹⁹ But right den, wen Saul stay talk wit da pries guy, all da big noise inside da Filisha camp come mo an mo loud.

So den Saul tell da guy, “Mo betta, no go bring da Box now. We go ova deal!”

²⁰ Den Saul an all his army guys come togedda fo fight. Dey find da Filisha guys all pupule—dey stay fight each odda wit dea swords!

²¹ Had Israel guys dat befo time wen go along wit da Filisha guys, an go up wit dem by dea camp. But now, dey turn aroun an go ova by da Israel guys dat stay wit Saul an Jonathan.

²² Wen all da Israel guys dat stay hide inside da up country Efraim side hear dat da Filisha guys stay run away, dey come fo fight too an chase da Filisha guys fas.

²³ Dass how Da One In Charge get all da Israel guys outa trouble dat time. Dey fight all da way to Bet-Aven.

Jonathan Eat Da Honey

²⁴ Dat same day, da Israel army guys get even mo presha, cuz Saul make dem make one strong promise to him. He tell, “I goin put one kahuna on top anybody dat go eat food today! Cuz firs, I gotta pay back da buggahs dat stay agains me befo da sun go down! Afta dat, den you can eat.” Az why nobody eat notting dat day cuz was kapu.

²⁵ All da army guys go inside da fores, wea had some honey on top da groun.

²⁶ Wen dey go inside da fores, dey spock da honey stay coming out, but nobody like touch um an eat um cuz dey sked a da kapu.

²⁷ But Jonathan neva hear da kine kahuna dat his faddah wen put on top da army guys. He poke his stick fo walk inside da honey place. He eat some honey, an he smile cuz make him feel real good.

²⁸ One a da army guys tell um, “Yoa faddah make us army guys make one strong promise. He tell, ‘I goin put one kahuna on top anybody dat go eat food today! Cuz firs, I gotta pay back da buggahs dat stay agains me! An I goin pay um back befo da sun go down! Afta dat, den you can eat.’ Az why now all us guys stay wasted!”

²⁹ Jonathan tell, “Wat my faddah wen do, put plenny presha on all oua peopo! See? I feel mo betta awready cuz I wen eat litto bit a dat honey.

³⁰ Fo shua, stay mo betta today, if da guys wen eat some a da stuffs dey rip off from da Filisha army guys! But dey no do dat! If dey wen eat, den we can kill even mo plenny Filisha guys!”

³¹ Dat time, afta da Israel guys wack da Filisha guys all da way from Mikmas to Aijalon, da Israel guys come plenny wasted.

³² Dey now jump on top da Filisha guys stuffs, an take da sheeps, da cows, an da bebe cows. Dey kill da animals on top da groun, an eat um, but dey neva get rid a all da blood jalike dey suppose to.

³³ ✧ Den somebody tell Saul, “Look! Yoa army guys stay do bad kine stuff agains Da One In Charge, cuz dey eat da meat dat get da blood inside um!”

Saul tell, “Da way you guys ack, no can trus you guys notting! Roll one big stone ova hea by me, right now!”

³⁴ Den he tell, “Go out ery place da guys stay. Tell dem, ‘Erybody bring yoa cows an sheeps an goats ova hea by me, an kill um on top dis stone. Den you can eat um. No go do bad kine stuff agains Da One In Charge, an go eat da meat wit da blood still yet inside um.’ ”

Az why dat nite, erybody bring dea cow an kill um on top da big stone ova dea

³⁵ dat Saul use fo one altar fo Da One In Charge. Az da firs time he make lidat.

³⁶ Den Saul tell, “Nex, nite time, we go down by da Filisha guys, an attack dem till come light tomorra, an make shua nobody stay alive!”

Dey tell, “Do wateva you tink good. We go do um!”

But da pries guy tell, “Good us go by Da One In Charge ova hea.”

³⁷ So Saul aks God, “You tink dass okay if I go down dea afta da Filisha guys, o wat? You goin make us Israel guys win, o wat?” But God no tell him notting dat time.

³⁸ Az why Saul tell, “All you main leada guys fo da army, come ova hea by me. Go find out wat bad ting we wen do today.

³⁹ Fo shua, Da One In Charge stay alive, da one stay get us guys outa trouble. An fo shua too, no matta who wen do da bad ting, even if was my boy Jonathan wen do um, dey gotta mahke.” But nobody from all da army guys tell um notting.

⁴⁰ Den Saul tell da Israel guys, “You guys stan ova dea. Me an my boy Jonathan goin stan ova hea.”

Da guys tell, “Watevas you tink stay good, do um awready.”

⁴¹ ✧ Den Saul pray to Da One In Charge, “You, da God fo da Israel peopo! Show who neva do notting bad, an who wen do someting bad!” Den dey pull straw, an Jonathan an Saul get da blame, an da army guys stay good.

⁴² Saul tell, “We go pull straw one mo time fo pick me o my boy Jonathan.” An so, was Jonathan dat get da blame.

⁴³ Den Saul aks Jonathan, “Wat you wen do?!”

So Jonathan tell him, "I ony taste litto bit honey dat stay on top my stick fo walk, on da end. So jus cuz a dat, I gotta mahke, o wat?!"

⁴⁴ Saul tell, "You gotta mahke, Jonathan, o God goin pay me back plenny moa!"

⁴⁵ But da army guys tell Saul, "Wat you mean, Jonathan gotta mahke?! No way! He da one wen get us Israel guys outa trouble from da Filisha guys, big time! Jalike fo shua Da One In Charge stay alive, us guys stay shua too, dat not even one hair from Jonathan head goin fall on top da groun. Cuz God wen help Jonathan get all us guys outa trouble today!" So dass how da army guys get Jonathan outa trouble fo him no mahke.

⁴⁶ Den Saul pau go afta da Filisha guys, an he go home. An da Filisha guys go back dea land.

⁴⁷ Afta Saul take ova an come da king fo da Israel peopo, he fight da peopos dat live all aroun dem, an dat stay agains da Israel peopo: da Moab peopo, da Ammon ohana peopo, da Edom peopo, da Zobah kings, an da Filisha peopo. Ery place he go, he punish dose guys.

⁴⁸ He fight, an he no sked notting. He win ova da Amalek peopo, an get da Israel peopo outa da powa a da guys dat stay rip dem off.

Da Saul Ohana

⁴⁹ Saul boys, Jonathan, Ishvi, an Malki-Shua. His older girl Merab, an da younga girl Michal.

⁵⁰ Saul wife Ahinoam, Ahima girl. Abner, he da guy in charge a Saul army guys. Abner, he Ner boy. Ner, he Saul uncle.

⁵¹ Saul faddah Kish, an Abner faddah Ner, dey Abiel boys.

⁵² All da time Saul stay king, get real bad war wit da Filisha guys. Weneva Saul spock one strong guy dat know how fo fight real good, o one guy dat no sked notting, Saul take da guy fo his army.

15

Saul Make War Wit Da Amalek Peopo

¹ ✧ Samuel tell Saul, "I da guy dat Da One In Charge wen sen fo put oil on top yoa head fo make you da king fo his peopo, da Israel peopo. So den, you gotta lissen eryting Da One In Charge tell.

² ✧ Dis, da message from Da One In Charge, da Boss Ova All Da Armies: 'I goin go afta da Amalek peopo an punish dem, cuz a wat dey wen do to da Israel peopo, da time da Israel peopo wen come outa Egypt. Da Amalek peopo fight fo da road an make da Israel peopo go aroun dem.

³ Now go! Go afta da Amalek peopo, an wipe um out an eryting dey get, make um all one sacrifice fo me. No let um go! Kill da guys, da wahines, da kids, da bebes, da cows, da sheeps an goats, da camels, an da donkeys!' "

⁴ So Saul tell all his army guys come, an bring dem togedda Talaim side. Get two hundred tousan infantry guys an ten tousan guys from Judah.

⁵ Saul guys go da main town Amalek side, an dey hide inside one gulch.

⁶ Den Saul sen message to da Ken peopo, "Go way from da Amalek peopo fo me no wipe out you guys wit dem. Cuz you guys wen help all da Israel peopo wen dey stay come outa Egypt." So da Ken peopo go way from da Amalek peopo.

⁷ Den Saul guys wack da Amalek peopo all da way from Havilah to Shur, by da east side a Egypt.

⁸ He catch Agag da Amalek king but he no kill um. He wipe out all da Agag peopo wit swords, jalike dey was one sacrifice fo God.

⁹ But Saul an his army guys let Agag stay alive. An he let his guys keep eryting dat stay good: all da bestes kine sheeps an cows, da cows dey feed spesho kine, an da bebe sheeps. Dey neva like kill all dose animals jalike dey one sacrifice fo Da One In Charge. Dey kill ony da animals dey no like an figga az worth notting. An dey tell, “We stay do dis cuz God tell us fo do um.”

Da One In Charge No Like Saul Be Da King No Moa

¹⁰ Den Da One In Charge give Samuel dis message,

¹¹ “I stay sorry dat I wen make Saul come da king, cuz he make deaf ear an he no stay tight wit me no moa, an he no do no mo all da stuff I wen tell him fo do.” Wat Da One In Charge tell, bodda Samuel so plenny dat he pray all nite to Da One In Charge fo help.

¹² Da nex morning early, Samuel get up fo go meet Saul. But da peopo tell, “Saul go Carmel town awready. An you know wat? Ova dea Saul awready wen put up one pile rocks fo erybody no foget dat he da one wen wipe out da Amalek peopo. Den he go da odda way, Gilgal side.”

¹³ Samuel go from dea, an wen he catch up Saul, Saul tell, “I like Da One In Charge do good kine stuff fo you! I wen do eryting Da One In Charge wen tell me fo do, aah?!”

¹⁴ But Samuel tell, “Den how come I hear all dem sheeps an cows stay making noise?!”

¹⁵ Saul tell, “Da army guys wen bring um from da Amalek peopo. Dey let da bestes kine sheeps an cows stay alive, fo make sacrifice fo yoa God, Da One In Charge. But we wipe out all da oddas cuz dass wat we suppose to do fo Da One In Charge.”

¹⁶ So Samuel tell, “Stop! No talk no moa! Cuz I goin tell you wat Da One In Charge wen tell me las nite.”

Saul tell, “Shoots, brah! Wat he tell?”

¹⁷ Samuel tell, “Had one time, you neva tink you was importan, aah? Den you come da main guy ova all da twelve Israel ohanas, cuz Da One In Charge wen pick you fo come da King Fo Da Israel Peopo.

¹⁸ An he give you one job fo do. He tell, ‘Go wipe out all dose Amalek peopo fo me. Cuz dey stay do real bad kine stuff, az why. Make war agains dem till you wipe um all out.’

¹⁹ How come you no lissen wat Da One In Charge tell?! How come you jump all ova da Amalek peopo stuffs fo rip um off?! Da way Da One In Charge see um, az bad, da ting you wen do!”

²⁰ Saul tell, “Not! I wen lissen Da One In Charge! I do how he tell me fo do. I wipe out all da Amalek peopo jalike I suppose to do fo Da One In Charge. An I catch Agag dea king an make him one prisona.

²¹ Da army guys wen take da sheeps an da cows from all da stuffs. Dey bring da bestes ones. No can use um fo no odda ting cuz gotta total um. Dey ony fo make sacrifice fo yoa God, Da One In Charge, ova hea by Gilgal side.”

²² But Samuel tell:

“You tink dat Da One In Charge feel mo good inside

Wen you make all da diffren kine sacrifice,

O wen you lissen him?!

Wen you lissen, dass mo betta

Den wen you make one sacrifice!
 Mo betta wen you find out wat God like,
 Den, kill da sheep!

²³ Cuz anybody dat go agains Da One In Charge, az bad,
 Jalike if dey aks da fortune tella guys wat goin happen,
 An anybody dat no do how dea boss tell um fo do, az wrong awready,
 Jalike if dey go down in front da idol kine gods.
 You! Cuz you tell 'Laytas' to wat Da One In Charge tell you fo do,
 Az why he tell 'Laytas' to you! You no goin stay king no moa!"

²⁴ Den Saul tell Samuel, "I wen do one bad ting, aah?! I go agains wat Da One In Charge tell me, an wat you tell me. Cuz I sked da army guys, so I do wat dey tell me fo do.

²⁵ Now, try let me go! I wen do one bad ting. Go come back wit me fo me show love an respeck fo Da One In Charge."

²⁶ But Samuel tell him, "Eh! I not goin go back wit you. You no lissen wat Da One In Charge tell you fo do. Az why Da One In Charge tell 'Laytas' to you. You no goin stay da king fo da Israel peopo no moa."

²⁷ ✧ Samuel turn aroun fo go. Saul grab his robe, an one piece a da robe broke off.

²⁸ Samuel tell him, "You see?! Da One In Charge stay broke off da Israel peopo from you today, so you not dea king no moa. He goin give dem to anodda king dass jalike you, but dis guy mo betta den you.

²⁹ An da God fo da Israel peopo, dat stay awesome foeva, he no bulai nobody. He not one guy jalike us dat tell he goin do someting, an den he no do um."

³⁰ Saul tell, "I wen do one bad ting. But now, try show respeck fo me an no make me come shame in front da older leada guys, an in front da odda Israel peopo. Go come back wit me fo me show love an respeck fo Da One In Charge, yoa God."

³¹ So Samuel go back wit Saul, an Saul show love an respeck fo Da One In Charge.

³² Den Samuel tell, "Bring me Agag, da king fo da Amalek peopo."
 Da army guys bring Agag in front Samuel. Agag stay good inside, cuz he figga, "Fo shua dey no goin kill me now."

³³ But Samuel tell,
 "Jalike you wen use yoa sword so dat da wahines no mo dea kids,
 Now, yoa muddah goin come one a da wahines dat no mo kids."
 So Samuel wack Agag wit his sword an chop um up, right dea in front Da One In Charge, Gilgal side.

³⁴ Den Samuel go his place Ramah side. But Saul go his place inside Gibeah.

³⁵ Till wen Samuel mahke, he no go see Saul no moa. But Samuel stay sad inside cuz a Saul. An Da One In Charge stay sorry dat he wen make Saul da king fo da Israel peopo.

16

Da One In Charge Show Dat He Pick David

¹ Da One In Charge tell Samuel, "You goin stay sad inside all da time cuz a Saul, o wat?! I tell 'Laytas' to him fo no be da king fo da Israel peopo no moa. Fill up yoa cow horn bottle wit olive oil, an go; I goin sen you by

Jesse, da Betlehem guy. I wen awready pick one a his boys fo come da nex king fo me.”

² But Samuel tell, “How can?! Fo shua Saul goin hear dat I go, an he goin kill me!”

Da One In Charge tell, “So?! Take one young girl kine cow wit you an tell da peopo, ‘I stay hea fo make one sacrifice fo Da One In Charge.’”

³ An make shua Jesse come wen you make da sacrifice. Dass da time I goin tell you wat fo do. I goin tell you pour olive oil on top one guy fo show he da one I wen pick!”

⁴ So Samuel do wat Da One In Charge tell. Wen he come Betlehem, da older leada fo da town go meet him. But dey stay sked an shaking. Dey aks, “How come you hea? Eryting stay good, o wat?”

⁵ Samuel tell, “Yeah, eryting good. I ony come fo make one sacrifice fo Da One In Charge. All you leada guys, make ready fo come in front Da One In Charge too. Den come make one sacrifice wit me, aah?” Den Samuel go Jesse place, an he make da religious kine ceremony fo make Jesse an his boys ready fo come in front Da One In Charge, an he tell dem fo come wen he make da sacrifice too.

⁶ Wen dey come, Samuel see Jesse boy Eliab, an figga, “Fo shua! Dis da guy dat stan hea in front Da One In Charge. He da one Da One In Charge wen pick fo come da king!”

⁷ But Da One In Charge tell Samuel, “No ways! No look da outside, how he look o how tall he stay. Cuz I no goin pick him. I no look fo da tings dat peopo like see. Peopo ony look wat stay da outside a peopo. But me, Da One In Charge, I look wat stay inside da peopo.”

⁸ Nex, Jesse call Abinadab, an tell him fo walk in front Samuel. But Samuel tell, “Da One In Charge no pick dis one too.”

⁹ Den Jesse tell Shammah fo walk in front Samuel. But Samuel tell, “Still yet, Da One In Charge no pick dis one.”

¹⁰ Jesse tell all seven a his boys fo walk in front Samuel. But Samuel tell, “Same ting. Da One In Charge no pick dem!”

¹¹ So he aks Jesse, “Az all da boys you get, o wat?”

An Jesse tell um, “Get one moa, da mos young boy David. But now, he stay take kea da sheeps.”

Samuel tell, “Sen somebody fo bring him ova hea. We no goin do notting till he come!”

¹² So Jesse sen somebody fo bring David dea. David stay healthy, get one good tan an nice kine eyes. He real good looking.

Den Da One In Charge tell Samuel, “Quick! Pour da oil on top him cuz him he da one!”

¹³ So Samuel take da cow horn bottle wit oil inside, an pour um on top David, wit his braddah guys all aroun. Right den an dea, da Spirit from Da One In Charge take ova David, so from dat time he stay get da powa from Da One In Charge. Den Samuel go back home Ramah side.

David Start Fo Work Fo Saul

¹⁴ Dat same time, da Spirit from Da One In Charge wen bag from Saul, an Da One In Charge sen one bad kine spirit dat make Saul sked an make him suffa.

¹⁵ Da guys dat work fo Saul tell um, “Eh, you know wat?! Az one spirit from God dat stay make you come hamajang. Az why you come sked an you suffa.”

¹⁶ You oua boss, but us guys tink, maybe az good you sen us go look fo somebody dat know how fo play da harp real good. Den, weneva da bad kine spirit from Da One In Charge take ova you, he can play music, an you goin feel mo betta.”

¹⁷ Az why Saul tell his worka guys, “Kay den. Go find somebody dat can play da harp real good fo me. An bring um hea by me.”

¹⁸ One a da worka guys tell, “You know wat?! I wen see one a Jesse boys from Betlehem dat fo real kine know how fo play da harp. He no sked fo fight, an know how fo fight. He erytime tink befo he talk. An he good looking. Da One In Charge stay tight wit him.”

¹⁹ Den Saul sen messenja guys by Jesse, fo tell, “Sen yoa boy David by me, da one dat stay wit da sheeps.”

²⁰ So Jesse take one young goat. Den he take plenny food an one skin full a wine an put um on top one donkey. He sen his boy David fo take all dat fo Saul.

But you know, oua king goin give plenny rich kine stuff to da guy dat kill Goliat. An he goin give da guy his daughtah fo marry. He even goin make um so da guy ohana no gotta pay tax no mo inside Israel."

²⁶ David aks some odda guys dat stan nea him da same ting, "Eh! Wat dey goin do fo da guy dat kill dis Filisha guy an hemo da shame fo da Israel peopo? Us guys, da army fo da God dat stay alive fo real kine! Who dis Filisha guy tink him?! He no mo God cut skin mark! He ony ack big fo try make us Israel guys come shame, aah?!"

²⁹ David tell, “Wat I wen do? I jus wen aks one question, you know!”

³⁰ Den David turn fo talk wit anodda army guy, an aks da same ting, an dat guy tell him da same ting jalike da odda guys.

³³ Saul tell um, “You no can go fight dis Filisha guy! You ony one young kid, an he one real good army fighta, from da time he one boy.”

³⁴ But David tell Saul, “I work fo you, but I take kea da sheeps fo my faddah too. Any time one lion o one bear come out an carry away one sheep from da oddas,

³⁵ I go afta um, an wack um. Den I get da sheep outa dea mout. An wen da lion o bear go afta me, I grab um by da chin hair, wack um one mo time, an kill um.

³⁶ Eh, Boss! I wen kill da lion an da bear too. Dis Filisha guy dat no mo da cut skin mark fo show he God guy, he goin be jalike da lion an da bear, cuz he talk big agains oua army dat fight fo da God dat stay alive fo real kine.

³⁷ Da One In Charge, he da One wen get me outa da lion an da bear powa, an he goin get me outa dis Filisha guy powa too!”

³⁹ David put da sword ova da body armor, an try fo walk aroun, cuz he neva wear um befo time.

He tell Saul, “I no can wear dese cuz I neva wear um befoa.” Az why he take um off.

⁴⁰ Den David pick up his stick, go down to da stream, an he pick up five smooth stones from dea, put um inside his bag dat he use wen he take kea da sheeps. He get his sling inside his hand fo throw da stone. Den he go nea da Filisha guy.

⁴¹ Same time, Goliat da Filisha guy an da guy dat carry his shield stay come mo an mo nea David.

⁴³ He amp up an tell David, “Wot?! You tink I ony one dog, o wat?! Az why you come afta me wit one stick, aah?!” Den Goliat tell his Filisha kine gods fo do all kine bad stuff to David.

⁴⁴ Goliat tell David, “Go come mo close ova hea! Fo me give yoa mahke body to da birds an da wild animals fo dem eat um!”

⁴⁵ David tell Goliat, da Filisha guy, “You! You stay come agains me wit one sword an wit one big spear fo poke an one small spear fo throw. But me, I come agains you cuz I know wat kine god Da One In Charge stay! He Da God Ova All Da Armies, da God dat da Israel army guys pray to. Him, da one you wen talk bad bout!

⁴⁶ Today, Da One In Charge goin turn you ova to me. I goin bus you up, an cut off yoa head. I goin give da mahke bodies from all you Filisha army guys to da birds an da wild animals fo eat. Den da peopo all ova da world goin know dat us Israel guys get one God dass fo real kine!

⁴⁷ All dese guys dat stay hea goin know dat Da One In Charge no need sword o spear fo get his peopo outa trouble. Cuz Da One In Charge da one goin win dis fight. He goin give us guys da powa fo win ova you guys!"

⁴⁸ Right den an dea da Filisha guy start fo come even mo nea fo attack David. David move quick. He run fas to da Filisha army side fo fight Goliat.

⁴⁹ David put his hand inside his bag an take out one stone. He put um inside da sling, spin um aroun fas, den let um go. An he wack Goliat in da middo a da forehead! Da stone go inside his head, an Goliat fall down an his face hit da groun.

⁵⁰ ✧Az how David was mo strong den Goliat da Filisha guy. David use ony one sling an one stone. He no use one sword, but still yet he wack da Filisha guy fo try kill um.

⁵¹ ✧Den David run ova dea by Goliat body an stan dea. He grab Goliat sword from Goliat sword bag an kill him. Den he cut off Goliat head wit da sword.

Wen da Filisha guys see dat dea guy dat erytime win stay mahke, dey turn aroun an run away fas.

⁵² Den da Israel an Judah guys yell fo fight an start fo chase afta da Filisha guys all da way to Gat an to da Ekron town gates. Get mahke Filisha guys dat fall down all ova da Shaarayim road, till you come to Gat an Ekron.

⁵³ Wen da Israel guys come back afta dey chase afta da Filisha guys, dey rip off all da stuffs from inside da Filisha camp.

⁵⁴ (Laytas, David take Goliat head an bring um Jerusalem side. He take Goliat stuff dat he use fo fight an put um inside his tent.)

⁵⁵ Befo dat, wen David stay go out fo fight da Filisha guy, Saul watch David, an aks General Abner, "Eh, Abner! Who dat boy faddah?"

Abner tell, "Eh, garans, I donno!"

⁵⁶ Da king tell, "Go aks somebody. Find out who da faddah fo dis kid!"

⁵⁷ Wen David come back from kill Goliat, Abner take um an bring um by Saul. An David still stay hold Goliat head.

⁵⁸ Saul aks David, "My boy, who yoa faddah?"

David tell, "Jesse from Betlehem, he my faddah, an you da boss fo him."

Saul Come Jealous A David

¹ Afta David pau talk wit Saul, Saul boy Jonathan come tight wit David cuz dey get da same kine heart an head. He get love an aloha fo David da same way Jonathan get fo him.

² From dat time, Saul like David fo stay wit him, an he no let David go back his faddah place.

³ Jonathan make one deal wit David cuz he get love an aloha fo David da same way he get fo him.

⁴ Jonathan take off da robe he stay wear, his body armor, an even his sword, his bow an arrows, an his army belt, an give um all to David.

⁵ Weneva Saul sen David fo fight, David win good. So Saul make David come one leada guy fo da army. All da army guys an Saul officer guys stay good inside bout dat.

⁶ Afta David come back from kill Goliat, da Filisha guy, wen all da army guys stay come back, da wahines come out from all da towns all ova Israel fo meet King Saul. An dey stay sing an dance. Dey stay good inside, an dey play tammorines an da three-string harp.

⁷ ☆Wen dey dance, dey sing one good fun kine song lidis:
“Saul wack down tousans an tousans a guys,

An David wack down ten tousans an ten tousans a guys!”

⁸ Wen Saul hea dis, he come real huhu cuz he tink, “Az not good, wat dey sing!” He tink, “Dey tell dat David wen kill ten tousans an ten tousans a guys, an dey tell dat me, I ony kill tousans an tousans a guys. Nex, da peopo goin like make him come king!”

⁹ From dat time, Saul stay jealous a David, an watch um even mo close.

¹⁰ Da nex day, had one spirit from God dat was bad dat wen take ova Saul. Saul stay inside his house talking pupule kine. David play his harp, jalike erytime he stay do. Saul get one spear inside his hand.

¹¹ He throw um at David. He tink, “I goin make da spear go thru David body an into da wall!” But David, two time he jump outa da way.

¹² So now, Saul stay sked fo stay in front David, cuz he know dat Da One In Charge stay wit David an wen go way from Saul.

¹³ Az why he give David one job anodda place. He make David da leada fo one tousan army guys. An David go in front his army guys wen dey stay fight.

¹⁴ An so eryting David stay do, come out good, cuz Da One In Charge stay wit him.

¹⁵ Wen Saul see dat eryting David do, come out real good, he come sked cuz da guy awesome!

¹⁶ But all da Israel an Judah peopo get love an aloha fo David cuz he lead dea army guys fo fight.

David Marry Saul Girl

¹⁷ Anodda time, Saul tell David, “Hea, take my older girl, Merab. I goin give her to you fo marry. Ony work fo me, an fight fo Da One In Charge, an no come sked.” Saul talk lidat cuz he stay figga, “I no need go agains dis guy fo kill um, cuz da Filisha army guys goin do dat fo me!”

¹⁸ But David tell Saul, “Eh, I nobody, an my faddah ohana, not importan! No way I goin get you, da king, fo my faddah-in-law!”

¹⁹ But, wen da time come fo give Merab to David, Saul wen awready give her to Adriel from Meholah fo marry, an not to David.

²⁰ But Saul odda girl Michal, she love David. Somebody tell Saul, an he tink “Az good!”

²¹ An he figga, “I goin give her to him. Dass how I goin trap um fo da Filisha guys get um!” So Saul tell David, “Now, you get anodda chance fo come my son-in-law!”

²² Den Saul tell his helpa guys, “Talk to David wen da odda peopo no can hear you, an tell um, ‘Look, da king stay good inside bout you. An us guys dat work fo him, we all get love an aloha fo you too. So den, marry da girl an come his ohana!’ ”

²³ Az why da helpa guys go talk to David wen da odda peopo no can hear, an tell um wat da king wen tell. But David tell, “You guys tink, az one small kine ting fo marry one wahine from da king ohana, o wat? Cuz I ony one guy dat no mo notting, you know. An I not even importan!”

²⁴ Den Saul helpa guys tell Saul wat David wen tell dem.

²⁵ Saul tell, “Tell David, I tell dis: ‘Da king no like you pay fo da bride. You ony gotta cut skin from one hundred Filisha guys an bring back all da skins. Dass how da king goin pay back da Filisha guys cuz dey stay agains him.’ ” Saul talk lidat cuz he make one plan fo let da Filisha guys kill David.

²⁶ Saul helpa guys tell David wat Saul wen tell dem. David stay good fo marry one wahine from da king ohana. So befo da time pau,

²⁷ David an his guys go out an kill two hundred Filisha guys, an cut skin da bodies. Den David bring da skins back, an show um all to da king, fo David come da king son-in-law. So Saul give his girl Michal to David fo marry.

²⁸ Saul see wat happen, an he know fo shua dat Da One In Charge stay tight wit David, an dat Michal get love fo David.

²⁹ Den, wen David stay nea Saul, Saul come mo plenny sked den befoa. From dat time, Saul stay agains David all da time Saul stay alive.

³⁰ Weneva da main leada guys fo da Filisha army take dea guys out fo make war, da same ting happen—David an his guys win ova dem, mo plenny den da odda leada guys fo Saul army. Dass how erybody know dat David one awesome kine guy.

19

Saul Try Fo Kill David

¹ Saul tell his boy Jonathan an all his helpa guys fo kill David. But Jonathan get real plenny aloha fo David.

² Az why he tell David, “Betta watch out, cuz my faddah Saul stay looking fo one chance fo kill you. Watch out tomorra morning! Go some place wea he no can find you an hide ova dea.

³ Me, I goin go out an stan wit my faddah in da country side, nea wea you stay. Den I goin tell someting to him bout you, an wateva I find out bout wat he goin do, I goin tell you, okay?”

⁴ Da nex day, Jonathan talk good bout David to his faddah Saul, an tell him, “You da king, so try no go do notting bad to David. Cuz he stay work fo you, an he neva do notting bad to you. An all da tings he do, help you plenny.

⁵ He almos wen mahke, da time he kill Goliat, da Filisha guy. Dat time, Da One In Charge get da Israel peopo outa trouble big time. You wen see wat happen, an you wen stay good inside cuz a dat. So, how come you like do dis bad kine ting to one guy like David dat neva do notting wrong?! An den, you like kill him an you no even know why!”

⁶ Saul lissen Jonathan, an make dis spesho promise: “Fo shua Da One In Charge stay alive, an fo shua too I goin do wat I make one promise fo do. No mo nobody goin kill David!”

⁷ So layta, Jonathan wen go yell to David fo come. He tell David wat Saul wen tell. Den Jonathan bring David by Saul, an eryting come jalike was befo time, an David stay wit Saul.

⁸ One mo time get war wit da Filisha guys. David an his army guys go out fo fight dem. David dem wack um real hard, an dey all run away from him.

⁹ But had one spirit from Da One In Charge dat make Saul come hamajang, He take ova Saul one mo time wen he stay sit inside his house. He get his spear inside his hand. Wen David stay play music,

¹⁰ Saul throw his spear fo pin David to da wall jalike da las time. David move fas an dodge um, an Saul throw da spear inside da wall. Dat same nite, David get outa dea an bag fo good.

¹¹ ☆Saul sen watcha guys by David house fo watch him fo dem kill him morning time. But Michal, David wife, tell him, “If you no run away dis nite fo save yoa life, tomorra you mahke die dead!”

¹² So Michal help David fo go down outa one window, an he run outa dea.

¹³ Den Michal take one a da small idol kine gods, an lay um on top da bed. She put one goat hair net wea da head stay, an cova da whole ting wit David clotheses.

¹⁴ Den, wen Saul tell his guys fo go bus David, Michal tell, “Sick. He stay sick.”

¹⁵ Den Saul tell da guys fo go back an check out David. He tell um, “Bring da bed by me wit him inside fo me kill um!”

¹⁶ But wen da guys go inside, ony get da idol kine god inside da bed, an get one goat hair net wea da head stay.

¹⁷ Laytas, Saul tell Michal, “How come you bulai me lidis, an let dis guy dat stay agains me run way from me, outa hea?!”

Michal tell um, “He wen tell me, ‘Get me outa hea! You like me fo kill you, o wat?!’ ”

¹⁸ Wen David get outa dea, he go by Samuel, Ramah side. David tell Samuel eryting dat Saul wen do to him. Den David an Samuel go Naiot side, an stay ova dea.

¹⁹ Somebody tell Saul, “You know wat? David stay Naiot side, inside da Ramah land!”

²⁰ So Saul sen guys fo try bus David one mo time. Dey see plenny guys stay talking fo God, an Samuel stay standing dea by dem cuz he dea leada guy. Right den an dea, God Spirit go take ova Saul guys, an dey make jalike dey stay talk fo God too.

²¹ Somebody wen tell Saul bout dem, an Saul sen mo guys. But dem, dey start fo make jalike dey guys dat talk fo God too. An one mo time, same ting happen!

²² In da end, Saul go Ramah side. He go by da big hole wea dey keep watta unda da groun Seku side. An he aks, “Samuel an David, wea dey stay?”

Somebody tell, “Ova dea Naiot side, inside da Ramah land.”

²³ So Saul go Naiot. But same ting happen to him—God Spirit take ova Saul too wen he stay walk, an he talk fo God till he come Naiot town, Ramah side.

²⁴ ☆Saul quick take off his clotheses dea jalike da odda guys, an he stay talk fo God in front Samuel. He lay dea naked all day an all nite. Az why da peopo tell, “Even Saul ack jalike one guy dat talk fo God too, aah?!”

20

David An Jonathan, Good Frenz

¹ Den David run way from Naiot, inside da Ramah land, an go by Jonathan. He aks, "Wat I wen do? Wat kine crime Saul like bus me fo? Da way yoa faddah see me, jalike I wen do someting real bad agains him, cuz he stay look fo me fo kill me!"

² Jonathan tell, "Not! No way you goin mahke! Look! Wen my faddah do anyting, big o small, he erytime tell me firs. So! Fo shua, he goin tell me if he like kill you!"

³ But David tell, "Yoa faddah know fo real kine dat you like me. So, he goin figga, 'Az not good, wen Jonathan find out wat I goin do, cuz dat goin fo real kine bum Jonathan out.'

"But still yet, jalike fo shua Da One In Charge stay alive, an you stay alive, I stay shua bout dis too: I ony get litto mo time befo I goin mahke die dead!"

⁴ Jonathan tell David, "Wateva you tink, I goin do um fo you."

⁵ ✧ Az why David tell, "Look, tomorra goin get da spesho religious kine ceremony wen da New Moon show up, an I suppose to be dea fo eat wit da king. But you, I like you fo tell me I can go way. Den I goin go hide some place outside da town, till da day afta tomorra wen litto mo dark.

⁶ If yoa faddah look fo me an see dat I no stay, tell um, 'David wen aks me fo let him go fo him run quick Betlehem side, da town wea his ohana stay. Cuz dey goin make one sacrifice ova dea dat dey make ery year fo all his ohana.'

⁷ If he tell, 'Shoots,' den goin be good fo me, yoa worka guy. But if he come real huhu, den you goin know dat fo shua he goin hurt me.

⁸ But you da boss, so try make um good fo me. Cuz was you wen set um up fo me an you make one spesho deal togedda in front Da One In Charge. If I get da blame fo do someting wrong, mo betta you be da one dat kill me. But no be da one dat bring me by yoa faddah fo him kill me."

⁹ Jonathan tell, "No way! If I wen know fo shua dat my faddah make up his mind fo do someting bad to you, den I goin tell you dat fo shua! But I not shua, aah?!"

¹⁰ David tell, "Who goin tell me if yoa faddah talk mean kine stuff to you?"

Jonathan An David Make One Plan

¹¹ Jonathan tell, "Go come! Mo betta we get outa hea, an go outside anodda place fo talk." So dey go ova dea togedda.

¹² Den Jonathan tell David, "Fo shua Da One In Charge, da God fo da Israel peopo, see me make dis promise. I goin aks my faddah bout dis, by da day afta tomorra, same time jalike now. If he good bout you, den fo shua I goin sen somebody fo tell you.

¹³ But maybe my faddah tink az good fo him hurt you. Den I like Da One In Charge punish me real good if I no let you know dat. An I goin sen you away some place wea you goin stay okay! I like Da One In Charge stay wit you, jalike he wen stay wit my faddah befo time.

¹⁴⁻¹⁵ ✧ If bumbye I still stay alive, try get one good heart fo me, jalike Da One In Charge get. But if I mahke, an even afta Da One In Charge wipe

out from da earth all da peopo dat stay agains you, no go change yoa good heart fo my blood line eva!”

¹⁶ So Jonathan make one spesho deal wit da David ohana foeva. He tell, “I like Da One In Charge make all da peopo dat stay agains David pay fo da bad kine stuff dey do.”

¹⁷ An Jonathan tell David one mo time fo make dea spesho promise good, da one dat David wen make wit Jonathan befo time. Dass how Jonathan get love an aloha fo David, da same way David get love an aloha fo him.

¹⁸ Den Jonathan tell David, “Tomorra get da New Moon spesho kine religious kine ceremony. Dey goin know dat you no stay, cuz no mo nobody goin sit yoa place by da table.

¹⁹ Da day afta tomorra, wen litto mo ready fo da dark time come, go all da way down by da place wea you wen hide wen dis trouble start, an wait nea da pile up stone dat stay dea.

²⁰ I goin shoot three arrows by da side a da stone, jalike I stay shoot one target.

²¹ Den I goin sen one boy, an tell um, ‘Go, find da arrows.’ If I tell um, ‘Look! Da arrows stay dis side a you. Bring um back hea,’ den you come, cuz dat goin mean dat jalike fo shua Da One In Charge stay alive, I stay shua az good fo you. No mo nobody goin hurt you.

²² But if I tell da boy, ‘Eh! da arrows stay mo far, da odda side a you!’ dat mean, you betta get outa hea, cuz Da One In Charge stay sen you away.

²³ An bout da promise dat me an you wen talk bout, no foget, Da One In Charge da One dat know foeva, wat we wen tell.”

²⁴ So David go hide outside da town. Wen da spesho religious kine ceremony fo da New Moon start, da king sit down fo eat.

²⁵ He sit inside da place wea he erytime sit wit his back by da wall, across Jonathan. An Abner sit nex to Saul. But no mo nobody sit down David place.

²⁶ Saul, he no tell notting dat time, cuz he tink, “Fo shua, someting happen fo make um so David no can go in front God fo one religious kine ceremony like today.”

²⁷ But da nex day, da secon day fo da New Moon religious kine ceremony, David place one mo time stay empty, an nobody sit dea.

Den Saul aks Jonathan, “How come Jesse boy David no come fo eat wit me yestaday an today?!”

²⁸ Jonathan tell, “David wen tell me fo let um go Betlehem.

²⁹ He tell, “Try let me go home. Cuz oua ohana goin make one sacrifice inside oua home town, an my big braddah wen tell me I betta be dea. If you my fren, an tink good kine stuffs bout me, try help me, aah? jus let me go way dis short time fo see my ohana.’ Az why David neva come yoa table.”

³⁰ Saul come real huhu wit Jonathan. Saul tell, “You no ack jalike my boy fo real kine! You all pupule jalike yoa muddah! Dass gotta be one hamajang wahine dat no lissen nobody! You tink I donno dat you wen pick Jesse boy fo come yoa bestes fren, o wat?! Wen you make um yoa fren, you make shame fo you an fo yoa muddah dat wen born you!

³¹ Cuz all da time Jesse boy stay alive, no way you can stay shua bout notting, an no way you goin be king! So now, tell one a yoa guys fo go grab da buggah an bring um hea by me cuz he gotta mahke!”

³² Jonathan tell his faddah, “David neva do notting wrong! How come he gotta mahke?! How come you like kill um?!”

³³ Den Saul throw his spear at Jonathan fo try kill him, but Jonathan get outa da way. Dass wen Jonathan know fo shua dat his faddah make up his mind awready fo kill David.

³⁴ Jonathan jump up from da table, all salty. He now stay real huhu. Dat day, da numba two New Moon day, he no eat notting. He stay sad inside bout David, cuz a da shame kine way his faddah wen ack.

³⁵ Morning time, Jonathan go outside da town wea he goin meet David. Jonathan get one small boy wit him.

³⁶ He tell da boy, “You go run ova dea, an find da arrows I goin shoot.” So wen da boy stay running, Jonathan shoot one arrow da far side a da boy.

³⁷ Da boy go by da place wea Jonathan arrow go down, Jonathan yell to him, “Hui! Da arrow stay mo far away yet!”

³⁸ Den Jonathan yell, “Quick! Hurry up! No stop!” So da boy pick up all da arrows, an come back by his boss.

³⁹ Da boy donno notting bout wat stay happen. Ony Jonathan an David know.

⁴⁰ Den Jonathan give his bow an arrows to da boy dat help um, an tell um, “Take um, an go back town side.”

⁴¹ Afta da boy go, David stan up from da south side a da rock pile. He go down in front Jonathan three time, an put his face on top da groun. Den dey kiss each odda an cry togedda. But David, he cry mo plenny.

⁴² Jonathan tell David, “Go! I like eryting stay good wit you. Az cuz me an you wen make one spesho promise to each odda fo stay frenz. An we aks Da One In Charge fo help us. We tell each odda, ‘Da One In Charge goin be da One dat know wat me an you stay do, an he know dat yoa ohana an my ohana goin stay frenz all da time.’ ”

Nob Side, Ahimelek Help David

Den David go way, an Jonathan go back inside da town.

21

¹ ✧ David, he come Nob side fo talk wit Ahimelek da pries guy. Ahimelek come sked an stay shake wen he meet David. He aks, “How come you stay by ony you? How come nobody stay wit you?”

² David tell Ahimelek, “Da king wen sen me ova hea fo do someting. He tell me, ‘Nobody suppose to find out notting bout wat I stay sen you fo do. Nobody suppose to find out da stuff I wen tell you.’ My army guys, I tell dem awready fo meet me at one place.

³ Now, wat kine food you get ova hea? You get roun breads? Try give me five breads, o wateva you get.”

⁴ But da pries guy tell David, “I no mo regula kine breads. But get some bread ova hea dat stay spesho fo God. Go eat um, ony if you stay shua dat yoa guys neva sleep wit da wahines, las nite o today.”

⁵ David tell, “Fo shua, us neva touch da wahines dis trip. Weneva I go out fo fight, az how we all make. All da guys bodies stay spesho fo Da One In Charge. Dass how we do um, even wen we go fo do someting dat not spesho fo Da One In Charge. An even mo today, we stay spesho fo Da One In Charge!”

✧ 21:1 21:1: Matt 12:3-4; Mark 2:25-26; Luke 6:3

6 ✨ So da pries guy give David da breads dat stay spesho fo Da One In Charge dat he get dea. Cuz da ony bread dey get, stay spesho fo Da One In Charge. He give David da breads dat da pries guys wen take away awready from in front Da One In Charge, wen dey put da hot bread dea da same time dey take da ol bread away.

7 Had one guy name Doeg, from da Edom land. He one a Saul worka guys, da one dat stay in charge a da guys dat take kea da sheeps fo Saul. Dat day, he gotta stay Nob side fo go in front Da One In Charge dea.

8 David aks Ahimelek, "You get one spear o one sword fo me use? O no moa? I neva bring my sword o odda stuff fo fight, cuz da ting da king tell me fo do, I need do um quick lidat!"

9 ✨ Da pries guy tell, "Still get da sword you wen take away from Goliat da Filisha guy, da guy dat you wen kill inside da Elah Valley. Stay all wrap up inside one cloth, right ova dea in back a da spesho ves. If you like take um, den take um. Az da ony sword dat we get ova hea."

David tell, "Yeah! No mo anodda sword like dat one! Go give um to me."

David Run Away Gat Side

10 Dat same day, David run away from Saul, he go by Akish, da Gat king.

11 ✨ But King Akish helpa guys tell da king, "Eh! Dis guy David, he da king fo da Hebrew peopo an dea land, aah?! Dass da one dey sing bout wen dey dance lidis:

" 'Saul wack down tousans a guys

An David wack down ten tousans a guys!' "

12 ✨ David tink plenny bout wat dey tell. Dass why he come plenny sked a Akish, da Gat king.

13 ✨ So den he ack jalike he pupule weneva dey see him. All da time he stay dea, he ack pupule kine. He scratch up da doors a da town gate, an let spit run down his beard.

14 Akish tell his helpa guys, "Look! Look him! Dass one pupule guy! How come you guys bring um by me, aah?!"

15 You guys tink I need mo plenny pupule guys aroun hea, o wat?! Az why you guys wen bring dis buggah hea, o wat?! I no need dis guy fo stay hea in front me an ack lidis! An you betta not let dis guy come inside my house, aah?!"

22

David Stay Adullam An Mizpeh Side

1 ✨ So David get outa Gat town, an go inside one big cave nea Adullam town. Wen his braddahs an all his faddah ohana guys find out wat wen happen, dey go down ova dea by him.

2 All da peopo dat stay bum out, o no can pay wat dey owe somebody, o no stay good inside, dey go by David, an he come dea leada. Get bout four hundred guys wit him!

⁸ Az why all you guys gang up agains me, aah?! No mo nobody tell me wen my boy make one deal wit Jesse boy! No mo nobody from you guys even kea bout me, o tell me dat my boy wen make my officer guy David stay wait fo jump me, jalike David do today!”

Saul Kill Da Pries Guys Nob Side

⁹ ☆Get one guy Doeg from Edom stay stan wit Saul officer guys. He tell, “Wen I stay Nob side, I wen see Jesse boy come dea, go by Ahimelek, Ahitub boy.

¹⁰ Ahimelek aks Da One In Charge fo tell him wass goin happen wit David. He give David food, an give um da sword too dat Goliat da Filisha guy use.”

¹⁴ Ahimelek tell da king, “No mo nobody from all yoa officer guys mo solid fo you den David, yoa son-in-law! He da captain fo yoa bodyguard. Erybody inside yoa ohana get plenny respeck fo him.

¹⁵ You tink dat day was da firs time, o wat?! dat I wen aks God fo tell me wass goin happen fo David?! No way! You da king, but no way can poin finga me o my faddah ohana guys, cuz I neva know notting bout all dis kine stuff!”

¹⁷ Den Saul tell da guys dat guard him: “Go all aroun da pries guys dat work fo Da One In Charge, an kill um! Cuz dey on da same side wit David. Dey know he stay run away from me, but dey neva tell me.”

But da army guys no like do notting fo attack da pries guys dat work fo Da One In Charge.

² So David aks Da One In Charge, "You tink goin be good, o wat, if me an my guys go attack dese Filisha guys?"

Da One In Charge tell um, "Shoots! Go afta da Filisha guys, an get da Keilah peopo outa trouble."

³ But David guys tell him, "Eh, us guys ova hea inside Judah, we sked! An we goin come even mo plenny sked if we go ova dea Keilah side, wea da Filisha guys stay ready fo fight!"

⁴ So David go aks Da One In Charge bout da plan one mo time.

Dis time Da One In Charge tell um, "Go down Keilah side, cuz I goin give you da powa fo win ova da Filisha guys."

⁵ So, David an his guys go Keilah side, fight da Filisha guys, an wack um real hard an carry off dea cows an sheeps. Dey kill plenny Filisha guys. An dass how David get da Keilah peopo outa trouble.

⁶ (You know, da time Abiatar, Ahimelek boy, run away from Saul, he go by David Keilah side. Dat time, Abiatar wen bring wit um da spesho kine ves dat da Main Pries Guy wea. An dass how he find out stuff from Da One In Charge, fo tell David.)

Saul Chase David

¹¹ Az true, o wat? dat Saul goin come down hea, jalike dey tell me? An az true, o wat? dat da leada guys fo da Keilah peopo goin turn me an my guys ova to Saul? Da One In Charge, you da God fo da Israel peopo, so aah? try tell me!"

¹² David aks, "Fo real den, da leada guys, goin turn me an my guys ova to Saul, o wat?"

Da One In Charge tell um, "Yeah! Dey goin turn you ova to Saul."

¹³ Az why right den an dea, David an his guys, bout six hundred guys, go outa Keilah, an stay go from one place to anodda place, any place dass good fo dem go. Somebody tell Saul dat David wen get outa Keilah. Az why Saul neva go ova dea.

Saul Try Fo Catch David

¹⁴ David stay inside da boonies wea Saul no can attack um, on top da hills nea Zif town. Ery day, Saul go look fo him, but God neva let Saul grab David.

¹⁵ Wen David stay Horesh, still inside da boonies nea Zif town, he find out dat Saul dem wen come out fo find David fo kill um.

David Run Away From Saul

¹⁶ Saul boy Jonathan go by David Horesh side. He give David good words fo help David stay tight wit God an come strong.

¹⁷ Jonathan tell, "No sked! My faddah Saul get plenny powa, but he no goin find you. An you, you goin come da king fo da Israel peopo, an I goin come yoa numba one guy. Even my faddah Saul know az true."

¹⁸ ✧ So da two guys make one deal in front Da One In Charge. Afta dat Jonathan go his place, but David stay Horesh side.

¹⁹ ✧ Get some Zif guys go by Saul, Gibeah side. Dey tell, "You know wat?! David stay hide nea us guys, inside da boonies, dass da strong kine places dass hard fo attack, Horesh side, on top da Hakilah hill, south from Jeshimon town.

²⁰ So, King Saul, try come ova by us Zif guys weneva you like. Cuz we goin capcha da buggah an turn um ova to you."

²¹ Saul tell, "I like Da One In Charge do good fo you guys cuz you kea bout me!

²² Go an make ready some moa. Find out wea David stay go erytime, wea he hang out, an who wen see him ova dea. Peopo tell me he one sly mongoose.

²³ Find out bout all da place wea he go hide, an come back by me wen you know fo shua. Den I goin go wit you. If he stay ova dea, I goin track him down, no matta I gotta check out all da Judah ohanas!"

²⁴ So da Zif guys go, den Saul go stay come. David an his guys, dey stay inside da boonies nea Maon town, wea da groun go down to da Arabah Valley, da south side a Jeshimon.

²⁵ Saul an his guys go out fo try find David. Somebody go tell David bout dem, so David go mo down wea get one mangus rock, an he stay inside da boonies nea Maon town. Wen Saul hear dat, he go inside da boonies too nea Maon an chase afta David.

²⁶ Get one time, Saul dem go by one side a one mountain, an David an his guys stay on top da odda side. Dey sked, so dey move real fas fo run away from Saul. But Saul an his guys stay come mo an mo nea David an his guys fo go all aroun dem fo catch dem.

²⁷ But right den, one messenja guy come by Saul an tell um, "Go come quick! Da Filisha guys stay rip off da peopo inside oua land!"

²⁸ Den Saul no chase David no moa, an go back fo fight da Filisha guys. Az why peopo call dat place Da Big Rock Inside Da Middo.

²⁹ Den David go up country from dea, an stay inside da strong kine places dass hard fo attack nea Ein Gedi.

24

David Let Saul Stay Alive

¹ Wen Saul come back from going afta da Filisha guys, real fas somebody tell him, “You know wat?! David stay inside da boonies up country from Ein Gedi town.”

² So Saul pick da three toutsan bestes guys from all da Israel army guys, an dey go look fo David an his guys nea da big high Wild Goat Rocks.

³ ☆ He go by da sheep pens, up from da trail. Get one cave ova dea. Saul go inside fo make doodoo. Same time, inside dat same cave, David an his guys stay dea too, way far inside!

⁴ Da guys tell David, “Fo shua, now da time dat Da One In Charge talk bout wen he wen tell you, ‘I goin give you powa ova da guy dat stay agains you fo you make to him how you like.’ ” Den David go real quiet by Saul, an cut off one corna from Saul robe, an Saul neva even know.

⁵ But laytas, David feel all bum out inside, cuz he wen cut off one piece from Saul robe.

⁶ ☆ David tell his guys, “Da One In Charge no like dat I wen make lidat to my boss, da one Da One In Charge wen pick fo come da king! Da One In Charge no like me do notting agains Saul, cuz he da one Da One In Charge wen pick!”

⁷ Az how David make shua his guys tink diffren den wat dey tell um da firs time, an no let dem attack Saul. Same time, Saul stan up an go outa da cave an go way.

⁸ Saul go on top da trail. An David go outside da cave, an yell to him, “Hui! My boss, da king!” Saul turn aroun an look behind at David. David go down an put his face on top da groun fo show respeck fo Saul.

⁹ He yell to Saul, “Hui! King Saul! You wen lissen wen peopo tell you I stay try fo hurt you. How come?! No lissen dem!

¹⁰ Today you da one wen see fo real kine az not true! Cuz Da One In Charge wen give me da powa fo hurt you ova dea, inside da cave. Some guys wen tell me fo kill you, but I neva. I wen tell um, ‘No way I goin wack my boss, cuz he da one dat Da One In Charge wen pick.’

¹¹ You, you jalike my faddah fo me! Look! You see dis piece from yoa robe, hea inside my hand?! I wen cut off da corna from yoa robe, but I no kill you. Az why you gotta know fo shua dat I no mo da blame fo do someting bad. I no go agains you. I no do notting wrong agains you, but you stay hunt me fo kill me.

¹² I like Da One In Charge fo be da judge fo tell if you stay right, o I stay right! I like fo Da One In Charge pay you back fo da kine wrong stuff you stay do to me! But me, I no goin even touch you!

¹³ Jalike da smart peopo wen tell long time befo time, ‘From bad kine peopo come bad kine stuff!’ But I not one bad guy, an no way I goin do someting bad to you.

¹⁴ ☆ “You Saul da Israel king. Who you stay make war agains?! Who you stay chasing?! Jalike I one mahke dog! Jalike I one uku! O wat?!

¹⁵ I like Da One In Charge be da judge fo tell if you stay right, o I stay right! He can tell who get da blame. I like him tink bout wat I stay do. I

like him tell erybody dat I not da one fo get da blame, an you, Saul, an you no mo da powa ova me.”

¹⁶ Wen David pau talk lidat to Saul, Saul aks, “David, my boy, az yoa voice, o wat?” An Saul, he cry plenny, loud kine.

¹⁷ “You stay do da right ting, mo den me. You do good kine stuff fo pay me back, but I do bad kine stuff fo pay you back.

¹⁸ Jus now, you tell me bout da good kine ting you wen do fo me. Da One In Charge wen give me to you, but you no kill me.

¹⁹ Wen one guy find da guy dat stay agains him, he no let him get outa dea okay, eva. I like Da One In Charge do good to you fo wat wen happen today, cuz was good dat you neva kill me.

²⁰ An now I know dat you goin come king fo shua, an dat you get da powa fo make da Israel peopo come one strong country.

²¹ Now make me one strong promise in front Da One In Charge, dat no way you goin cut off my ohana afta I mahke, o wipe out my name from my faddah blood line.”

²² Az why David make da strong promise to Saul. Den Saul go back his place, but David an his guys go back up inside da strong place fo hide wea nobody can hurt dem.

25

Samuel Mahke

¹ Wen Samuel mahke, all da Israel peopo come togedda, an come sad inside cuz he mahke. Dey bury him his place inside Ramah. Den David start fo move house south side fo go da Paran Boonies.

David, Nabal, An Abigail

²⁻³ Had one guy Nabal. He from da Caleb ohana. He live Maon town, an get biznis nea dea inside Carmel town. He one importan guy an own 3,000 sheep an 1,000 goat.

Nabal wife, her name Abigail. She one good looking wahine dat know how fo tink real good. But her husban, he da kine guy come all huhu if somebody tell him he gotta do someting, an no bodda him wen he do bad kine stuff.

Dat time, Nabal an his guys stay cut da wool from da sheeps Carmel side.

⁴ David stay inside da boonies, but he find out dat Nabal stay cut da wool from his sheeps.

⁵ So he pick ten young guys, an tell um, “Go up country Carmel side by Nabal. Wen you get dea, tell um you my guys, an tell um, ‘Howzit’ fo me, cuz time fo pay up cuz I wen proteck him an his sheeps.

⁶ Tell him dis: ‘David tell, he like you live long time, an he like eryting come out good fo you an yoa ohana, an eryting dat you get stay pono.’

⁷ “An David tell dis too, ‘Now, I hear, you get guys dat cut da wool from da sheeps by you. You know, da time yoa sheep guys wen stay by us guys nea Carmel town, we neva make dem come shame. All da time dey stay Carmel side, no mo nobody bodda dem, an not even one ting from dem disapea!

⁸ Aks yoa worka guys an dey goin tell you how was dat time. So now, da cut wool time stay pau, an us guys come fo da party. I like you tink good fo kokua my worka guys an me, David, cuz I jalike yoa boy, aah?!’ ”

⁹ Wen David guys come by Nabal, dey talk fo David an tell Nabal wat David tell. Den dey wait.

¹⁰ But Nabal talk back to dem, “Who dis David guy?! Dis Jesse boy, who he tink him?! Nowadays, get all kine worka guys stay run away from dea boss!

¹¹ You tink I goin take my bread an my watta, an da meat I wen kill fo my worka guys eat um, da ones dat stay cut da wool from my sheeps, an give um to guys dat I donno who dem o wea dey come from?! No way, brah!”

¹² So David guys turn aroun an go back. Wen dey come by David, dey tell him eryting dat Nabal tell um.

¹³ David tell his army guys, “Eh erybody, Grab yoa swords!” So dey put on dea swords an David put on his sword too. Bout four hundred guys go north wit David an two hundred guys stay back wit dea stuffs.

Stupid Da Husban, Akamai Da Wife

¹⁴ Same time, one a Nabal worka guys go tell Nabal wife Abigail, “Eh! David wen sen messenja guys from da boonies fo tell oua boss ‘Aloha! I like God do good tings fo you!’ But you know wat?! Oua boss talk harsh kine to dem.

¹⁵ But befo time, David guys wen make real good to us. Dey neva do notting wrong to us. All da time we stay out inside da fields nea dem, dey no rip us off notting.

¹⁶ Nite time an day time, dey stay guard us guys, jalike dey one wall aroun us, all da time we stay take kea oua sheeps nea dem.

¹⁷ Now, tink bout all dis, an figga out wat fo do, cuz David guys stay ready fo do someting real bad to oua boss an all his ohana peopo, an all us worka guys too. You know Nabal, aah? He da kine guy dass ony bad, so no mo nobody can talk to him.”

¹⁸ Abigail, real fas she take two hundred breads, two goat skins wit wine inside, meat from five sheeps dat stay ready fo barbeque, bout 20 poun wheat dey wen roas, one hundred raisin cake, an two hundred fig cake, an put um on top some donkeys.

¹⁹ Den she tell her worka guys, “You go. Me, I go come afta.” But, she neva tell her husban, Nabal, notting!

²⁰ Wen she stay ride her donkey an go down one mountain gulch wea nobody see her, get David an his guys stay come down da odda side. Right den an dea, she spock um!

²¹ David wen jus tell his guys, “Wase time, aah?! Us wen take kea dis Nabal guy stuffs inside da boonies, so dat nobody wen steal even one a his tings. An den! Da buggah go pay me back, bad kine fo good kine!

²² So dis my plan fo kill da buggahs! An if get even one a his guys dat still stay alive morning time, den I like God make real bad to me, David, jalike I aks God fo make to da guys dat stay agains me!”

²³ Wen Abigail see David, she real fas get off her donkey, an go down in front him wit her face on top da dirt fo show um respeck.

²⁴ Down by his feets, she tell, “You da boss! Let me be da ony one get da blame fo all dis. Yeah, try let me, yoa worka wahine, tell you someting. Lissen up wat I goin tell.

²⁵ No let dat guy Nabal bodda you! He no good kine! An he ack jalike his name. His name mean ‘Stupid,’ an he do stupid kine stuff. But I yoa worka wahine, an I neva see da guys dat you, my boss, wen sen befo time.

²⁶ “Now, fo shua Da One In Charge stay alive, an you stay alive. I stay shua bout dis: Da One In Charge, he da one dat no let you kill nobody o be

da one pay him back. An I like da peopo dat stay agains you, an erybody dat like hurt you, come jalike Nabal.

²⁷ So, my boss, I stay bring you dis present! I like you give um to yoa guys dat stay tight wit you wea eva you go.

²⁸ I stay real sorry if I wen bum you out. Try let me go fo dat?! Cuz fo shua, Da One In Charge goin make da peopo dat goin come from you stay strong an solid cuz you fight fo him. You no do notting wrong, all da time you stay alive.

²⁹ My boss, wen somebody go chase you fo try kill you, fo shua yoa God, Da One In Charge, goin make shua you stay alive! Jalike he take kea all da peopo dat suppose to stay alive, jalike he keep um wit all da odda peopo dat get da real kine life fo dem no get hurt. But he goin make shua da guys dat hate you goin mahke, jalike he use one sling fo throw um far.

³⁰ Bumbye, Da One In Charge goin do fo you, my boss, eryting good dat he wen promise fo do, an make you da leada fo all da Israel peopo.

³¹ Den you, boss, you no need feel da heavy blame inside, jus cuz befo time, you wen kill dis guy Nabal dat you neva need kill—o cuz you wen try pay back Nabal an neva let Da One In Charge pay um back. An wen Da One In Charge do all dis good kine stuff fo you, den no foget me, yoa worka wahine.”

³² David tell Abigail, “Awesome! Da One In Charge, da God fo da Israel peopo, do someting real good fo me right now, cuz he sen you today fo meet me!

³³ An God stay do odda good tings fo me today, cuz you see good bout wat was right an wat was wrong. An, cuz you stop me fo go kill somebody today, an fo try fo win ova somebody jus cuz I mo strong.

³⁴ I stay shua dat Da One In Charge, da God fo da Israel peopo, stay alive. An same ting, I stay shua dat he da One wen stop me, so I neva hurt you. But if you neva come quick fo meet me, fo shua no men guys from all Nabal guys wen stay alive wen da sun come up one mo time!”

³⁵ Den David take from her da stuffs she wen bring fo him. He tell, “Go home an no worries! I wen lissen wat you wen tell, an I goin do wat you tell.”

³⁶ Wen Abigail come back by Nabal, she see he stay make one big party inside da house, jalike one king. He stay real good inside cuz he stay plenny pilot. So she no tell him notting bout wat wen happen till light start fo come morning time.

³⁷ Dat morning, Nabal no stay pilot no moa. Wen his wife tell him eryting dat wen happen, Nabal get one heart attack an come so he no can move, jalike one rock.

³⁸ Bout ten days afta dat, Da One In Charge wack Nabal, an he mahke.

³⁹ Wen David hear dat Nabal wen mahke, he tell his guys, “Tell Da One In Charge ‘Mahalo plenny!’ He wen do one good ting fo me. Cuz wen Nabal go talk bad bout me, Da One In Charge take kea me! Cuz Da One In Charge, az my boss. He no let me do da wrong kine ting to Nabal. Da bad kine ting Nabal wen do, Da One In Charge wen pay him back awready.”

Den David sen messenja guys by Abigail fo tell her he like fo her come his wife.

⁴⁰ Wen David messenja guys come by Abigail Carmel side, dey tell her, “David wen sen us by you fo bring you by him fo come his wife.”

⁴¹ She go down an put her face on top da groun, an tell, “Kay den! I stay ready fo wateva David like, even fo wash his worka guys feets.”

⁴² Right den an dea, Abigail make ready fo go. She take five helpa girls go wit her. She ride one donkey, an go wit da messenja guys from David. Den she come his wife.

⁴³ David marry Ahinoam from Jezreel too. So den, da two wahines come his wifes.

⁴⁴ ✧ But Saul, he wen give his girl Michal, dat was David wife, to Paltiel, Laish boy, from Gallim.

26

One Mo Time David No Kill Saul

¹ ✧ Da Zif peopo go by Saul Gibeah side, an tell, “David stay hide on top da Hakilah hill, da side wea can see da boonies Judah side!”

² So Saul go down real fas by da boonies nea Zif town, wit three tousan Israel army guys dat he wen pick fo look fo David aroun dea.

³ Saul dem make camp by da road, up dea on top da Hakilah hill wea can see da boonies Judah side. But David dem, dey stay inside da boonies now. He find out dat Saul wen come da boonies fo go afta him.

⁴ So he sen out infantry guys fo go aroun an watch wat Saul do. He find out from dem, az true dat Saul wen come dea.

⁵ Den David go out by da place wea Saul wen make camp. He see wea Saul an Abner, Ner boy, da main leada guy fo da army guys, lay down an sleep. Saul stay sleep inside da camp, an da army guys stay sleep aroun him.

⁶ Den David aks Ahimelek from da Het peopo, an Abishai Zeruah boy, Joab braddah, “One a you guys like go wit me, down dea by Saul, inside his army camp?”

Abishai tell, “Shoots! Me, I go wit you!”

⁷ So nite time, David an Abishai go da army camp. Dey spock Saul stay sleeping inside da camp, wit his spear stuck inside da groun by his head. Abner an da army guys stay sleep all aroun him.

⁸ Abishai wispa to David, “Right now, God stay give you da powa ova dis guy dat stay agains you! Now! Lemme poke um wit dat spear one time an pin um to da groun. I no goin even need two time fo poke um.”

⁹ But David wispa back, “No way! No wipe da guy out! God goin punish anybody dat try fo hurt da guy God wen pick!”

¹⁰ “Jalike fo shua Da One In Charge stay alive, same way I stay shua Saul goin mahke—maybe Da One In Charge goin be da One goin take um out. O maybe da time goin come fo him mahke regula kine. O maybe he come wipe out wen he stay fight one war.

¹¹ ✧ No way dat Da One In Charge goin let me hurt da guy dat he wen pick! Now, go grab da spear an da watta canteen dat stay nea his head, an den me an you, we dig outa hea!”

¹² So David take da spear an da watta canteen dat stay nea Saul head, an dey get outa dea. Nobody wen see um, o know bout um, o wake up. Dey all stay sleep cuz Da One In Charge wen make dem pass out sleep.

¹³ Den David go da odda side far away, an stan on top one hill plenny far from Saul.

¹⁴ He yell to da army guys an to Abner, Ner boy, “Hui! Abner! You no goin talk to me, o wat?!”

Abner yell back, “Eh! Who you tink you? Who stay yell fo wake up da king?”

¹⁵ David tell, “Eh! You real high makamaka now, aah?! From all da Israel peopo, no mo nobody betta fo fight den you! So! How come you neva guard yoa boss da king? Cuz had one army guy come inside yoa camp fo wipe out yoa boss da king, you know?!”

¹⁶ You no shame, o wat?! No good, how you wen make! Jalike fo shua Da One In Charge stay alive, az how I stay shua, dat you an yoa guys gotta mahke, cuz you guys neva guard yoa boss, da one Da One In Charge wen pick! Look aroun you. Wea da king spear an da watta canteen dat stay nea his head?!”

¹⁷ Saul wake up, an he know from da voice, az David! He tell, “David my boy, az you stay yelling?!”

David tell, “Yeah, az me, my boss da king!”

¹⁸ Den David tell, “Eh boss! How come you stay chase me, yoa worka guy?! I neva do notting wrong! Fo wat you like punish me?!”

¹⁹ Now, you da king, an you my boss. Az why I like you fo lissen wat I goin tell you. If Da One In Charge da One stay make you come agains me, den I goin make one sacrifice fo Da One In Charge, fo him smell um an know eryting stay good wit me an him, an den he no stay agains me no moa. But if all dis huhu jus come from peopo, I like Da One In Charge make shua dose buggahs get kahuna on top dem! Cuz wat get right now, is dis—dey wen throw me outa my land. Az why now, I no mo da right fo own my share dat Da One In Charge was suppose to give me! Jalike dey stay tell me, ‘Go way! Beat it! Go by da odda peopos an pray to dea gods, not oua God!’

²⁰ Now, my boss da king, no make me bleed an mahke inside one land wea I no can stay nea Da One In Charge! Wat da king fo da Israel peopo do, he stay come out hea jalike fo hunt ony one flea! Jalike somebody chasing one pheasant bird all ova da mountains.”

²¹ Den Saul tell, “Yeah, wat I wen do was bad! Go come back, David my boy! I promise, I no goin try hurt you one mo time. Today, you wen let me stay alive cuz you get respeck fo me. Fo shua, den, I wen ack stupid, an jam up fo real kine!”

²² David tell, “Hea, yoa spear! Let one a yoa guys come ova dis side an get um.

²³ Da One In Charge, he make good to erybody wen dey do da right kine ting an wen dey stay tight wit him. Az why today, no matta Da One In Charge wen give me da powa fo hurt you, I neva like do dat, cuz you da guy Da One In Charge wen pick.

²⁴ Fo shua I wen make to you jalike yoa life importan, wen I neva kill you today. So same ting, I like Da One In Charge show me respeck an no let you kill me, an get me outa all kine trouble too!”

²⁵ Den Saul tell David, “God goin do plenny good kine stuff fo you, my boy David. Fo shua you goin do big kine tings an be da winna.”

So David go way from dea an Saul go back his place.

27

David Stay Wit Da Filisha Guys

¹ David now stay figga, “Bumbye, aah? Saul goin wipe me out. So, mo betta I bag outa hea, an go by da Filisha peopo. Ova dea, Saul no goin look fo me inside da Israel land no moa, an I goin get away from his powa.”

² So David an da six hundred guys wit him go da odda side by Akish, Maok boy. Akish, he da king fo Gat town.

³ David an his guys stay inside Gat wit King Akish. Ery army guy wit David get his wife an kids wit him. David get his two wifes wit him too, Ahinoam from Jezreel, an Abigail from Carmel, Nabal widow.

⁴ Somebody tell Saul dat David wen run away Gat side. Az why he no look fo David dis time.

⁵ Laytas, David tell Akish, "If you feel good bout me, den let da peopo inside one a da country towns give me one place fo me go live ova dea. You my boss. But I not one importan guy. So no need fo me live inside yoa big town wea you stay."

⁶ Dat same day, Akish give David da right fo be da main man Ziklag town. (Az why dat town, laytas stay unda da Judah kings, an not da Filisha kings.)

⁷ David live inside da Filisha countryside, one year an four month.

⁸ Dat time, David an his guys stay attack an rip off stuff from da Geshur peopo, da Girza peopo, an da Amalek peopo. (From long time dose peopo live inside da small towns, inside da land wea you come nea Shur town, an nea da road dat go Egypt side.)

⁹ Weneva David dem attack da peopo all aroun one place, he no leave nobody alive, no guy o wahine. But, he take da sheeps an goats, cows, donkeys, camels, an clotheses. Den he go back by Akish.

¹⁰ Weneva Akish tell David, "Wea you guys wen go dis time fo rip off stuff?"

David tell um, "Da south part a da boonies Judah side," o "Da south part a da boonies wea da Jerahmeel peopo live," o "Da south part a da boonies wea da Ken peopo live."

¹¹ David no leave nobody alive, guys o wahines, cuz he figga, "If somebody stay alive, bumbye somebody goin bring dem Gat side, an dey goin tell wat us guys wen do fo real kine." Az how David wen tell his guys fo ack, all da time he live inside da Filisha country side.

¹² Akish start fo trus David, cuz he tink, "Da way dis guy ack, he make his peopo, da Israel peopo, hate him! Az why he goin work fo me long time."

28

Saul Wit Da Wahine Dat Talk To Da Mahke Peopo

¹ Dat time da Filisha guys bring all dea army guys togedda fo go fight da Israel guys. Akish tell David, "You undastan, you an yoa guys goin go wit me an be part a my army, fo shua, aah?"

² David tell um, "Kay den, boss. If dass wat you like, den you goin know fo shua wat I can do."

Akish tell, "You do dat, den I goin make you come my bodyguard guy foeva."

³ ✠✠Befo time, wen Samuel mahke, all da Israel peopo wen cry fo him. Dey bury him inside Ramah, his home town. Dat time, Saul wen throw out from da Israel land, da wahines dat can talk to da mahke peopo, an da fortune tella guys.

⁴ Da Filisha army guys come togedda an go Shunem town fo make camp. Saul, he bring all da Israel guys togedda, an dey make camp Gilboa side.

⁵ Wen Saul see da Filisha army, he come all sked an shaking inside.

6 ✨ He aks Da One In Charge fo tell wat goin happen, but Da One In Charge no tell him notting—not inside his dreams, o wit da Urim da Main Pries Guy use, o from da guys dat talk fo Da One In Charge. Notting!

7 Den Saul tell his helpa guys, “Go find one wahine dat can make da mahke peopo talk to her fo me go by her an aks her.”

Dey tell, “You know wat?! Get dat kine, Endor side!”

8 So Saul put on odda kine clotheses so nobody know az him. Nite time, him an two odda guys go ova dea by da wahine. He aks da wahine, “Try talk to da mahke peopo fo me fo find out wat goin happen. An bring up fo me, from da Mahke Peopo Place, da guy wit da name I goin tell you.”

9 But da wahine tell him, “Eh! Fo shua you know wat Saul awready wen do! He throw out da wahines dat talk to da mahke peopo, an da fortune tella guys, all ova da land. So! How come you make one trap fo catch me?! So you make shua I goin mahke, o wat?!”

10 Saul make one strong promise to her in front Da One In Charge. He tell, “Jalike I stay shua Da One In Charge stay alive, same way I stay shua nobody goin punish you cuz a wat you goin do fo me.”

11 So, da wahine aks, “Who you like me bring up fo you?”

He tell, “Samuel!”

12 Right den an dea, da wahine see Samuel! She yell real loud to Saul, “How come you wen bulai me?! I know you! You Saul!”

13 King Saul tell her, “No need come sked! Jus tell me wat you see.”

Da wahine tell, “I see gods coming up outa da groun.”

14 Saul tell, “An Samuel, wat he look jalike?”

She tell, “He one ol guy, wearing one robe, dat stay come up too.”

Saul now know fo shua az Samuel. So he go down an put his face on top da groun fo show Samuel respeck.

15 Samuel tell, “How come you stay bodda me an bring me up hea?”

Saul tell, “I get plenny presha! Da Filisha guys stay fight me. Jalike God tell ‘Laytas’ to me an no lissen you! He no talk to me no moa, no matta I aks da guys dat talk fo him, o I dream. Az why I wen call fo you fo tell me wat fo do.”

16 Samuel tell, “Fo shua, Da One In Charge stay tell ‘Laytas’ to you, an no lissen you. He start fo go agains you awready. So! How come you aks me, aah?!”

17 ✨ Da One In Charge stay do fo David, wat Da One In Charge wen tell me fo tell you. Da One In Charge awready wen take away da right fo you be king. An he give um to one guy jalike you—dass David!

18 ✨ Cuz you neva lissen Da One In Charge, o do wat he tell you fo do agains da Amalek peopo, da time he stay real huhu agains dem. Az why Da One In Charge stay make lidis fo you today.

19 An one mo ting: Da One In Charge goin let da Filisha guys take ova you an da Israel peopo too. From tomorra, you an yoa boys goin stay wit me, inside da Mahke Peopo Place. An same ting fo da Israel army guys—Da One In Charge goin let da Filisha guys take ova dem.”

20 Saul come real sked cuz a wat Samuel wen tell. Right den an dea Saul go down wit his whole body stretch out on top da groun. He not strong cuz he neva eat notting dat day o dat nite.

²¹ Den da wahine come by Saul, an see dat someting bodda him plenny. She tell, "You know wat?! You da boss, an I wen lissen you. I figga I was goin mahke, but I wen chance um an do jalike you wen tell me fo do.

²² Now, try lissen me, yoa worka wahine. I goin make litto bit food fo you. Eat um. An dat goin make you come strong fo you go home."

²³ But Saul no like. He tell, "I no goin eat."

But his helpa guys go wit da wahine, an try fo make him eat too. So he lissen dem. He get up from da groun an sit on top one punee.

²⁴ Da wahine get one bebe cow her house dat she feed plenny fo make um come fat. Right den an dea, she kill da bebe cow an cook da meat. She take some flour, mix um, an bake da kine bread dat no mo yeast.

²⁵ Den she put da meat an da bread in front Saul an his guys an dey eat. Dat same nite dey start fo go back.

29

Akish Sen David Back Ziklag Side

¹ So dass how was: da Filisha guys get all dea army guys togedda Afek side, an da Israel army guys get dea camp Jezreel side, by da puka wea da watta come out.

² Da five Filisha king guys stay march. Some a dem get hundreds a army guys, an some a dem get tousans a army guys. David an his guys stay march in da las part wit Akish.

³ Da army officers fo da Filisha guys aks da king guys, "Wat bout all dese Hebrew guys?"

Akish tell dem, "Dis David. He was one officer fo Saul, da Israel king. He stay wit me mo den one year awready. From da time he wen bag from Saul till now, he neva do notting wrong."

⁴ But da Filisha officer guys come huhu wit Akish, an tell him, "Make da buggah go back dea to da town wea you wen tell him fo stay in charge! No way he goin go wit us guys fo fight! Bumbye, he goin change his mind an go agains us guys wen we stay fight! Maybe he tink, if he go cut off oua guys heads fo shua King Saul goin let him come back!

⁵ ✨You know, dis David, he da same guy dat da Hebrew peopo wen sing bout wen dey dance:

" 'Saul wack down tousans a guys,

An David wack down ten tousans a guys.' "

⁶ So Akish tell David fo come. He tell David, "Fo shua, yoa God, Da One In Charge, stay alive, an fo shua you one guy dat stay do wass right. Da way I see um, good, you go wit me an fight inside oua army. From da time you wen come by me till now, I no find notting wrong wit you. But da way da odda king guys see um, az not good you stay wit us guys.

⁷ So now, go back Ziklag side, an no talk bad. No do notting fo make da odda Filisha king guys come huhu."

⁸ David aks Akish, "How come?! Wat I wen do? I stay work fo you, so wat you find agains me, from da time I come by you till now? You my boss, da king! How come I no can fight da guys dat stay agains you, my boss, da king?"

⁹ Akish tell, "Fo shua I stay good inside bout you, jalike you one angel messenja guy from God. But you know, aah?! da officer guys fo oua Filisha army wen tell, 'No way dis guy goin go wit us fo fight.'

¹⁰ So, morning time, get up early, you an da odda guys. Befo time dey wen work fo yoa boss Saul too, an now dey come wit you. Go back wen get light to da town I wen give you guys."

¹¹ So David an his guys get up early morning time fo go back da Filisha peopo land, an da Filisha guys go Jezreel fo fight dea.

David Wipe Out Da Amalek Peopo

¹⁻² Dis wat happen den. Same time wen David dem stay come, da Amalek guys stay rip off stuffs inside da Negev Boonies an Ziklag town. Dey attack Ziklag an burn um. Dey grab da wahines an erybody dat stay ova dea, da young ones an da ol ones too. Dey no kill nobody, but make dem go wea da Amalek guys like go.

Three day afta David an his guys go way from Akish, dey come Ziklag.

³ Dey see dat da Amalek guys wen burn down da town awready, an make dea wifes an boys an girls prisonas!

⁴ David an his guys cry plenny, till dey not strong enuff fo cry no moa.

⁵ ✧ Da Amalek guys take away David two wifes too, Ahinoam from Jezreel, an Abigail, da widow from Nabal da Carmel guy.

⁶ David get trouble big time. All da guys stay piss off an huhu inside cuz a dea boys an girls. Dey start fo talk fo throw big rocks at David fo kill um. But David stay tight wit Da One In Charge, his God, an he stay strong inside still yet.

⁷ ✧ Den David tell Abiatar da pries guy, Ahimelek boy, "Try bring me da spesho pries kine ves you use fo aks God wat fo do." An Abiatar go get um.

⁸ David aks Da One In Charge, "Az good fo me go chase afta dese guys dat wen rip us off, o wat? Can catch up wit dem, o no can?"

Da One In Charge tell, "Go! Chase um! Fo shua you goin catch um, an fo shua you goin get yoa peopo back!"

⁹ David an da six hundred guys wit him come by da Besor Gulch. Get two hundred guys dat no can move no moa. Az why dey stay dea.

¹⁰ Cuz dey real wipe out, dey no can go da odda side a da gulch. But David an da odda four hundred guys still yet go chase da Amalek guys.

¹¹ Dey spock one young guy from Egypt inside da country side, an dey bring him by David, an give him watta fo drink, an food fo eat.

¹² Dey get plenny fig all mash togedda, so dey cut off one piece an give um, an two bunch dry grape. He eat um an feel mo betta, cuz he neva eat o drink notting fo three days an three nites.

¹³ David aks him, "Who own you? Wea you come from?"

Da young guy tell, "I from Egypt. I da slave fo one Amalek guy. Da day befo yestaday, my boss leave me hea cuz I stay sick.

¹⁴ All us guys wen rip off stuff from da boonies wea da Keret peopo live Negev side, an da part da Judah peopo own, an da boonies wea da Caleb ohana live inside da Negev. Ziklag town, we burn all dat too."

¹⁵ David aks him, "You can show me wea dose rip off guys stay?"

Da Egypt guy tell, "Firs ting, you gotta make one strong promise fo me in front God, dat you no goin kill me, o give me back to my boss! Den I can bring you down by dem."

David tell um, "Shoots! Can."

¹⁶ So da Egypt guy take David dem down. Wen dey get dea, get Amalek guys all ova, eating, drinking, an partying up, cuz get all kine stuff dey wen rip off from da Filisha land an from da Judah land.

¹⁷ David an his army guys attack da Amalek guys wen litto mo ready fo come light da nex morning. Dey stay fight um till afta da sun go down dat day. Ony four hundred young guys get away on top da camels. No moa no odda guys get away,

¹⁸ David dem get back eryting da Amalek guys wen rip off an David two wifes.

¹⁹ Eryting stay dea, young an ol peopo, boys an girls, an all da stuff da Amalek guys wen rip off. David dem take back eryting.

²⁰ He take all da sheeps, goats, an cows. His guys make da animals dat dey take away from da Amalek guys, go in front da odda animals dey get awready. Dey tell erybody, "Dis da stuff dat David bring back from da fight!"

²¹ Den David dem come back wea da two hundred odda guys stay, da ones dat was real wipe out an no can go all da way wit David. Az why he wen leave um by Besor Gulch. Dey come out fo meet David an da peopo wit him. Wen David an his guys come nea, David aks da guys dat stay Besor Gulch side if eryting stay good wit dem.

²² Cuz a dat, some a David guys, da kine bad guys an guys dat like make humbug, dey tell, "Dese guys neva go wit us! So we no goin give dem notting from all da stuffs us bring back from fight! But erybody can take dea wifes an kids an go."

²³ But David tell, "No make lidat, my braddahs! You betta not make lidat wit all da stuff Da One In Charge wen give us guys. He take kea us guys awready, an he make us win da fight wit da rip off guys dat wen come agains us.

²⁴ If you tink da oddas goin lissen wat you guys tell bout dis, no way! Da guys dat wen stay hea an take kea all oua stuffs, dey goin get all da same jalike us guys dat go down fo fight. Erybody goin share, same same."

²⁵ An from dat day, David make dat rule solid fo all da judge guys fo da Israel peopo. An nowdays, dey still make lidat.

²⁶ Wen David come back by Ziklag, he sen some a da stuff da Amalek guys wen rip off to his frenz, da older leadas fo da Judah ohana. He tell dem, "Hea! I like give you guys some a da stuffs dat da guys dat stay agains Da One In Charge wen rip off from you guys."

²⁷ He sen da stuffs by plenny towns: fo da leada guys inside Bethel, Ramot inside da Negev, an Jattir,

²⁸ Aroer, Sifmot, Eshtemoa,

²⁹ an Rakal; an da towns wea da Jerahmeel ohana guys live, an da Ken peopo,

³⁰ an by da leada guys inside Hormah town, Bor Ashan, Atak,

³¹ an Hebron town. David sen stuff to da leadas fo all da odda places wea him an his guys wen go hang out befo time.

Saul An His Boys Mahke
(2 Samuel 1:4-12; 1 Records 10:1-12)

¹ Da same time David dem leave da Filisha guys fo go Ziklag, da Filisha guys stay fight da Israel guys. Da Israel army guys run away from dem, an plenny Israel guys mahke on top Mount Gilboa.

² Da Filisha guys run fas an chase Saul an his boys Jonathan, Abinadab, an Malki-Shua. Dey kill his boys.

³ Dey fight hard fo get to Saul. Da bow an arrow guys shoot um, so den he stay shake cuz he all bus up.

⁴ Saul tell da guy dat carry da tings he use fo fight, "Grab yoa sword an stab me! If dese buggahs dat donno God come hea, dey goin make any kine to me wen dey stab me!"

But da guy dat carry his stuff fo fight no like kill him. Da guy real sked, az why. So Saul take his sword, an throw his body down on top um so da sword go thru his body.

⁵ Da guy dat carry Saul stuffs fo fight wit, see dat Saul stay mahke awready, so he go throw his body down on top his sword too, an mahke wit Saul.

⁶ An az how Saul, an his three boys, an da guy dat carry Saul stuffs fo fight, an all his army guys, wen mahke togedda dat same day.

⁷ (Da Israel army guys dat stay da odda side a da Jezreel valley, an da ones dat stay da odda side a da Jordan Riva, dey see dat da Israel army guys wen run away, an dat Saul an his boys mahke. So dey bag from dea towns an run away too. An da Filisha guys come an start fo live inside dose towns.)

⁸ Da day afta da fight, da Filisha guys come back fo rip off stuffs from da mahke guys. Dey find Saul an his boys mahke bodies, dea on top Mount Gilboa.

⁹ Dey cut off Saul head, an rip off da tings he use fo fight. Den dey sen messenja guys all ova da Filisha land fo go da temples fo dea idol kine gods an tell dea peopo da good stuff bout Saul mahke.

¹⁰ Dey put da tings Saul use fo fight inside da temple fo da wahine god Astarte. Den dey poke one big stick thru his mahke body fo hang um up on top da wall aroun Bet-Shan town.

¹¹ Da peopo inside Jabesh town Gilead side wen hear wat da Filisha peopo wen do to Saul.

¹² So all da Jabesh guys dat know how fo fight good, make ready an go all nite Bet-Shan town. Dey take down da bodies fo Saul an his boys from da wall aroun Bet-Shan town, an go back Jabesh side. Dey burn da bodies ova dea.

¹³ Den dey take da bones, an bury um unda da tamarisk tree Jabesh side. Dey no eat fo seven days, fo show dey stay sad inside.

Da Numba Two Book Bout Samuel

David Find Out Dat Saul Mahke

¹ Afta Saul mahke, an afta David win da fight ova da Amalek guys, he stay Ziklag town two day.

⁴ David tell, "Tell me, how was ova dea?"

Da guy tell um, "Da Israel guys run away from da fight, an plenny guys mahke. Saul an his boy Jonathan, dey mahke too!"

⁵ David aks da guy, "How you know dat Saul an his boy Jonathan mahke?"

⁶ ✨Da guy tell, "I jus go Mount Gilboa, an I see Saul ova dea too. Cuz he hurt plenny, he use his spear fo help um stan up. Right den, da Filisha war wagons an da horse rida guys stay come nea.

⁷ Saul turn aroun an look behind him. He spock me ova dea. He yell to me come by him. An I tell, 'Shoots! Kay den!'

⁸ "Saul aks me, 'Who you?'

"I tell um, 'I one Amalek guy.'

⁹ "Den he tell me, 'Go come ova hea fo kill me! Cuz I hurt real plenny, I almos mahke, but I still stay alive.'

¹⁰ "So I go ova dea by him, an kill um, cuz I know fo shua dat wen he fall down, he no goin stay alive. Den I take da crown dat stay on top his head, an da chain bracelet on top his arm, an bring um ova hea by you, my boss. Hea! Take um!"

¹¹ Den David grab his clotheses an rip um fo show he stay sad inside. All da guys wit him, dey do da same ting.

¹² Dey stay sad inside, an cry, an skip food till litto mo dark, cuz a Saul an his boy Jonathan, an fo Da One In Charge army, an da Israel ohana, cuz all dose guys get kill wit swords.

¹³ David tell da young guy dat tell um bout Saul, "Wea you come from?"

Da guy tell, "My faddah guy live inside da Israel land, but he not from hea. I one Amalek guy."

¹⁴ David tell him, "How come you no sked fo kill da king guy dat God wen pick, aah?"

¹⁵⁻¹⁶ Den David tell um, "You da guy fo get da blame! Wat you tell, no good fo you, cuz you awready tell me dat you da guy wen kill da king dat God wen pick!"

So David tell one a his young army guys fo come. He tell um, "Go kill dis guy!" So David guy kill da Amalek guy.

David Sing One Sad Song Fo Saul An Jonathan

¹⁷ David make one sad song fo him sing bout Saul an his boy Jonathan.

18 ✨(He call um Da Sad Song Bout Da Bow. He tell da teacha guys fo teach da Judah guys how fo sing dis song. Stay inside da Book Bout Da Peopo Dat Stay Do Wass Right.) Dis da song:

19 “Bummahs! Da mos awesome one
From all da Israel peopo
Stay mahke ova dea, on top da hills!

Dey fall down, mahke awready!

20 “But no tell da Filisha peopo Gat side bout dis!
No say notting to da peopo on da Ashkelon streets!
No good da Filisha wahines feel good inside cuz dey win.
No good da girls from dat ohana dat donno God
Dance an sing cuz dey feel good inside.

21 “Da mountains Gilboa side wea Saul an Jonathan mahke,
I like put kahuna on top dat place!
No good dey get da dew o da rain bumbye.
No good da fields grow da wheat fo da sacrifices.
Ova dea, even da bestes ones fo fight, wen lose dea shield.
Eh, no was olive oil dey wen put on top Saul shield, dat time, fo make
um strong—was blood!

22 Was blood from da army guys Saul wen kill,
Da fat from dea mahke bodies!
Erytime he swing his sword, he kill somebody!
Jonathan, same ting,
He no stop shoot wit his bow!

23 “Saul an Jonathan,
Wen dey stay alive, erybody love dem.
Dey nice kine peopo.
Even wen dey mahke dey stick togedda.
Dey run mo fas den da eagles fly.
Dey mo strong den da lions.

24 “You Israel wahines,
Cry fo Saul.
He wen give you nice clotheses, dark red.
He bring gold kine jewelry fo go wit yoa clotheses.

25 “Sad, cuz yoa bestes guys fo fight,
Dey fall down mahke wen dey fight!

“Jonathan, he lay dea mahke on top da hills.
26 I stay all bum out cuz you mahke,
Jonathan my braddah!
You wen make me feel real good inside.
Yoa aloha fo me was awesome!
Mo awesome den da kine love from one wahine!

27 “Sad, how da bestes guys fo fight,

Fall down mahke awready!
 Da tings dey use fo fight,

David Come Da King Fo Da Judah Peopo

¹ Bumbye, afta David pau cry fo Saul an Jonathan, David aks Da One In Charge, "Time awready fo me an my guys move house ova dea to one a da Judah ohana towns, o wat?"

Da One In Charge tell um, "Shoots."

David aks, "Wat town, aah?"

Da One In Charge tell, "Hebron."

² ✧ So David go ova dea wit his two wives, Ahinoam from Jezreel an Abigail, Nabal da Carmel guy widow.

³ David take da guys dat stay wit him, an dea wives an kids, an dey move house inside Hebron an da towns aroun dea.

⁴ ✧ Den da guys from Judah come dea. Dey put oil on top David head fo show dey pick him fo come da new king ova da Judah ohana.

Dey tell David, "Was da guys from Jabesh-Gilead, dat wen bury Saul, you know."

⁵ So David sen messenja guys ova dea Jabesh-Gilead town fo tell da Jabesh guys, "I like fo God do good tings fo you guys! Cuz wen you guys wen go bury Saul, yoa boss, you wen show you still stay tight wit him.

⁶ Az why I like Da One In Charge stay tight wit you guys too now, an show you guys you can trus him. Me, I goin make good to you guys too cuz a wat you guys wen do fo Saul.

⁷ From now, come strong. Be da kine peopo dat no sked notting. Yoa boss Saul, mahke awready. An one mo ting, I da one, da Judah ohana peopo wen pour oil on top me, fo show dey wen pick me fo come dea king."

Ish-Boshet Come Da King, Israel Side

⁸ Same time, Abner, Ner boy, da general fo Saul army, take Saul boy Ish-Boshet, an bring him Mahanaim side, da east side a da Jordan Riva.

⁹ Abner make Ish-Boshet come da king fo Gilead, Asher, Jezreel, Efraim, Benjamin, an all da res a da Israel land.

¹⁰ Ish-Boshet, Saul boy, stay forty year ol wen he come king fo da Israel peopo, an he stay king fo two year. Ony da Judah ohana peopo wen stay tight wit King David.

¹¹ Da time dat David stay da king inside Hebron fo da Judah ohana, was seven year an six month.

Da Israel Guys Fight Da Judah Guys

¹² One time, Abner, Ner boy, an da army guys fo Ish-Boshet, Saul boy, go outa Mahanaim an go Gibeon town.

¹³ Same time, Joab, Zeruah boy, an da army guys fo David go out too. Dey come by Abner dem by da Gibeon watta place. Abner dem sit down one side a da watta place, an Joab dem sit down da odda side.

¹⁴ Den Abner tell Joab, "Eh, let some a yoa army guys go fight some a oua army guys fo us guys watch."

Joab tell, "Shoots!"

¹⁵ So dey count twelve guys fo da Benjamin ohana an Ish-Boshet, Saul boy. Dey go da odda side a da watta place, an twelve guys fo David go by dem.

¹⁶ Den all dem grab da head a da guy dey stay agains, an stab da odda guy in da side wit his knife, so all 24 a dem guys fall down mahke togedda. Az why dey call dat place inside Gibeon town "Dagga Field."

¹⁷ Den, da odda guys fo da two armies start fo fight real hard. David guys win ova Abner an da Israel guys.

¹⁸ Get three guys dea wit David guys, Zeruiah three boys Joab, Abishai, an Asahel. Asahel can run real fas, jalike da kine deer dat live inside da boonies.

¹⁹ He chase Abner, an no go da right side o da lef side wen he stay run.

²⁰ Abner look behind him, an aks, "Dat you, Asahel?"

Asahel tell, "Az me."

²¹ Den Abner tell him, "Stop! No chase me awready! Go kill one a da young army guys, an take da tings he use fo fight." But Asahel no like no chase Abner.

²² One mo time Abner tell Asahel, "You betta not run no mo fo grab me! I no like wack you an kill you, cuz den I no can look yoa braddah Joab face!"

²³ But Asahel no like no chase Abner. So Abner poke da back side a his spear inside Asahel belly, an da spear come out his back. Asahel fall down an mahke right den an dea. An erybody dat come by da place wea Asahel wen fall down an mahke, dey all stop dea.

²⁴ But Joab an Abishai, dey still yet stay chasing Abner. Wen da sun stay go down, dey come by da Ammah hill wea can see Giah town, on da road dat go inside da Gibeon boonies.

²⁵ Den da Benjamin army guys, dey all come togedda fo back up Abner. Dey all stan togedda jalike one army on top anodda hill.

²⁶ Abner yell to Joab an tell, "We goin stay kill each odda wit swords foeva, o wat?! Fo shua, you know dat afta dis fighting pau, erybody goin stay hate each odda still yet. How long befo you goin tell yoa army guys fo no go chase dea braddahs da Israel guys no moa?!"

²⁷ Joab yell back to Abner, "Jalike I stay shua God stay alive, same ting I stay shua, dat if you neva tell wat you jus wen tell, all my army guys chase yoa guys till morning time. But cuz dey yoa braddahs, az good dat neva happen!"

²⁸ So Joab blow one sheep horn trumpet, an all da Judah army guys stop. Dey no chase da Israel guys o fight no moa.

²⁹ All nite Abner an his guys march thru da boonies nea da Jordan Riva. Dey go da odda side a da Jordan Riva, den go till noon time, an come Mahanaim.

³⁰ Den Joab go back from chase Abner dem. He bring all his army guys togedda. But Asahel, an nineteen odda guys from David army, stay missing.

³¹ David army guys wen kill 360 guys from da Benjamin army an da guys dat wen stay wit Abner.

³² Joab dem take Asahel an bury him inside his faddah tomb Betlehem side. Den Joab an his guys march all nite, an come Hebron town same time da sun come up.

3

¹ Az how da Saul ohana an da David ohana start fo fight each odda long time. David stay come mo an mo strong, an da Saul ohana stay come mo an mo weak.

David Boys

² Hebron side, get boys born fo David.
 Numba One, Amnon, his muddah Ahinoam from Jezreel.
³ Numba Two, Kileab, his muddah Abigail, Nabal widow from Carmel.
 Numba Three, Absalom, his muddah Maakah, an her faddah Talmai, da king fo Geshur nea Syria.

 Numba Five, Shefatiah, his muddah Abital.
⁵ Numba Six, Iream, his muddah Eglah, David wife.
 All dese boys, born fo David Hebron side.

Abner Go Wit David

⁶ All da time da Saul ohana stay fight da David ohana, Abner stay take ova da Saul ohana guys mo an moa.

⁷ Had one wahine name Rizpah, Saul odda wife. She Aiah girl. An Ish-Boshet tell Abner, "How come you go fool aroun wit my faddah odda wife?!"

⁸ Abner come real huhu cuz a wat Ish-Boshet tell. So Abner tell, "You tink I one Judah kine dog, o wat?! dat go same side wit da Judah ohana?! I tell you fo real kine: Today I still stay tight wit yoa faddah Saul ohana, yoa uncle guys an Saul frenz. I neva let David find you an grab you. But now, you poin finga me bout dis wahine!"

⁹ ✧ I like Da One In Charge punish me, Abner, an make mo worse to me even den dat, if I no go David side now! I goin do fo him wat Da One In Charge wen make one strong promise fo do.

¹⁰ I goin take away da right fo be king from da Saul ohana! I goin give David da right fo sit on top da throne, fo him come da king fo da Israel peopo an da Judah peopo, all da land from Dan to Beer-Sheba!"

¹¹ Ish-Boshet, he stay sked a Abner. Az why he no tell notting to Abner.

¹² Den Abner sen his messenja guys by David fo tell, "Who get da right fo dis land?! Make one deal wit me! Den I goin help you fo bring all da Israel peopo yoa side."

¹³ David tell, "Az good. I goin make one deal wit you. Ony one ting I goin aks you fo do firs. Da ony way you can come in front me fo make da deal, you gotta bring Michal, Saul girl, wen you come fo see me."

¹⁴ ✧ Den David sen messenjas by Ish-Boshet, Saul boy, an tell him, "Give me my wife Michal. Fo get engage to her, I wen cut skin one hundred Filisha guys dat I wen kill, an bring back all da cut skins fo pay fo her."

¹⁵ So Ish-Boshet sen his guys fo take her away from her husban Paltiel, Laish boy.

¹⁶ But her husban follow her an cry all da way Bahurim side. Den Abner tell him, "Go back yoa place!" So he go back.

¹⁷ Anodda ting Abner wen do wit da older leadas fo da Israel peopo. He tell, "From long time awready, you guys like make David come yoa king.

¹⁸ Kay den, do um! Cuz Da One In Charge, him da One wen tell dis bout David: 'My worka guy David, he da one I goin use fo get my Israel peopo outa da powa a da Filisha guys an all da odda peopos dat stay agains dem.' "

¹⁹ An Abner do dis too: he go talk wit plenny Benjamin peopo. Den he go Hebron side fo talk wit David. He like tell um all dat da Israel peopo an all da Benjamin ohana tink az one good ting fo do.

²⁰ Wen Abner come by David, Hebron side, he get twenny guys wit him. David make one big luau fo Abner an his guys.

²¹ Den Abner tell David, "I like do someting fo you. I like go right now an bring togedda all da Israel peopo by you, my boss an king, fo dem make one deal wit you. Den you goin come da king ova eryting you like be da king fo."

So David tell Abner fo go do um. Abner go, an he stay shua eryting good wit him an David.

Joab Kill Abner

²² Right den, Joab come back wit David army guys afta dey attack one place wea da peopo stay agains David, an afta dey take away dea stuffs. Dey bring wit dem plenny stuffs. But Abner no stay inside Hebron wit David no moa, cuz David tell um he can go awready. An wen Abner leave, he stay shua eryting good wit him an David.

²³ Wen Joab an all da army guys come back, da Hebron peopo tell him dat Abner, Ner boy, wen come by King David, an dat David tell him az good, an dat Abner stay shua eryting good wit him an David.

²⁴ So Joab go by king David an tell, "Wassamatta you, aah?! Look! Abner wen come by you. How come you let um go? Now, he gone awready!"

²⁵ You know wat kine guy Abner, Ner boy. Ony fo bulai you, az why he come hea! an fo find out wea you an yoa army guys stay go, an fo find out eryting you stay do!"

²⁶ Den Joab go out from wea David stay, an sen messenja guys fo chase Abner. Dey bring Abner back from da watta place inside Sirah town. But David neva know wat Joab do.

²⁷ Wen Abner come back Hebron side, Joab take him inside one small security guard room by da gate. He make jalike he like talk to Abner, jus dem two inside one quiet place. But fo pay back Abner fo kill Joab braddah Asahel, Joab stab Abner in da belly, an he mahke.

²⁸ Laytas, David hear wat wen happen. He tell, "Me an my peopo, us no mo da blame fo murda Abner, Ner boy! I tell dis in front Da One In Charge foeva!"

²⁹ I like fo Joab an all his faddah ohana, get da blame fo dis! I like Joab ohana erytime get somebody wit one sore dat no can heal, o one kine sick all ova da skin dat odda guys can catch, o ony can do wahine kine work, o mahke wit one sword, o no mo food!"

³⁰ (Joab an his braddah Abishai, dey murda Abner cuz he wen kill dea braddah Asahel Gibeon side wen dey stay fight, you know.)

³¹ Den David tell Joab an all da army guys wit him, "Rip yoa regula clotheses an wear burmbag kine clotheses, fo show erybody you guys stay sad inside too. Walk in front Abner mahke body." An King David walk in back a da stretcha dey use fo carry da wrap up body to da cemetery.

³² David guys bury Abner Hebron side, an da king cry loud in front Abner tomb. An all da peopo cry too.

³³ Da king sing dis sad song fo Abner:
"Abner wen mahke jalike one criminal.

No good, him mahke lidat!

³⁴ Abner, nobody tie yoa hands togedda

Jalike one criminal.
 Nobody tie yoa feets wit leg chain
 Jalike fo go in front da judge.
 Wen you wen mahke
 Was jalike da bad guys take you down!"
 An all da peopo cry plenny one mo time cuz a him.

³⁵ Den all da army guys come an try make David eat someting, wen still yet stay day time. But David make one strong promise. He tell, "I like God kill me if I eat bread o some odda ting befo da sun go down."

³⁶ All da army guys see wat David do, an dey tink az good da way dey see um. Fo shua, eryting da king do, look good to dem.

³⁷ So from dat day, all da army guys dat stay dea, an all da Israel peopo, dey come shua dat da king no mo da blame fo kill Abner, Ner boy.

³⁸ Den da king tell his helpa guys, "You guys know, dat one leada, dass one real importan guy fo us Israel peopo, wen mahke today!"

³⁹ An today, no matta God wen pick me fo come da king, I no like bus up peopo. But dis Joab an Abishai, Zeruah boys, dey mo tough den me. I like Da One In Charge do someting bad, fo pay back da one wen do dis bad ting, cuz da guy wen kill Abner."

4

Ish-Boshet Get Kill

¹ Wen Saul boy Ish-Boshet hear dat Abner get murda Hebron side, he lose fight. An all da Israel peopo come bum out.

² Two guys in Saul boy Ish-Boshet army lead da army guys dat go attack towns wea da peopo stay agains Ish-Boshet an steal stuff. Dey braddahs, Baanah an Rekah. Dea faddah, Rimmon from Beerot town, from da Benjamin ohana. You know, erybody tink dat Beerot, az one Benjamin town inside da Benjamin ohana land.

³ Az cuz da peopo dat live Beerot befo time, wen run away Gittaim side, an stay ova dea till today, no matta dey no come from Gittaim.

⁴ ☆(One mo ting, aah? Saul boy Jonathan get one boy name Mefiboshet dat no can walk good. He was five year ol wen Saul an Jonathan mahke. Somebody come his house from Jezreel fo tell erybody dat his faddah an granfaddah, mahke awready. Da wahine dat take kea him wen pick um up an run away. But cuz she rush, da boy fall down an hurt his two feets. Az how come he no can walk good.)

⁹ Me, Da One In Charge! I tell peopo wat dey gotta do an wat dey gotta no do. So! How come you ack jalike wat I tell no mean notting?! Da way I see um, dis ting dat you wen do, az real bad! You wen murda Uriah da Het guy, an steal his wife fo come yoa wife. Az jalike you use da Ammon guys sword fo kill him.

¹⁰ Az why from now some a da peopo dat goin come from you goin get kill wit swords, an dat goin happen fo long time! Az cuz you wen ack jalike I no matta, an you wen take Uriah wife fo come yoa wife.'

¹¹ ✨"Dis wat Da One In Charge tell: 'Wat I goin do, I goin make real bad kine stuff happen to you. Goin come from inside yoa ohana. I goin take away yoa wifes wen you stay watching, an I goin give dem to one guy dat stay nea you. He goin make sex wit yoa wifes day time, wen erybody can see.

²² David tell, "Wen da bebe still stay alive, I skip food fo pray, an I cry cuz I stay figga, 'I donno. Maybe Da One In Charge goin make nice to me, an da bebe goin stay alive.'

²³ But now, he mahke. Az why no need skip food fo pray! I no can bring da bebe back one mo time. Me, I goin go by him bumbye, but he no goin come back by me."

Wen you wen tell dat you goin let go my boy, you show same time dat you do da wrong ting bout yoa boy. Cuz you da king, but you no even bring back yoa boy dat suppose to come king afta you, da one dat you wen put presha on fo him run away.

¹⁴ Fo shua, all us peopo gotta mahke, an dass jalike wen watta spill on top da groun an nobody scoop um up one mo time. But wen peopo throw out somebody, God no goin kill da guy fo dat. He make one plan fo no make um stay too far away, an he bring um back fo shua.

¹⁵ “An now I come hea fo tell you dis, my boss da king. Cuz da peopo make me stay sked bout my boy. I yoa worka wahine, an I figga, ‘I goin go talk to da king. Maybe he goin do wat I aks um fo do.

¹⁶ Maybe you, da king, goin lissen an help me, yoa worka wahine. Den da guy no goin get da powa fo do notting, da one dat like cut me an my boy off from da stuff my husban suppose to get dat God wen give us.’

¹⁷ ☆ “An now, I yoa worka wahine, an dis wat I tink: ‘I like come so no mo notting bodda me now, cuz a da promise my boss da king wen make.’ Cuz you, jalike one angel messenja from God dat lissen an undastan wass good an wass bad. I like Da One In Charge, yoa God, stay wit you.”

²³ So den, Joab go Geshur side an bring um back Jerusalem side.

²⁴ But da king tell, “Dat one gotta go his place, an no can come in front me!” Az why Absalom go his place, an no go in front da king.

²⁵ Inside all da Israel land, no mo nobody da peopo talk good bout mo den Absalom, cuz he stay real good looking. From da top a his head to da bottom a his feets, no mo notting wrong wit him.

¹ ✧Wen David go down litto bit da odda side a da Olive Ridge, he see Ziba ova dea. He da land manager fo Mefiboshet. He stay wait fo meet David. He bring two donkeys wit pack saddle. Da donkeys stay carry two hundred roun kine breads, one hundred chunk block raisin candy press togedda, one hundred summa kine fruits, an one goat skin all sew up wit wine inside.

² King David aks Ziba, "How come you wen bring all dis stuffs?"

Ziba tell, "Da donkeys stay fo you, da king, an yoa ohana fo ride on top. Da breads an fruits stay fo yoa army guys fo eat, an da wine fo help da peopo dat goin come all tired out wen you guys go inside da boonies."

³ ✧Da king aks, "An Saul grankid, dat come from da guy dat was yoa boss, wea he stay?"

Ziba tell um, "Dat one, he stay inside Jerusalem, cuz he tink, 'Today, da Israel ohana goin give me back my granfaddah peopo fo me come king ova dem.' "

⁴ Den da king tell Ziba, "From now, eryting dat Mefiboshet get stay yoas. Cuz I da king, an I give um to you."

Ziba tell, "I go down in front you, boss. I like be da kine guy dat you erytime like. Cuz you, my boss an king."

Shimei Talk Harsh Kine To David

⁵ Wen King David come nea Bahurim town, get one guy from da Saul ohana, come outa da town. His name Shimei, Gera boy. Wen he stay come out, he yell fo God put kahuna on top da king fo hurt him.

⁶ He throw stones at King David an all his leada guys, no matta all da army guys an spesho bodyguard guys stay all aroun David.

⁷ Wen Shimei yell fo God put kahuna on top David, he tell, "Get outa hea! You one guy dat kill plenny peopo! Fo shua, you good fo notting!"

⁸ Now, Da One In Charge stay pay you back, cuz a all da Saul ohana guys you wen kill! You wen take ova his place fo come king! Awready Da One In Charge give yoa peopo to yoa boy Absalom fo come king ova dem! Cuz you wen kill plenny peopo, I like eryting come bad fo you!"

⁹ Den Abishai Zeruah boy tell da king, "How come dis buggah tell God put kahuna on top you, da king?! He not betta den one mahke dog! Let me go ova dea an cut off his head!"

¹⁰ But da king tell, "Dis my kuleana! Dis not bout you guys, my nephews, Zeruah boys. Who you fo tell um fo stop?! If he stay yell fo put kahuna on top me cuz Da One In Charge tell him fo do dat, den who can tell Da One In Charge, 'How come you make lidis?!' "

¹¹ Den David tell Abishai, an all his leada guys, "You guys know my boy dat come from my blood an bones, he stay try fo kill me, aah? Dass way mo den dis Benjamin ohana guy like kill me, you know! Let um go an let um yell fo God put kahuna on top me David cuz Da One In Charge wen tell him fo do dat.

¹² Maybe Da One In Charge goin see dat I stay suffa plenny awready, an dat goin do good fo me, fo pay me back wit someting good afta dis guy put kahuna on top me today."

¹³ So David an his guys no bodda Shimei. Dey jus stay on top da road.

¹⁴ An dass how da king an all da peopo wit him wen come by da place wea dey stay go. Dey stay wore out cuz dey walk real far. Den he res an eat ova dea.

Wat Hushai An Ahitofel Tell Absalom Fo Do

¹⁵ Same time, Absalom an all da Israel guys wit him come Jerusalem side. Ahitofel come wit him too.

¹⁶ Den Hushai from da Ark peopo, da fren dat help David figga wat he gotta do befo time, he go by Absalom an tell him, "I like you, da king, live long time! Real long time!"

¹⁷ So Absalom tell, "Wot? Dis how you show yoa fren dat you stay tight wit him? How come you no go wit yoa fren?"

¹⁸ Hushai tell Absalom, "You no undastan! Da one I stay tight wit goin be da one Da One In Charge wen pick, an all dese peopo like um, an all da odda Israel guys like um too. Dass da one I goin stay wit an be his guy!"

¹⁹ An one mo ting: Who I goin work fo? I goin work fo you, David boy, jalike I wen work fo yoa faddah."

²⁰ Den Absalom tell Ahitofel dem, “Kay den, you guys. Da way you guys see um, wat you tink da bestes ting fo do?”

²¹ Ahitofel tell, “Firs ting, go make sex wit yoa faddah odda kine wives, da ones he wen leave ova hea fo take kea da palace. Wen you make sex lidis, den dass goin show to all da Israel peopo dat you wen do someting real pilau agains yoa faddah. An erybody dat stay by you goin come mo strong cuz a dis.”

²² ☆Az why Absalom guys put up one tent fo him on top da flat roof a da palace. Den Absalom go inside fo make sex dea wit his faddah odda wives wea all da Israel peopo can see wea he go.

²³ (Befo time, weneva somebody aks Ahitofel wat fo do, wateva Ahitofel tell um stay good. Dass jalike fo aks God wat fo do! Az how David, an Absalom too, tink bout wateva Ahitofel wen tell um fo do.)

17

Hushai Jam Up Wat Ahitofel Plan

¹ Den get one mo ting Ahitofel tell Absalom: “I like pick 12,000 guys, an go out tonite fo chase David.

² Wen I catch up wit him, he goin come real tired an bum out. I like make um come real sked so he run away. Den all da army guys wit him goin run away too. But I goin ony kill da king.

³ Wen I do dat, I goin bring all da peopo back yoa side, jalike da way all dem befo time wen go da odda side wit David, da guy you stay look fo now. Den nobody goin get hurt.”

⁴ Absalom an all da older leadas fo da Israel peopo tink dis plan stay real good.

⁵ Den Absalom tell, “Tell Hushai from da Ark peopo fo come fo us hear wat he goin tell too.”

⁶ Wen Hushai come by him, Absalom tell, “Dis wat Ahitofel tell us fo do. Okay fo do wat he tell? If not, you tell us wat fo do.”

⁷ Hushai tell, “Wat Ahitofel tell you fo do, dass not good dis time.

⁸ You know yoa faddah an his guys, dey all know how fo fight real good, an dey plenny huhu awready! Dey goin ack jalike one wild bear wen somebody steal her bebes. An yoa faddah win plenny war awready, you know. He no goin go sleep by da odda army guys, nite time.

⁹ Even now, he stay hide inside one a da caves, o anodda place he know. If he go attack yoa army guys firs, whoeva hear bout um goin tell, ‘Plenny peopo wen mahke from da army guys dat go wit Absalom!’

¹⁰ Den oua mos strong guys dat no sked notting, an get heart jalike one lion, even dey goin come weak cuz dey stay real sked. Cuz all da Israel peopo know dat yoa faddah know how fo fight real good, an all da guys wit him, stay strong an no sked notting.

¹¹ “So az why I tell you fo do dis: Bring togedda by you all da Israel guys, from Dan north side to Beer-Sheba south side. Dey mo plenny den get sand on top da beach, you know! Den you goin be da one dey go wit fo fight.

¹² An we go attack yoa faddah no matta wea he stay. Us guys, we goin go all ova him an his guys, jalike da dew go all ova da groun morning time. Az how we no goin leave him alive, o even one a all his guys!

¹³ If he take all his guys togedda inside one town dat get strong wall, den all da Israel guys goin bring ropes to da town wall, an we goin drag down

da town wall all da way to da stream. An layta, no mo nobody goin find even one small stone from dat town.”

¹⁴ Absalom an all da Israel guys tell, “Wat Hushai da Ark guy tell us fo do, mo betta den wat Ahitofel tell us fo do.” (Cuz you know, Da One In Charge wen plan awready fo jam up wat Ahitofel tell fo do. He do dat fo Da One In Charge make bad kine stuff happen to Absalom.)

¹⁵ Laytas, Hushai tell Zadok an Abiatar, da pries guys, “Ahitofel wen tell Absalom an da older leadas fo Israel, wat dey gotta do. But me, I wen tell um dey gotta do diffren kine.

¹⁶ Now you guys, sen messenja guys real fas fo tell David, ‘No stay tonite nea da place wea can go da odda side a da riva fo go inside da boonies! Make shua you go da odda side a da riva right now! Cuz if you stay dis side, you da king an all da army guys goin mahke!’ ”

¹⁷ Da prieses boys, Jonathan an Ahimaaz, awready stay by da Rogel Spring nea Jerusalem, cuz no good somebody see dem go inside da town. Weneva get message, one worka girl go dea fo tell dem an dey go tell King David.

¹⁸ But one young guy see da two guys, an go tell Absalom. So da two guys go way real fas an go by da house a one guy inside Bahurim town. He get one puka fo watta inside his open lanai, an dey climb down inside dea.

¹⁹ Dat guy wife take da cloth dey use fo cova da puka fo watta, an bring some wheat dey wen poun awready an put um on top da cloth. An nobody know wat she wen do.

²⁰ Wen Absalom guys come by da wahine inside da house, dey aks, “Ahimaaz an Jonathan, wea dey stay?”

Da wahine tell um, “Dey go da odda side a da stream.” So da guys look fo dem ova dea, but dey no find nobody. So dey go back Jerusalem.

²¹ Afta da two Absalom guys go way, da two odda guys climb outa da puka, an go tell King David, “Erybody! Go way from hea, quick! Go da odda side a da Jordan Riva right now! Ahitofel wen tell dem fo attack you guys awready!”

²² So David an all da army guys wit him go out an go da odda side a da Jordan Riva. Wen da sun come up, nobody stay da west side a da riva.

²³ Wen Ahitofel find out dat Absalom no do wat Ahitofel wen tell um fo do, Ahitofel saddle his donkey an go his house inside his home town. He make eryting ready so da peopo dat live wit him know wat fo do. Den, he go hang himself! Az how he mahke. His peopo bury him inside da tomb wea dey wen bury his faddah befo time.

²⁴ Laytas, afta David go Mahanaim town, Absalom an all da Israel guys, dey go da odda side a da Jordan Riva too.

²⁵ Absalom wen pick his cousin Amasa fo stay in charge a his army, an he no pick Joab. Amasa faddah, one guy name Jeter. He one Israel guy. Amasa muddah, Abigail, Nahash girl an Zeruijah sistah, she Joab muddah.

²⁶ Da Israel guys an Absalom make camp inside da Gilead districk.

²⁷ Wen David come Mahanaim town, Shobi, Nahash boy from Rabbah, da town fo da Ammon peopo, an Makir, Ammiel boy from Lo-Debar, an Barzillai da guy from da Gilead peopo from Rogelim,

²⁸ dey bring plenny blanket, bowl, an clay pot. An dey bring wheat an barley, an flour, an wheat an barley dat dey wen toast, beans, an lentils,

²⁹ honey an sof cheese, sheeps, an cheese from da cow milk fo David an his army guys eat. Cuz dey tell, “Da army guys stay hungry an tired an thirsty, ova hea inside da boonies.”

18

Absalom Mahke

¹ King David line up da army guys dat stay wit him, an pick da ones fo come da leadas fo tousan guys, an fo hundred guys.

² David broke up his army in three parts. David nephew Joab stay in charge a one part, Joab braddah Abishai in charge a one part, an Ittai da guy from Gat town in charge a one part.

David tell da army guys, "I goin march out wit you guys."

³ But da army guys tell, "Eh Boss! You betta not go out. If us gotta run away, dat no matta fo da Absalom guys. Even if half a us guys mahke, dat no matta fo dem. Right now, you da one dey like kill, mo den ten tousan a us guys. Mo betta now you help us from inside Mahanaim town."

⁴ Da king tell dem, "Kay den. I goin do wat you guys tink az mo betta fo me do."

So da king stan by da town gate wen da guys march out wit hundreds a guys an tousans a guys.

⁵ Da king tell Joab, Abishai, an Ittai, "Eh! Go easy on da young guy Absalom cuz a me!" An all da army guys too, hear da king tell da main leadas dey gotta go easy on Absalom.

⁶ David army guys march out in da country side fo fight da Israel guys. An dey fight um dea, inside da Efraim fores.

⁷ Ova dea, David guys win ova da Israel army guys, an twenny tousan guys mahke dat time.

⁸ Dis wat wen happen: Da Israel army guys fight all ova da country side an mo plenny guys mahke cuz da fores eat up mo plenny guys den David army guys wen kill.

⁹ Absalom spock some a David guys. He stay ride his mule fo run away. But wen da mule go unda da thick branches from one big oak tree, Absalom head come stuck inside da tree branches. He stay hang ova dea cuz his mule stay go an no stop.

¹⁰ One a David guys see dat, an he tell Joab, "Eh! I jus now see Absalom stay hanging from one oak tree."

¹¹ Befo da guy pau tell dat, Joab tell um, "Wot?! You wen see him lidat?! How come you neva wack um down an kill um right den an dea?! Cuz you neva do dat, I no goin give you ten piece silva, an one fancy kine sword belt!"

¹² But da guy tell, "Even if dey put tousan piece silva inside my hand, no way I goin hurt da king boy. Cuz all us guys wen hear wen da king tell you an Abishai an Ittai wat you gotta do. He wen tell you, 'Make shua my boy no mahke!'

¹³ But if I kill da king boy—an dass someting I not suppose to do—cuz I figga you no goin stay by me fo help me! But me, I goin mahke cuz no mo nobody can hide notting from da king."

¹⁴ Joab tell, "I no goin wase time lidis fo you." So he grab three short spear, an go poke Absalom inside da ches wen Absalom still yet stay alive an stay hang from da oak tree branches.

¹⁵ An ten a Joab army guys dat carry his body armor make one circle aroun Absalom, wack him some moa, an kill um.

¹⁶ Den Joab tell one guy fo blow da sheep horn trumpet, an da army guys come back from chase da Israel guys, cuz Joab tell um fo stop.

¹⁷ Dey take Absalom body, throw um inside one big hole undaneat da trees, an pile up plenny rocks on top him. Same time, all da Israel army guys run back home.

¹⁸ Befo time, wen Absalom still yet stay alive, he put up one big pos inside King Valley fo da peopo no foget him. Cuz he tink, "I no mo one boy dat can come king an make erybody no foget me." Az why he name da pos fo him, an da peopo call um da Absalom Monument till today.

David Stay Sore Inside

¹⁹ Den Zadok boy Ahimaaz tell, "Let me run to da king! I goin make da king feel good inside wen I tell um dat Da One In Charge wen show dat da king stay right, cuz he win ova a da guys dat wen go agains him."

²⁰ Joab tell him, "No! You not da right guy fo tell da king good stuff today. You can do um anodda time." He tell um dat cuz da king boy mahke.

²¹ Den Joab tell one guy from Sudan dat work fo David, "You go tell da king wat you wen see." Da Sudan guy go down in front Joab, den he run fo go by David.

²² Ahimaaz, Zadok boy, tell Joab one mo time, "Wateva happen, try let me run fo back up da Sudan guy."

But Joab tell, "Eh, boy, how come you like run?! Da kine stuff you gotta tell, nobody goin pay you fo dat."

²³ He tell, "Wateva happen, I like run!"

So Joab tell, "Gunfunnit! Den run!" So Ahimaaz cut short aroun thru da flat land nea da Jordan Riva, an come Mahanaim town befo da Sudan guy.

²⁴ David stay sit in da middo a da inside gate an da outside gate. Da watcha guy go on top da roof fo da gate, by da top a da wall. Wen he look, he see one guy dat stay run wit nobody.

²⁵ Da watcha guy yell to da king fo tell um.

Da king tell, "If he stay wit nobody, den he goin tell us good kine stuff." An da guy come mo an mo nea.

²⁶ Den da watcha guy see anodda guy stay running, so he yell down to da guy dat take kea da gate, "Look, anodda guy stay run wit nobody!"

Da king tell, "Den he goin tell good kine stuff too!"

²⁷ Da watcha guy tell, "Da way how da firs guy run, he run jalike Ahimaaz, Zadok boy!"

Da king tell, "He one good guy. He stay come fo tell good kine stuff."

²⁸ Den Ahimaaz yell to da king, "Eryting stay good!" He go down in front da king an put his face on top da groun.

²⁹ Da king aks, "Da young guy Absalom, he stay good, o wat?!"

Ahimaaz tell him, "I see erybody donno wat fo do, jus wen Joab stay ready fo sen me an da odda guy dat work fo you. But I donno wat was happening."

³⁰ Da king tell, "Stan by da side an wait ova hea." So Ahimaaz go one side an stan ova dea.

³¹ Right den, da Sudan guy come an tell, "My boss da king, lissen dis good kine stuff! Today, Da One In Charge wen let us win ova all da guys dat wen go agains you!"

³² Da king aks da Sudan guy, "Da young guy Absalom, he stay good, o wat?!"

Da Sudan guy tell, "My boss da king, I like all da guys dat stay agains you, an erybody dat do stuff fo hurt you, come jalike dat young guy!"

³³ Da king come all bum out, cuz den he know Absalom mahke. He go up inside da room ova da town gate an cry plenny. Wen he stay going, he tell, "Bummahs! My boy, Absalom! My boy, my boy, Absalom! Mo betta I wen mahke, an not you! Bummahs! My boy, my boy, Absalom!"

19

¹ Somebody tell Joab, "Da king stay cry an stay sad inside cuz a Absalom."

² An so all da army guys, no matta dey wen win, dat time dey start fo stay sad inside too cuz dey hear, "Da king hurt plenny inside cuz a his boy."

³ Dat day da army guys ony sneak inside Mahanaim town cuz dey no like nobody see um. Dey stay shame cuz dey run away from da war.

⁴ Da king put his hands fo cova his face an cry real loud, "Bummahs! My boy, Absalom! Bummahs! Absalom, my boy, my boy!"

⁵ Den Joab go by da king inside da house wea he stay, an tell, "Eh! Wassup?! Today, you wen make all yoa army guys come shame! Dey jus now make shua you stay alive! Dass why you, an yoa boys an girls, an yoa wifes an odda kine wifes, all stay alive too.

⁶ You get love fo da guys dat hate you, an hate da guys dat get love fo you! Today you wen show fo real kine dat fo you, yoa main leada guys an dea army guys dey notting to you! Jalike you no kea fo dem! Right now I stay shua da way you see um, mo betta if Absalom wen stay alive an all us odda guys stay mahke!

⁷ So now, go outside an give yoa guys good kine words! I swea to God, Da One In Charge, dat if you no go outside, not even one a yoa guys goin stay wit you tonite. An dat goin be mo worse fo you. Mo worse den all da bad kine stuff dat wen happen to you, from da time you stay young till now."

⁸ Da king stan up, an go sit by da town gate. Wen somebody tell da army guys, "Eh! Da king stay sit by da gate!" den all army guys go in front him. Same time, da Israel army guys dat wen fight fo Absalom, dey bag an run home.

David Go Back Inside Jerusalem

Same time, da Israel army guys dat wen fight fo Absalom, dey bag an dey run home.

⁹ All ova da Israel ohanas, all da peopo make argue wit each odda. Dey tell, "King David wen get us guys outa da powa a da peopo dat stay agains us. He da one wen get us guys outa da powa a da Filisha guys. But now, he gotta run away from oua country awready cuz a Absalom.

¹⁰ But Absalom, da one us guys wen pour olive oil on top um fo make him come da king, he mahke awready in da war. So now, how come all you guys no talk notting fo bring back David fo be oua king one mo time?"

¹¹ Den King David, he sen messenjas to da pries guys Zadok an Abiatar. He tell: "Aks da older leadas fo da Judah ohana, 'Eh, how come you guys da las ones fo bring me back, da king to his palace? You know, ova hea wea I stay, I hear wat all da Israel peopo stay tell each odda, you know.

¹² You guys, my braddahs, my blood an bones, aah?! So how come you guys da las ones fo bring back da king?"

¹³ An one mo ting: tell Amasa, 'You, my blood an bones. I like God punish me plenny, if from right now till you mahke, mo betta you be da main leada guy fo my army. Cuz Joab not da main leada no moa!' "

¹⁴ Wat David tell, change da mind a all da Judah peopo fo dem all tink da same way. Dey sen somebody fo tell da king, "Go come back, you an all yoa guys!"

¹⁵ Wen King David stay come back, an he reach da Jordan Riva, da Judah guys go Gilgal fo meet him an bring him to da Jerusalem side a da Jordan Riva.

¹⁶ ✧ Shimei, Gera boy from da Benjamin ohana, dat live Bahurim, he rush an go down to da riva wit da Judah guys fo meet King David.

¹⁷ Wen Shimei go, one tousan Benjamin guys go wit him. An Ziba, da boss guy fo Saul ohana, wit his fifteen boys an twenny worka guys go real fas da Jordan Riva, befo da king come dea.

¹⁸ Dey all cross ova da odda side a da riva wea da peopo go across, fo help da king ohana come back from ova dea an do wateva he like do.

David Give Shimei Chance

Wen Shimei, Gera boy, come back da Jerusalem side a da riva, he go down an put his face on top da groun in front da king.

¹⁹ He tell, "Eh, my boss da king! No tink you gotta punish me, aah?! You da Boss! Try foget how me, yoa worka guy, wen do da wrong kine ting, da time you, my boss da king, wen go outa Jerusalem. I like you, da king, no tink mo bout um, aah?"

²⁰ Cuz I yoa worka guy, an I awready know dat I wen do one bad kine ting. Still yet, today I da firs one hea from da Joseph kine ohanas dat live north side from da Judah ohana! I come hea fo meet you, my boss da king!"

²¹ But Zeruiah boy Abishai tell da king, "Now stay good fo kill Shimei fo all dis, aah? Cuz he wen like put kahuna on top you, da one Da One In Charge wen pick!"

²² But David tell Abishai, "Aah, you guys, Zeruiah my sistah boys! Erytime, you guys no tink same same wit me! Today you ack jalike da guys dat go agains me! You tink today one good time fo kill one Israel guy, o wat?! No way! You tink I donno dat today, I da one stay king ova all da Israel peopo fo real kine!"

²³ So da king make one strong promise to Shimei dat he no goin kill um.

David Help Mefiboshet

²⁴ ✧ Mefiboshet, Saul grankid, he go down by da Jordan Riva fo give his aloha to da king. From da time da king wen go way till wen he come back safe, Mefiboshet neva take kea his feets o fix his mustache o wash his clotheses, jus fo show he stay sad inside.

²⁵ Laytas, wen Mefiboshet come Jerusalem fo meet da king, da king aks um, "How come you neva go wit me, Mefiboshet?"

²⁶ Mefiboshet tell, "My boss da king, I yoa worka guy, but I no can walk good! I wen tell, 'I like get one saddle on my donkey, fo me ride on top um, an go wit da king!' But my worka guy Ziba wen screw me up.

²⁷ Ziba talk bad bout me yoa worka guy, in front you, my boss da king. But you, you know eryting, jalike one angel from God, so go do wateva you like.

²⁸ Fo shua, good fo all my granfaddah ohana all mahke cuz a wat oua ohana wen do. But you, my boss da king, you wen let me be yoa worka guy an sit wit da peopo dat erytime stay eat by yoa table. So I no mo da right fo aks you, da king, fo notting mo den dat."

²⁹ Da king tell him, “You no need tell moa. I tell you an Ziba fo half half da fields.”

³⁰ Mefiboshet tell da king, “Ziba can take eryting, cuz my boss da king come back okay.”

David Talk Good To Barzillai

³¹ ✧ Barzillai da Gilead guy come down too from Rogelim fo go da odda side a da Jordan Riva wit da king. Barzillai like give him aloha an den go home from dea.

³² Barzillai, he real ol, eighty year! Cuz Barzillai get plenny kine stuffs, he wen take kea da king, all da time da king stay Mahanaim town, an he wen give da king wateva he like.

³³ Da king tell Barzillai, “Cross ova da riva wit me an stay by me inside Jerusalem. I goin take kea you.”

³⁴ But Barzillai tell da king, “I donno how plenny mo year I goin stay alive fo go Jerusalem wit you, da king, aah?”

³⁵ I eighty year ol now, you know. I no can tell if someting stay good o bad. I no can taste wat I eat o drink. I no can hear da voices from da guys an wahines wen dey sing. How come I goin make mo work fo you, my boss da king, aah?

³⁶ I goin cross ova da Jordan Riva wit you fo litto bit. But how come you like pay me back, all dat you stay talking bout, jus fo me?

³⁷ Mo betta, let me go home, fo me mahke inside my town, nea wea my faddah an muddah stay bury. But you know wat? Take my boy Kimham fo come yoa worka guy. Let him go up da odda side wit you, my boss da king. You can do fo him wateva you tink az good.”

³⁸ Da king tell, “Shoots! Kimham goin go da odda side wit me, an I goin do fo him wateva you tink az good. An wateva you like from me, I goin do um fo you.”

³⁹ So dass how all da peopo go da Jerusalem side a da Jordan Riva. Da king go dea too. Da king kiss Barzillai, an tell God fo do good kine stuff fo him. Afta dat, Barzillai go back his place.

⁴⁰ Da king go da odda side an reach Gilgal town, an Kimham go wit him. All da army guys from Judah an half da army guys from Israel take da king da odda side.

⁴¹ Pretty soon all da Israel guys dat wen go Gilgal stay come by da king fo aks him, “You oua king too, aah?! How come oua braddahs, da guys from Judah, cockaroach you from us guys, an bring you an yoa ohana dis side a da Jordan Riva, wit all yoa guys?”

⁴² All dem guys from Judah tell guys from Israel, “I make lidat cuz da king come from oua ohana, az why. So how come you stay huhu bout dat? Us guys neva even eat da king food jalike you guys. Notting spesho come fo us guys lidat!”

⁴³ Den da Israel guys tell da Judah guys, “Us guys get ten ohanas in dis country, so we get ten times mo rights to da king den you guys get wit da one ohana. Az why David mo da king fo us den fo you guys. So, how come you make to us jalike us nobody? Fo shua, us guys was da firs one fo tell dat we gotta bring David back fo be oua king.”

So dey stay make mo argue lidat. But da Judah guys wen talk even mo tough den da Israel guys.

20

Sheba Try Go Agains David

¹ ✧ An right dea Gilgal side, had one good fo notting buggah. His name Sheba, Bikri boy, from da Benjamin ohana. He go blow da sheep horn trumpet fo call da peopo togedda, an he yell, "Eh, you Israel guys! Go home!

Oua land, not part a David land!

Us no goin get notting from David, Jesse boy!"

² So all da guys from da Israel ohanas north side, dey bag from David an go wit Sheba, Bikri boy. But da Judah guys stay tight wit dea king, all da way from da Jordan Riva to Jerusalem.

³ ✧ Wen David come back his palace inside Jerusalem, he take his ten odda kine wifes, da ones he wen leave fo take kea da palace, an he put dem inside anodda house wit guys fo guard dem. He take kea dem, but he no sleep wit dem no moa. Dey stay inside dea till dey mahke, jalike dey widows.

Joab Kill Amasa

⁴ Den da king tell Amasa, "Call da Judah army guys fo come togedda by me in da nex three days, an you come too."

⁵ But wen Amasa go fo call da Judah guys, he take mo time den da three days dat da king wen give um.

⁶ David tell Abishai, "Dis time Sheba, Bikri boy, goin hurt us guys mo den Absalom wen hurt us. Take my guys an go chase um down. If you no catch um, he goin find big towns dat get one strong wall, an get away from us."

⁷ So Joab guys, wit da Keret an Pelet guard guys, an all da bestes guys fo fight, go out unda Abishai. Dey march out from Jerusalem fo chase afta Sheba, Bikri boy.

⁸ Wen dey come by da big rock Gibeon side, same time Amasa come dea an meet dem. Joab, he dea too, wearing his army kine clotheses. He get one knife inside one holda bag on top his belt. Wen he walk up, da knife fall outa da holda bag.

⁹ Joab tell Amasa, "Howzit, brah?" Den Joab take Amasa by da beard wit his right hand, an make jalike he goin kiss him.

¹⁰ Amasa no watch out fo da knife inside Joab lef hand, an Joab stab him in da belly, an his guts come out on top da groun. Joab no stab him one mo time cuz Amasa almos mahke awready. Den Joab an his braddah Abishai go afta Sheba, Bikri boy.

¹¹ Den one a Joab guys stan by da side a Amasa, an tell, "Whoeva stay Joab an David side, let um go wit Joab!"

¹² Amasa lay dea in da middo a da road. He stay rolling aroun inside his blood. Da Joab guy see dat all da army guys make circle aroun Amasa wen dey come nea him. Wen da Joab guy see dat erybody dat come by Amasa stop fo look, he drag Amasa from da road to one field, an throw one cloth on top him.

¹³ An cuz he move da body off da road, den all da guys go real fas wit Joab fo run afta Sheba, Bikri boy.

David Guys Stop Sheba

¹⁴ Da buggah Sheba, he go thru all da Israel ohana lands to Abel town, dass Bet-Maakah, an thru all da Bikri ohana land.

24 Fo shua Da One In Charge stay alive, an he da One make me strong, an make me sit down on top da same throne jalike my faddah David. An I stay shua dat he wen make me one promise dat da Kings fo da Israel peopo goin come from my blood. An cuz I stay shua bout all dat, I know, Adonijah goin mahke today!"

³² Cuz Joab wen make peopo bleed an mahke, now Da One In Charge pay back Joab. Joab wen go attack an kill two guys, an my faddah neva know wat Joab do till afta. One guy Abner, Ner boy, da general fo da Israel army, an da odda, Amasa, Jeter boy, da general fo da Judah army. Dey mo betta guys den Joab, an dey stay do da right ting mo den Joab.

²¹ dis all da ones da Israel peopo suppose to wipe out wen da Israel peopo come dat land, but dey neva—Solomon make all dese peopo do slave kine work. Dey stay do da same ting long time.

²² But Solomon neva make da Israel guys come slaves. Dey was da army guys, an da govmen guys, an da alii guys, an da army guys dat help Solomon do his work, an da officer guys fo da war wagons an da horse rida guys.

²³ An had 550 Israel luna guys dat Solomon wen put in charge a da worka guys from da odda peopos dat stay do da work.

²⁹ Dat time, Jeroboam go outside Jerusalem to da country side. Ahijah, da guy dat talk fo God dat live Shiloh side, meet Jeroboam on top da road, jus dem two guys out da country side. Ahijah stay wear one new robe.

³⁰ Den Ahijah hold da new robe he stay wear, an broke um up fo make twelve piece.

³¹ Ahijah tell Jeroboam, "Take ten a da pieces fo you. Cuz dis wat Da One In Charge, da God fo da Israel peopo, tell. He tell, 'Lissen up! I goin take away da right from Solomon fo be da king! An I goin give you ten a da Israel ohanas. Az why I stay broke dis robe fo make small pieces.

³² Cuz I get respeck fo my worka guy David, an fo Jerusalem town, da place I wen pick from all da Israel ohana land, get one ohana goin stay wit da David ohana.

³³ Az cuz da Israel peopo wen leave me. Solomon go pray to Ashtoret da wahine god fo da Sidon peopo, an Kemosh da god fo da Moab peopo, an Molek da god fo da Ammon peopo. He no live da way I tell um fo live. He no do da tings dat I tell stay right. He no do wat I tell um he gotta do. He no lissen me, da real Judge. Solomon no make jalike David, his faddah, cuz David do all dat da right way.

³⁴ " 'But I no goin take away all da rights Solomon get fo be king. I wen make him one king awready, fo all da time he stay alive. I goin let um stay king, cuz a his faddah David. I wen pick David, da guy dat do eryting I tell um he gotta do. An he wen stick wit my rules.

³⁵ " 'But from Solomon boy, I goin take away da right fo him be king. I goin give you da right fo come king fo ten a da ohanas.

³⁶ I jus goin leave da Judah ohana an anodda ohana fo Solomon boy. Cuz I like fo my worka guy David erytime get one guy dat come from him, Jerusalem side, fo show my peopo wea fo go, jalike one olive oil lamp dat goin burn in front me foeva. Az cuz I wen pick Jerusalem town fo be da place wea erybody can find out wat kine god me.

³⁷ An fo you, I goin take you an make you da king fo be in charge eryting you eva like get. You goin be da king ova da Israel peopo.

³⁸ An if you lissen an do eryting I tell you you gotta do, an if you do um my way, an do wat I tell stay right, an if you stay do da tings I tell you fo do, an follow my rules, jalike my worka guy David wen do, den I goin stick tight wit you. I goin make da ohana dat goin come from you stay solid, jalike I build one strong house fo you. Goin be solid jalike da David ohana stay solid. An I goin give you da Israel land.

³⁹ I goin make da ohana dat come from David come shame cuz a wat Solomon stay do, but dey no goin come shame foeva.' "

⁴⁰ Solomon wen try fo kill Jeroboam. But Jeroboam run away Egypt side by Shishak da king fo da Egypt peopo. He live dea till Solomon mahke.

⁴¹ Get plenny odda tings Solomon wen do—da tings he make, da way he show peopo how he know wat fo do erytime. All dat, stay inside da govmen books bout Solomon time.

⁴² Solomon was da king Jerusalem side fo all da Israel peopo fo forty year.

⁴³ Den Solomon wen mahke an sleep by his ancesta guys. Dey bury him inside da big town his faddah David wen build. An Rehoboam come da nex king.

12

Da North Side Ohanas Dump Rehoboam

¹ Rehoboam go Shekem town, cuz az da place all da Israel peopo come togedda fo make um come king.

² Dat same time Jeroboam, Nebat boy, still stay Egypt side. He wen go dea cuz he was sked King Solomon goin kill um. But wen Jeroboam hear dat Rehoboam come king, he leave Egypt fo go home.

³ Da Israel peopo sen somebody fo tell Jeroboam fo go Shekem side, so he go ova dea. Den Jeroboam an all da odda Israel peopo dat wen come togedda, dey go talk to Rehoboam. Dey tell um,

⁴ "Yoa faddah, he wen make us guys jalike cows an he put yoke on top us fo make us bus ass. But now, if you make da work we gotta do fo you mo easy, den we goin work fo you."

⁵ Rehoboam tell um, "Give me three day. Den come back by me." So da peopo go way.

⁶ Den King Rehoboam go meet wit da older leada guys dat work wit his faddah Solomon befo he mahke. He aks um, "Kay den. Wat you guys tink? Wat I goin tell dis peopo?"

⁷ Dey tell um, "If you can be one worka guy dat help dis peopo today, an work fo dem, an be up an up wit dem, dey goin stay work fo you all da time."

⁸ But Rehoboam no lissen wat da older leada guys tell um fo do. He go talk to da young guys dat grow up wit him an dat stay by him.

⁹ Rehoboam aks um, "Wat you guys tink I gotta do? Wat us guys goin tell dis peopo? Cuz dey stay tell me, 'Try make da work we gotta do fo you mo easy! No give us da same heavy yoke yoa faddah wen put on top us!'"

¹⁰⁻¹¹ Da young guys dat grow up wit Rehoboam tell um, "Dose peopo dat tell you, 'Yoa faddah, he wen make us jalike cows an put heavy yoke on top us fo make us bus ass. But us like you fo make da work we gotta do fo you mo easy!'—go tell dem, 'Yeah, my faddah wen make you guys jalike cows

an put heavy yoke on top you fo make you bus ass. But you know wat?! I goin make da yoke mo heavy den dat! Jalike you goin tink my small finga, mo big den my faddah wais! My faddah wen whip you guys wit one regula kine whip, but I goin whip you guys wit scorpions!' Dass wat we gotta tell um."

¹² Day numba three, Jeroboam an all da odda peopo come back by King Rehoboam, jalike he wen tell um fo do.

¹³ Da king talk real harsh to da peopo. He no lissen wat da older leadas tell um az good fo do.

¹⁴ He talk to dem da way da young guys wen tell um fo talk. He tell, "My faddah wen put jalike one heavy yoke, da kine dey use fo da cow, on top you guys fo make you bus ass. Me, I goin make da yoke mo heavy den dat! My faddah wen whip you guys wit one regula kine whip, an I goin whip you guys wit scorpions!"

¹⁵ An dass how was. Da king no lissen da peopo. But was Da One In Charge wen make um happen lidat. Cuz az da ting Da One In Charge wen tell Ahijah da Shiloh guy fo tell Jeroboam, Nebat boy, long time befoa.

¹⁶ ✧Wen all da Israel peopo see dat King Rehoboam no stay lissen dem, dey talk back to him. Dey tell um,

"Eh! You king guys from da David ohana,

You worth notting to us!

Us no get notting from da Jesse ohana!

Us Israel guys, we goin get outa hea!

You David ohana guys

Take kea yoa peopo,

No bodda us!"

So da Israel guys go home.

¹⁷ Cuz a dis, Rehoboam ony stay da king fo da Israel peopo dat live inside da Judah towns.

¹⁸ Den King Rehoboam sen Adoniram to da country side fo talk to da peopo. Him da leada boss fo all da guys dat go bus ass fo Rehoboam an no mo pay. But all da Israel peopo throw rock an kill Adoniram. King Rehoboam, he strong enuff fo jump real quick inside his war wagon an run away from dea to Jerusalem.

¹⁹ Az why still yet today, all da Israel peopo stay fight da David ohana, an no let um come dea king.

²⁰ Wen all da odda Israel peopo find out dat Jeroboam come back from Egypt, dey sen somebody fo tell um, "Go come meet wit us!" Dey make him da king fo all da Israel peopo. Da Judah ohana was da ony ones dat stay tight wit da David kine king guys.

Shemaiah Talk Fo God To Rehoboam

²¹ Wen Rehoboam come back Jerusalem, he tell all da guys from da Judah an Benjamin ohanas fo come by him fo make one army. He get 180,000 guys from dem, ready fo make war wit da Israel ohanas, fo Rehoboam, Solomon boy, come king one mo time fo erybody.

²² But get one message from God fo Shemaiah, one guy dat know God fo real kine, fo tell dis:

²³ "Talk to Rehoboam, Solomon boy, da king fo da Judah peopo, an to all da Judah an Benjamin peopo, an all da oddas too.

²⁴ Tell um dis: 'Dis wat Da One In Charge tell. No go ova dea fight wit yoa braddah guys da Israel ohana peopo. Go home, all you guys! Cuz I da One dat stay make all dis happen right now!' " Da peopo lissen wat Da One In Charge tell um, an dey go back home, jalike Da One In Charge tell um fo do.

*Jeroboam Make Idol Kine Gods
Dat Look Jalike Bebe Cows*

²⁵ Den Jeroboam make strong da walls fo Shekem town, up country Efraim side. He go dea fo live. From dea, he go ova Peniel side an make strong da walls fo dat town too.

²⁶ Cuz Jeroboam figga, "If I no do notting, bumbye da David ohana peopo from da Judah ohana, an dea king, goin take ova one mo time.

²⁷ Ery year, dis peopo go Jerusalem town fo make one sacrifice inside da Temple Fo Da One In Charge. Bumbye, dey goin tink fo take da Judah king, Rehoboam, fo be dea boss one mo time. An if dey do dat, dey goin kill me an go back by him!"

²⁸ ✨So King Jeroboam aks his helpa guys wat fo do. Den he tell his worka guys, "Make two idol kine gods outa gold, da kine dat look jalike bebe cows."

Den he tell da peopo, "Eh, az too hard fo you guys go all da way Jerusalem side fo make sacrifice! Look now! Right hea, da gods fo you Israel peopo! Dis, da ones wen bring you guys hea from da Egypt land!"

²⁹ Jeroboam put up one a da idol kine gods Bethel side nea da borda wit Judah, an da odda one in da north, Dan ohana side.

³⁰ Cuz Jeroboam wen do dis, make plenny peopo do wat dey not suppose to do. Dey even wen go all da way Dan side fo pray to da idol kine god ova dea.

³¹ Jeroboam build small kine houses by da sacrifice places on top da hills fo pray. He take any kine peopo fo come prieses, even if dey not from da Levi ohana.

³² ✨Den Jeroboam tell da peopo dey gotta make one spesho religious kine ceremony ery year Octoba, same time jalike da spesho time wen da Judah peopo go live inside shacks. An Jeroboam make sacrifices on top da altar he wen build. He do dat Bethel side, fo make one sacrifice fo da idol kine gods he wen make, dat look jalike bebe cows. He get da peopo fo come prieses fo all da small kine sacrifice houses he wen build on top da hills fo pray to da odda gods too.

³³ Octoba was da time Jeroboam pick fo be da spesho religious kine ceremony. He neva get dat time from God. Dat time, Jeroboam go da altar he wen build Bethel side. Dass how he make his spesho religious kine ceremony ony fo wen da Israel peopo all come togedda, an him da one, not da pries guys, go da altar an make da sacrifice.

13

*One Guy Dat Talk Fo God
Tell Jeroboam Wat God Goin Do*

¹ Dat time, Da One In Charge wen tell one guy dat come from da Judah land an know God, fo go Bethel town. He come right den wen Jeroboam stay stan by da altar fo burn up one sacrifice.

² ✧ Da guy yell jalike he talking bad to da altar, cuz Da One In Charge wen tell um wat fo tell. He tell, "Eh you! Da altar! Dis wat Da One In Charge tell: 'Bumbye one bebe boy goin born from da David ohana. His name goin be Josiah. On top dis altar, Josiah goin make one sacrifice. Firs ting, he goin kill da pries guys fo da places on top da hills wea da peopo make sacrifice. He goin kill dose dat burn sacrifice on top dis altar too. Den he goin burn bones from mahke peopo dea, so dis altar no goin be good no moa!' "

³ Dat same day, da guy dat know God give da peopo one sign. He tell, "One awesome ting goin happen, one sign from Da One In Charge. Wen you see dis altar broke in two piece, an da ash from burn fat dat stay on top da altar spill out, you goin know az fo shua wat Da One In Charge tell."

⁴ King Jeroboam hear wat da guy dat know God tell. He hear um yelling bout da Bethel altar. From right dea by da altar Jeroboam put out his hand an poin at da guy, an tell, "Grab dat guy!" But da arm he put out fo tell dis, come stiff, so he no can pull um back!

⁵ Da altar wen broke in two piece an da ash from da sacrifice fat spill out, jalike da sign dat da guy dat know God wen give cuz Da One In Charge wen tell um.

⁶ King Jeroboam tell da guy dat know God, "Aks yoa God, Da One In Charge, fo make good to me! Pray fo me, so my arm come back okay!" So da guy dat know God aks God fo make good to da king. Da king arm come back okay one mo time, jalike how was befo time.

⁷ Den King Jeroboam tell da guy dat know God, "Go come my house, an go eat. I goin give you one present."

⁸ But da guy dat know God tell da king, "No matta you give me half da stuffs you get, I no goin go wit you. No way I goin eat bread o drink watta hea.

⁹ Cuz dis wat Da One In Charge wen tell me I gotta do: 'No eat bread, no drink watta, no go back da same road you wen come.' "

¹⁰ Den da guy go one diffren way den da way he come Bethel side.

Da Ol Guy Dat Talk Fo God

¹¹ Had one ol guy dat talk fo God. He live Bethel town. His boys come tell him da whole story. Dey tell dea faddah da tings da guy dat know God wen do dat day, an wat da guy wen tell King Jeroboam too.

¹² Da faddah aks his boys, "Wat road he go?" Da boys show da road dat da guy from Judah side dat know God wen go.

¹³ So he tell his boys, "Put saddle on top da donkey fo me." Dey do um, an da ol guy go on top da donkey

¹⁴ an follow da guy dat know God.

Da ol guy dat talk fo God find da guy, sitting unda one tree. He aks um, "Eh, you da guy dat know God, da one come from Judah?"

Da guy tell, "Az me!"

¹⁵ Da ol guy dat talk fo God tell um, "Go come my house an we go eat."

¹⁶ Da guy dat know God tell, "No, I no can go back dea wit you. I no can eat food o drink watta wit you in dis place.

¹⁷ Cuz Da One In Charge wen tell me: 'No eat food o drink watta Bethel side, an no come back da same way.' "

¹⁸ Da ol guy dat talk fo God tell um, "I one guy dat talk fo God too, jalike you. An one angel messenja guy wen tell me wat Da One In Charge tell.

He tell, 'Bring da guy back wit you yoa house fo eat an drink.' " (But da ol guy dat talk fo God, he bulai.)

¹⁹ So da guy dat know God go back wit da ol guy dat talk fo God, an he eat food an drink watta inside da ol guy house.

²⁰ Wen dey stay sit by da table, da ol guy dat talk fo God dat make da guy come back, get one message from Da One In Charge right den an dea.

²¹ He talk real loud to da guy from Judah dat know God, "Dis wat Da One In Charge tell: 'You, you wen go agains wat Da One In Charge tell you! You no do wat yoa God, Da One In Charge, tell you fo do!

²² You wen come back. You eat an drink inside da place wea God wen tell you fo no go eat an drink, an no come back hea. So, wen you mahke, yoa body no goin stay inside da place wea yoa ancesta guys stay bury!' "

One Lion Kill Da Judah Guy Dat Know God

²³ Afta da guy dat know God pau eat an drink, da ol guy dat talk fo God dat wen make um come back Bethel side, put saddle on top da Judah guy donkey fo him.

²⁴ Den da guy dat know God stay go. One lion see um on top da road an kill um. Da lion throw down da mahke guy body on top da road. Da donkey an da lion stan dea nea da body.

²⁵ Bumbye, some guys pass by dea. Dey see da body da lion wen throw down on top da road. Dey see da lion stay stan nea da body. Wen dey reach da town wea da ol guy dat talk fo God live, dey tell wat wen happen.

²⁶ Da guy dat talk fo God dat wen make da guy come back hear all dat. He tell, "Dass da guy dat know God! Da one no lissen wat Da One In Charge tell um fo do! Da One In Charge wen turn um ova to da lion, an da lion bus up da guy an kill um, jalike Da One In Charge wen tell um goin happen."

²⁷ Den da guy dat talk fo God tell his boys, "Put saddle on top da donkey fo me!" Dey do um.

²⁸ Da guy dat talk fo God go out, an he find da guy body on top da road, an da donkey an da lion stay stan nea da body. Da lion neva eat da body, an he neva bus up da donkey.

²⁹ Da ol guy dat talk fo God pick up da body a da guy dat know God an lay um on top da donkey. He bring um back Bethel town wea da ol guy dat talk fo God live, fo him cry plenny fo him, an bury um ova dea.

³⁰ Den he put da body inside da tomb he wen make fo wen he mahke, an he cry real hard fo him, "Bummahs, my braddah!"

³¹ Afta he bury da guy, he tell his boys, "Wen I mahke, you guys bury me inside da same tomb wea da guy dat know God stay bury. Lay my bones nex to his bones.

³² Cuz da ting Da One In Charge wen tell him fo tell, goin happen fo shua! He tell erybody real loud bout da altar dat stay Bethel town, an bout all da small temples on top da hills wea peopo make sacrifice to odda gods inside da Samaria towns."

Jeroboam Still No Lissen

³³ No matta all dis tings happen, Jeroboam still no ack diffren. He still do bad kine stuff. He still go make anybody from any kine place come pries guys fo da sacrifice places on top da hills. Anybody dat like come one pries, Jeroboam make um come pries fo da places on top da hills wea dey make sacrifice to odda gods.

³⁴ Cuz Jeroboam wen make lidis, him an his ohana get da blame fo do all kine bad stuff. Az why da Jeroboam ohana king guys wen come wipe out, an no mo his ohana inside dis world.

14

Ahijah Tell Jeroboam Wat God Tell

¹ Dat time, King Jeroboam boy Abijah come sick.

² Jeroboam tell his wife, "Us gotta do someting! Go put on diffren kine clotheses, fo nobody know you my wife. Den go Shiloh side. Get one guy dat talk fo God ova dea. His name Ahijah. Him da one wen tell me I goin come king fo dis peopo.

³ Take ten roun kine breads, some sweet kine cake, an one small bottle honey. Go by him an give him da present. He goin tell you wat goin happen wit da boy."

⁴ Az why dass wat Jeroboam wife do. She start fo go Shiloh side, to Ahijah house. Ahijah, he no can see notting cuz he real ol.

⁵ Befo she reach Shiloh, Da One In Charge tell Ahijah, "Jeroboam wife goin come hea fo tell you fo tell her one ting. She goin aks you bout her boy, cuz he stay sick. An you goin tell her some stuff. Wen she come, she goin get diffren kine clotheses on, fo nobody know az her."

⁶ Ahijah hear her stay coming by da door. He tell her, "Go come inside! You Jeroboam wife, aah? So, how come you put on diffren kine clotheses fo nobody know az you?! God wen tell me awready, fo tell you some stuff dat goin make you come bum out.

⁷ Wen you go home, tell Jeroboam, dis wat Da One In Charge, da God fo da Israel peopo, tell: 'Was me wen make you come mo importan den all da peopo aroun you, an I wen make you da leada fo my peopo, da Israel peopo.

⁸ David was da king, an da odda kings was goin come from his ohana. But I wen take away da right fo da David ohana guys come king, an give you da right fo be king. But you no ack jalike David, cuz he wen work fo me, an you, you no do notting fo me. Wen I tell David he gotta do someting, he do um. He wen stay tight wit me wit one good heart. He ony do da kine stuff dat I see stay right.

⁹ You wen do mo plenny bad kine stuff den all da peopo dat wen come befo time. You make idol kine gods dat not fo you, dat you melt metal fo make. You make me come mad an walk away from me.

¹⁰ ✧ "Cuz you do all dat, dis wat I goin do. I goin punish all da Jeroboam ohana. I goin wipe out ery man from da Jeroboam ohana inside da Israel land. No matta dey slaves o dey not slaves. I goin burn up all da Jeroboam ohana peopo, jalike peopo burn up all da rubbish, till no mo nobody.

¹¹ Anybody from da Jeroboam ohana dat mahke inside da towns, da dogs goin eat um. If get some mahke outside, da country side, da birds goin eat dem. Me, Da One In Charge, tell you dis!'

¹² "An fo you, Miz Jeroboam, go home now. Wen you go inside yoa town, yoa boy goin mahke.

¹³ All da Israel peopo goin cry plenny fo him an bury him. But him, he da ony one from da Jeroboam ohana dat goin get grave, cuz him da ony one from da Jeroboam ohana dat Da One In Charge, da God fo da Israel peopo, see dat he one good guy.

14 “Da One In Charge goin make anodda guy come king fo da Israel peopo, fo do wat Da One In Charge like. Dat guy goin wipe out all da Jeroboam ohana. An you know wen he goin do dat? Goin be today! An wat Da One In Charge goin do afta dat?

15 Da One In Charge goin smash all da Israel peopo so dey no goin stan up strait, jalike wen you smash one plant dat grow inside one riva. He goin pull out da Israel peopo from dis good land he wen give to dea ancesta guys, jalike wen you pull one plant outa da groun wit da roots. He goin throw dem all ova da place, da odda side a da Eufrates Riva. Az cuz dey wen put up poses fo pray to da wahine god Asherah, an dat make Da One In Charge come plenny huhu.

16 Da One In Charge goin give up on da Israel peopo, cuz a all da bad kine stuff Jeroboam wen do, an cuz Jeroboam wen make da Israel peopo do bad kine stuff too!”

17 So Jeroboam wife stan up an go home Tirzah side. Da same time she step inside her door, her boy mahke.

18 Da peopo bury da boy, an all da Israel peopo cry plenny fo him, jalike wat Da One In Charge wen tell his worka guy Ahijah dat talk fo him fo tell.

19 All da odda stuff Jeroboam wen do, how he make war an how he lead da peopo, all dat stay write down inside da Record Book Fo Da Israel Kings.

20 Jeroboam was king 22 year. Den he mahke an go sleep wit his ancesta guys. Jeroboam boy Nadab come king afta him.

Rehoboam Stay King Judah Side

21 Ova dea Judah side, Solomon boy Rehoboam stay king dat time. Wen he 41 year ol, he come king, an he stay king 17 year Jerusalem side. (Rehoboam muddah name Naamah, from da Ammon peopo.) Jerusalem, az da big town Da One In Charge wen pick from all da Israel ohanas fo build da Temple fo da peopo come dea fo find out wat kine god him.

22 But da Judah peopo, dey do stuff Da One In Charge tell az bad. Da bad kine stuff dey wen do, was mo bad den da stuff dea ancesta guys wen do. Cuz a dat, dey make Da One In Charge come real huhu an jealous, cuz dey suppose to live fo him an dey no make dat way.

23 ✧Dem guys make spesho kine places on top da high part a da hills fo make sacrifice, an dey stan up big stones fo make places fo pray, an put poses fo pray to da wahine god Asherah, on top da high part a ery hill an unda ery big tree dat get plenny leaf.

24 ✧Dey even get men kine prostitutes inside da land dat stay spesho fo da odda gods. Dey do all kine bad stuff wit da wahines, an da wahines even pay um fo sex. An all da pay dey get go to da places wea da peopo pray to da odda gods. Da peopo stay do all kine pilau kine stuff jalike how da odda peopos stay do, da same peopos Da One In Charge wen kick outa da land wen da Israel peopo come dea.

25 ✧Afta Rehoboam was king five year, Shishak da king fo da Egypt peopo come attack Jerusalem.

26 ✧He take all da stuff from inside da Temple Fo Da One In Charge an inside King Rehoboam palace. He take eryting, even da gold shields da Solomon guys wen make.

²⁷ So King Rehoboam tell his guys fo go make shields outa bronze metal, fo put um wea da gold shields stay befo time. He make da officer guys, da ones dat guard da door fo da king palace, take kea da bronze shields.

²⁸ Erytime da king go inside da Temple Fo Da One In Charge, da guard guys carry da shields. Afta he leave, dey take um back to da room wea dey stay.

³¹ Den Rehoboam mahke jalike his ancesta guys. Dey bury him wit dem inside David Town, az Jerusalem. (Rehoboam muddah name was Naamah, from da Ammon peopo.) Den Rehoboam boy Abijam come da nex king.

15

Abijam Come Da King Fo Judah

¹ Da numba 18 year dat Jeroboam, Nebat boy, was king Israel side, Abijam come da king Judah side.

² He stay da king inside Jerusalem town three year. His muddah name Maakah, Absalom girl.

³ King Abijam wen do any kine bad kine stuff, jalike his faddah Rehoboam wen do befo time. Az cuz inside, Abijam neva get um right wit his God, Da One In Charge. He no ack jalike his ancesta guy David, dat wen stay tight wit God.

⁴ ✧ But cuz God Da One In Charge get plenny respeck fo David, God give da David ohana somebody fo lead da Jerusalem peopo. He give King Abijam one boy fo lead um, jalike one oil lamp dat stay burn long time. Dat mean, Da One In Charge give da peopo one guy dat get David fo his ancesta, fo make da Jerusalem govmen stay strong.

¹² ✧ Had guys dat take da wahines fo make sex, an da wahines pay dem, an all da pay dey get, go to da places wea da peopo pray to da odda gods. Asa throw all dem guys outa da country. An he throw out all da idol kine gods dat his ancesta guys wen make.

¹³ He even kick out his granmuddah Maakah an no show her respeck fo be da ol queen, cuz she wen make one real pilau kine pos fo pray to da wahine god Asherah. Asa cut down da pos an burn um by da Kidron Stream.

¹⁴ But da places on top da mos high part a da hills wea da peopo make sacrifice fo da odda gods, dey still stay. But inside, Asa stay tight wit Da One In Charge all da time he stay alive.

Asa An Baasha Make War

¹⁶ All da time dey stay king, King Asa an King Baasha from Israel side make war wit each odda.

¹⁷ King Baasha wen go agains da Judah peopo. He wen build Ramah town real strong, fo make shua nobody from his peopo go by King Asa, Judah side, an nobody can come from King Asa land.

¹⁸ So King Asa take out all da silva an gold dat stay inside da storage rooms fo da Temple Fo Da One In Charge, an fo da king palace. He give um all to his helpa guys, an tell um fo take um Damascus side, to Ben-Hadad, Tavrimmon boy an Hezion grankid, dat was king fo da Aram peopo, wit dis message fo Ben-Hadad:

¹⁹ “Yoa faddah an my faddah wen make one deal fo help each odda.

So now, az good me an you make da same kine deal. Look—I stay sen you one present, silva an gold. I like fo you go broke da deal you get wit Baasha, da king fo da Israel peopo, so he no fight wit me.”

²⁰ Ben-Hadad, he lissen King Asa. He sen his bestes military guys fo go agains da Israel towns. He take ova Ijon, Dan, Abel Bet-Maakah, an da land aroun Lake Kinneret all da way to da Naftali land.

²¹ Wen Baasha hear wass happening, he no build Ramah side no moa, an he go stay inside Tirzah town.

Dat time, no mo food Samaria side, an hard fo da peopo dea.

³ Wen Elijah stay on da road fo go Samaria side, King Ahab tell his worka guy Obadiah fo come by him. (Obadiah stay in charge a Ahab palace, an he one guy dat get awesome respeck fo Da One In Charge.

⁴ Befo time, wen Jezebel stay kill da guys dat talk fo Da One In Charge, Obadiah wen take one hundred a dem an hide um, fifty inside one big cave, an fifty mo inside anodda cave, an he make shua dey get food an watta.)

⁵ Ahab tell Obadiah, "Go all ova da land. Check out all da pukas dat get watta come outa da groun, an all da valleys dat get stream wit watta. Maybe can find some grass fo da horse an mule fo dem stay alive an us no need kill any a da animals."

⁷ Wen Obadiah walk down da road, Elijah meet him. Obadiah see Elijah an know dass him. So Obadiah go down on top da groun fo show respeck, an he tell Elijah, "Eh, az you fo real, my boss, Elijah?!"

⁸ Elijah tell, "Yeah, dis me! Go tell yoa boss, 'Elijah stay come awready!' "

⁹ Obadiah tell, "Wat I wen do wrong, fo me gotta do dis?! Cuz if I do wat you tell me fo do, az jalike you set me up so my boss Ahab goin kill me fo shua!"

¹⁰ I shua dat yoa God, Da One In Charge, stay alive, an I shua bout dis too: my boss Ahab wen sen peopo to ery country an ery king fo look fo you! An wen dey tell, 'Elijah no stay hea,' den Ahab make da king promise fo tell da trut dat dey no can find you.

¹¹ An now, you tell me go tell my boss, 'Elijah stay hea awready!'

¹² But afta I leave you, I donno wea God Spirit goin pick you up an bring you. If I go tell Ahab dat you stay hea, an he no can find you hea, he goin kill me! No matta I yoa slave guy, an I get awesome respeck fo Da One In Charge from small kid time.

¹³ Maybe nobody tell you, boss, wat I wen do befo time, da time Jezebel stay kill da guys dat talk fo Da One In Charge. I wen take hundred a dem an hide um inside two big cave, an make shua dey get food an watta.

¹⁴ But now, you tell me fo go tell my boss, 'Elijah, he hea awready!' He goin kill me fo shua!"

¹⁵ Elijah tell, "Jalike I shua dat Da One In Charge, Da God Ova All Da Armies, stay alive, I shua I goin stan in front Ahab today, an I goin let him see me!"

¹⁶ Den Obadiah go fo meet Ahab. He tell Ahab wat wen happen. Den Ahab go fo meet Elijah.

¹⁷ Wen Ahab see Elijah, he tell um, "So! You da guy dat stay make trouble fo all da Israel peopo!"

¹⁸ Elijah tell, "No ways! I neva make trouble fo da Israel peopo. You an yoa faddah guy ohana wen make trouble, cuz you guys no do da tings Da One In Charge tell you fo do, an you pray to da Baal kine gods.

¹⁹ "So now, go sen peopo all ova da Israel land fo bring togedda all da peopo by me on top Mount Carmel. An bring da 450 guys dat talk fo da Baal god, an da 400 guys dat talk fo da Asherah god, dat Jezebel stay give food from her palace!"

²⁰ So King Ahab sen guys fo go by all da Israel peopo, an fo tell da guys dat talk fo dea gods come togedda Mount Carmel.

²¹ On top Mount Carmel, Elijah go in front all da peopo. He tell, "You guys gotta make up yoa mind right now, one way o da odda way! If Da

One In Charge stay God fo real kine, go wit him! But if Baal stay God fo real kine, go wit him!" Da peopo, dey no say notting.

²² Den Elijah tell da peopo, "Me, I da ony guy dat talk fo Da One In Charge dat neva mahke. But Baal, he get 450 guys dat talk fo him.

²³ Go get two bull, one fo me an one fo dem. Let um pick da one dey like. Den dey goin kill um an cut um up an put da pieces on top da wood, but no put fire. Me, I goin do same ting wit da odda bull, an put da pieces on top da wood, but I no goin put fire too.

²⁴ Den, you guys call yoa god name, an I goin use Da One In Charge name fo call him. Wateva god sen da fire fo show dat he stay lissen, dass da God dat stay fo real!"

All da peopo tell, "Az good, wat you tell."

²⁵ Elijah tell da guys dat talk fo Baal, "Get plenny a you guys, so go do um firs. Pick one a da bulls an make um ready. Den call yoa god name, but no light da fire."

²⁶ Da guys dat talk fo Baal take da bull Elijah wen give um an kill um fo make ready da sacrifice. Dey use Baal name fo call him. Dey do dat from morning time till noon time. Dey yell, "Eh, Baal, lissen us guys an do someting!" But dey no hear notting from Baal. Nobody tell dem notting. Den dey go dance all ova da altar dey wen build. ²⁷ Wen come noon time, Elijah start fo mout off at dem. He tell, "Yell mo loud! Cuz Baal one god. Maybe he tink real hard bout someting, o maybe he stay inside da lua, o he go holoholo. Maybe he stay sleep, an gotta wait till he wake up!"

²⁸ So den dey wen yell mo loud, an cut dea skin wit sword an spear, cuz dass wat dey do, till da blood come out.

²⁹ Aftanoon time, dey do same ting. Dey make jalike da guys dat talk fo Baal suppose to make, spazzing out till evening time, wen time fo make da regula kine sacrifice. But Baal no do notting, nobody tell dem notting, nobody lissen dem.

³⁰ Den Elijah tell all da peopo, "Go come ova hea by me!" Dey all come. He fix da altar fo make sacrifice fo Da One In Charge, dat stay broke.

³⁵ Da watta go all ova da altar an fill up da ditch too.

³⁶ Wen time fo make da sacrifice, Elijah da guy dat talk fo God go by da altar an pray lidis: "Da One In Charge, you da God fo Abraham an Isaac an Israel. Today, I like erybody know, dat you da God fo da Israel peopo, an you da boss fo me. An all dese tings I do, I do um cuz dass wat you tell me fo do.

³⁷ Da One In Charge, do someting fo show you lissen me, so den dis peopo goin know dat you Da One In Charge, you da God dass fo real, an dat you stay make dem trus you one mo time."

³⁸ Right den an dea, fire from Da One In Charge come down outa da sky. Da fire burn up da sacrifice, an da wood, an da stones an da dirt, an even da watta inside da ditch.

³⁹ Wen all da peopo see dis, dey go down an put dea face on top da groun, an dey yell, "Da One In Charge, he da God fo real kine! Da One In Charge, he da God fo real kine!"

⁴⁰ Den Elijah tell da peopo, "Grab da guys dat talk fo Baal! No let even one a dem run away!" Da peopo grab dem. Elijah tell da peopo go take um down by da Kishon Stream, an he kill um all dea.

¹⁹ Da young guys dat work unda da officer guys from da districks stay come outside da town, wit da army behind dem.

²⁰ All da Israel guys pick one Aram guy in front dem an kill um. Den da odda Aram guys run away, an da Israel guys chase um. Da Aram king, Ben-Hadad, he ride horse run away, an some a da horse rida guys do da same ting.

²¹ Da Israel king an his army guys keep going an wack up da Aram horses an war wagons, an kill plenny Aram guys.

²² Laytas, da guy dat talk fo God go by da Israel king an tell um dis: "You gotta make yoa army strong, an make plan watevas you goin do. Cuz nex year same time, da Aram king goin come back an attack you one mo time!"

Ben-Hadad Attack One Mo Time

²³ Da govmen guys dat work fo da Aram king tell um, "You know, da gods dat da Israel guys pray to, dey da hill kine gods. Az why dey mo strong den us. But nex time, we goin fight um wea da groun stay flat. Den fo shua we goin be mo strong den dem.

²⁴ Dis wat you gotta do: No let da odda king guys stay in charge a dea army guys! Mo betta put real kine officers ova dea army guys!

²⁵ Dis yoa job, you gotta put togedda anodda army jalike da one you wen lose. Go get da same numba horse an da same numba war wagon jalike befo time. Den we goin fight da Israel guys on da flat groun. Den fo shua, we goin be mo strong den dem!" Da king lissen dem an do how dey tell um fo do.

²⁶ So da nex year, same time, Ben-Hadad put togedda da Aram army. Dey go Afek town fo fight da Israel guys.

²⁷ Da Israel guys, dey come togedda too, an make ready enuff food fo da fight. Den dey go Afek side fo fight da Aram army guys. On one side, da Israel guys make camp two place, but dey no mo plenny guys. Dey look

²⁸ Da guy dat know God fo real kine come by da Israel king one mo time. He tell um, "Lissen up. Dis wat Da One In Charge tell: 'Da Aram peopo tink dat me, Da One In Charge, I ony one hill kine god, an dat I no stay da god fo da valleys too. Cuz dey tink lidat, I goin make you win ova all dat big army ova dea. Den all you guys goin know fo shua, dat me Da One In Charge!' "

²⁹ Da two armies stay camp in front each odda, seven day. Den, da day numba seven, dey start fo fight. Da Israel guys wen wipe out hundred tousan a da Aram infantry guys, ony one day.

³⁰ Da guys dat no get wipe out, run away Afek town. But ova dea, da town wall fall down on top 27,000 a dem. An Ben-Hadad, he run away to one place inside da town dat get one strong wall, an he hide inside one room inside one house.

³¹ Da guys dat work fo da Aram king tell um, "You know wat? Us guys hear, can trus da Israel kings fo do good kine stuff fo peopo. Az why, good us guys put burmbag kine clotheses aroun da wais, an ropes aroun oua head. Den we go da Israel king. Maybe he let you live."

³² Den Ben-Hadad guys put burmbag kine cloth aroun dea wais an ropes on top dea head. Dey go by da Israel king an tell, "Ben-Hadad tell, now you da boss. He tell, 'Let me live!' "

Den da Israel king tell, "So! He neva mahke! He my braddah!"

³³ Ben-Hadad guys tink, az good how da king talk. So dey make jalike him, an dey tell, "Fo shua, he yoa braddah, Ben-Hadad!"

Da Israel king tell, "Go bring um hea." Wen Ben-Hadad come outside, Ahab tell Ben-Hadad fo come up inside his war wagon.

³⁴ Ben-Hadad tell Ahab, "Da towns my faddah guy wen take away from yoa faddah, I give um back to you. You can put yoa open market places inside Damascus town, jalike my faddah wen put inside Samaria town."

An Ahab tell, "If you make one deal wit me fo do dat, I let you go." Az why Ahab make da deal wit Ben-Hadad, den he let um go.

One Talka Fo God Poin Finga Ahab

³⁵ One a da guys dat hang out wit da guys dat talk fo God tell anodda talka, "God wen give me one spesho message fo you. You gotta wack me."

Da odda guy tell um, "No way! I no goin wack you!"

³⁶ ✧ Da guy dat talk fo God tell, "Cuz you no wack me like how Da One In Charge tell, wen you go way from hea, one lion goin kill you." An afta da guy go way litto bit, one lion find da guy an kill um.

³⁷ Den da guy dat talk fo God find anodda guy an tell um, "Wack me." Da guy wack um an da blood come out.

³⁸ Den da guy dat talk fo God go stan by da road wait fo da king. He put one bandage ova his eye, fo nobody know who him.

³⁹ Wen da king come by dea, da guy dat talk fo God yell to him. He tell, "Eh boss! I wen go inside da middo wea dey stay fight. One guy come by me wit one Aram prisona. He tell, 'Watch dis guy real good! If he run away, you goin pay wit yoa life, o you pay fine 75 poun silva!'

⁴⁰ But layta, wen I stay do some odda stuff, da Aram guy wen bag!"

Da Israel king tell um, "You, da one dat tell how I gotta punish you!"

⁴¹ Right den an dea, da guy dat talk fo God hemo da bandage from his eye. Da Israel king know who him den. He one a da guys dat talk fo God.

⁴² He tell King Ahab, "Lissen up. Dis wat Da One In Charge tell: 'You let one prisona guy go, no matta me Da One In Charge tell you gotta wipe him out! So den, you goin pay wit yoa life cuz you wen let da Aram king go! An you goin lose yoa peopo, cuz you let him go back by his peopo!' "

Nabot An Da Grape Farm

¹ Laytas, one mo ting happen wit Ahab, da king fo da Samaria peopo. Had one guy Nabot from Jezreel. He get one grape farm dea. Da grape farm stay nea one palace da king get ova dea.

² One time Ahab tell Nabot, "Eh, give me yoa grape farm fo me make one vegable garden ova dea, cuz stay nea my palace. I can give you one mo betta grape farm. O if you like, I can pay you plenny fo da land."

³ Nabot tell Ahab, "Da One In Charge no goin let me sell um to you! Cuz dat land stay wit my ohana from my ancesta time till now!"

⁴ Den Ahab go home. He look real mad, cuz Nabot da Jezreel guy tell um, "I not goin sell um to you! Dat land, stay wit my ohana from my ancesta time till now." So Ahab go lay down on top his punee. His face look at da wall, an he no eat notting cuz he all piss off.

⁵ Ahab wife Jezebel come inside by him. She aks, "Wassamatta you, aah?! You get mad face, an you no eat notting!"

⁶ He tell her wat happen: "I wen tell Nabot da Jezreel guy, 'Sell me yoa grape farm, o if you like, I give you anodda one.' But he tell me, 'No! I no goin sell you my grape farm!' "

⁷ Jezebel his wife tell um, "Ho! How come you no ack jalike da king fo da Israel peopo?! Stan up an eat! No worry, brah, I take kea dat fo you. I goin get da grape farm from Nabot da Jezreel guy!"

⁸ So Jezebel write some lettas, an she use Ahab name. Den she use Ahab seal fo ery letta so erybody know dey come from da king. She sen um to da older leada guys an da town council guys dat live in Nabot town wit him.

⁹ Dis wat she write:

"Tell yoa peopo, make one spesho day fo no eat so can pray. Den wen da peopo come togedda, give Nabot da bestes place in front all da peopo.

¹⁰ Den put two no good guys right in front Nabot. Tell dem fo poin finga him lidis: 'Eh! Us guys wen hear you tell, dat you like bad tings happen to God, an to da king!' Den take Nabot outside, an erybody throw stone fo kill him."

¹¹ So da older leada guys an da town council guys dat live Nabot town, dey do jalike wat Jezebel tell um fo do inside da lettas she wen write to dem.

¹² Dey make one spesho day fo no eat so can pray, an dey give Nabot da bestes place in front all da peopo.

¹³ Den da two no good guys come dea. Dey sit down right in front Nabot. Dey poin finga Nabot in front all da peopo. Dey tell, "Dis Nabot, he tell he like bad tings happen to God, an to da king!" Den dey all take Nabot outside da town. Dey all throw stone at him, an he mahke.

¹⁴ Den da leada guys sen somebody by Jezebel fo tell, “Da peopo throw stone at Nabot, an he mahke awready.”

¹⁵ Wen Jezebel hear dat dey wen all throw stone an kill Nabot, she tell Ahab, “Get up. Go take ova da grape farm, da one Nabot da Jezreel guy no like sell um to you. Cuz Nabot, he no stay no moa. He mahke awready.”

¹⁶ Wen Ahab find out dat Nabot mahke, he go down take ova Nabot grape farm.

¹⁷ Den Da One In Charge give dis message fo Elijah da Tishbe guy:

¹⁸ “Go down fo meet Ahab, da king fo da Israel peopo. He live Samaria side, but right now, he stay inside da grape farm dat Nabot wen own Jezreel side. Ahab wen go down dea fo take ova da grape farm.

¹⁹ Tell dis to Ahab: ‘Dis, wat Da One In Charge tell: Fo shua, you wen kill one guy, an den you take ova his farm!’

“Den tell um dis too: ‘Dis, wat Da One In Charge tell: Da same place wea da dogs wen suck up Nabot blood, dey goin suck up yoa blood too!’ ”

²⁰ Elijah go dea, an Ahab tell, “You da guy dat stay agains me, an now, you find me!”

Elijah tell, “Fo shua I find you, cuz you wen go sell out fo do real bad kine stuff dat Da One In Charge tell, no go do!

²¹ An now, Da One In Charge tell, ‘Dis me, da one dat goin punish you! I goin cut off all da peopo dat goin come from you. I goin wipe out all dem from da Israel peopo dat get yoa blood, no matta dey one slave o not one slave.

²² You know wat I wen do to da ohana dat come from Jeroboam Nebat boy. Kay den, I goin make da same ting happen fo yoa ohana! An dass da same ting I wen do to da ohana dat come from Baasha Ahijah boy too. Az cuz you wen piss me off, an you wen make da Israel peopo do real bad kine stuff.’

²³ ☆“An az fo Jezebel, Da One In Charge tell dis: ‘Da dogs goin eat up Jezebel by da Jezreel town wall.’

²⁴ Da dogs goin eat da Ahab peopo dat mahke inside da town. Da ones dat mahke da country side, da scavenja birds goin eat um.”

²⁵ (Neva have anodda guy like Ahab. He go sell out fo do real bad kine stuff dat Da One In Charge tell fo no do. His wife Jezebel, she push him fo make lidat.

²⁶ Ahab wen go do real pilau kine stuff, cuz he go all out fo da idol kine gods, jalike da Amor peopo wen do. Az why Da One In Charge wen throw dem outa da land wen da Israel peopo come dea.)

²⁷ But wen Ahab hear dis message from God, he go rip his clotheses an put on burmbag cloth nex to his skin fo show erybody he stay feel sore inside, an he no eat so he can pray. He even wear burmbag kine cloth wen he lay down sleep. Den he make real quiet wen he go aroun.

²⁸ Den dis message come from Da One In Charge fo Elijah da Tishbe guy:

²⁹ “You see how Ahab wen make fo come notting in front me? Cuz he do dat, I no goin make all da real bad kine stuff happen till afta Ahab mahke. But eryting I tell goin happen to da Ahab ohana afta his boy come da king.”

22

Jehoshafat An Ahab

¹ Had three year, da Aram peopo an da Israel peopo neva make war.

² Den, afta three year no mo war, King Jehoshafat from Judah side go fo see King Ahab, Israel side.

³ Wen Jehoshafat stay Israel side, Ahab an his helpa guys talk. He tell, "You guys know, da town Ramot Gilead, dass oua land. But da king fo da Aram peopo, he wen take um away from us befo time. An us guys no do notting fo get um back from him!"

⁴ Den he aks Jehoshafat, "You go wit me fo make war Ramot Gilead side?" Jehoshafat tell da Israel king, "Shoots, I go! Me an you, stay real tight. My peopo an my horses, dey stay yoas."

⁵ But Jehoshafat tell Ahab dis: "Firs ting, us guys gotta aks Da One In Charge if az good fo go make war, o not?"

⁶ Az why King Ahab tell all da guys dat talk fo his god Baal fo come togedda. Get bout 400 dem. He aks dem, "I can go make war agains Ramot Gilead town, o not?"

Dey tell um, "Go make war, King Ahab. Oua main god we pray to, goin give you da town."

⁷ But Jehoshafat tell, "Ova hea, no mo one talka fo Da One In Charge, fo us find out wat Da One In Charge tink, o wat?"

⁸ King Ahab tell, "Still get one guy I can aks um wat Da One In Charge tink. But I hate da buggah! Weneva he talk fo Da One In Charge, he no tell me notting good! He erytime tell bad tings goin happen to me! His name, Mikaiiah, Imlah boy."

King Jehoshafat tell, "Eh, brah, no good you talk lidat!"

⁹ So da Israel king, Ahab, tell one a his palace guys fo come. Ahab tell um, "Quick! Go tell Mikaiiah, Imlah boy, fo come right now."

Mikaiiah Tell Dat Ahab Goin Mahke

¹⁰ Da two king guys, Ahab da king fo da Israel peopo an Jehoshafat da king fo da Judah peopo, wear dea king kine robes. Dey sit on top two throne, wea you go inside da Samaria town gate. Get one wide open place dea wea da peopo come fo take da junks outa da wheat, afta dey cut da wheat down. Dis time, inside dis wide place, all da guys dat talk fo dea gods stay in front da two kings, an tell wat dea gods tell.

¹¹ Had one a da guys dat talk fo dea gods name Zedekiah, Kenaanah boy, wen make tings dat look jalike bull horns outa iron. He tell, "Dis wat Da One In Charge tell. You goin push wit dese horns fo bus up da Aram army guys, till you wipe um out!"

¹² All da odda guys dat talk fo dea gods, dey stay tell da same ting too. Dey tell, "Go attack Ramot Gilead an win da war! Cuz Da One In Charge goin give da town to oua king!"

¹³ Da messenja guy dat go fo tell Mikaiiah fo come by da king, he tell Mikaiiah, "You see how all da guys dat talk fo da odda gods tell da same ting, dat da king goin win da war?! So, good you tell da same ting jalike dem!"

¹⁴ But Mikaiiah tell, "Jalike fo shua Da One In Charge stay alive, I stay shua too bout da ony ting I goin tell him! Az wat Da One In Charge goin tell me!"

¹⁵ Den Mikaiiah come by King Ahab. Da king aks him, "Mikaiiah! We goin go attack Ramot Gilead town? O we no do notting?"

Mikaiiah tell him, "Go attack um an win da war! Cuz Da One In Charge goin give da town to oua king!"

¹⁶ Da king tell um, “How many times I gotta make you promise fo tell me ony da trut, wen you talk fo Da One In Charge?!”

¹⁷ ✧Den Mikaiiah tell,
 “I see, jalike was one dream,
 All da Israel guys running all ova da hills,
 Jalike sheeps dat no mo sheep guy fo take kea dem.
 Da One In Charge tell me,
 ‘All dis guys, no mo boss fo dem.
 Let um all go home,
 An let eryting come good fo dem.’ ”

¹⁸ Da Israel king tell King Jehoshafat, “Jalike I wen tell you bout dis Mikaiiah guy. Weneva he talk fo Da One In Charge, he no tell me someting good goin happen to me. Ony bad kine stuff!”

¹⁹ ✧Den Mikaiiah tell some moa: “Az why you betta lissen dis ting wat Da One In Charge tell!

“I wen see Da One In Charge.
 He stay sit on top his throne.
 All da armies inside da sky,
 Dey stan aroun him, on da right side an on da lef side.

²⁰ “Da One In Charge aks um, ‘Who goin bulai King Ahab, so he go attack Ramot Gilead town, an mahke dea?’ Some a dem tell one ting, an some tell odda tings.

²¹ “Den one spirit come an stan in front Da One In Charge, an tell, ‘Me, I goin bulai him.’

“Da One In Charge aks him, ‘How you goin do dat?’

²² “Da spirit tell, ‘I goin go ova dea an be one spirit dat make all da guys dat talk fo his gods bulai him wen dey talk.’

“Da One In Charge tell, ‘Good idea! You goin bulai all dem! Go, do jalike you tell!’

²³ “An dass wat you see stay happen right now. Da One In Charge wen sen one spirit fo make all dese guys dat talk fo yoa gods, bulai wen dey open dea mout. Az cuz Da One In Charge tell, someting real bad goin happen to you!”

²⁴ Den Zedekiah, Kanaanah boy, go ova dea an slap Mikaiiah head. He tell, “So! How da spirit from Da One In Charge goin leave me, fo go ova dea talk to you, aah?!”

²⁵ Mikaiiah tell Zedekiah, “Fo you, you goin know I tell da trut fo real kine, wen you go run inside one room inside one house fo hide!”

²⁶ Den da king fo da Israel peopo tell his guys, “Take Mikaiiah back by Amon, da Samaria mayor guy, an by my boy Joash.

²⁷ Tell um, ‘Dis wat da king tell: Put dis guy in jail. Give um ony litto bit jail kine bread an watta, till I come back da winna.’ ”

²⁸ But Mikaiiah tell da king, “Fo shua, if bumbye you come back an you okay, dat mean, Da One In Charge neva give me notting fo tell!” An Mikaiiah tell da peopo, “Eh, all you peopo! No foget wat you wen hear!”

King Ahab Mahke

²⁹ So, Ahab da king fo da Israel peopo an Jehoshafat da king fo da Judah peopo go togedda fo attack Ramot Gilead.

³⁰ Ahab tell Jehoshafat, “Befo I go fight, I goin dress so nobody know who me. But you, wear yoa regula kine king robe.” So da Israel king dress so nobody know who him, an go fight.

³¹ Befo dey start fight, da king fo da Aram peopo tell da 32 officer guys dat in charge a his war wagons, wat dey gotta do. He tell um, “No need fight da regula army guys o da officer guys. Jus make shua you kill da one guy, Ahab da Israel king!”

³² So wen da officer guys in charge a da war wagons see Jehoshafat get da king kine robe, dey tink, “Az him! Da Israel king!” So dey turn da war wagons fo go attack him. But den Jehoshafat yell who him,

³³ an da officer guys in charge a da war wagons see he not da Israel king, so dey turn away an no chase him no moa.

An maybe da guys we sen get wipe out, jalike all da odda Israel army guys dat still stay hea, goin get wipe out. So we go sen dem fo find out wat wen happen."

¹⁴ So dey pick two war wagon wit horse, an da king sen dem afta da Aram army guys. He tell da guys dat stay in charge a da war wagons, "Go find out wat wen happen!"

¹⁵ Dey go afta da Aram army guys all da way by da Jordan Riva. Dey see dat all ova da road, get da Aram guys clotheses an stuffs all ova da place dat da Aram guys wen throw way wen dey come sked an run away! So da messenja guys come back an tell da king.

¹⁶ Den da Samaria peopo go out an rip off da stuffs from da Aram army camp. So seven quart a da bestes kine flour cost ony half ounce silva, an fourteen quart barley cost ony half ounce silva too, jalike Da One In Charge wen tell.

¹⁷ Da king wen put da officer dat come wit him in charge a da town gate, but da peopo no give a rip. Dey run outa da town an knock down da officer, walk ova him, an he mahke, jalike Elisha, da guy dat stay tight wit God, wen tell wen da king go by Elisha.

He know az one bulai, cuz he find out Hoshea wen sen messenja guys fo make one deal wit King So, Egypt side. Ery year befo dat, Hoshea wen pay da Assyria king. But dis year, he no pay um no moa. Cuz a dat, Shalmaneser grab Hoshea an put him in prison.

⁵ Den da Assyria king go attack da whole Israel land. He put his army guys all aroun Samaria town, an no let nobody go inside o come outside fo three year.

⁶ Wen Hoshea stay king fo nine year, da Assyria king take ova Samaria town, an make da Israel peopo go Assyria side fo live. He make some a dem live Halah side, some a dem by da Habor Riva dat go by Gozan, an da res inside da towns wea da Mede peopo live.

*Da Israel Peopo Come Prisonas
Cuz Dey Wen Do Bad Kine Stuff*

⁷ All dat wen happen cuz da Israel peopo show mo respeck fo da odda gods, but not fo Da One In Charge. Dey wen do bad kine stuff agains dea God, Da One In Charge, no matta he da One wen bring dem outa Egypt befo time, fo da Egypt king, da Pharaoh guy, no mo powa ova dem no moa.

⁸ Da One In Charge wen throw out da diffren peopos from da land befo time, fo da Israel peopo come take ova um. But still yet, dey come jalike dose odda peopos an ack jalike dem. Dey even do da kine tings dat da Israel kings do too.

⁹ Da Israel peopo wen do shame kine stuff an try fo hide um, cuz az not okay wit dea God, Da One In Charge. From da small towns dat ony get one watch towa, to da big towns dat get strong wall aroun dem, da peopo build places on top da hills fo make sacrifice fo da odda gods, nea all dea towns.

¹⁰ ✨Dey put up big kine stone fo dem pray to um. Dey put poses fo da wahine god Asherah on top ery high hill an unda ery big tree dat get plenny leaf.

¹¹ Dey burn incense on top ery sacrifice place dey make on top da hills, jalike da peopos dat Da One In Charge wen kick out wen da Israel peopo come dea. Dey do real bad kine stuff fo make Da One In Charge come huhu.

¹² Dey pray to da idol kine gods, no matta Da One In Charge wen tell dem, "You guys betta not make lidat."

¹³ Da One In Charge wen tell all da guys dat talk fo him, an all da guys dat get dream an know wat goin happen, "Tell da Israel an Judah peopo, 'No go do da bad kine stuff you stay do no moa! Do wat I wen tell you guys fo do, da tings you suppose to do, jalike all my Rules tell. Dis da Rules I wen give yoa ancesta guys, an dis wat I wen sen my guys dat talk fo me fo tell you guys.' "

¹⁴ But da peopo, dey make deaf ear an no like lissen. Dey hard head jalike dea ancesta guys, dat no trus dea God, Da One In Charge.

¹⁵ Dey no do wat God tell um dey suppose to do, an dey no keep da deal dat he wen make wit dea ancesta guys. Wen God tell um bad kine stuff goin happen, dey no lissen. Dey stay tight wit da idol kine gods dat ony

wase time, an dey come wase time jalike dea gods too. Dey copy da odda nations aroun dem, no matta Da One In Charge tell um fo no make lidat!

¹⁶ ✧ Da peopo no lissen all da tings dea God, Da One In Charge, wen tell um fo do. Dey even make two idol kine gods from metal fo dem pray to, dat look jalike bebe cows. Dey set up poses fo da wahine god Asherah. Dey go down in front da sun an moon an all da stars inside da sky jalike dey gods, an dey let da Baal god be dea boss.

¹⁷ ✧ Dey throw dea boys an girls inside da fire fo make one sacrifice. Dey look fo one sign bout wat goin happen bumbye, an try fo find out from dea gods wat goin happen. Dey real hard head an do real bad kine stuff, da way Da One In Charge see um, fo make Da One In Charge come real huhu.

¹⁸ So Da One In Charge come real huhu wit da Israel peopo, an cut dem off from him. Ony da Judah ohana he wen keep!

¹⁹ But even da Judah ohana neva do da tings dea God, Da One In Charge, tell um fo do. Dey do da same bad kine stuff dat da Israel peopo wen show dem.

²⁰ Az why Da One In Charge come plenny huhu an cut off da Israel peopo from him. He let da steala guys rip off dea stuffs, all da time till he kick dem outa da land wea he stay.

²¹ Befo time, da Israel peopo north side get dea king guys from da David ohana. But Da One In Charge wen cut off da Israel peopo from da David ohana. So den dey make Jeroboam, Nebat boy, dea king. An Jeroboam wen make da Israel peopo no stay tight wit Da One In Charge, an make dem do plenny real bad kine stuff.

²² Da Israel peopo still stay do all da same bad kine stuff dat Jeroboam do. Dey no change how dey ack,

²³ till Da One In Charge kick out da Israel peopo from wea he stay. Befo time, he tell all da talka guys dat work fo him, fo tell um dat goin happen. Dass how come da Israel peopo gotta go way from dea land an come prisonas inside da Assyria land. Dey stay ova dea still yet.

Da Assyria Guys Bring In New Peopo Samaria Side

²⁴ Da Assyria king wen bring in new peopo from Babylon, Kutah, Avva, Hamat, an Sefarvaim. He make all dem live inside da towns Samaria side wea da Israel peopo wen live befo time. Dey take ova Samaria town an make house dea, an dey live inside da odda Israel towns too.

²⁵ Da time dose odda peopos start fo live dea, dem too neva show respeck fo Da One In Charge. So Da One In Charge put lions in dea wea dey stay, an da lions wen kill some a da peopo.

²⁶ Den dey tell da Assyria king dis: "You know da peopos from all ova da place you wen bring in fo dem live inside da Samaria towns? Dey donno wat kine rules da god fo dat land ova dea tell dey gotta make shua dey do. So he stay sen lions ova dea wea dey stay. An now, da lions stay kill da peopo, cuz no mo nobody dea dat know wat da god fo dat land tell dey gotta do."

²⁷ Den da Assyria king tell his govmen guys fo do dis: "Go get one a da pries guys dat you wen take away from Samaria. Make him an his wife an kids go back an live ova dea. He goin show da peopo dea how fo do wat da god fo dat land tell dey gotta do."

²⁸ So one a da pries guys dat da Assyria guys wen take away from Samaria town wen go back an make house Bethel town. He da one stay show da peopo ova dea how fo show respeck fo Da One In Charge.

²⁹ But same time, all da diffren peopos dat da Assyria guys bring Israel side, dey still make dea idol kine gods inside all da towns wea dey live. Dey put dea gods on top da sacrifice places dat da Samaria peopo wen make befo time on top all da hills.

³⁰ Da guys from Babylon side make Sukkot-Benot kine idol, da guys from Kutah make Nergal kine idol, an da guys from Hamat make Ashima kine idol.

³¹ Da Avva peopo make Nivkaz an Tartak kine idol, an da Sefarvaim peopo kill dea kids an burn up da bodies in da fire fo make sacrifice fo Adrammelek an Anammelek, da Sefarvaim gods.

³² Da new peopo from odda places, same ting, dey show respeck fo Da One In Charge. But dey pick peopo from all ova dea land too, fo make dem da pries guys fo da sacrifice places on top da hills.

³³ Da One In Charge, az ony one a da gods dey get respeck fo, but dey get respeck fo dea gods too. Dass wat all dose peopo wen do inside da land dey come from, befo da Assyria king make um move house to da Israel country.

³⁴ ✧Till today, dose odda peopos still do da same ting dey wen do befo time. Dey no show respeck fo Da One In Charge fo real kine. Dey no stay do wat God tell dey gotta do. Dey no do wat God Da Judge tell az right. Dey no stay stick wit da rules dat Da One In Charge wen give da Jacob ohana, an give um da name Israel.

³⁵ ✧Wen Da One In Charge make da deal wit da Israel peopo long time befo time, he tell dem dis: "No go show respeck fo odda kine gods! No go down in front dem! No let dem be yoa boss! No make sacrifice fo dem!"

³⁶ ✧Me, Da One In Charge, I da one wen bring you guys ova hea, outa da Egypt land, cuz I get plenny powa, an I wen use um dat time. Me, da one you gotta show respeck fo. You gotta go down in front me, an make sacrifice fo me.

³⁷ You guys gotta do wat I tell you gotta do. You gotta do wat I tell az right, cuz I da Judge. You gotta stick wit da rules an do wat I tell you dat you gotta do, an make shua you do eryting dat I wen write down fo you guys, an do um foeva. No go show respeck fo da odda kine gods!

³⁸ No foget da deal I wen make wit you, an no go show respeck fo da odda kine gods!

³⁹ But fo me, yoa God, Da One In Charge, you gotta show plenny respeck! Cuz I da One goin get you guys outa trouble from all da peopo dat go agains you guys."

⁴⁰ But da peopo still no like lissen. Dey still stay do all da kine ting dey wen do da place dey wen live befo time.

⁴¹ No matta dese peopo from odda country stay show respeck fo Da One In Charge, but da same time dey make da idol kine gods dea boss. Jalike today, dea kids an grankids still stay do jalike dea ancesta guys wen do.

⁴ ✧ Hezekiah da one dat wen take away da sacrifice places on top da hills, smash da big kapu stones fo da odda gods, an cut down da poses fo da wahine god Asherah. He broke in small kine pieces da bronze snake dat Moses wen make, cuz till dat time da Israel peopo wen burn incense fo da bronze snake jalike az was one idol kine god. (Dey call um Nehushtan, Da Snake God.)

⁵ Da One In Charge, da God fo da Israel peopo, he da One Hezekiah wen trus. From all da odda Judah kings befo him o afta him, no mo nobody jalike him.

⁶ He stay tight wit Da One In Charge, an no go follow odda kine stuff. He do eryting jalike Da One In Charge wen tell Moses dat da peopo gotta do.

⁷ Cuz a dat, Da One In Charge stay tight wit him erytime. Eryting Hezekiah do, God make um come good fo him. Wen da Assyria king try fo take ova da country, Hezekiah no let um. He neva let da Assyria king be da boss ova him.

⁸ He bus up da Filisha guys too, all da way to Gaza an da land aroun dea, dea towns dat get strong wall an small towns wit ony watch towa too.

⁹ Wen Hezekiah stay king four year, an Hoshea, Elah boy, stay da Israel king fo seven year, Shalmaneser, da Assyria king, bring his army guys up fo attack Samaria town. He put his army guys all aroun da town fo nobody go inside o come outside.

¹¹ Da Assyria king wen take out da Israel peopo an move um Assyria side, an make dem live inside Halah, inside Gozan on da Habor Riva, an inside da towns wea da Mede peopo live.

¹² All dat happen cuz dey no lissen dea God, Da One In Charge. Dey broke da deal wit him, an no do eryting dat Moses, da guy dat wen work fo Da One In Charge, tell um dey gotta do. Dey no lissen wat Da One In Charge tell, an dey no do um.

King Sennakerib Come Afta Da Judah Peopo

¹³ Wen Hezekiah stay king fo fourteen year, da Assyria king Sennakerib attack all da big towns wea da Judah peopo make strong wall, an take ova dem.

¹⁵ So Hezekiah give him all da silva dat dey find inside da Temple Fo Da One In Charge, an inside da rooms inside da king palace wea dey keep da expensive kine stuffs.

(Isaiah 36:1-22; 2 Records 32:9-19)

¹⁷ Den da Assyria king sen one a da main general guys, da govmen guy dat stay ova da territorial govna guys, an da territorial govna guy, wit one big army. Dey go from Lakish an go by King Hezekiah in Jerusalem. Wen dey come Jerusalem town, dey stop by da watta ditch dat take da watta to da Mauka Watta Place, by da road fo da field wea dey put da clothes inside da watta an step um fo make um come clean.

¹⁹ Da territorial govna guy tell Hezekiah guys, "Go tell Hezekiah dis: " 'Da Big King, da King fo Assyria, tell dis: You get big kine trus in someting you tink goin get you outa trouble. You tink dat goin help you, o wat?! No way!

²⁰ You tell you get one plan an one strong army fo fight one war, but you ony mout. Who you stay trus now, fo fight me?!

²¹ Wise up! You stay trus da Egypt king, but no can trus him. Da Egypt guys, jalike one small splinta from one bamboo dat get smash, dat poke yoa hand an make you sore if you lean on top um! Az how plenny Pharaoh, da Egypt king, goin help all you guys dat trus him!

²² " 'An if you guys tell me, "We trus oua God, Da One In Charge," how come Hezekiah wen take away his sacrifice places on top da hills, an his altars?! Cuz Hezekiah stay tell da Judah an Jerusalem peopo, "Dis da ony altar inside Jerusalem wea you guys can pray!"

²³ " 'Go come now! We go bet! I bet you, you no can find enuff guys fo ride 2,000 horse. Cuz if you can chance um, den my boss, da Assyria king, goin give you da 2,000 horse!

²⁴ An if you no can do dat, how you tink you goin stan up in front even one small kine officer an his army guys from my boss?! Fo shua, you no can! So, how come you trus da Egypt guys fo sen war wagons an horse rida guys?! You all jam up!

²⁵ An one mo ting: You tink Da One In Charge neva tell me fo go afta dis place, an wipe um out?! Was Da One In Charge da one wen tell me fo march agains dis land, an wipe um out.' "

²⁶ Den Eliakim, Hilkiyah boy, an Shebna an Joah tell da territorial govna guy, "We know you da boss, but try talk yoa Aramaic language to us guys, cuz us guys undastand um. No talk oua Hebrew language to us Judea guys, wea da peopo on top da wall can hear um."

²⁷ But da territorial govna guy tell um, "Wen my boss sen me ova hea fo tell dis stuff, you guys tink az ony fo yoa boss guys, an fo you guys?! You tink no was fo da guys dat stay sit ova dea on top da wall too?! Bumbye, goin come mo bad, dat dey goin eat dea doodoo an drink dea shishi, an you guys goin do da same ting too!"

²⁸ Den da territorial govna guy stan up an make mo big, an wit da Hebrew language yell: "Lissen wat da Big King, da King fo Assyria, tell!

²⁹ Dis wat oua king tell: No let Hezekiah bulai you guys. He no mo powa fo get you guys outa my powa.

³⁰ No let Hezekiah make you guys trus Da One In Charge, wen he tell: ‘Da One In Charge goin get us outa dis fo shua. Da Assyria king no goin take ova Jerusalem town!’

³¹ “No lissen Hezekiah! Cuz dis wat da Assyria king tell: Make good wit me, an come out by me. Den all you guys goin eat fruits from yoa grape plants an fig trees, an drink from yoa pukas fo get watta,

³² An goin stay lidis, till I come an move you guys to one diffren land dat stay jalike yoa land, da kine land wea get wheat an new wine, bread an grape farms, wit olive trees fo make oil, an honey. So, make up yoa mind wat you like! You guys like live, o you guys like mahke?

“But no lissen Hezekiah, cuz he like make you guys tink diffren kine, wen he tell, ‘Da One In Charge goin get us outa dis.’

³³ No mo even one peopo, wea dea god get dea land outa da Assyria king powa!

³⁴ Wea was da gods fo da Hamat an Arpad peopos?! Wea was da gods fo da Sefarvaim, Hena, an Ivvah peopos? You tink da Samaria gods wen get da Samaria peopo outa my powa? No way!

³⁵ From all da gods fo dose lands, no mo even one god wen get dea land outa my powa! So, how you tink Da One In Charge goin get Jerusalem town outa my powa?!”

³⁶ But da peopo no talk notting. Dey no say notting to da Assyria guy, cuz King Hezekiah wen tell dem, “No talk to him.”

³⁷ Den Eliakim, Hilkiah boy, da guy in charge a da palace kine biznis, Shebna da secretary, an Joah, Asaf boy, da guy dat write da records, go by Hezekiah. Dey rip dea clotheses fo show dey sore inside, an tell him wat da territorial govna guy wen tell dem.

19

God Goin Get Jerusalem Outa Trouble (Isaiah 37:1-13; 2 Records 32:20-22)

² He sen Eliakim, da guy dat stay in charge a da palace kine biznis, Shebna da secretary, an da Main Pries guys, an dey all stay wear burmbag kine clotheses too, fo go by Isaiah, Amoz boy, da guy dat talk fo God.

³ Dey tell Isaiah, “Dis wat Hezekiah tell: Us stay supa presha out today an hard time us get! Da One In Charge stay punish us guys. Us come shame in front da odda peopos! Az jalike one bebe goin born, but da muddah not strong enuff fo born um.

⁴ Maybe yoa God, Da One In Charge, hear eryting da territorial govna guy from Assyria wen tell. His boss, da Assyria king, wen sen him ova hea fo make fun a Da God Dat Stay Alive, an he stay talk bad bout him. Maybe Da One In Charge goin punish him cuz a wat he wen tell. Az why I aks you, Isaiah, fo pray fo all us guys dat still stay alive.”

⁵ Afta King Hezekiah guys come tell Isaiah dat,

⁶ Isaiah tell um, “Dis wat you guys gotta tell yoa boss: ‘Da One In Charge tell: No stay sked cuz a wat you wen hear—bout da guys from da Assyria king dat wen talk bad bout me.

⁷ Cuz you know wat I goin do?! I goin jam up da king head. He goin hear wat somebody tell, an he goin figga dat he betta go back his land. An wen he get dea, I goin make somebody go kill him wit one sword.' "

⁸ Wen da territorial govna guy from Assyria start fo go back by da Assyria king, he find out da king wen leave Lakish town awready, so he go Libnah town fo meet da king wea dea army stay fight.

¹¹ Fo shua you wen hear wat us Assyria king guys wen do to all da odda countries awready! Us guys wen wipe um out! An you tink yoa god goin get you outa trouble?! No way!

¹² Da gods fo da peopos dat my ancesta guys wen wipe out, dea gods neva help dem get outa trouble! Us guys mo strong den da gods fo Gozan, Haran, Rezuf, an da Eden peopo dat wen live Tel Assar!

¹³ Wea da king fo Hamat, aah? O da king fo Arpad, da king fo da big town a Sefarvaim, o Hena, o Ivvah? Wea dese guys stay now?!"

¹⁶ You Da One In Charge! Lissen real good! Open yoa eyes, an look! Lissen wat Sennakerib wen tell me. He stay talk bad bout you, da God Dat Stay Alive!

¹⁷ "You Da One In Charge, an fo shua az true, dat da Assyria kings wen bus up all dose peopos an dea lands, dat da Assyria king talk bout!

¹⁸ Da Assyria guys wen throw dose peopo gods inside da fire an burn um up, cuz dey not real kine gods, but ony tings dat peopo make from wood an stone. Az why dey can wipe um out.

¹⁹ Da One In Charge, you da God fo us guys! Help get us outa Sennakerib powa! Den all da kings in da world goin know fo shua dat you Da One In Charge, az da ony God dass fo real!"

Isaiah Tell Dat Sennakerib Goin Mahke

(Isaiah 37:21-38; 2 Records 32:20-21)

²⁰ Den Isaiah, Amoz boy, sen one message fo Hezekiah. He tell: "Dis wat Da One In Charge, da God fo da Israel peopo, tell: I hear wat you tell me wen you pray, bout Sennakerib da Assyria king.

²¹ Me, Da One In Charge, I get someting fo tell agains him: " 'Eh, King Sennakerib!

All da wahines from Zion Hill
Hate yoa guts an make fun a you.

Dey goin stick finga at you wen you run away.

- 22 “ ‘You stay talk bad bout me, aah, Sennakerib?!
 You stay talk big, aah?!
 You tink you get mo powa den me, aah?!
 Me, da God dat stay good an spesho fo da Israel peopo!
- 23 You wen sen yoa messenja guys hea
 Fo talk bad bout me, da Boss.
 An you, Sennakerib, you wen tink lidis:
 “Me, Sennakerib, I ride inside my war wagon
 An bring all my war wagons wit me
 On top da mountains,
 All da high mountains inside Lebanon!
 An I wen cut down da tall cedar trees,
 An da bestes pine trees!
 An I go make camp
 In da far place wea get da bestes kine trees.
- 24 I wen dig pukas fo watta inside odda lands,
 An drink da watta from dea.
 I wen make supa plenny army guys
 Walk all ova da streams Egypt side,
 An dey dry up all da streams ova dea!”
- 25 “ ‘You neva hear dis long time befo, o wat?!
 Me, Da One In Charge wen make da plan bout all dis.
 From befo time, I wen set up eryting.
 Now, I stay make um all happen jalike I tell.
 Dass how come you can make big towns dat get strong wall
 Fall down an come piles a rocks wea nobody live.
- 26 Da peopo dat live dea, no mo powa.
 Dey lose fight an come shame.
 Dey stay jalike da plants inside da field,
 Jalike da young grass plants,
 Jalike da grass on top da flat roofs
 Dat da sun burn befo can come up strong.
- 27 “ ‘But I know how you stay make,
 An wea you stay all da time.
 I know how you stay come all piss off at me.
- 28 Cuz wen you come all piss off at me,
 An I hear you talk like you no give a rip bout notting,
 I goin put my hook in yoa nose,
 An put my horse bit inside yoa mout
 An I goin make you go back
 Da same way you wen come ova hea!’ ”
 Dass wat Da One In Charge tell Sennakerib.
- 29 Den Da One In Charge tell Hezekiah:
 “Dis goin be da sign fo show you bout wass goin happen, Hezekiah:
 Dis year, you goin eat ony stuff dat you neva plant,
 An nex year, ony wat grow from dat.
 But da year afta dat, you guys goin plant seed an harves da food.
 Plant grape farms, an eat da fruits.
- 30 Jalike befo time, da peopo dat still stay alive from da Judah ohana,
 Dey goin get one strong root fo go down unda dem,

An make fruits dat grow up ova dem.

³¹ Cuz from Jerusalem, da peopo dat still stay alive goin come out one mo time,
Da ones from Mount Zion dat goin get outa trouble.

“Cuz me, Da One In Charge, Da God Ova All Da Armies,
I goin go all out fo make shua az wat goin happen.

³² “Me, Da One In Charge,
Az why I tell dis
Bout da Assyria king:

He no goin come inside dis big town.
He no goin shoot arrow ova hea.

He no goin come ova hea wit one shield.
He no goin pile up dirt by da town wall
Fo his army guys run on top an go inside.

³³ He goin go back da same way he wen come.
He no goin go inside dis big town.
Az wat me, Da One In Charge, tell.

³⁴ “An he tell dis too:

“ ‘I goin fight fo dis big town,
An get da peopo dea outa trouble
Cuz a who me, an fo David my worka guy.’ ”

Sennakerib Mahke

³⁵ Dat same day, nite time, one angel messenja guy from Da One In Charge go out inside da Assyria army camp. He kill 185,000 guys inside dea. Wen da Assyria guys dat no mahke get up da nex morning, get all da mahke bodies all ova da place!

Now, I da One goin make you come good. Da day afta tomorra, you goin go up by da Temple Fo Da One In Charge.

⁶ Da Ammon guys tink dat wat dey wen do, make dem jalike one real bad haunas da way David figga. Dass why Hanun an da Ammon guys sen 38 ton silva fo pay fo war wagons an guys fo ride um from da Aram-Naharaim, Aram Maakah, an Zobah countries.

⁷ Dey pay fo 32,000 war wagons come, an guys fo ride um, an da king fo Maakah an his infantry guys fo fight. Dey come an make camp nea Medeba. An da Ammon guys go out from dea towns too, an come togedda ready fo fight.

Dey Make War Wit Da Filisha Guys

(2 Samuel 21:15-22)

⁴ Afta long time, David guys fight da Filisha guys Gezer side. Dat time Sibbekai da Hushah guy kill Sippai from da Refa ohana, an da Filisha guys come prisonas fo da Israel guys.

⁵ ✨ Anodda time da Israel guys fight da Filisha guys, an Elhanan, Jair boy, kill Lahmi, da braddah fo Goliat from Gat. Da wood part a Lahmi spear real heavy, jalike da strong kine stick da weava guys use fo move da strings up an down.

⁷ Wen he make fun a da Israel guys, Jonathan, Shimea boy an David nephew, kill um.

⁸ Dese guys come from da Rafa ohana dat live Gat town. Dey mahke wen David an his guys wack um.

21

David Count Da Guys Dat Fight

(2 Samuel 24:1-25)

¹ Dat time, Satan start fo make trouble fo da Israel guys. He make David tink az good fo him count da Israel peopo.

² So David tell Joab an da main leadas fo da army guys, "Go count how much Israel guys get, from Beer-Sheba town south side all da way Dan side north side. Den bring me da numbas, fo me know how much guys get."

³ But Joab tell, "Fo shua, you da king, an you my boss! An I like fo Da One In Charge make one hundred times mo army guys den we get now, fo fight. But all da army guys stay ready fo do how you like awready! So, how come you like make lidis?! How come you like make da Israel peopo get blame?! No good, dat!"

⁴ But wat King David tell, mo strong den wat Joab tell. So Joab leave Jerusalem an go all ova da Israel land, an den go back Jerusalem side.

⁵ Joab give David da numbas, how much fighta guys dey wen line up an count. From all ova Israel, get 1,100,000 guys dat know how fo use sword. 470,000 a dem come from da Judah ohana.

⁶ But Joab no count da Levi ohana guys o da Benjamin ohana guys, cuz he figga az real bad, wat da king wen tell um fo do.

⁷ An da way God see wat David tell Joab fo do, he tell az real bad too. So God punish da Israel guys.

⁸ Den David tell God, "I wen do one real bad ting wen I do dat. Now, I beg you, take away da blame from me, cuz I wen make real stupid kine."

⁹ Gad was one guy dat see wat Da One In Charge show um. So Da One In Charge tell Gad,

¹⁰ "Go tell David, 'Dis wat Da One In Charge tell. You can pick from three tings I goin tell you. Pick one a dem. Den I goin make dat happen to you.' "

¹¹ So Gad go by David, an tell um, "Dis wat Da One In Charge tell: 'Pick one:

¹² fo three year nobody goin get food fo eat;

o fo three month da guys dat stay agains you goin chase you guys all ova da place wit swords an catch you up;

o fo three days Da One In Charge goin use his sword—dat mean, he goin sen one real bad kine sick all ova da Israel land, an da killa angel guy from Da One In Charge goin wipe out peopo all ova da Israel land.'

Now tink bout um, an tell me wat I goin tell da One wen sen me."

¹³ David tell Gad, "Ho! I presha out! Mo betta let Da One In Charge be da one fo punish me, cuz he pity peopo plenny. But no let peopo punish me!"

¹⁴ So Da One In Charge sen one real bad kine sick on top da Israel peopo, an 70,000 Israel guys mahke.

¹⁵ Befo God pau, he sen one angel guy Jerusalem town, fo wipe um out. But wen da angel guy start fo wipe out da peopo, God Da One In Charge see um. He change his mind bout how he goin make bad to da peopo, jalike he wen start fo do. He tell da angel guy, "Nuff awready! Stop!" Wen Da One In Charge tell dat, da angel guy stay stan by da open place wea Ornan da Jebus guy split his wheat from da junk kine stuff.

¹⁶ David look up an see da angel guy from Da One In Charge dat stan wit da sky ova him an da earth undaneat him. He carry one sword inside his hand, an he hold um out ova Jerusalem. David an da older leadas put on burmbag kine clotheses, an dey go down an put dea face on top da groun.

¹⁷ David tell God, "Me, I da guy dat wen tell dat dey gotta count da guys dat can fight. I da guy dat wen do dat bad kine ting an make odda peopo get hurt. Dese guys, dey jalike sheeps, dey neva do notting wrong. My God, Da One In Charge, try bus up me an my faddah ohana, but no let dis real bad kine sick hurt yoa peopo no moa."

¹⁸ Da angel guy from Da One In Charge tell Gad fo tell David go build one altar fo Da One In Charge, on top da open place wea Ornan da Jebus guy stay split his wheat from da junk kine stuff.

¹⁹ So David go up dea fo do wat Da One In Charge wen tell Gad fo tell David. Gad use Da One In Charge name fo tell David wat fo do.

²⁰ Ornan stay split da wheat, but he turn aroun an spock da angel guy. Ornan four boys stay wit him, an dey go hide.

²¹ Wen David come by Ornan, Ornan see him. He come out from wea he working, an go down in front David, an put his face on top da groun.

²² David tell um, "I like buy dis place you use fo clean da wheat, fo build one altar hea fo make sacrifice fo Da One In Charge. I goin pay you good fo da whole place, cuz az how da bad kine sick dat stay on top all da peopo no goin be no moa."

²³ Ornan tell David, "Take um! You my boss, da king! I like you do wateva you tink az good fo do! Look, I goin give da cows I stay use hea, fo you

make burn up kine sacrifices! I give da wood frames we use fo split da wheat from da junks, fo burn up da sacrifice! I give da wheat fo make da wheat kine sacrifice! I give you da whole ting!”

²⁴ But King David tell Ornan, “No way! I gotta pay da whole cost! I no goin lif up wat stay yoas, fo me give um to Da One In Charge an not you! I no goin make one burn up kine sacrifice wit someting dat no cost me notting!”

²⁵ So David pay Ornan fifteen poun gold fo da place.

²⁶ David build one altar fo Da One In Charge ova dea, an make burn up kine sacrifices an da kine sacrifices dat show dat him an Da One In Charge stay tight. He call to Da One In Charge, an Da One In Charge ansa him wit fire from da sky dat come down on top da altar fo da burn up kine sacrifice.

²⁷ Den Da One In Charge tell da angel guy put back his sword inside da bag.

²⁸ Was den, afta David see dat Da One In Charge wen ansa him on top da place wea Ornan da Jebus guy clean da wheat, dat David make odda sacrifices ova dea too.

²⁹ Cuz da Tent Fo Meet Wit Da One In Charge dat Moses wen make inside da boonies, still stay on top da sacrifice place Gibeon side dat time. Same ting fo da altar fo make burn up kine sacrifice.

³⁰ But David no can go Gibeon side in front dat altar, fo find out from God wat fo do, cuz he real sked a da sword dat da angel from Da One In Charge carry.

22

¹ Den David tell,
 “Da Temple Fo Da God Da One In Charge goin stay dis place wea Ornan da Jebus guy clean da wheat,
 An da altar fo da burn up kine sacrifices fo da Israel peopo goin stay hea too.”

David Make Ready Fo Build Da Temple

⁹ But you goin get one boy dat goin be da kine guy dat no need fight, da kine dat no mo notting bodda him. I goin let him res, an no fight da nations all aroun him dat stay agains him. Even his name goin be Solomon, dat soun jalike “Eryting Stay Good.” I goin let da Israel peopo stay quiet an make eryting stay good fo dem, wen he stay king.

¹⁰ He da one goin build one temple fo peopo know wat kine god me. He goin come my boy, an I goin come his faddah. An I goin make shua some a da ones from his blood line goin be king ova da Israel peopo foeva.’

¹² Ony one ting—I like Da One In Charge make um fo you tink good bout eryting you gotta do, an help you undastan wass good an wass bad. Den, wen he put you in charge a da Israel peopo, you goin do wat all da Rules from yoa God, Da One In Charge, tell you fo do.

¹³ ✨If you make lidat, den eryting goin come good fo you! You ony gotta make shua you do all da tings dat Da One In Charge wen tell Moses dat da Israel peopo gotta do. An he tell how fo make diffren kine to da good peopo an da bad peopo. Be strong! Make up yoa mind an den go do um! No sked an no lose fight!

¹⁴ “You know, I wen almos make me come pooa! Az cuz I wen give fo da Temple Fo Da One In Charge, almos four tousan ton gold, almos forty tousan ton silva, an mo plenny bronze an iron den dey can weigh. I give wood an stone too. An you can give even mo stuffs too.

Dey gotta make shua dey do eryting my Rules tell, jalike you David wen do.’

17 An now, Da One In Charge, da God fo da Israel peopo, I like fo da ting you wen promise yoa worka guy David fo do, happen.

18 ☆“But you, God, az fo real dat you goin live on top da earth wit peopo, o wat? An even mo den dat, da sky, even da mos high part, no can hold you. Den fo shua dis Temple dat I wen build no can hold you!

19 But you my God, Da One In Charge. So den lissen me, yoa worka guy, wat I pray. I like fo you give me chance. Lissen wen I call fo help, an wen I pray in front you.

20 ☆I like you watch dis Temple day time an nite time, dis place wea you wen tell dat you goin put yoa name dea. I like you lissen wat me, yoa worka guy, like you fo do, cuz I tink bout dis place.

21 Lissen da tings me yoa worka guy an yoa Israel peopo pray to you wen we tink bout dis place. Lissen from da sky wea you live, an wen you hear us guys pray, let us go an hemo oua shame.

22 “Bumbye maybe somebody do someting bad to anodda guy, so gotta punish him. Den da guy dat get hurt goin tell, ‘Dis guy gotta come in front da altar fo Da One In Charge inside da Temple. He gotta swea to God dea dat he neva do dis bad ting to me.’

23 Den you, Da One In Charge, goin lissen from da sky, an do someting. Judge yoa worka guys da right way, da ones dat stay do wass right an da ones dat stay do wass wrong. Punish da ones dat do someting bad, da same way dey wen do fo pay um back. Tell erybody dat da ones dat neva do notting wrong, dey no mo da blame, so erybody know dey okay.

24 “Bumbye maybe yoa Israel peopo goin fight peopo dat stay agains dem. But dat time, maybe yoa guys no can win cuz dey wen do bad kine stuff agains you. But maybe dey change dea mind. Now dey tell, dat you dea Boss fo real. An dey pray to you inside dis Temple an aks you fo make good to dem one mo time.

25 If dass how dey ack, den lissen from da sky. Let go yoa Israel peopo an hemo dea shame fo da bad kine tings dey wen do. Den bring um back inside da land you wen give dem an dea ancestas.

26 “Bumbye maybe da sky goin stay shut so no mo rain, cuz yoa peopo wen do bad kine tings agains you. But den dey goin look to dis place fo pray. Dey goin tell dat you dea Boss fo real kine. Dey goin change dea mind an turn away an no do bad kine stuff, cuz you stay punish dem.

27 If dass how dey ack, den I like you lissen from da sky. Let dem go fo da bad tings yoa Israel peopo dat work fo you wen do, an hemo dea shame. Teach dem da bestes way fo live. Sen da rain on top yoa land dat you wen give to yoa peopo fo come dea property.

28 “Bumbye maybe no mo food. O maybe da peopo get one real bad kine sick, o da kine sick come dat make da plants come dry, o da mold,

o da locust bugs o grasshoppas. O maybe da peopo dat stay agains dem put army guys aroun dea big towns, o odda kine bad ting happen to dem, o any kine sick.

²⁹ If dass wat happen, den, maybe all yoa Israel peopo goin spread out dea hands, an face dis Temple an pray an aks you fo make good to dem, cuz all a dem know dey get trouble an dey hurt cuz dey wen do bad tings.

³⁰ If dey do dat, den I like you lissen from da sky wea you stay. Let dem go an hemo dea shame. Make good to da ones dat do wass good, an make bad to da ones dat do wass bad. Cuz you know how dey stay inside, an you da ony one dat know how erybody stay inside.

³¹ Den dey goin get awesome respeck fo you, an live da way you like, all da time dey live inside da land you wen give oua ancesta guys.

³² “Maybe goin get guys from anodda country dat no come from yoa Israel peopo. Still yet, dey wen come from one far place cuz dey find out wat kine god you, an how importan an strong you stay, an dey come an face dis Temple an pray.

³³ Wen dey do dat, den lissen from da sky wea you stay. Do wateva da guy from anodda place call out to you fo do. If you do dat, den all da peopos on top da earth goin know wat kine god you, an get awesome respeck fo you, jalike yoa Israel peopo. An dey goin know dat dis Temple I wen build show wat kine god you.

³⁴ “Bumbye maybe yoa peopo make war wit da guys dat stay agains dem. Wateva way you sen dem fo fight, maybe dey goin pray to you dea, facing dis big town you wen pick, an da Temple I wen build fo peopo know who you.

³⁵ If dey pray lidat, den lissen from da sky wen dey pray to you an aks you fo make good to dem, an make shua da bestes ting happen fo dem.

³⁶ “Bumbye, maybe dey goin do bad kine stuff agains you (cuz no mo nobody dat no do bad kine stuff). Den fo shua you goin come huhu wit dem, an let da peopo dat stay agains dem win ova dem. Den dose guys goin make yoa peopo prisonas, an take dem one land nea hea, o far from hea.

³⁷ But den, maybe yoa peopo goin change dea mind an come back to you fo real kine, ova dea inside da land wea dey stay prisonas. Dey goin aks you fo make good to dem an tell, ‘Us guys wen do real bad kine stuff! Us wen do da wrong ting! Da way us wen ack, us get da blame!’

⁷ But you Judah an Benjamin guys come strong an no lose fight. Cuz bumbye, God goin pay you good fo da work you guys do.”

¹⁹ An Da One In Charge tell, ‘Who goin make Ahab, da Israel king, tink he gotta go attack Ramot-Gilead, fo him mahke ova dea?!’

“One spirit tell one ting, an anodda one tell anodda ting.

²⁰ In da end, one spirit come an stan in front Da One In Charge. Da spirit tell Da One In Charge, ‘I goin make Ahab like do how you tell.’

“Da One In Charge aks, ‘How?’

²¹ “Da spirit tell, ‘I goin make jalike one spirit dat bulai. So den wen all da guys dat talk fo his gods tell someting, dey goin bulai!’

“Da One In Charge tell, ‘Den you make Ahab tink he can go. Shoots! Do wat you wen tell!’

²² “Mikaiiah tell, ‘So now, look. Dis wat wen happen. Da One In Charge wen put one spirit dat bulai inside da mout a all dese guys dat talk fo yoa gods. But Da One In Charge tell, dat one real bad kine ting goin happen to you!’ ”

²³ Den Zedekiah, Kenaanah boy, go an slap Mikaiiah head. He aks, “Wat way dat spirit from Da One In Charge go wen he go from me fo tell you fo bulai me, aah?!”

⁷ Dat mean, you guys betta be plenny sked a Da One In Charge. Take kea how you judge. Cuz oua God, dass Da One In Charge a us, he no judge da wrong way, he no make mo good fo one guy den fo anodda guy, an he no take unda da table kine money.”

⁸ Inside Jerusalem town, same ting. Jehoshafat pick some a da Levi ohana guys, da pries guys, an da main guys fo da odda Israel ohanas, fo tell da peopo wat da Rules from Da One In Charge tell, an fo tell wat stay right wen da peopo make argue. Dose guys live inside Jerusalem.

¹⁰ Yoa braddah guys from inside da towns goin poin finga odda peopo in front you Jerusalem judge guys. Maybe somebody wen make anodda guy bleed o mahke, o dey no follow all da Rules from Da One In Charge, o dey donno wat Da One In Charge tell dey gotta do. Fo all dat, you guys gotta teach dem fo make shua dey no go agains Da One In Charge an no

¹⁰ ✨“But now, get guys from Ammon, Moab, an da Seir Range. Da time us guys come outa Egypt, you no let us Israel peopo go inside dea land. So oua peopo go aroun dem, an no wipe out dose guys.

¹¹ Now, look how dey pay back us guys, bad fo good! Dey stay come fo chase us guys outa yoa land dat you wen give us fo come oua property.

Cuz he stay tight wit his peopo foeva!”

²² Same time da singa guys start fo sing loud an tell good tings bout Da One In Charge, get odda guys dat stay hide nea da odda army. Was Da One In Charge put um ova dea. Dey go jump da guys from Ammon, Moab, an da Seir Range dat stay come fo fight da Judah peopo. Da guys dat stay hide jam up da odda guys lidis:

²⁴ Wen da Judah guys come da towa wea can look ova da boonies, dey turn an look fo da big army. An you know wat dey see?! Ony get mahke bodies laying all ova groun! No mo nobody from dose odda guys wen get out alive.

²⁵ Az why Jehoshafat an his army guys go fo rip off da mahke guys stuffs, an dey find plenny tings ova dea dat dey use fo fight, an clotheses, an tings dat cost plenny. Get plenny mo stuffs fo carry away den dey can handle. Take dem three days fo pick up all da stuffs.

²⁶ Day numba four, da Judah guys all come togedda inside da Valley Wea God Make Good Tings Happen, cuz dass da place wea dey tell good kine

¹⁰ Still yet today, da Edom peopo stay agains da Judah peopo.

Da same time, da Libnah peopo fight Judah, cuz Jehoram wen bag from Da One In Charge, da God fo his ancesta guys.

¹¹ Anodda ting Jehoram wen do, he build sacrifice places on top da Judah hills, an make da Jerusalem peopo fool aroun wit odda gods. Az how Jehoram make da Judah peopo go da wrong way from God.

¹² Jehoram get one letta from Elijah, da guy dat talk fo God, dat tell:

“Dis, one message from Da One In Charge, da God fo yoa ancesta David: ‘You no make jalike yoa faddah Jehoshafat, o jalike Asa da Judah king.

¹³ But you make jalike da Israel kings. You make da Judah an Jerusalem peopo fool aroun wit odda gods, jalike da Ahab ohana wen do. An you even kill yoa braddahs from yoa faddah ohana, guys dat was mo betta den you.
