   Na-im dey diliver mi.
3 Na God dey protet and save mi.
   Na-im bi my shield and E dey defend mi.
   E dey protet and save mi from danger.
4 I go praiz God, bikos wen ever I koll am,
   E dey save mi from my enemies!
5 Deat dey round mi;
   e bi like sey dem go soon distroy mi.
6 Deat really dey around mi
   and grave set trap for mi.
7 Wen I dey trobol, I koll Oga God;
   I koll my God make E help mi.
E hear my vois for en temple

8 Den di eart bigin shake dey fear,

9 Smoke dey kom out from en nose,
   while fire and shako dey kom out from en mout.

10 E tear di sky open kon kom down
    with one black kloud for en leg.

11 E dey fly with en shariot for heaven;
    E dey travel with di wind.

12 E kover ensef with darkness
    and tick kloud wey wota full dey round am.

13 Shako with fire dey kom out
    for en front.

14 Oga God dey bring tonda from di sky

15 E shot en arrow take skata en enemies.
    E use strong lite take make dem run.

16 Di river dry finish

   and E kon shaut for en enemies with vexnashon.

17 God kom down from heaven kon hold mi.
    E draw mi komot from di wota wey deep well-well.

18 E save mi from my strong enemies
    and all di pipol wey hate mi,
    bikos dem too strong for mi.

19 Wen I dey trobol, dem attack mi,
    but God protet mi.

20 Bikos E dey happy with mi,

21 God reward mi, bikos I do wetin dey rite.

26 My Oga God, Yu dey faithful 
    to doz wey dey faithful to Yu 
    and Yu dey good to pipol wey dey good.
27 Yu dey pure to doz wey dey pure, 
    but Yu show wikedness to wiked pipol.
28 Yu dey save pipol wey dey honbol, 
    but Yu dey honbol pipol wey dey proud.
29 Oga God! Na Yu bi my lite; 
    Yu don remove my darkness.
30 Yu give mi pawa take attack my enemies

31 Di tins wey dis God dey do, dey pafet. 
    Make wi trust en words! 
    E dey kover pipol

32 Na di Oga bi God

33 Na inside God I hide put; 
    E dey make my road save.
34 E make my foot dey save like deer 
    kon keep mi save for di mountin.
35 E dey train mi for war, 
    so dat I go use di bow wey strong well-well.
36 My Oga God! Yu protet and save mi;
Yu don make mi great.

37 Yu keep mi, so dat dem nor go katch mi
    and I nor fall.

38 I porshu and defeat my enemies;
    I nor stop till I distroy dem finish.

39 I nak dem fall and dem nor fit stand again,
    bikos I defeat dem.

40 Yu give mi pawa for war
    and viktory ova my enemies.

41 Yu dey make my enemies run from mi
    and I distroy doz wey hate mi.

42 Dem dey look for help,
    but nobody dey to save dem.
    Dem koll God, but E nor ansa dem.

43 I skata and turn dem to san.
    I dey waka on-top dem like mud for street.

44 Yu save mi from my own pipol wey fight mi
    kon make mi dey always rule di nashons
    and even pipol wey I nor know,
    dey under mi.

45 Doz wey kom from anoda land
    dey bow for mi
    and wen dem si mi,
    dem dey obey.

46 Anywhere wey dem hide put,
    dem dey run komot der,
    bikos dem dey fear.

47 God go dey forever!
    Make wi praiz di Pesin wey dey defend mi!
    Make una tok how God wey save mi strong rish!

48 E give mi viktory ova my enemies
    kon put di nashons under mi.

49 My Oga God! Yu save mi from my enemies
    kon give mi viktory
and protect me from wicked men.

50 So, I sing praise to you among all the nations; I declare your excellence.

51 God gives you a great victory. You always show love to the people I choose and I, David, with my children, will reign forever."

David Last Word

1 David is the son of Jesse, and God made him great, well-well. Now we are going to sing more songs in praise of God, more than we have sung before. These are the last words that David spoke:

2 "God's Spirit speaks through me; the message is for my mouth.

3 God speaks through me, and the people tell my words: 'King who rules well and fears God, like the sun that shines in the morning;

4 the sun that makes the grass shine after the rain don't fall put.'

5 God will take care of my children, and they will make a covenant with me which will last forever. An agreement which will not be broken, a promise which will not be changed.

6 But we don't know what God is like, how he thinks;
nobody fit tosh dem with ordinary hand,
7 instead, pesin must use iron
or spear take gada and burn dem.”

David Sojas
8 Dis na David sojas wey get pawa well-well:
