Preface

This book contains a translation of the New Testament of Jesus Christ into the language of Saniyo-Hiyewe. The people who speak this language number approximately 1000 and live along the banks of the Wogamous River and its tributaries and the northern foothills of the Central Range in the East Sepik Province of Papua New Guinea.

The Saniyo-Hiyewe language preface explains details of Greek textual differences, cross references, and book abbreviations. We give God thanks for the many prayers and gifts of churches and individuals, who have helped in the production of this book. We thank God for the Bible League, South Holland, Illinois, USA who has graciously agreed to publish this edition. We pray that this book will be used by the Spirit of God to lead many of the Saniyo-Hiyewe people to faith in Christ and to build up those people who are already Christians. We dedicate this book to God whose continual presence, patience and graciousness has enabled this book to become a reality. We desire that

this book will glorify our God and the Lord Jesus Christ.
