Joshua na di nomba six book for di Bible and e tok about di period from di time wey Moses die go rish wen God take Israel pipol enter di land wey E promise dem and na Joshua bi dia leader. Dem name dis book follow di main pesin wey bi Joshua wey take-ova from Moses. Joshua mean “Na God dey Save.” Di book still show how God take fulfil en promise to Israel pipol wen E give dem Kanaan land as dia own. Di book still diskribe how Israel pipol struggol to keep di kovenant wey dem make with God or obey di God wey bring dem kom di land. E still tok about how Israel pipol take divide di land akordin to di tribes. But since some places still remain, Joshua tell all di tribes sey make dem try take evriwhere for di land. E still make di pipol renew di kovenant wey dem make with di Oga dia God.

God Choose Joshua

¹ Afta Moses, God savant don die, God kon tell Joshua wey bi Nun pikin wey bin dey help Moses sey,

² “My savant Moses don die. So make yu get ready to cross Jordan River! Make yu take dis pipol enter di land wey I don promise to give dem.

³ Anywhere yor leg tosh, I don gi-am to yu, just as I promise Moses.

⁴ Una land go start from di wildaness wey dey sout for Lebanon go rish di nort. E go rish di great Eufrates River for east (plus evriwhere for Siria) and from der go Mediterranean Sea for west.

⁵ Nobody go fit stop yu still yu die. I go dey with yu as I dey with Moses. I nor go forget or leave yu.

⁶ “Make yu dey strong and get heart! Yu go lead dis pipol go win di land wey I don promise dia grand-grand papa sey, I go give dem.

⁷ Make sure sey yu dey strong well-well and yu get heart! Make yu dey obey all di law and kommand wey my savant Moses give yu! Nor do dem anyhow, den yu go prosper for evritin wey yu dey do.

⁸ Dis law wey God give yu must nor komot from yor mout! Yu must dey read and tink of am evriday and nite, so dat yu go fit obey evritin wey dey inside. Den yor way go dey rite and evritin go betta for yu.

⁹ I dey tok again, so dat yu go dey strong kon get heart! Make yu nor fear or shake, bikos mi wey bi di Oga yor God, I dey with yu for evritin wey yu dey do.”

Joshua Ready For War

¹⁰ Joshua tell di leaders:

¹¹ “Make una go di kamp kon tell evribody sey, ‘Make una dey ready bikos like three days from

naw, una go cross Jordan River kon begin fight for di land wey di Oga una God won give una.' ”

¹² Joshua kon tell Reuben tribe, Gad tribe and half of Manasseh tribe sey:

¹³ “Hope una remember wetin God savant Moses kommand una? Di Oga una God go give una where una go stay and E dey give una dis land as una propaty.

¹⁴ Una wifes, shidren and animal fit dey di land wey Moses give una for Jordan River east, but all una sojas must cross go fight first. Una must help una pipol

¹⁵ until God don give una brodas where dem go stay like una and until una win di land wey di Oga una God don sey E go give dem. Den una fit go back to una place wey Moses, God savant don give una for Jordan River east.”

¹⁶ So dem ansa Joshua, “Wi go do evritin wey yu tok and wi go-go evriwhere wey yu send us go.

¹⁷ Just as wi obey Moses, na so wi go obey yu too. Make di Oga yor God dey with yu as E dey with Moses.

¹⁸ “Anybody wey won show sey e sturbon and e nor gri do wetin yu kommand, wi go kill-am. But make yu dey strong kon get heart!”

Joshua Send Pipol Go Spy Jeriko

¹ Joshua kon send two pipol from Shittim kamp go spy Kanaan land especially Jeriko town. Wen

dem rish di town, dem kon go sleep for one ashawo house and di ashawo name na Rahab.

² Jeriko king hear sey some pipol from Israel don kom spy di town,

³ so e send pipol go tell Rahab sey: “Di pipol wey dey yor house won spy dis town! So make yu bring dem kom out!”

⁴ But di woman hide di two men kon ansa, “Yes, dis men really kom my house, but I nor know where dem from kom.

⁵ Wen time rish to kloze di town gate for nite, di men kon go. I nor even know where dem dey go. Make una kwik-kwik porshu dem and una go katch dem!”

⁶ (Naw, di woman don hide dem for di roof kon put dem under di tins wey dey der.)

⁷ Di king men kon find di men go di road where dem dey pass go Jordan River. As dem just kom out bigin porshu di men, di gateman kon lock di town gate.

⁸ So before di two spy go sleep, Rahab klimb go meet dem for di roof

⁹ kon tell dem, “I know sey God go give una dis town. Wi dey fear una well-well and evribody wey dey stay di town dey shake bikos of una.

¹⁰ Bikos wi hear as God dry di Red Sea for una wen una komot from Egypt and how una handle di two Amor kings wey bi Sihon and Og, for di oda side for Jordan River.

¹¹ Wen wi hear di news, fear katch us and wi kon dey tink sey wi go die wons wi si una. Bikos di Oga wey bi una God, na God for heaven, eart and evritin wey dey under di eart!

12 So make una promise and swear with God name sey, bikos I dey good to una, una go dey good to mi and my family. Make una promise sey

13 una nor go kill my papa, mama, brodas, sistas and evritin wey bi my own.”

14 Di men kon tell am, “Wi swear with awa life sey, nor-tin go happen to yu! If yu nor tell anybody wetin wi kon do for here and God give us dis town, wi go sorry for yu and evritin wey bi yor own.”

15 Den Rahab use rope take drop dem thru window. (Dem build Rahab house join di wall for di town and na der e dey stay.)

16 Rahab tell dem, “Make una run go di kountry for di hill, so dat who dey porshu una nor go si una and make una stay der for three days. By dat time, pipol wey dey porshu una go don kom back, den una fit go una own.”

17 Di men kon tell am, “Di promise wey wi promise nor go do us anytin unless sey yu do as wi sey make yu do:

18 Wen wi attack dis land, make yu tie dis red rope for di window wey yu for allow us kom down, den go pak all yor family enter yor house and evribody where dey stay yor papa house.

19 Anybody wey kom out from yor house, na-im kill ensey bi dat, so dat one nor go bi awa fault! But if anytin happen to anybody inside yor house, den make yu blame us.

20 But if yu tok wetin wi kom do for here, di swear wey wi swear, don skata bi dat.”

²¹ Rahab kon sey, “I gri with evritin wey una tok.” E tell dem where dem go pass kon tie di red rope for di window.

²² Dem go di kountry for di hill kon stay der for three days and all di pipol wey dey porshu dem, kon go back. Jeriko men look evriwhere, but dem nor si dem.

²³ Den di two men kom down from di hill, cross di river go meet Joshua wey bi Nun pikin kon tell am evritin wey dem don si and know.

²⁴ Dem tell Joshua, “True-true, God don really give us di land, bikos evribody wey dey stay di land dey fear us well-well!”

3

Israel Cross Jordan River

¹ As sun dey shine di next morning, Joshua and Israel pipol komot from Shittim go Jordan River. Dem stay der before dem cross di river.

² Afta three days, di leaders bigin waka round di kamp

³ kon kommand di pipol sey: “Wen una si Levi priest karry una Oga God box wey di kovenant dey inside, una must follow dem for back.

⁴ But una go give dem gap wey rish 3,000 fit. Make una dey wosh, so dat una nor go dey klose to di Kovenant Box. Na dem go show una road, bikos una neva travel pass der before.”

⁵ Joshua tell di pipol, “Make una go klean unasef, bikos for dis time tumoro, God go do strong mirakle among una.”

⁶ Joshua tell di priest, “Make una karry di Kovenant Box dey go for di pipol front.” So dem karry di Kovenant Box kon dey go for di pipol front.

⁷ God tell Joshua, “From today go, I go start to honor yu among Israel pipol, so dat dem go know sey I dey with yu, just as I dey with Moses.

⁸ Tell di priests sey make dem karry di Kovenant Box and wen dem don rish di wotaside for Jordan River, make dem waka enter di wota small.”

⁹ Joshua tell Israel pipol, “Make una listin to wetin di Oga una God dey tok!”

¹⁰ Joshua sey, “Na like dis una go take know sey, God wey nor dey die dey with una and E go really porshu Kanaan, Hit, Hiv, Periz, Girgash, Amor and Jebus pipol komot for una.

¹¹ Si! Di Kovenant Box wey bi di Oga God for di whole eart own, don dey ready to enter Jordan River before una.

¹² Naw, make una choose twelf men from di tribes for Israel, one pesin from each tribe.

¹³ Di priests wey karry God wey dey rule di whole world Kovenant Box, as dia leg tosh di wota for Jordan River, dat place go divide for una.”

¹⁴ So di pipol leave dia kamp kon waka dey go cross di river and di priests wey karry di Kovenant Box dey waka for dia front.

¹⁵ Wen doz wey karry di Kovenant Box rish di river kon enter di wota (Jordan River dey rush well-well, bikos na harvest time dem dey),

¹⁶ di wota wey dey rush, just stop. E gada go up for one town wey dem dey koll Adam (Adam dey near Zaretan) and no wota rush kom from der again go rish Arabah Sea (Di Salt Sea). Di pipol cross di river wey face Jeriko.

¹⁷ For Jordan River centre, di priests wey karry di Kovenant Box, stand well for dry groun. All di pipol for Israel cross pass for dry groun until evribody for di kountry cross finish.

4

Dem Karry Stone From Di River

¹ Wen dem don cross finish, God kon tell Joshua,

² “Selet twelf men from di pipol, one from each tribe.

³ Den yu go tell dem sey, ‘Make una pick twelf stones from Jordan River centre, di very place where di priests stand put.’ Den, dem go karry di stones follow yu and yu go put am for di place where una go stay dis nite.”

⁴ Joshua koll di twelf men wey e choose from each tribe

⁵ kon tell dem, “Make una go for di Oga una God box front wey dey Jordan River centre. Each of una go put one stone for shoulder akordin to di tribes for Israel.

⁶ Di stones go make una dey remember dis tin wey happen and wen una shidren-shidren ask sey, ‘Wetin make dis stones dey important to una?’

⁷ den make una tell dem how Jordan River take stop to rush, bikos of God Kovenant Box.

Wen di box cross Jordan River, di wota stop to rush. Dis stones go make Israel pipol dey always remember wetin happen.”

⁸ So, Israel pipol do wetin Joshua tell dem. Dem pick twelf stones from di river centre, akordin to di tribes for Israel, just as God kommand Joshua. Dem karry dem go di kamp kon put am for der.

⁹ For di river centre where di priests wey karry di Kovenant Box stand put, Joshua kon put twelf stones for der. Di stones still dey der still today.

¹⁰ Naw, di priests wey karry di Kovenant Box stand for Jordan River centre until di pipol do evritin wey God kommand, just as Moses tell Joshua. Di pipol cross kwik-kwik

¹¹ and wen di pipol don cross finish, di Kovenant Box and di priest kon cross too.

¹² Na Reuben tribe, Gad tribe and half of Manasseh tribe first cross, bikos na dem go first attack for war, just as Moses kommand.

¹³ E rish 40,000 strong sojas wey mash dey go fight for Jeriko field and God dey with dem.

¹⁴ Dat day, God give Joshua honor for Israel pipol front. Dem respet am till e die, just as dem bin respet Moses.

¹⁵ God kon tell Joshua,

¹⁶ “Make yu tell di priests wey karry di Kovenant Box make dem komot from Jordan River.”

¹⁷ So Joshua tell di priests, “Make una kom out from Jordan!”

¹⁸ Di priests wey karry di Kovenant Box kon komot from di river centre and as dem just enter

dry land, di wota for Jordan kon start to rush well-well again.

¹⁹ Di pipol cross Jordan River for di tent day for di first mont kon stay for Gilgal wey dey di east side for Jeriko borda.

²⁰ Di twelf stones wey Joshua take from Jordan River, e arrange dem for one place for Gilgal.

²¹ Joshua tell Israel pipol, “Wen una shidren-shidren ask sey, ‘Wetin dis stones mean?’

²² Make una tell dem, ‘Na wen Israel pipol cross Jordan River for dry groun.’

²³ Di Oga una God dry Jordan River for una and una waka pass, just as E dry di Red Sea make wi waka pass.

²⁴ E do am make all di kountry for eart know sey na God get all di pawa, so una must always obey di Oga wey bi una God.”

5

¹ Wen Amor pipol kings for Jordan River west and Kanaan kings wey dey near di wotaside for Jordan River hear how God take dry Jordan River for Israel pipol make dem waka pass, dem kon bigin fear well-well.

New Generashon

² For dat time, God kon tell Joshua, “Make yu use stone take make knife kon sekonsaiz Israel pipol again.”

³ So Joshua make di knife kon sekonsaiz dem for where dem dey koll Sekonsishon Hill.

⁴ Joshua sekonsaiz dem, bikos all di men wey old rish to fight wen den komot from Egypt, don die for di desert.

⁵ Naw, doz wey dem sekonsaiz, na shidren wey dem born for di desert afta dem komot from Egypt and dem neva sekonsaiz at-all.

⁶ True-true, na forty years Israel pipol take travel pass di desert, so all di men wey dey fight wen dem komot from Egypt don die finish for di desert, bikos dem disobey God and God don swear sey as dem disobey am, E nor go let dem si di land wey E don promise to give dem; di land where milk and honey full.

⁷ God replace dem with dia sons wey Joshua sekonsaiz. Dem neva sekonsaiz dem before; dia papa nor fit sekonsaiz dem for road.

⁸ Wen dem don sekonsaiz all of dem, dem kon stay di kamp until dia body dey okay.

⁹ God tell Joshua, "Today, di disgrace wey una karry kom from Egypt, I don remove am from una head." So na Gilgal dem dey koll dat place kon rish today.

¹⁰ Israel pipol stay for Gilgal and dem celebrate di Passova for Jeriko field for evening for di fourteent day for di mont.

¹¹ Di day afta di Passova, Israel pipol chop some food wey grow for di land, plus bread wey nor get yist and rice wey dem roast.

¹² From di day wey dem chop di food wey grow for di land, manna kon stop to fall. So, Israel pipol nor chop manna again.

Israel Win Jeriko

13 Wen Joshua don near Jeriko, e look up kon si one man stand for en front and di man hold swod for hand. Joshua waka go meet am kon ask, “Yu dey with us, abi yu dey against us?”

14 Di man ansa, “Na mi bi di oga among God sojas for heaven. Naw I don kom!” Joshua fall face groun kon sey, “Wetin my oga won tell en savant?”

15 Di oga among God sojas for heaven kon tell Joshua, “Make yu pul yor sandals, bikos di place wey yu stand put so, dey holy.” So Joshua do as di man kommand am.

6

1 Naw, dem lock and dey guide Jeriko gate, so dat Israel pipol don go fit attack am. Dem nor gri make anybody enter inside or go outside.

2 God kon tell Joshua, “Si, I won distroy Jeriko for una, plus di king and en sojas.

3 Make una sojas mash round di town ones and make una do like dat for six days.

4 Make yu tell seven priests make dem karry seven ram horn for di box front, den for di sevent day, make una mash round di town seven times, while di priests go dey blow di trumpet.

5 Wen una hear di trumpet sound, make di sojas shaut for war and di town wall go fall rish groun, den una go attack am.”

6 So Joshua wey bi Nun pikin kon koll and tell di priests, “Make una karry di Kovenant Box and seven priests must karry seven ram horn for di Kovenant Box front.”

⁷ So e tell di sojas, “Make una waka for front kon mash round di town, while many sojas go dey waka for di Kovenant Box front.”

⁸ Wen Joshua orda en sojas, di seven priests karry di ram horn for God present for front kon bigin blow di horn as God Kovenant Box dey follow dem for back.

⁹ Many sojas dey mash for front of di priests wey dey blow di horn, while di oda guards dey mash follow di box for back dey blow ram horn too.

¹⁰ Naw, Joshua tell di sojas, “Make una nor shaut or make nois; make una nor tok anytin until di day wey I go tell una sey make una shaut or make nois!”

¹¹ So Joshua make sure sey dem karry di Kovenant Box round di town only ones a day. Den dem go back go sleep for dia kamp.

¹² For early morning di next day, Joshua and di priests karry di Kovenant Box.

¹³ Di seven priests wey karry di seven ram horn for di Kovenant Box front, mash dey blow di horn round di town. Many sojas dey mash for dia front, while di oda guide dey follow for back and dem dey blow dia horn too.

¹⁴ Dem mash round di town ones for di sekond day, den dem go back to dia kamp. Dem do like dis for six days.

¹⁵ For di sevent day, dem wake-up for early morning kon mash round di town as before, but dis time, dem mash round am seven times.

¹⁶ Wen di sevent time rish, di priests kon blow di ram horn and Joshua kon tell di sojas, “Make

una shout for war, bikos God go give dis town to una!

¹⁷ Di town plus evritin wey dey inside go bi God own, escept Rahab wey bi ashawo and evribody wey dey with am for inside en house, bikos e hide awa pipol wey go spy di town.

¹⁸ But make una take kare wen una dey keep di tins wey bi God own. If una take any of dem, una go kause wahala for awa kamp and awa pipol.

¹⁹ All di gold and silva, plus di bronze and all di iron tins, na God get dem. All of dem must go God store house.”

²⁰ Wen di sojas hear di ram horn sound, dem kon shout well-well for war. Di town wall fall rish groun and di sojas run enter di town at wons kon win Jeriko pipol.

²¹ Dem use dia swod take kill evritin wey dey breath for di town, both man and woman, small pikin and old pipol, plus all di animals.

²² Joshua kon tell di two men wey kon spy di land before sey, “Make una go di ashawo house den bring en and evribody wey dey di house kom out, just as una promise am.”

²³ So di men go bring Rahab, en papa, mama, brodas and evribody wey dey en house. Dem bring all en family kom out kon take dem go one place wey dey outside Israel pipol kamp.

²⁴ But dem burn di town and evritin wey dey inside, esept di gold, silva, bronze and di iron tins wey dem karry go God store house.

²⁵ But Joshua nor kill Rahab wey bi ashawo, en family and evritin wey bilong to am. Rahab kon

stay for Israel, bikos e hide di pipol wey Joshua send go spy Jeriko.

²⁶ For dat time, Joshua kon swear sey: “Anybody wey sey e won build Jeriko town again, God go kondemn am.

“E first boy pikin go die
as e stay to build am
and en last boy pikin go die
wen e dey put di gate!”

²⁷ God dey with Joshua and pipol kon know am for evriwhere.

7

Akan Sin

¹ Israel pipol disobey wetin dem tell dem about di tins wey dey Jeriko. Akan wey bi Karmi pikin, wey Zabdi born, wey Zera born from Judah tribe, kon tif some tins from Jeriko, so God kon dey vex for Israel pipol.

² Joshua send men from Jeriko sey make dem go spy Ai town (Ai town dey near Bet-Aven, di east side for Bethel land) e kon tell dem, “Make una go spy di land.” So di men kon go spy di town.

³ Dem kom back kon tell Joshua, “Nor send all di sojas go, about two or 3,000 sojas go distroy di whole Ai town. Nor disturb di whole sojas, bikos Ai na small town.”

⁴ So about 3,000 men kon go, but dem run from Ai men.

⁵ Ai men kill about thirty-six from dem kon porshu di rest of dem from di town gate go rish

di low aria. Di pipol pawa fail dem like ice-blok wey dey melt.

⁶ Joshua tear en klot; en and di leaders for Israel fall for groun before di Kovenant Box until evening and dem pak dirty full dia head

⁷ Joshua kon pray, “My Oga God! Wetin make Yu take us cross Jordan River kon give us to Amor pipol, so dat dem go distroy us?”

⁸ “Why wi nor just stay for di oda side for Jordan River! Wetin I go tok naw wey Israel pipol dey run from dia enemies?”

⁹ Wen Kanaan pipol and evribody wey dey stay di land go hear wetin happen so, all of dem go kom distroy us and nobody go remember us. My Oga God, wetin Yu go do to keep yor respet?”

¹⁰ God ansa Joshua, “Make yu get up! Wetin make yu face groun dey mourn?”

¹¹ Israel pipol don sin; dem don go against my kommandment! Dem take some tins wey I sey make dem keep for mi from Jeriko; dem tif dem kon put dem join dia own propaty.

¹² Israel pipol nor fit stand for dia enemies front; dem run bikos disgrace don dey follow dem. I nor go dey with una again, unless una distroy wetin make dis wahala dey happen to una.

¹³ “Make yu get up! Go santify di pipol make yu tell dem: ‘Make una santify unasef before tumoro, bikos Israel God sey, “Israel pipol, una body dey dirty! Una nor go fit fight una enemies until una remove wetin make una dirty.”

¹⁴ “ ‘Wen day break, una must kom akordin to tribe. Di tribe wen God go choose go kom

akordin to village. Di village wey God go choose go kom akordin to family. Di family wey God go choose must kom man by man.

15 Di pesin wey dem katch with di propaty, dem must burn am with evribody wey bi en own, bikos e nor do wetin God tok and e don disgrace Israel pipol.' ”

16 Di next day for early morning, Joshua kon tell Israel pipol make dem kom tribe by tribe and God kon choose Judah tribe.

17 Joshua sey make di pipol for Judah kom village by village and God kon choose Zera village. Joshua sey make Zera pipol kom family by family and God kon choose Zabdi family.

18 Joshua sey make Zabdi Family kom man by man and God kon choose Akan wey en papa na Karmi and Karmi papa na Zabdi wey bi Zera pikin and Zera kom from Judah tribe wey God choose.

19 So Joshua kon tell Akan, “My pikin, respet Israel God make yu praiz am! Tell mi wetin yu do; nor deceive mi at-all!”

20 Akan kon tell Joshua, “Na trut. I don sin against Israel God:

21 From di tins wey wi karry from Jeriko, I si one fine klot from Babilon, with two silva koin and one gold wey heavy rish fifty fit. I like dem, so I take dem. I hide dem under di groun for my tent centre.”

22 So Joshua send pipol go di tent. Di tins dey for di tent and di silva dey under dem.

²³ Dem take all of dem from di tent centre kon go give Joshua and Israel pipol kon put am for where God go for si am.

²⁴ Den Joshua and Israel pipol take Akan, Zera pikin with di klot, di silva, di gold, en shidren, melu, donkey, sheep, tent and evritin wey bi en own go Akor Valley (wey mean Wahala Valley).

²⁵ Joshua kon sey, "Wetin make yu bring wahala for awa head? God go put wahala for yor head today!"

So, evribody for Israel stone en, en family and evritin wey e get until dem die finish, den dem kon burn dem.

²⁶ Dem pak many stones on-top dem (di stones dey der till today) and God vexnashon kon stop. So till today, na Akor Valley dem dey koll dat place.

8

Israel Distroy Ai

¹ God tell Joshua, "Make yu nor fear or bigin shake! Take all di sojas make una mash go Ai! Si, I dey give yu Ai king, plus di pipol and di town.

² Make yu do wetin yu do for Jeriko to Ai, en king and en pipol, but una fit keep dia animals for unasef. Naw, make una dey ready to attack di town from back!"

³ Joshua and all di sojas kon mash dey go Ai town. Joshua choose 30,000 strong sojas kon send dem go for nite.

⁴ E tell dem, "Make una hide for di town back. Make una nor too go far from di town and all of una must dey ready!"

⁵ Mi and di oda sojas go mash go di town. Wen dem kom out kon fight us like before, wi go run leave dem.

⁶ Dem go dey porshu us until wi don draw dem go far from di town, bikos dem go sey, 'Dem dey run from us like before.'

⁷ Den una go kom out from where una hide put kon distroy di town. Di Oga una God go give di town to una.

⁸ Wen una don enter di town, make una start to burn am. Make una do as God don tok! Si, I don give una ordas."

⁹ Joshua send dem and dem kon go hide for di west side for Ai, between Ai and Bethel. Dat nite, Joshua stay with di sojas.

¹⁰ As day just break, Joshua gada di sojas with di leaders for Israel and dem kon mash go Ai for front.

¹¹ All di sojas dey mash with am as dem near di town. Dem kon stay for di nort side for Ai wey dey di oda side for di valley.

¹² Joshua hide 5,000 men for di west side between Bethel and Ai.

¹³ Di sojas dem don ready; both di ones wey dey nort and di ones wey dey hide for west. For dat nite, Joshua kon go di valley centre.

¹⁴ Wen Ai king si Israel pipol, en and all en sojas kwik-kwik get up di next day go fight Israel for Arabah. But Ai king nor know sey some men hide for di town back.

¹⁵ Joshua and all di sojas for Israel kon do like sey Ai men dey win dem, so dem kon dey run go di desert.

16 Ai king kon sey make all en sojas porshu dem; dem porshu Joshua and e take dem far komot from dia town.

17 No soja remain for Ai or Bethel; all of dem don porshu Israel pipol and dem leave di town open.

18 God kon tell Joshua, “Dis swod wey dey yor hand, make yu point am face Ai, bikos I don gi-am to yu and yor sojas.”

19 Wen e stresh en hand, di men wey hide before kon get up attack di town. Dem enter di town kon bigin burn am at wons.

20 Wen Ai men turn back, dem si smoke from dia town dey go heaven and fear katch dem and dem nor fit run go anywhere. Dis time, di men wey dey run before go di desert kon turn back face Ai men wey dey porshu dem.

21 Wen Joshua and Israel pipol si sey di men wey hide don enter di town and di town don dey katch fire, dem kon turn and bigin kill Ai men.

22 For dat same time, di men wey burn di town don kom out kon fight, so Ai men kon dey di middle. Israel sojas kill all of dem.

23 But dem katch di king alive, bring am kon meet Joshua.

24 Wen Israel pipol don kill all di men for Ai wey porshu dem go desert, all of dem kon go back to Ai go kill evribody wey dey der.

25 Na 12,000 men and wimen die dat day, plus all di men for Ai.

26 Joshua still stresh en swod until Israel don kill evribody wey dey stay for Ai.

²⁷ But Israel pipol keep all Ai tins and animals for demsef, just as God tell Joshua.

²⁸ Joshua burn Ai and nobody fit stay der (na so e bi till today).

²⁹ Joshua hang Ai king for tree kon leave am for der until evening. Wen sun don go down, Joshua kon tell di sojas sey make dem take di king dead body komot for di tree. Dem trow am put for di town gate kon pak stone on-top am (na so e bi till today).

Renew Kovenant

³⁰ Den Joshua build one altar for Israel God for Mount Ebal,

³¹ just as God savant Moses don kommand Israel pipol. As dem tok for di Law Book wey Moses rite, dem make am with stone wey dem nor kut or break or wey any iron don tosh. Dem burnt sakrifice for der kon do sakrifice for peace.

³² For Israel pipol present for der, Joshua kon rite Moses Law put for di stone.

³³ Di pipol, rulers, leaders and judge dem stand for di two side for di box and for di Levi priests wey karry God Kovenant Box. Both Israel pipol and doz wey dey der as strenjas dey for di box front. Half of di pipol stand for Mount Gerizim front and di oda half stand for Mount Ebal front, just as God savant Moses kommand dem to do, before dem kollekt di blessing.

³⁴ Den Joshua read all di word for di law, plus di blessing and di curse, just as dem rite am for di Law Book.

³⁵ Joshua read Moses kommand for all Israel pipol front, plus di wimen, shidren and strenjas wey dey stay with dem.

9

Dem Deceive Israel

¹ Wen all di kings for Jordan River west; di kountries for hill; di ones for di valley go rish Mediterranean wotaside; plus di whole Lebanon (plus Hit, Amor, Kanaan, Periz, Hiv and Jebus pipol) hear about Israel pipol and wetin dem do,

² dem kon join togeda won go fight against Joshua and Israel pipol.

³ Wen di pipol for Gibeon hear wetin Joshua do to Jeriko and Ai,

⁴ dem kon tink and do wetin dey wise. Dem kollekt some food kon put tear-tear klot on-top dia donkey with wine bag wey don tear wey dem pash.

⁵ Dem wear sandal wey dem don pash kon wear tear-tear klot. All dia bread dry and strong.

⁶ Dem kom meet Joshua for di kamp for Gilgal kon tell en and di men for Israel sey, "Where wi from kom dey far well-well. Make una promise us sey una nor go kill us."

⁷ Israel men kon tell Hiv men sey, "E fit bi sey una dey stay near us. So how wi go fit make promise with una?"

⁸ But dem kon tell Joshua, "Wi won bi yor savant."

So Joshua tell dem, "Na who una bi and where una from kom?"

⁹ Dem ansa, “Where yor savants from kom, far well-well and wi dey respet God, bikos wi don hear of all di tins wey E do for una for Egypt

¹⁰ and di ones wey E do to di two Amor pipol king for di oda side for Jordan River and dem bi King Sihon for Heshbon and King Og for Bashan wey dey Ashtarot.

¹¹ Na awa leaders and pipol sey, ‘Make una take food for una journey go meet dem. Tell dem sey wi dey ready to bi dia savant. So make dem promise us sey dem nor go kill us.’

¹² Awa bread dey warm wen wi start dis journey, but naw, e don dry kon strong.

¹³ Di wine bag get betta wine wen wi start di journey, but make una si how dem don skata finish. Awa klot and sandals don skata, bikos di journey long well-well.”

¹⁴ Di men for Israel look some of dia tins well-well, but dem forget to ask God sey wetin dem go do.

¹⁵ Joshua promise dem peace kon sey e nor go kill dem. Israel leaders sef agri wetin Joshua tok.
