**Lite Di Lamp**

1 God kon tell Moses: 2 “Go tell Aaron sey make e put di seven lamp for where di lite go for dey shine for di lampstand front.” 3 So Aaron do as dem tell am. E put di lamp for di lampstand front, just as God kommand Moses. 4 Dis na how dem take make di lampstand: from di top go rish bottom, dem make am with gold, just as God show Moses.

**Separate Levi Pipol**

5 God tell Moses: 6 “Make yu take Levi pipol komot for where Israel pipol dey kon wosh dem, so dat dem go dey holy. 7 Dis na how yu go take make dem holy: Sprinkol di holy wota for dia body, den tell dem sey make dem shave di hair for dia whole body kon wosh dia klot, so dat dem go dey holy. 8 Dem go take one small melu with korn ofrin wey bi fine flower wey dem mix with olive oil; den yu go take anoda small melu for di holy ofrin. 9 Yu go take Levi pipol kom di tent where dem for dey do meetin kon gada all di kommunity for Israel. 10 Yu go take Levi pipol kom where God dey and Israel pipol go put dia hand for
Levi pipol head; 11 den Aaron go offa Levi pipol to God as special ofrin from Israel, so dat dem go do God work.

12 “Levi pipol go put dia hand on-top di two melu head; dem go give one as ofrin to klean demsef and di oda one as burnt ofrin, so dat dem go dey holy. 13 Yu go offa Levi pipol to God and Aaron and en sons go kare for dem. 14 So yu go separate Levi pipol from di oda pipol for Israel and Levi pipol go kon bi my own.

15 “Afta dis, Levi pipol go-go do my work for di tent wey dem for dey do meetin. So yu must klean and give dem to God as special ofrin. 16 I don use dem take replace all di first-born for Israel and dem bi my own forever. 17 Wen I kill all di first-born wey dey Egypt, I make all di first sons and animal for Israel holy, so dat dem go bi my own. 18 So I don use Levi pipol replace all di first-born sons for Israel. 19 From among Israel pipol, I don give Levi pipol as gift to Aaron and en sons, so dat dem go do di work wey Israel pipol suppose do for di tent where dem for dey do meetin and dem go guide Israel pipol from di wahala wey go happen if dem go near di sanctuary.”

20 So Moses, Aaron and Israel pipol kon offa Levi pipol, just as God kommand. 21 Levi pipol go klean and wosh dia klot, den Aaron give dem as special gift to God. E still do di sakrifice to make dem holy. 22 Di pipol do all di tins wey God kommand Moses about Levi pipol. di work; dey give dem wetin dem wont, but make dem nor do any work. Dis na wetin yu go tell Levi pipol to do koncerning dia work for di sanctuary.”

8 Moses ansa dem, “Make una wait until God go tell mi wetin I go do.”
9 God tell Moses: 10 “Make yu tell Israel pipol sey, ‘If any of una or una shidren nor dey klean, bikos e go tosh dead body or e waka go far place, but e still wont keep di Passova, 11 e go fit do am, but e go bi di fourteent day for di sekond mont for evening; di bread wey dem nor make with yist, dem go chop am with bitter leaf. 12 Dem must nor leave any food till morning, or break any part for en bone; dem must do am akordin to di Passova law. 13 If pesin dey klean and e nor travel, but e nor gri keep di Passova, make una remove am from among my pipol,
bikos e nor give mi di ofrin for di rite time. E must sofa for di sin wey e kommit.

14 “If strenja wey dey with una won keep di Passova, dem must do am akordin to all di rules and law. Na di same law di strenja and una own pipol go obey.’”

Yu go use am take dey gada di kommunity and to tell dem wen dem won travel. 2 Wen dem blow di two trumpet, all di kommunity must gada round yu for di tent where dem for dey do meetin door-mot. 3 But if dem blow one, den di leaders and doz wey dey lead tazon go kom meet yu. 4 Wen yu blow di two trumpet, all di kommunity must gada round yu for di tent where dem for dey do meetin door-mot. 5 Wen yu blow alarm, di pipol wey di east side must start to travel. 6 Wen yu blow for di sekond time, di pipol wey dey di sout-side must start to travel. 7 Yu must blow di trumpet wen yu gada di kommunity, but make yu nor sound alarm.

8 “Na only di priests wey bi Aaron shidren-shidren must blow di trumpet. Dis law na forever and una must obey am from one generashon go rish anoda. 9 If uma go fight against enemy wey dey attack uma, den uma must blow di alarm and di trumpet. Mi wey bi God go kon help and save uma from uma enemies. 10 And for di time wen uma dey happy like di time for uma festival or as di mont just dey start; uma go blow di trumpet for uma burnt ofrin and di sakrifice wey uma dey do for peace ofrin, so dat God go dey remember uma: Na mi bi di Oga uma God.”

21 So dem kon go shek di land from Zin and Rehob Wildaness, where dem dey pass enter Lebo-Hamat. Wen dem pass thru Negev, dem kon rish Hebron for Ahiman, Sheshai and Talmai, where Anak shidren-shidren dey stay. (Naw, dem don build Hebron seven years before dem
build Zoan for Egypt.)  23 Wen dem rish Eshkol Valley, dem kon kut one branches wey grape full and two men karry am with stik. Dem still take some pomegranate fruit and fig follow body. 24 Dem koll di place Eshkol Valley, bikos of di many grape wey Israel pipol kut from der. 25 Den, dem kon kom back afta forty days, wen dem don shek di land.

Di Spy Ripot
26 Dem kom back kom meet Moses, Aaron and Israel pipol for Paran Wildaness wey dey Kadesh kon tell dem evritin wey dem si and show dem di fruit wey dem bring from di land. 27 Dem tell Moses, “Wi go di land wey yu send us. True-true, milk and honey full der and dis na di fruit wey dey der. 28 But na strong and big pipol dey stay der and di town get betta wall and dem dey guide am well-well. Wi still si Anak shidren-shidren for der. 29 Na Amalek pipol dey stay for di sout part for di land; na Hit, Jebus and Amor pipol dey di kountries for hill; Kanaan pipol dey near Mediterranean Sea and along Jordan River.”
30 Den Kaleb tell di pipol sey make dem shut up kon sey, “Wi go attack naw kon take di land; wi dey strong and wi go fit konker di land.”
31 But di men wey go with Kaleb kon sey, “No, wi nor strong rish to fight dem; di pipol wey dey der get pawa pass us.” 32 So dem make Israel pipol bilive sey dem nor go fit konker di land wey dem go spy kon dey sey, “Di land nor go fit produce food for all di pipol wey dey stay der. All di pipol wey wi si der, big well-well 33 and wi even si some giant for der (wey bi Anak shidren-shidren) and wi bi like ant for dia front.”

Israel Pipol Dey Fear
1 Den di pipol kon kry and dem kry well-well till di next day. 2 Israel pipol kon bigin komplain against Moses and Aaron sey, “E for betta sey wi die for Egypt or for di wildaness! 3 Wetin make God bring us kom dis land, so dat dem go kill us for war? Dem go katch awa wifes and shidren go as slaves! E for betta sey wi go Egypt back o-o?” 4 So dem kon dey tell demsef sey, “Make wi choose new leader wey go take us go Egypt back!”

5 Den Moses and Aaron fall face groun for di pipol front. 6 Joshua wey Nun born and Kaleb wey Jefunneh born wey dey among di men wey go shek di land kon tear dia klot, bikos dem dey vex 7 den dem sey, “Di land wey wi go shek dey good well-well. 8 If God dey happy with us, E go take us go der kon give us dat land wey full with milk and honey. 9 Make una nor dey sturbon to God and make una nor fear di pipol wey dey di land, bikos dem bi like bread to us. God dey with us and E don defeat di gods wey dey protet dem; so make una nor fear.” 10 But di pipol kon dey plan to stone Joshua and Kaleb. Den God lite kon appear to Israel pipol for di Tabanako.

**God One Ponish Dem**

11 Den God tell Moses, “How long my pipol go rijet mi? Dem nor go ever bilive mi, even afta all di signs wey I don do for dia present? 12 I go strike dem with diziz kon distroy dem, den I go make anoda nashon thru yu and e go dey great and mighty pass dem!”

13 But Moses ansa, “Na Yu bring dis pipol komot from Egypt with yor pawa. Egypt pipol know wetin Yu don do for yor pipol wen Yu save dem. 14 Naw, if Yu distroy dem, wetin yu wont make Egypt pipol tell di pipol for dis land, wey don already bilive sey Yu dey among yor pipol? My God, dem know sey Yu don appear to yor pipol face-to-face. Yor kloud dey kover dem for day time and for nite,
yor fire dey with dem. 15 If Yu kill all yor pipol, di nashons wey don hear about Yu go kon sey, 16 ‘Na bikos Yu nor fit take yor pipol go di land wey Yu promise dem, naim make Yu kill dem for di wildaness.’

17 “So my God, I dey pray, make Yu show yor pawa kon give us wetin Yu promise wen Yu sey, 18 ‘Mi wey bi God, I nor dey kwik vex and I dey show my love and goodness well-well. I dey forgive pipol sins and sturbones, but I go still ponish dia shidren-shidren go rish dia third and fourt generashon, bikos of di sin wey dia papa and mama kommit.’ 19 Abeg, make Yu forgive dis pipol akordin to yor love wey nor dey shange; wey strong well-well, just as Yu take forgive dem for Egypt kon rish naw.”

20 Den God ansa, “I don forgive dem as yu tok. 21 But I promise sey, as long as I dey, 22 non of dis pipol go dey alive to enter di land. Dem don si my glory and mirakle wey I do for Egypt and for di wildaness, but dem don too try my patient, bikos dem nor gri obey mi. 23 Doz wey rijet mi nor go ever enter di land wey I promise dia grand-grand papa. 24 But bikos my savant Kaleb nor bihave like di oda men and bikos e obey mi, I go take am go di land wey e go spy and en shidren-shidren go stay der. 25 (Naw Amalek and Kanaan pipol dey stay for di valley.) Tumoro, make una turn back kon travel go di wildaness for di road wey dey near di Red Sea.”

God Ponish Di Pipol

26 God tell Moses and Aaron: 27 “How long I go take bear di evil wey di pipol dey tok about mi? I don hear Israel pipol komplain about mi. 28 Make una tell dem sey, ‘As long as I dey, I go do anytin wey yu sey make I do. Na mi wey bi God tok am. 29 Una dead body go skata for dis wildaness, bikos una don komplain against mi. Nobody
among una wey bi from twenty years go up, go enter di land. 30 I promise sey I go give Israel pipol di land, but una nor go enter der, apart from Kaleb and Joshua. 31 Una sey dem go katch una shidren, but I go take dem go di land wey una rijet and e go bi dia own. 32 Una go die for dis wildaness. 33 Una go waka anyhow for di wildaness for forty years kon sofa until di last pesin among una go die, bikos una nor good at-all. 34 Akordin to di days wey una take shek di land, na so too una go sofa for una sin for forty years; one day go bi for one year, den una go know how e bi to make mi vex!’ 35 Mi God don sey, ‘I go do wetin I tell dis wiked pipol wey gada togeda against mi. All of dem go die for dis wildaness. Mi wey bi God, don tok.’ ”

36 Di men wey Moses send go shek di land, wey kom back kon make Israel pipol dey komplain against God, bikos of di bad tin wey dem tok about di land; 37 doz men wey bring di evil ripot about di land, God kon kill dem with diziz. 38 And out of di twelf pipol wey Moses send go shek di land, na only Joshua and Kaleb, remain.

First Attack

39 Wen Moses tell Israel pipol wetin God tok, dem kon dey komplain more-more. 40 Early di next morning, dem start to travel go di hill kountries kon sey, “Naw wi don ready to go di place wey God don dey tell us. Wi know sey wi don sin.” 41 But Moses ansa dem, “Den why una kon dey disobey God? Una nor go fit win! 42 Make una nor go, bikos God nor dey with una and una enemies go win una, 43 bikos Amalek and Kanaan pipol dey wait una and dem go kill una well-well. Bikos una don turn from God, E nor go-go with una.”

44 But dem still go di kountry on-top di hill, even doh God Kovenant Box and Moses nor dey with dem.
Amalek and Kanaan pipol for der kon attack and porshu dem go rish Hormah.

Law For Sakrifice

1 God tell Moses, 2 “Make yu tell Israel pipol sey, ‘Wen una enter di land wey I go give una, 3 make una give mi one melu, one ram, one sheep or goat as burnt ofrin. Nor bi sakrifice to pay una vow or free will or first ofrin; put na ofrin wey God like en smell, 4 den di one wey dey give en ofrin to God must go bring each animal with one kilogram of flower wey dem mix with one lita of olive oil for korn ofrin, 5 togeda with one lita of wine for drink ofrin.

6 “ ‘If na ram e one give, two kwota for flower wey dem mix with one and half lita of olive oil and na dem e go give as korn ofrin, 7 with one and half lita of wine, as drink ofrin. God like dis sakrifice smell well-well.

8 “ ‘If na melu dem give God as burnt ofrin or as sakrifice to take pay dia vow or fellowship ofrin, 9 dem go bring korn ofrin of six kwota for flower wey dem mix with two lita of olive oil, den 10 two lita of wine, as drink ofrin. God like dis sakrifice smell well-well. 11 Na so too una go prepare each sakrifice wey bi melu, ram, sheep or goat. 12 If dem give more dan one ofrin, di ofrin wey go follow am go inkrease.

13 “ ‘All di pipol wey dem born for Israel go do like dis anytime wey dem won give ofrin, bikos God like di ofrin smell well-well. 14 And if strenja dey stay among una, weda na for sometaim or forever and dem won offa ofrin wey get sweet smell to God, dem must follow di rules and regulashon. 15 Na di same law una and strenjas wey dey with una go obey forever, bikos all of una na di same for
God eye; 16 di same law and rules naim all of una go obey forever.’”

**First Fruit Law**

17 God tell Moses: 18 “Make yu tell Israel pipol sey, ‘Wen una enter di land wey I dey take una go 19 and una chop some of di food wey dey di land, una must keep some as special ofrin to God. 20 Una go give kake from una first flower wey una grind as special ofrin, just as una do for di first korn wey una grind. 21 Una and una shidren-shidren must give God some for di first flower wey una grind as special ofrin forever.

**Wen Pesin Make Mistake**

22 “‘If una nor know kon kommit sin and break di kommand wey God give una thru Moses, 23 all wetin God kommand una thru Moses, from di day wey God kommand Moses go rish una shidren-shidren, 24 den if una do anytin wey nor kom from una mind and di kommunity nor know about am, di kommunity must give one yong melu as burnt ofrin to take klean demsef. 25 Den di priest go do di sakrifice for di kommunity and I go forgive dem, bikos dem nor sin from dia mind and dem don bring dia ofrin; ofrin wey dem make with God fire and ofrin to klean demsef for God present, bikos of di sin wey dem nor kommit from dia mind. 26 I go forgive all di kommunity and di strenjas wey dey stay with dem, bikos na all of dem kommit di sin wey nor kom from dia mind.

27 “‘If anybody kommit di sin wey nor kom from en mind, den e must give one goat wey bi one year to take klean ensef. 28 Di priest must do di sakrifice for di pesin wey kommit di sin, den I go forgi-am. 29 Una must get one law for di pesin wey nor kommit sin from en mind, both for Israel pipol and di strenjas wey dey stay with una.
30 “But anybody wey kommit sin with en mind, weda dem born am for Israel or na strenja, dat pesin don curse God and dem must kill-am, 31 bikos e nor gri do wetin God tok or obey en kommand. Na en use en hand kill ensef.”

32 Wen Israel pipol still dey for wildaness, dem si one man dey pak wood for Sabat Day. 33 Di pipol wey si am kon take am go meet Moses, Aaron and di kommunity. 34 Dem put di man for prison make sojas guide am, bikos dem nor know wetin dem go do am. 35 Den God tell Moses, “Di man must die; make di whole kommunity take am go outside di kamp kon stone am till e die.” 36 So di whole kommunity take am go outside di kamp kon stone am till e die, just as God kommand Moses.

37 God tell Moses: 38 “Make yu tell Israel pipol sey, ‘Make dem tie tread for dia klot forever kon use blue tread dekorate di korna. 39 Una must get dis tread, so dat wen una look am, una go remember all God kommand kon do dem and una nor go allow una heart or eye turn una from mi. 40 Like dat, una go remember and obey my kommand kon dey holy to una God. 41 Na mi bi di Oga una God; wey take una komot from Egypt, so dat I go bi una God. Na mi bi God.’”

16

Korah Sin
1 Naw some pipol from Reuben tribe kon sin, dis pipol na: Korah wey Izhar born, wey Kohat born, wey Levi born with Datan and Abiram wey Eliab bi dia papa and On wey Pelet born. 2 Dem with some Israel pipol (two hundred and fifty popula prince from di kommunity) kon dey tok against Moses. 3 Dem gada against Moses and Aaron kon
sey, “Una own don too mush sef! Di kommunity dey holy; na God get am and E dey with all of us too. Why e kon bi sey yu Moses go dey karry body for God pipol?”

4 Wen Moses hear wetin dem tok, e bow for groun kon start to pray. 5 Den e tell Korah and doz wey dey follow am sey, “Tumoro morning, God go show us who bi en own and who dey holy. Na only di pesin wey bi God own go fit enter en Holy Place. 6 Tumoro morning yu and doz wey dey follow yu: make una bring una burn ofrin kontaina. 7 Una go lite fire, put incense inside, den karry am go di altar. Den wi go si di pesin own wey God go take. Levi pipol, na una own worse pass!”

8 Moses tell Korah pipol again, “Levi pipol, make una listin to mi! 9 Una tink sey e nor mean anytin to God wey choose una among Israel pipol to dey near am, so dat una go fit serve am for en Tabanako kon stand and dey prish to di pipol? 10 E don already give dis tins to both una and una fellow Levi pipol. And naw, una sey una won bi priest too! 11 So, na God una dey gada against! Who Aaron bi wey una dey komplain about?”

12 So Moses koll Datan and Abiram wey Eliab born, but dem ansa am, “Wi nor go kom. 13 Di one wey yu take us komot from Egypt wey get milk and honey neva rish yu? Yu still won kill us for di wildaness as yu dey trit us like yor savant? 14 Yu neva take us go any land where milk and honey full or sey yu give us where get vineyard as awa propaty. Yu tink sey yu go fit deceive us? Wi nor go kom.”

15 Moses vex well-well kon tell God, “Make Yu nor asept dia ofrin. I nor tif dia animal or do any bad tin against dem.”

16 Den Moses tell Korah, “Tumoro make yu and doz wey dey follow yu kom stand for God present and Aaron go
kom too. 17 Make each of una take en own kontaina with incense kom meet God: Both Aaron and una two hundred and fifty kontaina with incense. Each pesin among una with en own kontaina wey incense full.” 18 So all of dem take dia kontaina with incense kon lite fire put, den dem stand for di tent where dem for dey do meetin door-mot, with Moses and Aaron. 19 Wen Korah gada di kommunity against Moses and Aaron for di tent door-mot, God glory kon appear to di whole kommunity.

Judgement

20 God tell Moses and Aaron: 21 “Make una komot from among dis kommunity, so dat I go distroy dem kwik-kwik.”

22 Den dem fall face groun kon sey, “My God, di God of all pipol spirit, Yu go vex for di whole kommunity wen e bi sey na only one pesin sin?”

23 So God tell Moses: 24 “Make yu tell di whole kommunity sey: ‘Make dem komot from Korah, Datan and Abiram tent.’ ”

25 So Moses get up go meet Datan and Abiram and di eldas for Israel, follow am. 26 E kon tell di kommunity sey, “Make una komot from doz wiked pipol tent and nor tosh anytin wey bi dia own, if not, God go distroy una bikos of dia sin.” 27 So dem komot from Korah, Datan and Abiram tent. Den Datan and Abiram kom out kon stand for di tent door-mot with dia wifes and shidren.

28 Moses kon sey, “Na so una go take know sey na God send mi kom do dis work, bikos I nor dey do am by mysef. 29 If dis men die normal deat without sey God ponish dem, den nor bi God send mi. 30 But if God do sometin wey neva happen before and di eart open swallow dem with all wetin dem get and dem die alive, den una go know sey dis men don rijet God.”
Wen e tok finish, di groun under Datan and Abiram open kon swallow dem, with dia tent, all Korah men and with all dia propaty. Dem and all wetin dem get enter groun alive, den di eart klose against dem. So dem die komot di kommunity. Israel pipol wey der kon run komot wen dem hear di pipol dey kry. Dem kon dey shaut sey, “Make wi run o-o! Di eart fit swallow us too!”

Den God send fire kon distroy di two hundred and fifty men wey lite incense.

Di Fire Pan

God tell Moses: “Make yu tell Eleazar wey Aaron di priest born sey, make e pick di kontaina wey dem dey put incense komot from di fire, bikos dem dey holy, den make dem pak di shako go far. Di pipol wey die bikos of dia sin, make una use dia kontaina take make wetin dem go take kover di altar, bikos dem offa am to God, so dem dey klean. Dem go bi sign for Israel pipol.”

So Eleazar take di bronze kontaina kon use dem do kover for di altar. Dis na warnin to Israel pipol sey, “Anybody wey nor kom from Aaron family, nor go fit burn incense to God for di altar. If not, e go die like Korah and en men.” All dis happen akordin to wetin God kommand Eleazar thru Moses.

But for di next day, di whole kommunity kon dey komplain against Moses and Aaron sey, “Una don kill God pipol.”

Afta dem gada against Moses and Aaron, dem turn face di tent where dem for dey do meetin kon si di kloud kover am and God glory kon appear. Den Moses and Aaron stand for di tent where dem for dey do meetin. God tell Moses, “Make yu komot from dis kommunity, so dat I go distroy dem naw-naw!” Moses and Aaron kon bow face groun.
46 Den Moses tell Aaron, “Make yu take di kontaina with incense kon put fire inside am from di altar. Den kwik go di kommunity side go do sakrifice to make dem holy, bikos God go send one bad diziz kon meet dem, since E dey vex for dem.” 47 So Aaron do wetin Moses kommand and e run enter di pipol centre. Naw di diziz just dey start among di pipol. Aaron put di incense for der kon make dem holy. 48 E stand between doz wey don die and doz wey dey alive kon stop di diziz. 49 Naw, di pipol wey die with di diziz na 14,700 plus di pipol wey die bikos of Korah matter. 50 Afta di diziz stop, Aaron kon go meet Moses for di tent door-mot.

17

Aaron Stik

1 God tell Moses: 2 “Make yu tok to Israel pipol kon kollect stik from each tribe; one from evry leader wey dey each tribe, yu go kollect twelf stik kon rite each man name put for en stik. 3 Den yu must rite Aaron name put for Levi pipol stik; bikos each stik na for di leader for each tribe. 4 Yu go put dem for di tent where dem for dey do meetin near di Kovenant Box where I for meet yu. 5 And di man stik wey I go choose go prosper; so I go stop Israel pipol to dey komplain against yu.”

6 So Moses tok to Israel pipol and each leader gi-am one stik, one for each leader akordin to dia tribe. So all di stik na twelf; Aaron stik dey among. 7 Moses put di stik before God for di tent where dem for dey meet.

8 Di next day, Moses enter di tent and Aaron stik for Levi house kon dey grow well-well with leaf, den e form one kind fruit wey dem dey koll almond! 9 So Moses bring all di stik kom out from God present kon show Israel pipol and each pesin kon take en stik.
**Remember**

10 Den God tell Moses, “Make yu bring Aaron stik kom back before di Testimony Box kon keep am as sign for sturbon pipol, so dat dia komplain go stop and dem nor go die.” 11 So Moses do wetin God kommand am.

12 Israel pipol kon tell Moses, “Na die wi dey so! 13 If anybody wey go near God Tabanako, go die, dat mean sey all of us don die finish?”

**Di Priest Work**

1 God tell Aaron, “Yu, yor sons and yor tribe must sofa for di Tabanako sin; but only yu and yor sons go sofa for di priest sins. 2 Make yu karry yor brodas, Levi tribe and yor papa tribe follow body, so dat dem go join and help yu wen yu and yor sons dey for di tent. 3 Dem must kare for yu and di whole Tabanako. But dem must nor kom near di holy tins for di Holy Place and di altar or all of una go die. 4 Dem must work with yu kon kare for di tent where dem for dey do meetin and for all di work wey dey di tent, but anybody wey nor kwalifai, make e nor work with yu.

5 “Na yu go kare for di sanctuary and di altar, so dat problem nor go follow Israel pipol again. 6 Even mi mysef don choose yor brodas; Levi pipol for Israel. God give dem to yu as gift wey go do di work for di tent where dem for dey meet. 7 But na yu and yor sons go do di priest work, evritin wey dey di altar and di Holy Place. And yu must work, bikos I don give yu di gift to bi priest and anybody wey I nor choose, if e kom near di holy tin, dem must kill-ام.”

**Di Priest Part**

8 God kon tell Aaron, “Si, I don put yu to kare for my special ofrin; I don give yu all di holy tins wey Israel pipol
give mi as yu and yor sons own forever. 9 Out of all di ofrin wey holy well-well wey dem nor put for fire, dis go bi yor own: evry ofrin wey bi dia own, weda na from dia korn ofrin or from dia klean ofrin, or evry ofrin wey dem give mi, go dey holy well-well for yu and yor sons. 10 Yu must chop am for di Most Holy Place and evry boy pikin fit chop am, bikos e go dey holy to yu.

11 “And dis na yor own: special ofrin wey kom from dia gift, togeda with all di peace ofrin wey Israel pipol give. I don give dem to yu and yor shidren forever. Evribody wey dey klean for yor family, go fit chop am.

12 “I dey give yu all di best olive oil, wine, wheat and di first fruit wey Israel pipol give God. 13 And any first fruit wey ripe for dia land wey dem give God, go bi yor own. Evribody wey dey klean for yor family go fit chop am.

14 “Anytin for Israel wey dem give to God, go bi yor own. 15 Di first-born wey dem give to God, weda na human being or animal, go bi yor own. But di first-born for pipol and di first-born from man animal wey nor dey klean, dem must replace am. 16 Dem go take di shidren back wen dem don rish one mont kon pay five shekel for Silva akordin to di sanctuary shekel.

17 “But make yu nor take money for di first-born for melu, sheep or goat, bikos dem dey holy. Yu must kill and sprinkol dia blood for di altar kon burn dia fat for di ofrin wey dem make with fire wey get betta smell to God. 18 But dia meat go bi yor own, just as di breast and di rite leg bi yor own. 19 All di special ofrin for di tins wey dey holy wey Israel pipol give to God, I don give dem to yu and yor shidren forever. E go bi salt kovenant forever to God and na for yu and yor shidren-shidren.”

_Levi Pipol Work_
20 God tell Aaron, “Yu nor get any propaty for dia land and know part for Israel land go bi yor own. Na mi God, bi evritin wey yu nid.

21 “I don give Levi pipol all di tithes wey Israel pipol give mi. Dis na to pay dem for dia work wey bi to kare for di tent where dem for dey do meetin. 22 Di oda Israel pipol nor go kom near di tent where dem for dey do meetin again, or dem go bear dia sin and dem go die. 23 But Levi pipol must do di work for di tent where dem for dey do meetin and dem must bear dia own sin. Dis na rule forever for all Levi pipol. Levi pipol nor go get any propaty for Israel, 24 bikos I don give dem di tithes wey Israel pipol give mi. Dat na why I sey dem nor go get any propaty for Israel.”

Law For Levi Pipol

25 God kommand Moses: 26 “Make yu go tell Levi pipol sey: ‘Wen una don kollect Israel pipol tithes wey God don give una as una own, una must divide am into ten kon give one part as special ofrin to God. 27 Den God go kollect una special ofrin as E take kollect farmer own for new korn and wine. 28 God special ofrin and tithes wey una kollect from Israel pipol, una go give dem to Priest Aaron. 29 From all una gifts, una must give di special ofrin wey bi God own and e must bi di best and e go dey holy.’

30 “So make yu Moses tell dem, ‘Wen una don give di best, una fit keep di rest, just as farmer dey keep wetin remain afta e don give en ofrin. 31 Una fit chop am for anywhere; both una and una family, bikos na una salari for una work for di tent where dem for dey do meetin, bi dat. 32 And una nor go kommit any sin, since na di best part una give. Una must dey kareful, so dat una nor go trit di holy tins wey Israel pipol get, anyhow, bikos if una do am, una go die.’ ”
Di Red Melu

1 God tell Moses and Aaron: 2 “Dis na my kommand: ‘Make una tell Israel pipol make dem bring red melu wey dey okay and wey dem neva use take work before. 3 Dem must gi-am to Eleazar wey bi priest, so dat e go karry am komot from di kamp, den dem go kill-am for en present. 4 Priest Eleazar go take some of di blood with en finger kon sprinkol am seven times evriday for front of di tent where dem for dey do meetin. 5 Di full animal, plus di skin, meat, blood and intestine, dem go burn am for di priest present. 6 Den di priest go take cedar wood, hyssop leaf and one red rope kon put dem for fire. 7 Di priest go wosh en klot kon baf with wota, den e go fit enter di kamp, but di priest go dey unklean till evening. 8 Di pesin wey burn di melu must wosh en klot with wota kon baf, but e go dey unklean till evening. 9 Den di man wey dey klean, go kollect di melu ashes kon go keep dem for klean place for outside di kamp and Israel pipol go use dem take prepare di wota wey dem go take make pipol holy. Dem dey do dis sakrifice to remove sin. 10 Di man wey gada di ashes must wosh en klot, but e go dey unklean till evening. Dis law na forever both for Israel pipol and di strenjas wey dey stay with dem.

Dead Body

11 “Anybody wey go tosh dead body go dey unklean for seven days. 12 E must use klean wota take klean ensef for di third and seventh day, den e go dey holy. But if e nor klean ensef for di third and seventh day, e nor go dey holy. 13 Anybody wey tosh human being dead body and e nor klean ensef, don dirty Oga God temple. So make una drive
dat pesin komot from Israel pipol, bikos dem nor klean am
with di wota wey dem dey use klean pipol wey nor klean.
14 “’Na di law bi dis: “If anybody die for di tent, evribody wey
dey di tent wen di pesin die or wey enter, go dey unklean for
seven days. 15 And evry kontaina for di tent wey nor get kover, go
dey unklean.” 16 Anybody wey tosh pesin wey dem kill with swod for
war or anybody wey tosh dead body, human being bone or grave, go
dey unklean for seven days.
17 “’Pesin wey dey klean go take some of di ashes from
di melu wey dem burn for sin kon put am for pot, den pour
fresh wota inside. 18 Den e go bring hyssop leaf, deep am
for wota kon sprinkol am for di tent, evritin for inside; for
di pipol wey dey der and for di pesin wey tosh dead body,
pesin bone or grave. 19 For di third and sevent day, di pesin
wey dey klean go sprinkol di wota for di unklean pesin
body. For di sevent day, e go santify di man den di man
go wosh en klot kon baf, den e go dey klean for evening.
20 But di man wey nor dey klean or neva klean ensef, go
remain unklean, bikos dem neva sprinkol di klean wota
for en body. E don spoil Tabanako and dem must separate
am from God pipol. 21 Una go obey dis law forever.
“’Di pesin wey sprinkol di klean wota must go wosh
en klot and anybody wey tosh di wota go dey unklean
till evening. 22 Anytin wey unklean pesin tosh, go dey
unklean and any oda pesin wey go tosh am go dey unklean
till evening too.’ ”

Israel Pipol Komplain Again
1 For di first mont, di whole kommunity for Israel go
Zin Wildaness kon stay for Kadesh. For der, Miriam die
and dem kon beri am.
Wotan nor dey, so di pipol kon gada round Moses and Aaron dey komplain sey: “E for betta sey all of us die for di tent for God present! Wetin make yu bring us kom dis wildaness, so dat wi go die with awa animals? Why yu take us komot from Egypt kom dis evil place where nor-tin dey grow? No korn, fig, grape or pomegranate fruit for here. Wota to drink sef nor even dey!”

_Moses Ansa_
Moses and Aaron komot from di pipol front go enter di tent. Dem bow face groun and God glory kon appear to dem. God tell Moses, “Make yu take di stik and yu and Aaron yor broda go gada di kommunity, den tok to di rock for dia front and wota go kom out. Like dis yu go bring wota out from rock for di pipol, both for dem and dia animals.”

So Moses take di stik from God present, just as God kommand am. En and Aaron kon gada di whole kommunity for di rock front, den Moses sey, “Make una listin! Una wey sturbon well-well! Make wi bring wota out from rock for una?” Den Moses raiz en hand kon nak di rock two times with en stik. Plenty wota rush kom out, den evribody for Israel and dia animals kon drink beleful.

_God Judgement_

**Komplain About Midian Pipol**

6 So Moses send dem go war and na Finehas wey Eleazar di priest born bi dia leader. Na dis Finehas dey kare for di holy tins and di trumpet wey dem take dey give sign.

7 Dem attack and kill all di men for Midian, just as God kommand Moses. 8 Dem kill di five kings for Midian wey bi Evi, Rekem, Zur, Hur and Reba. Dem still kill Balaam wey Beor born. 9 Israel pipol katch all di wimen and shidren for Midian kon karry all dia animals, propaty 10 den dem burn dia towns and kamps. 11 Dem take all dia propaty, plus di prisonas and animals 12 go give Moses, Eleazar and Israel pipol near di kamp for Moab wey dey di oda side for Jordan River near Jeriko. 13 Moses, Eleazar and all di

Dat na wetin curse wahala for God pipol. 17 So naw, make uma kill all di boys and wimen wey don sleep with man, 18 but nor kill di girls and wimen wey neva sleep with man before.

**Wen War Di End**

19 “Naw all of uma wey don kill pesin or wey tosh dead body go stay outside di kamp for seven days and for di third and seven day, make uma and di wimen wey una katch klean unasef. 20 Make una klean all una klot and evritin wey dem make with leda, goat hair, or wood.” 21 Eleazar di priest kon tell di men wey kom back from war sey, “Dis na di law wey God give Moses: 22 ‘Na only di gold, silica, bronze, iron, tin, lead and evritin wey go fit pass thru fire, naim una go put for fire, so dat dem go dey holy, but anytin wey una nor fit put for fire, una go-go wosh am with wota. 24 Una must wosh una klot for di seven day and una go dey holy, den una go fit enter di kamp.’”

**Dem Share Di Propaty**

25 Den God tell Moses: 26 “Make yu, Eleazar and di leaders take di propaty wey dem karry, both pipol and animals kon share di propaty into two. One for doz wey go fight di war and di oda one for di whole kommunity. 27 From di sojas own, make yu take God tax komot; one from evry five hundred prisa and na di same tin for di
animals. 29 Make yu give Eleazar all of dem as special ofrin to God. 30 From di ones wey dem give di oda pipol, make yu take one from evry fifty prisoona and na di same tin for di animals. Yu go give all of dem to Levi pipol wey dey kare for Tabanako.” 31 So Moses and Eleazar kon do wetin God kommand. 32 All di good tins wey remain from di propaty wey di men wey go war karry, na 675,000 sheep; 33 dem still karry 72,000 kattle, 34 61,000 donkey, 35 plus 32,000 wimen wey neva sleep with man at-all. 36 Di half wey dem share give di sojas

na 337,500 sheep; 37 God tax for di sheep na 675. 38 Di kattle wey dem kount na 36,000; God tax na 72. 39 Di donkey na 30,500; God tax na 61. 40 Di pipol kon bi 16,000, so God tax na 32 pipol.

41 So Moses give di tax wey bi God special ofrin to Eleazar di priest, just as God kommand am. 42 Wetin dem share give di kommunity na di same tin with wetin dem give di sojas. 43 So dem share 337,500 sheep kon give dem to di kommunity, 44 36,000 kattle, 45 30,500 donkey 46 and 16,000 pipol. 47 From evritin wey dem share give di kommunity, Moses take one from evry fifty kon give dem to Levi pipol wey dey kare for Tabanako, just as God kommand.

Wi give dem to God as payment for awa life, so dat E go protet us.”

Awa shidren go dey here for sometaim for di house wey wi build to take protet dem from di pipol wey get di land. Wi nor go-go awa house until all di tribe for Israel don get dia propaty. Wi nor go take any propaty for di oda side for Jordan River or for front, bikos wi don get awa share for dis east side for Jordan River.”

Den God go give una di land wey dey east for Jordan River.

“But if una nor do wetin una promise, I dey warn una, bikos na sin una don kommit against God bi dat. Make una nor konfuse unasef; bikos una go must get di ponishment for una sin. So make una build towns for una shidren and house for una animals, but make una do wetin una tok!”

Gad and Reuben pipol kon ansa, “Oga, wi go do wetin yu kommand. Awa wifes, shidren and animals go dey here for Gilead. But all of us don ready to go fight, just as God kommand. Wi go cross Jordan River go fight, just as yu tok.”

So Moses give Eleazar, Joshua and di oda leaders for Israel dis kommand sey: “If Gad and Reuben pipol cross
